PROXY STATEMENT

For 2008 Annual Meeting of Shareholders

To Be Held on Wednesday, May 28, 2008

Our Board of Directors is soliciting proxies to be voted at our 2008 Annual Meeting of Shareholders (“Annual Meeting”) on May 28, 2008, at 9:00 a.m., Pacific Time, and at any adjournments or postponements thereof, for the purposes set forth in the attached Notice of Annual Meeting of Shareholders. The Notice, this Proxy Statement and the form of proxy enclosed are first being sent to shareholders on or about May 8, 2008. As used in this Proxy Statement, the terms “Company,” “we,” “us” and “our” refer to Pacific Premier Bancorp, Inc. and the term “Bank” refers to Pacific Premier Bank.

Questions and Answers about these Proxy Materials and the Annual Meeting:

Question: Why am I receiving these materials?

Answer: Our Board of Directors is providing these proxy materials to you in connection with the Annual Meeting, to be held on May 28, 2008. As a shareholder, you are invited to attend our Annual Meeting, and are entitled to and requested to vote on the items of business described in this Proxy Statement.

Question: What information is contained in this Proxy Statement?

Answer: This information relates to the proposals to be voted on at our Annual Meeting, the voting process, compensation of our directors and most highly paid executives, and certain other required information.

Question: Who is soliciting my vote pursuant to this Proxy Statement?

Answer: Our Board of Directors is soliciting your vote at our Annual Meeting.

Question: Who is entitled to vote?

Answer: Only shareholders of record at the close of business on March 31, 2008 (the "Record Date") will be entitled to vote at our Annual Meeting.

Question: How many shares are eligible to be voted?

Answer: As of the Record Date, we had 4,903,784 shares of common stock outstanding. Each outstanding share of our common stock will entitle its holder to one vote on each of the three (3) directors to be elected and one vote on each other matter to be voted on at our Annual Meeting.

Question: What am I voting on?

Answer: You are voting on the following matters:

- The election of three (3) directors. Our nominees are Ronald G. Skipper, Michael L. McKennon and Kenneth A. Boudreau.
- Ratification of the appointment by our Board's Audit Committee of Vavrinek, Trine, Day & Co., LLP ("VTD") as the Company's independent auditor for 2008.

Question: How does our Board recommend that I vote?

Answer: Our Board recommends that you vote "FOR" each director nominee and "FOR" the ratification of the Audit Committee's appointment of VTD as independent auditor.

Question: How many votes are required to hold the Annual Meeting and what are the voting procedures?

Answer: Quorum Requirement: As of the Record Date, 4,903,784 shares of the Company's common stock were issued and outstanding. A majority of the outstanding shares, present or represented by proxy, constitutes a quorum for the purpose of adopting proposals at the Annual Meeting. If you submit a properly executed proxy, then you will be considered part of the quorum.

Required Votes: Each outstanding share of our common stock is entitled to one vote on each proposal at the Annual Meeting.

•

Election of Directors: If there is a quorum at our Annual Meeting, the three (3) nominees who receive the greatest number of votes cast for directors will be elected. There is no cumulative voting for our directors.

- Ratification of Independent Auditors: If there is a quorum, this proposal will be approved if the number of votes cast in favor of the proposed action exceeds the number of votes cast against it.

If there is a quorum at the Annual Meeting, abstentions and broker non-votes will have no impact on the election of directors or the approval of the other proposed actions at the meeting.

Question: How may I cast my vote?

Answer: If you are the shareholder of record, you may vote by one of the following four methods (as instructed on the enclosed proxy card):

- in person at the Annual Meeting,
 - via the Internet,
 - by telephone, or
 - by mail.

Whichever method you use, the proxies identified on the proxy card will vote the shares of which you are the shareholder of record in accordance with your instructions. If you submit a proxy card without giving specific voting instructions, the proxies will vote the shares as recommended by our Board of Directors.

If you own your shares in “street name,” that is, through a brokerage account or in another nominee form, you must provide instructions to the broker or nominee as to how your shares should be voted. Your broker or nominee will usually provide you with the appropriate instruction forms at the time you receive this Proxy Statement and our Annual Report. If you own your shares in this manner, you cannot vote in person at the Annual Meeting unless you receive a proxy to do so from the broker or the nominee, and you bring the proxy to our Annual Meeting.

Question: How may I cast my vote over the Internet or by telephone?

Answer: Voting over the Internet: If you are a shareholder of record, you may use the Internet to transmit your vote up until 11:59 P.M. Eastern Time May 27, 2008. Visit www.voteproxy.com and have your proxy card in hand when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form.

Voting by Telephone: If you are a shareholder of record, you may call 1-800-776-9437 and use any touch-tone telephone to transmit your vote up until 11:59 P.M. Eastern Time May 27, 2008. Have your proxy card in hand when you call and then follow the instructions.

If you hold your shares in “street name,” that is through a broker, bank or other nominee, that institution will instruct you as to how your shares may be voted by proxy, including whether telephone or Internet voting options are available.

Question: How may a shareholder nominate someone at the Annual Meeting to be a director or bring any other business before the Annual Meeting?

Answer: The Company’s bylaws require advance notice to the Company if a shareholder intends to attend an annual meeting of shareholders in person and to nominate someone for election as a director or to bring other business before the meeting. Such a notice may be made only by a shareholder of record within the time period established in the bylaws and described in each year’s Proxy Statement.

Question: How may I revoke or change my vote?

Answer: If you are the record owner of your shares, and you completed and submitted the proxy card you may revoke your proxy at any time before it is voted at the Annual Meeting by:

- submitting a new proxy card,
- delivering written notice to our Secretary prior to May 27, 2008, stating that you are revoking your proxy, or
 - attending the Annual Meeting and voting your shares in person.

If you are a record owner of your shares and you submitted your proxy by telephone or via the Internet, you may change your vote or revoke your proxy with a later telephone or Internet proxy, as the case may be.

Please note that attendance at the Annual Meeting will not, in itself, constitute revocation of your proxy.

Question: Who is paying for the costs of this proxy solicitation?

Answer: Our Company will bear the cost of preparing, printing and mailing the materials in connection with this solicitation of proxies. In addition to mailing these materials, officers and regular employees of our Company may, without being additionally compensated, solicit proxies personally and by mail, telephone, facsimile or electronic communication. We have retained American Stock Transfer & Trust Co. to assist in the solicitation at a cost of approximately \$3,500, plus payment of reasonable out-of-pocket expenses incurred by American Stock Transfer & Trust Co.

Question: Who will count the votes?

Answer: American Stock Transfer & Trust Co., our inspector of elections for the Annual Meeting, will receive and tabulate the ballots and voting instruction forms.

Question: What happens if the Annual Meeting is postponed or adjourned?

Answer: Your proxy will still be effective and may be voted at the rescheduled meeting. You will still be able to change or revoke your proxy until it is voted.

Question: How can I obtain the Company's Corporate Governance information?

Answer: Our Company's Corporate Governance information is available on our website at www.ppbi.net/ir. Our shareholders may also obtain written copies at no cost by writing to us at 1600 Sunflower Avenue, Costa Mesa, California 92626, Attention: Investor Relations Department, or by calling (714) 431-4000.

Corporate Governance

We value strong corporate governance principles and adhere to the highest ethical standards. These principles and standards, along with our core values of fairness and caring, assist us in achieving our corporate mission. To foster strong corporate governance and business ethics, our Board of Directors continues to take many steps to strengthen and enhance our corporate governance practices and principles. To that end, we have adopted Corporate Governance Guidelines to achieve the following goals:

- to promote the effective functioning of the Board of Directors;
- to ensure that the Company conducts all of its business in accordance with the highest ethical and legal standards; and
- to enhance shareholder value.

The full text of our Corporate Governance Guidelines is available on our website at www.ppbi.net/ir. Our shareholders may also obtain a written copy of the guidelines at no cost by writing to us at 1600 Sunflower Avenue, Costa Mesa, California 92626, Attention: Investor Relations Department, or by calling (714) 431-4000.

The Nominating and Corporate Governance Committee (the “Nominating Committee”) of our Board of Directors administers our Corporate Governance Guidelines, reviews performance under the guidelines and the content of the guidelines annually and, when appropriate, and recommends updates and revisions to our Board of Directors.

Board of Directors Independence

The Board of Directors of the Company and the Bank is made up of seven (7) directors. Due to the recent resignation of Mr. David Hardin in March 2008 there is currently one vacancy. The directors are divided into three classes. Directors are elected for staggered terms of three years and serve until their successors are elected and qualified. Our Corporate Governance Guidelines require that the Board consist predominantly of non-management directors. This means directors who are not currently, and have not been, employed by us during the most recent three years. Currently, our Chief Executive Officer is our only director who is also a member of management.

Our Corporate Governance Guidelines require that a majority of the Board of Directors consist of independent directors as defined under the Nasdaq Global Market (the “Nasdaq”) rules. No director will be “independent” unless the Board affirmatively determines that the director meets the categorical standards set forth in the Nasdaq rules and otherwise has no relationship with the Company which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company).

Our Nominating Committee is responsible for reviewing with the Board annually the appropriate criteria and standards for determining director independence consistent with the Nasdaq rules. In 2007, the Company’s Board determined that Kenneth A. Boudreau, John D. Goddard, Jeff C. Jones, Michael L. McKennon, and Ronald G. Skipper are independent and have no material relationships with the Company.

In connection with its review, the Board examined certain relationships between Mr. McKennon and the Company, in particular, the four loans his partnership has with the Bank, and determined that the relationships were immaterial.

Responsibilities of the Board of Directors

In addition to each director’s basic duties of care and loyalty, the Company’s Board of Directors has separate and specific obligations enumerated in our Corporate Governance Guidelines. Among other things, these obligations require directors to effectively monitor management’s capabilities, compensation, leadership and performance, without undermining management’s ability to successfully operate the business. In addition, our Board and its committees have the authority to retain and establish the fees of outside legal, accounting or other advisors, as necessary to carry out their responsibilities.

Our directors are expected to avoid any action, position or interest that conflicts with an interest of the Company, or gives the appearance of a conflict. As a result, our directors must disclose all business relationships with the Company and with any other person doing business with us to the entire Board and to recuse themselves from discussions and

decisions affecting those relationships. We periodically solicit information from directors in order to monitor potential conflicts of interest and to confirm director independence.

Communication With Directors

Individuals may submit communications to any individual director, including our presiding Chairman, our Board of Directors as a group, or a specified Board committee or group of directors, including our non-management directors, by sending the communications in writing to the following address: Pacific Premier Bancorp, Inc., 1600 Sunflower Avenue, Costa Mesa, California 92626. All correspondence should indicate to whom it is addressed. The Company's Corporate Secretary will sort the Board correspondence to classify it based on the following categories into which it falls: shareholder correspondence, commercial correspondence, regulator correspondence or customer correspondence. Each classification of correspondence will be handled in accordance with a policy unanimously approved by the Board.

Director Nomination Process

Our Nominating Committee is responsible for reviewing with the Board of Directors annually the appropriate skills and characteristics required of our Board members, and for selecting, evaluating and recommending nominees for election by our shareholders. The Nominating Committee has authority to retain a third-party search firm to identify or evaluate, or assist in identifying and evaluating, potential nominees if it so desires, although it has not done so to date.

In evaluating nominees for director, the Nominating Committee considers such other relevant factors as it deems appropriate, including the current composition of the Board, the need for Audit Committee expertise, and the director qualification guidelines set forth in the Company's Corporate Governance Policy. In connection with this evaluation, the Nominating Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Nominating Committee, in concert with the Company's Chief Executive Officer, interviews prospective nominees. After completing its evaluation, the Nominating Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Nominating Committee.

Our shareholders may propose director candidates for consideration by the Company's Nominating Committee by submitting the individual's name and qualifications to our Secretary at 1600 Sunflower Avenue, Costa Mesa, CA 92626. Our Nominating Committee will consider all director candidates properly submitted by our shareholders in accordance with our bylaws and Corporate Governance Guidelines. Shareholders who wish to nominate candidates for election to our Board at our Annual Meeting of Shareholders must follow the procedures outlined in "Shareholder Proposals for the 2009 Annual Meeting" set forth on page 31 of this Proxy Statement.

Board Meetings and Executive Sessions

Our Board of Directors currently holds twelve full Board meetings each year. All of our directors are encouraged to attend each meeting in person. Our management provides all directors with an agenda and appropriate written materials sufficiently in advance of the meetings to permit meaningful review. Any director may submit topics or request changes to the preliminary agenda as he or she deems appropriate in order to ensure that the interests and needs of non-management directors are appropriately addressed. To ensure active and effective participation, all of our directors are expected to arrive at each Board and committee meeting having reviewed and analyzed the materials for the meeting. During 2007, our Board of Directors met twelve times, and all of our directors attended at least 92% of the meetings of our Board and the meetings held by committees on which he served.

It is the Company's policy that the independent directors of the Company meet in executive sessions without management at least twice on an annual basis in conjunction with regularly scheduled board meetings. Executive

sessions at which the independent directors meet with the Chief Executive Officer also may be scheduled. During 2007, the independent directors met twice in executive session without the presence of management.

Director Attendance at Company Annual Meetings

All of our directors are encouraged to attend every Company annual meeting of shareholders. All of our directors attended our prior annual meeting of shareholders.

Director Contact with Management

All of our directors are invited to contact our Chief Executive Officer at any time to discuss any aspect of our business. In addition, there generally are frequent opportunities for directors to meet with other members of our management team.

Corporate Code of Business Conduct and Ethics

We have implemented a Code of Business Conduct and Ethics applicable to our directors, Chief Executive Officer, Chief Financial Officer, our other senior management, and to all of our officers and employees. Our Code of Business Conduct and Ethics provides fundamental ethical principles to which these senior financial officers are expected to adhere. Our Code of Business Conduct and Ethics operates as a tool to help our directors, officers, and employees understand and adhere to the high ethical standards required for employment by, or association with, the Company and the Bank. Our Code of Business Conduct and Ethics is available on our website at www.ppbi.net/ir. Our shareholders may also obtain written copies at no cost by writing to us at 1600 Sunflower Avenue, Costa Mesa, California 92626, Attention: Investor Relations Department, or by calling (714) 431-4000. Any future changes or amendments to our Code of Business Conduct and Ethics and any waiver that applies to one of our senior financial officers or a member of our Board of Directors will be posted to our website.

A description of the general functions of each of the Company's Board committees and the composition of each committee is set forth below.

Audit Committee. The Audit Committee is responsible for selecting and communicating with the independent auditors, reporting to the Board on the general financial condition of the Company and the results of the annual audit, and ensuring that the Company's activities are being conducted in accordance with applicable laws and regulations. The internal auditor of the Bank participates in the Audit Committee meetings. A copy of the audit committee charter can be found on the Company's website at www.ppbi.net under the Investor Relations section.

No member of the Audit Committee receives any consulting, advisory or other compensation fee from the Company other than fees for service as member of the Board of Directors, committee member or officer of the Board. Each of the Audit Committee members is considered "independent" under the Nasdaq listing standards and rules of the Securities and Exchange Commission ("SEC"). The Board of Directors has determined that Mr. McKennon satisfies the requirements established by the SEC for qualification as an "audit committee financial expert".

Compensation Committee. The Compensation Committee reviews the amount and composition of director compensation from time to time and makes recommendations to the Board when it concludes changes are needed. In recommending director compensation, the Compensation Committee considers the potential negative effect on director independence if director compensation and perquisites exceed customary levels. The Compensation Committee also has (i) oversight responsibility for the Bank's compensation policies, benefits and practices, (ii) reviews the Chief Executive Officer's recommendations concerning individual incentive awards of officers directly reporting to him, (iii) approves all stock option and restricted stock grants, (iv) has oversight responsibility for management planning and succession, and (v) determines the annual salary and the annual bonus, stock option and restricted stock grants of the Chief Executive Officer ("CEO") and Chief Financial Officer ("CFO"). Our Compensation Committee does not have a charter.

Nominating and Corporate Governance Committee. The Nominating Committee has oversight responsibility for nominating candidates as directors and to determine satisfaction of independence requirements. The Nominating Committee has adopted a written charter. A copy of the charter and the Company's Corporate Governance policy can both be found on the Company's website at www.ppbi.net under the Investor Relations section.

The Nominating Committee considers candidates for director suggested by its members and other directors of the Company, as well as management and shareholders. Our Nominating Committee will consider all director candidates properly submitted by our shareholders in accordance with our Corporate Governance Guidelines. The Nominating Committee has authority to retain a third-party search firm to identify or evaluate, or assist in identifying and evaluating, potential nominees if it so desires, although it has not done so to date.

In evaluating nominees for director, the Nominating Committee considers such other relevant factors as it deems appropriate, including the current composition of the Board, the need for Audit Committee expertise, the director qualification guidelines set forth in the Company's Corporate Governance Policy and the evaluations of other prospective nominees. In connection with this evaluation, the Nominating Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Nominating Committee, in concert with the Company's Chief Executive Officer, interviews prospective nominees in person or by telephone. After completing its evaluation, the Nominating Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Nominating Committee.

Compensation of Non-Employee Directors

The Company's Board of Directors, acting upon a recommendation from the Compensation Committee, annually determines the non-employee directors' compensation for serving on the Board and its committees. In establishing director compensation, the Board and the Compensation Committee are guided by the following goals:

- Compensation should consist of a combination of cash and equity awards that are designed to fairly pay the directors for work required for a company of our size and scope;
 - Compensation should align the directors' interests with the long-term interests of shareholders; and
 - Compensation should assist with attracting and retaining qualified directors.

The Compensation Committee of the Company was comprised of Messrs. Boudreau, Goddard, and Skipper for 2007, each of whom is "independent" as defined under the Nasdaq listing standards. The Compensation Committee held one meeting during 2007, at which all members were present. The Compensation Committee (i) has oversight responsibility for the Bank's compensation policies, benefits and practices; (ii) reviews the Chief Executive Officer's recommendations concerning individual incentive awards of officers directly reporting to him; (iii) approves all stock option and restricted stock grants; (iv) has oversight responsibility for management planning and succession; and (v) determines the annual compensation amount and the annual bonus, stock option and restricted stock grants of the CEO and CFO. The Compensation Committee may from time to time retain independent compensation consultants to assist it in the exercise of its responsibilities, including developing compensation plans and providing comparative data regarding the Bank's compensation policies.

The Compensation Committee and Board most recently completed this process in December 2007, and determined that our director compensation for 2008 should remain unchanged from 2007, except for the increase of the monthly retainer to \$500, the addition of a \$500 quarterly retainer for the Audit Committee Chairman and the removal of the retainer for the Credit Committee Chairman. The Company does not pay director compensation to directors who are also our employees. Below are the elements of compensation paid to nonemployee directors for their service on our Board.

Cash Compensation

Company non-employee directors receive the following cash payments for their service on our Board of Directors and Board committees:

- a monthly cash retainer of \$500 for service on the Company Board;
- a monthly cash retainer of \$2,000 for service on the Bank Board;
- a monthly cash retainer of \$2,500 to the Chairman of the Board of the Bank;
- a quarterly cash retainer of \$500 to the Chairman of the Audit Committee of the Bank;

During 2007, the Company did not provide perquisites to any director in an amount that is reportable under applicable SEC rules and regulations. All non-employee directors are entitled to reimbursement for travel expense incurred in attending Board and committee meetings.

Stock Compensation

Each non-employee director is eligible for a grant of either options to purchase Company common stock or shares of restricted stock issued from our 2004 Long-term Incentive Plan, as recommended by our Compensation Committee. The options and restricted stock that the Company awards to our directors vest in equal thirds over three years on each anniversary of the date of grant, subject to earlier vesting on termination of service in certain circumstances. All awards are made based on the closing market price on the date of grant.

Long-Term Care Insurance Plan

As more fully described under the heading “Long-Term Care Insurance” of “Executive Compensation” below, the Bank implemented in September 2006 a Long-Term Care Insurance Plan for the named executive officers and directors of the Bank. The non-employee directors may elect not to participate in the insurance plan. For those who opt out, the amount of the insurance premium, up to \$4,000 annually, will be recorded each month to their deferred compensation account with interest. The deferred liability at December 31, 2007 was \$13,246. The total amount deferred for 2007 was \$9,498 and the expense for 2007 was \$747 for this plan.

In accordance with applicable SEC rules and regulations, the following table reports all compensation the Company paid during 2007 to its non-employee directors.

As of December 31, 2007, the unfunded liability for the plan was \$22,000 and the interest expense for 2007 was \$1,666.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The following discussion and analysis of compensation, which we refer to as the CD&A, arrangements of our named executive officers for 2007 should be read together with the compensation tables and related disclosures set forth below. This discussion contains forward looking statements that are based on our current plans, considerations, expectations and determinations regarding future compensation programs. The Compensation Committee may adopt from time to time additional compensation arrangements or modify current compensation arrangements with our named executive officers based upon its evaluation of the need for such modifications to achieve the objectives of our compensation program discussed below.

Compensation Philosophy and Objectives

This CD&A provides an overview and analysis of our compensation program and policies, the material decisions we have made under those programs and policies with respect to our named executive officers, and the material factors we considered in making those decisions. We discuss within this CD&A the various elements included in executive compensation and how we determined those elements. We also discuss the roles of the Compensation Committee, our compensation consultants and our Chief Executive Officer or CEO in this process.

We believe that the most effective executive compensation program is one that enables us to attract, retain and motivate our named executive officers to achieve the Company's long-term and strategic goals. We intend for our compensation program to align executives' interests with those of the shareholders by rewarding performance for implementing the Company's various strategies, with the ultimate goal of improving shareholder value. We evaluate both performance and compensation to ensure that we maintain our ability to attract and retain employees in key positions, and to ensure that compensation provided to key employees keeps these employees focused on franchise value creation.

The principle elements for our compensation program are: (1) base salary, (2) annual discretionary cash incentive awards, (3) long-term equity incentive awards, (4) retirement plans and other benefits, and (5) other executive benefits, such as perquisites and severance benefits. Our named executive officers for 2007 consist of Steven R. Gardner, our CEO, John Shindler, our Chief Financial Officer or CFO, and Eddie Wilcox, our Chief Banking Officer or CBO. We refer to Messrs. Gardner, Shindler and Wilcox in this Proxy Statement as our Named Executive Officers.

Process for Making Compensation Decisions

Roles of the Compensation Committee and the Compensation Consultant. The Compensation Committee reviews and makes decisions with respect to salaries, cash incentives, equity incentives and employee benefits for our Named Executive Officers. The Compensation Committee has the authority to engage consultants as necessary and to request other information as needed to fairly measure, monitor and control the overall compensation of the Named Executive Officers. For 2007, the Compensation Committee engaged JLR Associates, Management Consultants (“JLR”), an Irvine, California-based consulting firm specializing in compensation program design and evaluation for the financial services industry, to assist in establishing targeted aggregate levels and components of executive compensation. JLR performed studies of compensation for CEOs and CFOs at comparable peer group publicly-traded financial institutions and in the industry in general as found in surveys to assist the Compensation Committee in evaluating and determining appropriate market-level compensation.

The following banking institutions comprised the peer group for the JLR study:

Alliance Bancshares	Northern California Bancorp
American River Bancshares	Northern Valley Bancorp
Bank of Marin	Pacific Mercantile Bancorp
Bridge Capital Holdings	San Joaquin Bancorp
Farmers & Merchants Bancorp	Sierra Bancorp
First Northern Community Bancorp	Temecula Valley Bancorp
Heritage Commerce Corp	United Security Bancshares

This data included results from three compensation surveys conducted by the California Bankers Association, the State of California Department of Financial Institutions and SNL Financial for banking institutions similar in size to the Company. The results of the JLR studies provided the Compensation Committee with the starting point for the analysis of compensation for our CEO and CFO for 2007 and 2008.

Based on information in the studies and advice from JLR and the recommendations of the CEO, in the case of the CFO and CBO, and independent analysis performed by the Compensation Committee, including a discussion and analysis of the various components and levels of compensation for CEOs and CFOs within the peer group focusing on base salary, incentive and equity compensation as well as benefits and retirement plans, the Compensation Committee established compensation levels for our Named Executive Officers, including the parameters for base salaries, annual cash incentives, equity incentive awards, retirement plans and other benefits, and other executive benefits (including perquisites) that were appropriate for the Named Executive Officers and in alignment with our compensation philosophy. The Compensation Committee determined, in light of the information provided by JLR, the current size of the Company and the current transformation of Company to a commercial banking business model, that base salaries for the Named Executive Officers should be at or above the 75th percentile to the market as represented by the JLR peer group.

Role of Executive Officers in Compensation Decisions. The Compensation Committee makes the compensation decisions for the Named Executive Officers as set forth in the Summary Compensation Table below. The CEO reviews the performance of the CFO and CBO annually and makes recommendations on salary adjustments and

annual award amounts, which are presented to the Compensation Committee. The Compensation Committee then exercises its discretion and modifies any recommendations, adjustments, or awards to the CFO and CBO, to align any such adjustment or award with the overall compensation philosophies of the Company.

Elements of Compensation

For fiscal year ended December 31, 2007, the principal elements of compensation for the Named Executive Officers were:

- Base salary;
- Annual discretionary cash incentive awards;
 - Long-term equity incentive awards,
 - Retirement plans and other benefits; and
- Other executive benefits, such as perquisites and severance benefits.

Base Salary

The Company provides the Named Executive Officers and all other employees with base salary to compensate them for services rendered during the fiscal year. Base salary ranges for the Named Executive Officers are determined by using market assessments and internal evaluations for each executive based on his position, experience, anticipated contributions and responsibilities.

As part of its review of base salaries for the Named Executive Officers, the Compensation Committee considers:

- market data provided by public proxy information which may be confirmed or reviewed by independent sources;
- scope of the roles, duties and responsibilities of the executive and the impact these duties have on both the short and long term performance of the Company; and
 - individual performance of the executive.

In determining the Named Executive Officers' salaries, which were subsequently included in each of their employment agreements in December 2007 (as more fully discussed below), the Compensation Committee took into consideration comparable compensation for salary, bonus and other compensation for the JLR peer group and, in the case of Mr. Gardner, his relative years of service and experience as a CEO as well as his performance since becoming President/CEO of the Company and Bank. The Compensation Committee concluded that the compensation for our Named Executive Officers was below market based on the analysis provided by JLR at the 75th percentile of the peer group. As a result, the Compensation Committee approved base salary increases during 2007 for our Named Executive Officers as follows based on the individual Named Executive Officer's performance and on the information provided by JLR:

- Mr. Gardner's base salary was increased by 25% to \$375,000 per year.
- Mr. Shindler's base salary was increased by 27% to \$190,000 per year.
- Mr. Wilcox' base salary was increased by 7.5% to \$215,000 per year.

Employment Agreements. As more fully described below, in December 2007, the Company entered into employment agreements with each of our Named Executive Officers. We believe employment agreements serve a number of functions, including (1) retention of our Named Executive Officers; (2) mitigation of any uncertainty about future employment and continuity of management in the event of a change in control; and (3) protection of the Company and customers through confidentiality and non-solicitation covenants. Except as determined by the terms of the employment agreements with our Named Executive Officers, salary levels are typically reviewed annually as part of the Company's performance review process as well as upon a promotion or other change in job responsibility.

Incentive Compensation

The Company's incentive compensation is designed to provide cash (short-term) and equity-based (long-term) incentive compensation to:

- promote high performance on a risk adjusted basis and achievement of the our strategic plans by our Named Executive Officers and key employees;
 - encourage the growth of shareholder value; and
- allow key employees to participate as an equity shareholder in the long-term growth and profitability of the Company.

Annual Incentive Cash Awards. The Compensation Committee oversees establishment of annual discretionary incentive cash awards that are designed to motive short-term performance and retain talent. In 2007, the Compensation Committee discussed the need for establishment of targets for the awarding of the discretionary cash award for 2007 and concluded that because of the Company's strategic transition to a commercial banking platform, financial measures were less relevant for 2007 than would be during a period of non-transition. Instead, the Compensation Committee focused on the Named Executive Officers' performance in light of the key areas of implementation of the strategic plan such as new business account acquisition, new relationship account growth and loan portfolio diversification as well as the overall risk mitigation and management practices.

The Compensation Committee discussed the growth in business accounts and business banking relationships as well the change in the loan portfolio. The Compensation Committee analyzed the Bank's financial performance compared to the Company's strategic plan and referenced the increasingly challenging environment for financial institutions. The Compensation Committee also discussed the specific performance of Mr. Gardner and the Bank for the past year and the transition of the Bank to a commercial banking business model. When determining Mr. Gardner's discretionary cash award, the Compensation Committee took into consideration all components of Mr. Gardner's compensation including his auto allowance, the payment of his life insurance premium, health benefits, SERP and total cash compensation.

Based on its analysis, the Compensation Committee approved the following discretionary incentive cash awards for the Named Executive Officers for 2007, which were paid in January 2008, in the amount of \$330,000 for the CEO, \$75,000 for the CFO and \$100,000 for the CBO.

Long-Term Equity Incentive Awards. We maintain the 2004 Long-term Incentive Plan, under which we are permitted to grant incentive stock options, restricted stock grants and stock appreciation rights. Each Named Executive Officer is eligible for equity incentive awards under the 2004 Long-term Incentive Plan, as determined by the Compensation Committee. The options and restricted stock that the Company awards to our Named Executive Officers vest in equal thirds over three years on each anniversary of the date of grant, subject to earlier vesting on termination of service in certain circumstances. All awards are made based on the closing market price on the date of grant.

The Compensation Committee believes it is important that the Named Executive Officers' and employee's interests are aligned with shareholders and to provide long term incentive to achieve the Company's goals and attract and retain talented executive officers. In discussing the grant of equity incentive awards to the Named Executive Officers for 2007, the Compensation Committee concluded, consistent with its determination of the annual discretionary incentive cash awards discussed above, that because of the Company's strategic transition to a commercial banking platform, financial measures for the grant of equity awards were less relevant for 2007 than would be during a period of non-transition.

For 2007, the Compensation Committee approved the issuance to our Named Executive Officers of 55,000 options to purchase shares of the Company's common stock that were issued on January 2, 2008, as follows:

- CEO – options to purchase 25,000 shares of common stock;
- CFO – options to purchase 5,000 shares of common stock;
- CBO – options to purchase 25,000 shares of common stock; and

Retirement Plans and Other Benefits

The Bank provides one tax-qualified, broadly-based Employee Savings Plan (the 401(k) Plan), to all employees and management of the Bank. Under the 401(k) Plan, employees may contribute from 1% to 50% of their compensation. In 2007, the Bank matched 100% of contributions for the first three percent contributed and 50% on the next two percent contributed. The amounts of contributions made to the 401(k) Plan by the Bank were approximately \$205,000 for the year ended December 31, 2007, for all employees of the Bank and \$25,048 to executives named in the Summary Compensation Table. See “All Other Compensation” below.

In addition, the Bank implemented in 2006 a non-qualified supplemental retirement plan or the Salary Continuation Plan for the CEO and CFO. The Salary Continuation Plan is an unfunded plan and the Company is under no obligation to fund the Salary Continuation Plan. The amount expensed in 2007 under the Salary Continuation Plan amounted to an aggregate of \$105,079, of which \$55,429 was for Mr. Gardner and \$49,350 was for Mr. Shindler. As of December 31, 2007, \$179,229 was recorded in other liabilities on the consolidated statements of condition for this plan.

Also in September 2006, the Bank implemented a Long-Term Care Insurance Plan for the named executive officers. The 2007 expense for this plan for the three executive officers was \$7,421. See page 24.

Additionally the Company provides Mr. Gardner, per his employee agreement, a life insurance policy in the amount of \$1.5 million and short-term disability policy. See “All Other Compensation” below.

Perquisites and Other Personal Benefits

The Company provides perquisites and other personal benefits that the Company and the Compensation Committee believe are reasonable and consistent with the Company’s overall compensation objectives of attracting and retaining superior employees for key positions. The Compensation Committee annually reviews the levels of perquisites and other personal benefits provided to the CEO and CFO.

Perquisites provided for the CEO, CFO, or CBO may include, but are not limited to, the use of Company automobiles, auto allowance, travel and transportation accommodations, entertainment expenses, participation in the plans and programs described above.

Attributed costs of the perquisites received by the above individuals for the fiscal year 2007 are included in the “All Other Compensation” column and related footnotes of the “Summary Compensation Table” on page 19.

Employment Arrangements

Given the state of our industry and their leadership position with the Company or the Bank, the Company and the Bank have entered into an employment agreement with Mr. Gardner and the Bank has entered into employment agreements with each of Messrs. Shindler, and Wilcox, the terms of which are summarized below.

Gardner Employment Agreement. Mr. Gardner, the Company and the Bank entered into an Employment Agreement dated December 19, 2007, also referred to here as the Gardner Agreement, that provides for the employment of Mr.

Gardner as the President and CEO of the Company and the Bank. The Gardner Agreement has a term of three (3) years and, on each annual anniversary date, the term automatically is extended for an additional one-year period by the Company's and the Bank's boards of directors, unless Mr. Gardner, on the one hand, or the Company or the Bank, on the other hand, gives written notice to the other party of its election not to extend the term of the Gardner Agreement, with such notice to be given not less than ninety (90) days prior to any such anniversary date. If notice is given by either party, then the Gardner Agreement will terminate at the conclusion of its remaining term.

Pursuant to the Gardner Agreement, Mr. Gardner will receive a minimum base salary of \$375,000 per year, which may be increased from time to time in such amounts as may be determined by the Company's and the Bank's boards of directors. In addition, Mr. Gardner will be eligible for a discretionary performance bonus not to exceed 125% of his base salary, based on his individual performance and the overall performance of the Company and the Bank, with eligibility and the amount of any such bonus to be at the discretion of Compensation Committee of each of the Company's and the Bank's boards of directors. Mr. Gardner also receives the use of an automobile paid for by the Company. Mr. Gardner is entitled to participate in any pension, retirement or other benefit plan or program given to employees and executives of the Company and the Bank, to the extent commensurate with Mr. Gardner's then duties and responsibilities as fixed by the boards of directors of the Company and the Bank. The Company and the Bank will also maintain a life insurance policy for Mr. Gardner in the amount of \$1.5 million, with the beneficiary(ies) designated by Mr. Gardner.

Salary Continuation Agreements

As more fully discussed in “Salary Continuation Plan” under “Nonqualified Deferred Compensation” below, we have established a Salary Continuation Plan for our CEO and CFO that provides for certain annual benefits for them following their retirement from the Company, and that provides for the acceleration of their benefits upon their termination due to a change-in-control, as that term is define in the plan.

Administration of the Company’s Compensation Program

The Company monitors its compensation program through the Compensation Committee. The Compensation Committee ensures that the total compensation paid to the Company’s Named Executive Officers are appropriate given the Company’s compensation goals and philosophies, as well as the skill sets and abilities of each individual recipient. The Company, through the Compensation Committee, endeavors to ensure that that the compensation and benefits of the Named Executive Officers are appropriate as compared to similar executive officers within the banking industry.

The Compensation Committee’s responsibilities are to:

- establish the base salary, incentive compensation and any other compensation for the Company’s CEO and; review and approve the base salary, incentive compensation and other compensation for the CFO and the CBO in consultation with the Company’s CEO;

- monitor the Company’s management incentive and equity-based compensation plans, retirement and benefit plans and discharge the duties imposed on the Compensation Committee by the terms of those plans; and
- perform other functions or duties deemed appropriate by the Board.

Compensation decisions for our Named Executive Officers and the non-employee Directors are made by the Compensation Committee.

Accounting and Tax Considerations - Equity-Based Compensation

The Compensation Committee also considers the tax and accounting treatment of the various components of compensation, and although these considerations do not generally drive its decisions, the Compensation Committee generally strives to put the Company in the best position with respect to tax and accounting treatment. In particular, the Compensation Committee attempts to ensure that compensation to Named Executive Officers is deductible under Section 162(m) of the Internal Revenue Code, although the Compensation Committee has reserved the right to provide compensation to Named Executive Officers that is not deductible for income tax purposes as circumstances warrant.

Compensation Committee Report

The Compensation Committee of the Board of Directors has reviewed and discussed the section of this Proxy Statement entitled “Compensation Discussion and Analysis” with management. Based on this review and discussion, the Compensation Committee has recommended to the Board that the section entitled “Compensation Discussion and Analysis,” as it appears on pages 13 to 19, be included in this Proxy Statement.

Pension Benefits

The Company has no pension benefits plans.

Nonqualified Deferred Compensation

The Company offers two nonqualified defined contribution plans — the Director’s Deferred Compensation Plan and the Salary Continuation Plan. During 2007, none of the Named Executive Officers withdrew any amounts from the plans listed in the table below. Currently the Company only offers deferred compensation to its Board of Directors under the Director’s Deferred Compensation Plan as more fully described under “Director Compensation in 2007” above in this Proxy Statement. The Company does not offer deferred compensation to the Named Executive Officers at this time.

Salary Continuation Plan

In 2006, the Bank implemented a non-qualified supplemental retirement plan for our CEO and CFO. Because the Salary Continuation Plan is an unfunded plan, the Company is under no obligation to fund the Salary Continuation Plan. The Salary Continuation Plan, as outlined in the Salary Continuation Agreements between the Bank and each of our CEO and CFO, provides for the annual benefit of \$150,000 for our CEO and \$75,000 for our CFO, which is to be paid out in twelve (12) equal monthly installments commencing on the first day of the month following normal retirement at age 62. The annual benefit shall be distributed to the executive for fifteen (15) years.

The amount expensed in 2007 under the Salary Continuation Plan amounted to \$55,429 for Mr. Gardner and \$49,350 for Mr. Shindler. As of December 31, 2007, \$179,229 was recorded in other liabilities on the consolidated statements of condition for this Salary Continuation Plan. The Salary Continuation Plan was accounted for in accordance with SFAS No. 158 as of December 31, 2007.

For those who opt out, the amount of the insurance premium, up to \$4,000 annually, is recorded each month to their deferred compensation account with interest. The expense for 2007 was \$31,071 for the Long-Term Care Insurance Plan.

Potential Payments Made Upon Termination or a Change-in-Control

As described in the narrative following the Summary Compensation Table and Grant of Plan-Based Awards Table under “Executive Compensation” above in this Proxy Statement, each of our Named Executive Officers is party to an employment agreement with us, which provides the executives with benefits in the event of certain terminations of employment. In addition, each of Messrs. Gardner and Shindler is a party to a Salary Continuation Agreement, which also provides them with benefits in the event of certain terminations of employment.

Employment Agreements

As previously discussed in “Employment Arrangements” under “Compensation Discussion and Analysis” above, on December 19, 2007 we entered into employment agreements with our Named Executive Officers. The following describes payments due to the Named Executive Officers under their respective employment agreements following their termination of employment with us.

Termination for Cause; Resignation without Disability or Good Reason. If an executive is terminated for cause or resigns without disability or good reason, as such terms are defined in the employment agreements, he will receive only his base salary accrued through the date of termination or death. In this event, no special severance benefits are payable.

Termination as a Result of Disability; Death. If an executive is terminated as a result of disability or death during the term of employment, the executive will receive the lesser of (i) his base salary as in effect as of the date of termination, multiplied by one year, or (ii) his base salary for the duration of the term of his employment agreement.

Termination other than for Cause, Disability or Death; Resignation by the Executive Due to Our Material Breach or Following a Change of Control. If (i) an executive is terminated by us other than for cause, disability or his death, or (ii) an executive terminates the employment agreement due to (A) our material breach of the employment agreement, or (B) without his express written consent, (1) a material reduction by us of his functions, duties or responsibilities, (2) a material reduction by us of his base salary, or (3) our requirement that he be based at a location more than 50 miles from Costa Mesa, California, and the termination by the executive occurs within two (2) years following the initial occurrence of the breach or the good cause reason basis for termination, the executive will be entitled to a lump sum cash payment equal to his base salary as in effect immediately prior to the date of termination plus his incentive bonus for the previous year with respect to Messrs. Shindler and Wilcox, and with respect to Mr. Gardner, that same amount multiplied by three (3) years. Under the terms of Mr. Gardner’s employment agreement only, if his employment with us is terminated as described in the previous sentence, then Mr. Gardner is entitled to participate, at no cost to him, in

all group insurance, life insurance, health and accident, disability and other employee benefit plans, programs and arrangements in which he was entitled to participate immediately prior to the date of termination (other than any of our stock option or other stock compensation plans or bonus plans), for a period ending at the earlier of (i) the third anniversary of the date of termination, and (ii) the date of his full-time employment by another employer, provided that in the event Mr. Gardner's participation in any such plan, program or arrangement is barred, we must arrange to provide him with benefits substantially similar to those he was entitled to receive under such plans, programs and arrangements prior to the date of termination.

In receiving any of the foregoing payments, the Named Executive Officers are not be obligated to seek other employment or to mitigate in any way the amounts payable to them as set forth above, and such amounts will not be reduced or terminated whether or not an executive obtains other employment.

Each employment agreement also provides that the severance payments and benefits will be modified or reduced by the amount, if any, which is the minimum necessary to result in no portion of the payments and benefits payable being subject to an excise tax under the "golden parachute" provisions under Section 280G of the Internal Revenue Code or subject to the excise tax imposed under Section 4999 of the Internal Revenue Code.

Restrictive Covenants

The employment agreements require each executive to refrain from soliciting employees of the Company for a two-year period after termination of employment. The agreements limit the executives' ability to disclose or use any of the Company's confidential information, trade secrets or business opportunities.

Salary Continuation Agreements

The following describes the Salary Continuation Agreements that we entered into with each of our Named Executive Officers on April 1, 2006, which still are in effect.

Early Termination other than due to Change in Control, Death, Disability or for Cause. In the event of an early termination of an executive's employment agreement, which termination results other than from a change in control, disability or cause, as such terms are defined in the Salary Continuation Agreements, the executive will receive one hundred percent (100%) of the accrual balance, as defined in the Salary Continuation Agreements, determined as of the end of the month preceding the termination payable in twelve (12) equal monthly installments for a period of fifteen (15) years.

Disability Benefit. In the event an executive's employment is terminated due to disability, the executive will receive one hundred percent (100%) of the accrual balance determined as of the end of the month preceding the termination payable in twelve (12) equal monthly installments for a period of fifteen (15) years.

Change in Control Benefit. Upon a change of control, followed within twelve (12) months by a termination of an executive's employment agreement, the executive will receive a lump sum amount equal to the present value of the stream of one hundred eighty (180) monthly payments of \$12,500 each for Mr. Gardner and \$6,250 each for Mr. Shindler and Mr. Wilcox; provided that, in the event this amount is subject to federal excise taxes under the "golden parachute" provisions under Section 280G of the Internal Revenue Code, the payments will be reduced or delayed to the extent it would not be an excess parachute payment.

Death Benefit. In the event an executive dies while employed by us, his beneficiary will receive a lump sum amount equal to the present value of the stream of one hundred eighty (180) monthly payments of \$12,500 each for Mr. Gardner and \$6,250 each for Mr. Shindler and Mr. Wilcox.

Summary of Potential Termination Payments

The following table reflects the value of termination payments and benefits that each of our named executive officers would receive under the employment agreements and Salary Continuation Agreements, as applicable, which were in place on December 31, 2007, if they had terminated employment on December 31, 2007 under the circumstances shown. The table does not include accrued salary and benefits, or certain amounts that the named executive officers would be entitled to receive under certain plans or arrangements that do not discriminate in scope, terms or operation, in favor of our executive officers and that are generally available to all salaried employees.

RELATED TRANSACTIONS AND OTHER MATTERS

Transactions with Certain Related Persons

It is the policy of the Company that all permissible transactions between the Company and its executive officers, directors, holders of 10% or more of the shares of any class of its common stock and affiliates thereof, contain terms no less favorable to the Company than could have been obtained by it in arm's-length negotiations with unaffiliated persons and are required to be approved by a majority of independent outside directors of the Company not having any interest in the transaction.

Indebtedness of Management

No Company executive officer or director was indebted to the Company or its subsidiaries in an amount greater than \$120,000 at any time since the beginning of 2007, except Mr. McKennon who personally guaranteed, along with his two partners, four loans that their partnership, McKennon Wilson & Morgan, LLP, has outstanding with the Bank with an aggregate amount of \$120,000 or more. All such loans were made in the ordinary course of business, did not involve more than normal risk of collectability or present other unfavorable features, and were made on substantially the same terms, including interest rates and collateral requirements, as those prevailing at the same time for comparable loan transactions with unaffiliated persons. The loan was made in the ordinary course of business, did not involve more than normal risk of collectability or present other unfavorable features, and was made on substantially the same terms, including interest rates and collateral requirements, as those prevailing at the same time for comparable loan transactions with unaffiliated persons. As of January 17, 2008, the loan to Moore Stephens Wurth Frazer and Torbet, LLP was paid in full and closed and was not classified as a non-accrual, past due, restructured or a potential problem loan.

ITEM 2. RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Company's independent auditors for its fiscal year ended December 31, 2007 were VTD, independent public accountants. The Audit Committee of the Board of Directors considered the qualifications and experience of VTD, and, in consultation with the Board of Directors of the Company, appointed them as independent auditors for the Company for the current fiscal year which ends December 31, 2008. Although ratification of our independent auditors by shareholders is not required by law, the Audit Committee and Board of Directors desire to obtain the shareholders' ratification of such appointment. If ratification of VTD as our independent auditors is not approved by shareholders, the matter will be referred to the Audit Committee for further review.

Representatives of VTD will be present at the Annual Meeting of Shareholders, will have the opportunity to make a statement if they so desire, and will be available to respond to appropriate questions submitted to the Secretary of the

The Audit Committee has reviewed and discussed the audited financial statements for fiscal year 2007 with management and with the independent auditors. Specifically, the Audit Committee has discussed with the independent auditors the matters required to be discussed by SAS 61, as amended by SAS 114 (Codification of Statements on Auditing Standards, AU Section 380), which includes, among other things:

- Methods used to account for significant unusual transactions;
- The effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- The process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and
- Disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

The Audit Committee has received the written disclosures and the letter from the Company's independent accountants, VTD, required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee. Additionally, the Audit Committee has discussed with VTD, the issue of its independence from the Company. Based on its review of the audited financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on form 10-K for the fiscal year ended December 31, 2007. The Audit Committee also recommended the appointment of VTD as the Company's independent accountants for the year ending December 31, 2008.

HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy delivery requirements for Proxy Statements with respect to two or more shareholders sharing the same address by delivering a single Proxy Statement addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for shareholders and cost savings for companies. We and some brokers household proxy materials, delivering a single Proxy Statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or us that they or us will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Proxy Statement, or if you are receiving multiple copies of the Proxy Statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or our agent, American Stock Transfer & Trust Co., if you hold registered shares. You can notify American Stock Transfer & Trust Co. by sending a written request to: American Stock Transfer & Trust Co., 59 Maiden Lane, New York, NY 10038, or by calling American Stock Transfer & Trust Co., at (800) 937-5449.

- If the date of the 2009 Annual Meeting is held on a date more than 30 calendar days from May 28, 2009 notice of a proposal must be received by us a reasonable time before we begin to print and mail our proxy materials to be considered for inclusion in our Proxy Statement and form of proxy relating to that meeting.

- Pursuant to Rule 14a-4(c)(1) promulgated under the Securities Exchange Act of 1934, as amended, the proxies designated by us for the 2009 Annual Meeting will have discretionary authority to vote with respect to any proposal received after March 24, 2009, which is forty-five (45) days before the date on which the Company first sent the proxy materials for the 2008 Annual Meeting of Stockholders. In addition, our bylaws provide that any matter to be presented at the 2009 Annual Meeting must be proper business to be transacted at the Annual Meeting or a proper nomination to be decided on at the Annual Meeting and must have been properly brought before such meeting pursuant to our bylaws.
- Any proposal by shareholders must include the shareholder's name and address, as they appear on the Company's record of shareholders, a brief description of the proposed business, the reason for conducting such business at the Annual Meeting, the class and number of shares of the Company's capital stock that are beneficially owned by such shareholder and any material interest of such shareholder in the proposed business. In the case of nominations to the Board of Directors, certain information regarding the nominee must be provided.

OTHER MATTERS

The Board of Directors knows of no business that will be presented for consideration at the Annual Meeting other than as stated in the Notice of Annual Meeting of Shareholders. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote the shares represented thereby on such matters in accordance with their best judgment.
