PRESS RELEASE

Veolia Environnement 2012 Dividend

Paris, May 15, 2013. Veolia Environnement's General Shareholders' Meeting, held on May 14, 2013 in Paris, has approved the proposed dividend for the fiscal year 2012 of €0.70 per share and has decided that each shareholder will be allowed to opt to receive the dividend payment in cash or in newly-issued common stock in the Company, the option for payment in shares applying to the entire amount of dividend to which the shareholder is entitled.

The issuance price for the newly-issued common stock which will be issued in consideration for the dividend is set at €8.51. This price is equal to 90% of the average opening prices over the twenty trading sessions on the regulated stock market of NYSE Euronext Paris preceding the date of the General Meeting, less the amount of the dividend that is decided upon in the fourth resolution (i.e. €0.70 per share) and rounded up to the next highest euro cent.

The maximum total number of newly-issued shares which may be issued for the purposes of paying the dividend in shares is 41,773,706, which represents approximately 7.41% of the share capital and 7.60% of the exercisable voting rights in the Company, based on the number of shares in circulation on May 14, 2013 plus the maximum possible number of such newly-issued shares.

The ex-dividend date for the 2012 dividend shall be May 20, 2013,¹ and payment will begin on June 14, 2013.

The shares issued in this manner shall carry entitlement to dividends as from January 1, 2013 and shall be the object of subsequent listing requests on NYSE Euronext Paris and the NYSE. They shall carry the same rights and restrictions as common shares in circulation, as described in the Company's Articles of Association and the 2012 Registration Document/Annual Financial Report available on the Company's internet website (www.finance.veolia.com).

Shareholders may opt for the payment of the dividend in cash or for the payment of the dividend in new shares starting on May 20, 2013 up to and including June 4, 2013, by sending their request to the financial intermediaries that are authorized to pay said dividend or, for shareholders listed in the issuer-registered accounts held by the Company, to its authorized representative (Société Générale, Securities and Stock Market Department, CS 30812 – 44308 Nantes Cedex 3). After the June 4, 2013 deadline, the dividend shall only be paid in cash.²

After the deadline for the option expires, the shareholders who have not opted for payment of the dividend in shares will receive the dividend in cash starting on June 14, 2013. For the shareholders who opted for the payment of the dividend in shares, the shares will be delivered as from the same date.

If the amount of the dividends for which the option is exercised does not correspond to a whole number of shares, shareholders may receive the immediately higher number of shares by paying the difference in cash on the date they exercise the option, or receive the immediately lower number of shares, plus the balance in cash.

¹ The ex-dividend date for ADR holders shall be May 15, 2013.

² ADR holders may be subject to different election and payment dates and should consult the depositary for details.
