PROXY STATEMENT

2004 ANNUAL MEETING OF STOCKHOLDERS

MAY 21, 2004

SOLICITATION, VOTING AND REVOCABILITY OF PROXIES

This Proxy Statement and the accompanying proxy card are furnished to stockholders of McLeodUSA Incorporated ("McLeodUSA" or the "Company") entitled to vote in connection with the solicitation by the Board of Directors of McLeodUSA (the "Board of Directors") of proxies to be used at the 2004 Annual Meeting of Stockholders to be held on Friday, May 21, 2004 at 9:30 a.m., local time, at the St. Regis Hotel, Two East 55th Street at Fifth Avenue, New York, New York, and at any adjournment thereof.

If the enclosed proxy card is properly executed by a holder of shares of Class A Common Stock, Class B Common Stock, Class C Common Stock, Series A Preferred Stock or Series B Preferred Stock and returned to McLeodUSA in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with instructions marked thereon.

EXECUTED BUT UNMARKED PROXIES WILL BE VOTED:

"FOR" PROPOSAL 1 TO ELECT THE NOMINEES FOR DIRECTOR

"FOR" PROPOSAL 2 TO RATIFY THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE 2004 FISCAL YEAR

If any other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote the shares represented by such proxies on such matters in accordance with their best judgment.

Instead of submitting a signed proxy card, stockholders may submit their proxies by telephone or through the Internet using the instructions on the proxy card. Telephone and Internet proxies must be used in conjunction with, and will be subject to, the information and terms contained on the proxy card. These procedures may not be available to stockholders who hold their shares through a broker, nominee, fiduciary or other custodian.

The presence of a stockholder at the Annual Meeting will not automatically revoke such stockholder's proxy. Stockholders may, however, revoke a proxy at any time before its exercise by filing with the Secretary of McLeodUSA a written revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. A stockholder who submits a proxy by telephone or through the Internet may also revoke it before its exercise by submitting a new proxy using the same procedures at a later date.

The cost of solicitation of proxies will be borne by us. In addition to the solicitation of proxies by mail, the Company's officers, directors or employees also may solicit proxies personally or by telephone or other means. These persons will not be specifically compensated for the solicitation activities. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries

for forwarding solicitation materials to the beneficial owners of shares held of record by these persons, and the Company will reimburse these persons for their reasonable expenses.

Edgar Filing: MCLEODUSA INC - Form DEF 14A

This Proxy Statement, the Notice of Annual Meeting of Stockholders and the proxy card were first mailed to stockholders entitled to vote on or about April 19, 2004.

The close of business on March 25, 2004 has been fixed by the Board of Directors as the Record Date for determination of stockholders entitled to vote at the Annual Meeting. As of the Record Date, the Company's outstanding capital stock entitled to be voted at the Annual Meeting consisted of:

Class of Voting Securities	Number of Shares Outstanding	Number of Votes
Class A Common Stock, par value \$0.01 per share	178,273,984 shares*	Each holder of Class A Common Stock is entitled to one vote per share with respect to all matters as to which a vote is taken at the Annual Meeting.
Class B Common Stock, par value \$0.01 per share	78,203,135 shares	Each holder of Class B Common Stock is entitled to approximately 0.81454 votes per share with respect to all matters as to which a vote is taken at the Annual Meeting.**
Class C Common Stock, par value \$0.01 per share	35,546,879 shares	The holder of Class C Common Stock is entitled to approximately 1.40800 votes per share with respect to all matters as to which a vote is taken at the Annual Meeting.**
2.5% Series A Convertible Preferred Stock, par value \$0.01 per share (the "Series A Preferred Stock")	6,835,835 shares	Each holder of Series A Preferred Stock is entitled to five votes per share with respect to all matters as to which a vote is taken at the Annual Meeting.
Series B Preferred Stock, par value \$0.01 per share	10 shares	The holder of Series B Preferred Stock is entitled to one vote per share with respect to all matters as to which a vote is taken at the Annual Meeting.

* Includes 18,000,000 shares of Class A Common Stock held in the disputed claims reserve pursuant to the McLeodUSA Plan of Reorganization.

** In the aggregate, the holders of the Class B Common Stock and Class C Common Stock shall be entitled to one vote per share with respect to all matters as to which a vote is taken at the Annual Meeting.

The Company's Bylaws provide that the holders of a *majority* of the voting rights of the shares issued and outstanding and entitled to vote at the meeting shall constitute a quorum at the Annual Meeting. Stockholders' votes will be tabulated by persons appointed by the Board of Directors to act as inspectors of election for the Annual Meeting.

Assuming the presence of a quorum at the Annual Meeting:

a *plurality* (i.e., more than the number of votes cast for any other candidate but not necessarily a majority) of the voting rights represented and entitled to vote at the Annual Meeting is required for election of directors nominated at the Annual Meeting; and

a *majority* (i.e., more than one-half) of the voting rights represented and entitled to vote at the Annual Meeting is required to ratify the appointment of Deloitte & Touche LLP as the Company's independent public accountants.

Unless otherwise required by applicable law or the Company's Certificate of Incorporation or Bylaws, the affirmative vote of a *majority* of the voting rights represented and entitled to vote at the Annual Meeting is required to decide any other matter submitted to a stockholder vote. The

Company's Certificate of Incorporation does not provide for cumulative voting in the election of directors.

Abstentions and broker non-votes will be treated as shares that are present, in person or by proxy, and entitled to vote for purposes of determining the presence of a quorum at the Annual Meeting. Broker non-votes will not be counted as present or entitled to vote on any matter presented at the Annual Meeting. As a result, broker non-votes will not have any effect on Proposal 1 or 2. Abstentions will be counted as shares that are present and entitled to vote on matters presented at the Annual Meeting. As a result, abstentions will not have any effect on Proposal 1 but will have the same effect as a vote *against* Proposal 2.

ELECTION OF DIRECTORS (Proposal 1)

The Board of Directors consists of seventeen members and is divided into three classes of directors serving staggered three-year terms. At the Annual Meeting, five directors will be elected to serve as Class III directors whose terms expire in 2007.

Board of Directors Nominees

The Board of Directors has nominated *Chris A. Davis* and *Thomas M. Collins* to be elected as directors, each for a three-year term. All stockholders of the Company have the right to vote with respect to the election of Ms. Davis and Mr. Collins.

Series A Preferred Stock Designee

The holders of the Series A Preferred Stock have the right to elect one member to serve on the Board of Directors. *Jeffrey D. Benjamin* has been designated as the designee of the holders of the Series A Preferred Stock to be elected for a three-year term. The holders of the Series A Preferred Stock have the exclusive right to vote for the election of Mr. Benjamin pursuant to the terms of the Series A Preferred Stock.

Series B Preferred Stock Designees

The holders of the Series B Preferred Stock have the right to elect two members to serve on the Board of Directors. *Theodore J. Forstmann* and *Thomas H. Lister* have been designated by the holders of the Series B Preferred Stock to be elected, each for a three-year term. The holders of the Series B Preferred Stock have the exclusive right to vote for the election of Messrs. Forstmann and Lister pursuant to the terms of the Series B Preferred Stock.

Voting Policies and Procedures

Unless otherwise specified on the proxy card, it is the intention of the persons named in the proxy to vote the shares represented by each properly executed proxy for the election as directors of Chris A. Davis, Thomas M. Collins, Jeffrey D. Benjamin, Theodore J. Forstmann and Thomas H. Lister. The Board of Directors believes that such nominees will stand for election and will serve if elected. If any person nominated by the Board of Directors fails to stand for election or is unable to accept election, the proxies will be voted for the election of such other person or persons as the persons named in the accompanying proxy shall determine in accordance with their best judgment. Pursuant to the Company's Certificate of Incorporation, directors are elected by plurality vote.

The Company's Bylaws provide that the Board of Directors shall consist of not fewer than seven directors nor more than seventeen directors and that the number of directors, within such limits, shall be determined by resolution of the Board of Directors. However, the Bylaws also provide that the

Board of Directors will have as members at least (a) five independent directors, as defined by the Bylaws, (b) three officers of McLeodUSA selected by the Board of Directors, provided that each such officer shall hold one or more of the following titles: Chairperson; Chief Executive

Edgar Filing: MCLEODUSA INC - Form DEF 14A

Officer; President; Chief Operating Officer or Chief Financial Officer, (c) the designee of the Series A Preferred Stock, if any (as discussed below), and (d) the designee(s) of the Series B Preferred Stock, if any (as discussed below).

Pursuant to an Amended and Restated Purchase Agreement, dated as of January 30, 2002, as amended (the "Purchase Agreement"), the funds affiliated with Forstmann Little & Co. which hold McLeodUSA stock agreed that during the period from the closing of the Purchase Agreement, which closing occurred April 16, 2002, until the "Standstill Termination Date," such funds will be present, in person or by proxy, at all meetings of the Company's stockholders so that all of their voting securities are counted for purposes of determining the presence of a quorum at such meetings. Such funds also agreed that, during such period, they will vote their McLeodUSA voting securities in all elections of directors such that the persons specified in clauses (a) and (b) above are elected as members to the Board of Directors. The "Standstill Termination Date" means the earlier of the close of business on the day preceding the third anniversary of the closing of the Purchase Agreement or the date Theodore J. Forstmann is removed, without his consent, as the Chairman of the Executive Committee of the Board of Directors.

Series A Preferred Stock Designation Rights

The Certificate of Designation for the Series A Preferred Stock provides that for as long as 3,333,333 shares of Series A Preferred Stock remain outstanding, the holders of Series A Preferred Stock will have the right to designate one member of the Board of Directors.

Series B Preferred Stock Designation Rights

The Certificate of Designation for the Series B Preferred Stock and the Purchase Agreement provide certain funds affiliated with Forstmann Little & Co. (the "Forstmann Funds") with the right to designate members of the Board of Directors and/or non-voting observers to the Board of Directors as follows:

As long as the Forstmann Funds beneficially own at least 40% of the McLeodUSA common stock they received upon consummation of the McLeodUSA Plan of Reorganization, the Forstmann Funds will have the right to designate two members of the Board of Directors.

As long as the Forstmann Funds beneficially own less than 40%, but more than 20%, of such shares, the Forstmann Funds will have the right to designate one member of the Board of Directors and one non-voting observer to the Board of Directors.

Once the Forstmann Funds beneficially own 20% or less of such shares, the Forstmann Funds will have no rights to designate members of the Board of Directors; but, as long as the Forstmann Funds beneficially own any of such shares, the Forstmann Funds will have the right to designate two non-voting observers to the Board of Directors.

The Purchase Agreement also provides the other Forstmann Little & Co. funds that beneficially own McLeodUSA securities with the right to designate observers to the Board of Directors as necessary to maintain the venture capital operating company status of their investment in McLeodUSA.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES FOR DIRECTORS.

Corporate Governance and Related Matters

The Board of Directors conducts its business through meetings and through its committees. On February 23, 2004, the Company established a Subcommittee of the Executive Committee of the Board of Directors as a Nominating Committee (the "Nominating Committee") to nominate candidates to stand for election as directors. Pursuant to the Company's Bylaws, other candidates also may be nominated by any stockholder, provided such other nomination(s), together with the identity of the nominator and the number of shares of McLeodUSA stock owned, directly and indirectly, by the nominator, are submitted in writing to the Secretary of McLeodUSA not less than sixty days and not more than ninety days prior to the anniversary date of the immediately preceding annual meeting of stockholders. However, in the event that the annual meeting is called for a date that is not within thirty days before or after such anniversary date, notice by the stockholder must be received not later than the close of business on the tenth day following the day on which the notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever first occurs.

The Board of Directors has established the following committees: an Executive Committee, an Audit Committee, a Compensation Committee and the Nominating Committee.

The Executive Committee The Executive Committee has and may exercise all of the powers and authority of the Board of Directors in the management of the business and affairs of McLeodUSA to the fullest extent permitted by applicable law. The members of the Executive Committee as of March 31, 2004 were Ms. Davis and Messrs. Breen, Forstmann, Frey, Gray and Lister. Mr. Forstmann serves as the Chairman of the Executive Committee.

The Audit Committee The Audit Committee, among other things, appoints the independent accounting firm to audit the Company's financial statements, discusses the scope and results of the audit with the independent public accountants, reviews with management and the independent public accountants the Company's interim and year-end operating results, considers the adequacy of the Company's internal accounting controls and audit procedures and reviews and approves the non-audit services to be performed by the independent public accountants. The members of the Audit Committee as of March 31, 2004 were Messrs. Benjamin, Collins, Frey and Hoffman. Mr. Frey serves as Chairman of the Audit Committee. The Board of Directors in December 2003 amended the written charter for the Audit Committee, a copy of which is attached hereto as Exhibit A and is available on the Company's corporate website at www.mcleodusa.com. In addition, the Board of Directors has determined that all of the members of the Audit Committee meet the independence requirements under the listing standards of The Nasdaq Stock Market, Inc. ("Nasdaq") and the rules and regulations of the Securities and Exchange Commission. The Board has determined that Mr. Frey is both independent and an "Audit Committee Financial Expert" under the definition prescribed by the Securities and Exchange Commission. The Board has also

determined that at least two additional members of the Audit Committee qualify as a "Audit Committee Financial Experts."

The Compensation Committee The Compensation Committee reviews and recommends the compensation arrangements for management and administers the McLeodUSA stock option plan. The members of the Compensation Committee as of March 31, 2004

Edgar Filing: MCLEODUSA INC - Form DEF 14A

were Messrs. Breen, Lister and Ueberroth. Mr. Breen serves as Chairman of the Compensation Committee. Each of Messrs. Ueberroth and Breen has been determined to be an independent director under the Nasdaq listing standards. Mr. Lister has been appointed to the Compensation Committee for a two-year term on the basis of a determination by the Board of Directors that Mr. Lister's membership on the Compensation Committee is required by the best interests of the Company and its stockholders. While the Board of Directors has not made an independence determination with respect to Mr. Lister due to the significant ownership interest of Forstmann Little & Co. in McLeodUSA, his relationship to Forstmann Little & Co., of which Mr. Lister is a general partner, and its role as a significant stockholder make his input on compensation decisions of particular value to the Company.

The Nominating Committee The functions of the Nominating Committee, established as of February 23, 2004, are to identify and recommend to the Board individuals qualified to serve as directors of the Company. As of March 31, 2004, the Nominating Committee has not identified or nominated potential nominees to the Board.

The Nominating Committee is governed by a charter, a current copy of which is available on the Company's corporate website at www.mcleodusa.com. A copy of the charter is also available to stockholders in print upon request, addressed to the Corporate Secretary, at 6400 C Street SW, PO Box 3177, Cedar Rapids, IA 52406-3177.

The members of the Nominating Committee as of March 31, 2004 were Messrs. Forstmann, Frey and Breen. Mr. Forstmann serves as Chairman of the Nominating Committee. Each of Messrs. Frey and Breen has been determined to be an independent director under the Nasdaq listing standards. Mr. Forstmann has been appointed to the Nominating Committee for a two-year term on the basis of a determination by the Board of Directors that Mr. Forstmann's membership on the Nominating Committee is required by the best interests of the Company and its stockholders. While the Board of Directors has not made an independence determination with respect to Mr. Forstmann due to the significant ownership interest of Forstmann Little & Co. in McLeodUSA, the Board of Directors considers that Mr. Forstmann has a unique ability to attract and assess high quality candidates to serve on the Board of Directors, and that his relationship to Forstmann Little & Co., of which he is a general partner, make his input on nomination decisions of particular value to the Company.

The Nominating Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; and

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company and the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board.

11

The stockholder recommendation and information described above must be sent to the Corporate Secretary at 6400 C Street SW, PO Box 3177, Cedar Rapids, IA 52406-3177 and must be received by the Corporate Secretary not less than 120 days prior to the anniversary date of the Company's most recent annual meeting of stockholders.

The Nominating Committee believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company.

The Nominating Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons meeting the criteria described above, and who might be available to serve on the Board. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the Committee will also consider candidates recommended by stockholders.

Edgar Filing: MCLEODUSA INC - Form DEF 14A

Once a person has been identified by the Nominating Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the person will be contacted. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee requests information from the candidate, reviews the person's accomplishments and qualifications, including in light of any other candidates that the Committee might be considering. In certain instances, Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Board and Committee Meeting Attendance

During the fiscal year ended December 31, 2003, the Board of Directors had five meetings. During the same period, the Audit Committee met ten times and the Compensation Committee met four times. The Executive Committee did not meet in 2003. The Nominating Committee was established on February 23, 2004, and thus did not meet during 2003. During the fiscal year ended December 31, 2003, no director attended fewer than 75% of the total of all meetings of the Board of Directors and any committee on which the director served, except that Daniel Snyder attended three of the five Board Meetings, or 60% of such meetings.

Policy Regarding Director Attendance at Meetings

The Company considers regular attendance and participation at meetings of the Company's Board of Directors and the annual meeting of stockholders to be important to effectively fulfilling the responsibilities of a director. Accordingly, it is Company policy that each of its directors attend the annual meeting and meetings of the Board of Directors and its committees regularly and as reasonably possible. Ten of the Company's then fifteen directors were in attendance at the 2003 Annual Meeting.

12

Stockholder Communications with the Board

The Board of Directors has established a process to receive communications from stockholders. To communicate with the Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at 6400 C Street SW, PO Box 3177, Cedar Rapids, IA 52406-3177.

All communications received as set forth in the preceding paragraph will be opened by the office of the Company's Corporate Secretary for the sole purpose of determining whether the contents represent a message to the Company's directors. Any contents that are not in the nature of advertising, promotions of a product or service, or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board of Directors or any group or committee of directors, the Corporate Secretary office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the communication is addressed.

Directors' Compensation

McLeodUSA directors who are also employees receive no directors' fees or director stock options. Non-employee directors receive directors' fees of \$1,000 for each Board and committee meeting attended in person and \$500 for each Board and committee meeting attended by telephone. In addition, directors are reimbursed for reasonable out-of-pocket travel expenditures incurred in connection with their attendance at Board and committee meetings.

Pursuant to the McLeodUSA 2002 Omnibus Equity Plan (the "Omnibus Plan"), the Compensation Committee adopted on April 18, 2002 (and the Board of Directors ratified and confirmed on April 24, 2002) a general policy for granting stock options to directors. The policy provides that non-employee directors will be granted, on a one-time basis, options to acquire 300,000 shares, plus an additional 100,000 options for each committee on which a director serves, plus an additional 325,000 options for serving as chair of the Executive Committee. Upon resignation, such directors will have one year to exercise any options which are vested at the time of resignation. The policy also provides that stock options for such directors serving on April 18, 2002 will vest 25% on the date of grant and 25% per year for the following three years and that stock options for such directors elected or appointed after April 18, 2002 would vest one-third on the anniversary of the grant date in each of the first three years following the date of grant and, in either case, the options would vest fully upon a change of control. The non-employee directors serving on April 18, 2002 were granted options in accordance with the policy, and non-employee directors who have since joined the

Board have likewise received stock option grants.

Other than the compensation described above, none of the directors received any compensation from McLeodUSA in 2003 in connection with their service as directors.

Employment Agreements

McLeodUSA entered into an executive employment agreement with Chris A. Davis on August 1, 2001. The term of the agreement with Ms. Davis continues until August 13, 2004. Under the terms of the employment agreement, Ms. Davis received an initial base annual salary of \$400,000, subject to a potential increase each year based on comparison to the annual base salary of similarly situated executives at similar companies, and bonus opportunities set at not less than 50% of the base annual salary. Upon entering into the employment agreement, Ms. Davis was paid a one-time signing bonus of \$5,000,000 as compensation for loss of unvested option shares of ONI Systems Corp. In addition, the agreement provided that to the extent that Ms. Davis exercised any of her vested options to purchase ONI common stock and on the earliest possible date that she could sell shares of ONI common stock, she sold any shares acquired upon such exercises and the gross sale price was less than \$24 per share, McLeodUSA would make an additional payment to her of the difference between the sale price and \$24, for up to 162,500 shares. Ms. Davis sold the ONI common stock in accordance with her agreement and was paid \$3,186,398 for the difference between the sale price for such stock and \$24 for all 162,500 shares that she sold. Pursuant to the terms of the agreement, McLeodUSA also paid \$4.3 million to Ms. Davis to purchase her home in Los Gatos, CA, approximately \$988,000 for reimbursement of related taxes and \$118,000 for related relocation expenses. The options granted to Ms. Davis provide for immediate acceleration of vesting upon a change of control. See also discussion of *Fiscal Year-End Option Values* and the *Compensation Committee Report on Executive Compensation*.

Ms. Davis's employment agreement further provides that if she terminates her employment for good reason or if McLeodUSA terminates her employment in breach of the agreement, Ms. Davis is entitled to: (1) full salary through the date of termination and amounts due under any applicable compensation plan; (2) a liquidated damages payment approximately equal to the number of years (including partial years) remaining in the term of the agreement, multiplied by Ms. Davis's salary and bonus on the date of termination; (3) full vesting of stock options granted during the term of the agreement, with such options to remain exercisable for four years, including upon a change in control; (4) continued health and related benefits for the remainder of the term of the agreement; and (5) a gross-up payment to cover excise tax payments due on the severance benefits. additional year in certain circumstances.

Under the terms of her agreement, Ms. Davis is also entitled to weekly roundtrip transportation between her home in Hilton Head Island, South Carolina, and Cedar Rapids, Iowa on McLeodUSA aircraft. All such transportation is provided on a basis on which she suffers no tax disadvantage. In addition, in response to the September 11 tragedy, the Executive Committee of the Board of Directors adopted a policy under which the Chief Executive Officer and President of McLeodUSA are required

as a security measure not to utilize commercial air transport. As a consequence, Ms. Davis and Mr. Gray are provided access to McLeodUSA aircraft for personal use, for which personal income is imputed at SIFL rates as designated under applicable federal tax regulations, and for which they are individually responsible to pay income taxes.

McLeodUSA entered into an executive employment agreement with Stephen C. Gray on January 7, 2000. The term of Mr. Gray's employment agreement continued until January 7, 2003. The employment agreement provided Mr. Gray with an initial annual base salary of \$400,000, subject to a potential increase each year based on comparison to the annual base salary of similarly situated executives at similar companies, and bonus opportunities set at not less than 50% of the base annual salary. Following adoption of the McLeodUSA Incorporated 2002 Omnibus Equity Plan and pursuant to an Option Agreement, Mr. Gray was granted options to acquire up to 4,500,000 shares of Class A common stock, with 25% of the options vesting on each of April 18, 2002, April 18, 2003, April 18, 2004 and April 18, 2005. The options granted to Mr. Gray provide for immediate acceleration of vesting upon a change of control. As noted above, Mr. Gray is required under the McLeodUSA security policy not to utilize commercial air transport and is provided access to corporate aircraft under the conditions described above. See also discussion of *Fiscal Year-End Option Values* and the *Compensation Committee Report on Executive Compensation*.

McLeodUSA entered into letter agreements with each of G. Kenneth Burckhardt, Andreas Papanicolaou and James E. Thompson on April 13, 2002, July 20, 2002 and November 12, 2002 respectively. The letter agreements provided for annual base salaries as follows: Mr. Burckhardt \$325,000, Mr. Papanicolaou \$300,000 and Mr. Thompson \$295,000. Under the terms of their respective letter agreements, Mr. Burckhardt was paid a one-time signing bonus of \$2,000,000, and Mr. Thompson was paid a one time signing bonus of \$100,000. These signing bonuses and relocation expenses were required to be repaid to McLeodUSA if they terminated their employment within less than one year. The letter agreements also provide that Messrs. Burckhardt, Papanicolaou and Thompson are eligible for annual performance bonus opportunities targeted at 50% of their annual base salary.

Mr. Burckhardt's letter agreement further provides that if he is terminated from McLeodUSA (other than for cause) or if his duties are materially reduced and, as a result, he elects to resign from McLeodUSA, Mr. Burckhardt is entitled to: (1) the amount of two years of compensation and (2) continued health and related benefits at McLeodUSA expense. McLeodUSA paid Messrs. Burckhardt, Papanicolaou and Thompson \$60,358, \$20,542, and \$40,531 respectively, for reimbursement of relocation expenses. Each of Messrs. Burckhardt, Papanicolaou and Thompson also is bound by non-competition and non-solicitation covenants for one year following the termination of their employment.

The letter agreements also provide for the grant of options to purchase shares of Class A common stock. Mr. Burckhardt was granted options to acquire up to 2,500,000 shares of Class A common stock, with a vesting schedule of 25% on each of April 18, 2002, April 18, 2003, April 18, 2004 and April 18, 2005. Mr. Papanicolaou was granted options to acquire up to 2,000,000 shares of Class A common stock, vesting one-third on each of August 5, 2003, August 5, 2004 and August 5, 2005. Mr. Thompson was granted options to acquire up to 1,000,000 shares of Class A Common Stock, vesting one-third on each of December 2, 2003, December 2, 2004 and December 2, 2005. Mr. Burckhardt's options were granted pursuant to an Option Agreement that provides for immediate acceleration of vesting upon a change of control. Mr. Papanicolaou and Mr. Thompson's options were granted pursuant to Option Agreements that provide for immediate acceleration of vesting upon a change of control only if an acquiring company does not assume the McLeodUSA Incorporated 2002 Omnibus Equity Plan or substitute its own equity for shares of McLeodUSA Class A common stock. The options granted to Messrs. Burckhardt, Papanicolaou and Thompson were granted at an exercise price of \$1.11 per share, a price not less than the fair market value of the common stock on the date of their respective grants.

The letter agreement with Mr. Burckhardt also provides access to corporate aircraft under certain conditions. For commuting purposes, Mr. Burckhardt is provided weekly roundtrip transportation from his home at Hilton Head Island, South Carolina to Cedar Rapids, Iowa on a company-owned aircraft whenever possible. Otherwise, he is authorized to travel via coach class commercial aircraft at the company's expense. This transportation is provided on a basis on which he suffers no tax disadvantage.

increase stockholder value; and

increase the performance of individual executives.

The Compensation Committee seeks to provide competitive salaries based upon individual performance together with annual cash bonuses awarded based on McLeodUSA's overall performance relative to corporate objectives, taking into account individual contributions, teamwork and performance levels. The Compensation Committee believes that the level of base salaries plus bonuses of executives should generally be managed to be at the midpoint of the competitive market. In addition, it is policy of McLeodUSA to grant stock options to executives in order to strengthen the alliance of interest between such executives and stockholders.

The following describes in more specific terms the elements of compensation that the Compensation Committee considers in making its determination about appropriate compensation levels, with specific reference to compensation reported for 2003.

(a) Base Salaries

Base salaries of executives are initially determined by evaluating the responsibilities of the position, the experience and knowledge of the individual, and the competitive marketplace for executive talent, including a comparison to base salaries for comparable positions at peer public companies in the same geographic region. Base salaries for executive officers are reviewed as appropriate by the Compensation Committee based upon, among other things, the recommendations of Ms. Davis, individual performance and the responsibilities of the particular executive.

Salary adjustments for executive officers are recommended by the Chief Executive Officer by evaluating the performance of each executive officer after considering new responsibilities and the previous year's performance. The Compensation Committee performs the same evaluation of the performance of Ms. Davis, as well as other senior executives. The employment agreement entered into on August 1, 2001 with Ms. Davis and the letter agreements with Messrs. Burckhardt, Papanicolaou

and Thompson are discussed in more detail above. See "Employment Agreements." Individual performance ratings take into account such factors as achievement of specific goals that are driven by the strategic plan and attainment of specific individual objectives. The factors impacting merit based adjustments to base salary levels are not assigned specific weights but are subject to adjustments by the Compensation Committee.

Since 2002, employees at or above the Vice President level have not received merit increases to their salaries. Increases in these employees' compensation have been implemented entirely through performance-based bonuses and stock options, as discussed below.

(b) Bonuses

Bonuses to executive officers are based on both corporate and individual performance, as measured by reference to factors which reflect objective performance criteria over which management generally has the ability to exert some degree of control. These corporate performance factors primarily consist of cash, revenue and earnings targets, as well as certain program initiatives such as quality improvement initiatives, business process improvements and cost reductions, established in the annual budget set at the beginning of each year. Discretionary bonuses are occasionally awarded for exceptional performance, but were not awarded to any executive officers in 2003. For 2003 performance bonuses were approved by the Compensation Committee on the basis of a formula reviewed and approved by the Committee. The formula was based on a combination of attainment of (i) a series of overall corporate objectives (80%), and (ii) pre-approved personal performance objectives (20%).

(c) Stock Options

A third component of executive officers' compensation involves the grant of options to purchase shares of common stock. The Compensation Committee grants stock options to executives in order to align their interests with the interests of the stockholders. Stock options are considered by the Compensation Committee to be an effective long-term incentive because the executives' gains are linked to increases in the stock value, which in turn provides stockholder gains. McLeodUSA also believes that stock options have been helpful in attracting and retaining skilled executive personnel.

The Compensation Committee generally grants options to new executive officers and other key employees upon their commencement of employment with McLeodUSA and thereafter, on occasion, as determined by the Compensation Committee, based on performance. Consistent with this approach, and based on the Compensation Committee's assessment of their respective performance in 2003, the Compensation Committee on February 23, 2004 granted 500,000 options to Ms. Davis and 300,000 options to Mr. Gray, such options vesting one-half on each of the first and second anniversaries of the date of the grants. Like all other options granted to Ms. Davis and Mr. Gray, these options provide for acceleration of vesting upon a change in control. The full benefit of the options is realized upon appreciation of the stock price in future periods, thus providing an incentive to create value for McLeodUSA stockholders through appreciation of stock price.

Stock option grants under the Omnibus Plan were made to certain newly hired executive officers in 2003 at the time of the commencement of their employment. No options were granted in 2003 to the Named Executive Officers, although as noted above, option grants were made to each of Ms. Davis and Mr. Gray in February 2004 based on their respective 2003 performance. During 2003, McLeodUSA granted stock options covering a total of approximately 18 million shares of common stock to approximately 2,800 employees. The per share option exercise price of these grants ranged from \$1.11 to \$1.77, which equaled or was greater than the fair market value of a share of common stock on the respective dates of grant. Also during 2003, stock options covering a total of approximately 8.6 million shares of common stock were forfeited by employees.

(d) Other

McLeodUSA has a contributory retirement plan for its employees (including executive officers) age 21 and over with at least three months of service with McLeodUSA. The 401(k) Plan provides that each participant may contribute up to 50% of his or her salary, up to the annual statutory limit (in prior years employees could contribute up to 15%, subject to the annual statutory limit). McLeodUSA may make matching contributions to each participant's account equal to 50% of the participant's contribution up to 2% of the participant's annual compensation. In addition, McLeodUSA may make a discretionary annual match of up to another 50% of the participant's contribution up to 2% of the participant's annual compensation. Thus, the total matching contribution can be up to 4% of the participant's annual compensation. Employees are not permitted to purchase McLeodUSA common stock with their own contributions to the 401(k) Plan. No matching contributions or discretionary annual match was made for 2003. The Compensation Committee will reconsider the 401(k) Plan matching contribution program in the future.

Executive Employment Agreements

In August 2001, the Compensation Committee approved an employment agreement with Ms. Davis who joined McLeodUSA as Chief Operating and Financial Officer and now serves as Chairman of the Board of Directors and Chief Executive Officer. The Compensation Committee also reviewed and approved the terms of the offers of employment extended to other executive officers of the Company, including the named executive officers. The terms of these offers were approved on the basis of the experience of and positions to be held by these senior executives. See "Employment Agreements." The Compensation Committee manages these employment agreements and sets compensation for the executives pursuant to these agreements.

Chief Executive Officer Compensation

Ms. Davis became Chief Executive Officer in April 2002. The compensation of Ms. Davis is consistent with her executive employment agreement. See "Employment Agreements."

For 2003, Ms. Davis' compensation included \$400,000 in base salary and a bonus of \$300,000, determined in a manner consistent with the bonuses for other Company officers and all other executive officers. Ms. Davis did not receive an increase in base salary in 2003. Her bonus award was determined on the basis of a review of the Company's performance against specific pre-approved corporate objectives (80%), and her performance against specific personal performance objectives (20%).

Following adoption of the McLeodUSA Incorporated 2002 Omnibus Equity Plan, Ms. Davis was granted options to acquire up to 7,000,000 shares of Class A common stock, with 25% of the options vesting on April 18, 2002, and 25% vesting on each of August 2, 2002, August 2, 2003 and August 2, 2004. The options granted to Ms. Davis provide for acceleration of vesting upon a change of control. These options were granted on the basis of a review of the leadership role and performance of Ms. Davis, and on the basis of a finding that such grants were consistent with the Compensation Committee's belief that it is desirable and in the best interest of the company to recruit and retain qualified executives and to grant stock options in connection with their compensation arrangements. The per share option exercise price of such options was \$1.11, which was equal to or greater than the fair market value of a share of common stock on the date of grant. In addition, Ms. Davis received a grant of 500,000 options on February 23, 2004, vesting one-half on each of the first and second anniversaries of the date of the grants, based upon the above-described criteria. Like all other options granted to Ms. Davis, these options provide for acceleration of vesting upon a change in control. The per share option exercise price of these options was \$1.62, which was equal to the fair market value of a share of common stock on the date of the grant.

Compensation Deductibility Policy

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to the corporation's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year. However, the statute exempts qualifying performance-based compensation from the deduction limit if specified requirements are met. The Compensation Committee intends to structure stock option grants to executive officers who may be subject to Section 162(m) in a manner that satisfies those requirements.

The Board of Directors and the Compensation Committee reserve the authority to award non-deductible compensation in other circumstances as they deem appropriate. Further, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) and the regulations issued thereunder, no assurance can be given, notwithstanding McLeodUSA's efforts, that compensation intended by McLeodUSA to satisfy the requirements for deductibility under Section 162(m) does in fact do so.

Compensation Committee

Comparative Stock Performance

The following chart sets forth comparative information regarding cumulative stockholder return on Class A common stock for the period from April 18, 2002 (the date trading activity was first reported for Class A common stock following McLeodUSA's emergence from Chapter 11 bankruptcy) through December 31, 2003. From April 18, 2002 through September 27, 2002, McLeodUSA Class A common stock traded on the Nasdaq National Market. On September 30, 2002, the Company's Class A common stock moved from the Nasdaq National Market and began trading on the Nasdaq SmallCap Market.

Total stockholder return is measured by dividing total dividends (assuming dividend reinvestment) plus share price change for a period by the share price at the beginning of the measurement period. McLeodUSA has never paid a cash dividend on the Company's Class A common stock. The Company's cumulative stockholder return based on an investment of \$100 on April 18, 2002, is compared to the cumulative total

return of the Standard & Poor's 500 Stock Index and The Nasdaq Telecommunications Stock Index, comprised of publicly traded companies which are principally in the telecommunications business, during that same period.

As a result of the Chapter 11 bankruptcy, comparisons of McLeodUSA stock performance with such indices during the period prior to emergence from bankruptcy are not meaningful.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the directors, officers and greater than ten percent beneficial owners to file with the Securities and Exchange Commission initial reports of ownership of the Company's equity securities and to file subsequent reports when there are changes in such ownership. Directors, officers and greater than ten percent beneficial owners are required by Securities and Exchange Commission regulations to furnish McLeodUSA with copies of all Section 16(a) reports they file.

Based on the Company's review of these reports and on written representations from the reporting persons that no other reports were required, McLeodUSA believes that during the fiscal year ended December 31, 2003 the Company's directors, officers and greater than ten percent beneficial owners filed the reports required by Section 16(a) on a timely basis.

RATIFICATION OF THE APPOINTMENT OF THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE 2004 FISCAL YEAR (Proposal 2)

The Audit Committee of the Board of Directors appointed the firm of Deloitte & Touche LLP as independent public accountants for the fiscal year ending December 31, 2004.

It is expected that representatives of Deloitte & Touche LLP will be present at the Annual Meeting and will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of Proposal 2 is not required by the Bylaws or otherwise. However, the Board of Directors is submitting Proposal 2 to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify Proposal 2, the Audit Committee will reconsider whether or not to retain Deloitte & Touche LLP. Even if Proposal 2 is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accountant at any time during the year if the Board of Directors determines that such a change would be in the best interests of McLeodUSA and its stockholders.

Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

On April 24, 2002, upon the recommendation of the Audit Committee of McLeodUSA Incorporated, the Board of Directors of McLeodUSA approved the dismissal of Arthur Andersen LLP ("Arthur Andersen") as the Company's independent auditors and the appointment of Deloitte & Touche LLP to serve as the Company's independent auditors for the year ending December 31, 2002. The appointment of Deloitte & Touche LLP became effective on April 25, 2002.

Arthur Andersen's original report on the Company's consolidated financial statements for the year ended December 31, 2001 included a comment regarding the Company's ability to continue as a going concern as a result of the Company's plan of reorganization not being effective as of the date of Arthur Andersen's original report. Because the Company's plan of reorganization became effective on April 16, 2002, Arthur Andersen issued a revised report on the Company's consolidated financial statements for the year ended December 31, 2001 which removed the comment about the Company's ability to continue as a going concern. Arthur Andersen's report on the Company's consolidated financial statements for the year ended December 31, 2000 did not contain an adverse opinion or disclaimer of opinion. Except as set forth above, such reports were not qualified or modified as to uncertainty, audit scope or accounting principles. During the years ended December 31, 2001 and 2000 and through the date hereof, there were no disagreements with Arthur Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their report on the Company's consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

McLeodUSA provided Arthur Andersen with a copy of the foregoing disclosures.

Edgar Filing: MCLEODUSA INC - Form DEF 14A

During the years ended December 31, 2001 and 2000 and through April 25, 2002, McLeodUSA did not consult Deloitte & Touche LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The affirmative vote of a majority of the voting rights represented at the Annual Meeting is required to approve Proposal 2.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 2.

Report of the Audit Committee

The Audit Committee of the Board of Directors has prepared the following report for 2003.

To the Board of Directors of McLeodUSA Incorporated:

The Audit Committee has reviewed and discussed with management the McLeodUSA audited financial statements as of and for the year ended December 31, 2003.

The Audit Committee has discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee has received and reviewed the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, by the Independence Standards Board, and have discussed with the auditors the auditors' independence.

The Audit Committee has also received written confirmations with respect to non-audit services provided to the company by the independent accountants in calendar year 2003 and those planned for 2004. The Committee has considered whether the provision of such non-audit services is compatible with maintaining the auditor's independence.

Management is responsible for the Company's internal control and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and issuing a report thereon. As provided in its Charter, the Committee's responsibilities include the monitoring and oversight of these processes.

In its oversight role for these matters, the Audit Committee relies on the information and representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to certify that the audit of the Company's financial statements has been carried out in accordance with generally accepted accounting principles or that the Company's independent accountants are in fact "independent."

Based on the reviews and discussions referred to above, the Audit Committee recommends to the Board of Directors that the audited financial statements referred to above be included in the McLeodUSA Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

Respectfully submitted,

Audit Committee

STOCK OWNERSHIP BY MANAGEMENT AND MORE THAN 5% STOCKHOLDERS

The following beneficial ownership table sets forth information regarding beneficial ownership of McLeodUSA voting stock as of February 29, 2003 by:

each director and director nominee;

each Named Executive Officer;

each other person known by McLeodUSA to beneficially own more than 5% of a class of stock of McLeodUSA; and

all executive officers and directors as a group.

Under the Exchange Act, a person is deemed to be a "beneficial owner" of a security if he or she has or shares the power to vote or direct the voting of such security or the power to dispose or direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has the right to acquire beneficial ownership within 60 days. More than one person may be deemed to be a beneficial owner of the same securities. The percentage ownership of each stockholder is calculated based on the total number of outstanding shares of the applicable class of stock as of February 29, 2004 plus those shares of stock that such stockholder has the right to acquire within 60 days. Consequently, the denominator for calculating such percentage may be different for each stockholder.

With respect to directors, director nominees and executive officers, the table is based upon information supplied by such persons. The information regarding more than 5% stockholders is based on the most recent Schedule 13D or 13G filed with the SEC on behalf of such persons or other information made available to us.

28

Unless otherwise indicated in the footnotes to the table, each of the stockholders listed has sole voting and dispositive power with respect to the shares shown as beneficially owned.
