On June 19, 2007, Uranerz Energy Corporation held its annual general meeting of the shareholders at the Holiday Inn Denver International Airport (DIA), 15500 East 40th Avenue, Denver, Colorado, 80239 at 10:30 a.m. At the meeting, the shareholders approved an amendment to the Company's Bylaws.

The following describes the material changes to the By-Laws that were made:

Article III, Section 5 Annual Meeting, previously read:

The annual meeting of the stockholders of the corporation, for the purpose of election of directors and for such other business as may lawfully come before it, shall be held on such date and at such time as may be designated from time to time by the Board of Directors

This section was amended to ensure that the annual general meeting is no later than six (6) months following the Corporation's year-end, and now reads:

Annual meetings of the stockholders shall be held each year on a date and time designated by the Board of Directors provided that each annual meeting will be held no later than six (6) months following the Corporation's fiscal year end. At each annual meeting, the stockholders shall elect by vote a Board of Directors and shall transact such other business as may properly be brought before the meeting.

Article III, Section 8 Quorum, previously read, in part:

At all meetings of stockholders, except where otherwise provided by statute or by the Articles of Incorporation, or by these Bylaws, the presence, in person or by proxy duly authorized, of the holder or holders of not less than one percent (1%) of the outstanding shares of stock entitled to vote shall constitute a quorum for the transaction of business.

This section was amended by the Board of Directors, to meet AMEX listing requirements, by increasing quorum requirements and now reads:

At all meetings of stockholders, except where otherwise provided by statute or by the Articles of Incorporation, or by these Bylaws, the presence, in person or by proxy duly authorized, of the holder or holders of not less than thirty-three and one-third percent (33 1/3%) of the outstanding shares of stock entitled to vote shall constitute a quorum for the transaction of business.

Article III, Section 11 Joint Owners of Stock, previously read:

Edgar Filing: URANERZ ENERGY CORP. - Form 8-K

If shares or other securities having voting power stand of record in the names of two (2) or more persons, whether fiduciaries, members of a partnership, joint tenants, tenants in common, tenants by the entirety, or otherwise, or if two (2) or more persons have the same fiduciary relationship respecting the same shares, unless the Secretary is given written notice to the contrary and is furnished with a copy of the instrument or order appointing them or creating the relationship wherein it is so provided, their acts with respect to voting shall have the following effect: (a) if only one (1) votes, his act binds all; (b) if more than one (1) votes, the act of the majority so voting binds all; (c) if more than one (1) votes, but the vote is evenly split on any particular matter, each faction may vote the securities in question proportionally, or may apply to the Nevada Court of Chancery for relief as provided in the General Corporation Law of Nevada, Section 217(b). If the instrument filed with the Secretary shows that any such tenancy is held in unequal interests, a majority or even-split for the purpose of subsection (c) shall be a majority or even-split in interest.

The following was deleted from the end of this section:

or may apply to the Nevada Court of Chancery for relief as provided in the General Corporation Law of Nevada, Section 217(b). If the instrument filed with the Secretary shows that any such tenancy is held in unequal interests, a majority or even-split for the purpose of subsection (c) shall be a majority or even-split in interest.

The following was added to the By-Laws as *Article VII, Section 38 Consideration for Shares*:

The Board of Directors may authorize shares to be issued for consideration consisting of any tangible or intangible property of benefit to the Corporation, including cash, services, assets or other securities of the Corporation, except that neither promissory notes nor future services will constitute valid consideration. A share shall not be issued until the consideration for the share is fully paid in money or in property or past services that is not less in fair equivalent of the money that the Corporation would have received if the share had been issued for money. When the Corporation receives the consideration for which the Board of Directors authorized the issuance of the shares, the shares issued for the consideration shall be fully paid and non-assessable. Directors of the Corporation who vote for or consent to a resolution authorizing the issue of a share for a consideration other than money are jointly and severally liable to the Corporation to make good any amount by which the consideration received is less than the fair equivalent of money that the corporation would have received if the share had been issued for money on the date of the resolution.

Article XI, Section 43 Indemnification of Directors, Executive Officers, Other Officers, Employees and Other Agents, previously read:

The corporation shall indemnify its directors and officers to the fullest extent not prohibited by the Nevada General Corporation Law; provided, however, that the corporation may modify the extent of such indemnification by individual contracts with its directors and officers; and, provided, further, that the corporation shall not be required to indemnify any director or officer in connection with any proceeding (or part thereof) initiated by such person unless (i) such indemnification is

Edgar Filing: URANERZ ENERGY CORP. - Form 8-K

expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the corporation, (iii) such indemnification is provided by the corporation, in its sole discretion, pursuant to the powers vested in the corporation under the Nevada General Corporation Law or (iv) such indemnification is required to be made under subsection (d).

(b) *Employees and Other Agents.* The corporation shall have power to indemnify its employees and other agents as set forth in the Nevada General Corporation Law.

(c) *Expense.* The corporation shall advance to any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director or officer, of the corporation, or is or was serving at the request of the corporation as a director or executive officer of another corporation, partnership, joint venture, trust or other enterprise, prior to the final disposition of the proceeding, promptly following request therefor, all expenses incurred by any director or officer in connection with such proceeding upon receipt of an undertaking by or on behalf of such person to repay said amounts if it should be determined ultimately that such person is not entitled to be indemnified under this Bylaw or otherwise.

Notwithstanding the foregoing, unless otherwise determined pursuant to paragraph (e) of this Bylaw, no advance shall be made by the corporation to an officer of the corporation (except by reason of the fact that such officer is or was a director of the corporation in which event this paragraph shall not apply) in any action, suit or proceeding, whether civil, criminal, administrative or investigative, if a determination is reasonably and promptly made (i) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to the proceeding, or (ii) if such quorum is not obtainable, or, even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, that the facts known to the decision-making party at the time such determination is made demonstrate clearly and convincingly that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the corporation.

(d) *Enforcement.* Without the necessity of entering into an express contract, all rights to indemnification and advances to directors and officers under this Bylaw shall be deemed to be contractual rights and be effective to the same extent and as if provided for in a contract between the corporation and the director or officer. Any right to indemnification or advances granted by this Bylaw to a director or officer shall be enforceable by or on behalf of the person holding such right in any court of competent jurisdiction if (i) the claim for indemnification or advances is denied, in whole or in part, or (ii) no disposition of such claim is made within ninety (90) days of request therefor. The claimant in such enforcement action, if successful in whole or in part, shall be entitled to be paid also the expense of prosecuting his claim. In connection with any claim for indemnification, the corporation shall be entitled to raise as a defense to any such action that the claimant has not met the standard of conduct that make it permissible under the Nevada General Corporation Law for the corporation to indemnify the claimant for the amount claimed. In connection with any claim by an officer of the corporation (except in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such officer is or was a director of the corporation) for advances, the corporation shall be entitled to raise a defense as to any such action clear and convincing evidence that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed in the best interests of the corporation, or with respect to any criminal action or proceeding that such person acted without reasonable cause to believe that his conduct was lawful. Neither the failure of the corporation (including its Board of Directors, independent legal counsel or its

stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in the Nevada General Corporation Law, nor an actual determination by the corporation (including its Board of Directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that claimant has not met the applicable standard of conduct. In any suit brought by a director or officer to enforce a right to indemnification or to an advancement of expenses hereunder, the burden of

Edgar Filing: URANERZ ENERGY CORP. - Form 8-K

proving that the director or officer is not entitled to be indemnified, or to such advancement of expenses, under this Article XI or otherwise shall be on the corporation.

(e) *Non-Exclusivity of Rights.* The rights conferred on any person by this Bylaw shall not be exclusive of any other right which such person may have or hereafter acquire under any statute, provision of the Articles of Incorporation, Bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office. The corporation is specifically authorized to enter into individual contracts with any or all of its directors, officers, employees or agents respecting indemnification and advances, to the fullest extent not prohibited by the Nevada General Corporation Law.

(f) *Survival of Rights.* The rights conferred on any person by this Bylaw shall continue as to a person who has ceased to be a director, officer, employee or other agent and shall inure to the benefit of the heirs, executors and

administrators of such a person.

(g) *Insurance.* To the fullest extent permitted by the Nevada General Corporation Law, the corporation, upon approval by the Board of Directors, may purchase insurance on behalf of any person required or permitted to be indemnified pursuant to this Bylaw.

(h) *Amendments.* Any repeal or modification of this Bylaw shall only be prospective and shall not affect the rights under this Bylaw in effect at the time of the alleged occurrence of any action or omission to act that is the

cause of any proceeding against any agent of the corporation.

(i) *Saving Clause.* If this Bylaw or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the corporation shall nevertheless indemnify each director and officer to the full extent not prohibited by any applicable portion of this Bylaw that shall not have been invalidated, or by any other applicable law.

(j) *Certain Definitions.* For the purposes of this Bylaw, the following definitions shall apply:

(i) The term *proceeding* shall be broadly construed and shall include without limitation, the investigation, preparation, prosecution, defense, settlement, arbitration and appeal of, and the giving of testimony in, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

(ii) The term *expenses* shall be broadly construed and shall include, without limitation, court costs, attorneys' fees, witness fees, fines, amounts paid in settlement or judgment and any other costs and expenses of any nature or kind incurred in connection with any proceeding.

(iii) The term *the corporation* shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to

Edgar Filing: URANERZ ENERGY CORP. - Form 8-K

indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent or another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Bylaw with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.

(iv) References to a director, executive officer, officer, employee, or agent of the corporation shall include, without limitation, situations where such person is serving at the request of the corporation as, respectively, a director, executive officer, officer, employee, trustee or agent of another corporation, partnership, joint venture, trust or other enterprise.

(v) References to other enterprises shall include employee benefit plans; references to fines shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to serving at the request of the corporation shall include any service as a director, officer, employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee, or agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be

deemed to have acted in a manner not opposed to the best interests of the corporation as referred to in this Bylaw.

This section was renumbered to be *Section 46* and amended to alter the procedures for indemnification of officers and directors, and now reads:

(a) *Discretionary Indemnification.* The Corporation may indemnify to the fullest extent permitted by law any person (the Indemnitee) made or threatened to be made a party to any proceeding, by reason of the fact that he or she is or was a director, officer, employee or agent of the Corporation or is or was serving as a director, officer, employee or agent of another entity at the request of the Corporation or any predecessor of the Corporation against judgments, fines, penalties, excise taxes, amounts paid in settlement and costs, charges and expenses that he or she incurs in connection with such proceeding; provided that such indemnification may only be made if the Indemnitee is not liable under Section 78.138 of Chapter 78 of the Nevada Revised Statutes or is determined to have acted in good faith and in a manner which the Indemnitee reasonably believed to be in or not opposed to the best interests of the Corporation (and with respect to any criminal proceeding, the Indemnitee had no reasonable cause to believe his or her conduct was unlawful).

(b) *Mandatory Indemnification.* To the extent that a director, officer, employee or agent of the Corporation has been successful on the merits or otherwise in defense of any proceeding referred to in subsection (a), or in defense of any claim, issue or matter therein, the Corporation shall indemnify him or her against expenses actually incurred in connection with the defense.

(c) *Advancement of Expenses.* The Corporation will, from time to time, reimburse or advance to any Indemnitee the funds necessary for payment of expenses incurred in connection with defending any proceeding for which he or she is indemnified by the Corporation, in advance of the final disposition of such proceeding; provided that the Corporation has received the undertaking of such director or officer to repay any such amount so advanced if it is ultimately determined by a final and unappealable judicial decision that the director or officer is not entitled to be indemnified for such expenses.

(d) *Authorization.* Any discretionary indemnification pursuant to subsection (a), unless ordered by a court or advanced pursuant to subsection (c), may be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances. The determination must be made (i) by the stockholders; (ii) by the Board of Directors by majority vote of a quorum consisting of directors who were not parties to the proceeding; (iii) if a majority vote of a quorum consisting of directors who were not parties to the proceeding so orders, by independent legal counsel in a written opinion; or (iv) if a quorum consisting of directors who were not parties to the proceeding cannot be obtained, by independent legal counsel in a written opinion.

(e) *Inurement.* The right to indemnification will inure whether or not the claim asserted is based on matters that predate the adoption of this Article XI, will continue as to an Indemnitee who has ceased to hold the position by virtue of which he or she was entitled to indemnification, and will inure to the benefit of his or her heirs and personal representatives.

(f) *Other Sources.* The Corporation's obligation, if any, to indemnify or to advance expenses to any Indemnitee who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or other entity will be reduced by any amount such Indemnitee may collect as indemnification or advancement of expenses from such other entity.

(g) *Non-Exclusivity of Rights.* The rights conferred on any person by this Bylaw shall not be exclusive of any other right which such person may have or hereafter acquire under any statute, provision of the Articles of Incorporation, Bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office. The Corporation is specifically authorized to enter into individual contracts with any or all of its directors, officers, employees or agents respecting indemnification and advances, to the fullest extent not prohibited by Chapter 78 of the Nevada Revised Statutes.

(h) *Survival of Rights.* The rights conferred on any person by this Bylaw shall continue as to a person who has ceased to be a director, officer, employee or other agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

(i) *Insurance.* To the fullest extent permitted by Chapter 78 of the Nevada Revised Statutes, the Corporation, upon approval by the Board of Directors, may purchase insurance on behalf of any person required or permitted to be indemnified pursuant to this Bylaw.

(j) *Amendments.* Any repeal or modification of this Bylaw shall only be prospective and shall not affect the rights under this Bylaw in effect at the time of the alleged occurrence of any action or omission to act that is the cause of any proceeding against any Indemnitee.

(k) *Saving Clause.* If this Bylaw or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each Indemnitee to the full extent not prohibited by any applicable portion of this Bylaw that shall not have been invalidated, or by any other applicable law.

(l) *Certain Definitions.* For the purposes of this Bylaw, the following definitions shall apply:

(i) The term *proceeding* shall be broadly construed and shall include, without limitation, the investigation, preparation, prosecution, defense, settlement, arbitration and appeal of, and the giving of testimony in, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (whether or not by or in the right of the Corporation).

(ii) The term *expenses* shall be broadly construed and shall include, without limitation, court costs, attorneys' fees and disbursements, witness fees, fines, amounts paid in settlement or judgment and any other costs and expenses of any nature or kind incurred in connection with any proceeding.
