[ ], 2012

To the Shareholders of Vulcan Materials Company:

On December 12, 2011, Martin Marietta Materials, Inc. ( Martin Marietta ) commenced an offer to the shareholders of Vulcan Materials Company ( Vulcan ) to exchange each of your shares of Vulcan common stock for 0.50 shares of Martin Marietta common stock, which represented a premium for Vulcan shareholders of 15% to the average exchange ratio based on closing share prices for Martin Marietta and Vulcan during the 10-day period ended December 9, 2011 (the last trading day before the commencement of our exchange offer) and 18% to the average exchange ratio based on closing share prices for Martin Marietta and Vulcan during the 30-day period ended December 9, 2011. This stock-for-stock transaction would create a U.S.-based company that is the global leader in construction aggregates, with a footprint reaching across North America. Upon consummation of the proposed transaction, Vulcan s shareholders would own approximately 58% of the combined company.

As discussed in the enclosed proxy statement, from time to time over the past several years, Martin Marietta and Vulcan have discussed a potential business combination. Most recently, the parties had discussions which began more than a year and a half ago about the financial and strategic merits and potential terms of a business combination. In mid-2011, however, despite Martin Marietta s continuing interest, Vulcan disengaged from discussions. Thereafter, we determined to commence the exchange offer and, concurrently with commencement of the exchange offer, we made a written proposal to Vulcan for a business combination. Despite our repeated requests to Vulcan to engage in discussions with us, as of the date of this preliminary proxy statement, Vulcan continues to refuse to engage with us to discuss our business combination proposal.

We are sending you the enclosed proxy statement and accompanying **BLUE** proxy card or **BLUE** voting instruction form because we are soliciting proxies from Vulcan s shareholders to be used at the 2012 annual meeting of Vulcan s shareholders. At this annual meeting, five directors will be elected to serve for terms expiring at Vulcan s 2015 annual meeting, and certain other business will be transacted. Vulcan has announced that the 2012 annual meeting will be held on [ ], 2012 at [ ], at [ ], and that the record date for determining the holders of record of Vulcan common stock who are entitled to vote at the 2012 annual meeting is [ ], 2012.

As we describe in the accompanying proxy statement, we are proposing five independent candidates for election to the Vulcan board of directors at the 2012 annual meeting of shareholders. We are seeking your support for the election of our five independent nominees to the Vulcan board because we believe, based on Vulcan s outright rejection of our proposal and refusal, as of the date of this preliminary proxy statement, to discuss our business combination, that the current directors of Vulcan are not acting, and will not act, in your best interests. Specifically, as described in the enclosed proxy statement, despite our repeated requests to Vulcan to engage in discussions with us, to date the Vulcan board has rejected our offer. As of the date of this preliminary proxy statement, Vulcan refuses to even discuss our proposal, notwithstanding the fact that we believe a business combination between Vulcan and Martin Marietta has significant industrial logic and is a compelling value-enhancing opportunity for Vulcan shareholders.

**We believe that you deserve a board of directors that is answerable to you and will act in your best interests. We urge you to send a strong message to Vulcan, by voting for our five independent nominees, that you want a board that will act in your best interests.**

WHETHER OR NOT YOU PLAN TO ATTEND THE 2012 ANNUAL MEETING, WE URGE YOU TO VOTE FOR THE ELECTION OF THE MARTIN MARIETTA NOMINEES BY SIGNING, DATING AND

**PROXY STATEMENT**

**OF**

**MARTIN MARIETTA MATERIALS, INC.**

This proxy statement and the accompanying **BLUE** proxy card or **BLUE** voting instruction form are being furnished to you by Martin Marietta Materials, Inc., a North Carolina corporation ( **Martin Marietta** ) (throughout this proxy statement, we sometimes refer to Martin Marietta as **we** or **us** ), in connection with the solicitation of proxies from you, holders of shares of common stock, \$1.00 par value ( **Vulcan common stock** ), of Vulcan Materials Company, a New Jersey corporation ( **Vulcan** ). The principal executive offices of Vulcan are located at 1200 Urban Center Drive, Birmingham, Alabama 35242.

## Edgar Filing: MARTIN MARIETTA MATERIALS INC - Form PRN14A

This proxy statement and the accompanying **BLUE** proxy card or **BLUE** voting instruction form are first being sent or given on or about [        ], 2012 to all holders of shares of Vulcan common stock as of the record date.

As of the date of this preliminary proxy statement, Martin Marietta does not know of any other business that will be presented at the Annual Meeting. If, however, other matters are properly presented at the Annual Meeting but were not known a reasonable time prior to the mailing of the definitive proxy statement, and you have signed, dated and returned the enclosed **BLUE** proxy card or **BLUE** voting instruction form (or submitted your voting instructions by Internet or telephone as described on the enclosed **BLUE** proxy card or **BLUE** voting instruction form), the named proxies will vote the shares represented thereby in their discretion in relation to such business.

We believe the Nominees are highly qualified to serve as directors on the Vulcan Board, are independent within the meaning of the listing standards of the New York Stock Exchange (the NYSE ) and meet the eligibility requirements of Vulcan s Director Independence Criteria as available on Vulcan s website at [www.vulcanmaterials.com](http://www.vulcanmaterials.com). In addition, we believe the Nominees are independent under the heightened independence standards applicable to audit committee members under the rules of the NYSE and the Securities and Exchange Commission (the SEC ). None of the Nominees are employed by or otherwise affiliated with Martin Marietta or any of Martin Marietta s subsidiaries, or has any relationship with Martin Marietta (except for the agreements described in the section entitled Arrangements between Martin Marietta and the Nominees in this proxy statement). None of the Nominees are employed by or otherwise affiliated with Vulcan or any of its subsidiaries. The only commitment given to us by each of the Nominees is that he or she will stand for election to

---

**Table of Contents**

the Vulcan Board and, if elected, will serve on the Vulcan Board. Each of the Nominees has specifically acknowledged that there is not, and cannot be, any agreement between any of them and Martin Marietta regarding the decisions he or she will make as a director of Vulcan. Accordingly, we expect that the Nominees will exercise their independent judgment in all matters before the Vulcan Board in accordance with their fiduciary duties to Vulcan and the Vulcan shareholders and applicable law. The Nominees were nominated by Martin Marietta in accordance with the procedures set forth in Vulcan's By-Laws and applicable law and, to date, Vulcan has not advised Martin Marietta or any of the Nominees of any alleged deficiencies with respect thereto.

On December 12, 2011, we proposed to Vulcan a stock-for-stock, tax-free transaction, in which each outstanding share of Vulcan common stock would be exchanged for 0.50 shares (the Exchange Ratio) of Martin Marietta common stock, par value \$0.01 per share (Martin Marietta common stock). On the same date, we commenced an exchange offer (the Exchange Offer) for all of the outstanding shares of Vulcan common stock at the Exchange Ratio, upon the terms and subject to the conditions set forth in the Tender Offer Statement on Schedule TO and the preliminary Prospectus/Offer to Exchange included in the Registration Statement on Form S-4 (including the Letter of Transmittal and related documents, and as amended and supplemented from time to time, the Exchange Offer Documents) initially filed by us with the SEC on December 12, 2011. The purpose of the Exchange Offer is for Martin Marietta to acquire all of the outstanding shares of Vulcan common stock in order to combine the businesses of Martin Marietta and Vulcan. The Exchange Offer will expire at 5:00 p.m., New York City time, on May 18, 2012, which is the initial expiration date, unless further extended by Martin Marietta. **For a more complete description of the terms of the Exchange Offer, including conditions of the Exchange Offer and certain federal income tax consequences of the Exchange Offer, please see the Exchange Offer Documents. We can terminate the Exchange Offer if, among other things, we enter into a definitive agreement with Vulcan providing for a merger or other business combination pursuant to which the parties agree that the Exchange Offer will be terminated. Martin Marietta intends to continue to seek to negotiate with Vulcan with respect to the combination of Martin Marietta and Vulcan.**

We are soliciting your vote because we believe, based on Vulcan's outright rejection of our proposal and refusal, as of the date of this preliminary proxy statement, to discuss our business combination, that the current directors of Vulcan are not acting, and will not act, in your best interests with respect to our proposal for a business combination between Vulcan and Martin Marietta. Since commencing the Exchange Offer, we have repeatedly expressed a desire to enter into negotiations with Vulcan regarding a business combination. The Vulcan Board, however, has rejected our offer and, to date, Vulcan has been unwilling to negotiate with us. Despite the fact that we believe that a business combination between Vulcan and Martin Marietta has significant industrial logic and is a compelling value-enhancing opportunity for Vulcan shareholders, the Vulcan Board (including the five incumbent directors with terms expiring at the Annual Meeting Philip J. Carroll, Jr.; Philip W. Farmer; H. Allen Franklin; Richard T. O'Brien; and Donald B. Rice) has recommended that the Vulcan shareholders not tender any shares to Martin Marietta in the Exchange Offer.

We nominated the Nominees and are sending you this proxy statement and accompanying BLUE proxy card or BLUE voting instruction form to give you a direct voice with respect to our proposal for a business combination with Vulcan. We believe that the election of the Nominees will demonstrate that the Vulcan shareholders support a combination with Martin Marietta and want Vulcan to enter into negotiations with us.

The election of our Nominees is also an important step toward a possible transaction because, although the Nominees are independent, we anticipate that, if the Nominees are elected, they would focus on the best value-enhancing strategy for Vulcan shareholders and, in reviewing the proposed business combination transaction, would act in the best interests of Vulcan and the Vulcan shareholders in accordance with their fiduciary duties as directors and applicable law. In this regard, Martin Marietta is not aware of any specific plans or strategies of any Nominee with respect to the proposed transaction. In addition, each of the Nominees has delivered a representation and agreement whereby such Nominee represented that he or she has not committed to any person, and acknowledged that there cannot be any agreement, arrangement or understanding with any person, as to how the Nominee, if elected as a director of Vulcan, would act or vote. Even if all five of the Nominees are elected at the Annual Meeting, they will constitute a minority of the Vulcan Board (*i.e.*, five out of eleven directors). However, if elected, it is possible that our Nominees could try to persuade Vulcan's other board members to support and facilitate the offer (for example, by expressing their views, which we expect will be independent, on the proposed transaction at a Vulcan Board meeting) should the Nominees, as new directors, deem it appropriate to do so in the exercise of their fiduciary duties to Vulcan and the Vulcan shareholders. We believe the Nominees will act in the best interests of the Vulcan shareholders.

**Table of Contents**

According to publicly available information, Vulcan's shareholders of record, as of the record date, will be entitled to vote at the Annual Meeting. According to Vulcan's Schedule 14D-9, filed with the SEC on December 22, 2011 (the Schedule 14D-9), as of December 12, 2011 there were 129,232,928 shares of Vulcan common stock outstanding.

The affirmative vote of a plurality of the votes cast is required to elect each of the Nominees. To determine the number of votes cast with respect to the election of the Nominees, only those cast **For** are included (abstentions, broker non-votes and **Withheld** votes are counted only to determine whether a quorum is present at the meeting, are not considered votes cast, and thus will not affect the outcome of the vote on the election of directors). A majority of the votes cast is required to approve the advisory vote on executive compensation and to ratify the appointment of Deloitte & Touche LLP. To determine the number of votes cast with respect to the advisory vote on executive compensation and the ratification of the appointment of Deloitte & Touche LLP, only those cast **For** or **Against** are included (abstentions and broker non-votes are counted only to determine whether a quorum is present at the meeting, are not considered votes cast, and thus will not affect the outcome of the vote on these proposals).

**IMPORTANT**

WE ARE NOT ASKING YOU TO VOTE ON OR TO APPROVE OUR PROPOSAL FOR A BUSINESS COMBINATION WITH VULCAN AT THIS TIME. HOWEVER, A VOTE **FOR** EACH OF THE NOMINEES WILL SEND A CLEAR MESSAGE TO THE VULCAN BOARD THAT IT SHOULD GIVE PROPER CONSIDERATION TO OUR PROPOSAL AND MAY BE AN IMPORTANT STEP IN FACILITATING NEGOTIATIONS BETWEEN MARTIN MARIETTA AND VULCAN WITH RESPECT TO A BUSINESS COMBINATION TRANSACTION.

IN ORDER TO RECEIVE SHARES OF MARTIN MARIETTA COMMON STOCK IN THE EXCHANGE OFFER, YOU MUST TENDER YOUR SHARES OF VULCAN COMMON STOCK PURSUANT TO THE EXCHANGE OFFER AND THE EXCHANGE OFFER DOCUMENTS (AND NOT THIS PROXY STATEMENT) AND ALL THE CONDITIONS TO THE EXCHANGE OFFER MUST BE SATISFIED OR WAIVED.

**YOUR VOTE FOR THE ELECTION OF THE NOMINEES AS VULCAN DIRECTORS DOES NOT OBLIGATE YOU TO TENDER YOUR SHARES PURSUANT TO THE EXCHANGE OFFER AND DOES NOT AFFECT YOUR RIGHT TO WITHDRAW YOUR VULCAN SHARES IF THEY HAVE BEEN TENDERED.**

**EVEN IF YOU HAVE ALREADY TENDERED YOUR SHARES OF VULCAN COMMON STOCK PURSUANT TO THE EXCHANGE OFFER AND THE EXCHANGE OFFER DOCUMENTS, IN ORDER TO ELECT THE NOMINEES, IT IS STILL NECESSARY FOR YOU TO VOTE YOUR VULCAN SHARES BY RETURNING THE ENCLOSED BLUE PROXY CARD OR BLUE VOTING INSTRUCTION FORM (OR BY SUBMITTING YOUR VOTING INSTRUCTIONS BY INTERNET OR TELEPHONE AS DESCRIBED ON THE ENCLOSED BLUE PROXY CARD OR BLUE VOTING INSTRUCTION FORM).**

THIS PROXY STATEMENT DOES NOT CONSTITUTE AN OFFER TO EXCHANGE, OR A SOLICITATION OF AN OFFER TO EXCHANGE, SHARES OF VULCAN COMMON STOCK, NOR IS IT A SUBSTITUTE FOR THE EXCHANGE OFFER DOCUMENTS. THE REGISTRATION STATEMENT ON FORM S-4 RELATING TO THE EXCHANGE OFFER HAS NOT YET BECOME EFFECTIVE.

INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE EXCHANGE OFFER DOCUMENTS AND OTHER RELEVANT MATERIALS AS THEY BECOME AVAILABLE, BECAUSE THEY CONTAIN, AND WILL CONTAIN, IMPORTANT INFORMATION.

THIS SOLICITATION IS BEING MADE BY MARTIN MARIETTA AND NOT ON BEHALF OF THE VULCAN BOARD OR VULCAN'S MANAGEMENT.

EXCEPT AS DISCLOSED HEREIN OR IN THE EXCHANGE OFFER DOCUMENTS, NONE OF MARTIN MARIETTA OR, TO MARTIN MARIETTA'S KNOWLEDGE, ANY OF THE NOMINEES, HAS ANY ADDITIONAL OR ALTERNATIVE PLANS REGARDING THE EXCHANGE OFFER OR ANOTHER BUSINESS COMBINATION WITH VULCAN.

WHETHER OR NOT YOU INTEND TO ATTEND THE ANNUAL MEETING, YOUR PROMPT ACTION IS IMPORTANT. WE URGE YOU TO MAKE YOUR VIEWS CLEAR TO THE VULCAN BOARD BY AUTHORIZING A PROXY TO VOTE WITH RESPECT TO THE NOMINEES BY FOLLOWING THE INSTRUCTIONS ON THE ENCLOSED **BLUE** PROXY CARD OR **BLUE** VOTING INSTRUCTION FORM AS SOON AS POSSIBLE.

**YOUR VOTE IS IMPORTANT, NO MATTER HOW MANY OR HOW FEW VULCAN SHARES YOU OWN.**

Please follow the instructions on the enclosed **BLUE** proxy card or **BLUE** voting instruction form to submit your voting instructions today **FOR** each of the Nominees.

If your shares of Vulcan common stock are held in your own name, please authorize a proxy to vote by signing and returning the enclosed **BLUE** proxy card in the postage-paid envelope provided.

If your shares of Vulcan common stock are held in [street name] with a brokerage firm, bank or other nominee as of the close of business on the record date, only that holder of record can vote those shares and such holder of record may only do so upon receipt of your instructions on the enclosed **BLUE** voting instruction form to vote your Vulcan shares. **REASONS TO VOTE FOR MARTIN MARIETTA S NOMINEES**

Martin Marietta urges all holders of shares of Vulcan common stock to vote **FOR** the election of each of the Nominees.

We believe that Vulcan shareholders deserve directors who will act in the best interests of Vulcan and its shareholders and that the independent Nominees, if elected to the Vulcan Board, will act in the best interests of Vulcan and its shareholders.

A vote **FOR** the election of each of the Nominees lets the Vulcan Board and management know that you want directors who Martin Marietta believes will act in the best interests of Vulcan shareholders.

A vote **FOR** the election of each of the Nominees lets the Vulcan Board and management know that you want the opportunity to consider and accept the Exchange Offer or have the Vulcan Board consider a negotiated business combination with Martin Marietta. By voting for the Nominees, we believe Vulcan shareholders can demonstrate to the Vulcan Board and management their support for an independent Vulcan Board focused on creating shareholder value and for the Vulcan Board to engage constructively with Martin Marietta regarding a business combination transaction.

**QUESTIONS AND ANSWERS RELATING TO THIS PROXY SOLICITATION**

The following are some of the questions you may have as a shareholder of Vulcan, as well as the answers to those questions. The following is not a substitute for the information contained in this proxy statement, and the information contained below is qualified in its entirety by the more detailed descriptions and explanations contained elsewhere in this proxy statement. ### **What are we asking you to vote for?**

We are asking you to vote **FOR** the following action:

1. election of Philip R. Lochner, Jr., J. Keith Matheney, Edward W. Money Penny, Karen R. Osar, and V. James Sardo to serve on the Vulcan Board as directors for three-year terms expiring in 2015 and until their successors are duly elected and qualified, in accordance with Vulcan's Articles of Incorporation and By-Laws, to replace the five current directors of Vulcan whose terms expire at the Annual Meeting.

Please see the section entitled "Proposal 1: Election of the Nominees" for a more complete description of the Nominees and related matters.

We are not making recommendations with respect to the Say On Pay Proposal or the Accountant Ratification Proposal and intend to **ABSTAIN** with respect to these proposals if we do not receive specific voting instructions from shareholders.

### **Who are the Nominees?**

We are proposing that Philip R. Lochner, Jr., J. Keith Matheney, Edward W. Money Penny, Karen R. Osar, and V. James Sardo serve on the Vulcan Board as directors for three-year terms expiring in 2015 and until their successors are duly elected and qualified, in accordance with Vulcan's Articles of Incorporation and By-Laws, to replace the five current directors of Vulcan whose terms expire at the Annual Meeting. Based on publicly available information, the Vulcan Board currently consists of eleven directors who are divided into three classes, with the term of office of one class expiring each year. One class is elected at each annual meeting, and each director is chosen to serve until the third succeeding annual meeting of shareholders.

We believe the Nominees are highly qualified to serve as directors on the Vulcan Board, are independent within the meaning of the listing standards of the NYSE and meet the eligibility requirements of Vulcan's Director Independence Criteria as available on Vulcan's website at [www.vulcanmaterials.com](http://www.vulcanmaterials.com). In addition, we believe the Nominees are independent under the heightened independence standards applicable to audit committee members under the rules of the NYSE and the SEC. None of the Nominees are employed by or otherwise affiliated with Martin Marietta or any of Martin Marietta's subsidiaries, or has any relationship with Martin Marietta (except for the agreements described in the section entitled "Arrangements between Martin Marietta and the Nominees" in this proxy statement). None of the Nominees are employed by or otherwise affiliated with Vulcan or any of its subsidiaries. The only commitment given to us by each of the Nominees is that he or she will stand for election to the Vulcan Board and, if elected, will serve on the Vulcan Board. Each of the Nominees has specifically acknowledged that there is not, and cannot be, any agreement between any of them and Martin Marietta regarding the decisions they will make as a director of Vulcan. Accordingly, we expect that the Nominees will exercise their independent judgment in all matters before the Vulcan Board in accordance with their fiduciary duties to Vulcan and the Vulcan shareholders and applicable law.

The principal occupation, business experience and certain other information with respect to each Nominee are set forth in this proxy statement under the section entitled "Proposal 1: Election of the Nominees," which we urge you to read.

### **Why are we soliciting your vote?**

On December 12, 2011, we proposed to Vulcan a stock-for-stock, tax-free transaction, in which each outstanding share of Vulcan common stock would be exchanged for 0.50 shares of Martin Marietta common stock. On the same date, we commenced the Exchange Offer for all of the outstanding shares of Vulcan common stock at the Exchange Ratio, upon the terms and subject to the conditions set forth in the Exchange Offer Documents.

## **Table of Contents**

We are soliciting your vote because we believe, based on Vulcan's outright rejection of our proposal and refusal, as of the date of this preliminary proxy statement, to discuss our business combination, that the current directors of Vulcan are not acting, and will not act, in your best interests with respect to our proposal for a business combination between Vulcan and Martin Marietta. Since commencing the Exchange Offer, we have repeatedly expressed a desire to enter into negotiations with Vulcan regarding a business combination. The Vulcan Board, however, has rejected our offer and, to date, Vulcan has been unwilling to negotiate with us. Despite the fact that we believe that a business combination between Vulcan and Martin Marietta has significant industrial logic and is a compelling value-enhancing opportunity for Vulcan shareholders, the Vulcan Board (including the five incumbent directors with terms expiring at the Annual Meeting Philip J. Carroll, Jr.; Philip W. Farmer; H. Allen Franklin; Richard T. O'Brien; and Donald B. Rice) has recommended that Vulcan shareholders not tender any shares to Martin Marietta in the Exchange Offer.

We nominated the Nominees and are sending you this proxy statement and accompanying **BLUE** proxy card or **BLUE** voting instruction form to give you a direct voice with respect to our proposal for a business combination between Vulcan and Martin Marietta. We believe that the election of the Nominees will demonstrate that Vulcan shareholders support a combination with Martin Marietta and want Vulcan to enter into negotiations with us.

The election of our Nominees is also an important step toward a possible transaction because, although the Nominees are independent, we anticipate that, if the Nominees are elected, they would focus on the best value-enhancing strategy for Vulcan shareholders and, in reviewing the proposed business combination transaction, would act in the best interests of Vulcan and the Vulcan shareholders in accordance with their fiduciary duties as directors and applicable law. In this regard, Martin Marietta is not aware of any specific plans or strategies of any Nominee with respect to the proposed transaction. In addition, each of the Nominees has delivered a representation and agreement whereby such Nominee represented that he or she has not committed to any person, and acknowledged that there cannot be any agreement, arrangement or understanding with any person, as to how the Nominee, if elected as a director of Vulcan, would act or vote. Even if all five of the Nominees are elected at the Annual Meeting, they will constitute a minority of the Vulcan Board (*i.e.*, five out of eleven directors). However, if elected, it is possible that our Nominees could try to persuade Vulcan's other board members to support and facilitate the offer (for example, by expressing their views, which we expect will be independent, on the proposed transaction at a Vulcan Board meeting) should the Nominees, as new directors, deem it appropriate to do so in the exercise of their fiduciary duties to Vulcan and the Vulcan shareholders. We believe the Nominees will act in the best interests of the Vulcan shareholders.

### **If I vote for the Nominees, am I agreeing to a business combination between Vulcan and Martin Marietta or agreeing to tender my shares to Martin Marietta?**

No. Although the election of our Nominees to the Vulcan Board is an important step toward a potential business combination with Martin Marietta, we are not asking Vulcan's shareholders to tender their shares by means of this proxy solicitation or to consent to or vote on a merger with Martin Marietta at this time. Even if all five of our Nominees are elected at the Annual Meeting, they will still only constitute a minority of the Vulcan Board (*i.e.*, five out of eleven directors). Moreover, the five Nominees have not committed to support our proposed business combination, and we expect that the Nominees will exercise their independent judgment in all matters before the Vulcan Board in accordance with their fiduciary duties to Vulcan and the Vulcan shareholders and applicable law.

If a combination of the businesses of Martin Marietta and Vulcan has not occurred by such time, Martin Marietta presently intends to nominate additional persons to be considered for election to the Vulcan Board at Vulcan's 2013 annual meeting of shareholders and ultimately to replace a majority of the directors of Vulcan with its own nominees.

### **If I have already tendered my shares in the Exchange Offer, do I still need to vote for the Nominees at the Annual Meeting?**

Yes. Even if you have already tendered your shares of Vulcan common stock pursuant to the Exchange Offer and the Exchange Offer Documents, in order to elect the Nominees, it is still necessary for you to vote your

Vulcan shares in favor of the election of the Nominees by returning the enclosed **BLUE** proxy card or **BLUE** voting instruction form (or by submitting your voting instructions by Internet or telephone as described on the enclosed **BLUE** proxy card or **BLUE** voting instruction form).

### **Who can vote at the Annual Meeting?**

According to publicly available information, all Vulcan shareholders of record, as of the record date, [ ], 2012, will be entitled to vote at the Annual Meeting. According to Vulcan's Schedule 14D-9, as of December 12, 2011, there were 129,232,928 shares of Vulcan common stock outstanding. Each share of Vulcan common stock is entitled to one vote on each matter properly brought before the meeting.

Many Vulcan shareholders hold their shares through a brokerage firm, bank or other nominee, rather than directly in their own name. As summarized below, there are distinctions between shares held of record and those owned beneficially:

*Shareholder of Record* If your shares are registered directly in your name with Vulcan's transfer agent, Bank of New York Mellon, you are considered the shareholder of record of those shares. As the shareholder of record, you can submit your voting instructions by Internet, telephone or mail as described on the enclosed **BLUE** proxy card.

*Beneficial Owner* If your shares are held by a brokerage firm, bank or other nominee, you are considered the beneficial owner of shares held in street name. In order for those shares to be voted at the Annual Meeting, you must provide your brokerage firm, bank or other nominee instructions to vote your Vulcan shares. Please follow the instructions on the **BLUE** voting instruction form provided by your brokerage firm, bank or other nominee to direct them as to how to vote your Vulcan shares at the Annual Meeting. You may vote your shares in person at the meeting only if you obtain a legal proxy from your brokerage firm, bank or other nominee. You also should be able to submit your voting instructions by Internet, telephone or mail as described on the enclosed **BLUE** voting instruction form.

### **What constitutes a quorum for the Annual Meeting?**

A majority of the issued and outstanding shares of the Vulcan common stock entitled to vote, represented in person or by proxy, is required to constitute a quorum. If a quorum is not present at the time of the Annual Meeting, the meeting may be adjourned by less than a quorum. If no new record date is fixed, notice of the adjourned meeting need not be given if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken and at the adjourned meeting only such business as might have been transacted at the original meeting may be transacted. Abstentions, broker non-votes and Withheld votes are counted only to determine whether a quorum is present at the meeting (these are not considered votes cast, and thus will not affect the outcome of the vote).

### **How many votes must be voted in favor of the Nominees to elect them?**

The affirmative vote of a plurality of the votes cast is required to elect each of the Nominees. For this purpose, plurality means that the individuals receiving the largest number of votes are elected as directors, up to the maximum number of directors to be elected. Accordingly, at the Annual Meeting, the five nominees who receive the greatest number of votes cast by Vulcan's shareholders will be elected as directors. Vulcan's By-Laws do not provide for cumulative voting and, accordingly, Vulcan's shareholders do not have cumulative voting rights with respect to the election of directors.

### **How many votes must be voted in favor of the other proposals?**

A majority of the votes cast is required to approve the advisory vote on executive compensation and to ratify the appointment of Deloitte & Touche LLP.

attending the Annual Meeting and revoking any previously submitted proxy by voting in person by written ballot (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy); or

delivering written notice of revocation either to Martin Marietta c/o Morrow & Co., LLC, 470 West Avenue, Stamford, CT 06902, or the Corporate Secretary of Vulcan at Corporate Secretary, Vulcan Materials Company, 1200 Urban Center Drive, Birmingham, Alabama 35242, or any other address provided by Vulcan for these purposes.

### **If your shares are held in "street name" by your brokerage firm, bank or other nominee, will your brokerage firm, bank or other nominee vote your Vulcan shares for you?**

Your brokerage firm, bank or other nominee will not vote your shares of Vulcan common stock on your behalf unless you provide instructions to your brokerage firm, bank or other nominee on how to vote. You should follow the instructions set forth in the **BLUE** voting instruction form provided by your brokerage firm, bank or other nominee regarding how to instruct your brokerage firm, bank or other nominee to vote your Vulcan shares. Without your instructions, your shares will not be voted **FOR** the election of the Nominees, or on any other proposals. **BACKGROUND OF THE SOLICITATION**

In considering whether to make an offer to enter into a business combination with Vulcan, the Martin Marietta board of directors believed, based on the prior discussions between the parties, that further efforts would not likely lead to a definitive agreement within a reasonable period of time. For this reason, as well as our belief in the significant value enhancement potential of the combination for Vulcan and Martin Marietta shareholders, on December 12, 2011, Martin Marietta commenced the Exchange Offer by filing the Exchange Offer Documents with the SEC, delivering a request to Vulcan pursuant to Rule 14d-5 of the Securities Exchange Act of 1934, as amended (the Exchange Act ) and issuing a press release regarding the commencement of the Exchange Offer.

During the late 1990 s and through the early 2000 s, the aggregates industry experienced significant consolidation. Martin Marietta actively participated in this industry consolidation, acquiring more than 60 small to mid-size businesses from 1995 through 2005. Since that time, Martin Marietta management has focused on returning value to shareholders through stock repurchases and dividends, investing in upgrades and expansions to its plants and properties and divesting under-performing assets. The actions and decisions taken by management have enabled Martin Marietta to control production costs and selling, general and administrative expenses, and achieve solid and profitable financial performance during the recessionary economy that has impacted the construction aggregates industry since 2008. Martin Marietta s board of directors and management regularly review business strategy and growth opportunities, and from time to time have received advice from outside financial and legal advisors in connection with its reviews.

On several occasions beginning in 2002, senior executives of Martin Marietta and Vulcan have discussed a possible business combination transaction involving the two companies. In August 2002, at the request of Donald M. James, Vulcan s chairman and chief executive officer, Stephen P. Zelnak, Jr., then chairman, president and chief executive officer of Martin Marietta, met with Mr. James at Martin Marietta s headquarters in Raleigh, North Carolina, and discussed the benefits of a potential combination of Martin Marietta and Vulcan. The discussion did not progress beyond initial conversations.

In early 2005, Mr. James called Mr. Zelnak and proposed a combination of Martin Marietta and Vulcan, in which Vulcan would exchange stock and cash for Martin Marietta stock. Mr. James again reiterated that the combination rationale for the two companies would be strong and would present meaningful synergies and value for both sets of shareholders. Mr. Zelnak and Mr. James met in Charlotte, North Carolina to discuss the potential terms and structure of a business combination transaction, as well as governance and employment issues related to the combined company. Although Mr. Zelnak and Mr. James agreed that a business combination would result in benefits to both companies and their shareholders, the discussions did not progress beyond initial conversations.

In August 2006, Martin Marietta hired C. Howard Nye as president and chief operating officer. Shortly after he assumed his new position, Mr. James saw Mr. Nye at an industry trade association meeting, and suggested that a combination of Martin Marietta and Vulcan would have substantial benefits and should be discussed by them in the future. In the intervening period, Martin Marietta continued to consider potential opportunities relating to Vulcan, although during such time there were no discussions or other contacts with Vulcan regarding such potential opportunities. In September 2009, Mr. Nye received a call from Mr. James, who suggested to Mr. Nye that they discuss a possible combination of Martin Marietta and Vulcan. In response, Mr. Nye indicated that he would be interested in discussing with Mr. James a potential stock-for-stock merger of the companies. The discussion did not progress beyond initial conversations.

In early 2010, Mr. Nye was elected chief executive officer of Martin Marietta. At the time, Martin Marietta and the construction materials industry globally were experiencing recessionary economic conditions, and the company s sales volumes had decreased by approximately 40% since peak volumes in 2006. Mr. Nye implemented cost-cutting measures and took steps to strengthen Martin Marietta s balance sheet which

allowed Martin Marietta to maintain its investment grade debt rating and its dividend levels. In addition, Mr. Nye initiated a strategic review of Martin Marietta's operations and potential growth opportunities. In connection with this review, Martin Marietta's senior management had discussions with several outside advisory firms (including Deutsche Bank Securities Inc., or Deutsche Bank, and J.P. Morgan Securities LLC, or J.P. Morgan) regarding strategic opportunities for long-term growth and began to assess a strategic business combination with Vulcan as a means to enhance Martin Marietta shareholder value.

On April 22, 2010, Mr. Nye and Mr. James met while attending an industry trade association meeting. Mr. James suggested to Mr. Nye that they discuss a possible combination of Martin Marietta and Vulcan. In response, Mr. Nye indicated that he would be interested in discussing with Mr. James a potential stock-for-stock merger of the companies. They discussed their preliminary views on potential overlaps in the businesses, the expected level of cost synergies, the structure of the transaction as a stock-for-stock merger, the importance of a short timeline for completing a transaction, the location of headquarters for the combined company and continuing roles for the chief executive officers of both companies. Mr. Nye and Mr. James agreed that the parties should continue their discussions and agreed to meet again to discuss a potential business combination in more detail, including the structure of a possible transaction, impediments to the combination of the companies and potential synergies that could result from a combination. Mr. James and Mr. Nye agreed to schedule a subsequent meeting to discuss the possibility of a combination of the two companies, and had several telephone conversations in late April 2010 in which they discussed the potential benefits of a combination to both companies and their respective shareholders. In connection with these discussions, the parties entered into a confidentiality agreement on May 3, 2010, which did not contain a standstill provision.

On May 5, 2010, Mr. James and Mr. Nye spoke by telephone, and agreed to schedule a meeting between their respective general counsels, chief financial officers and external legal advisors to discuss the structure of a business combination, possible divestitures that could be required by antitrust regulators, the potential synergies to be realized from a combination and tax matters. Mr. James and Mr. Nye agreed to speak again the following week, and agreed that they would discuss social issues at that time.

On May 11, 2010, Mr. Nye and Mr. James spoke further by telephone about a possible business combination transaction. Mr. James suggested that the transaction be structured as a merger of equals without a premium to shareholders of Martin Marietta or Vulcan. Mr. Nye told Mr. James that the exchange ratio in any transaction should reflect the relative contributions of the two companies and the corporate governance of the combined company going forward. They also discussed the roles of each of Mr. James and Mr. Nye in the combined company, and corporate governance of the combined company, in general. Mr. James and Mr. Nye discussed blending the boards of directors of the two companies to create the board of directors of the combined company, and filling senior management positions with the best candidates from each of Martin Marietta and Vulcan. They also discussed possible names of the combined company. Mr. James and Mr. Nye then discussed potential synergies, and Mr. Nye expressed his view that, based on the cost savings measures he had implemented at Martin Marietta, he believed that as chief executive officer of the combined company, he could extract similar cost synergies at the combined company. Mr. Nye also presented to Mr. James his view of an operating structure for the combined company. Mr. James indicated that he would consider Mr. Nye's views as to potential synergies and how to most effectively realize synergies in a business combination. Mr. James suggested a structure in which assets required to be divested to satisfy regulatory requirements would be put into a separate company and spun off to shareholders in a tax-free transaction, and noted that management that did not remain with the combined company could have continuing roles with the new entity. Mr. Nye and Mr. James agreed to update their respective boards of directors and continue their discussions if appropriate.

On May 17, 2010, Mr. Nye and Mr. James spoke by telephone, and each indicated that he had been instructed by his board of directors to continue discussions in order to determine whether a transaction in the best interests of shareholders of both companies was achievable. Mr. Nye and Mr. James agreed to meet again after their legal and financial teams had met. Mr. James also requested that Mr. Nye send him a proposal for the organizational structure of the combined company in advance of the meeting of the financial teams.

On May 19, 2010, Roselyn Bar, general counsel of Martin Marietta, Robert Wason, general counsel of Vulcan, and representatives of Skadden, Arps, Slate, Meagher & Flom LLP, counsel to Martin Marietta, McDermott Will & Emery LLP, antitrust counsel to Martin Marietta, and Wachtell, Lipton, Rosen & Katz, counsel to Vulcan, met in New York City and discussed possible transaction structures, potential impediments to a business combination transaction, tax matters and potential business overlaps that could require divestitures. The legal teams did not identify any significant impediments to a business combination transaction, and agreed to report their conclusions to their respective chief executive officers.

On May 21, 2010, as requested by Mr. James, Mr. Nye sent Mr. James a proposed organizational structure to support Martin Marietta's view of achievable cost synergies for the combined company. Mr. Nye and Mr. James spoke by telephone later that day, and agreed the organizational structure proposed by Mr. Nye was a viable framework for the financial teams to discuss potential cost synergies resulting from a business combination. Mr. Nye instructed the Martin Marietta financial team to continue working on an analysis of potential cost synergies within the framework of the organizational structure proposed by Mr. Nye to Mr. James.

On May 25, 2010, Anne Lloyd, the chief financial officer of Martin Marietta, met with Dan Sansone, the chief financial officer of Vulcan, in Atlanta and discussed potential synergies resulting from, and transaction costs associated with, a business combination. Ms. Lloyd indicated that a reconciliation of the tax bases of the two companies would be required to determine the tax leakage that could result from a business combination, and to develop a strategy for selling or spinning-off assets that would be divested to satisfy regulatory requirements. Ms. Lloyd presented Martin Marietta's work with regard to synergies, including an organizational chart and potential cost synergies relating to the elimination of overhead and duplicative services. Mr. Sansone indicated that he was not prepared or authorized to discuss synergies at that time, but that he would review any information that Martin Marietta provided. The financial teams of the two companies agreed that Martin Marietta would provide to Vulcan further information and data to support its estimates of synergies.

On June 16, 2010, Mr. Nye and Mr. James met in New York City. At the meeting, Mr. Nye and Mr. James discussed the location of the headquarters of the combined company and several possible names for the combined company, and were in substantial agreement with respect to those matters. Mr. James and Mr. Nye also discussed potential synergies resulting from a business combination. Mr. James indicated that he believed a combination of the two companies would result in approximately \$100 million in synergies, and that he did not believe that the combination would result in synergies at the \$175 million to \$200 million levels that Mr. Nye believed were achievable. Mr. James requested that Mr. Nye give further consideration to an appropriate exchange ratio for a stock-for-stock merger of the two companies. Mr. James also stated Vulcan's position that Mr. James be chief executive officer of the combined company for a period of three years, followed by an additional period of three years in which he would serve as executive chairman of the board of directors. Mr. Nye responded that the Martin Marietta board of directors had confidence in its current management team and had recently transitioned management responsibilities to Mr. Nye after the retirement of Mr. Zelnak pursuant to a succession plan, noting that Martin Marietta's board of directors believed that there was inadequate succession planning at Vulcan. Mr. Nye informed Mr. James that the Martin Marietta board of directors would not agree to a transaction pursuant to which Mr. James would manage the combined assets for six years, and that Mr. Nye's appointment as the chief executive officer of the combined company was an important term of any transaction to be considered by the Martin Marietta board.

On August 24, 2010, Mr. Nye and Mr. James spoke by telephone. They both agreed that the financial management teams of each of the companies should continue discussions in an effort to reach agreement on the level of synergies that could be achieved in a combination.

Between August 2010 and September 2010, Martin Marietta's financial management team continued to provide information to Vulcan's financial management team on cost savings and synergies that Martin Marietta believed could be achieved in a business combination. Ms. Lloyd and Ms. Guzzo of Martin Marietta and Mr. Sansone and Mr. Khan of Vulcan met in October 2010, and again discussed potential synergies in a business

combination, however, Vulcan continued to disagree with the level of cost synergies Martin Marietta believed could be achieved by the combined company.

On October 1, 2010, Mr. Nye and Mr. James spoke by telephone and scheduled a meeting in San Diego for October 3, 2010. At that meeting, Mr. Nye indicated that he thought the financial management teams had made progress in estimating synergies, however, Mr. James disagreed with Mr. Nye's conclusion. Mr. James requested that Mr. Nye suggest dates in the future for another meeting. A meeting between Mr. Nye and Mr. James was subsequently scheduled for November 3, 2010.

On November 3, 2010, Mr. Nye and Mr. James met in Raleigh, North Carolina and discussed, among other matters, the corporate governance of the combined company, potential divestitures and estimates of synergies. Mr. James indicated that he believed that he should have the role of Executive Chairman and Mr. Nye should have the role of President, with no chief executive officer of the combined company. They also discussed the composition of the board of directors of the combined company and the location of the combined company's headquarters. Mr. James requested that Mr. Nye give further consideration to an appropriate exchange ratio for a stock-for-stock merger of the two companies. Mr. Nye suggested that there would likely be buyers for assets that the combined company would be required to divest to support regulatory requirements, to which Mr. James agreed. Mr. Nye also told Mr. James that Martin Marietta continued to believe cost synergies of \$175 million to \$200 million could be achieved for the combined company. Mr. James suggested that their teams continue to discuss potential synergies and that he and Mr. Nye should continue their discussions after the financial teams completed additional work.

In November 2010, at a meeting of the Martin Marietta board of directors, Mr. Nye updated the Martin Marietta board on the status of discussions between Mr. Nye and Mr. James, and summarized for the board the matters on which Mr. Nye and Mr. James had been unable to reach agreement, including the level of projected synergies and who would be the chief executive officer of the combined company. Mr. Nye described the projected cost synergies for the combined company developed by the Martin Marietta management team from Vulcan's publicly available information and based on the cost savings achieved at Martin Marietta under the stewardship of Mr. Nye. The board of directors reiterated their support for Mr. Nye as chief executive officer of the combined company.

On November 23, 2010, Mr. Nye and Mr. James spoke by telephone. Mr. Nye asked Mr. James if he thought Ms. Lloyd and Mr. Sansone should continue discussions regarding synergies and Mr. James responded that the financial teams should continue their discussions.

In February 2011, at a meeting of the Martin Marietta board of directors, representatives of Deutsche Bank presented several strategic alternatives to the Martin Marietta board, including a possible combination with Vulcan. The board and senior management of Martin Marietta again discussed the advantages and disadvantages of a combination with Vulcan. At this meeting, the members of the Martin Marietta board and representatives of Deutsche Bank discussed that, based on information available to the public, a significant percentage of the holders of Martin Marietta's shares also own shares of Vulcan, and various reasons why the transaction should be value enhancing to shareholders of both Martin Marietta and Vulcan.

On March 8, 2011, at the initiation of Martin Marietta, Ms. Lloyd and Ms. Guzzo of Martin Marietta met with Mr. Sansone and Mr. Khan of Vulcan in Atlanta. At the meeting, the financial teams of Martin Marietta and Vulcan discussed potential cost savings from the elimination of duplicative functions, production costs and selling, general and administrative expenses. Ms. Lloyd told the Vulcan representatives that Martin Marietta's preliminary estimate of projected overhead cost synergies resulting from a business combination was approximately \$170 million. Ms. Lloyd also indicated that Martin Marietta believed additional opportunities existed to achieve greater cost synergies and efficiencies over the longer term. Throughout the course of the discussions, Martin Marietta's management presented Vulcan's management with synergy estimates which Martin Marietta's management believed Vulcan's management would find acceptable, even though Martin

Marietta's management believed that higher synergies were achievable. More limited discussions were also held regarding production cost synergies and Vulcan representatives stated that they were not prepared to discuss in detail their view of those synergies. Martin Marietta management believed production cost synergies would have resulted in more than \$70 million of additional synergies.

On March 18, 2011, Mr. James called Mr. Nye suggesting that they meet again to discuss a potential business combination. Mr. James and Mr. Nye met in New York City on April 5, 2011. Mr. James stated that he continued to believe that the combination of Vulcan and Martin Marietta would provide significant and attractive cost synergies, but Vulcan did not share Martin Marietta's views as to the level of synergies. Martin Marietta believed that the difference in opinion between Martin Marietta and Vulcan with respect to the level of synergies was primarily based on the companies' differing philosophies with respect to cost management. Specifically, Martin Marietta believed that, in contrast to the strategies undertaken by Martin Marietta with respect to its operations and SG&A cost management, Vulcan was unwilling to consider significant actions to create more meaningful savings. These actions include, among others, employing lean staffing methodologies, having a single manager perform multiple functions or oversee multiple locations, reducing duplication in roles and provision of services between corporate and divisional headquarters, reducing the number of highly compensated senior managers and, where cost effective, outsourcing selected functions to third-party vendors. Mr. James told Mr. Nye that a continuing and significant presence of the combined entity in Birmingham, Alabama was important to Vulcan. In addition, Mr. James stated Vulcan's position on management and board issues, including a requirement that Mr. James' role in the combined company include reporting responsibility for senior staff functions and a requirement that the composition of the combined board of directors be proportionate with Martin Marietta and Vulcan shareholders' relative ownership in the combined company. Mr. James stated that a discussion of one time costs to be incurred in connection with a business combination would also be relevant to assessing the viability of a transaction, and suggested that the two chief executive officers speak again later in the month.

On April 25 and 26, 2011, Mr. Nye and Mr. James spoke by telephone and discussed management roles and responsibilities, and the timeline for management succession. Mr. James proposed that he manage the combined operations with direct responsibility for legal, finance, government affairs, strategic planning and Board management functions, with investor relations, human resources, business development, and operations functions reporting to Mr. Nye. Mr. James proposed that after an agreed-upon transition period, Mr. Nye would become chief executive officer of the combined company. Mr. James also proposed that a dedicated integration team be formed to remain in place for the 24-month period following closing. Mr. James reiterated his proposal that the composition of the board of directors of the combined company be proportionate to Martin Marietta and Vulcan shareholders' relative ownership in the combined company. Mr. Nye responded that in his view the board of directors should be combined, and include the existing directors of each company. Mr. Nye also noted that the Martin Marietta board of directors would be opposed to any structural impediments that would prevent the Martin Marietta management team from achieving projected synergies. In order to assure that synergies are achieved, Mr. Nye stated that the Martin Marietta board of directors would require that Mr. Nye be the chief executive officer of the combined company. Mr. Nye and Mr. James also discussed corporate governance structures designed to achieve the maximum amount of synergies in the combination. Mr. Nye and Mr. James again discussed the appropriate exchange ratio, as well as the process for effectuating any required divestitures. Mr. James reiterated his view that the combination of Martin Marietta and Vulcan would benefit both companies and their respective shareholders, allowing the assets of the two companies to be managed together in a more efficient organization than either alone, and that he and Mr. Nye should continue their discussions.

On June 27, 2011, Mr. Nye and Mr. James met in Atlanta. Mr. James told Mr. Nye that Vulcan would only be interested in a business combination with Martin Marietta at the market exchange rate without any premium to Martin Marietta, in which Mr. James would be chairman of the board of directors and chief executive officer, with a majority of senior management positions held by Vulcan personnel for a transition period. Mr. James also stated that he did not believe that the cost synergies to be achieved in a combination would be greater than \$50 million, and that he believed that potential tax leakage (*i.e.*, taxes arising from the sale or other disposition of

**Table of Contents**

certain assets that may be required in order to obtain regulatory approvals) and the ability to divest overlap businesses were significant impediments to a transaction. Mr. Nye responded that he did not share Mr. James' views with respect to cost synergies and impediments to the transaction. Mr. Nye also told Mr. James that the terms presented by Mr. James with respect to corporate governance and the relative values of the two companies were not acceptable to Martin Marietta. Mr. Nye asked Mr. James if the position stated by Mr. James was Vulcan's final position with respect to a combination with Martin Marietta. Mr. James indicated that he would call Mr. Nye to discuss the matter further.

In August 2011, at a meeting of the Martin Marietta board of directors, Mr. Nye updated the board on the status of discussions between Mr. Nye and Mr. James, including the last conversation between Mr. Nye and Mr. James on June 27, 2011, the positions taken by Mr. James during such discussions, and the fact that Mr. James had not called to further discuss the potential transaction as Mr. James indicated he would. Mr. Nye described the strategic benefits of a business combination transaction with Vulcan, including Martin Marietta's estimates of potential cost savings resulting from a business combination transaction with Vulcan, based on publicly available information and Martin Marietta's own cost-control platform. Mr. Nye also reviewed the overlap of shareholders and their potential reaction to a business combination, the estimated value enhancement to Martin Marietta shareholders from a business combination, and the potential impact of a business combination on the balance sheet of Martin Marietta. Mr. Nye also reported on the business challenges faced by each company from the economic recession and uncertainty in long-term federal highway funding legislation. The Martin Marietta board discussed the strategic benefits of a business combination with Vulcan, and the lack of progress achieved through the discussions between Mr. Nye and Mr. James. Mr. Nye told the Martin Marietta board that, in his view, it was unlikely that Mr. James would agree to terms that would be in the best interests of Martin Marietta shareholders. The Martin Marietta board authorized senior management to explore with its legal, financial, and other professional advisors the viability of moving forward unilaterally with a proposal for a combination with Vulcan.

During the period from August 2011 through December 2011, Martin Marietta senior management worked with its legal and financial advisors in assessing and structuring a unilateral exchange offer to Vulcan shareholders. On November 9, 2011, the Martin Marietta board of directors met in Raleigh, North Carolina at a meeting attended by senior management of Martin Marietta, representatives of Deutsche Bank, Skadden, Arps, Slate, Meagher & Flom LLP, McDermott, Will & Emery LLP and Kekst & Company, communications advisors to Martin Marietta. At the meeting the Martin Marietta board discussed the unilateral proposal for a combination with Vulcan, including, among other things, a review of the strategic benefits of the combination (including potential cost synergies and increased scale of operations), the structure for implementing a unilateral transaction (including the nomination of directors to Vulcan's board and the commencement of an exchange offer) and the potential uncertainties associated with an unsolicited approach. The Martin Marietta board stated its support for exploring the proposed transaction.

On December 7, 2011, the Martin Marietta board of directors convened a special meeting with representatives of senior management of Martin Marietta and representatives of Deutsche Bank, Skadden, Arps, Slate, Meagher & Flom LLP, McDermott, Will & Emery LLP, Kekst & Company and Morrow & Co., LLC (Morrow), information agent to Martin Marietta. The Martin Marietta board of directors again discussed the proposal for a combination with Vulcan and reviewed with its advisors, among other things, financial and legal considerations in respect of such proposal, including a review of the structure, terms and strategic benefits of the combination and certain pro forma financial metrics of the combined company.

On December 11, 2011, the Martin Marietta board of directors convened a special meeting with representatives of senior management of Martin Marietta and representatives of Deutsche Bank, J.P. Morgan, Skadden, Arps, Slate, Meagher & Flom LLP, McDermott, Will & Emery LLP, Kekst & Company, Morrow and Joele Frank, Wilkinson Brimmer Katcher, a communications advisor to Martin Marietta. The Martin Marietta board of directors reviewed with its advisors, among other things, financial and legal considerations in respect of the proposal for a combination with Vulcan and certain updates since their meeting on December 7, 2011. The Martin Marietta board of directors unanimously determined to proceed with sending a proposal letter to Vulcan,

and authorized the commencement of the offer and proceeding with the other matters described herein. The Martin Marietta board of directors did not request a fairness opinion from its financial advisors; however, it may request such opinion, as appropriate in its judgment, in the future.

On December 12, 2011, Mr. Nye delivered a letter to Mr. James. The letter read as follows:

December 12, 2011

Mr. Donald M. James

Chairman and Chief Executive Officer

Vulcan Materials Company

1200 Urban Center Drive

Birmingham, Alabama 35242

Dear Don:

More than a year and a half ago, you and I (and, on several occasions, members of our senior management teams) began to explore the financial and strategic merits and potential terms of a business combination of Vulcan Materials Company ( Vulcan ) and Martin Marietta Materials, Inc. ( Martin Marietta ). Despite Martin Marietta's clear, continuing interest, some months ago Vulcan disengaged from discussions. Martin Marietta continues to believe that a strategic combination of our two companies is compelling financially and operationally, and that such a combination presents our respective shareholders with a significant value creation opportunity and brings great benefits to our respective customers and employees.

Recent events, including the fragile state of the U.S. economy, the lack of visibility as to when a sustainable recovery will take place, and the uncertainty surrounding government spending on infrastructure projects, only strengthen the rationale behind a combination. Combining our two complementary companies makes excellent industrial sense and establishes a U.S.-based company that is the global leader in our industry. The continued uncertainty regarding the timing and level of recovery in the macroeconomic environment underscores the immediate value your shareholders would receive in a business combination with Martin Marietta, through the conversion of their Vulcan investment into the stock of a more stable and financially sound combined company that pays a meaningful dividend equivalent to 20 times Vulcan's current dividend per share. In addition, we believe your shareholders would realize long-term value in a business combination with Martin Marietta from the anticipated improvement in share price derived from the expected significant synergies resulting from the combination of our companies.

Martin Marietta's Board of Directors is, and I personally am, disappointed that despite these substantial benefits, Vulcan has been unwilling to move ahead towards a definitive agreement. We believe our proposal is compelling and transformative for the stakeholders of both Vulcan and Martin Marietta. In light of Vulcan's reluctance to consider further this value-enhancing opportunity, Martin Marietta's Board of Directors has unanimously concluded that the time has come to take steps intended to result in prompt and fair consideration of our proposal on behalf of Vulcan's shareholders.

Let me provide you and your Board with the key aspects of our proposal:

We are proposing a stock-for-stock, tax-free transaction, in which each outstanding share of Vulcan common stock would be exchanged for 0.50 shares of Martin Marietta common stock. This exchange ratio represents a premium for Vulcan shareholders of 15% to the average exchange ratio based on closing share prices for Vulcan and Martin Marietta during the 10-day period ended December 9, 2011 and 18% to the average exchange ratio based on closing share prices for Vulcan and Martin Marietta during the 30-day period ended December 9, 2011.

**Table of Contents**

We are proposing a combined company board, with you as Chairman of the Board.

We are proposing a senior management team that would consist of me as President and Chief Executive Officer and other senior leaders from each organization based on a "best athlete" approach.

We are proposing to maintain a major presence in Birmingham.

We are proposing to change the name of the combined company to reflect the names of each of our respective organizations.

The proposed transaction will, in our view, provide important benefits for both companies' stakeholders—investors, employees, and the customers we serve—that will be particularly valuable in the current uncertain economic climate:

*Substantial Cost Synergies.* We anticipate significant cost synergies ranging from \$200 million to \$250 million, derived from a combination of operating efficiencies and elimination of duplicate functions. These are savings that would benefit all shareholders and customers of the combined company. Vulcan's shareholders would participate in the value created by these synergies as well as best-in-class financial performance. In addressing cost synergies, your Board and shareholders should be aware that we are using our estimates, which are realistic and achievable under our disciplined and responsible cost management philosophy, and are quite a bit higher than your estimates of synergies. We believe our consistent cost management leadership within our industry underscores the credibility of our estimates. For example, from 2007 to the third quarter of 2011, Martin Marietta's SG&A as a percent of revenue has declined from 8.0% to 7.9%, while Vulcan's has increased from 9.3% to 12.0%.

*Complementary Geographic Footprints / Global Aggregates Leader.* The combination of complementary geographic footprints will create a U.S.-based company that is the clear global leader in aggregates, and will result in a company that can deliver enhanced product offerings and service to customers. The combined company would have an outstanding asset base that will create value for its shareholders over both the short and long term. Among other things, greatly increased scale provides a broader set of opportunities for organic and inorganic growth. From our understanding of the market, it is fair to say that any asset dispositions necessary to support regulatory approvals could be readily accomplished on a fast timeline given the likely interest from various buyers. Moreover, our recent asset swap that resulted in the disposition of our River assets reduces regulatory concerns.

*Strong Financial Position.* The combined company will have a significantly stronger balance sheet than Vulcan currently possesses. The combined company's net debt would be 5.6x combined LTM adjusted EBITDA, excluding synergies, and 4.1x–4.3x combined LTM adjusted EBITDA, including synergies of \$200 million–\$250 million, as of September 30, 2011, relative to Vulcan's net debt of 8.9x LTM adjusted EBITDA, as of the same date. This would help Vulcan to achieve one of its core objectives—enhanced financial flexibility through deleveraging. We expect the combined company credit rating to be higher than Vulcan's is at present.

*Improved Cash Flows / Meaningful Dividend.* Finally, because the proposed transaction is being structured as a tax-efficient, stock-for-stock transaction, the combined company will have significant cash flow, giving it the ability to pay a meaningful quarterly cash dividend. Indeed, it is our objective to maintain the dividend at Martin Marietta's current rate (\$1.60 per Martin Marietta share annually, equivalent to \$0.80 per Vulcan share annually, based on the proposed exchange ratio). In light of Vulcan's recent decrease in its dividend (to \$0.04 per Vulcan share annually), we believe Vulcan's shareholders will find this aspect of the proposal attractive.

**Table of Contents**

We believe the substantial overlap between the shareholders of Martin Marietta and Vulcan will reinforce the benefit from the value-creating combination of our two companies. Further, we believe that Martin Marietta and Vulcan employees would benefit from the greater scale and strength of the combined company.

In connection with delivering this proposal letter, we are taking the following additional steps:

We are providing you with a proposed transaction agreement that sets forth in additional detail the terms described in this proposal letter.

We are commencing a first-step exchange offer, reflecting the same exchange ratio as provided in the transaction agreement. This exchange offer, subject to the conditions specified therein, will give Vulcan shareholders the opportunity to exchange their shares at the earliest time for Martin Marietta shares.

We are advising you of Martin Marietta's intention to submit the names of five nominees (the "Nominees") for election as independent directors at Vulcan's 2012 Annual Meeting, and accordingly are requesting from Vulcan's Secretary the written questionnaire, and the written representation and agreement, referenced in Section 1.05 of Vulcan's By-Laws.

Earlier today, Martin Marietta commenced a lawsuit in Delaware Chancery Court and in New Jersey state court in furtherance of its effort to ensure that Vulcan's shareholders have the opportunity to assess directly Martin Marietta's proposal.

Please know that it remains our strong preference to execute this transaction on a negotiated basis with Vulcan's current Board of Directors. In furtherance of this approach, my team and I are prepared to engage immediately with the Vulcan team. In addition, we and our advisers, Deutsche Bank Securities Inc., J.P. Morgan Securities LLC and Skadden, Arps, Slate, Meagher & Flom LLP, are prepared to begin immediately the process of negotiating a definitive agreement. We believe that we can complete due diligence, negotiate a definitive agreement and obtain final Martin Marietta Board approval quickly. We are prepared to provide reciprocal due diligence to Vulcan.

This letter and the accompanying transaction agreement are not binding and do not represent or create any legally binding or enforceable obligations. No such obligations will be imposed on either party unless and until a definitive agreement is signed by Martin Marietta and Vulcan.

As analysts and industry observers have long speculated, our two companies are highly complementary and a combination makes a great deal of strategic and financial sense and we agree. It is our hope that you and your Board will carefully evaluate the financial and operational benefits of this now-public proposal and elect to engage in a productive dialogue with us so that, together, we can execute this very compelling strategic business combination with minimal disruption.

Should you have any questions concerning this proposal, I would be pleased to speak with you at any time.

Sincerely,

C. Howard Nye

cc: Board of Directors of Vulcan

Concurrently with the delivery of Martin Marietta's proposal letter, Martin Marietta delivered to Vulcan a proposed form of merger agreement providing for the proposed transaction.

Also on December 12, 2011, Martin Marietta commenced litigation in the Delaware Court of Chancery against Vulcan seeking declaratory and injunctive relief. The complaint alleges, among other things, that the non-disclosure agreement entered into by Martin Marietta and Vulcan on May 3, 2010 (the NDA ) does not prohibit Martin Marietta's Exchange Offer for all issued and outstanding shares of Vulcan common stock in exchange for Martin Marietta common stock.

In addition, on December 12, 2011, Martin Marietta commenced litigation in the Superior Court of New Jersey against Vulcan seeking, among other things, declaratory and injunctive relief in connection with the proposed transaction.

Thereafter on December 12, 2011, Martin Marietta filed the Registration Statement on Form S-4, and issued a press release announcing, among other things, the delivery of the proposal letter and the commencement of the Exchange Offer. Later that day, Vulcan issued a press release advising its shareholders to take no action with respect to the Exchange Offer.

On December 15, 2011, Martin Marietta entered into a letter agreement with each of its executive officers (as of the date of this preliminary proxy statement) pursuant to which each such executive agreed to waive his or her right to receive any compensation or benefits to which he or she would be entitled under Martin Marietta's employment protection agreements, and any enhanced change of control benefits under the Martin Marietta Supplemental Benefit Plan (the SERP ), if the executive officer terminates his or her employment without good reason (as defined in the agreements) during the 30-day period following the second anniversary of the consummation of the proposed transaction (including as such proposed transaction may be modified) to combine Martin Marietta with Vulcan, as described in the Exchange Offer Documents. Except with respect to the waiver of such rights, the executive officers remain entitled to their rights under the employment protection agreements and the SERP in circumstances involving a change of control.

On December 16, 2011, Martin Marietta filed the notification and report form required under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act ) with respect to the offer.

Also on December 16, 2011, Vulcan filed its court papers opposing Martin Marietta's request for an expedited schedule, in which it stated that the Martin Marietta proposal had no likelihood of receiving the Vulcan Board's approval in the foreseeable future, if ever. Following Martin Marietta's request, the Superior Court of New Jersey ordered an expedited schedule to resolve the claims in the action.

On December 17, 2011, Mr. Nye sent a letter to the Vulcan Board which read as follows:

December 17, 2011

Vulcan Materials Company Board of Directors

c/o Mr. Donald M. James

Chairman and Chief Executive Officer

Vulcan Materials Company

1200 Urban Center Drive

Birmingham, Alabama 35242

Dear Vulcan Materials Company Board of Directors:

I am writing to you, the Board of Directors of Vulcan Materials Company ( Vulcan ), regarding the proposal Martin Marietta Materials, Inc. ( Martin Marietta ) announced on December 12, 2011 to combine with Vulcan. In part the purpose of this letter is to provide you with additional context regarding our views on the combination as you are considering our proposal. In addition, I am quite concerned that Vulcan's position as presented in the court papers filed by Vulcan late on Friday in the Superior Court of New Jersey seriously

**Table of Contents**

mischaracterizes the transaction we have proposed and rejects it even though, according to the papers, Vulcan's Board of Directors has not taken a public position on Martin Marietta's proposal.

Statements in Vulcan's New Jersey court papers that our proposal is an attempt to snatch Vulcan for the lowest possible price and on [Martin Marietta's] own terms, and is burdened with a bevy of conditions that make any closing unrealistic are simply inaccurate. The offer we announced on December 12th gives Vulcan shareholders the means to realize the substantial benefits resulting from a combination of our two companies. The sole meaningful obstacle would be Vulcan Board opposition if the Board chooses that path. On that point, the court papers state that the approval of Vulcan's board of directors has no likelihood of being satisfied any time in the foreseeable future, if ever. (Emphasis added.) This is a remarkable statement on behalf of a Board of Directors that purportedly has not taken a public position on our proposal. If true, this acknowledged predetermination by the Vulcan board to refrain from engaging in meaningful discussions with Martin Marietta clearly is contrary to the best interests of Vulcan and its shareholders. Indeed, it seems likely that a prolonged process would destroy value for Vulcan shareholders, who could lose the opportunity to receive much earlier or completely an up-front premium, reinstatement of a meaningful dividend, and the transformation of their investment in Vulcan into a 58% stake in a combined company that is decidedly stronger financially, operationally and strategically.

As to our views on the combination, in developing our proposal to combine the businesses of Martin Marietta and Vulcan, we carefully considered many factors from the standpoint of the shareholders of both companies. We recognized that our proposed transaction must be value-enhancing both to the Vulcan shareholders and the Martin Marietta shareholders.

The exchange ratio of 0.50 of a Martin Marietta share for each Vulcan share, and the resulting 58% / 42% equity split between Vulcan's and Martin Marietta's shareholders in the combined company, reflect the value contributed by each company. We believe the combination on the terms proposed presents a compelling value-enhancing opportunity for the shareholders of both companies. This combination is a rare opportunity and, unless evidence of additional value is presented by Vulcan, is one that both companies should pursue on the terms proposed.

As we have repeatedly said, our strong preference is to negotiate an agreement with Vulcan that will benefit both sets of shareholders. We are not dissuaded by what may be intemperate rhetoric of litigation. We look forward to your response and to commencing discussions in order to effect this compelling, value-enhancing opportunity.

Sincerely,

C. Howard Nye

President and Chief Executive Officer

On December 19, 2011, Vulcan commenced litigation in the United States District Court for the Northern District of Alabama against Martin Marietta alleging breach of a Joint Defense & Confidentiality agreement dated as of May 18, 2010 (the "JDA") and a violation of the federal securities laws. The complaint seeks an injunction preventing the Exchange Offer from going forward and declaratory relief.

On December 20, 2011, Vulcan filed an answer and counterclaims in Delaware Court of Chancery against Martin Marietta denying the allegations in Martin Marietta's complaint and alleging that Martin Marietta breached the NDA. The counterclaim seeks a declaratory judgment that Martin Marietta breached the NDA and an injunction preventing Martin Marietta from making further disclosures. It also seeks to have Martin Marietta withdraw its Exchange Offer and any securities filings associated with it. The Delaware Court of Chancery has agreed to an expedited schedule to decide the issues presented in the case with a trial set to take place in late February 2012.

## Table of Contents

On December 22, 2011, Vulcan filed its Schedule 14D-9 with the SEC, reporting that the Vulcan Board (including the five incumbent directors with terms expiring at the Annual Meeting Philip J. Carroll, Jr.; Philip W. Farmer; H. Allen Franklin; Richard T. O'Brien; and Donald B. Rice) had determined to recommend that Vulcan shareholders reject our offer and not tender their shares of Vulcan common stock to us pursuant to the Exchange Offer.

On January 6, 2012, Vulcan filed an answer in Superior Court of New Jersey denying Martin Marietta's claims and a motion to dismiss those Martin Marietta claims that would prohibit Vulcan from interfering with Martin Marietta's efforts to propose new director nominees at Vulcan's Annual Meeting. The court denied Vulcan's motion following a hearing on January 23, 2012.

On January 10, 2012, during a conference with the Delaware Court of Chancery, Vulcan agreed to try its JDA claims in that court, rather than in Alabama. Vulcan agreed to dismiss its claims relating to the JDA pending in United States District Court for the Northern District of Alabama in favor of deciding them along with claims based on the NDA in Delaware.

On January 11, 2012, Martin Marietta moved to dismiss Vulcan's United States District Court for the Northern District of Alabama complaint.

On January 13, 2012, a court conference was held in United States District Court for the Northern District of Alabama during which a revised schedule was set. On January 18, 2012, Martin Marietta and Vulcan agreed to a stipulation in the United States District Court for the Northern District of Alabama, in which the parties agreed to the dismissal of Vulcan's JDA claims pending before that court in favor of deciding them in Delaware.

Since the announcement of the Exchange Offer on December 12, 2011, three separate Vulcan shareholders have commenced derivative class action lawsuits against the Vulcan Board. Two of these lawsuits were filed in the United States District Court for the District of New Jersey. The third was filed in the United States District Court for the Northern District of Alabama. Each of the three lawsuits alleges that the Vulcan directors have breached their fiduciary duties in failing to respond to Martin Marietta's Exchange Offer in good faith. Further, the complaints allege that the Vulcan Board has instead acted in its own best interest. The complaints seek declaratory relief that the Vulcan directors have breached their fiduciary duties and injunctions requiring the Vulcan Board to review Martin Marietta's offer in good faith and refrain from instituting additional defenses. On January 3, 2012, the plaintiff in the Alabama shareholder derivative action made a motion to consolidate its action with the *Vulcan Materials Co. v. Martin Marietta Materials, Inc.* action currently pending in the United States District Court for the Northern District of Alabama. Vulcan filed an opposition to this motion on January 4, 2012, and Martin Marietta opposed the same motion on January 11, 2012. On January 9, 2012, plaintiffs in both New Jersey shareholder actions filed motions seeking expedited discovery from Vulcan.

On January 17, 2012, Martin Marietta received a request for additional information (a Second Request) from the Antitrust Division of the U.S. Department of Justice (the Antitrust Division). The Second Request extends the waiting period applicable to the Exchange Offer under the HSR Act and seeks certain additional information and documentary material. Martin Marietta is working cooperatively with the Antitrust Division on the Second Request and continues to believe that regulatory approvals will not be an obstacle to the consummation of the proposed transaction.

On January 20, 2012, Martin Marietta submitted for filing with the SEC Amendment No. 1 to the Registration Statement on Form S-4 relating to the Exchange Offer.

On January 24, 2012, Martin Marietta gave notice to Vulcan in accordance with Vulcan's By-Laws of its intention to nominate Edward A. Blechschmidt, Philip R. Lochner, Jr., Edward W. Money Penny, Karen R. Osar, and V. James Sardo for election to the Vulcan Board at the Annual Meeting and filed with the SEC a preliminary proxy statement relating to Martin Marietta's solicitation of proxies from Vulcan shareholders with respect to the election of such nominees to the Vulcan Board.

**Table of Contents**

On January 26, 2012, Mr. Blechschmidt notified Martin Marietta that he would be unable to serve as a director of Vulcan due to other commitments.

On January 30, 2012, Martin Marietta gave notice to Vulcan in accordance with Vulcan's By-Laws of its intention to nominate Mr. Matheny as a substitute for Mr. Blechschmidt for election to the Vulcan Board at the Annual Meeting, and filed with the SEC a revised preliminary proxy statement relating to Martin Marietta's solicitation of proxies from Vulcan shareholders with respect to the election of Martin Marietta's Nominees to the Vulcan Board. The Nominees were nominated by Martin Marietta in accordance with the procedures set forth in Vulcan's By-Laws and applicable law and, to date, Vulcan has not advised Martin Marietta or any of the Nominees of any alleged deficiencies with respect thereto.

On February 1, 2012, Vulcan filed an amended complaint against Martin Marietta in the United States District Court for the Northern District of Alabama again alleging violations of federal securities laws. Among other relief, the complaint seeks declaratory judgment that Martin Marietta violated federal securities laws and an injunction preventing the Exchange Offer. On February 15, 2012, Martin Marietta filed a motion to dismiss Vulcan's claims arguing that venue was improper and that the claims failed to assert a cause of action.

On February 10, 2012, Martin Marietta filed with the SEC Amendment No. 2 to the Registration Statement on Form S-4 relating to the Exchange Offer.

On February 13, 2012, Martin Marietta gave notice to Vulcan in accordance with Vulcan's By-Laws of its intention to have A. Jay Meyerson serve as an alternate nominee in the event that any of the Nominees is unable or unwilling to serve as a director of Vulcan.

**Table of Contents**

**PROPOSAL 1: ELECTION OF THE NOMINEES**

We propose that Vulcan shareholders elect Philip R. Lochner, Jr., J. Keith Matheney, Edward W. Money Penny, Karen R. Osar, and V. James Sardo to serve on the Vulcan Board as directors for three-year terms expiring at Vulcan's 2015 annual meeting of shareholders and until their successors are duly elected and qualified, in accordance with Vulcan's Articles of Incorporation and By-Laws, to replace the five current directors of Vulcan whose terms expire at the Annual Meeting.

Based on publicly available information, the Vulcan Board currently consists of 11 directors who are divided into three classes, with the term of office of one class expiring each year. One class is elected at each annual meeting, and each director is chosen to serve until the third succeeding annual meeting of shareholders. The Nominees, if elected at the Annual Meeting, would hold office until the 2015 annual meeting of shareholders of Vulcan and until their respective successors have been duly elected and qualified in accordance with Vulcan's Articles of Incorporation and By-Laws. Each of the Nominees has consented to being named as a nominee in this proxy statement and, if elected, to serving as a director of Vulcan. If the five Nominees are elected to the Vulcan Board, they will replace the following incumbent directors: Philip J. Carroll, Jr.; Philip W. Farmer; H. Allen Franklin; Richard T. O'Brien; and Donald B. Rice.

None of the Nominees are employed by or otherwise affiliated with Martin Marietta or any of Martin Marietta's subsidiaries, or has any relationship with Martin Marietta (except for the agreements described in the section entitled "Arrangements between Martin Marietta and the Nominees" in this proxy statement). None of the Nominees are employed by or otherwise affiliated with Vulcan or any of its subsidiaries. We believe the Nominees are highly qualified to serve as directors on the Vulcan Board, are independent within the meaning of the listing standards of the NYSE and meet the eligibility requirements of Vulcan's Director Independence Criteria as available on Vulcan's website at [www.vulcanmaterials.com](http://www.vulcanmaterials.com). In addition, we believe the Nominees are independent under the heightened independence standards applicable to audit committee members under the rules of the NYSE and the SEC.

In addition, each of the Nominees understands that, if elected as a director of Vulcan, each Nominee's activities and decisions as a director will be governed by applicable law and subject to their fiduciary duties to Vulcan and the Vulcan shareholders. The only commitment given to us by each of the Nominees is that he or she will stand for election to the Vulcan Board, and if elected, will serve on the Vulcan Board. Each of the Nominees has specifically acknowledged that there is not, and cannot be, any agreement between any of them and Martin Marietta regarding the decisions they will make as a director of Vulcan. Accordingly, we expect that the Nominees will exercise their independent judgment in all matters before the Vulcan Board in accordance with their fiduciary duties to Vulcan and the Vulcan shareholders. Except as disclosed in the Exchange Offer Documents, none of Martin Marietta or, to Martin Marietta's knowledge, any of the Nominees, has any additional or alternative plans regarding the Exchange Offer or another business combination with Vulcan.

We are soliciting your vote because we believe, based on Vulcan's outright rejection of our proposal and refusal, as of the date of this preliminary proxy statement, to discuss our business combination, that the current directors of Vulcan are not acting, and will not act, in your best interests with respect to our proposal for a business combination of Martin Marietta and Vulcan. Since commencing the Exchange Offer, we have repeatedly expressed a desire to enter into negotiations with Vulcan regarding a business combination. The Vulcan Board, however, has rejected our offer and, to date, Vulcan has been unwilling to negotiate with us. Despite the fact that we believe that a business combination between Vulcan and Martin Marietta has significant industrial logic and is a compelling value-enhancing opportunity for Vulcan shareholders, the Vulcan Board (including the five incumbent directors with terms expiring at the Annual Meeting: Philip J. Carroll, Jr.; Philip W. Farmer; H. Allen Franklin; Richard T. O'Brien; and Donald B. Rice) has recommended that the Vulcan shareholders not tender any shares to Martin Marietta in the Exchange Offer.

We nominated the Nominees and are sending you this proxy statement and accompanying **BLUE** proxy card or **BLUE** voting instruction form to give you a direct voice with respect to our proposal for a business

**Table of Contents**

combination between Vulcan and Martin Marietta. We believe that the election of the Nominees will demonstrate that the Vulcan shareholders support a combination with us and want Vulcan to enter into negotiations with us.

The election of our Nominees is also an important step toward a possible transaction because, although the Nominees are independent, we anticipate that, if the Nominees are elected, they would focus on the best value-enhancing strategy for Vulcan shareholders and, in reviewing the proposed business combination transaction, would act in the best interests of Vulcan and the Vulcan shareholders in accordance with their fiduciary duties as directors and applicable law. In this regard, Martin Marietta is not aware of any specific plans or strategies of any Nominee with respect to the proposed transaction. In addition, each of the Nominees has delivered a representation and agreement whereby such Nominee represented that he or she has not committed to any person, and acknowledged that there cannot be any agreement, arrangement or understanding with any person, as to how the Nominee, if elected as a director of Vulcan, would act or vote. Even if all five of the Nominees are elected at the Annual Meeting, they will constitute a minority of the Vulcan Board (*i.e.*, five out of eleven directors). However, if elected, it is possible that our Nominees could try to persuade Vulcan's other board members to support and facilitate the offer (for example, by expressing their views, which we expect will be independent, on the proposed transaction at a Vulcan Board meeting) should the Nominees, as new directors, deem it appropriate to do so in the exercise of their fiduciary duties to Vulcan and the Vulcan shareholders. We believe the Nominees will act in the best interests of the Vulcan shareholders.

We are not seeking control of the Vulcan Board at the Annual Meeting, and there can be no assurance that, if the Nominees are elected, they would take any action to cause the Vulcan Board to approve the Exchange Offer or a business combination with us. The Nominees, if elected, will serve with Vulcan's other six directors and thus will not constitute a majority of the Vulcan Board. Moreover, the five Nominees have not committed to support our proposal, and we expect that the Nominees will exercise their independent judgment in all matters before the Vulcan Board in accordance with their fiduciary duties to Vulcan and the shareholders of Vulcan and applicable law.

Although we have no reason to believe that any of the Nominees would be unable or unwilling to serve as a director of Vulcan, if any of the Nominees is unable to serve or for good cause will not serve, the shares represented by the enclosed **BLUE** proxy card or **BLUE** voting instruction form will be voted for the election of such other nominee or nominees as may be designated by us.

Assuming a quorum is present at the Annual Meeting, the five nominees for election to the Vulcan Board who receive the most **FOR** votes will be elected.

**MARTIN MARIETTA STRONGLY RECOMMENDS A VOTE *FOR* THE ELECTION OF THE NOMINEES.**

Each of the Nominees has agreed to be named in this proxy statement, to stand for election to the Vulcan Board and to serve as a director of Vulcan, if elected.

### **Arrangements between Martin Marietta and the Nominees**

Each Nominee has entered into a letter agreement (in each case, a Letter Agreement) with Martin Marietta agreeing to stand for election as a Nominee in our proxy solicitation relating to the Annual Meeting (the Proxy Solicitation) and, if elected, to serve as a director of Vulcan until the third succeeding annual meeting of shareholders and until his or her respective successor has been duly elected and qualified. In connection with each Nominee's agreement to be nominated by Martin Marietta, and to serve, if elected, as a director of Vulcan, Martin Marietta agreed to pay each Nominee, whether or not the Nominee is elected to the Vulcan Board, a one-time fee of \$50,000 in cash, payable in two installments as follows: (i) \$25,000 upon execution of the Letter Agreement and (ii) \$25,000 upon the mailing to Vulcan's shareholders of a definitive proxy statement with respect to the Proxy Solicitation (collectively, the Fee). The Fee is reimbursable to Martin Marietta if a

Nominee voluntarily withdraws from serving as a nominee or otherwise refuses to serve as a director of Vulcan if elected to be a director. Martin Marietta has also agreed to reimburse each Nominee for his or her reasonable and documented out-of-pocket expenses incurred directly related to the performance of the Nominee's duties under the Letter Agreement with respect to the Proxy Solicitation (including travel expenses, if any, and any reasonable legal fees and expenses), up to an aggregate maximum amount of \$5,000.

Each Letter Agreement contains an acknowledgement by Martin Marietta and the Nominee subject thereto that, should such Nominee be elected to the Vulcan Board, all of such Nominee's activities and decisions as a director of Vulcan will be governed by applicable law and be subject to the Nominee's duties to Vulcan and the Vulcan shareholders and, as a result, there is not, and cannot be, any agreement between such Nominee and Martin Marietta that governs the decisions that such Nominee will make as a director of Vulcan.

To the fullest extent permitted by applicable law, Martin Marietta has agreed to indemnify the Nominees against and hold the Nominees harmless from any and all liabilities, losses, claims, damages, suits, actions, judgments and reasonable costs and expenses actually incurred by each Nominee (including reasonable attorneys' fees and expenses) (collectively, "Losses") in connection with the investigation, preparation or defense of any litigation (commenced or threatened by a third party), any civil, criminal, administrative or arbitration action brought by a third party, or any third party claim whatsoever, and any and all amounts paid in settlement on each Nominee's behalf (with Martin Marietta's consent, which shall not be unreasonably withheld) of any such claim or litigation asserted against, resulting, imposed upon, or incurred or suffered by a Nominee, directly or indirectly, based upon, arising out of or relating to (i) serving as a Nominee, (ii) being a participant in a solicitation (as defined in the rules and regulations under the Exchange Act) in connection with the Proxy Solicitation or (iii) being otherwise involved in the Proxy Solicitation as a Nominee. The Letter Agreement provides that, notwithstanding anything to the contrary in the Letter Agreement, Martin Marietta shall not indemnify the Nominee for any action taken by the Nominee or on the Nominee's behalf which occurs subsequent to certification of the results of the Proxy Solicitation or such earlier time as the Nominee is no longer a nominee for election to the Vulcan Board or for any actions taken by the Nominee as a director of Vulcan, if the Nominee is elected. In addition, Martin Marietta shall not be obligated to provide the Nominee with any indemnification to the extent of any Losses that arise out of any materially inaccurate written information supplied by the Nominee for inclusion in any filings made with any federal or state governmental agency, including the Proxy Solicitation materials, or is found in a final judgment by a court, not subject to further appeal, to have resulted from bad faith or willful misconduct on the Nominee's part.

Additionally, pursuant to an agreement between Martin Marietta and each Nominee, Martin Marietta instituted a policy pursuant to which the Nominee will be entitled to receive a fee for time and services related to the Nominee's appearance or attendance at any third-party legal proceeding relating to his or her nomination as a director of Vulcan (the "Per Diem Agreement"). Martin Marietta has agreed to pay each Nominee a fee of \$1,000 per day for time and services related to the Nominee's appearance and attendance at any such proceeding, plus all reasonable out-of-pocket expenses associated with such appearance or attendance. The fee and reimbursement of expenses set forth in the Per Diem Agreement is in addition to reimbursement of all reasonable and documented out-of-pocket expenses provided by the Letter Agreement, provided, however, that the Nominee shall not be reimbursed more than once for the same expenses.

Copies of the forms of Letter Agreement and Per Diem Agreement are attached as *Annexes C* and *D*, respectively, to this proxy statement, and the foregoing summaries are qualified in their entirety by reference to the full text of such agreements.

Additionally, Martin Marietta has retained McElroy, Deutsch, Mulvaney & Carpenter, LLP as counsel on the Nominee's behalf and has agreed to pay all fees in connection therewith.

### **Compensation of Vulcan's Directors**

If elected to the Vulcan Board, the Nominees will not receive any additional compensation from Martin Marietta, and will not receive indemnification from us for their service as directors of Vulcan. We expect, however, that they will receive whatever compensation the Vulcan Board has established for non-employee directors of Vulcan unless and until the Vulcan Board determines to change such compensation.

Information concerning Vulcan's compensation for non-employee directors is set forth in Vulcan's definitive proxy statement filed with the SEC in connection with its 2011 annual meeting of shareholders, and is expected to be set forth in Vulcan's definitive proxy statement to be filed with the SEC in connection with the Annual Meeting, and such information is incorporated herein by reference.

We also expect that each of the Nominees, if elected, would be indemnified by Vulcan for service as a director to the same extent indemnification is provided to other Vulcan directors under Vulcan's Articles of Incorporation and By-Laws. In addition, we expect that, upon election, the Nominees would be covered by Vulcan's director and officer liability insurance, if any, and be entitled to any other benefits made available to the other non-employee directors of Vulcan.

All information regarding Vulcan's director compensation and benefits arrangements set forth or incorporated by reference in this proxy statement is derived solely from Vulcan's public filings with the SEC and Martin Marietta disclaims any responsibility for the foregoing.

### **Interests of the Nominees and Additional Information**

As described above, we expect that each of the Nominees, if elected, will be entitled to receive compensation customarily paid by Vulcan to its non-employee directors. We expect that each of the Nominees, if elected, will be indemnified for service as a director of Vulcan to the same extent indemnification is provided to the current directors of Vulcan and that each Nominee will be covered by Vulcan's director and officer liability insurance.

Pursuant to the By-Laws, on January 24, 2012, each Nominee delivered a representation and agreement (the *Representation and Agreement*) to Vulcan in the form provided by Vulcan (other than Mr. Matheney who delivered a Representation and Agreement to Vulcan on January 30, 2012). In the Representation and Agreement, each Nominee represented, warranted and agreed that (a) the Nominee is not and will not become a party to: (i) any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how the Nominee, if elected as a director of Vulcan, will act or vote on any issue or question (a *Voting Commitment*) that has not been disclosed to Vulcan in the Nominee's response to Vulcan's 2012 Questionnaire for Potential Director Nominees (the *Questionnaire*); or (ii) any Voting Commitment that could limit or interfere with the Nominee's ability to comply, if elected as a director of Vulcan, with his or her fiduciary duties under applicable law; (b) the Nominee is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than Vulcan with respect to any direct or indirect compensation, reimbursement, or indemnification in connection with service or action as a director that has not been disclosed to Vulcan in the Nominee's response to the Questionnaire; and (c) both in his or her individual capacity and on behalf of any person or entity on whose behalf the Nominee is being nominated for election as a director of Vulcan, the Nominee would be in compliance, if elected as a director of Vulcan, and will comply, with all applicable publicly disclosed corporate governance, conflict of interest, confidentiality, and stock ownership and trading policies and guidelines of Vulcan.

A copy of the form of Representation and Agreement is attached as *Annex E* to this proxy statement, and the foregoing summary is qualified in its entirety by reference to the full text of such agreement.

Additionally, pursuant to the By-Laws, a completed Questionnaire for each Nominee was delivered to Vulcan on January 24, 2012 (other than Mr. Matheney whose completed Questionnaire was delivered to Vulcan on January 30, 2012).

**OTHER MATTERS**

As of the date of this preliminary proxy statement, Martin Marietta does not know of any other matters to be presented for approval by Vulcan's shareholders at the Annual Meeting. If, however, other matters are properly presented, but were not known a reasonable time prior to the mailing of the definitive proxy statement, the persons named in the enclosed **BLUE** proxy card or **BLUE** voting instruction form will vote the common stock of Vulcan represented thereby in accordance with their discretion pursuant to the authority granted in the proxy.

Martin Marietta intends to vote all of its 1,000 shares of Vulcan common stock at the Annual Meeting **FOR** the election of the Nominees and **ABSTAIN** with respect to the Say On Pay Proposal and the Accountant Ratification Proposal.

**VOTING AND PROXY PROCEDURES**

**Securities Entitled to Vote**

According to publicly available information, Vulcan's shareholders of record as of the record date, [ ], 2012, will be entitled to vote at the 2012 Annual Meeting. According to Vulcan's Schedule 14D-9, as of December 12, 2011, there were 129,232,928 shares of Vulcan common stock outstanding. Each share of common stock is entitled to one vote on each matter properly brought before the meeting.

As of the date of this proxy statement, Martin Marietta beneficially owns 1,000 shares of Vulcan common stock. Martin Marietta intends to vote all of its 1,000 shares of Vulcan common stock at the Annual Meeting **FOR** the election of the Nominees and **ABSTAIN** with respect to the Say On Pay Proposal and the Accountant Ratification Proposal.

**Quorum; Vote Required**

The quorum and voting requirements set forth below are based on current Article I, Section 1.06 of the By-Laws and New Jersey law.

A majority of the issued and outstanding shares of the Vulcan common stock entitled to vote, represented in person or by proxy, is required to constitute a quorum. If a quorum is not present at the time of the Annual Meeting, the shareholders entitled to vote, present in person or by proxy, shall have the power to adjourn the Annual Meeting until a quorum shall be present or represented by proxy. If no new record date is fixed, notice of the adjourned meeting need not be given if the time and place to which the meeting is adjourned are announced at the meeting at which the adjournment is taken and at the adjourned meeting only such business as might have been transacted at the original meeting may be transacted.

Each share of Vulcan common stock is entitled to one vote on each matter properly brought before the meeting.

**Proposal 1: Election of the Nominees.** The By-Laws do not provide for cumulative voting and, accordingly, Vulcan's shareholders do not have cumulative voting rights with respect to the election of the Nominees. Vulcan is incorporated under the laws of New Jersey, and plurality voting is the default standard under New Jersey law. To be elected, a director-nominee must receive a plurality of the votes cast at the Annual Meeting on the matter. Accordingly, the five nominees who receive the greatest number of votes cast by Vulcan's shareholders at the Annual Meeting will be elected as directors.

Abstentions, broker non-votes and Withheld votes are counted only to determine whether a quorum is present at the meeting, are not considered votes cast, and thus will not affect the outcome of the vote on the election of the Nominees.

Morrow is also acting as information agent in connection with our Exchange Offer for shares of Vulcan common stock, and Martin Marietta is paying Morrow reasonable and customary compensation for its services as information agent, in addition to reimbursing Morrow for its reasonable out-of-pocket expenses incurred as information agent.

Arrangements will also be made with custodians, nominees and fiduciaries for forwarding proxy solicitation materials to beneficial owners of common stock of Vulcan held as of the record date of the Annual Meeting. In addition, directors and executive officers of Martin Marietta may solicit proxies as part of their duties in the normal course of their employment without any additional compensation.

The entire expense of soliciting proxies for the Annual Meeting by us or on our behalf is being borne by us and we will not seek reimbursement of those costs from Vulcan. The total expenditures incurred by us to date in connection with this solicitation are approximately \$750,000 to \$1.5 million (which does not include fees incurred in connection with the Exchange Offer and related litigation). Although it is difficult to estimate total expenses that we will incur because the Annual Meeting is not expected to be held until May 2012, we currently anticipate that the total expenses we will incur in furtherance of, or in connection with, the solicitation of proxies for the Annual Meeting will be approximately \$2.5 million to \$3.5 million (which does not include fees incurred in connection with the Exchange Offer and related litigation). The actual amount could be higher or lower depending on the facts and circumstances arising in connection with any such solicitation.

### **SHAREHOLDER PROPOSALS FOR THE 2013 ANNUAL MEETING**

As of the date of this proxy statement, Vulcan has not disclosed the dates prior to which notices of nominations for election to the Vulcan Board or shareholder proposals in respect of the 2013 annual meeting of shareholders of Vulcan must be delivered to Vulcan. We believe that, in determining these dates, the principles below will apply, based on the By-Laws and publicly available information.

If an annual meeting is not held in 2012 or the date of the 2013 annual meeting varies by more than 30 days from the date of the 2012 annual meeting, Vulcan will be required to establish a deadline a reasonable time prior to printing and mailing its proxy materials for the 2013 annual meeting. To be eligible for inclusion in Vulcan's proxy statement and form of proxy for Vulcan's 2013 annual meeting, a shareholder's proposal must be received by Vulcan at Vulcan's principal office no later than [ ], 2012. The By-Laws provide generally that shareholder proposals and director nominations to be considered at an annual meeting may be made by a shareholder only if (1) the shareholder is a shareholder of record and is entitled to vote at the meeting, and (2) the shareholder gives timely written notice of the matter to Vulcan's Corporate Secretary.

[Mailing Address]

Dear [ ]:

As you know, Martin Marietta Materials, Inc., a North Carolina corporation, ( *Martin Marietta* ), (i) is contemplating making a business combination proposal to Vulcan Materials Company, a New Jersey corporation ( *Vulcan* ) by means of an exchange offer and/or a transaction agreement between Martin Marietta and Vulcan approved by the board of directors (the *Board* ) and the stockholders of Vulcan and (ii) in connection therewith will commence a proxy solicitation (the *Proxy Solicitation* ) to elect nominees to serve as directors on the Board. This letter agreement (this *Letter Agreement* ) will confirm your agreement, subject to the terms and conditions stated herein, with Martin Marietta to stand for election as a nominee of Martin Marietta to serve as a director of Vulcan in connection with the Proxy Solicitation. Concurrently with the execution of this Letter Agreement, please (i) execute the Consent to serve as a nominee of Martin Marietta and serve as a director of Vulcan, if elected, attached as Annex A hereto and (ii) return a signed copy of the questionnaire being provided to you, containing true and correct responses to all questions contained therein, for use by Martin Marietta in connection with preparing any Proxy Solicitation materials (including the Consent Statement (as defined below)).

In connection with your agreement to be nominated by Martin Marietta, and to serve, if elected, as a director of Vulcan, Martin Marietta, irrespective of whether or not you are, in fact, elected as a director of Vulcan, will pay you a one-time fee of \$50,000 in cash, payable in two installments as follows: (i) \$25,000 upon execution of this Letter Agreement and (ii) \$25,000 upon the mailing to Vulcan's stockholders of a definitive proxy statement with respect to the Proxy Solicitation (the *Proxy Statement* ) (collectively, the *Fee* ). If, prior to the completion of the Proxy Solicitation (other than if Martin Marietta withdraws the Proxy Statement or otherwise determines not to proceed with the Proxy Solicitation following the filing of the Proxy Statement with the U.S. Securities and Exchange Commission, in which case you will be entitled to the entire Fee), you voluntarily withdraw from serving as a Martin Marietta nominee or otherwise refuse to serve as a director of Vulcan upon election thereto, you shall reimburse, to Martin Marietta, the full amount of the Fee, to the extent received prior to such date (without any interest thereon). In addition, Martin Marietta will reimburse you, as promptly as practicable upon your request, for your reasonable and documented out-of-pocket expenses directly related to the performance of your duties under this Letter Agreement with respect to the Proxy Solicitation (including travel expenses, if any and any reasonable legal fees and expenses), up to an aggregate maximum amount of \$5,000. The foregoing right to reimbursement shall be in addition to your rights of indemnification and the foregoing cap on fees and expenses shall not apply to your right to indemnification described in this Letter Agreement. Martin Marietta reserves the right, in its sole discretion, not to nominate you or to withdraw you from serving as a Martin Marietta nominee, provided, however, that any such withdrawal action shall not prejudice your rights under this Letter Agreement, including the right to receive the Fee (to the extent you are entitled to payment thereof under the terms of this Letter Agreement), the right to reimbursement of certain expenses through such date and the benefits of the indemnification provisions hereof.

Each of Martin Marietta and you recognizes that, should you be elected to the Board, all of your activities and decisions as a director will be governed by applicable law and subject to your duties to the stockholders of

Vulcan and, as a result, that there is, and can be, no agreement between you and Martin Marietta that governs the decisions that you will make as a director of Vulcan.

In consideration of your agreement as set forth above, and to the fullest extent permitted by applicable law, Martin Marietta agrees to indemnify you against and hold you harmless from any and all liabilities, losses, claims, damages, suits, actions, judgments and reasonable costs and expenses actually incurred by you (including reasonable attorneys' fees and expenses) (collectively, **Losses**) in connection with the investigation, preparation or defense of any litigation (commenced or threatened by a third party), any civil, criminal, administrative or arbitration action brought by a third party, or any third party claim whatsoever, and any and all amounts paid in settlement on your behalf (with Martin Marietta's consent, which shall not be unreasonably withheld) of any such claim or litigation asserted against, resulting, imposed upon, or incurred or suffered by you, directly or indirectly, based upon, arising out of or relating to (i) serving as a Martin Marietta nominee, (ii) being a participant in a solicitation (as defined in the rules and regulations under the Securities Exchange Act of 1934, as amended) in connection with the Proxy Solicitation or (iii) being otherwise involved in the Proxy Solicitation as a nominee of Martin Marietta. Notwithstanding anything to the contrary herein, Martin Marietta shall not indemnify you for any action taken by you or on your behalf which occurs subsequent to certification of the results of the Proxy Solicitation or such earlier time as you are no longer a Martin Marietta nominee for election to the Board or for any actions taken by you as a director of Vulcan, if you are elected. In addition, Martin Marietta shall not be obligated to provide you with any indemnification to the extent of any Losses that arise out of any materially inaccurate written information supplied by you for inclusion in any filings made with any federal or state governmental agency, including the Proxy Solicitation materials (including the Proxy Statement), or is found in a final judgment by a court, not subject to further appeal, to have resulted from bad faith or willful misconduct on your part. You shall repay to Martin Marietta any amounts that have been paid by Martin Marietta to you in respect of the foregoing in the event that you are found, subject to a final and non-appealable judgment, to not be entitled to indemnification under this Letter Agreement.

Promptly after receipt by you of notice of any such claim or the commencement of any action, proceeding or investigation in respect of which indemnification may be sought as provided above, you must promptly notify Martin Marietta, in writing by personal delivery, facsimile transmission or overnight mail of the receipt of any such notice or commencement of any such action, proceeding or investigation. Any such notice should be sent to the following address: Martin Marietta, [Address]; Attention: Senior Vice President, General Counsel and Corporate Secretary, Fax: [ ]; (with a copy to our counsel (which copy shall not constitute notice), Skadden, Arps, Slate, Meagher & Flom LLP, Four Times Square, New York, New York, 10036-6522; Attention: Eric L. Cochran/Ann Beth Stebbins; Fax: (212) 735-2000); provided, that the failure to so notify Martin Marietta shall not limit your rights to indemnification hereunder, except to the extent that Martin Marietta is actually prejudiced thereby.

In case any such action, proceeding or investigation is brought against you, and you notify Martin Marietta of the commencement thereof, Martin Marietta has the right to participate therein and, to the extent that Martin Marietta so determines, to assume the defense and settlement thereof, with counsel reasonably satisfactory to you; provided, however, that if the defendants in any such action include both you and Martin Marietta and if you have been advised by counsel that there may be one or more legal defenses available to you that are different from or additional to those available to Martin Marietta (a **Conflict Situation**), you will have the right to elect up to one (1) separate counsel reasonably satisfactory to Martin Marietta to participate in the defense of such action on your behalf; provided, however, that, Martin Marietta shall not be responsible for more than one (1) such counsel in each jurisdiction. Notwithstanding, but in furtherance of, the foregoing, in the event of a Conflict Situation, you and other persons who are (or were) Martin Marietta nominees for directors of Vulcan involved in said matter shall share such one (1) counsel (unless you have been advised by counsel that there may be one or more legal defenses available to you that are different from or additional to those available to any of such other persons). After notice from Martin Marietta to you of its election so to assume the defense thereof, neither Martin Marietta nor any of Martin Marietta's affiliates will be liable to you under this Letter Agreement for any expenses subsequently incurred by you in connection with the defense thereof, unless you shall have employed counsel in accordance with the proviso to the preceding sentence.

**Table of Contents**

Martin Marietta shall have the right to settle any action, proceeding or investigation that is brought against you for which indemnification is available under the terms of this Letter Agreement; provided, that Martin Marietta shall not settle, without your prior written consent (which may not be unreasonably withheld), any action, proceeding or investigation in any manner that would impose any penalty, obligation or limitation on you (other than monetary damages for which Martin Marietta agrees to be wholly responsible) or that would contain any language that could reasonably be viewed as an acknowledgement of wrongdoing on your part or otherwise as detrimental to your reputation.

Martin Marietta shall not be liable under this Letter Agreement to make any indemnification payment in connection with any claim made against you to the extent (and only to the extent) that you have otherwise received payment or have a right to be indemnified or reimbursed (under any insurance policy, pursuant to any indemnification or reimbursement payment or provision by any party other than Martin Marietta, or otherwise) of the amounts otherwise indemnifiable hereunder. Except as expressly specified otherwise in this Letter Agreement, any payments required to be made by Martin Marietta pursuant to this Letter Agreement will be remitted to you on a monthly basis as the expenses to which such payments relate are incurred.

This Letter Agreement shall be governed by and construed by and enforced in accordance with the laws of the State of North Carolina applicable to contracts to be performed in such state without giving effect to the principles of conflicts of law thereof or of any other jurisdiction. Without limiting the foregoing, each party agrees that service of process on such party at the address for such party in this Letter Agreement shall be deemed effective service of process on such party. This Letter Agreement may only be amended or the provisions hereof waived by a written instrument signed by Martin Marietta and you.

Martin Marietta and you hereby irrevocably and unconditionally consent to submit to the exclusive jurisdiction of any federal or state court within the State of North Carolina for any litigation arising out of or relating to this Letter Agreement, and waive any objection to the laying of venue of any litigation arising out of this Letter Agreement in the federal or state courts within the State of North Carolina and hereby further irrevocably and unconditionally waive and agree not to plead or claim in any such court that any such litigation brought in any such court has been brought in an inconvenient forum.
