PROXY STATEMENT
2004 Annual Meeting of Stockholders

This Proxy Statement and accompanying Proxy Card are being furnished to stockholders in connection with the solicitation of proxies by the Board of Directors of INVESTools Inc., a Delaware corporation (the "Company"), for use at the 2004 Annual Meeting of Stockholders of the Company to be held at the Hilton New York, 1335 Avenue of the Americas, New York City, New York 10019, at 9:00 a.m. (local time) on Wednesday, June 2, 2004, and at any adjournments thereof (such meeting or adjournment(s) thereof referred to as the "Annual Meeting"), for the purpose of considering and voting upon the matters set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement and the accompanying form of proxy card are first being mailed to stockholders on or about May 6, 2004.

The close of business on April 21, 2004, has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. As of the record date, there were 45,290,897 shares of the Company's common stock, par value \$0.01 per share (the "Common Stock"), issued and outstanding. The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock on the record date is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Each share is entitled to one vote on all issues requiring a stockholder vote at the Annual Meeting. Stockholders may not cumulate their votes for the election of directors. Directors shall be elected by a plurality of the votes of the shares present or represented by proxy and entitled to vote at the Annual Meeting. Abstentions will have no effect on the outcome of the vote on Items 1 or 2. Broker non-votes will not be counted in tabulations of the votes cast on Items 1 or 2 and will have no effect on the outcome of the vote.

All shares represented by properly executed or submitted proxies, unless such proxies previously have been revoked, will be voted at the Annual Meeting in accordance with the directions on the proxies. If no direction is indicated, the shares will be voted **FOR** the election as directors of the nominees listed therein, **FOR** the approval of the 2004 Restricted Stock Plan, and in the discretion of the persons named in the proxy in connection with any other business that may properly come before the Annual Meeting. Any person who signs and mails the enclosed proxy, even though executed and returned, may be revoked at any time prior to the voting of the proxy (i) by the execution and submission of a revised proxy, (ii) by written notice to the Corporate Secretary of the Company or (iii) by voting in person at the Annual Meeting. However, a proxy will not be revoked simply by attending the Annual Meeting and not voting. To revoke a proxy previously submitted by telephone or the Internet, a stockholder of record can simply vote again at a later date, using the same procedures, in which case the later submitted vote will be recorded and the earlier vote will thereby be revoked.

(1) ELECTION OF DIRECTORS FOR THE ENSUING YEAR***General***

The persons named as proxyholders in the enclosed proxy have been selected by the Board of Directors to serve as Proxies and will vote the shares represented by valid proxies at the 2004 Annual Meeting of Stockholders and any adjournments thereof. They have indicated that, unless otherwise specified in the proxy, they intend to vote for the election as director each of the persons named as a nominee listed below under "Nominees for Director" unless authority to vote in the election of directors is withheld on each proxy. The nominee is currently a member of the Board of Directors. The duly elected director will hold office until the 2007 Annual Meeting of Stockholders or until his successors shall have been elected and qualified. Although the Board of Directors of the Company does not contemplate that the nominee will be unable to serve, if such a situation arises prior to the Annual Meeting, the persons named in the enclosed proxy will vote for the election of such other person as may be nominated by the Board of Directors. Proxies cannot be voted in the election of directors for more than one person, as that is the number of nominees named herein.

Meetings and Committees of the Board of Directors

There were six meetings of the Board during 2003. All of the directors attended at least 75 percent of the aggregate of all meetings of the Board and of the committees of the Board on which they served. The Company does not have a formal policy regarding director attendance at annual meetings of stockholders, however, it is expected, absent good reason, that all directors will be in attendance. All of the Company's directors attended the 2003 Annual Meeting.

Audit Committee

Effective as of August 2003 and October 2003, respectively, Messrs. Goldsmith and Tansill were appointed as members of the Audit Committee. The Audit Committee, which held nine meetings during 2003, acts on behalf of the Board to oversee all material aspects of the Company's reporting, control and audit functions. The Audit Committee's role includes a particular focus on the qualitative aspects of financial reporting to shareholders and on Company processes for the management of the business/financial risk and for compliance with significant applicable legal, ethical and regulatory requirements. The Board of Directors has determined that Messrs. von Meiss, Goldsmith and Tansill are audit committee financial experts as described in Item 401(h) of Regulation S-K. The Compensation Committee is also responsible for the administration of five other stock option plans from which no new grants are currently being made. Mr. Wood is Chairman of the Compensation Committee and serves with Messrs. Goldsmith, Tansill and von Meiss.

Director Nomination Policy

The Company does not currently have a standing Nominating Committee or a formal Nominating Committee Charter. Currently, a majority of the independent members of the Board (as determined by the Board as required by the American Stock Exchange listing standards), rather than a nominating committee, approves or recommends those persons to be nominated. The Board believes that the current method of nominating directors is appropriate because it complies with the American Stock Exchange listing standards.

Edgar Filing: INVESTOOLS INC - Form DEF 14A

The Board has, by resolution, adopted a director nomination policy. The purpose of the policy is to describe the process by which candidates for inclusion in the Company's recommended slate of director nominees are selected. The director nomination policy is administered by the Board.

Candidates for Board membership must possess the background, skills and expertise to make significant contributions to the Board, to the Company and its stockholders. Desired qualities to be considered include substantial experience in business or administrative activities; breadth of knowledge about issues affecting the Company; and ability and willingness to contribute special competencies to Board activities. The independent members of the Board also consider whether members and potential members are independent under the American Stock Exchange listing standards. In addition, candidates should possess the following attributes: personal integrity; absence of conflicts of interest that might impede the proper performance of the responsibilities of a director; ability to apply sound and independent business judgment; sufficient time to devote to Board and Company matters; ability to fairly and equally represent all stockholders; reputation and achievement in other areas; independence under rules promulgated by the Securities and Exchange Commission ("SEC") and the American Stock Exchange listing standards; and diversity of viewpoints, background and experiences.

The Board of Directors intends to review the director nomination policy from time to time to consider whether modifications to the policy may be advisable as the Company's needs and circumstances evolve, and as applicable legal or listing standards change. The Board may amend the director nomination policy at any time.

Communications with Directors

The Board of Directors welcomes communications from its stockholders and other interested parties and has adopted a procedure for receiving and addressing those communications. Stockholders and other interested parties may communicate any concerns they may have about the Company directly to either the full board of directors or one or more directors by mailing their communications to the Company at the following address: [Director], INVESTools Inc., 5959 Corporate Drive, Suite LL250, Houston, Texas 77036, Attention: Corporate Secretary (Board Matters). The Corporate Secretary promptly will forward all stockholder communications and other communications from interested parties unopened to the intended recipient.

Shareholder Nominations

The Board will consider director candidates recommended by stockholders and will evaluate such director candidates in the same manner in which it evaluates candidates recommended by other sources. The Company's Bylaws, as amended, provide that in making recommendations for director nominees for the annual meeting of stockholders, the Board of Directors will consider any written recommendations of director candidates by stockholders received by the Secretary of the Company no later than 90 days before the anniversary of the previous year's annual meeting of stockholders, except that if no annual meeting was held in the previous year or if the date of the annual meeting is advanced by more than 30 days prior to, or delayed by more than 60 days after such anniversary date, notice must be received by the 10th day following the date that public disclosure of the date of the annual meeting is given to stockholders. Recommendations must be mailed to INVESTools Inc., 5959 Corporate Drive, Suite LL250, Houston, Texas 77036, Attention: Corporate Secretary, and include all information regarding the candidate as would be required to be included in a proxy statement filed pursuant to the proxy rules promulgated by the SEC if the candidate were nominated by the Board of Directors (including such candidate's written consent to being named in the proxy statement as a nominee and to serving as a director if elected). The stockholder giving notice must provide (i) his or her name and address, as they appear on the Company's books, and (ii) the class and number of shares of the Company which are beneficially owned by such stockholder. The Company may require any

Edgar Filing: INVESTTOOLS INC - Form DEF 14A

proposed nominee to furnish such other information it may require to be set forth in a stockholder's notice of nomination which pertains to the nominee.

Director Fees and Compensation

Outside directors are paid \$2,500 for each meeting of the Board of Directors or committee meeting they attend in person, plus out of pocket expenses, and \$500 for each telephonic meeting or committee meeting in which they participate. These fees are determined by resolution of the Board of Directors. Directors may also receive an annual stock award. In 2003, the directors received such an award.

Upon their appointment, each Advisory Board member received 7,500 shares of stock restricted from sale for two years. No cash fees were paid to Advisory Board members during 2003.

Report From the Compensation Committee Regarding Executive Compensation

The Compensation Committee of the Board of Directors consists of Messrs. Wood, Goldsmith, Tansill, and von Meiss.

The goal of the Compensation Committee is to develop compensation policies to attract and retain highly qualified officers, directors and middle managers whose skills are critical to the long-term success of the Company. Such policies are intended to reward and motivate individual and team performance with the common goal of maximizing total stockholder return.

Components of executive compensation include base salary, incentive bonus and stock options. Salary levels for executive officer positions reflect the duties and levels of responsibilities inherent in the position. Salaries of executive officers are reviewed annually and the primary criteria influencing salary adjustments are the individual's performance, experience, contribution to the Company and the competitive marketplace for executive talent. In addition, bonus awards for the executive officers are considered annually and have historically been paid out of the Company's Management Incentive Bonus Plan and the Executive Committee Bonus Plan.

As a result of such annual reviews in 2003, a majority of the executive officers, including the Chief Executive Officer, received bonus awards under the Management Incentive Bonus Plan. The Chief Executive Officer also participated in the Executive Committee Bonus Plan. Bonuses out of these plans were paid in cash and restricted stock. While the Company previously issued restricted stock under the Management Incentive Bonus Plan and Executive Committee Bonus Plan to provide incentives to the Company's officers, all such future issuances will be made under the INVESTools Inc. 2004 Restricted Stock Plan.

Stock options are used by the Company as a long-term incentive and allow executives the opportunity to acquire and build an ownership interest in the Company.

As one of the factors in determining executive compensation, the Compensation Committee considers the anticipated tax treatment to the Company and to the executive officers of various types of compensation and benefits. From time to time, interpretations of and changes in the tax laws affect the

deductibility of compensation. The Compensation Committee currently does not anticipate that compensation paid to the executive officers in 2004 will exceed the amounts specified as deductible pursuant to Section 162(m) of the Internal Revenue Code.

The compensation for the Chief Executive Officer is generally determined using the same evaluation criteria used for other officers and managers of the Company. The Chief Executive Officer has entered into an employment agreement with the Company discussed in detail below. In accordance with the agreement, the Chief Executive Officer received a base salary in 2003 of \$350,000. The Chief Executive Officer has met Board of Directors and Compensation Committee expectations with respect to the growth and development of the Company. Consequently, in March 2004, the Compensation Committee determined to increase the Chief Executive Officer's base salary to \$425,000. The Compensation Committee currently is exploring additional alternatives to compensate the Chief Executive Officer.

In December 2004, Mr. Barba's agreement will automatically extend for a one year term.

Certain Relationships and Related Transactions

In the past, as part of the normal course of business, some members of the Board of Directors have proposed business alliances between the Company and companies with which they are associated. In the opinion of management, each of these transactions or arrangements was entered into on terms as favorable to the Company as could have been obtained in transactions or arrangements with unaffiliated third parties. However, at this time no such arrangements or alliances exist.

Audit Committee Report

Edgar Filing: INVESTTOOLS INC - Form DEF 14A

The Audit Committee of the Board of Directors consists of Messrs. von Meiss, Goldsmith, Tansill and Wood. The duties and responsibilities of the Audit Committee are set forth in a written charter adopted by the Board of Directors and attached to this Proxy Statement as Appendix A. Each of the

Edgar Filing: INVESTTOOLS INC - Form DEF 14A

members of the Audit Committee is independent, as defined in Section 121A of the listing standards for the American Stock Exchange.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants (auditors) are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. It is the Audit Committee's responsibility to monitor these processes.

In this context, the Audit Committee has reviewed and discussed with the Company's auditors the overall scope and plans for the independent audit. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. Discussions about the Company's audited financial statements included the auditors' judgments about the quality, not just the acceptability of the application of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with the auditors other matters required by Statement on Auditing Standards ("SAS") No. 61, *Communication with Audit Committees*, as amended by SAS No. 90, *Audit Committee Communications*.

The Company's auditors provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed the auditor's independence with management and the auditors. In addition, the Audit Committee considered whether the other non-audit consulting services provided by the auditor's firm could impair the auditor's independence and concluded that such services have not impaired the auditor's independence.

Based on the Audit Committee's discussion with management and the auditors and the Audit Committee's review of the representations of management and the report of the auditors to the Audit Committee, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 filed with the SEC.

By the Audit Committee:

Hans von Meiss, Chairman
Michael H. Goldsmith
Douglas T. Tansill

Audit Committee Pre-Approval Policies

The Audit Committee has established a policy intended to clearly define the scope of services performed by the Company's independent auditors for non-audit services. This policy relates to audit services, audit-related services, tax and all other services which may be provided by the Company's independent auditor and is intended to assure that such services do not impair the auditor's independence. The policy requires the pre-approval by the Audit Committee of all services to be provided by the Company's independent auditor. Under the policy, the Audit Committee will annually review and pre-approve the services that may be provided by the independent auditor without obtaining specific pre-approval from the Audit Committee or its designee. In addition, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated is required to report to the Audit Committee at its next meeting any services which such member or members has approved. The policy also provides that the Audit Committee will pre-approve the fee levels for all services to be provided by the independent auditor. Any proposed services exceeding these levels will require pre-approval by the Audit Committee.

All of the services provided by the Company's principal accounting firm described above under the captions "Audit Fees" were approved in accordance with this policy and the Audit Committee has determined that the auditor independence has not been compromised as a result of providing these services and receiving the fees for such services as noted above.

(2) INVESTOOLS INC. 2004 RESTRICTED STOCK PLAN

The Board of Directors unanimously recommends a vote *FOR* approval of the INVESTools Inc. 2004 Restricted Stock Plan.

In April 2004, the Board of Directors of the Company approved the INVESTools Inc. 2004 Restricted Stock Plan (the "Plan"), subject to approval by the Company's stockholders. The Company is providing the following description of the Plan to you in connection with the solicitation of proxies for approval of the Plan. The following discussion summarizes the material terms of the Plan. This discussion does not purport to be complete and is qualified in its entirety by reference to the Plan, a copy of which is attached to this Proxy Statement as Appendix B.

Purpose

The purpose of the Plan is to (i) attract and retain employees of the Company and its subsidiaries, qualified individuals to serve as non-employee members of the Board, and consultants to provide services to the Company; (b) motivate participating employees, directors and consultants, by means of appropriate incentives, to achieve long-range goals; (c) provide incentive compensation opportunities that are competitive with those of other similarly situated companies; and (d) further identify Plan participants' interests with those of the Company's other stockholders through compensation alternatives based on the Company's stock; and thereby promote the long-term financial interest of the Company and its subsidiaries, including the growth in value of the Company's equity and enhancement of long-term stockholder return.

Administration

The Plan will be administered by the Compensation Committee (the "Committee") of the Board of Directors, which is comprised of at least two or more directors of the Company appointed by the Board. The Committee will have the authority to (i) select the employees, non-employee directors and consultants ("Participants") who are to receive restricted stock awards ("Awards") entitling the Participant to receive issuances of the Company's common stock, the vesting of which may be subject to a required period of employment or services as a director or consultant, or any other conditions established by the Committee, (ii) establish the terms and conditions, number of shares of Company common stock subject to such award, performance criteria, restrictions, and other provisions of such awards, and (iii) to amend, modify or suspend awards. The Committee may establish, amend, or rescind any rules and regulations relating to the Plan. The Committee's determinations under the Plan will be binding and conclusive on all persons.

Effective Date and Awards Under Plan

The Plan will be effective immediately upon approval by the Company's stockholders. As of the date of this Proxy Statement, no Awards have been made, and no benefits have been received by or allocated to any director, executive officer or other participant under the Plan. Because the level of Awards granted to any participant, including directors and executive officers, is determined in the discretion of the Committee, the amount to be received by or allocated to any such person under the Plan is not determinable at this time.

Eligibility

All employees, non-employee directors and consultants designated by the Committee are eligible to receive Awards.

Shares Subject to the Plan

There are 500,000 shares of Company common stock available for issuance under the Plan. The shares of Company common stock awarded under the Plan may be either previously authorized but unissued shares or issued shares which have been reacquired by the Company after their original issuance (including but not limited to shares purchased on the open market). Shares of Company common stock awarded under the Plan and later reacquired by the Company pursuant to the Plan will again become available for Awards under the Plan.

Terms and Conditions of Awards

Unless otherwise provided for in the Plan, Awards granted under the Plan may not be sold, assigned, transferred, pledged or otherwise encumbered for a period of four years or such shorter period as the Committee may determine (the "*Restricted Period*"). At its discretion, the Committee may, at any time after the date of an Award, adjust the length of the Restricted Period to account for individual circumstances of a Participant or group of Participants.

Unless otherwise determined by the Committee, a Participant whose employment or service with the Company or a subsidiary terminates prior to the end of the Restricted Period for any reason other than (i) death, (ii) disability, (iii) retirement or (iv) a Change of Control (as defined) of the Company, shall forfeit all Awards previously granted to him, which are still subject to the Restricted Period. If a Participant ceases to be employed by, or to provide services to, the Company or a subsidiary prior to the end of the Restricted Period due to his retirement or a Change of Control of the Company, the Committee may waive the Restricted Period so that any restriction lapses with respect to any Awards the Participant has received. Unless otherwise determined by the Committee, if a Participant ceases to be employed by, or to provide services to, the Company or a subsidiary prior to the end of the Restricted Period due to his death or disability, the Restricted Period will lapse with respect to all Awards received by the Participant.

Certain Adjustments

In the event of any change in the outstanding shares of Company common stock by reason of any stock dividend, split, spinoff, recapitalization, merger, consolidation, combination, extraordinary dividend, exchange of shares or other similar change, the number of shares of Company common stock available under the Plan shall be appropriately adjusted by the Committee.

Amendment and Termination

The Committee may at any time and in any way amend, suspend or terminate the Plan. Any amendment of the Plan (i) to increase the number of shares of Common Stock available under the Plan, (ii) materially modify the requirements as to eligibility for participation under the Plan, or (iii) to the extent required by applicable laws, regulations or rules will be subject to the approval of the Company's stockholders. The Plan will terminate on June 2, 2014.

MATTERS TO BE PRESENTED

As of the date of this Proxy Statement, the only matters which management intends to present, or is informed that others will present, for action at the 2004 Annual Meeting, are the election of the Board of Directors and approval of the 2004 Restricted Stock Plan. If any other matters are presented at the Annual Meeting, the accompanying proxy will be voted in accordance with the best judgment of the proxy holders.

ANNUAL REPORT ON FORM 10-K

EXPENSES OF SOLICITATION

The Company will bear the expenses of preparing and mailing this proxy material, as well as the cost of any required solicitation. In addition to this solicitation of proxies, the officers, directors and regular employees of the Company, without receiving any additional compensation therefore, may solicit proxies by mail, telephone, or personal contact. External Resources: The Committee shall have the authority to retain independent legal, accounting or other consultants to advise the Committee. The Company shall provide appropriate funding, as determined by the Committee, for compensating the independent auditor and any advisors employed by the Committee. The Committee may request any officer or employee of the Company, or the Company's outside counsel or independent auditor, to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. The Committee may also meet with the Company's investment bankers or financial analysts who follow the Company.

Committee Meeting Attendees: The Committee shall request members of management, outside counsel and the independent auditor, as applicable, to participate in Committee meetings, as necessary, to carry out the Committee responsibilities. As the Committee deems necessary, but not less than annually, Committee shall meet in private session with only the Committee members. It shall be understood that the independent auditor or outside counsel may, at any time, request a meeting with the Committee or Committee chairperson with or without management attendance. In any case, the Committee shall meet in executive sessions separately with the independent auditor, at least annually.

Whistleblower Procedures: The Committee shall establish procedures to address "whistleblower" communications. These procedures shall include the method of receipt, retention and treatment of complaints received by the Company regarding questionable accounting, internal accounting controls, or auditing matters. The procedures shall also allow for the confidential, anonymous submission by Company employees of concerns regarding questionable accounting or auditing matters.

Reporting to the Board of Directors: The Committee, through the Committee chairperson, shall report periodically, as deemed necessary, but at least semi-annually, to the Board. In addition, summarized minutes from Committee meetings, separately identifying monitoring activities from approvals, shall be available to each Board member at least one week prior to the subsequent Board meeting.

Committee Self Assessment: The Committee shall annually review, discuss and assess its own performance as well as the Committee role and responsibilities and its charter, seeking input from management, the Board and others. Changes in role and/or responsibilities, if any, shall be recommended to the Board for approval.

Independent Board Members: The Board shall be composed of executive and non-executive members. Independent members are members who meet the independence requirements of Section 10A(m)(3) of the Exchange Act.

REPORTING TO SHAREHOLDERS

The Committee shall make available to shareholders a summary report on the scope of its activities. This report may be identical to the report that appears in the Company's annual report.

COMMITTEE'S RELATIONSHIP WITH INDEPENDENT AUDITOR

The Committee shall have sole authority to appoint or replace the independent auditor (subject to stockholder ratification, if applicable), and shall be directly responsible for the compensation, retention and oversight of the work by the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditor shall report directly to the Committee, and the Committee shall approve all audit engagement fees and terms and all significant non-audit engagement with the independent auditor.

The Committee shall pre-approve all audit services and permitted non-audit services (including the fees and terms thereof) to be performed by the Company's independent auditor, subject to the *de minimis* exceptions contained in Section 10(A)(1)(B) of the Exchange Act for non-audit services which are approved by the Committee prior to the completion of the audit. The Committee shall consult with management but shall not delegate these responsibilities.

The independent auditor shall be responsible to the Board and the Committee as representatives of the stockholders.

As the independent auditor reviews financial reports, it will be reporting to the Committee. It shall report all relevant issues to the Committee responsive to agreed-on Committee expectations. In executing its oversight role, the board or Committee should review the audit plan and work of independent auditor.

The Committee shall annually review the performance (effectiveness, objectivity, and independence) of the independent auditor. The Committee shall ensure receipt of a formal written statement from the independent auditor consistent with standards set by the Independence Standards Board. Additionally, the Committee shall discuss with the auditor relationships or services that may affect auditor objectivity or independence. If the Committee is not satisfied with the independent auditor's assurances of independence, it shall take or recommend to the full Board appropriate action to ensure the independence of the independent auditor.

If the independent auditor identifies significant issues relative to the overall Board responsibility that have been communicated to management but, in their judgment, have not been adequately addressed, they should communicate these issues to the Committee chairperson.

The Committee shall discuss with the independent auditor certain matters required to be discussed by "Statement on Auditing Standards No. 61," relating to the conduct of the audit.

PRIMARY COMMITTEE RESPONSIBILITIES

The Committee shall review and assess:

CEO/CFO Certification: The involvement by the Chief Executive Officer and Chief Financial Officer in the accounting and reporting for the Company enabling them to make the certifications required by the Sarbanes-Oxley Act of 2002.

Risk Management: The Company's business risk management process, including the adequacy of the Company's overall control environment and controls in selected areas representing significant financial and business risk.

Annual Reports and Other Major Regulatory Filings: All audited financial statements in advance of filing or distribution. The Committee's review should include discussion with management and the independent auditor of significant issues regarding accounting principles, practices and judgments.

Internal Controls and Regulatory Compliance: The Company's system of internal controls for detecting accounting and reporting financial errors, fraud and defalcations, legal violations and noncompliance with the corporate code of conduct. The Committee shall also establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

Regulatory Examinations: Commission inquiries and the results of examinations by other regulatory authorities in terms of important findings, recommendations and management's response.

External Audit Responsibilities: Auditor independence and the overall scope and focus of the annual/interim audit, including the scope and level of involvement with unaudited quarterly or other interim-period information.

Financial Reporting and Controls: Key financial statement issues and risks, their impact or potential effect on reported financial information, the processes used by management to address such matters, related auditor views, and the basis for audit conclusions. Important conclusions on interim and/or year-end audit work in advance of the public release of financials.

Auditor Recommendations: Important independent auditor recommendations on financial reporting, controls, other matters, and management's response. The views of management and independent auditor on the overall quality of annual and interim financial reporting.

The Committee should review, assess, and approve:

The Company's code of ethical conduct.

Changes in important accounting principles and the application thereof in both interim and annual financial reports.

Significant conflicts of interest and related-party transactions.

Independent auditor performance and changes in independent audit firm (subject to ratification by the Board). The Committee shall ensure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law. Consider whether, in order to assure continuing auditor independence, it is appropriate to adopt a policy of rotating the independent auditing firm on a regular basis.

3. *Stock Subject to the Plan.* The total number of shares of Common Stock that may be awarded under the Plan is Five Hundred Thousand (500,000), subject to adjustment as provided in Section 7. The shares of Common Stock awarded under the Plan may be either previously authorized but unissued shares or issued shares which have been reacquired by the Company after their original issuance (including but not limited to shares purchased on the open market). Shares of Common Stock awarded under the Plan and later reacquired by the Company pursuant to the Plan shall again become available for awards under the Plan.

4. *Administration.* The authority to manage and control the operation and administration of the Plan shall be vested in the Committee. Subject to the provisions of the Plan, the Committee will have authority to select Participants to receive Restricted Stock awards, to determine the time or times of receipt, to determine the number of shares covered by the awards, to establish the terms, conditions, performance criteria, restrictions, and other provisions of such award, and to amend, modify or suspend awards. In making such award determination, the Committee may take into account the nature of services rendered by the Participant, his or her present and potential contribution to the Company's success and such other factors as the Committee deems relevant. The Committee is authorized to interpret the Plan, to establish, amend, and rescind any rules and regulations relating to the Plan, to determine the terms and provisions of any agreements made pursuant to the Plan, to modify such agreements, and to make all other determinations that may be necessary or advisable for the administration of the Plan.

The Committee shall function as follows: A majority of the Committee shall constitute a quorum, and the acts of a majority of the members present at any meeting at which a quorum is present, or acts approved in writing by all members of the Committee, shall be the acts of the Committee, unless provisions to the contrary are embodied in the Company's Bylaws or resolutions duly adopted by the

Board. All actions taken and decisions and determinations made by the Committee pursuant to the Plan shall be binding and conclusive on all persons interested in the Plan. No member of the Board or the Committee shall be liable for any action or determination taken or made in good faith with respect to the Plan.

5. *Eligibility.* The Committee shall designate the Participants who shall receive Restricted Stock awards and the number of shares of Common Stock that are subject to the award.

6. *Terms and Conditions of Awards.* All shares of Common Stock awarded to Participants under this Plan shall be subject to the following terms and conditions and to such other terms and conditions not inconsistent with the Plan as shall be prescribed by the Committee in its sole discretion and as shall be contained in the Agreement referred to in *Section 6(f)*.

(a) Restricted Stock awarded to Participants may not be sold, assigned, transferred, pledged or otherwise encumbered, except as hereinafter provided, for a period of 4 years or such shorter period as the Committee may determine, after the time of the award of such stock (the "*Restricted Period*"). Except for such restrictions, the Participant as owner of such shares shall have all the rights of a stockholder, including but not limited to the right to vote such shares and, except as otherwise provided by the Committee, the right to receive all dividends paid on such shares.

(b) The Committee may in its discretion, at any time after the date of the award of Restricted Stock, adjust the length of the Restricted Period to account for individual circumstances of a Participant or group of Participants.

(c) Except as otherwise determined by the Committee in its sole discretion, a Participant whose employment or service with the Company or a Subsidiary terminates prior to the end of the Restricted Period for Cause or for any other reason other than (i) death, (ii) disability, (iii) retirement with the Committee's discretionary waiver of the vesting requirements (as provided in *Section 6(d)* below), or (iv) a Change of Control with the Committee's discretionary waiver of the vesting requirements (as provided in *Section 6(d)* below), all shares of Restricted Stock theretofore awarded to him, which are still subject to the restrictions imposed by *Section 6(a)*, shall be forfeited and returned to the Company upon such termination without the necessity of payment therefor by the Company. "Disability" as used herein shall mean the total and permanent incapacity of a participant to perform the usual duties appertaining to the position. Whether or not a participant's termination was for disability shall be determined by the Committee in its sole and absolute discretion.

(d) Except as otherwise determined by the Committee in its sole discretion, a Participant whose employment or service with the Company or a Subsidiary terminates prior to the end of the Restricted Period by reason of his death or disability, the restrictions imposed by *Section 6(a)* shall lapse with respect to all shares theretofore awarded to him. If a Participant whose employment or service with the Company or a Subsidiary terminates prior to the end of the Restricted Period by reason of his retirement or a Change of Control, the Committee in its sole and absolute discretion shall have the right to waive the restrictions imposed by *Section 6(a)* so that such restrictions shall lapse with respect to all or a portion, as determined by the Committee, of the shares theretofore awarded to such Participant as of a date specified by the Committee, which date shall not occur later than the date on which restrictions imposed by *Section 6(a)* otherwise would have lapsed.

(e) Each certificate issued in respect of shares of Restricted Stock awarded under the Plan shall be registered in the name of the Participant and, at the discretion of the Committee, each such certificate may be deposited in a bank designated by the Committee. Each such certificate shall bear the following (or a similar) legend:

"THE TRANSFERABILITY OF THIS CERTIFICATE AND THE SHARES OF STOCK REPRESENTED
HEREBY ARE SUBJECT TO

Edgar Filing: INVESTOOLS INC - Form DEF 14A

THE TERMS AND CONDITIONS (INCLUDING FORFEITURE) CONTAINED IN THE INVESTOOLS INC. 2004 RESTRICTED STOCK PLAN AND AN AGREEMENT ENTERED INTO BETWEEN THE REGISTERED OWNER AND INVESTOOLS INC. A COPY OF SUCH PLAN AND AGREEMENT ARE ON FILE AT THE PRINCIPAL PLACE OF BUSINESS OF THE COMPANY."

(f) The Participant shall enter into an Agreement with the Company in a form specified by the Committee agreeing to the terms and conditions of the Restricted Stock award and such other matters, including compliance with applicable federal and state securities laws and methods of withholding required taxes, as the Committee shall, in its sole discretion, determine. Such Agreement shall incorporate by reference the terms and provisions of the Plan and in the event of any conflict between the provisions of the Agreement and the provisions of the Plan, the provisions of the Plan will prevail.

(g) At the expiration of the Restricted Period imposed pursuant to *Section 6(a)*, or upon the lapse of the restrictions as to any shares in accordance with *Section 6(c) or 6(d)*, the Company shall redeliver to the Participant, or his legal representative, the certificates representing the shares of Common Stock deposited with it pursuant to *Section 6(e)* with respect to which restrictions have lapsed or no longer apply. Such certificates, upon delivery to the participant, shall no longer bear the legend set forth in *Section 6(e)*.

(h) Notwithstanding the foregoing, if the Restricted Period as to the shares of Common Stock would otherwise lapse, such Restricted Period will not lapse unless and until the participant makes available to the Company the amount of federal or other withholding tax, if any, required to be withheld by the Company with respect to the lapse of the Restricted Period.

(i) Nothing in the Plan or in any agreement shall require the Company to issue or transfer any shares pursuant to Restricted Stock award if such issuance or transfer would, in the opinion of counsel for the Company, constitute or result in a violation of any applicable statute or regulation of any jurisdiction relating to the disposition of securities.

7. *Adjustments to Number of Shares Subject to the Plan.* In the event of any change in the outstanding shares of Common Stock of the Company by reason of stock dividend, split, spinoff, recapitalization, merger, consolidation, combination, extraordinary dividend, exchange of shares or other similar change, the number of shares of Common Stock as to which awards may be granted under the Plan shall be appropriately adjusted by the Committee whose determination shall be conclusive. Any shares of Common Stock or other securities or assets (other than ordinary cash dividends) received by a Participant with respect to shares awarded to him which are still subject to the restrictions imposed pursuant to *Section 6(a)* shall be subject to the restrictions imposed pursuant to *Section 6(a)* and shall be deposited by the Participant with the Company in the manner specified in *Section 6(e)*.

8. *Amendment and Termination of Plan.* Subject to the following provisions of this *Section 8*, the Committee may at any time and in any way amend, suspend or terminate the Plan. No amendment of the Plan and, except as provided in *Section 7*, no action by the Committee shall, without further approval of the stockholders of the Company, increase the total number of shares of Common Stock with respect to which awards may be made under the Plan, or materially modify the requirements as to eligibility for participation in the Plan, if stockholder approval of such amendment is a condition of Exchange Act Rule 16b-3 or its successor rule or statute, the Code or any exchange or market system on which the Common Stock is listed at the time such amendment is adopted. No amendment, suspension or termination of the Plan shall alter or impair any share of Common Stock previously awarded under the Plan without the consent of the holder thereof.

9. *Effective Date.* Subject to the approval of the holders of a majority of the Common Stock of the Company, the Plan shall be effective as of June 2, 2004. The Plan shall terminate on June 2, 2014.

10. *Transferability.* During the Restricted Period, Restricted Stock awarded under the Plan is not transferable except as designated by the Participant by will or by the laws of descent and distribution.

11. *Employee, Director, Consultant and Stockholder Status.* The Plan does not constitute a contract of employment or for services, and selection as a Participant will not give any employee, non-employee director or consultant the right to be retained in the employ, nor to continue to provide services as a director or consultant of the Company or any Subsidiary. No award under the Plan shall confer upon the holder thereof any right as a stockholder of the Company prior to the date on which he fulfills all service requirements and other conditions for receipt of shares of Common Stock. If the redistribution of shares is restricted pursuant to *Section 6(a)*, certificates representing such shares may bear a legend referring to such restrictions.

12. *Compliance With Applicable Laws and Withholding of Taxes.* Notwithstanding any other provision of the Plan, the Company shall have no liability to issue any shares of Common Stock under the Plan unless such issuance would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity. Prior to the issuance of any shares of Common Stock under the Plan, the Company may require a written statement that the recipient is acquiring the shares for investment and not for the purpose or with the intention of distributing the shares. All awards under the Plan are subject to withholding of all applicable taxes, which withholding obligations may be satisfied, with the consent of the Committee, through the surrender of shares of Common Stock which the Participant already owns, or to which a Participant is otherwise entitled under the Plan. The Company shall have the right to deduct from all amounts paid in cash in connection with a Restricted Stock award under the Plan any taxes required by law to be withheld with respect to such cash payments. Upon termination of the Restricted Period with respect to a Restricted Stock award (or such earlier time, if any, as an election is made by the employee under Code Section 83(b), or any successor provisions thereto, to include the value of such shares in taxable income), the Company shall have the right to require the employee or other person receiving shares of Common Stock in respect of such Restricted Stock award to pay to the Company the amount of taxes that the Company is required to withhold with respect to such shares of Common Stock or, in lieu thereof, to retain or sell without notice a sufficient number of shares of Common Stock held by it to cover the amount required to be withheld. The Company shall have the right to deduct from all dividends paid with respect to Common Stock the amount of taxes that the Company is required to withhold with respect to such dividend payments.
