PROXY Statement for 2004 Annual Meeting of Stockholders to be held on May 27, 2004

We are delivering these proxy materials to solicit proxies on behalf of the Board of Directors of Provectus Pharmaceuticals, Inc., for the annual meeting of stockholders to be held on Thursday, May 27, 2004, beginning at 3:00 p.m. Eastern time, at Riverview Tower, Suite 2200, 900 South Gay Street, Knoxville, Tennessee.

We are mailing this proxy statement, together with a form of proxy and our annual report on Form 10-KSB for the year ended December 31, 2003, beginning on April 29, 2004.

ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At the annual meeting, stockholders will act upon the following matters:

- o The election of four directors to serve on our Board of Directors for a one-year term.
- o The approval of an increase in the number of shares reserved for issuance under our 2002 Stock Plan from 2,000,000 to 3,000,000.

Who is entitled to vote?

Only stockholders of record at the close of business on April 20, 2004, the record date for the annual meeting, are entitled to receive notice of the annual meeting and to vote the shares of common stock that they held on that date at the annual meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted on at the annual meeting.

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of the holders of a majority of the shares of the common stock outstanding on the record date will constitute a quorum. As of the record date, there were 13,507,030 outstanding shares of common stock. Shares held by stockholders present at the annual meeting who elect to abstain from voting nonetheless will be included in the calculation of the number of shares considered present at the annual meeting.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, the proxy holders named on the proxy card will vote your shares as you direct. If you are a registered stockholder and attend the annual meeting, you may deliver your completed proxy card or vote in person at the meeting. If you hold your shares in a brokerage account or in "street name" and you wish to vote at the annual meeting, you will need to obtain a proxy from the broker or other nominee who holds your shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy card, you may change your vote at any time before the proxy is exercised by filing with the Secretary either a notice of revocation or a duly executed proxy card bearing a

later date. "Street name" stockholders must contact your broker or other nominee and follow its instructions if they wish to change their votes. The powers of the proxy holders will be suspended if you attend the annual meeting in person and so request, although your attendance at the annual meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxies on the proxy card will vote your shares in accordance with the recommendations of the Board of Directors. The Board recommends a vote FOR election of each of the four candidates nominated to serve on our Board of Directors for a one-year term and FOR approval of the proposed amendment to our 2002 Stock Plan to increase the number of shares reserved for issuance from 2,000,000 to 3,000,000.

If any other business is properly brought before the annual meeting, the proxies will vote your shares as the Board of Directors recommends. If the Board does not give a recommendation, the proxies will vote your shares as they may determine in their own discretion.

What vote is required to approve each item?

Election of Directors

The affirmative vote of a plurality of the votes cast at the annual meeting is required for the election of directors. If you are present at the meeting and you abstain from voting for one or more directors, your shares will not be counted in the vote for any nominee, although they will be counted for the purpose of determining whether there is a quorum present. A properly executed proxy card marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated and will be treated as an abstention with respect to voting on the director or directors.

Approval of the Amendment to the Amended and Restated 2002 Stock Plan and Other Items

For approval of the amendment to the 2002 Stock Plan and for any other item of business that properly comes before the annual meeting, the affirmative vote of the holders of a majority of the common stock present at the annual meeting, in person or by proxy, and entitled to vote will be required for approval. The shares of any stockholder present at the meeting who abstains from voting on the proposed ratification or on any other item will not be counted in the vote, although they will be counted for the purpose of determining whether there is a quorum at the annual meeting. An abstention, therefore, will have the effect of a negative vote. A properly executed proxy card marked "ABSTAIN" with respect to any such matter will not be voted and will be treated as an abstention with respect to that matter.

In general, if you hold shares of common stock in "street name" through a broker or other nominee, and if your broker or other nominee is not instructed or otherwise empowered to vote your shares at a meeting with respect to a particular matter, then your shares will constitute "broker non-votes" as to the matter. In the election of directors, brokers generally have discretion to vote your shares even in the absence of express instructions from you. As to all matters, a broker non-vote will have the same effect as an abstention.

The federal securities laws require our directors and executive officers and persons who beneficially own more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our securities. Based solely on our review of the copies of these forms received by us or representations from certain reporting persons, we believe that SEC beneficial ownership reporting requirements for 2003 were met.

The Board of Directors recommends that the stockholders vote FOR each of the nominees for election to the Board of Directors named above.

PROPOSAL 2:

AMENDMENT TO THE AMENDED AND RESTATED 2002 STOCK PLAN

The Board of Directors has approved an amendment to our Amended and Restated 2002 Stock Plan, subject to stockholder approval to increase the number of shares reserved for issuance under the Plan from 2,000,000 shares to 3,000,000. The Plan was last approved by the stockholders at the annual meeting in 2003. Our Board has determined that an increase in the reserve of shares is necessary, especially in light of the fact that as of April 20, 2004, only 500,000 shares remain in the reserve. The Board believes that we must offer a competitive equity compensation program if we are to continue to successfully attract and retain the most qualified candidates as employees, directors and consultants. The Board expects that the Plan, as amended, will be an important factor in attracting and retaining the personnel essential to our success and in motivating these individuals to strive to enhance our growth and profitability. The opportunity to acquire an equity interest will align the economic interest of these individuals with those of other stockholders, thereby benefiting all of our stockholders. The Plan remains unchanged in all other respects.

The Plan provides for the grant of stock options, stock appreciation rights, rights to purchase restricted stock and long-term performance awards. Our employees, consultants and directors who are not employees whose present and potential contributions are important to our continued success are eligible to receive awards. The Plan is administered by the Board of Directors which has the power to authorize awards and determine their terms and conditions. The Plan will remain in effect until all awards under the Plan have been issued, expired or otherwise terminated or the Plan is terminated by the Board of Directors. However, no award may be granted more than ten years after the date of the Plan's approval (2013). Generally, a participant's awards issued under the Plan are not transferable except by will or by the laws of descent and distribution.

The Board of Directors recommends that the stockholders vote FOR the adoption of this proposal.

INFORMATION ABOUT THE BOARD OF DIRECTORS

How often did the Board of Directors meet in 2003?

The Board of Directors met once and took action by unanimous written consent 11 times during 2003. Each Board member attended more than 75% of the total number of meetings of the Board and its committees on which he served. Members of the Board of Directors are encouraged to attend the annual meeting. All members of our Board attended the 2003 annual meeting of stockholders.

5

How does the Board of Directors operate?

Because the Board of Directors consists of only four members and our operations remain amenable to oversight by a limited number of directors, the Board has not delegated any of its functions to committees. None of the members of our Board of Directors is considered independent. The Board has not adopted either a nominating or audit committee charter.

The entire Board of Directors acts as our audit committee as permitted

Edgar Filing: PROVECTUS PHARMACEUTICALS INC - Form DEF 14A

under Section 3(a)(58)(B) of the Securities Exchange Act of 1934 and as our nominating committee. The Board views its duties as an audit committee as follows:

- o Review recommendations of independent auditors concerning our accounting principles, internal controls and accounting procedures and practices;
- o Review the scope of the annual audit;
- o Approve or disapprove each professional service or type of service other than standard auditing services to be provided by the auditors; and
- o Review and discuss with the independent auditors the audited financial statements.

The entire Board of Directors acts as our nominating committee. The Board has no set procedures or policy on the selection of nominees or evaluation of shareholder recommendations and will consider these issues on a case-by-case basis. The Board will consider shareholder recommendations for director nominees that are properly received in accordance with our bylaws and the applicable rules and regulations of the Securities and Exchange Commission. For more information, please see the section entitled "Stockholder Proposals for 2005 Annual Meeting of Stockholders" below. Stockholders who wish to contact the members of the Board of Directors may do so by sending an e-mail addressed to them at info@pvct.com.

How are directors compensated?

Three of our four directors, Drs. Dees, Scott and Wachter, are also full-time employees. As discussed below under the heading "EXECUTIVE OFFICER COMPENSATION," they are compensated for their service in those roles. They are not separately compensated for their service as directors.

We reimburse Mr. Fuchs for expenses he incurs in fulfilling his duties as a director, including attending meetings of the Board of Directors. We do not otherwise compensate Mr. Fuchs for his services as a director.

On the date of each annual meeting of shareholders, each member of the Board receives options exercisable for 25,000 shares of our common stock.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Acquisition of Provectus Pharmaceuticals, Inc.

On April 23, 2002, we acquired Provectus Pharmaceuticals, Inc., (a privately held company which we refer to as "PPI") by issuing 6,680,000 shares of our common stock to its stockholders in exchange for all of the issued and outstanding stock of PPI. As a result of this transaction, PPI became our wholly owned subsidiary. H. Craig Dees, our Chief Executive Officer and one of our directors, was the Chief Executive Officer, a director and a stockholder of PPI. Timothy C. Scott, our President and one of our directors, was the President, a director and a stockholder of PPI. Eric A. Wachter, our Vice President - Pharmaceuticals and one of our directors, was the Vice President - Pharmaceuticals, a director and a stockholder of PPI. Drs. Dees, Scott and Wachter had no relationship with us Company prior to the acquisition of PPI. We believe that the terms of the acquisition of PPI were obtained by arms-length bargaining.

Agreement with Nace Pharma

Edgar Filing: PROVECTUS PHARMACEUTICALS INC - Form DEF 14A

On June 7, 2002, we entered into a letter agreement with Nace Pharma under which Nace Pharma has agreed to act as our representative to introduce us and our products to certain designated major pharmaceutical

6

companies such as Pfizer Inc. and Bayer A.G. In the letter agreement, we granted Nace Pharma warrants for the purchase of 100,000 shares of our common stock at an exercise price of approximately \$2.29 per share. These warrants will become exercisable only when and if Nace Pharma successfully introduces us to one of the designated major pharmaceutical companies and that introduction results in a transaction with an estimated value to us of at least \$10 million, and will expire on June 7, 2005 if not exercised before that date. In addition to the warrants, the letter agreement provides that we will pay Nace a portion of any revenues we receive from any of the designated major pharmaceutical companies: 2.5% of the first \$50 million in cumulative revenues, and 5.0% of any revenues beyond \$50 million. Since we signed the letter agreement with Nace Pharma, Stuart Fuchs, one of the principals of Nace Pharma, has become one of our directors. We believe that the terms of our agreement with Nace Pharma were obtained by arms-length bargaining prior to the time Mr. Fuchs became a director.

Agreement with Nace Resources

On August 29, 2002, we entered into a letter agreement with Nace Resources under which Nace Resources has agreed to provide us with certain investment banking services focusing on obtaining investment in our business through a private placement of our securities. If Nace Resources assists us in obtaining a successful investment, the letter agreement provides that we will be obligated to pay Nace Resources 5% of any cash consideration we receive in the investment transaction, as well as warrants for the purchase of our common stock at an exercise price equal to the price per share paid by investors in the investment transaction. The number of shares of our common stock that would be subject to these warrants would be equal to 5% of the number of shares issued or issuable to investors in the investment transaction. Since we signed the letter agreement with Nace Resources, Stuart Fuchs, one of its principals, has become one of our directors. We believe that the terms of our agreement with Nace Resources were obtained by arms-length bargaining prior to the time Mr. Fuchs became one of our directors.

Acquisition of Valley Pharmaceuticals, Inc.

On November 19, 2002, we acquired Valley Pharmaceuticals, Inc. by merging PPI with and into Valley. As a result of this transaction, Valley became our wholly owned subsidiary and changed its name to "Xantech Pharmaceuticals, Inc." As consideration for the acquisition of Valley, we issued an aggregate of 500,007 shares of common stock to the Valley stockholders, who were the five scientists who initially founded Valley (under the name Photogen, Inc.). Drs. Dees, Scott and Wachter were officers and directors and stockholders of Valley. We believe that the terms of the transaction are no less favorable to us than terms that could have been determined through arms-length bargaining.

Investment by Gryffindor

On November 26, 2002, Gryffindor purchased our \$1 million Convertible Secured Promissory Note dated November 26, 2002. This Note bears interest at 8% per annum, payable quarterly in arrears, and is due and payable in full on November 26, 2004. Subject to certain exceptions, the Note is convertible into shares of our common stock on or after November 26, 2003, at which time the principal amount of the Note is convertible into common stock at the rate of one

Edgar Filing: PROVECTUS PHARMACEUTICALS INC - Form DEF 14A

share for each \$0.737 of principal so converted and any accrued but unpaid interest on the Note is convertible at the rate of one share for each \$0.55 of accrued but unpaid interest so converted. Our obligations under the Note are secured by a first priority security interest in all of our assets, including the capital stock of our wholly owned subsidiary Xantech. In addition, our obligations to Gryffindor are guaranteed by Xantech, and Xantech's guarantee is secured by a first priority security interest in all of Xantech's assets. Pursuant to our agreement with Gryffindor, we also issued to Gryffindor and to Stuart Fuchs, the managing principal of Gryffindor, Common Stock Purchase Warrants dated November 26, 2002, entitling Gryffindor and Mr. Fuchs to purchase, in the aggregate, up to 452,919 shares of common stock at a price of \$0.001 per share. Simultaneously with the completion of these transactions, Gryffindor and Mr. Fuchs exercised the warrants in their entirety, and we issued 226,460 shares of our common stock to Gryffindor and 226,459 shares to Mr. Fuchs. On January 23, 2003, as required by our agreement with Gryffindor, Mr. Fuchs became one of our directors. We believe that the terms of these transactions were obtained by arms-length bargaining prior to the time Mr. Fuchs became one of our directors.

Employment Agreements

As a condition to the loan we obtained from Gryffindor which we described above under the section entitled "Certain Relationships and Related Transactions," we entered into Confidentiality, Inventions and Non-Competition Agreements with Drs. Dees, Scott, and Wachter. These agreements prohibit Drs.

Edgar Filing: PROVECTUS PHARMACEUTICALS INC - Form DEF 14A

Dees, Scott, and Wachter each from disclosing our confidential information at any time while he is employed by us or during the five-year period after his employment ends for any reason. These agreements also provide that any invention or development that Dr. Dees, Dr. Scott, or Dr. Wachter may invent as a result of the work he does for us during his employment or during the one-year period after his employment ends for any reason belongs to us. Finally, these agreements prevent each of Drs. Dees, Scott, or Wachter from engaging in certain kinds of competition with us for a period of 18 months after his employment ends for any reason. We believe that these provisions are prudent practice for technology-intensive businesses such as ours, and similar provisions are included in the employment agreements of executive officers of most biopharmaceutical companies.

REPORT OF THE BOARD OF DIRECTORS ACTING AS THE AUDIT COMMITTEE

The Board of Directors serves as our audit committee. None of the members of the Board are independent. The Board acting as audit committee reviews our financial reporting process. In this context, the Board

- o has reviewed and discussed with management the audited financial statements for the year ended December 31, 2003.
- o has discussed with BDO Seidman, LLP, our independent auditors, the matters required to be discussed by Statement on auditing Standards No. 61, as modified or supplemented.
- o has received the written disclosures and the letter from BDO Seidman, LLP, required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees"), as modified or supplemented, and has discussed with BDO Seidman, LLP, the independent accountant's independence.

Based on this review and the discussions referred to above, the Board determined that the audited financial statements be included in our Annual Report on Form 10-KSB for the year ended December 31, 2003, for filing with the Securities and Exchange Commission. The Board also appointed BDO Seidman, LLP, as our independent auditor for 2004.

This report is submitted on behalf of the members of the Board of Directors acting as the Audit Committee:

H. Craig Dees	Timothy C. Scott
Eric A. Wachter	Stuart Fuchs

The Report of the Board acting as the Audit Committee set out above shall not be deemed "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall it be incorporated by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference and shall not otherwise be deemed filed under these Acts.

AUDIT FEES

The firm of BDO Seidman, LLP, served as our independent auditors and audited our financial statements for 2003. We expect that representatives of BDO Seidman, LLP, will be present at the annual meeting. They will be given an opportunity to make a statement if they so desire and will be available to respond to appropriate questions. The table below sets out the fees we paid to BDO Seidman, LLP, our independent auditors for 2002 and 2003.

	2002	2003
Audit fees.....	\$28,000	\$53,400
Audit-related fees.....	--	--
Tax fees.....	--	--
All other fees.....	--	--
Total.....	\$28,000	\$53,400

It is the policy of the Board of Directors to pre-approve all audit and non-audit services provided by the Company's independent auditor. The Board of Directors has considered whether the provision by BDO Seidman, LLP, of services of the varieties described above is compatible with maintaining the independence of BDO Seidman, LLP. In view of the fact that BDO Seidman, LLP, provides no services to us other than audit services, the Board of Directors believes that such services do not jeopardize the independence of BDO Seidman, LLP.

Change in Certifying Accountant

As reported previously, during the fourth quarter of 2002, we engaged BDO Seidman, LLP, to prepare the annual audit of our financial statements for the year ended December 31, 2002 and we notified our former accountants, Bierwolf, Nilson & Associates, of this engagement on January 3, 2003.

During our engagement of Bierwolf, which began October 30, 2000, there were no disagreements with Bierwolf on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Bierwolf, would have caused that firm to make reference to the subject matter of the disagreement in connection with its reports. No report of Bierwolf on our financial statements has contained an adverse opinion or a disclaimer of opinion, nor was any such report qualified or modified as to uncertainty, audit scope or accounting principles, except as follows:

- o The report of Bierwolf with respect to our financial statements at December 31, 2001 and for the 12-month period then ended stated, "The Company has an accumulated deficit and a negative net worth at December 31, 2001. These factors raise substantial doubt about the Company's ability to continue as a going concern." Further, the report of Bierwolf with respect to those financial statements noted that our audited financial statements did not include any adjustments that might result from the outcome of the uncertainty as to our ability to continue as a going concern.
- o The report of Bierwolf with respect to our financial statements at December 31, 2000 and for the 12-month period then ended stated, "The Company has an accumulated deficit and a negative net worth at December 31, 2000. These factors raise substantial doubt about the Company's ability to continue as a going concern." Further, the report of Bierwolf with respect to those financial statements noted that our audited financial statements did not include any adjustments that might result from the outcome of the uncertainty as to our ability to continue as a going concern.

During our fiscal years ended December 31, 2000 and 2001, and during the period from January 1, 2002 to our engagement of BDO Seidman, neither we nor anyone acting on our behalf consulted with BDO Seidman regarding either (1) the application of accounting principles to a specified transaction or the type of audit opinion that might be rendered on our financial statements or (ii) any matter that was the subject of a disagreement with Bierwolf.

We previously provided Bierwolf with a copy of this disclosure. Bierwolf's response was previously filed with the Securities and Exchange Commission as an exhibit to our Current Report on Form 8-K dated December 20, 2002 and is incorporated herein by reference.
