Included among the major provisions of the law is a change in the tax treatment of the Medicare Part D subsidy. AT&T Inc. ("AT&T") intends to take a non-cash charge of approximately \$1 billion in the first quarter of 2010 to reflect the impact of this change. As a result of this legislation, including the additional tax burden, AT&T will be evaluating prospective changes to the active and retiree health care benefits offered by the company.
