**Item 8.01 Other Events.**

On January 31, 2008, Nitches, Inc. ("we," "us," or "our"), appointed Michael D. Coffey as its Chief Accounting Officer. Mr. Coffey will report to Paul M. Wyandt, our Chief Financial Officer. Mr. Wyandt will remain as our

principal financial and accounting officer.

Mr. Coffey began his career as an auditor in public accounting and over the course of 30 years has served as a financial executive with responsibility for accounting, internal controls, financial analysis and reporting, and process improvement in companies ranging from start-ups and turnarounds to \$100+ million multinational corporations. Most recently Mr. Coffey served as Controller for Young Electric Sign Company, one of the largest manufacturers of custom electric signage in the western United States. Mr. Coffey is a Certified Public Accountant, Certified Credit Executive and holds an MBA from the University of Texas at San Antonio Graduate School of Business.

In our quarterly report for the period ended November 30, 2007 and in our annual report for the fiscal year ended August 31, 2007, we identified a material weakness in our internal controls over financial reporting due to a lack of sufficient experienced senior accounting staff to enable us to timely process, summarize and report financial information. The appointment of Mr. Michael D. Coffey as our Chief Accounting Officer, in addition to the other changes we have made to our financial management as previously reported in our quarterly report for the period ended November 30, 2007 and in our annual report for the fiscal year ended August 31, 2007, is expected to help us timely process, summarize and report financial information.
