Long-Term Incentive Award

On February 28, 2017, the Compensation Committee of the Board of Directors (the “Committee”) of OneBeacon Insurance Group, Ltd. (the “Company”) approved the grant of performance unit awards to each of our named executive officers. The awards were made under the OneBeacon 2017 Long-Term Incentive Plan (the “2017 Plan”), and were conditioned on our members’ approval of the 2017 Plan. Our members approved the 2017 Plan at the Company’s annual general meeting on May 24, 2017.

The performance unit awards vest based on performance achievement for the 2017-2019 performance cycle as well as continued employment through the end of the performance cycle (subject to earlier vesting upon a termination of employment due to death, disability or retirement, or an involuntary or constructive termination following a change in control). The performance objective is generally the average of the Company’s combined ratio for 2017, 2018 and 2019. The awards made to our President and Chief Executive Officer and Executive Vice President and Chief Financial Officer include performance objectives based on combined ratio and growth in book value per common share (provided, that following the closing of the merger of the Company with Intact Financial Corporation (“Intact”), announced on May 2, 2017, the performance objective for such awards will be based on combined ratio only). Performance achievement against target goals will be determined by the Committee following the end the performance cycle, and the number of performance units actually awarded at that time may range from 0% to 200% of the target number of performance units granted. The target number of performance units granted to each of our named executive officers was as follows: T. Michael Miller, President and Chief Executive Officer, 26,250 performance units; Paul H. McDonough, Executive Vice President and Chief Financial Officer, 4,500 performance units; Paul J. Brehm, Executive Vice President, 4,500 performance units; Dennis A. Crosby, Executive Vice President, 12,750 performance units; and Maureen A. Phillips, Senior Vice President and General Counsel, 3,750 performance units. Each performance unit has a fixed value of \$100 at grant.

Retention Agreements

On May 24, 2017, the Company entered into retention agreements with each of its named executive officers for the following amounts: T. Michael Miller, President and Chief Executive Officer, \$10,000,000; Paul H. McDonough, Executive Vice President and Chief Financial Officer, \$2,700,000; Paul J. Brehm, Executive Vice President, \$3,000,000; Dennis A. Crosby, Executive Vice President, \$4,000,000; and Maureen A. Phillips, Senior Vice President and General Counsel, \$1,200,000. These bonuses were awarded in recognition of the leadership and efforts demonstrated by these officers, leading to the execution of the Agreement and Plan of Merger, dated as of May 2, 2017, among the Company, Intact, Intact Bermuda Holdings, Ltd., and Intact Acquisition Co. Ltd. These bonuses were also awarded to encourage the additional efforts that will be required to consummate the merger while operating the business at the officer’s current level of dedication and excellence, and to encourage continued employment with the Company after the closing of the merger.

Each retention bonus, other than Mr. Miller’s, will become payable as follows: 34% of the bonus will be payable upon the closing of the merger, 33% of the bonus will be payable on the first anniversary of the closing of the merger, and 33% of the bonus will be payable on the second anniversary of the closing of the merger, in each case, subject to continued employment. In the case of Mr. Miller, 40% of the bonus will be payable on the closing of the merger, 30% of the bonus will be payable on the first anniversary of the closing of the merger, and 30% of the bonus will be payable on the second anniversary of the closing of the merger, in each case, subject to continued employment. If the officer’s employment is terminated due to an “involuntary termination” (as defined in the retention agreement), or death or disability, a portion of the bonus may be accelerated, in accordance with the payment schedule and other conditions set forth in the retention agreement. In the case of Mr. Miller’s retention bonus agreement only, if after the closing of

the merger, OneBeacon experiences a change in control, Mr. Miller would be entitled to receive any remaining unpaid portion of his retention bonus upon the date of such change in control.

If the officer's employment terminates before the final installment of the bonus is paid, the officer will be subject to noncompetition restrictions for up to twelve months following such termination (depending on the circumstances giving rise to termination and when the termination occurs). The officer will also be subject to nonsolicitation restrictions following termination of employment until the first anniversary of such termination, or in certain cases, until the second anniversary of the date on which the last installment of the bonus was paid (depending on the circumstances giving rise to termination and when the termination occurs).

The retention agreements further provide that, if payments to the officer in connection with the merger are subject to "golden parachute" excise taxes imposed under Section 4999 of the Internal Revenue Code, the payments to the officer will be reduced in order to limit or avoid the "golden parachute" excise tax if and to the extent such reduction is expected to produce a better after-tax result for the officer. However, if the after-tax result before applying any such reduction would not be more than 10% greater than the after-tax result if such payments were reduced to avoid such "golden parachute" excise taxes, then the Company may, in its sole discretion, reduce the payments to the extent necessary so that no portion of such payments would be subject to such "golden parachute" excise taxes.

The above disclosure is qualified by reference to the full text of the forms of retention agreement, which are filed as Exhibits 10.1 and 10.2 hereto and incorporated by reference herein.

Severance Plan

On May 24, 2017, OneBeacon Services, LLC, a wholly owned subsidiary of the Company, adopted the OneBeacon Severance Plan (the "Severance Plan"), which provides severance benefits to eligible employees, including the named executive officers. The Severance Plan will be effective upon the closing of the merger. The Severance Plan provides the Company's employees, including our named executive officers, with severance benefits upon a termination of employment without "cause" or due to a "constructive termination" (as such terms are defined in the Severance Plan). If such termination occurs with respect to any named executive officer, he or she would be eligible to receive a lump sum payment equal to two times the sum of his or her (i) annual base salary and (ii) annual target bonus. In addition, like other employees, the named executive officer would be eligible to receive outplacement assistance as well as reimbursement of the company-portion of COBRA premiums, for up to 18 months. Benefits under the Severance Plan are contingent on the delivery of a release of claims.

The above disclosure is qualified by reference to the full text of the Severance Plan, which is filed as Exhibit 10.3 hereto and incorporated by reference herein.
