General Information

This Proxy Statement and related documents are furnished by our Board of Directors for the solicitation of proxies from the holders of our common stock in connection with the annual meeting of stockholders to be held at our offices located at 266 East 7th Street, St. Paul, MN 55101, on October 15, 2009, at 2:00 p.m. CDT, and at any recess or adjournment thereof. The Notice of Internet Availability of Proxy Materials and Notice of Annual Meeting of Stockholders will be mailed to stockholders starting on or about August 25, 2009. A form of photo identification and, if not a record holder, proof of ownership of Digitiliti, Inc. (Digitiliti, or we, our, us or words of similar import or Storage Elements, Inc. (Storage, our predecessor) common stock are requested for admission to the 2009 annual meeting.

Record Date and Outstanding Voting Securities

Only stockholders of record at the close of business on August 18, 2009 (this date is referred to as the "record date"), are entitled to receive notice of and to vote the shares of common stock registered in their name at the annual meeting. As of the record date, we had approximately 34,231,316 shares of our common stock outstanding. Each stockholder is entitled to one vote for each share held and is not entitled to cumulative voting for the election of directors.

Voting Procedures

The presence in person or by proxy of a majority of the voting power at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be considered represented at the Annual Meeting for the purpose of determining a quorum. The shares represented by each proxy will be voted in accordance with the instructions given therein. Where no instructions are indicated, the proxy will be voted FOR (in favor of) all matters to be voted on as set forth in the Form of Proxy (the Proxy) and, at the discretion of the persons named in the Proxy, on any other business that may properly come before the

Annual Meeting. Because abstentions are present and entitled to vote on the matter presented at the meeting, they have the effect of counting as votes against the proposal they add to the pool of votable shares without contributing to the affirmative votes required to approve the stockholder action. Broker nonvotes, however, while present for purposes of a quorum, are not entitled to vote on the matter presented at the meeting. Broker nonvotes, therefore, are excluded from the pool of votable shares and have no effect on the outcome of the stockholder vote. Each stockholder will be entitled to one vote for each share of common stock held and will not be entitled to cumulative votes in the election of directors. Shares that are authorized but not yet issued will not be entitled to vote at the Annual Meeting.

At least ten (10) days following the Notice of Internet Availability of Proxy Materials, stockholders will receive a Proxy card and postage-paid return envelope. Stockholders can ensure that their shares are voted at the annual meeting by signing, dating and returning the Proxy in the return envelope. All proxies are to be submitted either by mail or in person at the annual meeting. Proxies must be signed and duly returned to us in order for the designated Proxy to vote on all matters to come before the meeting. Proxies will be voted as specified by the stockholders. Where specific choices are not indicated, proxies will be voted in favor of each item so presented. The submission of a signed Proxy will not affect a stockholder's right to attend the annual meeting and vote in person. Stockholders who execute a Proxy retain the right to revoke them at any time before they are voted by filing with the Secretary of Digitiliti a written revocation or a Proxy bearing a later date at the corporate address. The presence at the annual meeting of a stockholder who has signed a proxy does not, by itself, revoke that Proxy unless the stockholder attending the annual meeting files a written notice of revocation of the Proxy with the Secretary at any time prior to the voting of the Proxy at the meeting.

Pursuant to the Securities and Exchange Commission rules related to the availability of Proxy Materials, we have made our Proxy Materials, available online and as permitted and/or required by the rules of the Securities and Exchange Commission. We will provide paper copies of these materials only upon request. To request a paper copy of the Proxy Materials free of charge, please follow one of the methods below:

.

You may view all Proxy Materials, including our Annual Report to Stockholders on Form 10-K (the 10-K), at www.digitiliti.com/stockholder/Proxy2009.

The Board of Directors knows of no other matters to be presented for stockholder action at the annual meeting. If any other matters properly come before the annual meeting, the persons named as proxies will vote on such matters in their discretion.

Delaware law requires the presence of a quorum to conduct business at the annual meeting. A quorum is defined as the presence, either in person or by proxy, of a majority of the outstanding shares of common stock entitled to vote at the annual meeting. The shares represented at the annual meeting by Proxy that are marked "withhold authority" will be counted as shares present for the purpose of determining whether a quorum is present. Broker non-votes (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from beneficial owners to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will also be counted as shares present for purposes of determining a quorum.

Directors are elected by the affirmative vote of a plurality of the shares of common stock present, either in person or by proxy, at the annual meeting and entitled to vote. For this purpose, "plurality" means that the individuals receiving the largest number of votes are elected as directors, up to the maximum number of directors to be chosen at the election. In the election of directors, votes may be cast in favor or withheld. Votes that are withheld and broker non-votes will have no effect on the outcome of the election of directors.

A majority of the outstanding shares of Digitiliti entitled to vote, represented in person or by proxy, constitute a quorum at the annual meeting of stockholders. Broker non-votes will have no effect on the outcome of the stockholder vote on Proposal No. 3 described in the Proxy Statement.

Solicitation of Proxies

The expense of printing and mailing Proxy Materials, including expenses involved in forwarding Proxy Materials to beneficial owners of common stock held in the name of another person, will be paid by us. In addition to solicitation by mail and internet, our directors, officers and employees may solicit proxies by telephone, personal contact or special letter without additional compensation to them.

Effective Dates

The election of directors, if approved by the stockholders, will be effective immediately following the annual meeting.

Committees

Audit Committee: Digitiliti chartered an Audit Committee in 2008 for the purpose of overseeing its accounting and financial reporting processes and the audits of its financial statements.. The Audit Committee also has oversight of Digitiliti's compliance with legal and regulatory requirements, the qualifications and independence of its independent registered public accounting firm and the performance of its independent registered public accounting firm. The Audit Committee currently consists of Board members Kedar R. Belhe and Karen G. Larson, with Ms. Larson as Chairman. Ms. Larson is considered an Audit Committee financial expert based on her previous work experience. The Audit Committee commonly meets prior to Board meetings, pending pertinent agenda items. The Audit Committee also discusses auditing issues via telephone conference and during regularly scheduled board meetings, after which time the conversations are incorporated into Board's minutes.

The Audit Committee is currently responsible for (i) oversight of independent auditor, (ii) oversight of financial reporting and disclosure matters, (iii) oversight of compliance and regulatory matters, (iv) committee administration, and (v) other activities consistent with the Audit Committee that the Audit Committee or Board deems necessary or appropriate.

Corporate Governance and Nomination Committee: Digitiliti also chartered a Corporate Governance and Nomination Committee in 2008 for the purpose of overseeing the identification, evaluation, nomination and election of Board members. The committee also has the responsibility for evaluating the performance of the Board and Board committees. The committee oversees all matters of corporate governance. Currently, the committee submits nominations for election to fill vacancies on the Board to the entire Board for its consideration.

Our goal is to assemble a Board of Directors that brings together a variety of perspectives and skills derived from high quality business and professional experience. In evaluating potential directors, the committee considers the following factors:

v

the appropriate size of our Board of Directors;

v

our needs with respect to the particular talents and experience of our directors;

v

the knowledge, skills and experience of nominees, including experience in desirable vertical markets such as financial, legal, medical or education or public companies, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;

v

familiarity with the information technology industry;

v

the desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by new Board members.

The Corporate Governance and Nomination Committee currently consists of Board member Roy A. Bauer as Chairman and Kedar R. Belhe. This committee commonly meets prior to Board meetings, pending pertinent agenda items. This committee also discusses governance issues via telephone conference and during regularly scheduled board meetings, after which time the conversations are incorporated into the Board's minutes.

Compensation Committee: We chartered a Compensation Committee in 2008 for the purpose of overseeing that the senior executives of Digitiliti and its wholly owned subsidiary, Storage, are compensated effectively in a manner consistent with the compensation strategy of Digitiliti, internal equity considerations, competitive practice, and the requirements of the appropriate regulatory bodies. This committee is responsible for conducting an assessment of the performance of the Chief Executive Officer on at least an annual basis, reviewing and approving Digitiliti's variable pay plans, overseeing its incentive compensation and equity-based compensation plans for employees and other such duties as may be assigned.

The Compensation Committee sets all levels of compensation for the executive officers. For executive officers other than the CEO, this committee reviews, analyzes and makes a determination of compensation based on recommendations from the CEO. Determinations are based on criteria which include the performance of Digitiliti's accomplishment of key financial and strategic objectives, and the successful development of management.

The Compensation Committee currently consists of Board member Kedar R. Belhe. This committee commonly meets prior to Board meetings, pending pertinent agenda items. This committee also discusses compensation issues via telephone conference and during regularly scheduled Board meetings, after which time the conversations are incorporated into Board's minutes.

As used in this Code, we, our, us, or Digitiliti means Digitiliti, Inc., and you means a senior officer as described above. The senior officers hold an important and elevated role in corporate governance, and are uniquely positioned and empowered to ensure that Digitiliti's interests are appropriately balanced, protected and preserved. Digitiliti's Board of Directors has adopted this Code to deter wrongdoing and to promote honest and ethical conduct, proper disclosure of financial information in Digitiliti's periodic reports and compliance with applicable laws, rules and regulations by Digitiliti's senior officers who have financial responsibilities.

General obligations in performance of your duties. We expect you to:
