On February 19, 2015, the Board of Directors authorized the Company to repurchase up to \$25.0 million of the Company's common stock. This repurchase authorization follows, and is in addition to, a similar repurchase authorization of \$25.0 million announced on July 23, 2014. After taking into account all shares repurchased through February 19, 2015, the Company has approximately \$25.3 million in aggregate remaining repurchase capacity under all of the Company's outstanding repurchase authorizations. The timing and actual number of shares repurchased will depend on a variety of factors, including the stock price, corporate and regulatory requirements and other market and economic conditions. The Company's stock repurchase program may be suspended or discontinued at any time.
