This Amendment No. 5 is being made to disclose the expiration of stock options to acquire up to 135,000 Shares held by Mr. Lee. Except as otherwise set forth herein, this Amendment No. 5 does not modify any of the information previously reported by Mr. Lee in the Prior Filing.

Item 5 of the Prior Filing is amended and restated as follows:

Jimmy S.H. Lee currently owns:

- 1,274,800 Shares;
- 116,460 restricted performance shares representing the maximum number of shares of common stock of Mercer to which he will be entitled. Each such restricted performance share represents one Share and up to the maximum number of Shares will vest after three years, depending upon the achievement of certain specified performance criteria including company performance, Share price performance and individual performance. In the event of a change of control, the restricted performance shares may vest earlier than three years but remain subject to the performance criteria in determining the exact number of Shares which will vest with the individual;
- 40,000 restricted shares of common stock of Mercer in connection with his role as an executive officer of Mercer; and
- options to acquire up to 700,000 Shares which are presently exercisable or exercisable within 60 days hereof,

representing, in aggregate, 5.9 % of the Shares outstanding on a diluted basis. Mr. Lee holds the sole power to vote and dispose of all of the aforementioned securities.
