A copy of the Plan of Merger is attached hereto as Exhibit "A".

2. Shareholders' approval of change in the Company's capital stock by adopting the Delaware Corporation Certificate of Incorporation in the Plan of Merger such that there shall be:

(a) an increase in the authorized capital stock to 310,000,000 of which 300,000,000 will be classified as common stock, par value \$0.001 per share, and 10,000,000 will be classified as Preferred Stock, par value \$0.001 per share, issuable in series with such powers, designations, preferences and relative, participating, optional or other specific rights, and qualifications, limitations or restrictions thereof, as the Board may fix from time to time by resolution or resolutions. A copy of the Delaware Certificate of Incorporation is attached hereto as Exhibit "B".

On December 6, 2007 shareholders owning in the aggregate 31,501,000 shares of Common Stock or approximately 63.39% of the then issued and outstanding Common Stock consented in writing to the matters described herein. As a result, these matters were approved by the majority required by law and no further votes will be needed.

Sincerely,

INFORMATION STATEMENT

The matter upon which action is being taken is:

To change the Company's domicile from Colorado to Delaware by merging the Company into a newly formed Apogee Robotics, Inc., a Delaware corporation

Edgar Filing: APOGEE ROBOTICS INC - Form DEF 14C

(hereinafter sometimes referred to as "Delaware Corp"), which was formed solely for the purpose of effecting the merger. The Agreement and Plan of Merger will provide among other things, that fifty (50) of the Company's shares of common stock will automatically convert into 1 Share of the Delaware Corp common stock without further action on the part of the shareholders.

Stockholders holding shares representing 63.39% of the votes entitled to be cast at a meeting of the Company's stockholders consented in writing to the proposed action. The approval by the stockholders for the change in domicile will not become effective until 20 days from the date of mailing of this Information Statement to our stockholders.

The Company's Board of Directors approved the change of domicile as noted above on December 6, 2007. In connection with the Company's change of domicile from Colorado to Delaware, the Company's authorized capital stock will be changed to increase the authorized capital stock to 310,000,000 of which 300,000,000 will be classified as common stock, par value \$0.001 per share, and 10,000,000 will be classified as Preferred Stock, par value \$0.001 per share, issuable in series with such powers, designations, preferences and relative, participating, optional or other specific rights, and qualifications, limitations or restrictions thereof, as the Board may fix from time to time by resolution or resolutions.

The anticipated effective date of the change in domicile will be approximately 20 days after the mailing of this Information Statement to our stockholders.

If the proposed actions were not adopted by written majority stockholder consent, it would have been necessary for these actions to be considered by the Company's stockholders at a Special Stockholder's Meeting convened for the specific purpose of approving the actions.

The elimination of the need for a special meeting of the stockholders to approve the actions is authorized by Section 7-107-104 of the Colorado Revised Statutes (the "Colorado Law"). This Section provides that action may be taken by the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take the action at a meeting at which all shares entitled to vote on a matter were present and voted. According to Section 7-107-206 of the Colorado Law, a majority of the outstanding shares of voting capital stock entitled to vote on the matter is required in order to take the contemplated action.

The date on which this Information Statement was first sent to the stockholders is on or about December 18, 2007. The record date established by the Company for purposes of determining the number of outstanding shares of voting capital stock of the Company was December 17, 2007, (the "Record Date").

2

As a matter of regulatory compliance, we are sending you this Information Statement, which provides you with information about this corporate action. 4

APPROVAL OF A CHANGE OF DOMICILE, A REVERSE SPLIT AND INCREASE IN AUTHORIZED CAPITAL STOCK

REASON FOR CHANGE OF STATE OF INCORPORATION

The purpose of the change of the State of Incorporation from Colorado to Delaware is because management believes that the corporate law of the State of Delaware will be more beneficial to the operation of the business of the Company and will enable the Company to more efficiently pursue its business opportunities. In addition, it is the belief of management that Delaware is the preferred state of business for companies which are looking to merge with a public corporate shell, such as us.

INCREASE IN AUTHORIZED CAPITAL STOCK

Edgar Filing: APOGEE ROBOTICS INC - Form DEF 14C

The Board of Directors and shareholders holding the necessary number of votes have approved an increase in the Company's authorized capital stock and have included the new capital structure in the appropriate section of the Delaware Certificate of Incorporation filed for the Delaware entity, which Certificate of Incorporation shall become the Company's Certificate of Incorporation upon effectuation of the Merger. The new capital structure is as follows: the total authorized capital stock of the Company is 310,000,000 shares, of which 300,000,000 are classified as common stock, par value \$0.001 per share, and 10,000,000 are classified as preferred stock, par value \$0.001 per share, issuable in series with such powers, designations, preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions thereof, as the Board may fix from time to time by resolution or resolutions.

In approving the increase in authorized capital stock, the Board of Directors considered that many businesses which might be interested in merging into a public shell such as our Company may need public financing which could include the issuance of common stock. The Board of Directors believes that the increase in available common stock will be a more appealing capital structure to potential merger or acquisition opportunities.

PURPOSE AND EFFECT OF REVERSE SPLIT

GENERAL

The board of directors has unanimously approved, and recommended to the stockholders, a proposal to include in the plan of merger a reverse split of the shares of the Company's capital stock issued and outstanding, or held as treasury shares whereby every 50 shares of common stock shall be combined and converted into one share of common stock.

REASONS FOR THE REVERSE SPLIT

In approving the reverse split, the board of directors considered that the Company's common stock may not appeal to brokerage firms that are reluctant to recommend lower priced securities to their clients. Investors may also be dissuaded from purchasing lower priced stocks because the brokerage commissions, as a percentage of the total transaction, tend to be higher for such stocks. Moreover, the analysts at many brokerage firms do not monitor the trading activity or otherwise provide coverage of lower priced stocks. The board of directors also believes that most investment funds are reluctant to invest in lower priced stocks.

5

The board of directors proposed the reverse split as one method to attract investors and business opportunities in the Company. The Company believes that the reverse split may improve the price level of the Company's common stock and that this higher share price could help generate additional interest in the Company.

However, the effect of the reverse split upon the market price for the Company's common stock cannot be predicted, and the history of similar stock split combinations for companies in like circumstances is varied. There can be no assurance that the market price per share of the Company's common stock after the reverse split will rise in proportion to the reduction in the number of shares of common stock outstanding resulting from the reverse split. The market price of the Company's common stock may also be based on its performance and other factors, some of which may be unrelated to the number of shares outstanding.

Edgar Filing: APOGEE ROBOTICS INC - Form DEF 14C

VOTE REQUIRED

The affirmative vote of a majority of the Company's voting power is required for approval of this reverse split, as well as the change of domicile and increase authorized capital stock.

POTENTIAL RISKS OF THE REVERSE SPLIT

Upon effectiveness of the reverse split there can be no assurance that the bid price of the Company's common stock will continue at a level in proportion to the reduction in the number of outstanding shares resulting from the reverse split, that the reverse split will result in a per share price that will increase its ability to attract and retain employees and other service providers or that the market price of the post-split common stock can be maintained. The market price of the Company's common stock will also be based on its financial performance, market condition, the market perception of its future prospects, as well as other factors, many of which are unrelated to the number of shares outstanding. If the reverse split is effected and the market price of the Company's common stock declines, the percentage decline as an absolute number and as a percentage of the Company's overall capitalization may be greater than would occur in the absence of a reverse split.

POTENTIAL EFFECTS OF THE REVERSE SPLIT

General

Pursuant to the reverse split, each 50 shares of the Company's capital stock issued and outstanding, or held as treasury shares, immediately prior to the effectiveness of the reverse split, will become one share of the same class of the Company's capital stock after consummation of the reverse split. Following the reverse split and change of domicile the authorized common stock of the Company will be 300,000,000 shares, \$.001 par value and the authorized preferred stock of the Company will be 10,000,000 shares, \$.001 par value.

6

Effect on Authorized and Outstanding Shares

The Company is currently authorized to issue a maximum of 50,000,000 shares of common stock and -0- shares of preferred stock. As of December 6, 2007, there were 49,695,022 shares of common stock issued and outstanding, or held as treasury shares. The number of shares of capital stock issued and outstanding, or held as treasury shares (as well as the number of shares of common stock underlying any options, warrants, convertible debt or other derivative securities), will be reduced to a number that will be approximately equal to the number of shares of capital stock issued and outstanding, or held as treasury shares, immediately prior to the effectiveness of the reverse split, divided by 50.

As a result of the increase in authorized capital stock, following the reverse split and change of domicile the authorized common stock of the Company will be 300,000,000 shares, \$.001 par value and the authorized preferred stock of the Company will be 10,000,000 shares, \$.001 par value.

With the exception of the number of shares issued and outstanding, or held as treasury shares, the rights and preferences of the shares of capital stock prior and subsequent to the reverse split will remain the same. It is not anticipated that the Company's financial condition, the percentage ownership of management, the number of stockholders, or any aspect of the Company's business would materially change, as a result of the reverse split, change in domicile or

Edgar Filing: APOGEE ROBOTICS INC - Form DEF 14C

increase in authorized capital stock.

The reverse split will be effected simultaneously for all of the Company's capital stock and the exchange ratio will be the same for all of the Company's capital stock. The reverse split will affect all of our stockholders uniformly and will not affect any stockholder's percentage ownership interests in the Company or proportionate voting power, except to the extent that the reverse split could result in any stockholders owning a fractional share. See "Fractional Shares" below. To prevent the ownership of fractional shares, the Company has provided that all odd lots will be rounded up. The reverse split will not alter the respective voting rights and other rights of stockholders. Each share of capital stock issued pursuant to the reverse split will remain fully paid and non-assessable.

The Company will continue to be subject to the periodic reporting requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Company's common stock is currently registered under Section 12(g) of the Exchange Act and as a result, is subject to periodic reporting and other requirements. The proposed reverse split will not affect the registration of the Company's common stock under the Exchange Act.

Prevention of Potential Odd Lots

If approved, the reverse split will result in some stockholders owning "odd-lots" of less than 50 shares of the Company's common stock. Brokerage commissions and other costs of transactions in odd-lots are generally somewhat higher than the costs of transactions in "round-lots" of even multiples of 10 shares. Accordingly, the Company has provided that no fractional shares shall be issued and rather, all odd lots shall be rounded up.

7

Increase of Shares of All Classes of Capital Stock Available for Future Issuance

As a result of the reverse split and accompanying increase in current available authorized common stock, there will be a reduction in the number of shares of capital stock issued and outstanding, or held as treasury shares, however, the number of authorized shares which would be unissued and available for future issuance after the reverse split shall increase.

EFFECTIVENESS OF THE REVERSE SPLIT

The reverse split and increase in authorized common stock, will become effective on or before January 7, 2007 assuming the Company has filed the Plan of Merger with the Secretary of State of the State of Delaware and the Secretary of State of the State of Colorado. It is expected that such filing will take place on or before January 7, 2007.

Commencing upon the effective day of the reverse split, each certificate of the Company's capital stock will be deemed for all corporate purposes to evidence ownership of the reduced number of shares of common stock resulting from the reverse split. As soon as practicable after the effective date, stockholders will be notified as to the effectiveness of the reverse split and instructed as to how and when to surrender their certificates representing shares of common stock prior to the reverse split in exchange for certificates representing shares of common stock after the reverse split. We intend to use Computershare Trust Company as our exchange agent in effecting the exchange of the certificates following the effectiveness of the reverse split. STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATE AND SHOULD NOT SUBMIT ANY CERTIFICATES WITHOUT THE LETTER OF TRANSMITTAL.

Edgar Filing: APOGEE ROBOTICS INC - Form DEF 14C

The Company will not issue fractional shares in connection with the reverse split. Instead, any fractional share that results from the reverse split will be rounded up to the next whole share. This is being done to avoid the expense and inconvenience of issuing and transferring fractional shares of our common stock as a result of the stock split.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The following discussion summarizing certain federal income tax consequences of the reverse split is based on the Internal Revenue Code of 1986, as amended (the "CODE"), the applicable Treasury Regulations promulgated thereunder, judicial authority and current administrative rulings and practices in effect on the date this Information Statement was first mailed to stockholders. This discussion is for general information only and does not discuss consequences that may apply to special classes of taxpayers (e.g., non-resident aliens, broker-dealers, or insurance companies).

The receipt of the common stock following the effective date of the reverse split, solely in exchange for the common stock held prior to the reverse split will not generally result in recognition of gain or loss to the stockholders. Although the issue is not free from doubt, additional shares received in lieu of fractional shares, including shares received as a result of the rounding up of fractional share ownership, should be treated in the same manner. The adjusted tax basis of a stockholder in the common stock received after the reverse split will be the same as the adjusted tax basis of the common stock held prior to the reverse split exchanged therefor, and the holding period of the common stock received after the reverse split will include the holding period of the common stock held prior to the reverse split exchanged therefore. No gain or loss will be recognized by the Company as a result of the reverse split. The Company's views regarding the tax consequences of the reverse split are not binding upon the Internal Revenue Service or the courts, and there can be no assurance that the Internal Revenue Service or the courts would accept the positions expressed above.

8

THIS SUMMARY IS PROVIDED FOR GENERAL INFORMATION ONLY AND DOES NOT PURPORT TO ADDRESS ALL ASPECTS OF THE POSSIBLE FEDERAL INCOME TAX CONSEQUENCES OF THE REVERSE SPLIT AND IS NOT INTENDED AS TAX ADVICE TO ANY PERSON. IN PARTICULAR, AND WITHOUT LIMITING THE FOREGOING, THIS SUMMARY ASSUMES THAT THE SHARES OF COMMON STOCK ARE HELD AS "CAPITAL ASSETS" AS DEFINED IN THE CODE, AND DOES NOT CONSIDER THE FEDERAL INCOME TAX CONSEQUENCES TO THE COMPANY'S STOCKHOLDERS IN LIGHT OF THEIR INDIVIDUAL INVESTMENT CIRCUMSTANCES OR TO HOLDERS WHO MAY BE SUBJECT TO SPECIAL TREATMENT UNDER THE FEDERAL INCOME TAX LAWS (SUCH AS DEALERS IN SECURITIES, INSURANCE COMPANIES, FOREIGN INDIVIDUALS AND ENTITIES, FINANCIAL INSTITUTIONS AND TAX EXEMPT ENTITIES). IN ADDITION, THIS SUMMARY DOES NOT ADDRESS ANY CONSEQUENCES OF THE REVERSE SPLIT UNDER ANY STATE, LOCAL OR FOREIGN TAX LAWS. THE STATE AND LOCAL TAX CONSEQUENCES OF THE REVERSE SPLIT MAY VARY AS TO EACH STOCKHOLDER DEPENDING ON THE STATE IN WHICH SUCH STOCKHOLDER RESIDES. AS A RESULT, IT IS THE RESPONSIBILITY OF EACH STOCKHOLDER TO OBTAIN AND RELY ON ADVICE FROM HIS, HER OR ITS TAX ADVISOR AS TO, BUT NOT LIMITED TO, THE FOLLOWING: (A) THE EFFECT ON HIS, HER OR ITS TAX SITUATION OF THE REVERSE SPLIT, INCLUDING, BUT NOT LIMITED TO, THE APPLICATION AND EFFECT OF STATE, LOCAL AND FOREIGN INCOME AND OTHER TAX LAWS; (B) THE EFFECT OF POSSIBLE FUTURE LEGISLATION OR REGULATIONS; AND (C) THE REPORTING OF INFORMATION REQUIRED IN CONNECTION WITH THE REVERSE SPLIT ON HIS, HER OR ITS OWN TAX RETURNS. IT WILL BE THE RESPONSIBILITY OF EACH STOCKHOLDER TO PREPARE AND FILE ALL APPROPRIATE FEDERAL, STATE AND LOCAL TAX RETURNS.

STOCKHOLDERS' RIGHTS

Edgar Filing: APOGEE ROBOTICS INC - Form DEF 14C

The elimination of the need for a special meeting of the stockholders to approve the actions is authorized by Section 7-107-104 of the Colorado Revised Statutes (the "Colorado Law"). This Section provides that action may be taken by the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take the action at a meeting at which all shares entitled to vote on a matter were present and voted. According to Section 7-107-206 of the Colorado Law, a majority of the outstanding shares of voting capital stock entitled to vote on the matter is required in order to take the contemplated action.

DISSENTERS' RIGHTS

The Colorado Law does not provide for dissenter's rights in connection with any of the actions proposed in this Information Statement.

EXPENSES

The costs of preparing, printing and mailing this Information Statement will be borne by the Company. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to those beneficial owners.

STOCKHOLDERS SHARING AN ADDRESS

The Company will deliver only one Information Statement to multiple stockholders sharing an address unless the Company has received contrary instructions from one or more of the stockholders. The Company undertakes to deliver promptly, upon written or oral request, a separate copy of the Information Statement to a stockholder at a shared address to which a single copy of the Information Statement is delivered. A stockholder can notify the Company that the stockholder wishes to receive a separate copy of the Information Statement by contacting the Company at the telephone number or address set forth above.

9

CONCLUSION

As a matter of regulatory compliance, the Company is sending you this Information Statement which describes the purpose and effect of the actions proposed in this Information Statement. This Information Statement is intended to provide the Company's stockholders the information required by the rules and regulations of the Exchange Act.

INDEMNIFICATION

The Corporation may:

(A) Indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Corporation), by reason of the fact that he is or was a director, officer, employee, fiduciary or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee, fiduciary or agent of another Corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorney fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in the best interests of the Corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction or equivalent shall not of itself create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in the best interests of the Corporation and, with respect to any criminal action or proceeding, had reasonable cause to believe his conduct was unlawful.

(B) Indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee, or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee, fiduciary or agent of another Corporation, partnership, joint venture, trust or other enterprise against expenses (including attorney fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in the best interests of the Corporation; but no indemnification shall be made in respect of any claim, issue, or matter as to which such person has been adjudged to be liable for negligence or misconduct in the performance of his duty to the Corporation unless and only to the extent that the court in which such action or suit was brought determines upon application that, despite the adjudication of liability, but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such court deems proper.

(C) Indemnify a director, officer, employee, fiduciary or agent of a corporation to the extent he has been successful on the merits in defense of any action, suit, or proceeding referred to in (A) or (B) of this Article XII or in defense of any claim, issue, or matter therein, against expenses (including attorney fees) actually and reasonably incurred by him in connection therewith.

B-4

Any indemnification under (A) or (B) of this Article XI (unless ordered by a court) and as distinguished from (C) of this Article shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, fiduciary or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in (A) or (B) above. Such determination shall be made by the board of directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit, or proceeding, or, if such a quorum is not obtainable or, even if obtainable, if a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or by the shareholders.

Edgar Filing: APOGEE ROBOTICS INC - Form DEF 14C

Expenses (including attorney fees) incurred in defending a civil or criminal action, suit, or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of the director, officer, employee, fiduciary or agent to repay such amount unless it is ultimately determined that he is entitled to be indemnified by the Corporation as authorized in this Article XI.

The indemnification provided by this Article XI shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any by-law, agreement, vote of shareholders or disinterested directors, or otherwise, and any procedure provided for by any of the foregoing, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee, fiduciary or agent and shall inure to the benefit of heirs, executors, and administrators of such a person.

The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, fiduciary or agent of the Corporation or who is or was serving at the request of the Corporation as a director, officer, employee, fiduciary or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the Corporation would have the power to indemnify him against such liability under provisions of this Article XI.

ARTICLE XII

TRANSACTIONS WITH INTERESTED PARTIES

No contract or other transaction between the Corporation and one (1) or more of its directors or any other Corporation, firm, association, or entity in which one (1) or more of its directors are directors or officers or are financially interested shall be either void or voided solely because of such relationship or interest, or solely because such directors are present at the meeting of the board of directors or a committee thereof which authorizes, approves, or ratifies such contract or transaction, or solely because their votes are counted for such purpose if:

(A) The fact of such relationship or interest is disclosed or known to the Board of Directors or committee that authorizes, approves, or ratifies the contract or transaction by a vote or consent sufficient for the purpose without counting the votes or consents of such interested directors;

(B) The fact of such relationship or interest is disclosed or known to the shareholders entitled to vote and they authorize, approve, or ratify such contract or transaction by vote or written consent; or

(C) The contract or transaction is fair and reasonable to the Corporation.
