This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Micropac Industries, Inc. (the "Company") for use at the Company's Annual Meeting of Stockholders that will be held on March 13, 2014 at the time and place and for the purposes set forth in the foregoing notice. The June 2009 amendment also provides under certain events, either the Company or Mr. King can terminate the agreement upon a payment to Mr. King of 18 or 36 months' salary as severance payments.

The Board of Directors reviews and approves the Company annual bonus payments structure. In 2012 the Directors approved a bonus payment paid on December 18, 2012 of \$500 to Mr. King and \$500 to Mr. Cefalu.

Amount included in all other compensation relating to employee benefit plans

The Company maintains a Family Medical Reimbursement Plan for the benefit of its executive officers and their dependents. The Plan is funded through a group insurance policy issued by an independent carrier and provides for reimbursement of 100% of all bona fide medical and dental expenses that are not covered by other medical insurance plans. During the fiscal year ended November 30, 2013, the Company paid \$5,262 regarding Mr. King, and \$5,296 regarding Mr. Cefalu, which amounts are included in the "All Other Compensation" column shown in the preceding remuneration table.

In July 1984, the Company adopted a Salary Reduction Plan pursuant to Section 401(k) of the Internal Revenue Code. The Plan's benefits are available to all Company employees who are at least 18 years of age and have completed at least six months of service to the Company as of the beginning of a Plan year. Plan participants may elect to defer up to 15% of their total compensation as their contributions, subject to the maximum allowed by the Internal Revenue code 401(k), and the Company matches their contributions up to a maximum of 6% of their total compensation. A participant's benefits vest to the extent of 20% after two years of eligible service and become fully vested at the end of six years. During the fiscal year ended November 30, 2013, the Company made contributions to the Plan for Mr. King in the amount of \$15,000 and for Mr. Cefalu in the amount of \$9,031 which amounts are included in the "All Other Compensation" column shown in the preceding remuneration table.

Employment agreements of the Company's officers provide that they may elect to carry over any unused vacation time to subsequent periods or elect to be paid for such unused vacation time. In 2013, Mr. King received \$37,672 in unused vacation pay and Mr. Cefalu did not receive any unused vacation pay.

During the fiscal year ended November 30, 2013, the Company paid life insurance premiums for the benefit of Mr. King and Mr. Cefalu valued at \$1,466 and \$1,243, respectively.

Proposal 2- Advisory Approval of Compensation of our Named Executives

As required pursuant to Section 14A of the Securities Exchange Act of 1934 (Exchange Act), we are asking shareholders to approve the compensation paid to the company's named executives, Messrs. King and Cefalu, as disclosed in this proxy statement on pages 5 to 6, in an advisory vote.

This advisory proposal, commonly referred to as a "say-on-pay" proposal, is not binding on the Board of Directors. Although the voting results are not binding, the Board will review and consider them when evaluating our executive compensation program.

The Board recommends a vote FOR this proposal because it believes that our compensation policies and practices are effective in achieving the Company's goals.

Proposal 3—Advisory Vote on the Frequency of Future Advisory Votes on Executive Compensation

In Proposal Number 2 above, we are asking shareowners to vote on an advisory resolution on executive compensation. As required pursuant to Section 14A of the Exchange Act, in this Proposal Number 3, we are asking shareowners to vote on whether future advisory votes on executive compensation should occur every year, every two years or every three years. Shareowners will be able to specify one of four choices for this proposal on the proxy card: one year, two years, three years, or abstain. This vote on the frequency of future advisory votes on executive compensation is non-binding on the Board, although the Board will review and consider the results of this vote when establishing the timing for future advisory votes such as the one in Proposal Number 2.

This is the first such advisory vote on the frequency of future advisory votes on the compensation we pay our executives. We will establish the timing for future votes following the Annual Meeting. We believe, given the levels of compensation provided our executives and the lack of any current stock option plan or other incentive compensation other than a bonus, that an advisory vote every three years is sufficient.

The Board of Directors recommends that shareowners vote for holding the advisory vote on executive compensation EVERY THREE YEARS.

INDEPENDENT PUBLIC ACCOUNTANTS

KPMG LLP was selected as the independent accountants in 2002 and has been responsible for the Company's financial audit for the fiscal years ended November 30, 2002 through November 30, 2013.

Management anticipates that a representative from KPMG LLP will be present at the Annual Meeting and will be given the opportunity to make a statement if he or she desires to do so. It is also anticipated that such representative will be available to respond to appropriate questions from stockholders.

AUDIT FEES

The fees for professional services rendered for the audit of our annual financial statements for each of the fiscal years ended November 30, 2013 and November 30, 2012, and the reviews of the financial statements included in our Quarterly Reports on Form 10-Q during those periods were \$131,000 and \$127,000, respectively.

TAX FEES

KPMG LLP fees for tax advisory and tax return preparation services were \$31,000 in 2013, and fees for tax return preparation services were \$31,000 in 2012.

ALL OTHER FEES

KPMG LLP did not provide any other services.

The Audit Committee requests that KPMG LLP provide the committee with the anticipated charges of all accounting and tax related services to be performed by KPMG LLP in advance of performing such services. The Audit Committee approves all KPMG LLP services in advance of the performance of such services.

REVIEW OF AUDITED FINANCIAL STATEMENTS

The Audit Committee has discussed with management and the independent auditors the quality and adequacy of the Company's internal controls. The Audit Committee has considered and reviewed with the independent auditors their audit plans, the scope of the audit, and the identification of audit risks. The Audit Committee has reviewed and discussed the audited financial statements with management and has discussed such financial statements with the independent auditors.

The Audit Committee has received the written disclosures and the report from the independent accountant required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with the independent accountant the independent accountant's independence. Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's annual report on Form 10-K for the fiscal year ended November 30, 2013 for filing with the Securities and Exchange Commission.

Management has the responsibility for the preparation and integrity of the Company's financial statements and the independent auditors have the responsibility for the audit of those statements. It is not the duty of the Audit Committee to conduct audits to determine that the Company's financial statements are complete and accurate and are in accordance with accounting principles generally accepted in the United States. In giving its recommendations, the Audit Committee considered (a) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States, and (b) the report of the Company's independent auditors with respect to such financial statements.
