INFORMATION STATEMENT
Dated _____, 2006

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE
REQUESTED NOT TO SEND US A PROXY

This Information Statement of Comet Technologies, Inc. (the "Company"), a Nevada corporation, is first being furnished on or about _____, 2006,

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

to our stockholders of record as of the close of business on June 21, 2006 for the purpose of providing notice of an amendment to our Articles of Incorporation to change our name to "China Sky One Medical, Inc." and the approval of the Company's 2006 Stock Incentive Plan.

All of the above matters have been approved by holders of approximately 55% of the outstanding shares of the Company in accordance with Nevada corporate law. However, under federal law these proposals will not be effected until at least 20 days after this Information Statement has first been sent to shareholders.

AMENDMENT TO ARTICLES OF INCORPORATION

On June 19, 2006, our board of directors adopted a resolution approving an amendment to our Articles of Incorporation to change our name (the "Amendment"). The Amendment is as follows:

The Articles of Incorporation of the Corporation are hereby amended by deleting Article I in its entirety and inserting the following in lieu thereof:

ARTICLE I

NAME

The name of the Corporation is: China Sky One Medical, Inc.

Our intention is to file the Amendment with the State of Nevada and effect the name change approximately three weeks following the mailing of this Information Statement to our stockholders, but in no event sooner than 20 days following the mailing. Accordingly, we expect the name change will be effective on or about _____, 2006.

1

The Amendment to the Company's Articles of Incorporation will cause the Company to change the name of the Company to "China Sky One Medical, Inc.," or such similar name as determined by the Board of Directors. Upon filing of the Amendment to the Articles with the Nevada Secretary of State, the name change will be effective.

The Nevada Revised Statutes (the "Nevada Law") requires the approval of shareholders who hold at least a majority of the voting power present at a meeting at which a quorum is present to amend the Company's Articles of Incorporation to change its name. The Nevada Law also permits actions that would otherwise require a vote at a meeting of shareholders to be taken by written consent of the holders of at least the number of shares that would be necessary to authorize such actions at a meeting, except for the election of directors, which requires 100% approval.

Two officers of the Company, Yan-qing Liu and Xiao-yan Han, President and Secretary, respectively, who own approximately 55% of the issued and outstanding voting securities of the Company, have consented to amend the Company's Articles of Incorporation to change its name to "China Sky One Medical, Inc.," or such similar name as decided by the Board of Directors.

In May, 2006, we acquired American California Pharmaceutical Group, Inc.

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

("ACPG"), as reported in a Form 8-K report filed with the Securities and Exchange Commission on May 15, 2006. ACPG is a California holding corporation, which owns all of the issued and outstanding shares of registered capital of Harbin Tian Di Ren Medical Science and Technology Company ("TDR"), a limited liability company organized in Heilongjiang Province in the People's Republic of China ("PRC" or "China"). TDR is engaged in the manufacture, marketing and sale of over-the-counter nutraceutical and medicinal products, primarily in China. Management determined that our present name is not meaningful in the context of our newly acquire assets and operations in China. Consequently, we decided to change the name to "China Sky One Medical, Inc." which we believe better indicates our connection with China. Management does not believe that the name change will have any material effect on the Company's operations.

APPROVAL Of the 2006 STOCK INCENTIVE PLAN

The Company's board of directors has adopted a 2006 Stock Incentive Plan (the "Plan"), to be effective on July 31, 2006. Two officers, Yan-qing Liu, President, and Xiao-yan Han, Secretary, who hold approximately 55% of the outstanding stock of the Company, have approved the Plan. The Plan designates a Stock Option Committee appointed by the Board of Directors and authorizes the Stock Option committee to grant or award to eligible participants of the Company and its subsidiaries and affiliates, stock options, SARs, restricted stock performance stock awards and Bonus Stock awards for up to 1,500,000 shares of common stock of the Company (the "Common Stock"). The initial members of the Stock Option Committee have not yet been appointed. There are no options or awards outstanding under the Plan. A complete copy of the Plan is attached hereto as Exhibit A.

2

2

The purpose of the Plan is to (i) promote the best interests of the Company and its shareholders by encouraging key employees and consultants of the Company and its subsidiaries to acquire an ownership interest in the Company, and (ii) enhance the ability of the Company to attract, motivate and retain competent, effective and loyal team members and consultants in order to create intrinsic value for shareholders.

The Company believes that equity is a key element of the Company's compensation package because equity awards encourage loyalty to the Company and align the interests of employees and consultants directly with those of the Company's shareholders. The Plan will allow the Company to continue to provide these individuals with equity incentives that are competitive with those companies with which the Company competes for talent.

The following is a general description of certain features of the Plan:

1. Scope. The Plan authorizes the granting of incentive stock options and nonqualified stock options to purchase common stock, stock appreciation rights ("SARs"), restricted stock, performance stock and bonus stock, to key executives and other key employees and consultants of the Company, including officers of the Company and its subsidiaries. The purpose of the Plan is to attract and retain key employees, to motivate key employees to achieve long-range goals and to further identify the interests of key employees with those of the other shareholders of the Company. The Plan authorizes the award of 1,500,000 shares of Common Stock to be used for stock, SARs, restricted

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

stock and performance and bonus stock. If an award made under the Plan expires, terminates or is forfeited, canceled or settled in cash, without issuance of shares covered by the award, those shares will be available for future awards under the Plan. The Plan will terminate on July 31, 2017.

2. Eligibility. Officers, other key employees and consultants of the Company, its subsidiaries and its affiliates ("Eligible Persons") who are responsible for the management, growth and profitability of the business of the Company, its subsidiaries and its affiliates, are eligible to be granted stock options, SARs, and restricted stock, performance stock and bonus stock awards under the Plan.

3. Administration. The Plan shall be administered by the Stock Option Committee (the "Committee") of the Company. Subject to the provisions of the Plan, the Committee will have authority to select employees and consultants to receive awards, to determine the time or times of receipt, to determine the types of awards and the number of shares covered by the awards, to establish the terms, conditions and provisions of such awards, and to determine the value of performance stock. In making such award determinations, the Committee may take into account the nature of services rendered by the employee, his or her present and potential contribution to the Company's growth and success and such other factors as the Committee deems relevant. The Committee is authorized to interpret the Plan to establish, amend, and rescind any rules and regulations relating to the Plan, to determine the terms and provisions of any agreements made pursuant to the Plan, and to make all other determinations that may be necessary or advisable for the administration of the Plan.

3

3

4. Stock Options. The Plan permits the granting of non-transferable stock options that are intended to qualify as incentive stock options ("ISO's") under section 422 of the Internal Revenue Code of 1986, and stock options that do not so qualify ("Non-Qualified Stock Options"). The option exercise price for each share covered by an option shall be determined by the Committee but shall not be less than 100% of the fair market value of a share on the date of grant for ISO's, and not less than 85% of the fair market value of a share on the date of grant for Non-Qualified Stock Options. In the case of any stockholder of over 10% of voting stock of the Company ("10% Stockholder"), the price at which stock may be purchased under an ISO shall be at least 110% of the fair market value on the date of grant. The term of each option will be fixed by the Committee, but may not exceed 10 years from the date of the grant. In the case of a 10% Stockholder, no ISO shall be exercisable after the expiration of five (5) years from the date the ISO is granted. The aggregate fair market value (determined at the time of the award) of the Common Stock with respect to which ISOs are exercisable for the first time by any employee during any calendar year may not exceed \$100,000. Grants of options do not entitle any optionee to any rights as a shareholder, and such rights will accrue only as to shares actually purchased through the exercise of an option.

5. Stock Appreciation Rights. Stock Appreciation Rights ("SARs") may, at the discretion of the Committee, be included in each option granted under the Plan to permit the holder of an option to surrender that option, or a portion of the part which is then exercisable, and receive in exchange, upon the conditions and limitations set by the Committee, an amount equal to the excess of the fair market value of the stock covered by the option, or the portion of it that was surrendered, determined as of the date of surrender, over the aggregate exercise price of the stock. The payment may be made in

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

shares of stock valued at fair market value, in cash, or partly in cash and partly in shares of stock, as the Committee shall decide in its sole discretion. SARs may be exercised only when the fair market value of the stock covered by the option surrendered exceeds the exercise price of the stock. In the event of the surrender of an option, or a portion of it, to exercise the SARs, the shares represented by the option or that part of it which is surrendered, shall not be available for reissuance under the Plan. Each SAR issued in tandem with an option (a) will expire not later than the expiration of the underlying option, (b) may be for no more than 100% of the difference between the exercise price of the underlying option and the fair market value of a share of stock at the time the SAR is exercised, (c) is transferable only when the underlying option is transferable, and under the same conditions, and (d) may be exercised only when the underlying option is eligible to be exercised.

All Eligible Persons shall be eligible to receive SARs. The Committee shall determine the SAR to be awarded from time to time to any Eligible Person. The grant of an SAR to be awarded from time to time shall neither entitle such person to, nor disqualify such person, from participation in any other grant of awards by the Company, whether under this Plan or any other plan of the Company. If granted as a stand-alone SAR award, the terms of the award shall be provided in a Stock Appreciation Rights Agreement.

6. Restricted Stock. Restricted stock awards are grants of Common Stock made to Eligible Persons subject to a required period of employment following the award (the "Restricted Period") and any other conditions established by the Committee. An Eligible Person will become the holder of shares of restricted stock free of all restrictions if he or she completes the

4

4

Restricted Period and satisfies any other conditions; otherwise, the shares will be forfeited. Under the Plan, the Restricted Period may not be more than ten (10) years. The employee will have the right to vote the shares of restricted stock and, unless the Committee determines otherwise, will have the right to receive dividends on the shares during the Restricted Period. The employee may not sell, pledge or otherwise encumber or dispose of restricted stock until the conditions imposed by the Committee have been satisfied. The Committee may accelerate the termination of the Restricted Period or waive any other conditions with respect to any restricted stock.

7. Performance Stock. Performance shares of Common Stock may be awarded without any payment for such shares by the Committee if specified performance goals established by the Committee are satisfied. The designation of an employee eligible for a specific performance stock award shall be made by the Committee in writing prior to the beginning of the period for which the performance is based. The Committee shall establish the maximum number of shares to stock to be issued to a designated employee if the performance goal or goals are met. The Committee reserves the right to make downward adjustments in the maximum amount of an award if, in its discretion unforeseen events make such adjustment appropriate. The Committee must certify in writing that a performance goal has been attained prior to issuance of any certificate for a performance stock award to any employee.

8. Bonus Stock. Under the Plan, the Committee may award shares of Common Stock to Eligible Persons, without any payment for such shares and without any specified performance goals. The employees eligible for bonus stock awards are senior officers and consultants of the Company and such other

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

employees designated by the Committee.

9. Transfer Restrictions. Grants under the Plan are not transferable except, in the event of death, by will or by the laws of descent and distribution.

10. Termination of Benefits. In certain circumstances such as death, disability, and termination without cause, beneficiaries in the Plan may exercise options, SAR's and receive the benefits of restricted stock grants following their termination or their employment.

11. Change of Control. The Committee in its discretion may provide in the applicable agreements with participants or otherwise that in the event of a Change in Control, as defined in the Plan, or the occurrence of a Change in Control and such other event or events as determined by the Committee, any or all of the following will occur: (i) any outstanding option or SAR granted to participants immediately shall become fully vested and exercisable in full, regardless of any installment provision applicable to such option or SAR; (ii) the remaining restriction period on any shares of Common Stock subject to a restricted stock grant immediately shall lapse and the shares shall become fully transferable, subject to any applicable federal or state securities laws; (iii) all performance goals and conditions shall be deemed to have been satisfied and all restrictions shall lapse on any outstanding performance share awards granted to participants, and such awards shall become payable in full; or (iv) such other treatment as the Committee may determine. The Committee may, in its sole discretion and without the consent of any participant, determine that, upon the occurrence of a Change in Control, each or any option or SAR outstanding immediately prior to the Change in Control shall be canceled in exchange for a

5

5

payment with respect to each vested share of Common Stock subject to such canceled option or SAR in (i) cash, (ii) stock of the Company or of a corporation or other business entity a party to the Change in Control, or (iii) other property which, in any such case, shall be in an amount having a fair market value equal to the excess of the fair market value of the consideration to be paid per share of Common Stock in the Change in Control transaction over the exercise price per share under such option or SAR (the "Spread"). In the event such determination is made by the Committee, the Spread (reduced by applicable withholding taxes, if any) shall be paid to participants in respect of their canceled options and SARs as soon as practicable following the date of the Change in Control.

12. Amendment of the Plan. The Plan may be amended from time to time by majority vote of the Board of Directors; provided, however, that no such amendment may materially increase the number of shares that may be issued under the Plan; materially modify the requirements concerning eligibility under the Plan; or otherwise materially increase the benefits accruing to participants under the Plan, without stockholder approval.

Shareholders should note that certain disadvantages may result from the adoption of the Plan. Pursuant to the Plan the Company is reserving the right to issue up to 1,500,000 shares of New Common Stock. Such issuances may be in the form of stock options, SARs, restrictive stock awards, performance stock or bonus stock. Each of these issuances may be made at prices below the then current market price of the Company's Common Stock, or at the time of exercise

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

the exercise price may be below current market prices of the Company's Common Stock. Accordingly, the sale of these shares may adversely affect the market price of our Common Stock. The issuance of shares upon the exercise of stock options may also result in substantial dilution to the interests of other stockholders. Additionally, the issuance of shares under the Plan will result in the reduction of shareholders' interest in the Company with respect to earnings per share, voting, liquidation and book value per share.

The Plan takes effect on July 31, 2006. No options, SARs, restricted stock, performance stock or bonus stock have been granted or awarded under the Plan to date.

Federal Income Tax Consequences

The following discussion summarizes U.S. federal tax treatment of options granted under the Plan under federal tax laws currently in effect. The rules governing the tax treatment of options are quite technical and the following discussion is necessarily general in nature and does not purport to be complete. The statutory provisions and interpretations described below are, of course, subject to change, and their application may vary in individual circumstances. Optionees are encouraged to seek professional tax advice when exercising awards under the Plan.

Non-Qualified Stock Options. If an optionee is granted options under the Plan that constitute non-qualified stock options, the optionee will not have taxable income on the grant of the option, nor will the Company be entitled to any deduction. Generally, on exercise of non-qualified stock options, an optionee will recognize ordinary income, and the Company will be entitled to a deduction, in an amount equal to the difference between the exercise price and the fair market value of the Common Stock on the date of exercise. The holder's basis for the

Common Stock for purposes of determining gain or loss on subsequent disposition of such shares generally will be the fair market value of the Common Stock on the date the optionee exercises the stock option. Any subsequent gain or loss will be generally taxable as capital gains or losses.

Incentive Stock Options. There is no taxable income to an optionee when he is granted an option under the Plan that constitutes an ISO or when that option is exercised. However, the amount by which the fair market value of the Common Stock at the time of exercise exceeds the exercise price will be an "item of tax preference" for the optionee. Gain realized by the optionee on the sale of an ISO is taxable at capital gains rates, and no tax deduction is available to the Company, unless the optionee disposes of the Common Stock within (a) two years after the date of grant of the ISO or (b) within one year of the date the Common Stock was transferred to the optionee. If the shares of Common Stock are sold or otherwise disposed of before the end of the one-year and two-year periods specified above, the difference between the exercise price and the fair market value of the Common Stock on the date of the option's exercise will be taxed at ordinary income rates, and the Company will be entitled to a deduction to the extent the optionee must recognize ordinary income. An ISO exercised more than three months after an optionee retires, other than by reason of death or disability, will be taxed as a non-qualified stock option, and the optionee will have been deemed to have received income on the exercise taxable at ordinary income rates. The Company will be entitled to a tax deduction equal to the ordinary income, if any, realized by

the optionee.

SARs. No taxable income is realized on the receipt of an SAR, but on exercise of the SAR the fair market value of the Common Stock (or cash in lieu of Common Stock) received must be treated as compensation taxable as ordinary income to the optionee in the year of the exercise. The Company will be entitled to a deduction for compensation paid in the same amount which the optionee realized as ordinary income.

Stock Awards. The taxation of stock awards will depend in part on the type of stock award that is granted. However, if an employee has been granted a restricted stock unit, he will generally not realize taxable income at the time of grant, and the Company will not be entitled to a deduction at that time. Instead, the employee will generally recognize ordinary income at the time a restricted stock unit becomes vested (that is, when the Committee approves the release of the restricted stock unit) in an amount equal to the fair market value of the Common Stock that becomes vested pursuant to such restricted stock unit (plus the amount of any dividend equivalents awarded with respect to the restricted stock unit and interest thereon), and the Company will be entitled to a corresponding deduction.

The foregoing is only a summary of certain federal income tax consequences under the Plan. It does not purport to be complete and does not discuss the tax consequences arising in the context of a participant's death or the income tax laws of any municipality, state or foreign country in which the participant's income or gain may be taxable.

The foregoing is only a summary of the Plan and is qualified in its entirety by reference to its full text, a copy of which is attached hereto as Exhibit A.

The elimination of the need for a special meeting of the shareholders to approve the Amendment and adoption of the Stock Incentive Plan is authorized by Section 78.320 of the Nevada Revised Statutes. This Section provides that the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take the action at a meeting at which all shares entitled to vote on a matter were present and voted, may be substituted for the special meeting. In order to eliminate the costs and management time involved in holding a special meeting and in order to effect the Amendment and adoption of the 2006 Stock Incentive Plan as early as possible in order to accomplish the purposes of the Company, the Board of Directors of the Company voted to utilize the written consent of the majority shareholders of the Company.

On June 19, 2006, there were 10,960,620 shares of common stock issued and outstanding and entitled to vote on the Amendment and adoption of the Company's 2006 Stock Incentive Plan. Pursuant to Section 78.320 of the Nevada Revised Statutes, on that date two (2) stockholders holding a total of 6,063,502 shares, or 55% of our outstanding common stock, signed a written consent of stockholders approving the Amendment and adoption of the Company's 2006 Stock Incentive Plan. The signing stockholders are also officers and two of our directors. No further vote of our stockholders is required to effect the Amendment or adoption of the Company's 2006 Stock Incentive Plan, and no dissenters' rights arise under Nevada law from adoption of the Amendment or 2006 Stock Incentive Plan.

The term "subsidiary corporation" means any corporation (other than the Company) in an unbroken chain of corporations beginning with the Company if, at the time of the action or transaction, each of the corporations other than the last corporation in the unbroken chain owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in the chain.

The shares may be treasury shares or authorized but unissued shares. The maximum number of shares subject to options or stock appreciation rights which may be issued to any eligible person under the plan during each plan year shall be determined by the Committee. Any attempt to transfer an Award other than under the terms of the Plan and the Agreement shall terminate the Award and all rights of the Eligible Person to that Award.

Specifically, in connection with any applicable statute or regulation relating to the registration of securities, upon exercise of any Option or pursuant to any Award, the Company shall not be required to issue any Stock unless the Committee has received evidence satisfactory to it to the effect that the holder of that Option or Award will not transfer the Stock except in accordance with applicable law, including receipt of an opinion of counsel satisfactory to the Company to the effect that any proposed transfer complies with applicable law. The Company may, but shall in no event be obligated to, register any Stock covered by this Plan pursuant to applicable securities laws of any country or any political subdivision. 4.5 CHANGES IN THE COMPANY'S CAPITAL STRUCTURE.

(i) subject to the provisions of clause (c) below, after the effective date of the merger, consolidation, liquidation, sale or other disposition, as the case may be, each holder of an outstanding Option shall be entitled, upon exercise of the Option, to receive, in lieu of shares of Stock, the number and class or classes of shares of stock or other securities or property to which the holder would have been entitled if, immediately prior to the merger, consolidation, liquidation, sale or other disposition, the holder had been the holder of record of a number of shares of Stock equal to the number of shares as to which the Option shall be so exercised;

(ii) the Board of Directors may waive any limitations set out in or imposed under this Plan so that all Options, from and after a date prior to the effective date of the merger, consolidation, liquidation, sale or other disposition, as the case may be, specified by the Board of Directors, shall be exercisable in full; and

(iii) all outstanding Options may be canceled by the Board of Directors as of the effective date of any merger, consolidation, liquidation, sale or other disposition, if (i) notice of cancellation shall be given to each holder of an Option and (ii) each holder of an Option shall have the

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

right to exercise that Option in full (without regard to any limitations set out in or imposed under this Plan or the Option Agreement granting that Option) during a period set by the Board of Directors preceding the effective date of the merger, consolidation, liquidation, sale or other disposition and, if in the event all outstanding Options may not be exercised in full under applicable securities laws without registration of the shares of Stock issuable on exercise of the Options, the Board of Directors may limit the exercise of the Options to the number of shares of Stock, if any, as may be issued without registration. The method of choosing which Options may be exercised, and the number of shares of Stock for which Options may be exercised, shall be solely within the discretion of the Board of Directors.

(c) After a merger of one or more corporations into the Company or after a consolidation of the Company and one or more corporations in which the Company shall be the surviving corporation, each Eligible Person shall be entitled to have his Restricted Stock and shares earned under a Performance Stock Award appropriately adjusted based on the manner the Stock was adjusted under the terms of the agreement of merger or consolidation.

shall not affect, and no adjustment by reason of such issuance shall be made with respect to, the number, class, or price of shares of Stock then subject to outstanding Awards.

4.6 ELECTION UNDER SECTION 83(B) OF THE CODE. No Employee shall exercise the election permitted under Section 83(b) of the Code without written approval of the Committee. Any Employee doing so shall forfeit all Awards issued to him under this Plan.

ARTICLE V - OPTIONS AND STOCK APPRECIATION RIGHTS

5.1 TYPE OF OPTION. The Committee shall specify at the time of grant whether a given Option shall constitute an Incentive Option or a Nonqualified Option. Incentive Stock Options may only be granted to Employees.

5.2 OPTION PRICE. The price at which Stock may be purchased under an Incentive Option shall not be less than the greater of: (a) 100% of the Fair Market Value of the shares of Stock on the date the Option is granted or (b) the aggregate par value of the shares of Stock on the date the Option is granted. The Committee in its discretion may provide that the price at which shares of Stock may be purchased under an Incentive Option shall be more than 100% of Fair Market Value. In the case of any 10% Stockholder, the price at which shares of Stock may be purchased under an Incentive Option shall not be less than 110% of the Fair Market Value of the Stock on the date the Incentive Option is granted. The price at which shares of Stock may be purchased under

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

a Nonqualified Option shall be such price as shall be determined by the Committee in its sole discretion but in no event lower than 85% of the Fair Market Value of the shares of Stock on the date the option is granted.

5.3 DURATION OF OPTIONS AND SARS. No Option or SAR shall be exercisable after the expiration of ten (10) years from the date the Option or SAR is granted. In the case of a 10% Stockholder, no Incentive Option shall be exercisable after the expiration of five years from the date the Incentive Option is granted.

5.4 AMOUNT EXERCISABLE INCENTIVE OPTIONS. Each Option may be exercised from time to time, in whole or in part, in the manner and subject to the conditions the Committee, in its sole discretion, may provide in the Option Agreement, as long as the Option is valid and outstanding, and further provided that no Option may be exercisable within six (6) months of the date of grant, unless otherwise stated in the Option Agreement. To the extent that the aggregate Fair Market Value (determined as of the time an Incentive Option is granted) of the Stock with respect to which Incentive Options first become exercisable by the optionee during any calendar year (under this Plan and any other incentive stock option plan(s) of the Company or any Affiliate) exceeds \$100,000, the portion in excess of \$100,000 of the Incentive Option shall be treated as a Nonqualified Option. In making this determination, Incentive Options shall be taken into account in the order in which they were granted.

5.5 EXERCISE OF OPTIONS. Each Option shall be exercised by the delivery of written notice to the Committee setting forth the number of shares of Stock with respect to which the Option is to be exercised, together with:

A-8

18

(a) cash, certified check, bank draft, or postal or express money order payable to the order of the Company for an amount equal to the option price of the shares,

(b) Stock at its Fair Market Value on the date of exercise, (if approved in advance by the Committee),

(c) an election to make a cashless exercise through a registered broker-dealer (if approved in advance by the Committee),

(d) an election to have shares of Stock, which otherwise would be issued on exercise, withheld in payment of the exercise price (if approved in advance by the Committee), and/or

(e) any other form of payment which is acceptable to the Committee, including without limitation, payment in the form of a promissory note, and specifying the address to which the certificates for the shares are to be mailed.

As promptly as practicable after receipt of written notification and payment, the Company shall deliver to the Eligible Person certificates for the number of shares with respect to which the Option has been exercised, issued in the Eligible Person's name. If shares of Stock are used in payment, the aggregate Fair Market Value of the shares of Stock tendered must be equal to or less than the aggregate exercise price of the shares being purchased upon exercise of the Option, and any difference must be paid by cash, certified check, bank draft, or postal or express money order payable to the order of the Company. Delivery of the shares shall be deemed effected for all purposes

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

when a stock transfer agent of the Company shall have deposited the certificates in the United States mail, addressed to the Eligible Person, at the address specified by the Eligible Person.

Whenever an Option is exercised by exchanging shares of Stock owned by the Eligible Person, the Eligible Person shall deliver to the Company certificates registered in the name of the Eligible Person representing a number of shares of Stock legally and beneficially owned by the Eligible Person, free of all liens, claims, and encumbrances of every kind, accompanied by stock powers duly endorsed in blank by the record holder of the shares represented by the certificates (with signature guaranteed by a commercial bank or trust company or by a brokerage firm having a membership on a registered national stock exchange). The delivery of certificates upon the exercise of Options is subject to the condition that the person exercising the Option provide the Company with the information the Company might reasonably request pertaining to exercise, sale or other disposition.

5.6 STOCK APPRECIATION RIGHTS. All Eligible Persons shall be eligible to receive SARs. The Committee shall determine the SAR to be awarded from time to time to any Eligible Person. The grant of an SAR to be awarded from time to time shall neither entitle such person to, nor disqualify such person, from participation in any other grant of awards by the Company, whether under this Plan or any other plan of the Company. If granted as a stand-alone SAR Award, the terms of the Award shall be provided in a Stock Appreciation Rights Agreement.

A-9

19

5.7 STOCK APPRECIATION RIGHTS IN TANDEM WITH OPTIONS. Stock Appreciation Rights may, at the discretion of the Committee, be included in each Option granted under the Plan to permit the holder of an Option to surrender that Option, or a portion of the part which is then exercisable, and receive in exchange, upon the conditions and limitations set by the Committee, an amount equal to the excess of the Fair Market Value of the Stock covered by the Option, or the portion of it that was surrendered, determined as of the date of surrender, over the aggregate exercise price of the Stock. The payment may be made in shares of Stock valued at Fair Market Value, in cash, or partly in cash and partly in shares of Stock, as the Committee shall decide in its sole discretion. Stock Appreciation Rights may be exercised only when the Fair Market Value of the Stock covered by the Option surrendered exceeds the exercise price of the Stock. In the event of the surrender of an Option, or a portion of it, to exercise the Stock Appreciation Rights, the shares represented by the Option or that part of it which is surrendered, shall not be available for reissuance under the Plan. Each Stock Appreciation Right issued in tandem with an Option (a) will expire not later than the expiration of the underlying Option, (b) may be for no more than 100% of the difference between the exercise price of the underlying Option and the Fair Market Value of a share of Stock at the time the Stock Appreciation Right is exercised, (c) is transferable only when the underlying Option is transferable, and under the same conditions, and (d) may be exercised only when the underlying Option is eligible to be exercised.

5.8 CONDITIONS OF STOCK APPRECIATION RIGHTS. All Stock Appreciation Rights shall be subject to such terms, conditions, restrictions or limitations as the Committee deems appropriate, including by way of illustration but not by way of limitation, restrictions on transferability, requirement of continued employment, individual performance, financial performance of the Company or payment of any applicable employment or withholding taxes.

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

5.9 PAYMENT OF STOCK APPRECIATION RIGHTS. The amount of payment to which the Eligible Person who reserves an SAR shall be entitled upon the exercise of each SAR shall be equal to the amount, if any by which the Fair Market Value of the specified shares of Stock on the exercise date exceeds the Fair Market Value of the specified shares of Stock on the date of grant of the SAR. The SAR shall be paid in either cash or Stock, as determined in the discretion of the Committee as set forth in the SAR agreement. If the payment is in Stock, the number of shares to be paid shall be determined by dividing the amount of such payment by the Fair Market Value of Stock on the exercise date of such SAR.

5.10 EXERCISE ON TERMINATION OF EMPLOYMENT. Unless it is expressly provided otherwise in the Option or SAR agreement, Options and SAR granted to Employees shall terminate one day less than three months after severance of employment of the Employee from the Company and all Affiliates for any reason, with or without cause, other than death, retirement under the then established rules of the Company, or severance for disability. Whether authorized leave of absence or absence on military or government service shall constitute severance of the employment of the Employee shall be determined by the Committee at that time.

5.11 DEATH. If, before the expiration of an Option or SAR, the Eligible Person, whether in the employ of the Company or after he has retired or was severed for disability, or

A-10

20

otherwise dies, the Option or SAR shall continue until the earlier of the Option's or SAR's expiration date or one year following the date of his death, unless it is expressly provided otherwise in the Option or SAR agreement. After the death of the Eligible Person, his executors, administrators or any persons to whom his Option or SAR may be transferred by will or by the laws of descent and distribution shall have the right, at any time prior to the Option's or SAR's expiration or termination, whichever is earlier, to exercise it, to the extent to which he was entitled to exercise it immediately prior to his death, unless it is expressly provided otherwise in the Option or SAR's agreement.

5.12 RETIREMENT. Unless it is expressly provided otherwise in the Option Agreement, before the expiration of an Incentive Option, the Employee shall be retired in good standing from the employ of the Company under the then established rules of the Company, the Incentive Option shall terminate on the earlier of the Option's expiration date or one day less than one year after his retirement; provided, if an Incentive Option is not exercised within specified time limits prescribed by the Code, it will become a Nonqualified Option by operation of law. Unless it is expressly provided otherwise in the Option Agreement, if before the expiration of a Nonqualified Option, the Employee shall be retired in good standing from the employ of the Company under the then established rules of the Company, the Nonqualified Option shall terminate on the earlier of the Nonqualified Option's expiration date or one day less than one year after his retirement. In the event of retirement, the Employee shall have the right prior to the termination of the Nonqualified Option to exercise the Nonqualified Option, to the extent to which he was entitled to exercise it immediately prior to his retirement, unless it is expressly provided otherwise in the Option Agreement. Upon retirement, an SAR shall continue to be exercisable for the remainder of the term of the SAR agreement.

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

5.13 DISABILITY. If, before the expiration of an Option or SAR, the Employee shall be severed from the employ of the Company for disability, the Option or SAR shall terminate on the earlier of the Option's or SAR's expiration date or one day less than one year after the date he was severed because of disability, unless it is expressly provided otherwise in the Option or SAR agreement. In the event that the Employee shall be severed from the employ of the Company for disability, the Employee shall have the right prior to the termination of the Option or SAR to exercise the Option, to the extent to which he was entitled to exercise it immediately prior to his retirement or severance of employment for disability, unless it is expressly provided otherwise in the Option Agreement.

5.14 SUBSTITUTION OPTIONS. Options may be granted under this Plan from time to time in substitution for stock options held by employees of other corporations who are about to become employees of or affiliated with the Company or any Affiliate as the result of a merger or consolidation of the employing corporation with the Company or any Affiliate, or the acquisition by the Company or any Affiliate of the assets of the employing corporation, or the acquisition by the Company or any Affiliate of stock of the employing corporation as the result of which it becomes an Affiliate of the Company. The terms and conditions of the substitute Options granted may vary from the terms and conditions set out in this Plan to the extent the Committee, at the time of grant, may deem appropriate to conform, in whole or in part, to the provisions of the stock options in substitution for which they are granted.

A-11

21

5.15 RELOAD OPTIONS. Without in any way limiting the authority of the Board of Directors or Committee to make or not to make grants of Options hereunder, the Board of Directors or Committee shall have the authority (but not an obligation) to include as part of any Option Agreement a provision entitling the Eligible Person to a further Option (a "Reload Option") in the event the Eligible Person exercises the Option evidenced by the Option Agreement, in whole or in part, by surrendering other shares of Stock in accordance with this Plan and the terms and conditions of the Option Agreement. Any such Reload Option (a) shall be for a number of shares equal to the number of shares surrendered as part or all of the exercise price of such Option; (b) shall have an expiration date which is the greater of (i) the same expiration date of the Option the exercise of which gave rise to such Reload Option or (ii) one year from the date of grant of the Reload Option; and (c) shall have an exercise price which is equal to one hundred percent (100%) of the Fair Market Value of the Stock subject to the Reload Option on the date of exercise of the original Option. Notwithstanding the foregoing, a Reload Option which is an Incentive Option and which is granted to a 10% Stockholder, shall have an exercise price which is equal to one hundred ten percent (110%) of the Fair Market Value of the Stock subject to the Reload Option on the date of exercise of the original Option and shall have a term which is no longer than five (5) years.

Any such Reload Option may be an Incentive Option or a Nonqualified Option, as the Board of Directors or Committee may designate at the time of the grant of the original Option; provided, however, that the designation of any Reload Option as an Incentive Option shall be subject to the one hundred thousand dollar (\$100,000) annual limitation on exerciseability of Incentive Stock Options described in the Plan and in Section 422(d) of the Code. There shall be no Reload Options on a Reload Option. Any such Reload Option shall be subject to the availability of sufficient shares under Section 4.2 herein and shall be subject to such other terms and conditions as the Board of Directors or Committee may determine which are not inconsistent with the express

Edgar Filing: COMET TECHNOLOGIES INC - Form PRE 14C

provisions of the Plan regarding the terms of Options.

5.16 NO RIGHTS AS STOCKHOLDER. No Eligible Person shall have any rights as a stockholder with respect to Stock covered by his Option until the date a stock certificate is issued for the Stock.

ARTICLE VI - RESTRICTED STOCK AWARDS

6.1 RESTRICTED STOCK AWARDS. The Committee may issue shares of Stock to an Eligible Person subject to the terms of a Restricted Stock Agreement. The Restricted Stock may be issued for no payment by the Eligible Person or for a payment below the Fair Market Value on the date of grant. Restricted Stock shall be subject to restrictions as to sale, transfer, alienation, pledge or other encumbrance and generally will be subject to vesting over a period of time specified in the Restricted Stock Agreement. The Committee shall determine the period of vesting, the number of shares, the price, if any, of Stock included in a Restricted Stock Award, and the other terms and provisions which are included in a Restricted Stock Agreement.

A-12

22

(a) a prohibition against the sale, transfer, alienation, pledge or other encumbrance of the shares of Restricted Stock, such prohibition to lapse (i) at such time or times as the Committee shall determine (whether in annual or more frequent installments, at the time of the death, disability or retirement of the holder of such shares, or otherwise);

(b) a requirement that the holder of shares of Restricted Stock forfeit, or in the case of shares sold to an Eligible Person, resell back to the Company at his cost, all or a part of such shares in the event of termination of the Eligible Person's employment during any period in which the shares remain subject to restrictions;

(c) a prohibition against employment of the holder of Restricted Stock by any competitor of the Company or its Affiliates, or against such holder's dissemination of any secret or confidential information belonging to the Company or an Affiliate;

(d) unless stated otherwise in the Restricted Stock Agreement, (i) if restrictions remain at the time of severance of employment with the Company and all Affiliates, other than for reason of disability or death, the Restricted Stock shall be forfeited; and (ii) if severance of employment is by reason of disability or death, the restrictions on the shares shall lapse and the Eligible Person or his heirs or estate shall be 100% vested in the shares subject to the Restricted Stock Agreement.

6.3 STOCK CERTIFICATE. Shares of Restricted Stock shall be registered in the name of the Eligible Person receiving the Restricted Stock Award and deposited, together with a stock power endorsed in blank, with the Company. 6.4 RIGHTS AS STOCKHOLDER. Subject to the terms and conditions of the Plan, each Eligible Person receiving a certificate for Restricted Stock shall have all the rights of a stockholder with respect to the shares of Stock included in the Restricted Stock Award during any period in which such shares are subject to forfeiture and restrictions on transfer, including without limitation, the right to vote such shares. Dividends paid with respect to shares of Restricted Stock in cash or property other than Stock in the Company or rights to acquire stock in the Company shall be paid to the Eligible Person currently. At the end of the time period during which any shares of Restricted Stock are subject to forfeiture and restrictions on sale, transfer, alienation, pledge, or other encumbrance, such shares shall vest and will be delivered in a certificate, free of all restrictions, to the Eligible Person or to the Eligible Person's legal representative, beneficiary or heir; provided the certificate shall bear such legend, if any, as the Committee determines is reasonably required by applicable law. By accepting a Stock Award and executing a Restricted Stock Agreement, the Eligible Person agrees to remit when due any federal and state income and employment taxes required to be withheld.

6.6 RESTRICTION PERIOD. No Restricted Stock Award may provide for restrictions continuing beyond ten (10) years from the date of grant.

ARTICLE VII - PERFORMANCE STOCK AWARDS

7.1 AWARD OF PERFORMANCE STOCK. The Committee may award shares of Stock, without any payment for such shares, to designated Eligible Persons if specified performance goals established by the Committee are satisfied. The terms and provisions herein relating to these performance-based awards are intended to satisfy Section 162(m) of the Code and regulations issued thereunder. The designation of an employee eligible for a specific Performance Stock Award shall be made by the Committee in writing prior to the beginning of the period for which the performance is measured (or within such period as permitted by IRS regulations). The Committee shall establish the maximum number of shares of Stock to be issued to a designated Employee if the performance goal or goals are met. The Committee reserves the right to make downward adjustments in the maximum amount of an Award if in its discretion unforeseen events make such adjustment appropriate.

7.2 PERFORMANCE GOALS. Performance goals determined by the Committee may be based on specified increases in cash flow, net profits, Stock price, Company, segment or Affiliate sales, market share, earnings per share, return on assets, and/or return on stockholders' equity.
