The Registrant registered an aggregate of 5,750,000 shares of its common stock (the Registered Shares ) pursuant to a Registration Statement on Form S-1 (File No. 333-83352) filed with the Securities and Exchange Commission on February 25, 2002, as amended. The Registered Shares included 5,000,000 shares sold by the Registrant in its initial public offering (the Offering ), and 750,000 shares to be sold by two of the Registrant s stockholders pursuant to the over-allotment option granted by such stockholders to the underwriters. The Offering occurred on May 22, 2002, at which time an aggregate of 5,000,000 shares (the Sold Shares ) were sold by the Registrant. The 30-day period during which the underwriters had the right to exercise the over-allotment option of 750,000 Registered Shares (the Remaining Shares ) has expired. Accordingly, the Registrant hereby withdraws from registration under this Registration Statement on Form S-1 the distribution of the Remaining Shares.

This Post-Effective Amendment is being filed for the sole purpose of deregistering the distribution of the Remaining Shares. No changes are being made to the Prospectus or to Part II of the Registration Statement.
