I. As to the Election of Directors

Unitil's By-Laws provide for a Board of between nine and fifteen Directors divided into three classes, each class being as nearly equal in number as possible, and each with their respective terms of office arranged so that the term of office of one class expires in each year, at which time a corresponding number of Directors is elected for a term of three years. Unitil currently has eleven Directors.

The Board of Directors has a stock ownership policy that no person be nominated as a candidate for Director for election to a second term as part of the slate of Directors proposed by the Company unless he or she is a beneficial owner, either directly or indirectly, of at least 1,000 shares of Unitil Common Stock. The Board of Directors also has an age limitation policy that has been in effect since January, 1999, which provides that no person be nominated as a candidate for Director for reelection as part of the slate of Directors proposed for election by the Company after he or she has reached age 70.

Information About Nominees for Directors

Each nominee has been a member of the Board of Directors since the date indicated. Proxies will be voted for the persons whose names are set forth below unless instructed otherwise. If any nominee shall be unable to serve, the proxies will be voted for such person as may be designated by management to replace such nominee. The Board of Directors met seven times in 2002. During 2002, Directors attended an average of 95% of all meetings of the Board of Directors held and of all meetings held by all Committees of the Board on which they served, if any.

Section 17(a) of the Public Utility Holding Company Act of 1935 and Section 16(a) of the Securities Exchange Act of 1934 require the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file certain reports of ownership and changes in share ownership with the Securities and Exchange Commission and the American Stock Exchange and to furnish the Company with copies of all Section 17(a) and Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that such forms were not required for those persons, the Company believes that all filing requirements applicable to its officers and directors during 2002 and through February, 2003, were met.

In 2002, the enactment of the Sarbanes-Oxley Act of 2002 (Sarbanes-Oxley), and the subsequent rules emanating from the Securities & Exchange Commission (SEC) incorporating the requirements of Sarbanes-Oxley, as well as the governance changes proposed by the American Stock Exchange (AMEX), have elevated corporate governance to extraordinary heights. In response to the new legislation and rules, the Company, with the Board's oversight, is developing a comprehensive Corporate Governance Compliance Plan to address the emerging issues concerning corporate governance and financial disclosure.

The Company has closely followed the legislatively mandated changes of Sarbanes-Oxley and recommendations and proposals made by other groups such as the AMEX, the New York Stock Exchange and the SEC relative to the governance of the Company. The Company will continue to monitor all new developments and adopt changes and institute procedures as may be warranted or appropriate.

All Directors are entitled to reimbursement of expenses incurred in connection with attendance at meetings of the Board of Directors and any Committee on which they serve.

As part of the Company's overall support for charitable institutions, the Company has a program that provides a perpetual gift of \$1,000 annually to the Greater Seacoast United Way (United Way) on behalf of each Director who retires from the Board. The Director(s) receive no financial benefit from this program as the charitable deductions accrue solely to the Company. No Directors retired from the Board in 2002.

In 1999, the Board of Directors approved the Unitil Corporation Directors' Deferred Compensation Plan (Deferred Plan) for the purpose of allowing non-employee members of the Board to defer payment of all or a specified part of compensation for services performed as a Director. The Deferred Plan is administered by the Compensation Committee and stipulates that eligible Directors may elect to defer all or a portion of their cash retainer and meeting fees. Separate accounts are maintained for each Director participant, which are an unfunded liability of the Company. Additionally, accounts are credited monthly with interest based on the current rate of 60-month Treasury bills. Funds contributed and interest credited is tax deferred until withdrawn from the Deferred Plan. Director participants may elect to withdraw funds from the Deferred Plan after a fixed amount of time, upon resignation or retirement from the Board, upon death or disability, or upon a Change in Control. Withdrawals may be taken in cash, either in one lump sum or in a series of installments. During 2002, no Directors participated in the Deferred Plan.

Committees of the Board of Directors

Executive Committee

The Executive Committee of the Board of Directors held three meetings in 2002. Its members are Albert H. Elfner, III (Chairman), Eben S. Moulton, M. Brian O' Shaughnessy, Robert G. Schoenberger, and Charles H. Tenney III. This Committee's responsibility is to review and oversee corporate policies related to the Company's long-range strategic business, financial and operating plans. In addition, the Executive Committee also acts as a nominating committee. In its function as a nominating committee, the Committee coordinates suggestions or searches for potential nominees for Board members; reviews and evaluates qualifications of potential Board members; and recommends to the Board of Directors nominees for vacancies occurring from time to time on the Board of Directors. The Committee will consider nominees recommended by shareholders upon timely submission of the names of such nominees with qualifications and biographical information forwarded to the Executive Committee of the Board of Directors. The Executive Committee's duties also include the review and recommendation of corporate governance standards and the annual review of Board member and CEO performance.

Audit Committee

The Audit Committee of the Board of Directors consists of three directors who are not officers of the Company and are independent as currently defined by the Securities and Exchange Commission and the listing standards of the American Stock Exchange. The Audit Committee held six meetings in 2002 for the purpose of discharging its responsibilities in accordance with the Audit Committee Charter (Charter). The members of the Audit Committee are Ross B. George (Chairman), Edward F. Godfrey and Dr. Sarah Potts Voll. Dr. Voll was appointed to the Audit Committee on January 16, 2003, to fill the vacancy created by the resignation of William E. Aubuchon, III, from the Board of Directors. Mr. Aubuchon served on the Audit Committee from April, 2000 until his resignation from the Board on January 16, 2003. The Report of the Audit Committee, which appears below, and the Charter, which appears in Appendix A, more fully describe the activities and responsibilities of the Audit Committee.

Compensation Committee

The Compensation Committee of the Board of Directors consists of three directors who are independent as defined by the current listing standards of the American Stock Exchange. The Compensation Committee held four meetings in 2002 and consists of David P. Brownell, Michael B. Green and Eben S. Moulton (Chairman). The duties of this Committee include studying and making recommendations to the Board of Directors with respect to base and incentive compensation plans and payments and other benefits to be paid to the officers of Unitil. The Compensation Committee's duties also include the annual review of management succession planning, administration of the Company's Restricted Stock and Stock Option Plans, administration of merit, incentive and commission compensation plans for all appropriate personnel and administration of the Directors' Deferred Compensation Plan.

Report of the Audit Committee

In accordance with the Charter, the Audit Committee is responsible for providing independent and objective oversight of the Company's accounting functions, internal controls and financial reporting. The Audit Committee is also directly responsible for the appointment, compensation and oversight of the work of the Company's independent auditor. Annually, the Audit Committee reviews the Charter and adopts any amendments necessary to reflect changes governing financial reporting and accounting requirements or its responsibilities. A copy of the Audit Committee Charter as amended on February 21, 2003, is attached to this Proxy Statement as Appendix A.

During 2002, the Audit Committee discussed the effect of the Sarbanes-Oxley Act of 2002 and proposals issued by the Securities and Exchange Commission and American Stock Exchange on the Audit Committee's responsibilities. The Audit Committee also reviewed the audit plan and audit scope of both the independent auditors (Grant Thornton, LLP) and the internal auditor. The Audit Committee discussed the quality and adequacy of the Company's internal controls with senior management, the internal auditor and the independent auditors. These discussions also included a review of the results of the internal audits performed including follow-up on previous internal and external audit recommendations as well as an overview of ongoing compliance matters. In addition, the Audit Committee retained the independent auditors to perform non-audit services. In doing so, the Audit Committee determined that the non-audit services would not impact the objectivity of the independent auditors. The independent auditor's fees incurred for the fiscal year are itemized below:

<u>Audit Fees</u> (for quarterly reviews and annual financial audit)	\$120,000
<u>All Other Fees</u> (includes accounting services for investment activities, regulatory services, tax services, and employee benefit plan audits)	\$ 58,742
<u>Financial Information Systems Design & Implementation Fees</u>	\$ 0

In discharging its oversight responsibility regarding the audit process, the Audit Committee received a written statement from the independent auditors describing all relationships between the auditors and the Company that might bear on their independence, consistent with Independence Standards Board Standard No. 1 Independence Discussions with Audit Committees. In addition, the Audit Committee discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. The Audit Committee also discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61 Communication with Audit Committees.

During 2002, the Audit Committee members received the quarterly financial information for review and comment prior to the filing of Form 10-Q with the Securities and Exchange Commission. In fulfilling its responsibilities for the financial statements, the Audit Committee also reviewed the audited financial statements of the Company for the fiscal year ended December 31, 2002, with management and the independent auditors. Based on the reviews with management and the independent auditors, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the Securities and Exchange Commission.

NOTES:

⁽¹⁾ Dr. Voll was appointed to the Audit Committee on January 16, 2003, to fill the vacancy created by the resignation of William E. Aubuchon, III, from the Board of Directors. Mr. Aubuchon served on the Audit Committee from April, 2000, until his resignation from the Board on January 16, 2003.

Report of the Compensation Committee

General Compensation Policies

The overall objective of the Company's compensation policies for executive officers, as recommended by the Compensation Committee (the Committee) and approved by the Board of Directors, is to attract, retain and reward persons who are committed to achieving solid financial performance and excellence in the management of the assets of the Company. Accordingly, the Committee has recommended and the Board has approved policies which provide compensation to executive officers that varies directly with the performance of the Company.

The Company pays both base and variable compensation to its officers. The base component of compensation is determined under Unitil's salary policy, which is reviewed from time to time by outside consultants to ensure its competitiveness with other investor-owned electric and gas utility companies. Variable compensation is based on factors that measure the success of the Company for any given year and is governed by the Unitil Management Incentive Plan (Incentive Plan). These factors are the same for both executive officers and other employees to ensure that all employees are focused on common bottom line business and operational outcomes. Under the Incentive Plan, officers can receive a target cash bonus if the Company meets certain pre-set goals that are set at the beginning of each year. In 2002 the goals were identified as Earnings Per Share, Reliability, Low Distribution Costs, Customer Satisfaction and Usource Revenues. The percentage of the target bonus that an officer receives is determined after the end of the year and is also based upon subjective evaluations by the Committee, such as management's performance in capitalizing on unplanned opportunities and responding to unforeseen problems. Each officer's target bonus is set by the relative level of such officer's executive position according to other electric and gas utility companies.

The 2002 targets for Customer Satisfaction, Low Distribution Costs, and Usource Revenues established by the Committee were met. After taking into consideration such factors as the transformational nature of 2003, including, among many other significant accomplishments, the successful completion of the restructuring of the Company and the successful completion of four rate cases, the Committee determined that an incentive payout of 85% of target bonuses would be appropriate for 2002. The payment of 2002 bonuses under the Incentive Plan will be made during the first quarter of 2003, and is therefore reflected in the Compensation of Officers Table in this Proxy Statement.

At its December, 2002 meeting, the Committee recommended that further grants of options under the 1998 Option Plan be terminated, and that the Company adopt a Restricted Stock Plan in its place. The Committee did so in part in the belief that a Restricted Stock Plan would better tie executive officer compensation to the long-term success of the Company through stock ownership in the Company. At its January 2003 meeting, the Board approved the Committee's recommendations, and accordingly no further grants of options under the Option Plan will occur. The Restricted Stock Plan was approved by the Board, subject to ratification and approval by the shareholders of the Company. No awards of Restricted Stock under the Restricted Stock Plan have occurred.

Compensation of the Chief Executive Officer

The Board of Directors approves the compensation of the Chief Executive Officer, as recommended to it by the Compensation Committee. The Committee decides upon the compensation of all other Company executive officers, as well as other senior employees. The Board ratifies these decisions of the Committee.

The compensation of the Chief Executive Officer (CEO), is governed by the same plans and objectives as outlined above for all executive officers. As Chairman of the Board and CEO, Mr. Schoenberger was paid an annual base salary of \$304,000 in 2002. This amount was determined both with reference to the terms of Mr. Schoenberger's employment agreement, which calls for a base salary of \$292,000 per annum with an annual performance and salary review, and Unitil's general salary policy. Under the Incentive Plan, Mr. Schoenberger was paid a bonus of \$129,200. Mr. Schoenberger's incentive compensation is evaluated using the same factors as the other executive participants in the Incentive Plan, as discussed above.

Key Employee Stock Option Plan (KESOP)

The KESOP was adopted by the Board of Directors on January 17, 1989, and approved by the Company's shareholders on July 11, 1989. The KESOP authorized the Compensation Committee to provide in the award agreements that the participant's right to exercise the options provided

Edgar Filing: UNITIL CORP - Form DEF 14C

for therein will be accelerated upon the occurrence of a Change in Control of Unitil. The term Change in Control is defined in substantially the same manner as in the Severance Agreements, as described on page 19. Award agreements entered into with participants in the KESOP contain such a Change in Control provision. Award agreements also provide that, upon the exercise of an option on or after a Change in Control, Unitil shall pay to the optionee, within five business days, a lump sum cash amount equal to the economic benefit of the optionee's outstanding options and associated dividend equivalents that the optionee would have received had the option remained unexercised until the day preceding the expiration of the grant.

Upon the exercise of any option by an employee and upon payment of the option price for shares of Unitil Common Stock as to which the option was granted (the Primary Shares), Unitil will cause

to be delivered to such employee (i) the Primary Shares and (ii) the number of shares of Unitil Common Stock (the Dividend Equivalent Shares) equal to the dollar amount of dividends which would have been paid on the Primary Shares (and previously accrued Dividend Equivalent Shares) had they been outstanding, divided by the fair market value of Unitil Common Stock determined as of the record date for each dividend. All options granted under the KESOP, excluding Mr. Schoenberger's options, described below, were granted in 1989 with an expiration date of 1999. All such options were exercised prior to March 7, 1999.

In accordance with the terms of Mr. Schoenberger's 1997 employment agreement, on November 3, 1997, 25,000 options to purchase shares of Company stock were granted to Mr. Schoenberger under the KESOP. The options granted to Mr. Schoenberger became exercisable on November 3, 1998. In 1998, the Compensation Committee extended the expiration date of Mr. Schoenberger's options until November 3, 2007. As of December 31, 2002, Mr. Schoenberger's 25,000 options were the only options outstanding under the KESOP and Mr. Schoenberger is the only participant in the KESOP.

The Unitil Corporation 1998 Stock Option Plan (Option Plan)

In December, 1998, the Board of Directors adopted the Unitil Corporation 1998 Stock Option Plan (Option Plan). The purpose of the Option Plan was to provide an incentive to key employees and directors of Unitil and its affiliates who are in a position to contribute materially to the long-term success of Unitil and/or its affiliates, to increase their interest in the welfare of Unitil and its affiliates, and to attract and retain employees and directors of outstanding ability. The Company had originally intended to grant stock options under the Option Plan each year through March 1, 2004, to certain employees and directors, for the purchase of up to 350,000 shares of Unitil Common Stock.

On January 16, 2003, the Board of Directors terminated the Option Plan upon the recommendation of the Compensation Committee. The Compensation Committee also recommended that the Company adopt a Restricted Stock Plan to replace the Option Plan. (See II. As to the Approval of a Restricted Stock Plan, below.) The Option Plan will remain in effect solely for the purposes of the continued administration of all options currently outstanding under the Option Plan. No further grants of options will be made thereunder.

Stock options granted under the Option Plan entitle the holders of those options to purchase up to the number of shares of common stock specified in the grant at a price established by the Committee. All grants were issued at 100% of market value at the time of the grant. Each option grant has a vesting period of three years and each grant expires ten years after the date of grant.

The Compensation Committee is charged with the administration of the Option Plan. The Option Plan authorizes the Compensation Committee to provide in the award agreements that the participant's right to exercise the options provided for therein will be accelerated upon the occurrence of a Change in Control of Unitil. The term Change in Control is defined in substantially the same manner as in the Severance Agreements, as described on page 18. All of the award agreements entered into with participants in the Option Plan to date contain such a Change in Control provision.

To date, grants were made to certain management employees in March, 1999, January, 2000, and January 2001. No grants were made to any Option Plan participants in 2002.

Non-Equity Compensation Plan Benefit Information

The Company has in place, since December, 1998, a Management Incentive Plan and an Employee Incentive Plan to provide cash incentive payments that are tied directly to achievement of the Company's strategic goals. Annual goals are established each year by the Board of Directors and payment of awards is made in February of the year following achievement of the goals. Target incentive payments have been established that vary based upon the grade level of each position. Actual awards can be less than or greater than the target payout depending upon actual results achieved.

Unitil maintains a tax-qualified defined benefit pension plan and related trust agreement (the Retirement Plan) that provides retirement annuities for eligible employees of Unitil and its subsidiaries. Since the Retirement Plan is a defined benefit plan, no amounts were contributed or accrued specifically for the benefit of any officer of Unitil under the Retirement Plan. Directors of Unitil who are not and have not been officers of Unitil or any of its subsidiaries are not eligible to participate in the Retirement Plan.

The table below sets forth the estimated annual benefits (exclusive of Social Security payments) payable to participants in the specified compensation and years of service classifications, assuming continued active service until retirement. The average annual earnings used to compute the annual benefits are subject to a \$200,000 limit.

PENSION PLAN TABLE

Average Annual Earnings Used for Computing Pension	ANNUAL PENSION					
	15 Years of Service	20 Years of Service	25 Years of Service	30 Years of Service	35 Years of Service	40 Years of Service
\$100,000	30,000	40,000	45,000	50,000	52,250	55,000
125,000	37,500	50,000	56,250	62,500	65,625	68,750
150,000	45,000	60,000	67,500	75,000	78,750	82,500
200,000	60,000	80,000	90,000	100,000	105,000	110,000

The present formula for determining annual benefits under the Retirement Plan's life annuity option is (i) 2% of average annual salary (average annual salary during the five consecutive years out of the last twenty years of employment that give the highest average salary) for each of the first twenty years of benefit service, plus (ii) 1% of average annual salary for each of the next ten years of benefit service and (iii) 1/2% of average annual salary for each year of benefit service in excess of thirty, minus (iv) 50% of age 65 annual Social Security benefit (as defined in the Retirement Plan), and (v) any benefit under another Unitil retirement plan of a former employer for which credit for service is given under the Retirement Plan. A participant is eligible for early retirement at an actuarially reduced pension upon the attainment of age 55 with at least 15 years of service with Unitil or one of its subsidiaries. A participant is 100% vested in his benefit under the Retirement Plan after five years of service with Unitil or one of its subsidiaries. As of January 1, 2003, Messrs. Schoenberger, Dalton, Baratta, Gantz and Collin had 5, 35, 5, 19 and 14 credited years of service, respectively, under the Retirement Plan.

Unitil also maintains a Supplemental Executive Retirement Plan (SERP), a non-qualified defined benefit plan. SERP provides for supplemental retirement benefits to executives selected by the Board of Directors. At the present time, Messrs. Schoenberger and Dalton are eligible for SERP benefits upon attaining normal or early retirement eligibility. Annual benefits are based on a participant's final average earnings less the participant's benefits payable under the Retirement Plan, less other retirement income payable to such participant by Unitil or any previous employer and less income that a participant receives as a primary Social Security benefit. Early retirement benefits are available to a participant, with the Unitil Board's approval, if the participant has attained age 55 and completed 15 years of service. Should a participant elect to begin receiving early retirement benefits under SERP prior to attaining age 60, the benefits are reduced by 5% for each year that commencement of benefits precedes attainment of age 60. If a participant terminates employment for any reason prior to retirement, the participant will not be entitled to any benefits. Under the SERP, Mr. Schoenberger would be entitled to receive an annual benefit of \$51,700, assuming normal retirement at age 65 and that his projected final average earnings are equal to the average of his respective three consecutive years of highest compensation prior to retirement. On Mr. Dalton's retirement date of April 1, 2003, at age 62, his annual SERP benefit will be \$41,341.

Unitil and certain subsidiaries maintain severance agreements (the Severance Agreements) with certain management employees, including Executive Officers. The Severance Agreements are intended to help assure continuity in the management and operation of Unitil and its subsidiaries in the event of a proposed Change in Control . Each Severance Agreement only becomes effective upon the occurrence of a Change in Control of Unitil as defined in the Severance Agreements. If an employee's stipulated compensation and benefits, position, responsibilities and other conditions of employment are reduced during the thirty-six month period following a Change in Control, the employee is entitled to a severance benefit.

The severance benefit is a lump sum cash amount equal to (i) the present value of three years' base salary and bonus; (ii) the present value of the additional amount the employee would have received under the Retirement Plan if the employee had continued to be employed for such thirty-six month period; (iii) the present value of contributions that would have been made by Unitil or its subsidiaries under the 401(k) if the employee had been employed for such thirty-six month period; and (iv) the economic benefit on any outstanding Unitil stock options and associated dividend equivalents, if applicable, assuming such options remained unexercised until the day preceding the expiration of the grant, including the spread on any stock options that would have been granted under the Option Plan if the employee had been employed for such thirty-six month period. Each Severance Agreement also provides for the continuation of all employee benefits for a period of thirty-six months, commencing with the month in which the termination occurred. In addition, pursuant to each Severance Agreement, Unitil is required to make an additional payment to the employee sufficient on an after-tax basis to satisfy any additional individual tax liability incurred under Section 280G of the Internal Revenue Code of 1986, as amended, with respect to such payments.

The Company entered into an initial employment agreement with Mr. Schoenberger on November 1, 1997. Upon the expiration of the 1997 Agreement, the Company entered into a second employment agreement (the 2000 Agreement) with Mr. Schoenberger on November 1, 2000. The term of the 2000 Agreement is for three years with an expiration date of October 31, 2003. Under the terms of the 2000 Agreement, Mr. Schoenberger will receive an annual base salary of \$292,000,

which is subject to annual review by the Board for discretionary periodic increases in accordance with the Company's compensation policies. In 2002, Mr. Schoenberger's base salary was \$304,000. Mr. Schoenberger is entitled to continued participation in the Company's SERP, Executive Supplemental Life Insurance Program and all other employee benefit plans made available by the Company. The 2000 Agreement provides that Mr. Schoenberger shall participate in the Management Incentive Plan, which is described in the Compensation Committee Report on pages 12 through 16, and also on page 18, and the Option Plan, which is described on page 17, or any stock option or similar plan of the Company. The agreement also provides that the Severance Agreement, entered into on February 6, 1998, by and between Mr. Schoenberger and the Company, remain in effect. The Severance Agreement is more fully described on page 19. The 2000 Agreement also provides that the Company, by action of the Board, may terminate Mr. Schoenberger's employment for any reason. If Mr. Schoenberger's employment is terminated by the Company during the term of the 2000 Agreement for any reason other than cause, death or disability, or if Mr. Schoenberger terminates his employment because of a constructive termination, the Company shall pay Mr. Schoenberger a combination of (i) base pay at the rate in effect on the date of employment termination, (ii) an annual amount equal to the average of the annual bonus amounts received by Mr. Schoenberger in the two calendar years preceding the year in which termination occurs, and (iii) benefits, in each case for a period of two years following the date of termination. If during such two-year period Mr. Schoenberger shall secure full-time employment, the Company's obligation to provide benefits shall cease. All such payments described above will be made in accordance with the Company's regular payroll policies.

II. As to the Approval of a Restricted Stock Plan

--	--	--

At its January, 2003, meeting, the Board of Directors approved the recommendation of the Compensation Committee to adopt a Restricted Stock Plan (the Plan) to replace the Unitil Corporation 1998 Stock Option Plan, which was terminated by the Board at the same January, 2003, meeting. The Compensation Committee made the recommendation in part in the belief that the Plan would better tie executive officer compensation to the long-term success of the Company through stock ownership in the Company. Participants in the Plan are selected by the Compensation Committee from the eligible Participants to receive an annual award of restricted shares of Company Common Stock. The size of the award is dependent upon the Company meeting certain strategic objectives set by the Board of Directors.

The Plan was approved by the Board, subject to ratification and approval by the shareholders of the Company at the 2003 Annual Meeting of Shareholders. No awards under the Plan will occur until after any such shareholder approval is obtained.

The objectives of the Plan are to optimize the profitability and growth of the Company through incentives that are consistent with the Company's goals and that link the personal interests of Participants to those of the Company's shareholders, to attract and retain employees and directors of outstanding ability, and to promote teamwork among participants. The Plan shall remain in effect, subject to the right of the Board to amend or terminate the Plan at any time, until all shares subject to it shall have been purchased or acquired according to the Plan's provisions.

Administration of the Plan

The Plan is administered by the Compensation Committee. Except as limited by law or by the Articles of Incorporation or the By-laws of the Company, and subject to the provisions of the Plan, the Compensation Committee shall have full power to select the persons who shall participate in the Plan; determine the sizes of awards; determine the terms and conditions of awards in a manner consistent with the Plan; construe and interpret the Plan and any agreement or instrument entered into under the Plan as they apply to participants; establish, amend, or waive rules and regulations for the Plan's administration as they apply to participants; and, subject to the provisions of the Plan, amend the terms and conditions of any outstanding award to the extent such terms and conditions are within the discretion of the Compensation Committee as provided in the Plan.

Types of Awards Under the Plan

Awards under the Plan will be granted in the form of restricted shares of the Company's Common Stock. Awards shall be evidenced by an Award Agreement, entered into by the participant and the Company, setting forth the terms and provisions applicable to the award. The Company anticipates granting awards under the Plan on an annual basis.

Criteria Used to Determine Awards

Awards under the Plan will vary each year based on the achievement of annual performance objectives that directly correlate with the annual performance objectives as defined by the Unitil Management Incentive Plan (Incentive Plan). The Incentive Plan is described more fully on page 18 and in the Compensation Committee Report on pages 12 and 13. Whereas the Incentive Plan provides cash incentive payments that are tied directly to achievement of the Company's strategic goals, the Plan will provide Awards of Restricted Shares of Company Common Stock that are tied directly to achievement of the Company's strategic goals. Annual performance objectives are established each year by the Board of Directors. The percentage of the target award that a Plan participant receives is also based upon subjective evaluations by the Compensation Committee, such as management's performance in capitalizing on unplanned opportunities and responding to unforeseen problems. Target grant awards have been established that vary based upon the grade level of each participant's position in the Company. Actual awards can be less than or greater than the target grant depending upon actual results achieved.

Key Components of the Plan

Awards will fully vest over a period of four (4) years (the Period of Restriction) at a rate of 25% each year. During the Period of Restriction, the restricted shares may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated. Prior to the end of the Period of Restriction, the restricted shares shall be subject to forfeiture if the participant ceases to be employed by the Company other than due to the participant's death. Subject to restrictions under applicable law or as may be imposed by the Company, restricted shares underlying each award made under the Plan shall become freely transferable by the Participant after the last day of the applicable Period of Restriction.

The Company shall retain the certificates representing the restricted shares in the Company's possession until such time as all conditions and/or applicable restrictions have been satisfied.

During the Period of Restriction, participants holding restricted shares granted under the Plan shall have all the rights of a shareholder of the Company, including the right to vote the restricted shares during the Period of Restriction. Any cash dividends paid on the restricted shares during the Period of Restriction may be credited to the participant's account, and may be subject to such restrictions as the Compensation Committee may determine to be appropriate and as are set forth in the particular Award Agreement. In the event any non-cash dividends or other distributions, whether in property, or in stock of another company, are paid on any restricted shares during the Period of Restriction, such non-cash dividends or other distributions shall be retained by the Company until such time as the Period of Restriction has lapsed. In the event of forfeiture of the restricted shares, such non-cash dividend or other distributions shall be retained by the Company.

Awards may be grossed-up to offset the participant's tax obligation in connection with the award. This gross-up feature was intended to prevent a participant from having to sell a portion of the shares granted in the award or previous awards in order to pay the taxes on the award, which would be a direct contradiction to one of the stated objectives of the Plan, which is to encourage stock ownership in the Company. The Compensation Committee will take into account the value of the gross-up feature and reduce the size of the awards accordingly.

Upon the occurrence of a Change in Control, unless otherwise specifically prohibited under applicable laws, or by the rules and regulations of any governing governmental agencies or national securities exchanges, any restrictions and transfer limitations imposed on Restricted Shares shall immediately lapse. The term "Change in Control" is defined in substantially the same manner as in the Severance Agreements, as described on page 19.

The Compensation Committee shall have the authority to impose additional conditions and/or restrictions on any shares of restricted stock granted pursuant to the Plan as it may deem advisable.

Number of Shares Subject to Awards

The maximum number of shares of Restricted Stock available for awards to participants under the Plan is 177,500. The maximum aggregate number of shares of Restricted Stock that may be awarded in any one calendar year to any one participant is 20,000. In the event of any change in capitalization of the Company, the Compensation Committee is authorized to make proportionate adjustments to prevent dilution or enlargement of rights, including, without limitation, an adjustment in the maximum number and kinds of shares available for awards and in the annual award limit.

Persons Eligible to Participate and Basis For Participation in the Plan

Persons eligible to participate in the Plan include all employees, directors and consultants of the Company, its subsidiaries and its affiliates. The Company currently has 316 employees, nine independent non-employee Directors, and several consultants. The basis for participation in the Plan is discretionary on the part of the Compensation Committee.

Amendment or Termination of the Plan

The Board may at any time amend or terminate the Plan or any award granted under the Plan in whole or in part, that no amendment that requires shareholder approval in order for the Plan to continue to comply with any applicable tax or securities laws or regulations, or the rules of any

securities exchange on which the securities of the Company are listed, shall be effective unless such amendment shall be approved by the requisite vote of shareholders of the Company and that no such amendment or termination shall adversely affect any award previously granted under the Plan without the consent of the participant.

The table below provides information with respect to the projected value of awards which may be granted annually to the indicated individuals and groups under the Plan.

NOTES:

(1) Mr. Dalton and Mr. Baratta are not included in the table since awards under the Plan will only be made subsequent to the retirement dates of Mr. Dalton and Mr. Baratta.

(2) For illustrative purposes in the table, the per share market value is calculated using the average of the daily averages of the high and low sales prices of the Company's Common Stock for the last five trading days on which the Company's Common Stock was traded prior to and including the record date, February 20, 2003, for a value of \$25.243. Actual market value for each award granted under the Plan will be the closing price of Unitil Common Stock on the day the award becomes vested.

(3) To account for the tax gross-up feature of the Plan, the dollar value for each participant is calculated by dividing the market value of the Award by 0.6535.

(4) The number of shares shown in the table is the number of shares which the Compensation Committee has tentatively decided to grant to the named individuals and groups if shareholders approve the Plan.

III. As to Other Matters to Come Before the Meeting

The Board of Directors does not intend to bring before the meeting any matters other than the two referred to above and knows of no other matters that may properly come before the meeting. If any other matters or motions come before the meeting, it is the intention of the persons named in the accompanying form of proxy to vote such proxy in accordance with their judgment on such matters or motions, including any matters dealing with the conduct of the meeting.

The Board of Directors has selected and employed the firm of Grant Thornton as Unitil's independent certified public accountants to audit Unitil's financial statements for the fiscal year 2002. A representative of the firm will be present at the meeting and will be available to respond to appropriate

questions. It is not anticipated that such representative will make a prepared statement at the meeting; however, he will be free to do so if he so chooses.

Shareholder Proposals

Any proposal submitted by a shareholder of Unitil for inclusion in the proxy material for the 2004 annual meeting of shareholders must be received by Unitil at its Corporate Headquarters not later than November 11, 2003. Any shareholder proposal for consideration at the 2004 annual meeting will be considered untimely unless received by Unitil at its corporate headquarters not later than January 25, 2004.

Solicitation, Revocation and Use of Proxies

Shares of Unitil Common Stock represented by properly executed proxies received by Unitil prior to or at the meeting will be voted at the meeting in accordance with the instructions specified on the proxies. If no instructions are specified on such proxies, shares will be voted FOR the election of the nominees for Directors. Abstentions and non-votes will have the same effect as negative votes.

Any Unitil shareholder who executes and returns a proxy has the power to revoke such proxy at any time before it is voted by filing with the Secretary of Unitil, at the address of Unitil shown below, written notice of such revocation or a duly executed proxy bearing a later date, or by attending and voting in person at the meeting. Attendance at the meeting will not in and of itself constitute a revocation of a proxy.

Unitil will bear the costs of solicitation by the Board of Directors of proxies from Unitil shareholders. In addition to the use of the mail, proxies may be solicited by the Directors, officers and employees of Unitil by personal interview, telephone or otherwise. Such Directors, officers and employees will not be additionally compensated, but may be reimbursed for out-of-pocket expenses in connection with such solicitation. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held of record by such persons, and Unitil may reimburse such custodians, nominees and fiduciaries for reasonable out-of-pocket expenses in connection with the forwarding of solicitation material

By Order of the Board of Directors,

Sandra L. Whitney
Secretary

Unitil will furnish without charge to any shareholder entitled to vote and to any beneficial owner of shares entitled to be voted at the annual meeting of common shareholders, to be held April 17, 2003, a copy of its annual report on Form 10-K, including financial statements and schedules thereto, required to be filed with the Securities and Exchange Commission for the fiscal year 2002, upon written request to Mark H. Collin, Senior Vice President, Chief Financial Officer & Treasurer, Unitil Corporation, 6 Liberty Lane West, Hampton, NH 03842-1720.

Article 3: Administration

3.1 The Committee. The Plan shall be administered by the Committee. To the extent the Company deems it to be necessary or desirable with respect to any Awards made hereunder, the members of the Committee may be limited to Nonemployee Directors or Outside Directors, who shall be appointed from time to time by, and shall serve at the discretion of, the Board.

3.2 Authority of the Committee. Except as limited by law or by the Articles of Incorporation or the By-laws of the Company, and subject to the provisions herein, the Committee shall have full power to select the persons who shall participate in the Plan; determine the sizes of Awards; determine the terms and conditions of Awards in a manner consistent with the Plan; construe and interpret the Plan and any agreement or instrument entered into under the Plan as they apply to Participants; establish, amend, or waive rules and regulations for the Plan's administration as they apply to Participants; and (subject to the provisions of Article 13 herein) amend the terms and conditions of any outstanding Award to the extent such terms and conditions are within the discretion of the Committee as provided in the Plan. Further, the Committee shall make all other determinations which may be necessary or advisable for the administration of the Plan. As permitted by law, the Committee may delegate its authority as identified herein.

3.3 Decisions Binding. All determinations and decisions made by the Committee pursuant to the provisions of the Plan and all related orders and resolutions of the Board shall be final, conclusive and binding on all persons, including the Company, its shareholders, Affiliates, Participants, and their estates and beneficiaries.

Article 4: Shares Subject to the Plan and Maximum Awards

4.1 Number of Shares Available for Grants.

a) Subject to adjustment as provided in Section 4.2, the maximum number of Shares available for Awards to Participants under the Plan shall be 177,500. If any Award under the Plan expires before vesting or is forfeited, the Shares subject to such Award shall again be available for issuance under the Plan.

b) The maximum aggregate number of Shares of Restricted Stock that may be granted in any one calendar year to any one Participant shall be 20,000, subject to adjustment in accordance with Section 4.2.

4.2 Adjustments in Authorized Shares. In the event of any change in corporate capitalization affecting the Shares, including, without limitation, a stock split, reverse stock split, stock dividend or other distribution, recapitalization, consolidation, subdivision, split-up, spin-off, split-off, combination or other exchange of Shares or other form of reorganization or recapitalization, partial or complete liquidation, or other change affecting the Shares, the Committee shall authorize and make such proportionate adjustments, if any, as the Committee shall deem appropriate to prevent dilution or enlargement of rights, including, without limitation,

an adjustment in the maximum number and kind of Shares that may be delivered pursuant to Section 4.1 and in the Award limit set forth in Section 4.1(b); provided, however, that the number of Shares subject to any Award shall always be rounded to the nearest whole number, with one-half ($\frac{1}{2}$) of a share rounded up to the next higher number.

Article 5: Eligibility and Participation

5.1 Eligibility. Persons eligible to participate in this Plan include all Employees, Directors and Consultants of the Group.

5.2 Actual Participation. Subject to the provisions of the Plan, the Committee may, from time to time, select from all eligible Employees, Directors and Consultants those to whom Awards shall be made and shall determine the nature and amount of each Award.

Article 6: Restricted Stock

6.1 Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to Participants in such amounts as the Committee shall determine.

6.2 Restricted Stock Agreement. Each Restricted Stock grant shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock granted, and such other provisions as the Committee shall determine.

6.3 Transferability. Except as provided in this Article 6, the Shares of Restricted Stock granted herein may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated until the end of the applicable Period of Restriction established by the Committee and specified in the Award Agreement.

6.4 Restrictions.

a) Subject to the terms hereof, the Committee shall impose such conditions and/or restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable and as are expressly set forth in the Award Agreement including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock, restrictions based upon the achievement of specific performance goals (Company-wide, divisional, and/or individual), time-based restrictions, and/or restrictions under applicable federal or state securities laws.

b) The Company shall retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied. The Participant shall execute appropriate stock powers in blank and such other documents as the Committee shall prescribe.

c) Subject to restrictions under applicable law or as may be imposed by the Company, Restricted Shares covered by each Award made under the Plan shall become freely transferable by the Participant after the last day of the applicable Period of Restriction.

6.5 Voting Rights. During the Period of Restriction, subject to any limitations imposed under the By-laws of the Company, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares.

6.6 Dividends and Other Distributions. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may be credited with regular dividends paid with respect to the underlying Shares while they are so held. The Committee may apply any restrictions to the dividends that the Committee deems appropriate and as are expressly set forth in the Award Agreement. Without limiting the generality of the preceding sentence, if the grant or vesting of Restricted Shares granted to a Named Executive Officer is designed to comply with the requirements of the Performance-Based Exception, the Committee may apply any restrictions it deems appropriate to the payment of dividends declared with respect to such Restricted Shares, such that the dividends and/or the Restricted Shares maintain eligibility for the Performance-Based Exception.

Article 7: Termination of Service

Each Award Agreement shall set forth the effect that Termination of Service shall have upon that Award. Such provisions shall be determined in the sole discretion of the Committee, need not be uniform among all Awards issued pursuant to the Plan, and may reflect distinctions based on the reasons for Termination of Service; provided, however, that the following shall automatically apply to the extent different provisions are not expressly set forth in a Participant's Award Agreement:

a) Upon a Termination of Service for any reason other than death, retirement or Disability, all unvested Restricted Shares shall be forfeited as of the termination date.

b) Upon a Termination of Service as a result of the Participant's death, retirement or Disability, all unvested Restricted Shares shall vest as of the termination date.

Article 8: Restrictions on Shares

All Shares issued pursuant to Awards granted hereunder, and a Participant's right to receive Shares upon vesting of an Award, shall be subject to all applicable restrictions contained in the Company's By-laws, shareholders agreement or insider trading policy, and any other restrictions imposed by the Committee, including, without limitation, restrictions under applicable securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and restrictions under any blue sky or state securities laws applicable to such Shares.

Article 9: Performance Measures

If an Award is subject to Code Section 162(m) and the Committee determines that such Award should be designed to comply with the Performance-Based Exception, the performance measure(s), the attainment of which determine the degree of vesting, to be used for purposes of such Awards shall be chosen from among earnings per share, economic value added, market share (actual or targeted growth), net income (before or after taxes), operating income, return on assets (actual or targeted growth), return on capital (actual or targeted growth), return on equity (actual or targeted growth), return on investment (actual or targeted growth), gross or net underwriting results, revenue (actual or targeted growth), share price, stock price growth, total shareholder return, or such other performance measures as are duly approved by the Committee and the Company's shareholders.

Article 10: Beneficiary Designation

Subject to the terms and conditions of the Plan and the applicable Award Agreement, each Participant may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom Shares under the Plan are to be transferred in the event of the Participant's death. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing during the Participant's lifetime with the party chosen by the Company, from time to time, to administer the Plan. In the absence of any such designation, Shares shall be paid to the Participant's estate following his death.

Article 11: Rights of Participants

11.1 Continued Service. Nothing in the Plan shall:

a) interfere with or limit in any way the right of the Company to terminate any Participant's employment, service as a Director, or service as a consultant with the Group at any time, or

b) confer upon any Participant any right to continue in the service of any member of the Group as an Employee, Director or Consultant.

11.2 Participation. Participation is determined by the Committee. No person shall have the right to be selected to receive an Award under the Plan, or, having been so selected, to be selected to receive a future Award.

Article 12: Change in Control

Upon the occurrence of a Change in Control, unless otherwise specifically prohibited under applicable laws, or by the rules and regulations of any governing governmental agencies or national securities exchanges, any restrictions and transfer limitations imposed on Restricted Shares shall immediately lapse.

Article 13: Amendment or Termination

The Board may at any time and from time to time amend or terminate the Plan or any Award hereunder in whole or in part; provided, however, that no amendment which requires shareholder approval in order for the Plan to continue to comply with any applicable tax or securities laws or regulations, or the rules of any securities exchange on which the securities of the Company are listed, shall be effective unless such amendment shall be approved by the requisite vote of shareholders of the Company entitled to vote thereon; provided further that no such amendment or termination shall adversely affect any Award hereunder without the consent of the Participant.

Article 14: Withholding

14.1 Tax Withholding. The Company shall have the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy any taxes required by federal, state, or local law or regulation to be withheld with respect to any taxable event arising in connection with an Award.

14.2 Share Withholding. Participants may elect, subject to the approval of the Committee, to satisfy all or part of such withholding requirement by having the Company withhold Shares having a Fair Market Value equal to the minimum statutory total tax which could be imposed on the transaction. All such elections shall be irrevocable, made in writing, signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 15: Indemnification

Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company to the fullest extent permitted by applicable law against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification is subject to the person having been successful in the legal proceedings or having acted in good faith and what is reasonably believed to be a lawful manner in the Company's best interests. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

Article 16: Successors

All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 17: Legal Construction

17.1 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

17.2 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

17.3 Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to, and may be made contingent upon satisfaction of, all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

17.4 Governing Law. To the extent not preempted by federal law, the Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the state of New Hampshire.

IN WITNESS WHEREOF, this Plan has been executed as of the date first written above.
