AMERICAN LAND LEASE, INC. AND SUBSIDIARIES
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

A. The Company

American Land Lease, Inc. ("ALL") and, together with its subsidiaries and its predecessors, the "Company", formerly Asset Investors Corporation ("AIC"), is a Delaware corporation incorporated on May 25, 1999. Prior to May 25, 1999, AIC was a Maryland corporation. ALL has elected to be taxed as a real estate investment trust ("REIT"). ALL is the sole general partner of Asset Investors Operating Partnership, L.P. (the "Operating Partnership") and held an approximate 87% interest in the Operating Partnership as of June 30, 2001. The Operating Partnership directly and indirectly owns and operates manufactured home land lease communities, develops manufactured home land lease communities and conducts homesale activities in pursuit of land lease originations in its manufactured home land lease communities. ALL's Common Stock, par value \$.01 per share ("Common Stock"), is listed on the New York Stock Exchange under the symbol "ANL."

Interests in the Operating Partnership held by limited partners other than ALL are referred to as "OP Units". The Operating Partnership's income is allocated

Edgar Filing: AMERICAN LAND LEASE INC - Form 10-Q

to holders of OP Units based on the weighted average number of OP Units outstanding during the period. The Operating Partnership records the issuance of OP Units and the assets acquired in purchase transactions based on the market price of the Common Stock at the date of the execution of the purchase contract. The holders of the OP Units receive distributions, prorated from the date of issuance, in an amount equivalent to the dividends paid to holders of Common Stock. After holding the OP Units for one year, the limited partners generally have the right to redeem their OP Units for cash. Notwithstanding that right, the Operating Partnership may elect to acquire some or all of the OP Units tendered for redemption in exchange for shares of common stock in lieu of cash. At June 30, 2001, the Operating Partnership had 1,045,000 OP units outstanding, excluding those owned by ALL.

B. Presentation of Financial Statements

The accompanying unaudited consolidated financial statements of the Company have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments considered necessary for a fair presentation have been included. Operating results for the three and six months ended June 30, 2001, are not necessarily indicative of the results that may be expected for the year ending December 31, 2001.

The balance sheet at December 31, 2000 has been derived from the audited financial statements at that date but does not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements.

For further information, refer to the statements and notes thereto included in the Company's Annual Report on Form 10-K for the year ended December 31, 2000. Certain 2000 financial statement amounts have been reclassified to conform to the 2001 presentation.

C. Merger with Commercial Assets

Effective August 11, 2000, ALL and Commercial Assets, Inc. merged. Prior to the merger, the Company owned 2,761,000 shares (approximately 27%) of the common stock of Commercial Assets. Pursuant to the amended merger agreement, Commercial Assets stockholders, with the exception of the Company, its officers and directors, and the officers and directors of Commercial Assets, were provided an election to receive either (1) \$5.75 in cash per share of Commercial Assets common stock or (2) 0.4075 shares of ALL Common Stock per share of Commercial Assets common stock.

As a result of the merger, the Company acquired the remaining shares of Commercial Assets by paying \$20,418,000 in cash for 3,551,000 Commercial Assets shares and issuing 1,664,000 shares of ALL Common Stock with a trading value of \$20,067,000 for 4,085,000 Commercial Assets shares, excluding ALL shares issued in exchange for the Commercial Assets shares previously held by the Company, which have been recorded as treasury stock. The merger with Commercial Assets was recorded using the purchase method of accounting. The aggregate purchase price was \$97,372,000 (including the Company's previous investment in Commercial Assets of \$18,875,000, assumption of liabilities and minority interest of \$34,020,000 and transaction costs of \$3,992,000).

Land improvements and buildings consist primarily of infrastructure, roads, landscaping, clubhouses, maintenance buildings and common amenities.

During the six month period ended June 30, 2001, the Company sold three properties containing 604 operational homesites to unaffiliated third parties. Cash proceeds of approximately \$14.5 million were used to repay all of the Company's short term indebtedness and a portion of the Company's long term outstanding indebtedness. The Company recognized a gain of approximately \$4.0 million on the disposition of these properties, each of which was sold at a gain.

During the six month period ended June 30, 2000, the Company sold one property containing 138 operational homesites to an unaffiliated third party. Cash proceeds from the sales of approximately \$2.5 million were used to repay a portion of the Company's outstanding indebtedness. The Company recognized a gain of approximately \$0.1 million on the disposition of this property.

The Company capitalizes direct and indirect costs (including interest, taxes and other costs) in connection with the development of unoccupied sites and the redevelopment of its owned properties during the periods of construction or development. Interest of \$678,000 and \$482,000 was capitalized

-5-

for the three months ended June 30, 2001 and 2000, respectively, and \$1,399,000 and \$901,000 for the six months ended June 30, 2001 and 2000, respectively.

E. Sales Operations

Effective January 1, 2000, the Company acquired assets of Brandywine Home Sales Corporation, which previously conducted home sales activities at our properties. The Company now engages in this business through our home sales subsidiary in order to accelerate the rate of absorption at our development properties through the origination of new ground leases. Through the date of our merger with Commercial Assets, the Company owned approximately 62% of the home sales business in the form of nonvoting stock of the subsidiary, with the balance of the subsidiary's non-voting stock owned by Commercial Assets. Two of our directors owned, directly or indirectly, all of the voting stock of the subsidiary, comprising 5% of its equity.

The Company views the home sales activities as a way to convert land held for development to leased land with long term cash flows. The Company evaluates the

Edgar Filing: AMERICAN LAND LEASE INC - Form 10-Q

home sales activity on the same return on investment basis that it uses for acquiring stabilized properties. The leases originated during the three and six months ended June 30, 2001 by the home sales subsidiary are estimated to result in a first year return on investment of 13.3% and 13.2 %, as shown below based upon pro forma information:

	Three Months Ended June 30, 2001 -----	Six M End June 30 -----

G. Secured Short-Term Notes Payable

In May 2001, the Company renewed its \$15,000,000 revolving line of credit with a bank. The line of credit bears interest at the bank's prime rate (6.75% at June 30, 2001) and matures in April 2002. The line of credit is secured by three manufactured home communities and one recreational vehicle park which have a combined net book value of \$28,123,000 at June 30, 2001. At June 30, 2001, \$2,200,000 was outstanding and \$12,800,000 was available borrowing capacity under the revolving line of credit.

In April 2001, the Company entered into a \$7,000,000 floor plan credit facility with a lender expiring April 2003. Advances are made under the facility for 100% of new inventory purchases and bear interest at the prime rate with spreads ranging from 0% to 2.5% based upon the manufacturer and age of the inventory. Advances under the facility require principal repayments of 3% after one year and payment in full within 1 1/2 years. At June 30, 2001, \$2,300,000 was outstanding and \$4,700,000 was available borrowing capacity under the floor plan

Edgar Filing: AMERICAN LAND LEASE INC - Form 10-Q

facility.

H. Commitments and Contingencies

The Company is party to various legal actions resulting from its operating activities. These actions are routine litigation and administrative proceedings arising in the ordinary course of business, some of which are covered by liability insurance, and none of which is expected to have a material adverse effect on the consolidated financial condition or results of operations of the Company and its subsidiaries taken as a whole.

As a result of the Company's merger with Commercial Assets in August 2000, the Company became subject to an earn-out agreement relating to a manufactured home community with respect initially to 170 unoccupied homesites. The Company pays an additional \$17,000 pursuant to the earn-out agreement for each newly occupied homesite. During the three and six months ended June 30, 2001, the Company advanced \$51,000 and \$120,000, respectively for newly unoccupied homesites subject to the earn-out. At June 30, 2001, there were 146 unoccupied homesites subject to the earn-out.

In connection with the acquisition of a manufactured home community, the Company entered into an earn-out agreement with respect initially to 142 unoccupied homesites. The Company pays an additional \$17,000 pursuant to the earn-out agreement for each newly occupied homesite either in the form of cash or 946 OP Units, as determined by the seller. During each of the three and six months ended June 30, 2001 and 2000, the Company advanced \$0 and \$65,500 and \$33,000 and \$116,000, respectively, in cash for newly occupied homesites. At June 30, 2001, there were 100 unoccupied homesites subject to the earn-out.

As a result of the Company's merger with Commercial Assets in August 2000, the Company became subject to an earn-out agreement on a mini storage facility with 391 units whereby it will pay the former owner an amount equal to the increase in the property's net operating income divided by 9.5% up to a maximum of \$2,160,000. At June 30, 2001, \$1,789,000 remained unpaid under the earn-out agreement.

-7-

As a result of the Company's merger with Commercial Assets in August 2000, the Company became subject to an agreement to invest up to an additional \$680,000 in a real estate joint venture beginning November 2000. No amount has been paid from inception of the agreement through June 30, 2001.

I. Stockholders' Equity

The Company has adopted a key employee stock purchase assistance plan whereby the Company may extend credit to officers and key executives to purchase the Company's Common Stock through the exercise of options. These loans are secured by the shares issued and are repaid pursuant to partial recourse promissory notes. The notes bear interest at 7.5% payable quarterly and the loans mature at various times in 2009 and 2010. These loans are included as a separate component of stockholders' equity under the caption Notes Receivable on Common Stock Purchases. During 2001, an executive officer of the Company exercised options to purchase 40,000 shares of common stock by issuing a note payable to the Company of \$395,000. The options were simultaneously issued and exercised at the market price on the date of issuance.

The amount receivable for these notes was \$964,000 and \$1,340,000 at December 31, 2000 and June 30, 2001, respectively. At June 30, 2001, \$335,000 of the balance due was recourse to the respective executive officers and \$1,005,000 was non-recourse.

Edgar Filing: AMERICAN LAND LEASE INC - Form 10-Q

On February 15, 2001, the Company made an award of 30,000 restricted shares to key executives under the 1998 Stock Option Plan. The shares vest in equal installments at various dates from 2005 through 2006. The market value of the stock of \$343,500 has been recorded as deferred compensation and is reflected as a reduction of equity. Compensation expense is recognized ratably over the vesting period. For the three and six months ended June 30, 2001, the Company recognized compensation expense of \$18,600 and \$27,900 related to this award.

On October 17, 2000, the Board of Directors authorized the Company to repurchase up to 2,000,000 shares of the outstanding Common Stock. The timing of stock purchases is at the discretion of management. The Company repurchased 535,613 and 576,613 shares of Common Stock during the three and six months ended June 30, 2001 at a weighted average price of \$12.08 and \$12.03 per share, respectively.

During the three and six month periods ended June 30, 2001 and 2000, the Company paid \$0.25 and \$0.50 per share dividends on Common Stock totaling \$1,802,000 and \$1,420,000, and \$3,622,000 and \$2,829,000, respectively.

J. Earnings Per Share

Basic earnings per share for the three and six months ended June 30, 2001 and 2000 are based upon the weighted-average number of shares of Common Stock outstanding during each such period. Diluted earnings per share for the three and six months ended June 30, 2001 and 2000 reflect the effect of dilutive, unexercised stock options of 22,144 and 14,581, and 1,599 and 933, respectively, without regard to vesting restrictions on options issued. For the three and six months period ended June 30, 2001 and 2000, 479,163 and 516,603 and 532,355 and 520,156, respectively, of stock options were excluded from the computation of diluted earnings per share due to their antidilutive effect.

-8-

K. Transactions with Related Parties

Commercial Assets Management Agreement

The Commercial Assets Management Agreement was terminated on August 1, 2000 as a result of the Company's acquisition of Commercial Assets. The Company earned management fees under the Commercial Assets Management Agreement during the three and six months ended June 30, 2000 totaling \$145,000 and \$286,000, respectively. As of August 11, 2000, (the date of the Company's acquisition of Commercial Assets) the net book value of the Commercial Assets Management Agreement was \$638,000, and the Company expensed this amount in August 2000.

Formation of Taxable REIT Subsidiary

During 2000, certain subsidiaries of the Company and other entities engaged in activities and received fees that would not otherwise be permitted under the tax rules governing REITs during the year. In order to allow us to maintain our REIT status for federal income tax purposes, activities related to home sales, golf course, and certain utilities operations were conducted through entities in which Messrs. Considine and Rhodes, the Company's Chief Executive Officer and a director respectively, directly or indirectly, owned the outstanding voting securities of these entities equally. We owned all of the outstanding non-voting common stock of these entities.

H.R. 1180, the Work Incentives Improvement Act of 1999 (the "Act") was enacted on December 17, 1999 and contained several provisions known as the REIT Modernization Act. The Act was effective January 1, 2001.

Edgar Filing: AMERICAN LAND LEASE INC - Form 10-Q

After the effective date of the Act, the Company is permitted to own voting control of Taxable REIT Subsidiaries, which provide certain services, which cannot be provided directly by the Company. As a result and as of January 1, 2001, the Company has agreed to purchase from Messrs. Considine and Rhodes their entire interest, which included voting control in these entities and "preferred stock subsidiaries," for consideration including cancellation or assumption of debt totaling \$68,000 and amounts due under lease agreements.

L. Recent Accounting Developments

In June 1998, Statement of Financial Accounting Standards No. 133, Accounting for Derivative Instruments and Hedging Activities ("SFAS 133") was issued. In June 2000, Statement of Financial Accounting Standards No. 138, Accounting for Certain Derivative Instruments and Hedging Activities, an amendment of FASB Statement No. 133 ("SFAS 138") was issued. SFAS 133 and SFAS 138 address the accounting for derivative instruments, including certain derivative instruments embedded in other contracts, and hedging activities. The Company has adopted SFAS 133 and SFAS 138 in the first quarter of 2001, which did not have a material effect on its financial position or results of operations.

In September 2000, Statement of Financial Accounting Standards No. 140, Accounting for Transfers and Servicing of Financial Assets and Extinguishments of Liabilities ("SFAS 140") was issued. SFAS 140 provides accounting and reporting standards for transfers and servicing of financial assets and extinguishments of liabilities. SFAS 140 is effective for recognition and reclassification of collateral and for disclosures relating to securitization transactions and collateral for fiscal years ending after December 15, 2000 and is effective for transfers and servicing of financial assets and extinguishments of liabilities

-9-

occurring after March 31, 2001. The Company anticipates that the adoption of SFAS 140 will not have a material effect on its financial position or results of operations.

In June 2001, Statements of Financial Accounting Standards No. 141, Business Combinations, and No. 142, Goodwill and Other Intangible Assets were issued, which are effective for fiscal years beginning after December 15, 2001. Under the new rules, goodwill and intangible assets deemed to have indefinite lives will no longer be amortized but will be subject to annual impairment tests in accordance with the Statements. Other intangibles assets will continue to be amortized over their useful lives. The Company will apply the new rules on accounting for goodwill and other intangible assets beginning in the first quarter of 2002. The Company anticipates that the adoption of SFAS 141 and SFAS 142 will not have a material effect on its financial position or results of operations.

M. Subsequent Events

Dividend Declared

On July 25, 2001, the Board of Directors declared a quarterly cash dividend of \$0.25 per common share for the quarter ended June 30, 2001, payable on August 22, 2001, to stockholders of record on August 10, 2001.

 CONDITION AND RESULTS OF OPERATIONS.

Introduction

The Private Securities Litigation Reform Act of 1995 provides a "safe harbor" for forward-looking statements in certain circumstances. Certain information included in this report and our other filings with the Securities and Exchange Commission under the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended, as well as information communicated orally or in writing between the dates of these SEC filings, constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Operating Strategy

We measure our economic profitability based on Funds From Operations or "FFO", less an annual capital replacement reserve of at least \$100 per developed homesite. This reserve and its increase from prior reporting periods is management's estimate based on its experience in owning, operating and managing manufactured home communities. We believe that the presentation of FFO, when

Edgar Filing: AMERICAN LAND LEASE INC - Form 10-Q

considered with the financial data determined in accordance with generally accepted accounting principles, provides a useful measure of our performance.

FFO is defined by the Board of Governors of the National Association of Real Estate Investment Trusts ("NAREIT") as net income (loss), computed in accordance with generally accepted accounting principles, excluding gains and losses from debt restructuring and sales of property, plus real estate related depreciation and amortization (excluding amortization of financing costs), and after adjustments for unconsolidated partnerships and joint ventures. We calculate FFO based upon the NAREIT definition, as further adjusted for minority interest in the Operating Partnership, costs incurred in order to become self-managed and amortization of property and investment contracts. There can be no assurance that our basis for computing FFO is comparable with that of other real estate investment trusts.

For the three and six months ended June 30, 2001 and 2000, our FFO was (in thousands):

Merger with Commercial Assets

Edgar Filing: AMERICAN LAND LEASE INC - Form 10-Q

Effective August 11, 2000, ALL and Commercial Assets merged. Prior to the merger, the Company owned 2,761,000 shares of Commercial Assets representing approximately 27% of Commercial Assets' issued and outstanding shares. Pursuant to the amended merger agreement, Commercial Assets stockholders, with the exception of the Company and its officers and directors and the officers and directors of Commercial Assets, were provided an election to receive either (1) \$5.75 in cash per share of Commercial Assets common stock or (2) 0.4075 shares of our Common Stock per share of Commercial Assets common stock.

As a result of the merger, we effectively acquired the remaining shares of Commercial Assets by paying \$20,418,000 in cash for 3,551,000 Commercial Assets shares and issuing 1,664,000 shares of our Common Stock with a trading value of \$20,067,000 for 4,085,000 Commercial Assets shares excluding ALL shares issued in exchange for the Commercial Assets shares previously held by the Company, which have been recorded as treasury stock. The merger with Commercial Assets was recorded using the purchase method of accounting. The aggregate purchase price was \$97,372,000 (including the Company's previous investment in Commercial Assets of \$18,875,000, assumed liabilities and minority interest of \$34,020,000 and transaction costs of 3,992,000).

RESULTS OF OPERATIONS FOR THE THREE AND SIX MONTHS ENDED JUNE 30, 2001

Comparison of Three Months Ended June 30, 2001 to Three Months Ended June 30, 2000

Rental Property Operations

Rental and other property revenues from our owned properties totaled \$5,630,000 for the three months ended June 30, 2001 compared to \$4,429,000 for the three months ended June 30, 2000, an increase of \$1,201,000 or 27%. The increase was primarily a result of rental increases at our communities, continued absorption at our development properties, and properties acquired in the merger with Commercial Assets, offset by the sale of properties in 2001.

Property operating expenses from our owned properties totaled \$2,114,000 for the three months ended June 30, 2001 compared to \$1,717,000 for the same period in 2000, an increase of \$397,000 or 23%. The increase was primarily a result of properties acquired in the merger with Commercial Assets, offset by the sale of properties in 2001.

Depreciation expense was \$1,559,000 during the three months ended June 30, 2001 compared to \$1,240,000 during the same period in 2000. The increase was due to acquisitions of manufactured home communities during 2000, continued investment in our developing properties, and our acquisitions as a result of our merger with Commercial Assets.

Same store revenues for the three months ended June 30, 2001, increased by 6.3% from the three months ended June 30, 2000. Expenses related to those revenues increased 4.1% over that same period. Same store net operating income, excluding the Company's recreational vehicle (RV) communities, increased 7.4% for the three months ended June 30, 2001 compared to the results of operations for the three month period ended June 30, 2000. Including the results of RV communities, the Company's same store revenue increased 5.5%, expenses increased 1.6% and net operating income increased 7.3%.

Sales Operations

Revenues for the sales operations totaled \$4.4 million for the three months

Edgar Filing: AMERICAN LAND LEASE INC - Form 10-Q

ended June 30, 2001 as compared to \$3.1 million for the three months ended June 30, 2001, with the increase driven by higher unit volumes in new home sales. Units sold increased from 43 for the three months ended June 30, 2000 to 67 units for the three-month period ended June 30, 2001. Total cost of sales for the three months ended June 30, 2001 was \$3.7 million compared to \$2.7 million for the three months ended June 30, 2000. Resulting margin increases are attributable to product mix and greater quantities of homes closed under presold contracts. Selling and marketing expenses in the 2001 period decreased \$34,000 from the 2000 period as marketing programs were refined in response to results achieved in the 2000 period. Minority interest in sales operations recorded for the three months ended June 30, 2000 was related to Commercial Assets' ownership in the sales operations that terminated with the merger between Commercial Assets and the Company in August 2000.

Commercial Assets Transactions

Fee revenue from managing Commercial Assets was \$145,000 for the three months ended June 30, 2000. As a result of our acquisition of Commercial Assets in August 2000, we no longer receive these fees.

-13-

Amortization of management contracts was \$516,000 for the three months ended June 30, 2000. The decrease is due to the expensing of our contract to manage Commercial Assets in connection with our acquisition of Commercial Assets in August 2000. As a result of our acquisition of Commercial Assets in August 2000, this item of expense no longer occurs.

As a result of our merger with Commercial Assets in August 2000, income from our approximate 27% interest in Commercial Assets was \$0 for the three months ended June 30, 2001 compared to \$286,000 for the same period in 2000. As a result of our acquisition of Commercial Assets in August 2000, this item of income no longer occurs.

General and Administrative Expenses

Our general and administrative expenses totaled \$394,000 for the three months ended June 30, 2001 compared to \$445,000 for the same period of 2000. The decrease in expense is primarily due to elimination of cash directors' fees and a reduction in franchise tax expenses due to a lower share base.

Interest and Other Income

During the three months ended June 30, 2001 and 2000, interest and other income were \$397,000 and \$466,000 respectively. The decrease in income is related to maintaining lower cash balances as a result of the repurchase of the Company's stock.

Interest Expense

During the three months ended June 30, 2001 and 2000, interest expense was \$1,115,000 and \$916,000 respectively. The increase in interest expense is due to additional debt assumed with the merger with Commercial Assets in August 2000.

Property operating expenses from our owned properties totaled \$4,529,000 for the six months ended June 30, 2001 compared to \$3,426,000 for the same period in 2000, an increase of \$1,103,000 or 32%. The increase was primarily a result of properties acquired in the merger with Commercial Assets, offset by the sale of properties in 2001.

Depreciation expense was \$3,168,000 during the six months ended June 30, 2001 compared to \$2,329,000 during the same period in 2000. The increase was due to acquisitions of manufactured home communities during 2000, continued investment in our developing properties, and our acquisitions as a result of our merger with Commercial Assets.

Sales Operations

Revenues for the sales operations totaled \$7.6 million for the six months ended June 30, 2001 as compared to \$5.4 million for the six months ended June 30, 2000, with the increase driven by higher unit volumes in new home sales. Units sold increased from 75 for the six months ended June 30, 2000 to 106 units for the six month period ended June 30, 2001. Total cost of sales for the six months ended June 30, 2001 was \$6.4 million compared to \$4.6 million for the six months ended June 30, 2000. Resulting margin increases are attributable to product mix and greater quantities of homes closed under presold contracts. Selling and marketing expenses in the 2001 period decreased \$101,000 from the 2000 period as marketing programs were refined in response to results achieved in the 2000 period. Commercial Assets Transactions

Fee revenue from managing Commercial Assets was \$286,000 for the six months ended June 30, 2000. As a result of our acquisition of Commercial Assets in August 2000, we no longer receive these fees.

Amortization of management contracts was \$1,032,000 for the six months ended June 30, 2000. The decrease is due to the expensing of our contract to manage Commercial Assets in connection with our acquisition of Commercial Assets in August 2000. As a result of our acquisition of Commercial Assets in August 2000, this item of expense no longer occurs.

As a result of our merger with Commercial Assets in August 2000, income from our approximate 27% interest in Commercial Assets was \$0 for the six months ended June 30, 2001 compared to \$494,000 for the same period in 2000. As a result of our acquisition of Commercial Assets in August 2000, this item of income no longer occurs.

General and Administrative Expenses

Our general and administrative expenses totaled \$858,000 for the six months ended June 30, 2001 compared to \$882,000 for the same period of 2000. The decrease in expense is primarily due to elimination of cash directors' fees and

Edgar Filing: AMERICAN LAND LEASE INC - Form 10-Q

a reduction in franchise tax expenses due to a lower share base.

Interest and Other Income

During the six months ended June 30, 2001 and 2000, interest and other income were \$756,000 and \$547,000 respectively. The increase in income is related to certain earning assets acquired from Commercial Assets in August 2000, including an interest in CMBS bonds, offset by the maintenance of lower cash balances as a result of the repurchase of the Company's Common Stock.

Interest Expense

During the six months ended June 30, 2001 and 2000, interest expense was \$2,090,000 and \$1,810,000, respectively. The increase in interest expense is due to additional debt assumed with the merger with Commercial Assets in August 2000.

-15-

Gain on sale of assets

During the six months ended June 30, 2001, the Company sold three properties. All three properties were sold to the community residents and were sold in support of the Company's program of property evaluation and continuous upgrade of the property portfolio. Proceeds generated from these sales have been used to repurchase the Company's Common Stock and retire short-term debt. A summary of the transactions is as follows:

Net sales proceeds	\$14,546,000
Initial costs	11,630,000
Proceeds in excess of original costs	2,916,000
Gain after capital replacement expenditures	2,639,000
GAAP Gain on Sale	3,977,000

LIQUIDITY AND CAPITAL RESOURCES

As of June 30, 2001, we had cash and cash equivalents of \$1,191,000. Our principal activities that demand liquidity include our normal operating activities, payments of principal and interest on outstanding debt, acquisitions of or additional investments in properties, payments of dividends to stockholders and distributions made to OP Unit holders.

Our net cash provided by operating activities was \$3.4 million and \$2.6 million for the six months ended June 30, 2001 and 2000, respectively. The increase of \$0.8 million was primarily a result of a \$1.7 million increase in earnings before depreciation, amortization, minority interests, equity in Commercial Assets' earnings, income from participating mortgages, and gain on sale of real estate offset by an increase of \$0.9 million in cash used for operating assets and liabilities as compared to the same period in 2000.

During the six months ended June 30, 2001, the net cash provided by investing activities was \$9.7 million compared with a net used by investing activities of \$0.4 million for the same period in 2000. The increase in net cash provided is primarily due to an increase in proceeds from the sale of real estate over the 2000 period of \$12.0 million, expenditures for purchases of real estate in 2000 totaling \$0.8 million that did not recur in the 2001 period, collections totaling \$1.6 million in the 2001 period on assets acquired in our merger with

Edgar Filing: AMERICAN LAND LEASE INC - Form 10-Q

Commercial Assets, offset by dividends received on Commercial Assets stock in the 2000 period totaling \$0.7 million and greater expenditures in the 2001 period for capital replacements and improvements of \$3.6 million as a result of the larger portfolio and continued development of unleased sites.

During the six months ended June 30, 2001, net cash used in financing activities was \$13.1 million compared with uses of \$1.6 million for the same period in 2000. The increase in uses is primarily because of higher principal payments on long-term debt totaling \$3.8 million as a result of property sales and higher debt outstanding as a result of the Commercial Assets merger, higher net payments of short-term debt totaling \$10.0 million, the acquisition of treasury stock in the 2001 period totaling \$6.9 million, an increase in dividends paid over the prior period of \$0.8 million due to stock issued in August 2000 in conjunction with our merger with Commercial Assets, the payment of loan costs in the 2001 period totaling \$0.3 million and a reduction in contributions for minority interest in subsidiary of \$1.8 million offset by incremental proceeds from financings totaling \$11.5 million as compared to the prior period and

-16-

the collection in 2001 period of funds from escrow accounts totaling \$0.6 million. During the six months ended June 30, 2001, principal payments of \$979,000 related to scheduled amortization and \$9,630,000 in payment of outstanding balances from loans secured by property sold.

We have a line of credit with a bank providing total borrowing capacity of \$15,000,000 due in April 2002. This line of credit bears interest at the bank's reference rate (6.75% at June 30, 2001) and is secured by three manufactured home communities and one recreational vehicle park which have a combined net book value of \$28,122,000 at June 30, 2001. At June 30, 2001, \$2,200,000 was outstanding.

In April 2001, we entered into a \$7,000,000 floor plan credit facility with a lender expiring April 2003. Advances are made under the facility for 100% of new inventory purchases and bear interest linked to the prime rate with spreads ranging from 0% to 2.5% based upon the manufacturer and age of the inventory. Advances under the facility require principal repayments of 3% after one year and payment in full of an advance after 1 1/2 years. At June 30, 2001, \$2,300,000 was outstanding.

We expect to meet our long-term liquidity requirements through long-term, secured borrowings, the issuance of OP Units and other equity securities and cash generated by operations.

-17-

Item 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Our principal exposure to market risk is through our various debt instruments and borrowings and through changes in interest rates. The following is a list of these debt instruments and borrowing arrangements.

We have \$75 million of fixed rate, fully amortizing, non-recourse, secured long-term notes payable. We do not have significant exposure to changing interest rates on these notes as the rates are fixed and the notes are fully amortizing.

We have a \$4 million, recourse note issued at a discount of 7.0% and due in 2002. We have refunding and repricing risks with respect to this note.

Edgar Filing: AMERICAN LAND LEASE INC - Form 10-Q

We have \$11.6 million of fixed rate, partially amortizing, non-recourse, secured long-term notes payable.

We do not have significant exposure to changes in interest rates while the interest rates are fixed, but we do have repricing and refunding risks as to the unpaid balances due at the maturity of these notes.

We have a recourse, secured line of credit that bears interest at the Bank's "Reference" rate. As of June 30, 2001, the outstanding balance was \$2.2 million. If the Bank's "Reference" rate increased immediately by 1%, then our annual net income and cash flows would decrease by \$22,000 due to an increase in interest expense on this line of credit, based on the outstanding balance at June 30, 2001. We have repricing and refunding risks as to the unpaid balance due at the maturity of this note.

We have a recourse, secured floor plan facility that bears interest at the lender's prime rate plus amounts ranging from 0% to 2.5% based upon the manufacturer and age of the inventory. If the lender's prime rate increased immediately by 1%, then our annual net income and cash flows would decrease by \$23,000 due to an increase in interest expense on this line of credit, based on the outstanding balance at June 30, 2001. We have repricing and refunding risks as to the unpaid balance due at the maturity of this note.
