OUTSTANDING VOTING SECURITIES; VOTING RIGHTS

Only shareholders of record of the Company's common stock, par value \$.01 per share ("Common Stock"), at the close of business on February 13, 2004 (the "Record Date") will be entitled to receive notice of and vote at the Annual Meeting of Shareholders. As of the Record Date, there were 6,087,287 shares of Common Stock outstanding and entitled to be voted at the Annual Meeting of Shareholders. Each share of Common Stock is entitled to one vote. Directors are elected by a plurality of the votes cast by the holders of shares of Common Stock present in person or represented by proxy at the meeting, in which there is a quorum present. Consequently, abstentions and broker non-votes will not affect the outcome of the vote.

ELECTION OF DIRECTORS (PROPOSAL NO. 1)

The Company's Directors are divided into three classes, as nearly equal in number as possible, with respect to the time for which the Directors may hold office. Directors are elected to hold office for term of three years, and one class of Director expires each year. The terms of Directors of Class III expire this year and these Directors are up for re-election. Directors of Class I will hold office until the 2005 Annual Meeting of Shareholders and Directors of Class II will hold office until the 2006 Annual Meeting of Shareholders. In each case, Directors are elected until their successors are duly elected and qualify.

The number of Directors is currently set at 15. Frederick A. Thayer, III, who is a Class III Director, is retiring from the Board and, therefore, will not stand for re-election in 2004. Additionally, Donald M. Browning, who is a Class II Director, passed away in June of 2003. By resolution as provided in the Bylaws, the Board of Directors has eliminated these vacancies by reducing the number of Directors who shall serve on the Board after the Annual Meeting to 13.

The Company's Chairman of the Board and CEO is a member of Class I, and the Company's President and CFO is a member of Class II. No Director or nominee holds any directorships in any other public company.

Five Directors have been nominated for re-election to Class III. The following table provides information about these nominees, including their ages as of the Record Date, their principal occupations and business experience, and certain other information. In the event a nominee declines or is unable to serve as a Director, which is not anticipated, the proxies will vote in their discretion with respect to a substitute nominee named by the Board.

NOMINEES FOR CLASS III (Terms Expire in 2007)

Name	Age	Occupation During Past Five Years	Director Since
Karen F. Myers	52	President, Mountaineer Log & Siding Co., Inc. and Recreational Industries Inc.; Member, DC Development LLC; Broker, Deep Creek Mountain Resort	1991
I. Robert Rudy	51	President, Rudy's Inc., Retail Apparel and Sporting Goods Member, DC Development LLC	1992
James F. Scarpelli, Sr.	89	Funeral Director, Scarpelli Funeral Home	1985
Richard G. Stanton	64	Banker, Retired	1985
Robert G. Stuck	57	Vice President, Oakview Motors, Inc.	1995

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR SUCH NOMINEES.

The election of Directors requires the affirmative vote of holders of a majority of the shares of Common Stock present and voting at the Annual Shareholders' Meeting. A quorum for the Annual Meeting consists of a majority of the issued and outstanding shares of Common Stock present in person or by proxy and entitled to vote, and Directors are elected by a plurality of the votes of the shares present in person or by proxy and entitled to vote. Consequently, the withholding of votes, abstentions and broker non-votes with respect to shares

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

otherwise present at the Annual Meeting in person or by proxy will have no effect on the outcome of this vote.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, an Asset and Liability Management Committee, an Executive Committee, a Strategic Planning Committee, a Compensation Committee, and a Nominating and Governance Committee (the "Nominating Committee"). These committees are discussed below.

Audit Committee - The Audit Committee is established pursuant to Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and consists of David J. Beachy, Paul Cox, Jr., Raymond F. Hinkle, Richard G. Stanton, and Robert G. Stuck. The committee is solely responsible for the hiring, compensation and oversight of the Company's independent auditors, and it also assists the Board in monitoring the integrity of the financial statements, in monitoring the performance of the Company's internal audit function, in monitoring the Company's compliance with legal and regulatory requirements, and in monitoring the performance of the Loan Review function. This committee met five times in 2003. Raymond F. Hinkle was appointed to the Committee on February 12, 2004. The Board has determined that all audit committee members are financially literate and that Richard G. Stanton qualifies as an "audit committee financial expert" as that term is defined by Item 401(h) of the SEC's Regulation S-K. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached to this Proxy Statement as Appendix A

Asset and Liability Management Committee - The Asset and Liability Management Committee consists of David J. Beachy, Paul Cox, Jr., William B. Grant, Raymond F. Hinkle, Robert W. Kurtz, Elaine L. McDonald, Karen F. Myers, I. Robert Rudy, Richard G. Stanton, Robert G. Stuck, and Frederick A. Thayer, III. The committee reviews and recommends changes to the Company's Asset and Liability, Investment, Liquidity, and Capital Plans. This committee met four times in 2003.

Executive Committee - The Executive Committee consists of Rex W. Burton, Paul Cox, Jr., William B. Grant, Robert W. Kurtz, Donald E. Moran, I. Robert Rudy, James F. Scarpelli, Sr., Richard G. Stanton, Robert G. Stuck and Frederick A. Thayer, III. The committee is responsible for reviewing and recommending changes to the Company's Insurance Program, overseeing compliance with the Company's Bylaws and Articles of Incorporation, supervising the Company's CEO, monitoring the performance of the Company and its subsidiaries, and recommending changes to the personnel policies of the Company and of its subsidiaries. The Executive Committee is empowered to act on behalf of the full Board between meetings of the Board. This committee met two times in 2003.

Strategic Planning Committee - The Strategic Planning Committee consists of Rex W. Burton, Paul Cox, Jr., William B. Grant, Raymond F. Hinkle, Robert W. Kurtz, Elaine L. McDonald, Donald E. Moran, I. Robert Rudy, Richard G. Stanton, Frederick A. Thayer, III. Roger Fairbourn, Susan P. Kelley, John W. McCullough, Gary R. Ruddell, Renick C. Williams and L. Hunter Wilson serve as members from the Advisory Council and assist the committee. The committee focuses on long-term planning to insure that management's decisions take into account the future operating environment, the development of corporate statements of policy, review of overall management internal control procedures, and review of management's internal and external information and communications systems. This committee met one time in 2003.

Compensation Committee - The Compensation Committee consists of Rex W. Burton, Raymond F. Hinkle, Elaine L. McDonald, James F. Scarpelli, Sr., Richard G. Stanton, and Robert G. Stuck, and is responsible for recommending to the Board a compensation policy for the CEO and other executive officers of the

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

Company and its subsidiaries, recommending changes to the CEO's compensation package based on performance reviews, and produces an annual report on executive compensation for inclusion in the Company's proxy statement in accordance with applicable rules and regulations. This Committee was formed on January 15, 2003. This committee met one time in 2003.

Nominating and Governance Committee - The Nominating Committee consists of David J. Beachy, Rex W. Burton, Paul Cox, Jr., Elaine L. McDonald, Donald E. Moran, and James F. Scarpelli, Sr. The committee is responsible for developing qualification criteria for Directors, reviewing Director candidates recommended by shareholders (see "Director Recommendations and Nominations" below), actively seeking, interviewing and screening individuals qualified to become Directors, recommending to the Board those candidates who should be nominated to serve as Directors, and developing and recommending to the Board the Corporate Governance Guidelines applicable to the Company and its subsidiaries. This Committee was formed on January 15, 2003, but it did not meet in 2003. Until this year, it was

-5-

the Board's policy that, where the only Director candidates were current Directors standing for re-election, such candidates were to be approved by a majority of the Board's independent Directors. Neither the Nominating Committee nor the Board received any stockholder recommendations with respect to this year's Annual Shareholders' Meeting. Each nominee proposed for election at this year's Annual Shareholders' Meeting is a current Director standing for re-election, and each was approved by every independent Director. The independent Directors do not have a written charter, as all future nominees, whether or not current Directors, will be reviewed and recommended to the Board by the Nominating Committee. The Board has adopted a written charter for the Nominating Committee, a copy of which is not available on the Company's web site but is instead attached to this proxy statement as Appendix B.

Director Independence

Pursuant to Rule 4350(c) of The Nasdaq Stock Market's listing standards (the "Nasdaq Listing Standards"), a majority of the Company's Directors must be "independent directors" as that term is defined by Nasdaq Listing Standards Rule 4200(a)(15). The Company's Board of Directors has determined that each of David J. Beachy, Rex W. Burton, Paul Cox, Jr., Raymond F. Hinkle, Elaine L. McDonald, Donald E. Moran, James F. Scarpelli, Sr., Richard G. Stanton, and Robert G. Stuck is an "independent director", and these independent Directors constitute a majority of the Company's Board of Directors. The Compensation Committee and the Nominating Committee are each made up entirely of "independent directors". Each member of the Audit Committee satisfies the independence requirements of Rule 4350(d)(2) of the Nasdaq Listing Standards.

Attendance at Board Meetings

During 2003, the Board of Directors held ten meetings. All incumbent Directors attended at least 75% of the aggregate number of (i) Board Meetings and (ii) meetings of each committee of the Board on which such Director served.

Director Recommendations and Nominations

The Nominating Committee will from time to time review and consider candidates recommended by shareholders. Shareholder recommendations should be labeled "Recommendation of Director Candidate" and be submitted in writing to: Robert W. Kurtz, Corporate Secretary, First United Corporation, P.O. Box 9, Oakland, Maryland 21550; and must specify (i) the recommending shareholder's contact information, (ii) the class and number of shares of the Company's

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

capital stock beneficially owned by the recommending stockholder, (iii) the name, address and credentials of the candidate for nomination, (v) the number of shares of the Company's capital stock beneficially owned by the candidate; and (iv) the candidate's written consent to be considered as a candidate. Such recommendation must be received by the Corporate Secretary no less than 150 days nor more than 180 days before the date of the Annual Shareholders' Meeting for which the candidate is being recommended. For purposes of this requirement, the date of the meeting shall be deemed to be on the same day and month as the Annual Shareholders' Meeting for the preceding year.

Candidates may come to the attention of the Nominating Committee from current Board members, shareholders, officers or other persons. The Nominating Committee periodically reviews its list of candidates available to fill Board vacancies and researches the talent, skills, expertise, and general background of these candidates. In evaluating candidates for nomination, the Nominating Committee uses a variety of methods and regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board.

Whether recommended by a shareholder or another third party, or chosen independently by the Nominating Committee, a candidate will be selected for nomination based on his or her talents and the needs of the Board. The Nominating Committee's goal in selecting nominees is to identify persons that possess complimentary skills and that can work well together with existing Board members at the highest level of integrity and effectiveness. A candidate, whether recommended by a Company shareholder or otherwise, will not be considered for nomination unless he or she maintains strong professional and personal ethics and values, has relevant management experience, and is committed to enhancing shareholder value. Certain Board positions, such as Audit Committee membership, may require other special skills or expertise.

-6-

It should be noted that a shareholder recommendation is not a nomination, and there is no guarantee that a candidate recommended by a shareholder will be approved by the Nominating Committee or nominated by the Board of Directors. A shareholder who is entitled to vote for the election of Directors and who desires to nominate a candidate for election to be voted on at a Shareholders' Meeting may do so only in accordance with Article II, Section 4, which provides that a shareholder may nominate a Director candidate by written notice to the Chairman of the Board or to the President of the Company not less than 150 days nor more than 180 days prior to the date of the meeting of shareholders called for the election of Directors which, for purposes of this provision, shall be deemed to be on the same day and month as the Annual Meeting of Shareholders for the preceding year. Such notice shall contain the following information to the extent known by the notifying shareholder: (a) the name and address of each proposed nominee; (b) the principal occupation of each proposed nominee; (c) the number of shares of capital stock of the Company owned by each proposed nominee; (d) the name and residence address of the notifying shareholder; (e) the number of shares of capital stock of the Company owned by the notifying shareholder; (f) the consent in writing of the proposed nominee as to the proposed nominee's name being placed in nomination for Director; and (g) all information relating to such proposed nominee that would be required to be disclosed by Regulation 14A under the Exchange Act and Rule 14a-11 promulgated thereunder, assuming such provisions would be applicable to the solicitation of proxies for such proposed nominee.

Shareholder Communications with the Board of Directors

Shareholders may communicate with the Board of Directors, including the non-management Directors, by sending a letter to First United Board of

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

Directors, c/o Robert W. Kurtz, Corporate Secretary, First United Corporation, P.O. Box 9, Oakland, Maryland, 21550. The Corporate Secretary has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications. If deemed an appropriate communication, the Corporate Secretary will submit correspondence to the Chairman of the Board or to any specific Director to whom the correspondence is directed.

The Company believes that the Annual Shareholders' Meeting is an opportunity for shareholders to communicate directly with Directors and, accordingly, expects that all Directors will attend each Annual Shareholders' Meeting. If you would like an opportunity to discuss issues directly with our Directors, please consider attending this year's Annual Shareholders' Meeting. At the 2003 Annual Shareholders' Meeting, fourteen members of the Board of Directors were in attendance.

AUDIT COMMITTEE REPORT

The Audit Committee has (i) reviewed and discussed the Company's consolidated audited financial statements for the year ended December 31, 2003 with Company management; (ii) discussed with Ernst & Young, LLP, the Company's independent auditors, all matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU ss. 380), as modified or supplemented; and (iii) received the written disclosures and the letter from Ernst & Young, LLP required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as modified or supplemented, and has discussed with the auditors the auditors' independence. The Committee meets with the internal and independent auditors, with and without management present, to discuss the overall scope and plans for their respective audits, the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the consolidated audited financial statements for the year ended December 31, 2003, be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003.

Directors' Fees

Directors' fees are paid only to Directors who are not executive officers of the Company. A Director of the Company receives \$400 for a Board meeting and \$200 for each committee meeting of the Board of which the Director is a member. Directors who are not executive officers of the Company are also paid an annual retainer fee of \$8,500. Mr. Rudy received an additional \$150 for chairing the 2003 Annual Shareholders' Meeting.

COMPENSATION PLANS

Pension Plan

The Company maintains a Defined Benefit Pension Plan (the "Pension Plan") for the purpose of providing post-retirement benefits to vested employees. The following table shows the maximum annual retirement benefits payable under the Pension Plan for various levels of compensation during the year of service:

APPROXIMATE ANNUAL BENEFIT UPON RETIREMENT AT AGE 65 BASED ON YEARS OF CREDITED SERVICE

FINAL AVERAGE COMPENSATION	YEARS OF SERVICE						
	15 YEARS	20 YEARS	25 YEARS	30 YEARS	35 YEARS	40 YEARS	45 YEARS
\$ 30,000	\$ 6,000	\$ 8,000	\$ 10,000	\$12,000	\$ 14,000	\$ 16,000	\$ 18,000
70,000	15,000	20,000	25,000	30,000	35,000	40,000	45,000
110,000	24,000	32,000	40,000	48,000	56,000	64,000	72,000
150,000	33,000	44,000	55,000	66,000	77,000	88,000	99,000
190,000	42,000	56,000	70,000	84,000	98,000	112,000	126,000
230,000	45,375	60,500	75,625	90,750	105,875	121,000	136,125

For purposes of this table, final average compensation shown is twelve times the average of the highest salary during sixty consecutive months in the last one hundred twenty months preceding normal retirement. Also, for purposes of the table, benefits are payable for life with a minimum guarantee of ten years. Benefits are computed on an actuarial basis. To convert the benefits at normal retirement to a lifetime only benefit, the amounts would be increased by a factor of 1.0677%. Social Security benefits are not shown on the table and would not reduce retirement benefits under the plan.

A table showing current compensation covered by the Pension Plan and the estimated credited years of service for the Highly Compensated Employees immediately follows the Supplemental Executive Retirement Plan discussion.

Supplemental Executive Retirement Plan

Effective November 1, 2001, the Bank's Board of Directors adopted the First

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

United Bank and Trust Supplemental Executive Retirement Plan (the "SERP"). The SERP provides supplemental retirement income to certain senior executives of the Bank designated by the Bank's Board. The executives listed in the Summary Compensation Table are also executives of the Bank and have been designated for coverage under the SERP. The SERP benefit vests upon the executive reaching Normal Retirement Age (as defined in the SERP), upon completion of 10 years of service, or upon death. The normal retirement benefit will be 2.5% of final pay for each year of service up to 24 years of service, plus 1% of final pay for each year of service above 24 up to a maximum of 29 years of service, less 50% of the executive's Social Security benefits and 100% of the benefits payable to the executive under the Company's Pension Plan. If the participant dies prior to retirement, the SERP benefit will additionally be reduced by the amount of any

-9-

death benefit payable to the participant's designated beneficiaries under the Bank's split-dollar arrangements offered in connection with the bank-owned life insurance ("BOLI") plan. In no event will the sum of the pre-retirement SERP benefit paid upon death and the benefits paid under the split-dollar arrangement exceed the normal retirement SERP benefit earned to date of death. For purposes of the SERP, a participant's Final Pay shall mean the average of the three (3) highest annual pay periods over the five (5) years preceding the participant's Normal Retirement. The following table shows the projected benefit payable by the SERP as a single life annuity for various levels of compensation and years of service.

FINAL AVERAGE COMPENSATION	YEARS OF SERVICE			
	15 YEARS	20 YEARS	25 YEARS	29 YEARS
\$ 100,000	\$ 5,790	\$11,040	\$14,790	\$12,990
125,000	9,540	16,040	20,665	18,365
150,000	13,290	21,040	26,540	23,740
175,000	17,040	26,040	32,415	29,115
200,000	20,790	31,040	38,290	34,490
225,000	30,165	43,540	53,540	50,740
250,000	39,540	56,040	68,790	66,990

The SERP Benefit is based on the annual compensation listed in the Summary Compensation Table. It is expected that the executives will have at least 29 years of service at retirement.

The executive may elect to receive benefits in a lump sum, calculated using the same actuarial assumptions as used under the Pension Plan. Amounts to pay the benefits may, at the Bank's discretion, be held in a rabbi trust. Upon a change of control, the rabbi trust must be fully funded to pay accrued benefits. In addition, upon certain terminations of employment following a change of control, the eight executives designated for coverage become entitled to at least the benefit they would receive based on 24 years of service.

The current compensation covered by the Pension Plan and by the SERP (collectively, the "Plans") and the estimated credit years of service at December 31, 2003, for each of the Highly Compensated Employees under the Plans are as follows:

Current Compensation Covered By the Plans	Estimated Credited Years of Service at 12/31/03

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

Robert W. Kurtz	\$184,319	31 Years

Philip D. Frantz	\$103,321	20 Years
Eugene D. Helbig, Jr.	\$135,791	18 Years

BOLI Plan

In 2001, the Bank made a one-time payment of \$18 million to purchase BOLI plan, which provides insurance on the lives of the Bank's executive and certain other officers. The Bank is the sole owner of the BOLI policies, has all rights with respect to the cash surrender values of the BOLI policies, and is the sole death beneficiary under the BOLI policies. The Bank has agreed, however, to endorse a portion of the death benefits payable under the BOLI policies to beneficiaries named by each covered officer. Participation in this split-dollar

-10-

arrangement can be terminated for any reason, at any time, by either the Bank or the covered officer. The Bank intends to terminate each covered officer's participation at retirement. For tax purposes, a covered officer realizes nominal income from the split-dollar arrangement each year equal to the value of that officer's life protection. If the executive officers named above were to die while employed by the Bank, the benefits payable under the split-dollar arrangement to their respective beneficiaries would be as follows: William B. Grant, \$455,000; Robert W. Kurtz, \$295,000; Jeannette R. Fitzwater, \$255,000; Phillip D. Frantz, \$225,000; Eugene D. Helbig, Jr., \$290,000; Steven M. Lantz, \$335,000; Robin M. Murray, \$250,000; and Frederick A. Thayer, IV, \$331,000.

401(k) Profit Sharing Plan

Company employees are permitted to contribute a portion of their salary to the Company's 401(k) Profit Sharing Plan. The Company makes a matching contribution equal to 50% of the amount deferred, up to 6% of an employee's salary, provided that the employee has completed at least one year of service to the Company. The Company may make additional discretionary contributions for employees equal to a percentage of each employee's salary. In 2003, the Company made \$26,877 in total matching contributions for the benefit of executive officers. No executive officer received a discretionary contribution in 2003.

Deferred Compensation Plan

Selected executives and Directors of the Company and its subsidiaries are permitted to participate in the Company's Non-Tax Qualified Deferred Compensation Plan. The plan permits each participant to defer all or a portion of his or her bonus or Directors' fees (as applicable), which income is held in a Rabbi Trust and invested in one or more investment options. Until December of 2003, these investment options included a deemed investment in shares of the Company's common stock, but this investment option has been eliminated. Subject to a hardship exemption and the instructions of the participant, the funds are distributed to the participant at termination of employment or Director status. The plan benefits are taxed to the participant at the time of distribution.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Board who performed the functions of the Compensation

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

Committee during the last completed fiscal year were: Rex W. Burton, Raymond F. Hinkle, Elaine L. McDonald, James F. Scarpelli, Sr., Richard G. Stanton and Robert G. Stuck. Mr. Stanton was formerly the Chairman of the Board, President and CEO of the Company.

COMPENSATION COMMITTEE REPORT ON COMPENSATION

The basic philosophy of the Company's compensation program is to offer competitive compensation for all executive employees, which takes into account both individual contributions and corporate performance.

Executive compensation for the Chairman of the Board/CEO, the President/CFO, and each other executive officer consists of two principal elements: (i) base salary; and (ii) incentives that are variable, fluctuate annually, and are linked to the Company's performance, and therefore at risk. Base salaries are set at levels intended to foster a career development among executives, consistent with the long-term nature of the Company's business objectives. In setting base salary levels, consideration is given to establishing salary levels that approximate the amounts paid for similar executive positions at other comparable community banking organizations. Salary adjustments and the pay for performance amounts are determined in accordance with the Annual Incentive Program established for executive officers and other members of senior management. The incentive program, which was developed in consultation with the Company's independent accountants, utilizes a targeted goal-oriented approach whereby each year the committee establishes performance goals based on the recommendation of the Chairman and CEO. The performance goals include strategic financial measures such as earnings per share, return on equity, and efficiency ratio. Each of these elements is weighted approximately the same. The measures are established annually at the start of each fiscal year and are tied directly to the Company's business strategy, projected budgeted results and competitive peer group performance.

Base salary levels for the executives in 2003 were recommended by the Compensation Committee and were approved by the non-employee Directors of the Board. Incentive compensation for the executives for 2003 was recommended in 2004 by the Compensation Committee and approved by the non-employee Directors of the Board.

The targeted goals for incentive compensation are set at levels which only reward continued exceptional Company performance. The incentive awards are expressed as a percent of base pay and measured on a range around the targeted goals with a fixed maximum incentive award.

-11-

Mr. Grant's incentive compensation was based on meeting certain financial goals (earnings per share, return on equity and the efficiency ratios). The incentive compensation for each other executive officer was based on a combination of financial goals of the Company and certain subjective goals related to the personal performance of each officer.

TRANSACTIONS WITH DIRECTORS AND EXECUTIVE OFFICERS

Edgar Filing: FIRST UNITED CORP/MD/ - Form DEF 14A

Some of the Directors and officers of the Company and their associates were customers of and had banking transactions with the Bank subsidiary of the Company in the ordinary course of business during 2003. All loans and loan commitments included in such transactions were made on substantially the same terms, including interest rate and collateral, as those prevailing at the same time for comparable transactions with others, and in the opinion of the Management of the Company, do not involve more than a normal risk of collectability or present other unfavorable features.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Exchange Act and the rules promulgated thereunder, the Company's executive officers and Directors, and persons who beneficially own more than 10% of the Company's Common Stock, are required to file certain reports regarding their ownership of Common Stock with the SEC. Based solely on a review of copies of such reports furnished to the Company, or written representations that no reports were required, the Company believes that, during the fiscal year ended December 31, 2003, such persons timely filed all reports required to be filed by Section 16(a), except that 10 current reports on Form 4 (each reporting the acquisition of phantom stock under the Company's Deferred Compensation Plan) were filed late by Karen F. Myers and one current report on Form 4 (reporting a sale of common stock) was filed late by David J. Beachy.

PERFORMANCE GRAPH

The following graph compares the performance of the Company's Common Stock for the last five years with the performance of a broad market index and a nationally-recognized industry standard assuming in each case both an initial \$100 investment on December 31, 1998 and reinvestment of dividends as of the end of the Company's fiscal years. The Company has selected the NASDAQ Total Index because prices for the Company's Common Stock are quoted on Nasdaq National Market, and the SNL \$1 billion to \$5 billion Asset-Size Index as the relevant peer group index because of the Company's asset size. In the previous fiscal year, the Company selected the SNL \$500 million to \$1 billion Asset-Size Index as the relevant peer group index. The change is a result of the fact that the Company's assets first exceeded \$1 billion in 2003. The performance of the SNL \$500 million to \$1 billion Asset-Size Index is presented for comparative purposes as required by applicable securities regulations and will not be provided in the future.

A representative of Ernst & Young LLP is not expected to be present at this year's Annual Meeting.

AUDIT FEES AND SERVICES

The following table shows the fees paid or accrued by the Company for the audit and other services provided by Ernst & Young LLP for fiscal years 2003 and 2002 :

	FY 2003	FY 2002
Audit Fees	\$ 250,900	\$ 173,450
Audit-Related Fees	33,800	30,550
Tax Fees	142,715	176,245
All Other Fees	--	109,148
Total	\$ 427,415	\$ 489,393

Fees for audit services include fees associated with the annual audit, the reviews of the Company's quarterly reports on Form 10-Q, review of other documents filed with the SEC in connection with the audit, and accounting consultations billed as audit services. Audit-related fees for 2003 principally included the audit of the Corporation's employee benefit plans and accounting consultation in connection with corporate governance matters. Audit-related fees for 2002 principally included the audit of the Corporation's employee benefit plans. Tax fees included tax compliance such as tax return preparation, tax advice and tax planning. For 2002, all other fees included a cash management study that was conducted. In 2003, the SEC adopted a rule pursuant to the federal Sarbanes-Oxley Act of 2002 that, except with respect to certain de minimis services discussed below, requires Audit Committee pre-approval of audit and non-audit services provided by the Company's independent auditors. All of the 2003 services described above were pre-approved by the Audit Committee pursuant to this SEC rule to the extent that rule was applicable during fiscal year 2003.

It is the Audit Committee's policy to pre-approve all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Corporation by its independent auditors, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act, which are approved by the Audit Committee prior to the completion of the independent auditor's audit. The Audit Committee has reviewed summaries of the services provided by Ernst & Young, LLP and the related fees and has determined that the provision of non-audit services is compatible with maintaining the independence of Ernst & Young, LLP.
