• statements regarding any terminal use agreement (“TUA”) or other commercial arrangements presently contracted, optioned or marketed, or potential arrangements, to be performed substantially in the future, including any cash distributions and revenues anticipated to be received and the anticipated timing thereof, and statements regarding the amounts of total LNG regasification or liquefaction capacity that are, or may become, subject to TUAs or other contracts;

- statements regarding counterparties to our TUAs, construction contracts and other contracts;

• statements regarding any business strategy, any business plans or any other plans, forecasts, projections or objectives, including potential revenues and capital expenditures, any or all of which are subject to change;
