Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995

Information included in this Form 8-K may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act") and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). This information may involve known and unknown risks, uncertainties and other factors which may cause the Company's actual results, performance or achievements to be materially different from future results, performance or achievements expressed or implied by any forward-looking statements. Forward-looking statements, which involve assumptions and describe the Company's future plans, strategies and expectations, are generally identifiable by use of the words "may," "will," "should," "expect," "anticipate," "estimate," "believe," "intend" or "project" or the negative of these words or other variations on these words or comparable terminology. These forward-looking statements are based on assumptions that may be incorrect, and there can be no assurance that any projections included in these forward-looking statements will come to pass. The Company's actual results could differ materially from those expressed or implied by the forward-looking statements as a result of various factors. Except as required by applicable laws, the Company undertakes no obligation to update publicly any forward-looking statements for any reason, even if new information becomes available or other events occur in the future.

Item 1.01	Entry Into a Material Definitive Agreement
Item 2.03	Creation of a Direct Financial Obligation
Item 3.02	Unregistered Sales of Equity Securities

Effective July 14, 2014, the Registrant issued a \$250,000 Convertible Promissory Note ("the Note") to JSJ Investments Inc. ("JSJ", or "the Lender"). The interest rate on the Note is 10% per annum, and the Note has a maturity date of six (6) months from the Effective Date.

The Principal Sum due to the Lender shall be prorated based on the consideration actually paid by the Lender, as well as any other interest or fees, such that the Registrant is only required to repay the amount funded and the Registrant is not required to repay any unfunded portion of the Note. The initial tranche received from this transaction was \$100,000.

The Company retains the option of pre-paying the Note within 120 days of the Effective date at an amount equal to 140% of the outstanding principal and the accrued and unpaid interest. Unless the Note is repaid in cash within 120 days, the Lender has the right to convert all or part of the outstanding and unpaid Principal Sum and accrued interest (and any other fees) into shares of fully paid and non-assessable shares of common stock of the Registrant. The Conversion Price is at a 42% discount to the average of the three lowest volume weighted average prices (VWAP) on the previous twenty (20) trading days to the date of Conversion, or 42% discount to the average of the three lowest VWAPs on the previous twenty (20) trading days that would be obtained if the conversion were to be made on the date that the Note was executed.

In connection with this transaction, a commission has been paid to Carter Terry & Company, a registered broker-dealer, consisting of \$8,000 in cash.

The Note referred to above (and the shares of common stock underlying them) is exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended.

The foregoing is not a complete summary of the terms of the Note described herein and reference is made to the complete text of the Agreement as Exhibit 10.1 to this Current Report on Form 8-K, and hereby incorporated by reference.
