In this Proxy Statement, “we,” “our,” “us” and “the Company” refer to Pzena Investment Management, Inc. and its consolidated subsidiaries, and “our operating company” refers to Pzena Investment Management, LLC.

THE ANNUAL MEETING

We are furnishing this Proxy Statement to the stockholders of Pzena Investment Management, Inc. as part of the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Stockholders of Pzena Investment Management, Inc. (the “Annual Meeting”). The Chairman’s letter, the Notice of Annual Meeting of Stockholders, this Proxy Statement, and our Annual Report on Form 10-K for our fiscal year ended December 31, 2017, is being made available on the internet instead of mailing printed copies. A Notice of Internet Availability of Proxy Materials will be mailed to our stockholders on or about April 4, 2018. Stockholders will have the ability to access the proxy materials on the website referred to in the notice or request a printed set of proxy materials to be sent by following the instructions on the notice.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on May 22, 2018

This Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2017, are available at www.proxyvote.com. The Notice of Internet Availability of Proxy Materials and the proxy materials are first being made available to our stockholders on or about April 4, 2018.

Date, Time and Place

We will hold the Annual Meeting on Tuesday, May 22, 2018, at 10:00 a.m. local time, at our offices located at 320 Park Avenue, 8th Floor, New York, New York 10022.

Proposals to be Considered at the Annual Meeting

At the Annual Meeting, stockholders will be asked to consider and vote upon the following matters:

- I. Election of seven directors named in this Proxy Statement to our Board of Directors;
- II. Ratification of the appointment of PricewaterhouseCoopers LLP as independent auditors for our Company for our fiscal year ended December 31, 2018; and
- III. Transaction of such other business as may properly come before the Annual Meeting and any and all adjournments and postponements of the Annual Meeting.

Who Can Vote

You are entitled to vote if you were a holder of record of the common stock of our Company as of the close of business on March 28, 2018 (the “Record Date”). Your shares can be voted at the meeting only if you are present or represented by a valid proxy card.

Edgar Filing: Pzena Investment Management, Inc. - Form DEF 14A

All holders of common stock as of the Record Date will be entitled to vote for the election of seven directors named in this Proxy Statement to be elected at the Annual Meeting, and the ratification of our independent auditors. A list of the stockholders of record of the common stock of our Company as of the Record Date will be available for examination during ordinary business hours, for any purpose germane to the Annual Meeting, at our offices located at 320 Park Avenue, 8th Floor, New York, New York 10022, for a period of at least ten days before the Annual Meeting.

Shares Outstanding and Entitled to Vote; Quorum

As of the Record Date, there were 17,821,346 shares of Class A common stock outstanding and 51,081,651 shares of Class B common stock outstanding. Each holder of Class A common stock as of the Record Date who is represented at the Annual Meeting shall be entitled to cast one vote for each share of Class A common stock held. Each holder of Class B common stock as of the Record Date who is represented at the Annual Meeting shall be entitled to cast five votes for each share of Class B common stock held. The holders of our Class A and Class B common stock, voting together, are entitled to elect the directors, and ratify the appointment of the independent auditors.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock will constitute a quorum for the transaction of business at the Annual Meeting.

Vote Required

If a quorum is present, a nominee for election to a position on the Board of Directors will be elected as a director if he receives a plurality of the votes cast at the Annual Meeting.

If a quorum is present, the ratification of PricewaterhouseCoopers LLP as our independent auditors for our fiscal year ending December 31, 2018, will require the vote of the holders of a majority of the total number of votes of the common stock represented at the meeting and entitled to vote.

We have retained Broadridge Financial Solutions, Inc. to be our inspector of elections appointed for the Annual Meeting and to tabulate the votes at the Annual Meeting.

Effect of Abstentions, Withheld Votes and Broker Non-Votes

Shares of stock represented by properly executed proxies that reflect abstentions, withheld votes and broker non-votes will be treated as shares that are present for purposes of determining the presence of a quorum. "Broker non-votes" are proxies received from brokers or other nominees for the beneficial owners of the shares in which the broker or nominee votes on some matters, for example, the proposal to ratify the appointment of our independent auditors, but not on others because it does not have discretionary authority to vote and has not received voting instructions from the beneficial owner of the shares. Withheld votes and broker non-votes will have no effect on the outcome of the vote on the election of directors.

Voting by Directors and Executive Officers

At the close of business on the Record Date, the Company's executive officers and directors collectively control (directly or indirectly) the vote of the number of outstanding shares of common stock of our Company necessary to approve each of the proposals listed herein. Each of our executive officers and directors has indicated his or her present intention to vote, or cause to be voted, his or her shares of common stock for the election of the directors named herein and for the ratification of PricewaterhouseCoopers LLP as our independent auditors for the fiscal year ending December 31, 2018. Accordingly, each of the foregoing are assured.

How You Can Vote

Registered Holders. If you are a registered holder of shares of our common stock (i.e., your name is listed on our transfer agent's books as being held directly by you), you may vote in person at the Annual Meeting. If you vote in person at the Annual Meeting, you will be asked to show government issued identification and to complete a ballot and submit it to the Chairman of the meeting.

If you are a registered holder, you may also vote by proxy at the Annual Meeting. To vote by proxy go to www.proxyvote.com and follow the instructions for Internet Voting. You will need the control number located on your notice or proxy card, as applicable. If you request printed copies of the proxy materials, you will receive a proxy card and can simply mark your proxy card with respect to the proposals to be voted upon, date and sign it, and return it in the postage-paid envelope provided. All shares entitled to vote and represented by properly executed proxy cards that are received before the polls are closed at the Annual Meeting, and not revoked or superseded, will be voted at the Annual Meeting in accordance with the instructions indicated on those proxy cards.

Beneficial Holders. If you are not the holder of record of your shares (i.e., they are held in the name of a broker, bank or other nominee), you will receive voting instructions from your broker, bank or other nominee (or an agent acting on behalf of such institution) that you must follow in order for your shares to be voted. Your shares will then be voted by proxy by your broker, bank or other nominee. Alternatively, if your broker, bank or other nominee provides, you may be entitled to vote electronically through the Internet or by telephone by following the instructions on the voting card that you receive from your broker, bank or other nominee (or an agent acting on behalf of such institution).

If your shares of common stock are held by a broker, bank or other nominee and you wish to vote those shares in person at the Annual Meeting, you must obtain from the nominee holding your shares a properly executed legal proxy, identifying you as a stockholder of our Company, authorizing you to act on behalf of the nominee at the Annual Meeting and specifying the number of shares with respect to which the authorization is granted.

Effect of Not Casting Your Vote

Registered Holders. If you are a registered holder of shares of our common stock and you do not cast your vote, either in person or by proxy, no votes will be cast on your behalf on any of the items of business at the Annual Meeting.

Beneficial Holders. If you are a beneficial holder whose shares are held in the name of a broker, bank or other nominee, it is critical that you cast your vote if you want it to count in the election of directors. Your bank or broker is not allowed to vote your uninstructed shares on this proposal on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors, no votes will be cast on your behalf in respect of any director.

Your bank or broker will, however, have discretion to vote any uninstructed shares on the ratification of the appointment of the independent auditors.

Voting of Proxies

Where a signed proxy card is returned, but no specific instructions are indicated, your shares will be voted FOR the election of all directors named in this Proxy Statement and the ratification of the appointment of the independent auditors. Proxy cards marked as abstaining or withholding a vote will be treated as present for purposes of determining a quorum for the Annual Meeting, but will not be counted as a vote cast in respect of any matter as to which abstinence or withholding a vote is indicated.

Revocation of Proxy Card

If you are a stockholder of record and vote by proxy card, you may revoke that proxy at any time before it is voted at the Annual Meeting. You may do this by:

- signing a written notice of revocation, dated later than the proxy card, and returning it to us, at 320 Park Avenue, 8th Floor, New York, New York 10022 (Attention: Corporate Secretary), prior to the Annual Meeting;
- submitting a later-dated proxy (either by mail, telephone or internet) prior to the Annual Meeting date; or
- attending the Annual Meeting in person and casting a ballot (although attendance at the Annual Meeting will not, in and of itself, constitute revocation of a proxy card).

If you are a beneficial holder whose shares are held in the name of a broker, bank or other nominee, and you vote by the internet or by telephone, you may vote again at a later date, using the same procedure, in which case the later submitted vote will be recorded and the earlier vote revoked.

SECURITY OWNERSHIP OF PRINCIPAL STOCKHOLDERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of our Class A common stock and Class B common stock by the following persons as of the March 28, 2018 (except as otherwise noted):

- each of our named executive officers;
- each of our directors;
- all of our directors and executive officers as a group; and
- each person or group of affiliated persons known to us to beneficially own more than 5% of our Class A common stock or Class B common stock.

Beneficial ownership and percentage ownership are determined in accordance with the rules of the Securities and Exchange Commission (the “SEC”). This information does not necessarily indicate beneficial ownership for any other purpose. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock underlying options and warrants held by that person that are exercisable within 60 days of March 28, 2018 are considered to be outstanding. However, the numbers in the percent of combined voting power column do not give effect to any options or warrants held by the persons listed in the table. To our knowledge, except as indicated in the footnotes to this table and subject to community property laws, where applicable, the persons named in the table have sole voting and investment power with respect to all shares of our common stock shown as beneficially owned by them.

The address for those individuals for which an address is not otherwise indicated is: c/o Pzena Investment Management, Inc., 320 Park Avenue, 8th Floor, New York, New York 10022.

Director Independence

For the year ended December 31, 2017, our Board of Directors determined that each of Messrs. Galbraith, Greenblatt, Johnston and Meyerowich is an "independent" director within the meaning of the applicable rules of the SEC and the New York Stock Exchange (the "NYSE"). The current members of our Board of Directors who are not independent are Messrs. Pzena, Goetz and Lipsey.

Although we qualify for the "controlled company" exemption from certain of the corporate governance rules of the NYSE (including the NYSE requirement that a majority of the board be comprised of independent directors), our corporate governance guidelines mandate that our Board of Directors shall be comprised of a majority of directors who qualify as independent directors under the corporate governance rules of the NYSE. In addition, pursuant to the charters of our Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee, each director of these committees must be an independent director, as such term is defined in the corporate governance rules of the NYSE.

Under the NYSE corporate governance rules, a director is deemed independent if the director has no disqualifying relationship as defined in the NYSE corporate governance rules, and if the Board of Directors has affirmatively determined that the director has no material relationship with the Company, either directly or as a partner, stockholder, officer or employee of an organization that has a relationship with the Company.

All of the members of our Audit Committee, our Compensation Committee and our Nominating and Corporate Governance Committee are "independent directors," as such term is defined in the rules of the NYSE. The members of our Audit Committee also satisfy the requirements for independence imposed upon audit committee members by Rule 10A-3 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), by the SEC.

Factors Involved In Selecting Directors

When considering whether the members of our Board of Directors have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively, in light of our business and structure, the Nominating and Corporate Governance Committee focused on the information described in each of the Board members' biographical information set forth above. With regard to Mr. Pzena, the Nominating and Corporate Governance Committee considered his experience as founder and CEO of our Company and operating company, and his breadth of knowledge regarding all aspects of the business, including its strategies, operations, and markets, as well as his acute business judgment. With respect to Messrs. Goetz and Lipsey, the Nominating and Corporate Governance Committee considered their experience as founding Executive Committee members, their broad-based knowledge of the business, as well as their extensive industry knowledge. With regard to Messrs. Galbraith and Greenblatt, the Nominating and Corporate Governance Committee considered their extensive investment management experience and their professional standing in the industry. The Nominating and Corporate Governance Committee also considered Mr. Greenblatt's prior and current Board experiences and governance skills and Mr. Galbraith's designation as an audit committee financial expert. With regard to Mr. Meyerowich, the Nominating and Corporate Governance Committee considered his expertise and background in accounting matters, his leadership role at Deloitte & Touche LLP, as well as his designation as an audit committee financial expert. With

respect to Mr. Johnston, the Nominating and Corporate Governance Committee considered his broad retail brokerage and wealth management experience, leadership roles, industry expertise, as well as his designation as an audit committee financial expert.

Board Leadership Structure

The Nominating and Corporate Governance Committee is responsible for reviewing the leadership structure of our Board of Directors, and additionally reviewing the performance of the Chairman of the Board and Chief Executive Officer.

Since the inception of our Company in October 2007, as permitted by our Company's Corporate Governance Guidelines, the Chairman of the Board position has been held by Richard S. Pzena, the CEO of our Company and our operating company. The Nominating and Corporate Governance Committee has considered the issue of Mr. Pzena's combined role, and approved the continuation of this structure for the following reasons:

- The CEO is most familiar with the day to day operations of our Company and operating company.
- The CEO is in the best position to bring matters before our Board of Directors and serve as its Chairman.
- A combined CEO and Chairman role provides consistent leadership, stability and continuity for us.

The Board of Directors has additionally affirmed the combination of the CEO and Chairman roles for the reasons set forth above.

In accordance with our Corporate Governance guidelines, we have the option of alternating directors to lead executive sessions of the Board of Directors, or to select a lead independent director. To date, our independent directors have not named a lead independent director.

Board Risk Oversight Role

Our Board of Directors has delegated the role of risk oversight to its Audit Committee pursuant to the Audit Committee's charter. Our Audit Committee continues to concentrate on determining the adequacy of our risk-management programs.

Our approach to risk management includes a variety of internal procedures, test protocols and examinations, including the following:

- Sarbanes-Oxley annual testing and audit — covering internal controls and financial reporting;
- Statement on Standards for Attestation Engagement No. 18 (previously, SSAE 16) — covering operational risks;
- Compliance policies and procedures, including annual risk-based testing;
- Ongoing compliance monitoring and training; and
- Disaster recovery procedures, including annual and quarterly testing.

Issues of note resulting from any of the above-enumerated risk management items are brought to the attention of the Audit Committee, when appropriate.

The Risk Management Committee of our operating company (the "Risk Management Committee") was established in 2010 to ensure ongoing coordination among the various risk management programs. The purpose of the Risk Management Committee, which is led by our internal auditor, and whose other members include department heads or their delegates, is to identify our business and operational risks and evaluate the effectiveness of all risk mitigation activities. The Risk Management Committee met seven times during 2017.

Meetings of the Board of Directors

The business and affairs of our Company are managed under the direction of our Board of Directors. Members of the Board of Directors are informed about our Company's affairs through various reports and documents distributed to them, through operating and financial reports routinely presented at meetings of the Board of Directors and committee meetings by the Chairman and other officers, and through other means. In addition, directors of our Company discharge their duties throughout the year not only by attending Board of Directors' meetings, but also through personal meetings and other communications, including telephone contact with the Chairman and others regarding matters of interest and concern to our Company.

A director is expected to spend the time and effort necessary to properly discharge his responsibilities. Accordingly, a director is expected to regularly attend meetings of the Board of Directors and the committees on which such director

sits, and to review prior to the meetings material distributed in advance for each such meeting.

11

During our fiscal year ended December 31, 2017, our Company's Board of Directors held five formal meetings and acted by unanimous written consent in lieu of a meeting on seven separate occasions. During our fiscal year ended December 31, 2017, no director attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and any committees on which he served.

Board Committees

Although we qualify for the "controlled company" exemption from certain NYSE corporate governance rules, our Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each consisting solely of independent directors, and our Board of Directors has adopted charters for its committees that comply with the NYSE and SEC rules relating to corporate governance matters.

Audit Committee

Our Audit Committee assists our Board of Directors in its oversight of the integrity of our consolidated financial statements, our independent registered public accounting firm's qualifications and independence, and the performance of our independent registered public accounting firm.

Director Nominations

Our Corporate Governance Guidelines provide that, in selecting director nominees, the Nominating and Corporate Governance Committee shall consider at a minimum: (a) whether each such nominee has demonstrated, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company, and (b) the nominee's reputation for honesty and ethical conduct in his or her personal and professional activities.

As part of its responsibility to identify and recommend director nominees, our Nominating and Corporate Governance Committee is guided by the diversity considerations set forth in its charter, which state that it shall look at a variety of attributes in selecting candidates for nomination to our Board of Directors, including experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, dedication, and lack of conflicts of interest. As part of its periodic self-assessment process, our Nominating and Corporate Governance Committee annually assesses the occupational and personal backgrounds of the members of our Board of Directors in order to determine if our Board of Directors, considered as a group, has a sufficient composite mix of experience, knowledge and abilities.

Pursuant to our by-laws, nominations of persons for election to the Board of Directors may be made at any annual meeting of stockholders, or at any special meeting of stockholders called for the purpose of electing directors, (a) by or at the direction of the Board of Directors (or any duly authorized committee thereof), or (b) by any stockholder of the Company (i) who is a stockholder of record on the date of the giving of the notice and on the record date for the determination of stockholders entitled to notice of, and to vote at, such meeting, and (ii) who complies with the following notice procedures.

For a nomination to be made by a stockholder, such stockholder must have given timely notice thereof in proper written form to the Corporate Secretary. To be timely, a stockholder's notice to the Corporate Secretary must be delivered to, or mailed and received at, the principal executive offices of the Company (a) in the case of an annual meeting, not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting is called for a date that is not within 30 days before or after such anniversary date, notice by the stockholder in order to be timely must be so received not later than the close of business on the tenth day following the day on which such notice of the date of the annual meeting was mailed, or such public disclosure of the date of

the annual meeting was made, whichever first occurs; and (b) in the case of a special meeting of stockholders called for the purpose of electing directors, not later than the close of business on the tenth day following the day on which notice of the date of the special meeting was mailed, or public disclosure of the date of the special meeting was made, whichever first occurs.

To be in proper written form, a stockholder's notice to the Corporate Secretary must set forth (a) as to each person whom the stockholder proposes to nominate for election as a director (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by the person, and (iv) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder; and (b) as to the stockholder giving the notice (i) the name and record address of such stockholder, (ii) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by such stockholder, (iii) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder, (iv) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice, and (v) any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director, if elected. No person nominated for election by a stockholder shall be eligible for election as a director of the Company unless nominated in accordance with the above procedures. If the chairman of the stockholder meeting determines that a nomination was not made in accordance with the foregoing procedures, the chairman shall declare to the meeting that the nomination was defective and such defective nomination shall be disregarded.

The Nominating and Corporate Governance Committee does not have a policy with regard to the consideration of director candidates recommended by stockholders. The Board of Directors believes that it is appropriate for us not to have such a policy in light of the right of stockholders under our by-laws to nominate director candidates directly, without any action or recommendation on the part of the Nominating and Corporate Governance Committee or the Board. Notwithstanding that our Nominating and Corporate Governance Committee does not have a formal policy with regard to the consideration of director nominees submitted by stockholders, our Board of Directors has adopted a resolution pursuant to which it has directed the Nominating and Corporate Governance Committee to consider director nominees recommended by stockholders. Pursuant to this resolution, a stockholder who desires to recommend a director nominee should send a written statement to Pzena Investment Management, Inc., 320 Park Avenue, 8th Floor, New York, New York 10022 (Attention: Corporate Secretary), within the time frames set forth above with regard to director nominations by stockholders. The written statement should also include the information set forth above required to be included in director nominations by stockholders.

To date, no stockholder nominations for directors have been made nor have any stockholder recommendations for directors been received by the Nominating and Corporate Governance Committee.

Messrs. Pzena, Galbraith, Greenblatt and Meyerowich have served as directors of the Company since the initial public offering of our Class A common stock in October 2007. Messrs. Goetz and Lipsey were first elected directors in May 2011, and Mr. Johnston has served as a director of the Company since February 2014.

In addition, material that is unduly hostile, threatening, illegal or similarly unsuitable will be excluded, with the provision that any communication that is filtered out must be made available to any non-management director upon request. Any concerns relating to accounting, internal controls or auditing matters will be brought to the attention of the Audit Committee.

Compensation Discussion and Analysis

This section summarizes the principles underlying our policies relating to our executive officers’ compensation. It generally describes the manner and context in which compensation is earned by, and awarded to, our executive officers and provides perspective on the tables and narratives that follow.

Philosophy and Objectives of Our Executive Compensation Program

Our executive compensation is intended to produce the best possible long-term results for both our clients and shareholders. The primary means of alignment between executive officers and shareholder interests is evidenced by their significant direct and indirect ownership of Class B units of our operating company, which are exchangeable for our Class A common stock pursuant to the terms of our operating company’s amended and restated operating agreement. See “Related Party Transactions — Certain Agreements of Pzena Investment Management, Inc. and its Operating Company, Pzena Investment Management, LLC — Amended and Restated Operating Agreement of Pzena Investment Management, LLC — Exchange Rights.” This alignment is further enhanced by our annual compensation structure, which is designed to reward performance leading to excellent long-term results. Executive compensation has a base salary component and a bonus component. The bonus itself can be granted in the form of cash or various forms of equity participation, generally with respect to interests in our operating company. A portion of the bonus may be deferred pursuant to the Bonus Plan, which absent certain articulated exemptions, is dependent on continued employment with us.

It is intended that the magnitude of the bonus reflect the industry standards for executive responsibilities and the actual achievement of goals and objectives we have set. However, no fixed criteria or formula is used in determining the amount of a bonus. Rather, the Compensation Committee uses its discretion to make a determination of the effectiveness of the executive and the extent of the executive’s contributions to our success and, based on that determination, recommends bonus amounts to the full Board. The minimum bonus would generally entail compensation below industry norms and reflect poor performance on objectives, while the maximum bonus would reflect superior performance on objectives.

Consistent with this philosophy, 2017 compensation was established to reflect executive officer contributions to the following:

(i) Development of new leaders to provide succession options for the Executive Committee and other managerial responsibilities.

(ii) Management of the overall business in a manner consistent with shareholder interests, including:

- Managing the cost structure to maintain a margin of profitability consistent with leading asset management firms and the overall investment environment; and

• Enhancing our overall growth through developing global capabilities and introducing new initiatives and products consistent with clients' interests.

- (iii) Setting an example for our employees in business behavior at an exceptional ethical level.
- (iv) Enhancing our reputation and asset gathering capability, with existing and future clients, through quality interaction and communication.

Our CEO/Co-Chief Investment Officer is responsible for all aspects of our operations. Specific goals were developed for each of the below executive officers.

For President/Co-Chief Investment Officer:

- (i) Lead the investment team in a manner to promote excellent long term investment performance via superior investment research.
- (ii) Maintain a team-oriented culture that develops and retains the best investment talent.

For President/Head of Business Development and Client Service:

- (i) Expand the business development team and exposure of the Pzena brand in the international marketplace.
- (ii) Lead the client team in a manner which promotes the Pzena brand in the broader institutional investment community and creates lasting client relationships, minimizes client attrition, and raises assets from new and existing clients.
- (iii) Continue to develop a retail mutual fund business to expand the reach of our products and to grow assets under management.

For Chief Financial Officer:

- (i) Oversee our financial reporting process to achieve accurate and effective financial statements.
- (ii) Enhance our controllership and financial functions through exemplary leadership.

For Chief Operating Officer:

- (i) Lead work across different teams to realize efficiency improvements across the Company.
- (ii) Enhance operating processes to facilitate continued expansion of the business.

In determining compensation for all executive officers, the Compensation Committee reviewed and considered each named executive officer's performance as measured against the goals described above and other qualitative criteria.

Principal Components of Executive Compensation

We have established compensation practices that directly link compensation with our performance, as described below. These practices apply to all of our professionals, including our named executive officers. Ultimately, ownership in our Company is the primary tool that we use to attract and retain professionals, including the named executive officers. As of December 31, 2017, our employee members held, directly or indirectly through their interests in PIM LP, approximately 54% of the ownership interests in our operating company, the substantial majority of which is held, directly or indirectly, by our executive officers, together with their estate planning vehicles.

We consider the following elements of compensation for our named executive officers:

- (i) cash compensation, consisting of a base salary;
- (ii) annual cash bonuses;
- (iii) mandatory deferred compensation;
- (iv) equity-based compensation and related distributions of earnings of our operating company; and
- (v) perquisites.

The Compensation Committee has not adopted any formal or informal policies or guidelines for allocating compensation between currently paid out and long-term compensation, between cash and non-cash compensation, or among different forms of non-cash compensation. In order to attract and retain qualified personnel, compensation and benefits packages, including those of certain of our named executive officers, are reviewed against relevant industry and geographic peer groups, as compiled by McLagan Partners, a compensation specialist focusing on the asset management industry, but we do not benchmark against peer group data. The universe of companies in the McLagan Partners' analysis includes approximately 170 publicly traded asset managers and asset management subsidiaries of larger financial services firms with which we compete, among others. To the extent applicable, the Compensation Committee reviews McLagan Partners' data by position for the entire universe of companies on a summary basis, as well as data by position for certain subgroups on a summary basis, such as

companies with assets under management and a geographic location similar to ours, rather than specific compensation data for individual competitors.

It is customary in the investment management industry to provide for base salaries and discretionary bonuses to be paid to executives upon whom we rely for our success. Cash compensation in the form of a fixed base salary and discretionary cash bonuses constitutes only a portion of the compensation that we pay our named executive officers.

Base Salary. Consistent with industry practice, the base salaries for our named executive officers generally account for a relatively small portion of their overall compensation. Pursuant to their respective Executive Employment Agreements, as amended, and as further discussed below, Messrs. Pzena, Goetz and Lipsey are each entitled to receive a base salary which is determined annually by the Compensation Committee. For 2017, Messrs. Pzena, Goetz and Lipsey received a base salary at an annual rate of \$365,200, \$358,000, and \$361,400, respectively, and each received a contribution of \$24,300 by our Company to each of their respective 401(k) accounts.

For 2017, Mr. Bachman, and Ms. Doran received a base salary at an annual rate of \$375,000, and \$202,602.74 respectively, and a contribution of \$16,200, for each by the Company to their 401(k) accounts.

Bonuses. As further discussed below under "Executive Employment Agreements," each of Messrs. Pzena, Goetz and Lipsey may be paid an annual bonus as determined by the Compensation Committee. In 2017, the Compensation Committee reviewed the aforementioned objectives for the named executive officers, both by individual position, and as a group. Based on an analysis of the relevant objectives, the Compensation Committee (i) determined that for 2017, Messrs. Pzena, Goetz and Lipsey would each receive a total bonus in the amount of \$2,561,000, \$2,568,000, and \$2,100,000, respectively, which includes amounts deferred pursuant to the Bonus Plan as described below under "Mandatory Deferred Compensation" and individual elections to select equity based compensation as described below in "Equity Based Compensation and Distribution of Earnings of Our Operating Company."

The Compensation Committee also determined that Mr. Bachman should receive a total bonus in the amount of \$433,800, including amounts deferred pursuant to the Bonus Plan as described below under "Mandatory Deferred Compensation" and an equity-based compensation election as described below in "Equity Based Compensation and Distribution of Earnings of Our Operating Company", and that Ms. Doran should received a cash bonus of \$105,000.

Mandatory Deferred Compensation. The purpose of the Bonus Plan is to enable us to attract, retain, motivate and reward highly qualified individuals who provide services to us by, among other things: (a) providing for grants of bonus compensation; and (b) providing that a portion of the bonus awards made to certain highly compensated individuals, including the named executive officers, shall be deferred on a mandatory basis and shall vest, and become payable, over a four-year period. These amounts are reflected in the "Bonus" and "Unit Awards" columns, as applicable, of the "Summary Compensation Table" below.

Equity Based Compensation and Distribution of Earnings of Our Operating Company. We have awarded many of our employees, including our named executive officers, ownership interests in our operating company.

Historically, a significant amount of remuneration that our CEO and two Presidents received from us consisted of cash distributions in proportion to their respective ownership interests of our operating company. These three (iv) executive officers have substantial ownership interests in our operating company. They receive distributions in respect of their membership units in the same amount, and at the same time as distributions are made on all other membership units, including Class A units, which we believe creates an alignment of their interests with those of our Class A stockholders. The amounts of these distributions are not shown in the Summary Compensation Table below because they arise out of their ownership interest in our operating company.

At December 31, 2017, 2016 and 2015, our CEO and two Presidents and their related entities, owned approximately 49.4%, 51.1%, and 52.3%, respectively, of the economic interests in the operating company through their ownership of Class B units, either directly or indirectly through their interests in PIM LP.

The Pzena Investment Management, LLC Amended and Restated 2006 Equity Incentive Plan ("PIM LLC 2006 Equity Incentive Plan"), as amended, permits the granting of a variety of equity awards relating to membership units of our operating company, including membership units, options to purchase membership units, and other unit-based awards, all of which are subject to vesting provisions.

As conditions allow, we intend to continue to award equity-based awards under the PIM LLC 2006 Equity Incentive Plan and the Pzena Investment Management, Inc. 2007 Equity Incentive Plan as an incentive to encourage ownership.

Perquisites. We offer each of our employees, including each of the named executive officers, our investment
(v) management services without charging any advisory fees typically associated with these services if they place their funds with us; see “Related Party Transactions — Certain Matters and Related Persons Transactions — Related Party Transactions.” This benefit is provided at no incremental cost to us.

Consideration of Prior Shareholder Advisory Vote on Executive Compensation

At our 2017 annual meeting of stockholders, our Class A shareholders approved, on an advisory basis, the compensation of our named executive officers. In light of this approval, our Compensation Committee did not take any compensation actions specifically in response to the executive compensation advisory vote.

As a result of the shareholder vote, on an advisory basis, on the frequency of the advisory vote on executive compensation, we will hold another advisory vote on executive compensation at the 2020 annual meeting of shareholders.

Executive Employment Agreements

On October 30, 2007 we entered into employment agreements with each of Messrs. Pzena, Goetz and Lipsey. Pursuant to the terms of the individual employment agreements, (i) Mr. Pzena serves as our Chief Executive Officer, Co-Chief Investment Officer; (ii) Mr. Goetz serves as our President, Co-Chief Investment Officer; and (iii) Mr. Lipsey serves as our President, and Head of Business Development and Client Service. Under the terms of the employment agreements, each of Messrs. Pzena, Goetz and Lipsey served for an initial term of three years, ending October 30, 2010, subject to automatic, successive one-year extensions thereafter unless either party gives the other 60 days prior notice that the term will not be extended. Since then, these agreements have been automatically extended for eight successive one-year extensions through October 30, 2018.

On November 1, 2012, we entered into amendments to the employment agreements with each of Messrs. Pzena, Goetz and Lipsey in order to eliminate “guaranteed payments” to these executive officers and be consistent with the philosophy and objectives of our executive compensation program, as outlined above. The “guaranteed payments” consisted of a base salary at the annual rate of \$300,000, as well as a performance component not to exceed \$2,700,000 for any single fiscal year. Under the employment agreements as amended, Messrs. Pzena, Goetz and Lipsey will each receive an annual base salary and any annual bonus amount solely determined by our Compensation Committee and subject to the provisions of our Bonus Plan. We have not entered into employment agreements with Ms. Doran or Mr. Bachman.

The following is a description of certain restrictive covenants by which our executive officers, as well as other employee members have agreed to be bound.

Non-Competition

Pursuant to the terms of the amended and restated operating agreement of Pzena Investment Management, LLC, all employee members of Pzena Investment Management, LLC, including Mr. Bachman and Ms. Doran, have agreed not to compete with us during the term of their employment with us. In addition, each of Messrs. Pzena, Goetz and Lipsey have agreed not to compete with us for a period of three years following the termination of his employment. Certain other employee members of Pzena Investment Management, LLC have agreed not to compete with us for a period of up to six months following the termination of his or her employment if the employee member and his or her permitted transferees collectively hold at that time more than 1.0% of all the Class B units outstanding and continue to receive compensation during this non-competition period.

Non-Solicitation

Messrs. Pzena, Goetz and Lipsey have agreed not to solicit our clients or any other employees of Pzena Investment Management, LLC during the term of their employment and for three years thereafter. Other employee members of Pzena Investment Management, LLC, including Mr. Bachman and Ms. Doran, are subject to similar non-solicitation provisions during the term of their employment and 18 months thereafter.

Forfeiture of Class B Units and Related Awards

Pursuant to the operating agreement and the terms of individual award agreements, Class B members, including our named executive officers, are subject to various restrictive covenants, including but not limited to, non-solicitation and non-compete provisions, which if breached, may result in forfeiture of a number of their Class B unit-based awards. If an employee member, (including our named executive officers) is terminated for cause, the employee member and any of his or her permitted transferees may forfeit all of his, her or their unvested Class B units, if any, and a number of vested Class B units collectively held by the employee member and his or her permitted transferees, in each case as of the date of the termination of his or her employment.

The following table sets forth certain summary information concerning compensation provided by Pzena Investment Management, LLC during the fiscal years ended December 31, 2017, 2016 and 2015 to our Chief Executive Officer, our Chief Financial Officer, our two Presidents, our former Executive Vice President and our Chief Operating Officer (and former Chief Financial Officer) whom we refer to collectively as the named executive officers. The amounts set forth under the Stock and Unit Awards columns are calculated in accordance with the rules of the SEC and may not reflect actual amounts received by the named executive officer.

Amounts represent payments of salary made to the named executive officers pursuant to their respective

(1) employment agreements, with the exceptions of Ms. Doran and Mr. Bachman with whom we have not entered into employment agreements.

Amounts represent discretionary bonuses paid to the named executive officers as further discussed above under "Compensation Discussion and Analysis — Principal Components of Executive Compensation — Bonuses." Included in this amount is deferred compensation (as further outlined in the "2016 Non-Qualified Deferred Compensation" section below) associated with the Bonus Plan. The Bonus Plan, pursuant to which employees whose compensation is in excess of \$600,000 per year are required to defer a portion of their compensation in excess of this amount.

(2) Deferred amounts contributed by named executive officers may be invested, at the employee's discretion, in certain investment options, including Phantom Class B units and Phantom Delayed Exchange Class B units, as designated by the Compensation Committee of the Company's Board of Directors. Amounts shown includes the compensation deferred. Pursuant to the plan, each deferred amount vests as follows: (i) 25% on the first anniversary; (ii) 50% on the second anniversary; (iii) 75% on the third anniversary; and (iv) 100% on the fourth anniversary, provided that the named executive officer continues in service with us.

In 2017, Mr. Goetz elected to receive a portion of his deferred compensation in the form of Phantom Delayed Exchange Class B units of the operating company which were granted on December 31, 2017. Upon vesting, each Phantom Delayed Exchange Class B unit becomes a Delayed Exchange Class B unit of the operating company, however they cannot be exchanged for shares of the Company's Class A common stock until seven years after the date they vest. The Delayed Exchange Class B units do not carry rights associated with the tax receivable agreement.

In December 2016, Messrs. Pzena, Lipsey and Bachman elected to receive a portion of their cash bonus in the form of Delayed Exchange Class B units of the operating company at \$7.11, which were issued on January 1, 2017. The amounts in this column reflect the deferred portion of our named executive officer's compensation.

Potential Payments upon Termination or Change of Control

Neither we nor our operating company maintains a termination or change of control program. However, the PIM LLC 2006 Equity Incentive Plan and the 2007 Equity Incentive Plan both provide that the Compensation Committee will have the discretion to accelerate the vesting of awards granted thereunder upon the occurrence of certain events, including a change of control of Pzena Investment Management, Inc.

Additionally, certain award agreements under the PIM LLC 2006 Equity Incentive Plan and the 2007 Equity Incentive Plans provide for the acceleration of vesting awards upon death, involuntary termination without cause or voluntary termination for good reason of or by an employee. If one such event occurred on December 31, 2017, Mr. Bachman would have received \$56,402 due to the acceleration of his unvested Class B units, based on the NYSE closing price of our Class A common stock on such date since Class B units are exchangeable for shares of our Class A common stock on a one-for-one basis.

Also, the Bonus Plan provides that upon the death, involuntary termination without cause or voluntary termination for good reason of or by an employee (including certain named executive officers), vesting of such employee's compensation required to be deferred to the Bonus Plan (if any) will accelerate and all unpaid amounts will be paid to the employee or to the employee's estate, as applicable. If one such event occurred on December 31, 2017, each of Messrs. Pzena, Goetz, Lipsey and Bachman would have received, \$1,923,033, \$2,026,948, \$1,774,715 and \$101,201 respectively as an acceleration of their restricted amount or of the vesting of restricted equity amounts under the Bonus Plan based on the valuation of their restricted amount or restricted equity amounts on the date of such event. Please see the "2017 Non-Qualified Deferred Compensation Table" above for more details.

In addition, pursuant to the tax receivable agreement, as further described in "Related Party Transactions — Certain Agreements of Pzena Investment Management, Inc. and its Operating Company, Pzena Investment Management, LLC — Tax Receivable Agreement," if certain change of control events were to occur, we would be obligated to make early termination payments to the parties to such tax receivable agreement (including certain named executive officers). Furthermore, the Pzena Investment Management, Inc. Non-Employee Director Deferred Compensation Plan provides that each plan participant's account shall be distributed in shares of our Class A common stock immediately prior to a change in control of Pzena Investment Management, Inc., as further described below.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee of the Board of Directors is responsible for determining executive officer compensation. The Compensation Committee, consisting of Messrs. Galbraith, Greenblatt, Meyerowich and Johnston, is comprised entirely of independent directors, as defined in the NYSE rules. Members of the Compensation Committee additionally qualify as "non-employee directors" within the meaning of Rule 16b-3 promulgated under the Exchange Act, and "outside directors" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended. In 2017, Mr. Greenblatt and his related entities received an aggregate payment in the amount of approximately \$714,365 pursuant to the terms of the tax receivable agreement. See "Related Party Transactions —

Certain Agreements of Pzena Investment Management, Inc. and its Operating Company, Pzena Investment Management, LLC — Tax Receivable Agreement.”

2017 Non-Employee Director Compensation

The following table sets forth information concerning non-employee director compensation for the year ended December 31, 2017. It is our policy not to pay director compensation to directors who are also our employees. Where applicable, non-employee directors were also reimbursed for reasonable travel and related expenses.

Beginning in 2017, at the recommendation of the Compensation Committee, all non-employee directors received an annual retainer of \$85,000 for their service on our Board of Directors. In addition to the annual retainer payment for service on our

Board of Directors, the chairman of the Audit Committee receives an additional \$10,000 in compensation, and each of the chairmen of the Compensation and Nominating and Corporate Governance Committees receives an additional \$5,000.

Pursuant to the Pzena Investment Management, Inc. Nonemployee Director Deferred Compensation Plan, each non-employee director was given the option to defer either all or a portion of his 2017 compensation in the form of deferred stock units, or “Phantom Stock.” With respect to any non-deferred portion of the compensation, each non-employee director was given the option to receive either 100% in cash, 100% in shares of our Class A common stock, or 50% payable in cash and 50% in shares of our Class A common stock. In 2017, all non-employee directors elected to receive their 2017 compensation in deferred stock units.

Name	Stock Awards (\$) ⁽¹⁾	Total (\$)
Steven M. Galbraith	\$90,000 ⁽²⁾	\$90,000
Joel M. Greenblatt	85,000 ⁽³⁾	85,000
Richard P. Meyerowich	95,000 ⁽⁴⁾	95,000
Charles D. Johnston	90,000 ⁽⁵⁾	90,000

These deferred stock units were valued at \$11.11 each, the closing price of our Class A common stock on December 31, 2016. Each deferred stock unit is the economic equivalent of one share of our Class A common stock. The shares of Phantom Stock become payable in a single distribution in the form of shares of our Class A common stock, at such time as elected by the non-employee director when the deferral was made.

On January 1, 2017, Mr. Galbraith, a non-employee director and chairman of the Compensation Committee, was awarded 8,100 deferred stock units in connection with his 2017 compensation. As of December 31, 2017, Mr. Galbraith held 99,657 deferred stock units.

On January 1, 2017, Mr. Greenblatt, a non-employee director was awarded 7,650 deferred stock units in connection with his 2017 compensation. As of December 31, 2017, Mr. Greenblatt held 96,797 deferred stock units.

Pay Ratio Disclosure

In August 2015 pursuant to a mandate of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd Frank Act”), the SEC adopted a rule requiring annual disclosure of the ratio of the median employee’s annual total compensation to the total annual compensation of the principal executive officer (“PEO”). The Company’s PEO is Mr. Pzena. The purpose of the new required disclosure is to provide a measure of the equitability of pay within the organization. The Company believes its compensation philosophy and process yield an equitable result.

The below table shows the ratio of the median annual total compensation of all Company employees (excluding the PEO) to the annual total compensation of the Company's PEO. In determining the median employee, a listing was prepared of all current employees as of December 31, 2017. To determine the median employee, we included 2017 base salary, incentive compensation, and 401(k) contributions made by the Company (annualized for those employees that were not employed for the full year of 2017). As of December 31, 2017 the Company employed 108 persons worldwide. Per disclosure requirements, once the median employee was identified, for purposes of comparison to the PEO, we then calculated the compensation for that employee in the same manner as the Total Compensation shown for our PEO in the Summary Compensation Table.

Median Employee total annual compensation	\$216,045
Mr. Pzena ("PEO") total annual compensation	\$2,889,506
Ratio of PEO to Median Employee Compensation	13.4 to 1

RELATED PARTY TRANSACTIONS

Certain Matters and Related Person Transaction

A number of organizational documents and agreements set forth our internal capital, organizational and governance structures, including the terms of interests in Pzena Investment Management, LLC owned by our executive officers and certain employees and other contractual rights. These documents and agreements include the Amended and Restated Operating Agreement of Pzena Investment Management, LLC, the Amended and Restated Limited Partnership Agreement for Pzena Investment Management, LP, the Tax Receivable Agreement, the Resale and Registration Rights Agreement with holders of Class B units of our operating company and the Stockholders Agreement Among Class B Stockholders. Summaries of these agreements are provided below. Pursuant to these agreements, we may make payments to related persons or engage in transactions that are deemed “related person transactions” under our Related Person Transaction Policy. During 2017, there were no related person transactions under the policy except for those described below under “Related Person Transactions.”

Related Person Transaction Policy

We have adopted a policy regarding the approval of any transaction, or series of transactions, in which we or any of our subsidiaries is a participant, the amount involved exceeds \$120,000, and a “related person” (as defined under SEC rules) has a direct or indirect material interest. Under the policy, a related person must promptly disclose to our General Counsel any “related person transaction” (defined as any transaction that is required to be disclosed under Item 404(a) of Regulation S-K in which we were, or are to be, a participant, and the amount involved exceeds \$120,000, and in which any related person had, or will have, a direct or indirect material interest) and all material facts about the transaction. The General Counsel will then assess and promptly communicate that information to the Audit Committee of our Board of Directors. Based on its consideration of all of the relevant facts and circumstances, the Audit Committee will decide whether or not to approve such transaction, and will generally approve only those transactions that do not create a conflict of interest. If we become aware of an existing related person transaction that has not been pre-approved under this policy, the transaction will be referred to the Audit Committee, which will evaluate all options available, including ratification, revision or termination of such transaction. Our policy requires any director who may be interested in a related person transaction to recuse himself or herself from any consideration of such related person transaction.

Related Person Transactions

Set forth below is a description of certain other transactions between Pzena Investment Management, LLC and certain of our directors, executive officers and beneficial owners of more than 5% of our voting securities, or their respective family members.

We manage the personal funds of many of our employees, including certain of our executive officers. In addition, we manage the personal funds of some of our employees’ and certain of our executive officers’ family members. Pursuant to the respective investment management agreements, we waive or reduce our regular advisory fees for these accounts and personal funds. In 2017, the aggregate value of the advisory fees that we either waived or reduced for executive officers and/or their family members was approximately \$724,013, which includes investments via a private fund in which certain of our executive officers participate. Fees waived for Mr. Pzena and/or his family members, and related trusts, were approximately \$493,188 in 2017.

We offer to pay for an accountant to provide certain tax reporting and filing services for our employee members, including our executive officers. In 2017 we paid approximately \$186,500 for the preparation of these tax filings for our employee members for that year.

In 2017, pursuant to the terms of the tax receivable agreement, certain of our executive officers, directors or their related trusts received aggregate payments in the amount of \$797,806, of which Mr. Greenblatt and his related entities, received an aggregate payment in the amount of approximately \$714,365.

Certain Agreements of Pzena Investment Management, Inc. and its Operating Company, Pzena Investment Management, LLC

Amended and Restated Operating Agreement of Pzena Investment Management, LLC

The operations of Pzena Investment Management, LLC, and the rights and obligations of its members, are set forth in our amended and restated operating agreement, the material terms of which are described below.

Governance

We serve as the sole managing member of the operating company. As such, we control its business and affairs and are responsible for the management of its business. We also have the power to delegate certain of our management responsibilities to the Executive Committee.

Issuances and Transfers of Units; Voting and Economic Rights of Members

The operating company may issue Class A units and Class B units. Class A units may only be issued to us, as the sole managing member, and are non-transferable. Class B units may only be issued to persons or entities to which we agree to issue membership units in exchange for cash or other consideration, including the services of the operating company's employees. Class B units may only be transferred to permitted transferees, subject to such conditions as we may specify. A holder of Class B units may not transfer any Class B units to any person unless he or she transfers an equal number of shares of our Class B common stock to the same transferee.

Holders of Class B units have no voting rights, except for the right to approve amendments to the amended and restated operating agreement that adversely affect the rights of the holders of Class B units, and to approve certain material corporate transactions. See “— Material Corporate Transactions” and “—Amendments,” below.

Each Class A unit and Class B unit entitles holders to the same economic rights. Net profits and net losses of the operating company are allocated, and distributions by the operating company are made, to members pro rata in accordance with the number of membership units they hold (whether or not vested). The operating company makes distributions to members for the purpose of funding their tax obligations in respect of the portion of the operating company's taxable income that is allocated to them. Generally, these tax distributions will be computed based on our estimate of the net taxable income of the operating company allocable per membership unit multiplied by an assumed tax rate equal to the highest combined U.S. federal, state and local tax rate applicable to any member (taking into account the deductibility of state and local taxes for U.S. federal income tax purposes). However, our operating company may not make any distributions to its members if doing so would violate any agreement to which it is then a party, or any law then applicable to it, have the effect of rendering it insolvent, or result in it having net capital lower than that required by applicable law.

Coordination of Pzena Investment Management, Inc. and Pzena Investment Management, LLC

Whenever we issue a share of our Class A common stock for cash, we will either contribute the net proceeds to the operating company in exchange for one Class A unit or purchase one Class B unit from a Class B member in exchange for such net proceeds (which Class B unit will be automatically converted into a Class A unit). Whenever we issue a share of our Class A common stock pursuant to our 2007 Equity Incentive Plan, we will contribute all of the proceeds from such issuance (if any) to the operating company, which will issue us a Class A unit with the same restrictions, if any, attached to such Class A common stock. In the event that we issue other classes or series of our equity securities, the operating company will issue, and Class B units (if any) transferred to us by its members in exchange for our newly issued equity securities will be automatically converted into, an equal amount of equity securities of the operating company with designations, preferences and other rights and terms that are substantially the same as our newly issued equity securities. Conversely, if we redeem any shares of our Class A common stock (or our equity securities of other classes or series) for cash, the operating company will, immediately prior to our redemption, redeem an equal number of Class A units (or its equity securities of the corresponding classes or series) held by us, upon the same terms and for the same price, as the shares of our Class A common stock (or our equity securities of such other classes or series) are redeemed.

The operating company may also, from time to time, issue such other classes or series of membership units having such relative rights, powers and duties and interests in profits, losses, allocations and distributions of the operating company as may be designated by us.

As managing member, we have agreed not to conduct any business other than the management and ownership of Pzena Investment Management, LLC and its subsidiaries, or own any other assets (other than on a temporary basis), although we may incur indebtedness and may take other actions if we determine in good faith that such indebtedness or other actions are in the best interest of Pzena Investment Management, LLC. In addition, membership units of Pzena Investment Management, LLC, as well as our common stock, will be subject to equivalent stock splits, dividends and reclassifications.

Material Corporate Transactions

In the event that Pzena Investment Management, LLC proposes to engage in a material corporate transaction, including a merger, consolidation, dissolution or sale of substantially all of its assets, we, in our capacity as the managing member, along with a majority in interest of the holders of the Class B units, have the power and authority to approve such a transaction. In addition, in the event that we, in our capacity as the managing member, along with a majority in interest of the holders of the Class B units, determine that all (or any portion) of the Class A units and Class B units, should be sold to a third party purchaser, we have the right to compel the holders of Class B units to sell all or the same portion of their Class B units to this third party purchaser.

Exchange Rights

Pursuant to the amended and restated operating agreement, each vested Class B unit is exchangeable for a share of our Class A common stock, subject to the exchange timing and volume limitations described below. In November, 2014, we amended Section 2.02 of Exhibit B of our amended and restated operating agreement in order to allow the operating company to grant certain awards with delayed exchange rights, such as the Delayed Exchange Class B units discussed elsewhere in this Proxy Statement and in our Annual Report on Form 10-K for our fiscal year ended December 31, 2017. This amendment was approved by our Board of Directors and a majority in interest of the holders of Class B units.

During 2017, we established December 21, 2017 as an exchange date. Certain employee members and non-employee members, elected to exchange an aggregate of 855,535 of their Class B units for an equivalent number of shares of our Class A common stock. As of December 31, 2017, there remained 50,744,559 shares of our Class A common stock that have previously been registered in various registration statements filed with the SEC, which may be issued upon the exchange of currently-outstanding Class B units as discussed above. An additional 12,453,984 shares of Class A common stock are registered relating to Class B units that have not yet been issued. All of our registration statements are effective as of the date of the Record Date.

Initial Managing Principals. Each year, in the period beginning on the first effective date of the Form S-3 registration statement described below under “— Resale and Registration Rights Agreement,” which we refer to as the shelf registration statement, and ending on the date of the termination of employment with us of an Initial Managing Principal (as defined in the amended and restated operating agreement), an Initial Managing Principal (currently each of Richard S. Pzena, John P. Goetz and William L. Lipsey), and his permitted transferees may collectively exchange up to the number of vested Class B units that equals 15% of all Class B units they collectively hold as of the first day of that year, in accordance with the timing restrictions described below under “— Resale and Registration Rights Agreement.” For the three-year period following the Initial Managing Principal’s termination, the Initial Managing Principal and his permitted transferees may not exchange any of their Class B units. Thereafter, they may exchange the remainder of their Class B units when they vest, subject to the same timing restrictions.

Other Employee Members. Each year, in the period beginning on the first effective date of the shelf registration statement and ending on the date of termination of employment of an employee member other than our Initial Managing Principals, he or she and his or her permitted transferees, may collectively exchange up to the number of vested Class B units that equals 15% of all Class B units they collectively hold as of the first day of that year, in accordance with the timing restrictions described below under “— Resale and Registration Rights Agreement.” For the one-year period following the employee’s termination, the employee and his or her permitted transferees may not exchange any of their Class B units, except as may be agreed by us. Within the following six months, they may exchange vested Class B units so long as the employee retains a number of vested Class B units equal to at least 25% of the number of vested Class B units collectively held by the employee and his or her permitted transferees on the date of the termination of employment with us, subject to the same timing restrictions. Thereafter, they may exchange the remainder of their Class B units when they vest, subject to the same timing restrictions.

Non-Employee Members. As of October 30, 2011, the fourth anniversary of our initial public offering, the non-employee members of our operating company may exchange all of their vested Class B units, in accordance with the timing restrictions described below under “— Resale and Registration Rights Agreement.”

Exceptions. If the amount of income taxes that employee members are required to pay due to the grant or vesting of their Class B units, the exercise of their options to acquire Class B units and/or the exchange of their Class B units for

shares of our Class A common stock (whether or not they are employees at the time that the tax payment obligation arises) exceeds the net proceeds they would receive upon the sale of all shares of our Class A common stock issued to them in exchange for 15% of the Class B units that they hold as of the first day of the year with respect to which the tax is payable, then they are entitled to exchange an amount of vested Class B units, and resell an equivalent amount of shares of our Class A common stock issued upon exchange, such that the net proceeds from the sale of this amount of shares would enable them to pay all such taxes due. In addition, we may allow holders of Class B units to make exchanges in amounts exceeding those described above at any time following the effective date of the shelf registration statement, which determination may be withheld, delayed, or granted on such terms and conditions as the Board may determine, in its sole discretion. Since November 1, 2014, and as a result of the

amendment to the operating company's operating agreement, the operating company has been able to grant Class B unit-based awards under its equity incentive plan which are not considered to be held by the grantee of any such award for purposes of determining the 15% exchange limitation described above, until such time as indicated in the individual award agreements. The Delayed Exchange Class B units issued in 2015 are an example of such Class B unit-based awards which, although immediately vested, cannot be included in the 15% calculation, but such Delayed Exchange Class B Units can be exchanged in full after seven years after the date of grant.

Restrictive Covenants

Non-Competition. All employee members of the operating company, including Mr. Bachman and Ms. Doran, have agreed not to compete with us during the term of their employment with us. In addition, each of the Initial Managing Principals has agreed not to compete with us for a period of three years following the termination of his employment. The other employee members have agreed not to compete with us for a period of up to six months following the termination of his or her employment, if the employee member and his or her permitted transferees collectively hold at that time more than 1% of all the Class B units outstanding and if he or she continues to receive compensation during this non-competition period.

Non-Solicitation. The Initial Managing Principals, including our CEO and two Presidents, have agreed not to solicit our clients or any other employees of Pzena Investment Management, LLC during the term of their employment and three years thereafter. Other employee members, including our CFO and our COO, are subject to similar non-solicitation provisions during the term of their employment and 18 months thereafter.

Confidential Information. All employee members have agreed to protect the confidential information of Pzena Investment Management, LLC. This covenant will survive the termination of their employment.

Forfeiture of Class B Units and Related Awards

Pursuant to the operating agreement and the terms of individual award agreements, Class B members, including our named executive officers, are subject to various restrictive covenants, including but not limited to, non-solicitation and non-compete provisions, which if breached, may result in forfeiture of a number of their Class B unit-based awards. If an employee member, (including our named executive officers) is terminated for cause, the employee member and any of his or her permitted transferees may forfeit all of his, her or their unvested Class B units, if any, and a number of vested Class B units collectively held by the employee member and his or her permitted transferees, in each case as of the date of the termination of his or her employment.

Indemnification and Exculpation

To the extent permitted by applicable law, Pzena Investment Management, LLC will indemnify us, as its managing member, its authorized officers, its other employees and agents from and against any losses, liabilities, damages, costs, expenses, fees or penalties incurred by any acts or omissions of these persons, provided that the acts or omissions of these indemnified persons are not the result of fraud, intentional misconduct, or a violation of the implied contractual duty of good faith and fair dealing, or any lesser standard of conduct permitted under applicable law. We, as the managing member, and the authorized officers and other employees and agents of Pzena Investment Management, LLC, will not be liable to Pzena Investment Management, LLC, its members, or their affiliates, for damages incurred by any acts or omissions of these persons, provided that the acts or omissions of these exculpated persons are not the result of fraud, intentional misconduct, or a violation of the implied contractual duty of good faith and fair dealing, or any lesser standard of conduct permitted under applicable law.

Amendments

The amended and restated operating agreement of Pzena Investment Management, LLC may be amended with the consent of the managing member and a majority in interest of the holders of Class B units, provided that the managing member may, without the consent of any Class B member, make certain amendments that, generally, are not expected to adversely affect Class B members. The amended and restated operating agreement of Pzena Investment Management, LLC has been further amended as of March 24, 2010, March 5, 2012, and November 1, 2014.

Notwithstanding the foregoing, no amendment may

- materially and adversely affect the rights of a Class B member in a manner that discriminates against that Class B member vis-à-vis other Class B members, or increase the capital contributions obligations of a Class B member, without the consent of the affected Class B member;

- modify or amend the non-competition, non-solicitation, confidentiality, or vesting and forfeiture provisions in a manner that is adverse to an employee member without either the employee member's consent, or the approval of two-thirds in

31

interest of the Class B members, so long as each adversely affected employee member receives at least 60 days prior notice thereof; or

- modify or amend any provision of the agreement requiring approval of any specified group or sub-group of Class B members without obtaining the approval of that specified group or sub-group.

Amended and Restated Limited Partnership Agreement for Pzena Investment Management, LP

In December 2015, we extended to all our employee members, an invitation to subscribe for limited partnership interests in a newly formed Delaware limited partnership, Pzena Investment Management, LP (“PIM LP”), allowing our employee members, if they elected, to contribute their current and future Class B unit interests in our operating company and their shares of our Class B common stock to PIM LP in exchange for a corresponding number of limited partnership interests in PIM LP effective as of January 1, 2016. The limited partnership interests in PIM LP have substantially the same economic rights as the Class B units and are redeemable by the limited partner for Class B units and shares of Class B common stock. Employee members who participate in the invitation continue to be subject to the non-compete, non-solicitation and forfeiture provisions of the amended and restated operating agreement of Pzena Investment Management, LLC and receive substantially the same economic rights as if they had not participated in the invitation. We serve as the general partner of PIM LP. Prior to any vote of our common stockholders or of the members of our operating company, the limited partners of PIM LP shall hold a preliminary vote directing us as the general partner of PIM LP how to vote all the Class B units or Class B common stock, as applicable, according to the majority vote of the limited partners of PIM LP. The new structure serves to aggregate employee ownership in one entity and provides certain administrative conveniences, including having employees as members of one entity for accounting and tax reporting purposes and the ease of discussing the ownership structure with third parties.

Tax Receivable Agreement

On October 30, 2007, we entered into a tax receivable agreement, which was amended on November 12, 2012, with each holder of Class B units of Pzena Investment Management, LLC outstanding on that date. The terms of this agreement may also apply to Class B units that have been or may be issued after such date to existing or new Class B members of the operating company. If applicable, any such new Class B members will become parties to this agreement.

This agreement requires us to pay certain holders of Class B units 85% of the amount of cash savings, if any, in U.S. federal, state and local income tax that we actually realize (or are deemed to realize in the case of an early termination payment by us, or a change in control, as discussed below) as a result of the increases in tax basis described above (see “Item 7 — Management’s Discussion and Analysis of Financial Condition and Results of Operations — Tax Receivable Agreement” of our Annual Report on Form 10-K for the fiscal year ended December 31, 2017), and certain other tax benefits related to entering into the tax receivable agreement, including tax benefits attributable to payments thereunder. Cash savings in income tax are computed by comparing our actual income tax liability to the amount of such taxes that we would have been required to pay had there been no increase in our share of the tax basis of the tangible and intangible assets of Pzena Investment Management, LLC.

On December 18, 2017, we entered into an amendment to the tax receivable agreement to remove the requirement for an Advisory Firm Letter as defined therein.

Resale and Registration Rights Agreement

On October 30, 2007, we entered into a resale and registration rights agreement with each holder of Class B units of Pzena Investment Management, LLC outstanding on that date. The terms of this agreement also apply to Class B units that have been or may be issued after such date to existing or new Class B members of the operating company. If applicable, any such new Class B members will become parties to this agreement.

Pursuant to this agreement, any shares of Class A common stock issued upon exchange of Class B units will be eligible for resale pursuant to a registration statement, or the shelf registration statement, subject to the resale timing

and manner limitations described below.

We have shelf registration statements filed with the SEC which register shares of our Class A common stock for resale, as well as for issuance in exchange for Class B units of our operating company. See "Related Party Transactions — Certain Agreements of Pzena Investment Management, Inc. and its Operating Company, Pzena Investment Management, LLC — Amended and Restated Operating Agreement of Pzena Investment Management, LLC — Exchange Rights."

As of October 30, 2011, holders of Class B units are able to exchange their Class B units for shares of our Class A common stock, subject to the exchange timing and volume limitations described above (see "Related Party Transactions — Certain Agreements of Pzena Investment Management, Inc. and its Operating Company, Pzena Investment Management, LLC —

Amended and Restated Operating Agreement of Pzena Investment Management, LLC — Exchange Rights"), and are permitted to sell their shares in any manner, but only at times determined by us, in our sole discretion. We shall provide for at least one exchange date in each twelve-month period, pursuant to which holders of Class A common stock issued upon exchange of vested Class B units can resell such shares of Class A common stock.

In response to certain SEC recommendations regarding our shelf registration statements, we amended our operating agreement during the first quarter of 2012 to remove certain default and other exchange provisions, as further described in the amendment, dated as of March 5, 2012, to the Amended and Restated Operating Agreement of Pzena Investment Management, LLC, dated as of October 30, 2007, by and among Pzena Investment Management, Inc. as the Managing Member of Pzena Investment Management, LLC and those Class B members whose signatures are affixed thereto.

We have agreed to indemnify the holders of Class B units against any losses or damages resulting from any untrue statement, or omission of material fact, in any registration statement or prospectus pursuant to which they may sell the shares of our Class A common stock that they receive upon exchange of their Class B units, unless such liability arose from the selling stockholder's misstatement or omission, and the holders have agreed to indemnify us against all losses caused by their misstatements or omissions. We will pay certain expenses incident to our performance under the registration rights agreement, and the selling stockholders will pay certain other expenses, in addition to their respective portions of all underwriting discounts, commissions and transfer taxes relating to the sale of their shares of Class A common stock pursuant to the registration rights agreement.

Stockholders' Agreement Among Class B Stockholders

On October 30, 2007, we entered into a stockholders' agreement with each holder of Class B common stock outstanding on that date. The terms of this agreement also apply to shares of Class B common stock that have been or may be issued after such date to existing or new Class B members of the operating company. If applicable, any such new Class B common stockholders will become parties to this agreement.

Pursuant to this agreement, each of the Class B common stockholders agreed to vote all their shares of Class B common stock together on any matter submitted to our common stockholders for a vote. Prior to any vote of our common stockholders, this agreement provides for a separate, preliminary vote of the shares of Class B common stock on each matter upon which a vote of all common stockholders is proposed to be taken. In this preliminary vote, the participating Class B common stockholders may vote all of the shares of Class B common stock then owned by them in the manner that each may determine in his, her or its sole discretion. Each Class B common stockholder must then vote all of their shares of Class B common stock in accordance with the vote of the majority of the shares of Class B common stock present (in person or by proxy) and voting in this preliminary vote. In order to give effect to these voting provisions, each of these Class B common stockholders granted Mr. Pzena an irrevocable proxy to vote all their shares of Class B common stock in accordance with the vote of this majority in any vote of our common stockholders. In addition, each holder of shares of Class B common stock has agreed that:

- the holder will not transfer any shares of Class B common stock to any person unless the holder transfers an equal number of Class B units to the same person; and
- in the event the holder transfers any Class B units to any person, the holder will transfer an equal number of shares of Class B common stock to the same person.

This agreement may only be amended with the consent of the holders of a majority of the shares of Class B common stock that are party to the agreement.

PROPOSAL 2: RATIFICATION OF INDEPENDENT AUDITORS

The Audit Committee has appointed PricewaterhouseCoopers LLP as our independent auditors for our fiscal year ending December 31, 2018. Stockholders are being asked to ratify this action of the Audit Committee. Our Board of Directors recommends that stockholders vote FOR the ratification of PricewaterhouseCoopers LLP as our independent auditors for our fiscal year ending December 31, 2018.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting and available to respond to appropriate questions. Such representatives also will have the opportunity, should they so desire, to make a statement to the stockholders.

On March 10, 2017, the Audit Committee approved the engagement of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017. In connection with the selection of PricewaterhouseCoopers LLP on March 10, 2017, the Audit Committee decided not to renew the engagement of KPMG LLP as the Company's independent registered public accounting firm.

During the years ended December 31, 2016 and 2015 and for the period from January 1, 2017 to March 10, 2017, neither the Company nor anyone on its behalf has consulted with PricewaterhouseCoopers LLP with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report nor oral advice was provided to the Company that PricewaterhouseCoopers LLP concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K).

The reports of KPMG LLP on the Company's consolidated financial statements for the years ended December 31, 2016 and 2015 did not contain an adverse opinion or a disclaimer of an opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2016 and 2015 and for the period from January 1, 2017 to March 10, 2017, there were no disagreements (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) with KPMG LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG LLP, would have caused KPMG LLP to make reference to the subject matter of the disagreements in its reports on the consolidated financial statements for such years.

During the years ended December 31, 2016 and 2015 and for the period from January 1, 2017 to March 10, 2017, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

Pre-Approval Policy

The charter of our Audit Committee provides that the Audit Committee shall appoint our independent auditors and shall review and approve, in advance, our independent auditors' annual engagement letter, including the proposed fees contained therein, as well as all audit and all permitted non-audit engagements and relationships between us and our independent auditors. The charter of the Audit Committee further provides that audit and permitted non-audit services may be approved in advance: (i) by the Audit Committee, or by one or more members of the Audit Committee designated by the Audit Committee; or (ii) based on policies and procedures adopted by the Audit Committee, provided that (a) the policies and procedures are detailed as to the particular service, (b) the Audit Committee is informed of each service on a timely basis, (c) such policies and procedures do not include delegation of the Audit Committee's responsibilities to management, and (d) such policies and procedures are disclosed in our annual reports. To date, the Audit Committee has not adopted any policies and procedures relating to the pre-approval of audit and permitted non-audit services.

Notwithstanding the foregoing requirement of the charter of the Audit Committee that audit and permitted non-audit services must be approved in advance, the charter of the Audit Committee provides that pre-approval is not necessary for minor non-audit services if (i) the aggregate amount of all such non-audit services provided to us constitutes not more than 5% of the total revenues paid by us to our auditors during the fiscal year in which the non-audit services are provided; (ii) such services were not recognized by us at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee. We refer to the foregoing as the "De Minimis Exception." None of the services listed above for 2017 and 2016 were approved pursuant to the De Minimis Exception.

OTHER MATTERS

Other Matters to be Considered at the Annual Meeting

The Board of Directors does not know of any other business to be presented at the Annual Meeting and does not intend to bring other matters before the Annual Meeting. Under the advance notice provisions of our by-laws, for business to be properly brought before an annual meeting of stockholders by a stockholder, the stockholder must have given timely notice of the proposal and the proposal must be in proper written form. Our by-laws define what constitutes timely notice and what constitutes proper written form for a stockholder proposal. We have not received any stockholder proposals that comply with the requirements of our by-laws as they relate to stockholders' proposals and, accordingly, no stockholder proposals will be acted upon at the Annual Meeting. Should any other matters come before the meeting, the persons named in the accompanying proxy card are authorized to vote in their discretion on such matters.

Solicitation of Proxies

36

We will bear the cost of solicitation of proxies from our stockholders. In addition to solicitation by mail, the directors and certain officers and employees of our Company may solicit proxies personally. These persons will receive no additional compensation for such services, but will be reimbursed for reasonable out-of-pocket expenses. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of stock, and we will reimburse them for their reasonable out-of-pocket expenses.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC and NYSE reports of ownership on Form 3 and changes in ownership (including changes in ownership of derivative securities representing the right to acquire our securities) on Forms 4 and 5. Such executive officers, directors and greater than 10% shareholders are required by SEC rules to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of such reports and written representations from our directors and executive officers, we believe that all Section 16(a) filing requirements applicable to our directors, executive officers and greater than 10% shareholders were complied with on a timely basis during our fiscal year ended December 31, 2017, except for Forms 4 reporting: the acquisition of 7,650 Phantom Stock relating to Mr. Greenblatt's 2017 Non-Employee Director compensation, the acquisition of 10,000 Class A shares of our Company by Mr. Johnston, and the reporting of 4,700 Class A shares of our Company held by an estate for which Mr. Lipsey acts as personal representative, in each case due to an internal administrative oversight.

Stockholder Proposals for the Next Annual Meeting

In order for a stockholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act to be included in the proxy statement relating to our next annual meeting of stockholders, it must be received by us at our office, 320 Park Avenue, 8th Floor, New York, New York 10022 (Attention: Corporate Secretary), no later than December 5, 2018. If a stockholder intends to present a proposal for consideration at our 2019 annual meeting of stockholders outside of the processes of Rule 14a-8, including nominating candidates for election as directors, notice of such proposal or nomination must be delivered to our office at 320 Park Avenue, 8th Floor, New York, New York 10022 (Attention: Corporate Secretary) not less than 90 nor more than 120 days prior to the anniversary date of the 2018 Annual Meeting of Stockholders. As a result, notice of such proposal or nomination must be received no earlier than January 22, 2019 and no later than February 21, 2019.

Stockholders intending to present a proposal for consideration at an annual meeting outside the processes of Rule 14a-8, including nominating candidates for elections as directors, must comply with the requirements related thereto set forth in our by-laws.

The deadlines above are calculated by reference to the mailing date of the proxy materials for this year's Annual Meeting and the date of this year's Annual Meeting. If the date of next year's annual meeting changes by more than 30 days (i.e., it is held earlier than April 22, 2019 or later than June 21, 2019) we will inform stockholders of such change, and the effect of such change on the deadlines given above, by including notice under Item 5 of Part II in our earliest possible Quarterly Report on Form 10-Q, or, if that is impracticable, by other means reasonably calculated to inform our stockholders of such change and the new deadlines.

Annual Report on Form 10-K of the Company

A copy of our Annual Report on Form 10-K for our fiscal year ended December 31, 2017 is enclosed with this Proxy Statement. The Annual Report on Form 10-K included with this Proxy Statement includes financial statements for our fiscal year ended December 31, 2017, but excludes exhibits. Our Annual Report on Form 10-K, which includes the financial statements and exhibits, is available on our website at www.pzena.com.

We will provide, without charge, to any holder of our shares of common stock as of the Record Date, additional copies of our Form 10-K, including the financial statements, but excluding the exhibits, for our fiscal year ended December 31, 2017. Stockholders who wish to receive an additional copy of our Form 10-K should send their requests to us at 320 Park Avenue, 8th Floor, New York, New York 10022 (Attention: Corporate Secretary). Each such request should include a statement by the person making the request that he or she is a beneficial owner of shares of our common stock as of the Record Date.

Householding Information

The SEC permits companies and intermediaries (such as brokers and banks) to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report to those stockholders. This process, which is commonly referred to as "householding," is intended to reduce the volume of duplicate information stockholders receive and also reduce expenses for companies. While we do not utilize householding, some intermediaries may be householding our proxy materials and our annual reports. Once you have received notice from your broker or another intermediary that they will be householding materials to your address, householding will continue until you are notified otherwise, or until you revoke your consent. If you hold your shares through an intermediary that sent a single copy of this Proxy Statement and a single copy of our Annual Report on Form 10-K for our fiscal year ended December 31, 2017 to multiple stockholders in your household, we will promptly deliver a separate copy of each of these documents to you if you send a written request to us at our principal executive offices located at 320 Park Avenue, 8th Floor, New York, New York 10022 (Attention: Corporate Secretary), or call us at (212) 355-1600. If you hold your shares through an intermediary that is utilizing householding and you want to receive separate copies of our annual report and proxy statement in the future, you should contact your bank, broker or other nominee record holder.

By order of the Board of Directors,
