Item 8.01 Other Events.

Effective February 8, 2010, Argan, Inc. (the Company) appointed Daniel L. Martin as President of its wholly owned subsidiary, Gemma Power Systems, LLC (Gemma).

Mr. Martin has more than 28 years of experience with project management, engineering, design, sourcing and procurement, construction and start-up of utility, industrial and independent power plants in the U.S. and internationally. Most recently, Mr. Martin was Senior Vice President and General Manager of the operating division in Reading, Pennsylvania, for WorleyParsons, a provider of professional services to the energy sector. In that capacity, Mr. Martin was responsible for the performance of the division, which conducts preliminary engineering, detailed design, procurement, construction management and other support services for electric generating facilities including those operating on fossil, nuclear and renewable fuels. In his previous role, Mr. Martin had the opportunity to work with Gemma on several combined cycle power plant projects. He holds a Bachelor of Science degree in Mechanical Engineering from Purdue University; a Master of Science degree in Mechanical Engineering from the University of Illinois; an MBA from Boston University and is a graduate of the Advanced Management Program at Harvard Business School.

Mr. Martin will report to William F. Griffin, Chief Executive Officer of Gemma.
