**ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.**

The Common Stock beneficially owned by the Reporting Persons is currently beneficially owned by Willis Capital, L.L.C. Willis Capital, L.L.C., pursuant to the Open Wheel Racing Operating Agreement dated August 15, 2003 (the Operating Agreement ), a copy of which is attached hereto as Exhibit 99.3, has agreed to contribute its shares of Common Stock towards its capital contribution to Open Wheel Racing. The other members of Open Wheel Racing will contribute cash. Mr. Kalkhoven will use personal funds to fund the obligation of 21st Century Racing Holdings LLC; the obligation of Big Bang Racing LLC will be funded by capital contribution from its members, who will in turn use personal funds or working capital. Open Wheel Racing intends to use the capital contributions of its members to fund the proposed acquisition of CART.

**ITEM 4. PURPOSE OF TRANSACTION.**

The purpose of forming Open Wheel Racing is to acquire all outstanding stock and attached rights of CART. Open Wheel Racing offered to acquire all the outstanding Common Stock and attached rights, together with any other securities convertible into or exercisable for capital stock of CART, for a total of \$7.4 million in cash (the Acquisition ). If Open Wheel Racing and CART are able to reach agreement on the terms of the Acquisition, the Acquisition would be effected by a reverse triangular merger, tender offer or other method selected by Open Wheel Racing and CART. Open Wheel Racing's proposal is set forth in an offer letter sent to the CART Board of Directors on August 15, 2003 outlining its offer (the Offer Letter ), attached hereto as Exhibit 99.1.

The offer price is less than the market price of Common Stock on the date of the offer letter. The offer price reflects the fact that CART will require significant additional capital to maintain its ongoing operations. The Reporting Persons believe that if such capital were raised through an equity financing, even if such equity financing were possible, CART shareholders would likely suffer sufficient dilution to reduce the market price of the Common Stock to less than the

## **Table of Contents**

offer price. If a third party, which intends to continue to operate the business of CART makes a superior offer, the Reporting Persons at present intend to support such superior offer.

The Offer Letter sets forth a number of conditions to the willingness of Open Wheel Racing to pursue the Acquisition, including without limitation the ability of the parties to reach agreement on a definitive agreement, resolution of certain litigation, and the satisfactory completion of due diligence. The Offer Letter contemplates that the transaction would proceed only with the approval of the Board of Directors (including a majority of the disinterested directors) after receipt of a fairness opinion, and approval of holders of a majority of voting shares not held by members of Open Wheel Racing.

The Offer Letter does not commit either CART or Open Wheel Racing to complete the Acquisition; rather, such a commitment will arise only if the parties reach agreement on a definitive agreement. However, the Offer Letter does require CART, if accepted, to notify Open Wheel Racing of any other proposals to acquire CART, as more particularly provided in the Offer Letter. The Reporting Persons expect to discuss their proposal to acquire the Common Stock with the management and board of directors of CART. The Reporting Persons reserve the right to modify their proposal in any way as a result of these discussions, or to withdraw the proposal at any time.

The Reporting Persons believe that an Acquisition presents the best opportunity to continue the CART racing series, including the support series. The Reporting Persons would like CART to continue to provide a forum for open-wheel racing in North America and worldwide. The Reporting Persons believe that CART's format, which features racing events on superspeedways, ovals, temporary street courses in urban settings and permanent road courses, can be successful with the proper organizational and capital structure.

As a result, if Open Wheel Racing completes the Acquisition, Open Wheel Racing intends to continue to operate the business of CART, including continuing to sanction the motorsports series currently known as Bridgestone Presents the Champ Car World Series Powered by Ford. In order to improve the financial outlook for CART, the Reporting Persons are considering several actions. These possible actions focus on three constituencies: fans, sponsors and teams. For the fans, these actions include seeking to broaden the fan base by maintaining the current series format as well as entering into strategic agreements with other parties (including Motorock) to organize and conduct music festivals, concerts, events and contests in conjunction with CART racing events. The Reporting Persons plan to provide enhanced value to sponsors by increasing the fan base both at race venues and via other broadcast mediums. The Reporting Persons believe that the financial interests of the teams are best promoted by creating a stable business environment to allow the successful operation of the teams over the long term. In order to keep the racing and support series operating, the Reporting Persons may consider taking additional actions including evaluating the racing schedule to support the focus areas of fans, sponsors and teams, expanding promoter relationships and increasing the number of street races in the racing series. The Reporting Persons' first priority for CART is to stabilize its financial outlook. Members of Open Wheel Racing have committed initial additional funding of \$15,000,000 by Open Wheel Racing after the Acquisition; this commitment would enable Open Wheel Racing to provide additional funding to CART.

If the proposed Acquisition is completed, Open Wheel Racing, as the sole stockholder of CART, may (and, in fact, expects to) change the present board of directors and management of CART. Open Wheel Racing may also make changes to CART's charter or bylaws or take other actions that may impede the acquisition of control of CART by another person. Upon completion of the Acquisition, the Common Stock would become eligible for termination of registration pursuant to Section 12(g)(4) of the Act and the Common Stock would be delisted.

### **ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.**

(a) The Reporting Persons beneficially own an aggregate of 3,377,400 shares of Common Stock, representing approximately 22.9% of the outstanding shares of Common Stock based on 14,718,134 shares outstanding as reported by CART in its Quarterly Report on Form 10-Q for the quarter ended June 30, 2003.

(b) As of the date of filing, the shares that are the subject of this Schedule 13D are currently held by Mr. Forsythe, Forsythe Racing, Inc., IES, and Indeck-Illion. Such parties have committed to contribute their Common Stock to Willis Capital, L.L.C. Once the shares have been contributed, Willis Capital, L.L.C., will have the sole power to vote and dispose of 3,377,400 shares of Common Stock until such Common Stock is contributed

to Open Wheel Racing Series LLC, subject to the limitations in the Operating Agreement and the Voting Agreements described in Item 6 below. Mr. Forsythe is the sole manager of Willis Capital, L.L.C.

- (c) The Reporting Persons have not made any purchases of CART Common Stock over the past 60 days.
- (d) Not applicable.
- (e) Not applicable.

**ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER**

Pursuant to a letter delivered to Mr. Forsythe by the CART Board of Directors on August 11, 2003 (the August 11 Letter ), attached hereto as Exhibit 99.2, the CART Board of Directors approved the formation of a group for purposes of formulating an acquisition proposal, provided that if the acquisition proposal is abandoned, withdrawn or rejected by the board, such group will disband.

On August 15, 2003, 21st Century Racing Holdings LLC, Big Bang Racing LLC, and Willis Capital, L.L.C., executed the Operating Agreement, attached hereto as Exhibit 99.3. The Operating Agreement, together with the other agreements referred to in this Schedule 13D, represents the agreement among the Reporting Persons relating to the Acquisition. The Operating Agreement also restricts Willis Capital, L.L.C.'s ability to transfer any Common Stock it holds and to the extent such shares are not subject to the Voting Agreements described below, to vote such Common Stock as directed by Open Wheel Racing.

The shares currently owned by Willis Capital, L.L.C. are subject to voting agreements with CART dated October 16, 2002, and September 11, 2002 (the Voting Agreements ), pursuant to which all Common Stock acquired in excess of 15% of the outstanding stock must be voted consistent with the recommendation of the CART Board of Directors on all strategic matters for a period of three years. Other than the Operating Agreement and the Voting Agreements, the Common Stock beneficially owned by the Reporting Persons is not pledged or otherwise subject to a contingency the occurrence of which would give a person (other than Open Wheel Racing) voting power or investment power over such stock.
