Explanatory Note

This Amendment No. 1 to Form 8-K amends and restates the Current Report on Form 8-K filed with the Securities and Exchange Commission by Blue Dolphin Energy Company on February 21, 2012.

Item 1.01 Entry into a Material Definitive Agreement.

Please see the disclosures set forth under Item 2.01 below with respect to Blue Dolphin's execution of the Management Agreement (as defined in Item 2.01).

Item 2.01 Completion of Acquisition or Disposition of Assets.

As previously reported on July 22, 2011, Blue Dolphin Energy Company ("Blue Dolphin") entered into a Purchase and Sale Agreement (the "PSA") with Lazarus Energy Holdings, LLC, a Delaware limited liability company ("LEH") and LEH's wholly-owned subsidiaries to acquire one hundred percent (100%) of the issued and outstanding membership interests of Lazarus Energy, LLC, a Delaware limited liability company ("LE"). LE's primary asset is the 56-acre Nixon Crude Oil Processing Facility (the "Refinery"). On February 15, 2012, Blue Dolphin acquired LE (the "Acquisition") and issued, in reliance on the exemption provided by Section 4(2) of the Securities Act of 1933, as amended (the "Securities Act"), 8,393,560 shares of common stock, par value \$0.01 per share (the "Common Stock"), subject to anti-dilution adjustments, to LEH as consideration for LE (the "Original BDEC Shares"). Additionally, on February 21, 2012, pursuant to the anti-dilution provisions contained in the PSA, and in reliance on the exemption provided by Section 4(2) of the Securities Act, Blue Dolphin issued 32,896 shares of Common Stock to LEH (the "Anti-Dilution Shares" and together with the Original BDEC Shares, the "BDEC Shares"). As a result of Blue Dolphin's issuance of the BDEC Shares, LEH owns eighty percent (80%) of Blue Dolphin's issued and outstanding Common Stock. The issuance of the BDEC Shares to LEH resulted in a change in control of Blue Dolphin. Further, pursuant to the terms of the PSA, the composition of Blue Dolphin's Board of Directors and management changed. The changes in Blue Dolphin's Board of Directors and management are outlined in Item 5.02 of this report.

Also on February 15, 2012, and in connection with the issuance of the BDEC Shares and LEH's assignment of the membership interests of LE, LEH assigned a Construction and Funding Agreement, a Crude Oil Supply and Throughput Services Agreement and a Joint Marketing Agreement to LE. Also, as part of this assignment, Blue Dolphin, LE and LEH entered into a Management Agreement (the "Management Agreement") pursuant to which LEH agreed to manage and operate the Refinery and Blue Dolphin's other operations (collectively, the "Services"). Pursuant to the terms of the Management Agreement, LEH shall retain, as compensation for the Services, the right to receive (i) weekly payments based on revenues from the sale of diesel blendstocks processed by the Refinery not to exceed \$750,000 per month, (ii) reimbursement for certain accounting costs related to the preparation of LE's financial statements not to exceed \$50,000, (iii) \$0.25 for each barrel processed at the Refinery during the term of the Management Agreement, up to a maximum quantity of 10,000 barrels per day determined on a monthly basis, and (iv) \$2.50 for each barrel processed at the Refinery during the term of the Management Agreement, to the extent the quantity exceeds 10,000 barrels per day determined on a monthly basis. Blue Dolphin further agreed to reimburse LEH for all reasonable expenses of Blue Dolphin at cost. All compensation owed to LEH under the Management Agreement shall be paid to LEH within 30 days of the end of each calendar month. The Management Agreement expires upon the earliest to occur of (a) the date of the termination of the Joint Marketing Agreement between LE and a third party dated August 12, 2011, which has an initial term of three years and year-to-year renewals at the option of either party thereafter, (b) August 12, 2014, or (c) upon written notice of either party to the Management Agreement of a material breach of the Management Agreement by the other party. If the Management Agreement is renewed after the expiration of its initial term, then it shall thereafter be reviewed on an annual basis by Blue Dolphin's Board of Directors and may be terminated if Blue Dolphin's Board of Directors determines that the Management Agreement

is no longer in the best interest of Blue Dolphin.

Additionally, pursuant to the terms of the PSA, Blue Dolphin has the option to acquire all of the issued and outstanding membership interests of Lazarus Energy Development, LLC, a Delaware limited liability company and a wholly-owned subsidiary of LEH (“LED”). Among other assets, LED holds approximately 46 acres of real property adjacent to the Refinery. On February 7, 2012, Blue Dolphin paid LEH a refundable deposit of \$183,421.27 to exercise the option and as partial payment of the purchase price for LED. As part of the acquisition of LED, Blue Dolphin will also agree to assume a loan of LED’s in the amount of \$1,500,000 collateralized by the real property adjacent to the Refinery. Blue Dolphin expects to promptly complete the acquisition of LED from LEH for a total purchase price of approximately \$1.68 million.

The foregoing description of the PSA and the transactions contemplated thereby (the “Acquisition”) does not purport to be complete and is subject to, and qualified by, reference to the PSA. A copy of the PSA was attached as Exhibit 10.1 to Blue Dolphin’s Current Report on Form 8-K filed with the Securities and Exchange Commission on July 22, 2011 and is incorporated herein by reference.

The foregoing description of the Management Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified by, reference to the Management Agreement. A copy of the Management Agreement is attached as Exhibit 10.2 to this Amendment No. 1 to Blue Dolphin’s Current Report on Form 8-K and is incorporated herein by reference.

Item 3.02 Unregistered Sale of Equity Securities.

Please see the disclosures set forth under Item 2.01 above with respect to Blue Dolphin’s issuance of the BDEC shares.

Item 5.01 Change in Control of Registrant.

Please see the disclosures set forth under Item 2.01 above with respect to Blue Dolphin’s issuance of the BDEC Shares and the resulting change of control of Blue Dolphin.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.
