Item 7.01 Regulation FD Disclosure

On March 18, 2011, we entered into a Purchase Agreement (the "Purchase Agreement") with a broker to implement a stock repurchase program intended to comply with Rule 10b5-1 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and with Rule 10b-18 under the Exchange Act, to facilitate the repurchase of shares of our outstanding common stock under the repurchase plan and authorization announced and reported on June 7, 2010. The Purchase Agreement allows us to repurchase shares of our common stock at times when we would ordinarily be prevented from doing so because of insider trading regulations or self-imposed trading blackout periods. Subject to the terms and limitations specified in the Purchase Agreement, Rule 10b5-1, and, to the extent applicable, Rule 10b-18, the Purchase Agreement authorizes the broker to purchase shares of our outstanding common stock on our behalf up to an aggregate total of \$10 million.

The Purchase Agreement will become effective on March 18, 2011 and terminate on June 30, 2011, unless we purchase \$10 million of our common stock prior to that date or the Purchase Agreement is otherwise terminated sooner in accordance with its terms. Purchases under the Purchase Agreement may be made commencing on March 21, 2011 and will continue until termination of the Purchase Agreement.

Upon termination of the Purchase Agreement, we will continue to be authorized to purchase shares of our common stock in the amount of at least \$45 million plus any portion of the \$10 million not used under the Purchase Agreement.

Any purchases under the Purchase Agreement will be disclosed in our quarterly report on Form 10-Q to be filed with the SEC for the quarterly period in which such purchases were made, including the quarterly periods ending April 2, 2011 and July 3, 2011, respectively, and in our annual report on Form 10-K filed with the SEC for the fiscal year ending December 31, 2011.

Under the terms of the Purchase Agreement, there can be no assurance that any of our shares will in fact be purchased. In addition, the Purchase Agreement does not require us to acquire any specific number of shares, and we may terminate the Purchase Agreement at any time. Except as required by law, we do not undertake to report modifications or other activities under the Purchase Agreement or stock trading plans or agreements by officers or directors.

We may elect to update forward-looking statements, but we expressly disclaim any obligation to do so, even if our beliefs and expectations change.
