Revised Exhibit to Press Release dated April 2, 2003

ITEM 9. REGULATION FD DISCLOSURE.

The following information is furnished pursuant to Item 12, Disclosure of Results of Operations and Financial Condition.

On April 2, 2003, Apogee Enterprises, Inc. issued a press release which was attached as Exhibit 99.1 to a Current Report on Form 8-K, dated April 2, 2003. Subsequent to that date, the Company determined that certain line items discussed in that release were incorrect in immaterial amounts. The previously reported earnings per share amounts did not change as a result of this determination. The Company is furnishing this amended 8-K in order to correct that information. The following amounts stated in the text of the press release decreased by \$24,000: fiscal year 2003 earnings from continuing operations (to \$26.3 million) and net earnings in fiscal 2003 fourth quarter (to \$8.6 million); while equity in loss of affiliates in the fourth quarter increased by \$53,000 (to \$1.6 million) and total non-cash working capital at 2003 fiscal year-end increased by \$29,000 (to \$40.9 million). The attached revised exhibit, which is incorporated by reference herein, supercedes in its entirety the original exhibit that was attached to the press release dated April 2, 2003.
