Large Accelerated Filer  Accelerated Filer  Non-Accelerated Filer

Indicate by check mark whether the registrant is a shell company (as defined in Exchange Act Rule 12b-2): Yes  No

The aggregate market value of shares held by non-affiliates is \$34,450,999 computed by reference to the last sale price of the Company's Common Stock, as reported in the Nasdaq National Market system, of \$1.80 per share on March 30, 2007, the last business day of the Company's most recently completed second fiscal quarter. As of November 12, 2007, the Company had outstanding 19,407,966 shares of Common Stock.

### DOCUMENTS INCORPORATED BY REFERENCE:

Portions of the definitive Proxy Statement to be delivered to shareholders in connection with the Annual Meeting of Shareholders to be held January 15, 2008, are incorporated by reference into Part III.

### Explanatory Note:

This Amendment No. 1 to Form 10-K for the year ended September 29, 2007 is filed to include the auditor signatures on the Report of Independent Registered Public Accounting Firm (regarding Financial Statements), the Report of Independent Registered Public Accounting Firm (regarding Internal Control Over Financial Reporting) and Exhibit 23 the Consent of Independent Registered Public Accounting Firm. These signatures were inadvertently not included in the original filing of the Annual Report on Form 10-K. This Amendment No. 1 does not amend any other information.

## ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM  
Board of Directors and Shareholders  
Innovex, Inc.

We have audited the accompanying consolidated balance sheets of Innovex, Inc. and subsidiaries (the Company) as of September 29, 2007 and September 30, 2006, and the related consolidated statements of operations, stockholders' equity, and cash flows for each of the three years in the period ended September 29, 2007. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Innovex, Inc. and subsidiaries as of September 29, 2007 and September 30, 2006,

## Edgar Filing: INNOVEX INC - Form 10-K/A

and the consolidated results of their operations and their cash flows for each of the three years in the period ended September 29, 2007 in conformity with accounting principles generally accepted in the United States of America.

As stated in Note N, "Liquidity", of the consolidated financial statements, the Company has suffered recurring losses from operations and has historically financed its operations through cash from operating activities and bank credit facilities. The Company's financing alternatives are also described in Note N.

Our audits were conducted for the purpose of forming an opinion on the basic consolidated financial statements taken as a whole. The accompanying Schedule II is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information for each of the three years in the period ended September 29, 2007 in this schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the Company's internal control over financial reporting as of September 29, 2007, based on criteria established in Internal Control--Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) and our report dated December 12, 2007 expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Board of Directors and Shareholders  
Innovex, Inc.

We have audited the internal control over financial reporting of Innovex, Inc. and subsidiaries (the Company) as of September 29, 2007, based on criteria established in Internal Control--Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management's Report on Internal Control over Financial Reporting under Item 9A of this Form 10-K. Our responsibility is to express an opinion on the effectiveness of the Company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness

Edgar Filing: INNOVEX INC - Form 10-K/A

exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, Innovex, Inc. and subsidiaries maintained in all material respects effective internal control over financial reporting as of September 29, 2007, based on criteria established in Internal Control--Integrated Framework issued by COSO.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheets of Innovex, Inc. and subsidiaries as of September 29, 2007 and September 30, 2006, and the related consolidated statements of operations, shareholder's equity and cash flows for each of the three years in the period ended September 29, 2007, and our report dated December 12, 2007, which contained an emphasis of matter paragraph related to the Company's liquidity, expressed an unqualified opinion on those consolidated financial statements.
