PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

May 21, 2003

Landmark Bancorp, Inc., a Delaware corporation, is the holding company for Landmark National Bank. Landmark National Bank has branches in Manhattan, Auburn, Dodge City, Garden City, Great Bend, Hoisington, LaCrosse, Osage City, Topeka and Wamego, Kansas. Landmark Bancorp was formed as part of the 2001 merger between MNB Bancshares, Inc., the holding company for Security National Bank, and Landmark Bancshares, Inc., the holding company for Landmark Federal Savings Bank. As a result of the merger, Landmark Bancorp became the holding company for Landmark National Bank.

This proxy statement is furnished in connection with the solicitation by the board of directors of Landmark Bancorp of proxies to be voted at the annual meeting of stockholders to be held at the Kansas State University Alumni Association, 17th and Anderson Avenue, Manhattan, Kansas, 66506, on Wednesday, May 21, 2003, at 2:00 p.m., local time, and at any adjournments or postponements of the meeting. Our 2002 annual report, which includes consolidated financial statements of Landmark Bancorp and Landmark National Bank, is also enclosed. This proxy statement is first being mailed to Landmark Bancorp's stockholders on or about April 18, 2003.

The following is information regarding the meeting and the voting process, presented in a question and answer format.

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card from us because on April 4, 2003, the record date for the annual meeting, you owned shares of Landmark Bancorp's common stock. This proxy statement describes the matters that will be presented for consideration by the stockholders at the annual meeting. It also gives you information concerning the matters to assist you in making an informed decision.

When you sign the enclosed proxy card, you appoint the proxy holder as your representative at the meeting. The proxy holder will vote your shares as you have instructed in the proxy card, thereby ensuring that your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

If you have signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified on the card, the proxy holder will vote your shares, pursuant to your proxy, in accordance with his or her judgment.

What matters will be voted on at the meeting?

You are being asked to vote on the election of three Class II directors of Landmark Bancorp for a term expiring in 2006 and the ratification of KPMG LLP as our independent auditors for the 2003 fiscal year. These matters are more fully described in this proxy statement.

How do I vote?

You may vote either by mail or in person at the meeting. To vote by mail, complete and sign the enclosed proxy card and mail it in the enclosed pre-addressed envelope. No postage is required if mailed in the United States. If you mark your proxy card to indicate how you want your shares voted, your shares will be voted as you instruct.

If you sign and return your proxy card but do not mark the card to provide voting instructions, the shares represented by your proxy card will be voted for all three nominees named in this proxy statement and for the ratification of our auditors.

If you want to vote in person, please come to the meeting. We will distribute written ballots to anyone who wants to vote at the meeting. Please note, however, that if your shares are held in the name of your broker (or in what is usually referred to as street name), you will need to arrange to obtain a legal proxy from your broker in order to vote in person at the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

What does it mean if I receive more than one proxy card?

It means that you have multiple holdings reflected in our stock transfer records and/or in accounts with stockbrokers. Please sign and return ALL proxy forms to ensure that all your shares are voted.

If I hold shares in the name of a broker, who votes my shares?

If you received this proxy statement from your broker, your broker should have given you instructions for directing how your broker should vote your shares. It will then be your broker's responsibility to vote your shares for you in the manner you direct.

Under the rules of various national and regional securities exchanges, brokers may generally vote on routine matters, such as the election of directors and the ratification of independent auditors, but cannot vote on non-routine matters, such as an amendment to the certificate of incorporation or the adoption or amendment of a stock option plan, unless they have received voting instructions from the person for whom they are holding shares. If your broker does not receive instructions from you on how to vote particular shares on a matter on which your broker does not have discretionary authority to vote, your broker will return the proxy card to us, indicating that he or she does not have the authority to vote on these matters. This is generally referred to as a broker non-vote and will affect the outcome of the voting as described below, under How many votes are needed for approval of each proposal? Therefore, we encourage you to provide directions to your broker as to how you want your shares voted on all matters to be brought before the meeting. You should do this by carefully following the instructions your broker gives you concerning its procedures. This ensures that your shares will be voted at the meeting.

What if I change my mind after I return my proxy?

If you hold your shares in your own name, you may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

signing another proxy with a later date and returning that proxy to our transfer agent at:

Registrar and Transfer Company
10 Commerce Drive
Cranford, New Jersey, 07016;

sending notice to us that you are revoking your proxy; or

voting in person at the meeting.

If you hold your shares in the name of your broker and desire to revoke your proxy, you will need to contact your broker to revoke your proxy.

How many votes do we need to hold the annual meeting?

A majority of the shares that are outstanding and entitled to vote as of the record date must be present in person or by proxy at the meeting in order to hold the meeting and conduct business.

Shares are counted as present at the meeting if the stockholder either:

is present and votes in person at the meeting; or

has properly submitted a signed proxy card or other proxy.

On April 4, 2003, the record date, there were 1,993,549 shares of common stock issued and outstanding. Therefore, at least 996,775 shares need to be present at the annual meeting in order to hold the meeting and conduct business.

What happens if a nominee is unable to stand for re-election?

The board may, by resolution, provide for a lesser number of directors or designate a substitute nominee. In the latter case, shares represented by proxies may be voted for a substitute nominee. Proxies cannot be voted for more than three nominees. The board has no reason to believe any nominee will be unable to stand for re-election.

What options do I have in voting on each of the proposals?

You may vote for or withhold authority to vote for each nominee for director. You may vote for, against or abstain on any other proposal that may properly be brought before the meeting. Abstentions will be considered in determining the presence of a quorum but will not affect the vote required for the ratification of our auditors.

How many votes may I cast?

Generally, you are entitled to cast one vote for each share of stock you owned on the record date. The proxy card included with this proxy statement indicates the number of shares owned by an account attributable to you.

How many votes are needed for each proposal?

The three individuals receiving the highest number of votes cast for their election will be elected as Class II directors of Landmark Bancorp.

The ratification of our auditors and all other matters must receive the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote. Broker non-votes and abstentions will not be counted as entitled to vote, but will count for purposes of determining whether or not a quorum is present on the matter.

Where do I find the voting results of the meeting?

We will announce voting results at the meeting. The voting results will also be disclosed in our Form 10-Q for the quarter ending June 30, 2003.

Who bears the cost of soliciting proxies?

We will bear the cost of soliciting proxies. In addition to solicitations by mail, officers, directors or employees of Landmark Bancorp or its subsidiaries may solicit proxies in person or by telephone. These persons will not receive any special or additional compensation for soliciting proxies. We may reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

ELECTION OF DIRECTORS

At the annual meeting of the stockholders to be held on May 21, 2003, the stockholders will be entitled to elect three Class II directors for a term expiring in 2006. Landmark Bancorp's directors are divided into three classes having staggered terms of three years. The nominees for election as Class II directors are incumbent directors. We have no knowledge that any of the nominees will refuse or be unable to serve, but if any of the nominees becomes unavailable for election, the holders of the proxies reserve the right to substitute another person of their choice as a nominee when voting at the meeting.

Set forth below is information concerning the nominees for election and for the other persons whose terms of office will continue after the meeting, including the age, the year first elected a director and the business experience during the previous five years as of April 4, 2003. The nominees, if elected at the annual meeting of stockholders, will serve as Class II directors for three year terms expiring in 2006. **We unanimously recommend that you vote FOR each of the nominees for director. Unless authority to vote for the nominees is withheld, the shares represented by the enclosed proxy card, if executed and returned, will be voted FOR the election of the nominees proposed by the board of directors.**

Corporate Governance and the Board of Directors

We currently have ten directors serving as our board, a majority of whom are deemed to be independent, as that term is defined by the Nasdaq Stock Market, Inc. The board of directors has, in addition to other committees, an audit committee and a compensation committee. The full board of directors considers nominations to the board. The board of directors will consider nominees recommended by stockholders if such recommendations are in writing and otherwise comply with our bylaws.

A total of twelve regularly scheduled and special meetings were held by the board of directors of Landmark Bancorp during 2002. During 2002, all directors attended at least 75 percent of the meetings of the board and the committees on which they served. Directors of Landmark Bancorp receive a monthly fee of \$1,250 for serving on the board of directors.

Audit committee. Prior to May 2002, the full board of directors served on Landmark Bancorp's audit committee. In connection with the recent corporate governance reforms, beginning in May 2002, Messrs. Alexander and Schugart no longer serve on the audit committee. Subsequently in March 2003, Messrs. Bowman and Snapp no longer serve on the audit committee. The audit committee is comprised solely of independent directors, as that term is defined by Nasdaq. The committee normally meets quarterly. The audit committee for Landmark Bancorp met six times in 2002.

The functions performed by the audit committee include, but are not limited to, the following:

selecting and managing the relationship with our independent auditors;

reviewing the independence of the independent auditors;

reviewing actions by management on recommendations of the independent auditors and internal auditors;

meeting with management, the internal auditors and the independent auditors to review the effectiveness of our system of internal control and internal audit procedures;

reviewing our earnings releases and reports filed with the Securities and Exchange Commission; and

reviewing reports of bank regulatory agencies and monitoring management's compliance with recommendations contained in those reports.

To promote independence of the audit function, the audit committee consults separately and jointly with the independent auditors, the internal auditors and management. The internal auditor reports directly to the committee on audit and compliance matters. The committee also reviews and approves the scope of the annual external audit and consults with the independent auditors regarding the results of their auditing procedures. The audit committee has adopted a written charter, which sets forth the committee's duties and responsibilities. A copy of our audit committee charter was attached to last year's proxy statement.

Compensation committee. The compensation committee, comprised of the full board of directors during 2002, has responsibility for all matters related to the compensation of the chief executive officer of Landmark Bancorp, including review and approval of base salary, review of the salary of the chief executive officer compared to other financial services holding companies in the region, fringe benefits, including modification of the retirement plan, and incentive compensation. Additionally, the committee has oversight authority over the salaries and bonuses of all the other executive officers. The compensation committee met once in 2002. Beginning in 2003, Mr. Alexander no longer serves on the committee and currently it is comprised solely of independent directors, as that term is defined by Nasdaq.

Employment Agreements

At the time of the merger in 2001, Patrick Alexander, Larry L. Schugart, Mark Herpich, Michael Scheopner and Dean Thibault entered into employment agreements with Landmark Bancorp. The employment agreement for Mr. Alexander initially provided for a base salary of \$200,000, which may be increased but not decreased, and an initial term of three years, with automatic one year extensions on each anniversary of the effective date of the agreement unless either party gives the other notice of its desire to terminate this automatic extension. Upon any such termination, the agreement will expire at the end of the then current three-year term.

Mr. Alexander's employment agreement will terminate upon the death or disability of Mr. Alexander, in the event of certain regulatory actions or upon notice by either us or Mr. Alexander, with or without cause. The employment agreement will be suspended in the event of a regulatory suspension of Mr. Alexander's employment. If Mr. Alexander's employment is terminated without cause (which is defined in the employment agreement), we will be obligated to pay or to provide to him, as applicable, a cash payment equal to three times the sum of his then annual salary, plus an amount equal to the average of the annual performance bonuses paid to him and the contributions made for his benefit under all employee retirement plans during the most recently ended three years. We must also provide Mr. Alexander and his immediate family continued insurance coverage for the three years after this termination of employment. We will have no continuing obligation to Mr. Alexander if

he voluntarily terminates his employment or we terminate him for cause, except that we will be obligated to pay him his accrued salary and benefits through the effective date of his termination of employment.

If Mr. Alexander voluntarily terminates his employment, or his employment is involuntarily terminated, within six months after a change in control of us or our bank subsidiary, then our successor will be obligated to pay or to provide to Mr. Alexander the same cash payment and benefits he would have received if he had been terminated by us without cause. For purposes of the employment agreement, Mr. Alexander's employment will be considered terminated if he is not re-elected or is removed from his position as our president and chief executive officer or if we otherwise commit a breach of our obligations under the employment agreement.

The employment agreement also includes a covenant which will limit the ability of Mr. Alexander to compete with us or our bank subsidiary in an area encompassing a fifty mile radius from any of our banking offices for a period of one year following the termination of his employment. The geographic area covered by this provision constitutes a portion of our primary market area.

Except as described below, the employment agreements for Messrs. Herpich, Scheopner and Thibault contain substantially the same provisions as those included in Mr. Alexander's employment agreement. The base salaries for Messrs. Herpich, Scheopner and Thibault are \$105,000, \$105,000 and \$85,000, respectively. The term of these three agreements are for one year and they automatically extend for one additional year on each anniversary of the effective date of the agreement. If any of these officers is terminated without cause during the term of his respective agreement, he will be entitled to receive an amount equal to the sum of his then annual salary, plus an amount equal to the average of the annual performance bonuses paid to him and the contributions made for his benefit under all employee retirement plans during the most recently ended three years. The payment to be made to each of these three officers upon his voluntary termination of employment within six months after a change of control or his involuntary termination without cause within one year of a change of control will be equal to two times the sum of his then annual salary, plus an amount equal to the average of the annual performance bonuses paid to him and the contributions made for his benefit under all employee retirement plans during the most recently ended three years. Each of these employees will be subject to the same non-competition covenant as Mr. Alexander following his termination of employment.

In addition, Mr. Schugart has entered into an employment agreement to serve as chairman of the board of Landmark Bancorp and Landmark National Bank. The agreement has a fixed term of three years and provides for an annual salary of \$35,000. The agreement also provides Mr. Schugart with health insurance coverage as well as the opportunity to continue to participate in his deferred compensation agreement during the term of the employment agreement.

Compensation Committee Report on Executive Compensation

The compensation committee has furnished the following report on executive compensation. The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by Landmark Bancorp shall not be deemed to include the report unless the report is specifically stated to be incorporated by reference into such document.

The compensation committee, comprised of the full board of directors during 2002, has responsibility for all matters related to the compensation of the chief executive officer. Additionally, the committee has oversight authority over the salaries and bonuses of all the other executive officers.

Mr. Alexander, who is no longer on the committee, did not participate in decisions relating to his own compensation. In determining compensation for all executive officers, including the chief executive officer, the following factors are generally taken into consideration:

the performance of the executive officers in achieving the short and long term goals of Landmark Bancorp;

the payment of compensation commensurate with the ability and expertise of the executive officers; and

the structuring of compensation packages so that they are competitive with similar companies.

The committee considers the foregoing factors, as well as others, in determining compensation. There is no assigned weight given to any of these factors.

Additionally, the compensation committee considers various benefits, such as the employee stock ownership plan and the stock option plan, together with perquisites, in determining compensation. The committee believes that the benefits provided through the stock based plans more closely tie the compensation of the officers to the interests of the stockholders and provide significant additional performance incentives for the officers which directly benefit the stockholders through an increase in the stock value.

Annually, the compensation committee evaluates four primary areas of performance in determining Mr. Alexander's level of compensation. These areas are:

long-range strategic planning and implementation;

our financial performance (including our return on assets, return on equity, earnings per share and efficiency ratio)

our compliance with regulatory requirements and relations with regulatory agencies; and

effectiveness of managing relationships with stockholders and the board of directors.

When evaluating our financial performance, the committee considers profitability, asset growth and risk management. The primary evaluation criteria are considered to be essential to long-term viability and are generally given equal weight in the evaluation. Finally, the committee reviews compensation packages of peer institutions to ensure that Mr. Alexander's compensation is competitive and commensurate with his level of performance.

Mr. Alexander's current compensation is based on his employment agreement, his substantial banking experience and the other factors described above. Mr. Alexander did not participate in any decisions pertaining to his compensation.

The cumulative stockholder return computations assume that \$100 was invested in Landmark Bancshares' common stock and in each index on December 31, 1997, and assumes the reinvestment of all dividends.

TRANSACTIONS WITH MANAGEMENT

Our directors and officers and their associates were customers of and had transactions with Landmark Bancorp and Landmark National Bank, and their predecessors, during 2002. Additional transactions are expected to take place in the future. All outstanding loans, commitments to loan, and certificates of deposit and depository relationships, in the opinion of management, were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

Change in Accountants

Prior to the merger, Landmark Bancshares' independent auditor was Regier, Carr & Monroe, L.L.P. At the time of the merger, which occurred after Landmark Bancshares' last completed fiscal year, Landmark Bancorp, as the successor company in the merger, engaged KPMG LLP as its independent auditors for the fiscal year ended December 31, 2001. The decision to engage KPMG LLP was approved by our board and we notified Regier that the auditor-client relationship ceased on October 9, 2001, the effective date of the merger. Regier's reports on Landmark Bancshares' consolidated financial statements for the fiscal years ended September 30, 2000 and September 30, 1999 did not contain an adverse opinion or a disclaimer of opinion, and the reports were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the two fiscal years ended September 30, 2000, and the interim period of October 1, 2000 through the effective date of the merger, there were no disagreements with Regier on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of Regier, would have caused Regier to make reference to the matter in their report, and Regier did not inform us that any of the events described in 304(a)(1)(v) of Regulation S-K had occurred.

During Landmark Bancshares' fiscal years ended September 30, 1999 and September 30, 2000, and the interim period of October 1, 2000 through the effective date of the merger, Landmark Bancshares' (or anyone on its behalf) did not consult with KPMG LLP regarding (a) either the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on Landmark Bancshares' financial statements; and, as such, no written report was provided to Landmark Bancshares and no oral advice was provided that KPMG LLP concluded was an important factor considered by us in reaching a decision as to any accounting, auditing or financial reporting issue, or (b) any matter that was either the subject of disagreement or a reportable event.

Financial Information Systems Design and Implementation Fees

There were no fees incurred for these services for the year 2002.

All Other Fees

The aggregate fees and expenses billed by KPMG LLP for all other services rendered to Landmark Bancorp for 2002 were 43,810, which consisted solely of tax services.
