PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON JUNE 1, 2004

SOLICITATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Citizens, Inc., for use at the Annual Meeting of Shareholders to be held Tuesday, June 1, 2004, at 10:00 a.m., local time, (the "Meeting") at our Executive Office located at 400 East Anderson Lane, Austin, Texas. This Proxy Statement and the enclosed proxy card were sent to our shareholders on or about April 30, 2004.

The following matters will be acted on at our Meeting:

- ELECT THE MEMBERS OF OUR BOARD OF DIRECTORS;
- RATIFY THE APPOINTMENT OF THE INDEPENDENT AUDITOR; AND

Edgar Filing: CITIZENS INC - Form DEF 14A

- TRANACT SUCH OTHER BUSINESS AS MAY PROPERLY COME BEFORE THE MEETING OR ANY ADJOURNMENT THEREOF.

You are requested to complete the enclosed proxy card, sign where indicated, and return it to the Transfer Agent in the envelope provided, which requires no postage if mailed in the United States. Solicitation of proxies will be primarily through the mail. Proxies may also be solicited by personal solicitation, telephone or telegram, by our directors, officers and employees at no additional cost to us. We will also request banking institutions, brokerage firms, custodians, trustees, nominees and fiduciaries to forward soliciting material to the beneficial owners of our common stock held of record by such persons, firms, or institutions, and we will reimburse the forwarding expense. The cost of this solicitation will be borne by us.

PROXIES

Shares represented by properly executed proxies received by us prior to the Meeting will be voted as specified thereon. If a proxy fails to specify how it is to be voted on any proposal it will be voted FOR the director nominees listed in this proxy statement, FOR the ratification of the appointment of the independent directors, and at the discretion of the proxy holder with respect to any other business as may properly come before the meeting. A person giving a proxy shall have the power to revoke it at any time before it is voted by notifying our Secretary in writing or by personally withdrawing such proxy at the Meeting. With regard to election of directors, votes may be cast in favor or withheld; votes that are withheld will be excluded

entirely from the vote and will have no effect. Brokers who have not received instructions from their customers in uncontested elections may vote in the election of directors shares held in street name.

RECORD DATE

Only shareholders of record at the close of business on April 23, 2004 are entitled to vote at the Meeting. As of the record date, we had outstanding and entitled to vote 34,935,419 Class A shares of common stock and 874,935 Class B shares of common stock.

QUORUM AND VOTING

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of each class of our common stock entitled to vote at the Meeting is necessary to constitute a quorum for that particular class of common stock at the Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. If a quorum is not present or represented at the Meeting, the Shareholders entitled to vote thereat, present in person or represented by proxy, have the power to adjourn or recess the Meeting from time to time for up to thirty (30) days without notice, other than announcement at the Meeting, until a quorum is present or represented. At such reconvened Meeting at which a quorum is present or represented, any business may be transacted which might have been transacted at the Meeting as originally noticed.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

We have two classes of common stock. Both classes of common stock are equal in all respects, except that (i) Class B common shareholders elect a simple majority of the Board of Directors of the Company and Class A common shareholders elect the remaining directors; and (ii) Class A shareholders are entitled to receive, on a per-share basis, twice the cash dividends paid on a

Edgar Filing: CITIZENS INC - Form DEF 14A

per-share basis to Class B shareholders. Each outstanding share of common stock has one vote in all matters to be considered at the Meeting. In the election of directors, the nominees receiving the highest number of votes cast in their favor will be elected to our board, subject to the right of the Class B shareholders to elect a simple majority of the directors.

At the Special Meeting of Shareholders on March 4, 2004, shareholders approved an amendment to the Articles of Incorporation to create an authorized class of 25,000,000 shares of preferred stock available for future issuance in series with terms and preferences designated by our Board of Directors. Such preferred stock has been authorized but not issued.

Management knows of no matters to be submitted at the Meeting with respect to which the shareholders are entitled to vote, other than the proposals described in this proxy statement. In the event other matters properly come before the Meeting, the persons named in the proxy will vote according to their best judgment.

The following table shows, as of April 23, 2004, certain information with regard to the beneficial ownership of our Common Stock:

- by each of our executive officers and directors,
- by all of our executive officers and directors as a group, and
- by each person who is known by us to own beneficially more than 5% of our outstanding common stock.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

Our business affairs are conducted under the direction of our Board of Directors. The Board of Directors held four (4) meetings during 2003, at which all directors were present except for Timothy T. Timmerman who missed one meeting. We do not have an "attendance policy," although our directors are expected to attend Board Meetings.

To assist it in carrying out its duties, the Board has delegated certain authority to four separately-designated standing committees whose functions are described below:

Edgar Filing: CITIZENS INC - Form DEF 14A

AUDIT COMMITTEE

Members at December 31, 2003: Directors Scott, Gage and Timmerman

Number of Meetings in 2003: four

Functions:

- Assists the Board in fulfilling its oversight responsibilities as they relate to the Company's accounting policies, internal controls, financial reporting practices and legal and regulatory compliance;
- Hires the independent auditors;
- Monitors the independence and performance of the Company's independent auditors and internal auditors;
- Maintains, through regularly scheduled meetings, a line of communication between the Board and the Company's financial management, internal auditors and independent auditors; and
- Oversees compliance with the Company's policies for conducting business, including ethical business standards.

The Board of Directors adopted a restated Audit Committee Charter in November 2002 and subsequently amended and restated the charter on April 22, 2004. The charter as in effect is attached to this proxy statement as Exhibit A and is posted on our website at www.citizensinc.com.

Our Board of Directors has determined that Dr. Richard C. Scott is qualified as an "audit committee financial expert" as that term is defined in the rules of the Securities and Exchange Commission. Dr. Scott served as Dean of Hankamer School of Business of Baylor University from 1972 to 1977; from 1971 to 1972 he was the Associate Dean, Director of Graduate Studies, Professor of Management, Hankamer School of Business, Baylor University. He also has been Associate Professor of Management, Director of Special Programs, Hankamer School of Business, Baylor University, since 1964.

Our Class A common stock is listed for trading on the New York Stock Exchange. Pursuant to NYSE rules, the Audit Committee is to be comprised of three or more directors as determined by the Board of Directors, each of whom shall be "independent". Our Board of Directors has determined that all of the members of the Audit Committee are independent, as defined in the listing standards of the NYSE and the rules of the SEC.

COMPENSATION COMMITTEE

Members at December 31, 2003: Directors Scott, Shelton and Timmerman

Number of Meetings in 2003: One

Functions:

Edgar Filing: CITIZENS INC - Form DEF 14A

- Prepares the report of the Committee on executive compensation.

The Compensation Committee's policy is to offer the executive officers competitive compensation packages that will permit us to attract and retain individuals with superior abilities and to motivate and reward such individuals in an appropriate fashion in the long-term interests of the company and its shareholders. Currently, executive compensation is comprised of salary and a qualified profit-sharing plan.

EXECUTIVE COMMITTEE

Members at December 31, 2003: Directors Harold E. Riley, Gage and Timmerman

Number of Meetings in 2003: 10

Functions:

- Authority to manage the business affairs of the company;
- May not take action when majority of all members of the Board is required by law or by our Articles of Incorporation or Bylaws; and
- Material actions by the committee are subsequently reviewed by the Board.

NOMINATING/CORPORATE GOVERNANCE FUNCTIONS

Our Board of Directors does not maintain a nominating/corporate governance committee with respect to (i) identifying, evaluating or recommending candidates for our Board of Directors, and (ii) shaping the corporate governance of the company. Instead, these functions are performed by the full Board of Directors. Our Board does not maintain a nominating committee for the following reasons:

- We are considered to be a "controlled" company since the majority of the members on our Board of Directors are elected by our Chairman, Harold E. Riley, through his beneficial ownership of all of our outstanding Class B common shares. Under NYSE rules, "controlled" companies are not required to maintain a nominating committee.
- We are a mid-size company and we do not maintain a large number of directors as do many larger public companies; thus, we do not require a special committee whose sole purpose is to identify and evaluate a large director candidate pool or prepare corporate governance rules.
- A majority of the directors on our Board of Directors are considered to be independent; thus, we believe that the nominating duties and corporate governance rules with respect to the Class A directors can be accomplished in a disinterested manner by our entire Board of Directors.

Our Board of Directors will consider a candidate for a Class A director position proposed by a shareholder. A candidate must be highly qualified in terms of business experience and be both willing and expressly interested in serving on the Board. A shareholder wishing to propose a candidate for the Board's consideration should forward the candidate's name and information about the candidate's qualifications to Citizens, Inc., Board of Directors, 400 East Anderson Lane, Austin, Texas 78752, Attn.: Mark A. Oliver. Submissions must include sufficient biographical information concerning the recommended individual, including age, employment history for at least the past five years indicating employer's names and description of the employer's business, educational background and any other biographical information that would assist the Board in determining the qualifications of the individual. The Board will consider recommendations received by a date not later than 120 calendar days

Edgar Filing: CITIZENS INC - Form DEF 14A

before the date our proxy statement was released to shareholders in connection with the prior year's annual meeting for nomination at that annual meeting. The Board will consider nominations received beyond that date at the annual meeting subsequent to the next annual meeting.

The Board evaluates nominees for directors recommended by shareholders in the same manner in which it evaluates other nominees for directors. Minimum qualifications include the factors discussed above.

CODE OF ETHICS

Our Board of Directors has adopted a Code of Business Conduct and Ethics ("Code"), which we have posted on our web site located at www.citizensinc.com. You may also obtain a copy of our Code by requesting a copy in writing at 400 East Anderson Lane, Austin, Texas 78752 or by calling us at 512-837-7100.

Our Code provides general statements of our expectations regarding ethical standards that we expect our directors, officers and employees to adhere to while acting on our behalf. Among other things, the Code provides that:

- We will comply with all laws, rules and regulations;
- Our directors, officers and employees are to avoid conflicts of interest and are prohibited from competing with us or personally exploiting our corporate opportunities;
- Our directors, officers and employees are to protect our assets and maintain our confidentiality;
- We are committed to promoting values of integrity and fair dealing; and
- We are committed to accurately maintaining our accounting records under generally accepted accounting principles and timely filing our periodic reports.

Our Code also contains procedures for our employees to report, anonymously or otherwise, violations of the Code.

COMPENSATION COMMITTEE

REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee, which is composed of three outside directors, makes recommendations to the Board concerning the compensation of our company's executive officers. In order to make such recommendations, toward the end of each year, the Committee evaluates our company's performance relative to its business plan and similar companies. Additionally, each executive officer's contribution to the company's achievements during the year is evaluated.

The goal of the Compensation Committee is to ensure that the company employs qualified, experienced executive officers whose financial interest is aligned with that of the shareholders. The Committee considers general industry practice, tax effects and other factors in structuring executive compensation awards.

Salaries for each of the company's executive officers are determined by taking into consideration performance, length of tenure with the company, compensation by industry competitors for comparable positions and career achievements. These

Edgar Filing: CITIZENS INC - Form DEF 14A

items were used as bases for compensation paid to our Chief Executive Officer in 2003, although no one factor was specifically used in reviewing any relationship of our performance to our Chief Executive Officer's compensation for 2003. Salaries paid within the industry are weighted more heavily in setting base salary levels. No bonus or stock option plans exist; however, there is a profit sharing plan, where distribution is based on tenure. In the recommendation for their compensation for the coming year, other factors considered were the operating results of the company during 2003, as well as the general state of the economy and wages and salaries in general. The Committee also believes that the cash compensation paid to the company's Chairman and its Chief Executive Officer is designed to closely align their interests with those of the shareholders and that their compensation is related directly to their performance as individuals with considerable experience and ability in the insurance industry.

Harold E. Riley was elected Chairman of the Board and Chief Executive Officer in 1987, although as the founder of the company, his tenure begins in 1968. In October 2000, he relinquished the position of Chief Executive Officer to Rick D. Riley, while remaining as Chairman. Harold Riley and Rick Riley are currently employed by the company on an "at-will" basis. In evaluating the performance during the last three fiscal years and using the above criteria, the Committee considered the significant role Harold Riley has played in the development of the company's various operating and marketing programs, as well as his experience in the merger and acquisition area and his overall management expertise. Additionally, Rick Riley's significant industry experience was considered. The Compensation Committee noted that during 2003 the acquisitions of First Alliance Corporation and Mid-American Alliance Corporation were successfully negotiated and concluded. After discussing and considering all of these factors, it was the recommendation of this committee that these individuals' salaries, along with those of other members of executive management of the company remain unchanged for 2004.

CERTAIN REPORTS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16 of the Securities Exchange Act of 1934 requires that our directors, executive officers and persons who own more than ten percent of a registered class of our equity securities file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based solely upon a review of such reports and amendments thereto furnished to us, we believe that during 2003, all reports were filed on a timely basis, except that Ray A. Riley failed to report stock investment plan purchases in a Form 4 filed by him in December 2003. Those purchases were subsequently reported in a timely filed Form 5.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee of the Company considered the performance and qualifications of KPMG LLP, Certified Public Accountants, and has reappointed the firm as our independent auditors for the year 2004.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF APPOINTMENT OF KPMG LLP AS INDEPENDENT AUDITORS.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

During 2003 and 2002, we paid the following fees to our principal accountants:

	2003	2002
	-----	-----
Audit Fees	\$ 344,387	\$ 149,500
Audit Related Fees	-0-	-0-
Tax Fees	85,125	170,741
All Other Fees	-0-	-0-
	-----	-----
	\$ 429,512	\$ 320,241
	=====	=====

To help assure independence of the independent auditors, the Audit committee has established a policy whereby all audit, review, attest and non-audit engagements of the principal auditor or other firms must be approved in advance by the Audit Committee; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable Securities and Exchange Commission rules. This policy is set forth in our Amended Audit Committee charter, a copy of which is attached to this proxy statement. Of the fees shown in the table which were paid to our principal accountants in 2003, 100% were approved by the Audit Committee. SEC regulations and company policy did not require pre-approval for non-audit services prior to 2003.

AUDIT COMMITTEE REPORT

Our Audit Committee reports to and acts on behalf of the Board of Directors by providing oversight of our financial management, independent auditors and financial reporting procedures. The Audit Committee Charter was adopted in 2000. The Audit Committee Charter was updated in November 2002 and

Edgar Filing: CITIZENS INC - Form DEF 14A

restated in April 2004 in order to meet the new requirements of Sarbanes-Oxley Act of 2002.

Management is responsible for preparing our financial statements and the independent auditors are responsible for auditing those financial statements. The Audit Committee is responsible for overseeing the conduct of these activities by the Company's management and the independent auditors. The Audit Committee is also responsible for establishing procedures to address complaints regarding accounting, internal control or auditing issues, as well as the anonymous submission by employees of concerns regarding accounting or auditing matters. In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"), and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors.

Dr. Richard C. Scott, the financial expert of the Audit Committee, as well as the other members of the Audit Committee, are independent directors as defined in the rules of the New York Stock Exchange. The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including auditor independence. The members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by our management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America, that the financial statements are presented in accordance with GAAP, or that our auditors are in fact "independent".

The Committee has discussed with KPMG LLP, the independent auditor's matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the independent auditors provided to the Audit Committee the written disclosures required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee and the independent auditors have discussed the auditors' independence from us and our management, including the matters in those written disclosures. Additionally, the Committee considered the financial information systems services and other non-audit services provided by the independent auditors and the fees and costs billed and expected to be billed by the independent auditors for those services (as shown below). The Committee has discussed with management the procedures for selection of consultants and the related competitive

bidding practices and fully considered whether those services provided by the independent auditors are compatible with maintaining auditor independence.

The Committee has discussed with our independent auditors their evaluations of our internal accounting controls and the overall quality of our financial reporting.

In reliance on the reviews and discussions with management and the independent auditors referred to above, the Audit Committee recommended to the Board of Directors and the Board has approved, the inclusion of the audited financial statements in our Annual Report on Form 10-K for the fiscal year ended

Edgar Filing: CITIZENS INC - Form DEF 14A

December 31, 2003, for filing with the Securities and Exchange Commission. The Audit Committee also recommended to the Board of Directors, and the Board has approved the selection of KPMG LLP, as our independent auditors for 2004. A member of KPMG LLP, is expected to attend the Meeting and will have the opportunity to make a statement, if desired. Such member will also be available to respond to appropriate questions of Shareholders.

Edgar Filing: CITIZENS INC - Form DEF 14A

KPMG LLP, 717 North Harwood Street, Suite 3100, Dallas, Texas 75201, is our principal independent auditor. A representative of KPMG LLP, will be present at the Annual Meeting of Shareholders to answer questions and make any desired statement.

ANNUAL REPORT AND OTHER MATERIAL

A copy of our Annual Report to Shareholders has been mailed under separate cover. A copy of the report of the Compensation Committee and the Audit Committee of the Board of Directors and a Performance Graph regarding stockholder return accompany this Proxy Statement. NO PART OF SUCH MATERIAL IS INCORPORATED HEREIN AND NO PART THEREOF IS TO BE CONSIDERED PROXY-SOLICITING MATERIAL.

SHAREHOLDER PROPOSALS

Under the rules of the SEC, if a shareholder wants us to include a proposal in our Proxy Statement and form of proxy for presentation at our 2005 Annual Meeting of Shareholders, the proposal must be received by us at our principal executive offices at 400 East Anderson Lane, Austin, Texas 78752 by January 2, 2005. The proposal should be sent to the attention of our Secretary.

The SEC also sets forth procedures under which shareholders may make proposals outside of the process described above or to introduce an item of business at an Annual Meeting of Shareholders. These procedures require that shareholders must submit items of business in writing to our Secretary at our principal executive offices. We must receive the notice of your intention to propose an item of business at our 2005 Annual Meeting no later than 45 days in advance of the 2005 Annual Meeting if it is being held within 30 days preceding the anniversary date (June 1, 2004) of this year's meeting.

For any other meeting, the item of business must be received by the tenth day following the date of public disclosure of the date of the meeting. These requirements are separate from and in addition to the SEC's requirements described in the first paragraph of this section relating to including a proposal in our proxy statements.

Our Annual Meeting of Shareholders is generally held on the first Tuesday in June. Assuming that our 2005 Annual Meeting is held on schedule, we must receive notice of your intention to introduce a nomination or other item of business at that meeting by April 8, 2005.

In order to curtail controversy as to the date on which a proposal was received by us, it is suggested that proponents submit their proposals by certified mail-return receipt requested. Such proposals must also meet the other requirements established by the Securities and Exchange Commission for shareholder proposals.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Because of we are a mid-size company, to date we have not developed formal processes by which shareholders may communicate directly with directors. Instead, we believe that our informal process by which any communication sent to the Board of Directors either generally or in care of a corporate officer, has served the shareholders' needs. In view of recently adopted SEC disclosure requirements related to this issue, the Board of Directors expects to review in the coming months whether more specific procedures are required. Until any other procedures are developed and posted on our web site at www.citizensinc.com, any communication to the Board of Directors may be mailed to:

Edgar Filing: CITIZENS INC - Form DEF 14A

Citizens, Inc.
Board of Directors (or committee name or Director's name as appropriate)
400 East Anderson Lane
Austin, Texas 78752

Shareholders should clearly note on the mailing envelope that the letter is a "Shareholder-Board Communication." All such communications should identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board of Directors or just certain specified individual directors.

MARCIA F. EMMONS, SECRETARY

C. AUTHORITY AND RESPONSIBILITIES

General

The Audit Committee shall discharge its responsibilities, and shall assess the information provided by the Company's management and the independent auditor, in accordance with its business judgment. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements. The authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Audit Committee to plan or conduct any audit, to determine or certify that the Company's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee the independent auditor's report.

Oversight of Independent Auditors

1. Selection. The Audit Committee shall be solely and directly responsible for appointing, evaluating, retaining and, when necessary, terminating the engagement of the independent auditor. In its evaluation of the independent auditor, the Audit Committee shall present its conclusions with respect to the independent auditor to the full Board of Directors. The Audit Committee shall also, with respect to its review of the independent auditor, review and evaluate the lead partner and other senior members of the independent auditor. The Audit Committee shall take into account the opinions of management and the Company's internal auditors. The Audit Committee may, in its discretion, seek stockholder ratification of the independent auditor it appoints.
2. Independence. The Audit Committee shall take, or recommend that the full Board of Directors take, appropriate action to oversee the independence of the independent auditor. In connection with this responsibility, the Audit Committee shall obtain and review a formal

Edgar Filing: CITIZENS INC - Form DEF 14A

written statement from the independent auditor describing all relationships between the independent auditor and the Company, including the disclosures required by Independence Standards Board Standard No. 1. The Audit Committee shall actively engage in dialogue with the independent auditor concerning any disclosed relationships or services that might impact the objectivity and independence of the auditor.

3. Additional Independence Procedures. The Audit Committee shall:
 - confirm the regular rotation of the lead audit partner and reviewing partner as required by Section 203 of the Sarbanes-Oxley Act;
 - confirm that the CEO, controller, CFO, and CAO (or other persons serving in similar capacities) were not employed by the independent auditor, or if employed, did not participate in any capacity in the audit of the Company, in each case, during the one-audit-year period preceding the date of initiation of the audit, as required by Section 206 of the Sarbanes-Oxley Act; and
 - annually consider whether, in order to assure continuing auditor independence, there should be regular rotation of the independent audit firm.
4. Quality Control Review. Obtain and review a report from the independent auditor at least annually regarding (a) the auditor's internal quality-control procedures, (b) any material issues raised by the most recent quality-control review, or peer review, of the firm, (c) any steps taken to deal with any such issues, and (d) all relationships between the independent auditor and the Company. Evaluate the qualifications, performance and independence of the independent auditor, including considering whether the auditor's quality controls are adequate and whether the types of non-audit services provided are compatible with maintaining the auditor's independence.
5. Compensation. The Audit Committee shall have sole and direct responsibility for setting the compensation of the independent auditor. The Audit Committee is empowered, without further action by the Board of Directors, to cause the Company to pay the compensation of the independent auditor established by the Audit Committee. As part of its evaluation of compensation for the independent auditor, the Audit Committee shall compare the fees paid for audit services to those paid by peer companies as a means of assessing whether the scope of audit work is sufficient.
6. Preapproval of Services. The Audit Committee shall preapprove all audit services to be provided to the Company, whether provided by the principal auditor or other firms, and all other services (review, attest and non-audit) to be provided to the Company by the independent auditor; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable SEC rules.
7. Oversight. The independent auditor shall report directly to the Audit Committee, and the Audit Committee shall have sole and direct responsibility for overseeing the work of the independent auditor, including resolution of disagreements between Company management and

11. Independent Auditor Review of Interim Financial Statements. The Audit Committee shall direct the independent auditor to use its best efforts to perform all reviews of interim financial information prior to disclosure by the Company of such information and to discuss promptly with the Audit Committee and the Chief Financial Officer any matters identified in connection with the auditor's review of interim financial information which are required to be discussed by applicable auditing standards. The Audit Committee shall direct management to advise the Audit Committee in the event that the Company proposes to disclose interim financial information prior to completion of the independent auditor's review of interim financial information.
12. Earnings Release and Other Financial Information. The Audit Committee shall discuss generally the types of information to be disclosed in the Company's earnings press releases, as well as in financial information and earnings guidance provided to analysts, rating agencies and others.

16. Related-Party Transactions. The Audit Committee shall review all related party transactions on an ongoing basis, and all such transactions must be approved by the Audit Committee.
