Edgar Filing: PACIFIC ENERGY PARTNERS LP - Form SC 13D

5.1 *Organization.* Buyer is a limited partnership duly formed, validly existing and in good standing under the Delaware Revised Uniform Limited Partnership Act. Buyer has heretofore delivered to Seller complete and correct copies of its Certificate of Limited Partnership and Limited Partnership Agreement as currently in effect. Buyer has all requisite limited partnership power and authority to own, lease or otherwise hold and operate its properties and assets and to carry on its business as presently conducted, except where the failure to have such power or authority, individually or in the aggregate, would not have a Buyer Material Adverse Effect. Buyer is duly qualified and in good standing to do business as a foreign limited partnership in each jurisdiction in which the conduct or nature of its business or the ownership, leasing, holding or operating of its properties makes such qualification necessary, except such jurisdictions where the failure to be so qualified or in good standing, individually or in the aggregate, would not have a Buyer Material Adverse Effect.

5.2 *Authority Relative to this Agreement.* Buyer has all requisite partnership power and authority to execute and deliver this Agreement and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly and validly authorized by all necessary limited partnership action required on the part of Buyer and its partners and no other proceedings on the part of Buyer or its partners are necessary to authorize this Agreement or to consummate the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by Buyer, and assuming that this Agreement constitutes a valid and binding agreement of Seller and TAC, constitutes a valid and binding agreement of Buyer, enforceable against Buyer in accordance with its terms, except that such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws affecting or relating to enforcement of creditors' rights generally or general principles of equity.

5.3 *Consents and Approvals; No Violation.*

(a) Except as set forth in *Schedule 5.3(a)*, and subject to the receipt of Buyer's Required Regulatory Approvals, neither the execution and delivery of this Agreement by Buyer nor the consummation of the transactions contemplated hereby does or will (i) conflict with or result in any breach or violation of any provision of the Organizational Documents of Buyer; (ii) result in a default (or give rise to any right of termination, cancellation or acceleration) under any of the terms, conditions or provisions of any note, bond, mortgage, indenture, license, agreement, lease or other instrument or obligation to which Buyer is a party, except for such defaults (or rights of termination, cancellation or acceleration) as to which requisite waivers or consents have been obtained or which would not have a Buyer Material Adverse Effect; or (iv) constitute a violation of or violate any order, judgment, writ, injunction, decree, statute, rule or regulation applicable to Buyer, which violation would have a Buyer Material Adverse Effect.

(b) Except as set forth in *Schedule 5.3(b)* (the filings and approvals referred to in *Schedule 5.3(b)* being collectively referred to as the "*Buyer's Required Regulatory Approvals*"), no declaration, filing or registration with, or notice to, or authorization, consent or approval of any Governmental Authority is necessary for the consummation by Buyer of the transactions contemplated hereby, other than such declarations, filings, registrations, notices, authorizations, consents or approvals which, if not obtained or made, will not have a Buyer Material Adverse Effect.

5.4 *Financing.* Buyer has delivered to the Seller true, correct and complete copies of (i) signed counterpart(s) of the commitment letter of Citicorp North America, Inc. and Citigroup Global Markets, Inc. dated as of October 29, 2004, pursuant to which such Persons have agreed, subject to the terms and conditions set forth therein, to provide up to an aggregate of One Hundred Seventy Million Dollars (\$170,000,000) of debt financing in connection with the transactions contemplated hereby (the "*Bank Commitment Letter*"), (ii) the signed commitment letter of Lehman Brothers Merchant Banking Associates III L.L.C. (the "*Lehman Equity Commitment Letter*" and together with the Bank Commitment Letter, the "*Financing Letters*") pursuant to which it has agreed, subject to the terms and conditions set forth therein, to make or cause to be made an equity investment in Buyer, in exchange for all of the equity interests of Buyer, of an amount equal to One Hundred Eighty Million Dollars (\$180,000,000). The Financing Letters are in full force and effect as of the date hereof. The funds in the amounts set forth in the Financing Letters will be sufficient to enable Buyer to pay the full Purchase Price, to make all other necessary payments by it in connection with the Closing and to pay all of the related fees and expenses, in each case as contemplated by the Financing Letters. The financing referred to the Financing Letters is herein referred to as the "*Financing*." Buyer has no Knowledge of any facts that would reasonably be expected to, individually or in the aggregate, materially impair or delay or prevent the consummation of the Financing. As of the date hereof, the Persons providing the Financing have not advised Buyer of any reason why the Financing will not be consummated in accordance with the terms of the Financing Letters.

5.5 *Purchase for Investment.* Buyer is purchasing the Pacific GP Interests and the Subordinated Units for investment for its own account and not with a view to, or for sale in connection with, any distribution thereof.

5.6 *Due Diligence.*

(a) Buyer is an informed and sophisticated purchaser and its partners are experienced in the evaluation and purchase of companies such as Pacific GP and securities such as the Subordinated Units. In making the decision to enter into this Agreement and consummate the transactions contemplated hereby, Buyer has relied solely on its own independent investigation of the Pacific Energy

Edgar Filing: PACIFIC ENERGY PARTNERS LP - Form SC 13D

Entities as of this date and upon the representations and warranties and covenants in this Agreement (as limited by *Sections 4.18 and 10.3*).

(b) Buyer agrees to accept Pacific GP and the Subordinated Units as they exist on the Closing Date based upon its own Inspection, examination and determination with respect thereto as to all matters and without reliance upon any express or implied representations or warranties of any nature made by or on behalf of or imputed to Seller or TAC except as expressly set forth in this Agreement.

5.7 Brokers. Except as set forth on *Schedule 5.7*, Buyer has not employed the service of an investment banker, financial advisor, broker or finder in connection with this Agreement or any of the transactions contemplated hereby and Buyer does not have any liability or obligation to pay any fees or commissions to any broker, finder or agent with respect to the transactions contemplated by this Agreement.

ARTICLE VI COVENANTS OF THE PARTIES

- (v) grant to any director, officer or employee of any Pacific Energy Entity any increase in compensation or benefits except for normal increases in the ordinary course of business consistent with past practice that, in the aggregate, do not result in a material increase in benefits or compensation expense to the Pacific Energy Entities taken as a whole;
- (vi) enter into any material leases of real property, except renewals of existing leases in the ordinary course of business;
- (vii) except as between or among the Pacific Energy Entities, incur, assume or guarantee any new Indebtedness or issue any securities convertible or exchangeable for debt securities of any Pacific Energy Entity in excess of an aggregate amount equal to (i) \$40,000,000 less (ii) the amount of any equity issuances other than issuances pursuant to the Pacific GP Long-Term Incentive Plan;

(x) issue any equity interests of any Pacific Energy Entity in excess of an aggregate amount equal to (i) \$40,000,000 less (ii) the amount of any Indebtedness incurred and/or securities exchangeable for debt securities of any Pacific Energy Entity issued, except for issuances pursuant to the Pacific GP Long-Term Incentive Plan;

(xi) make any new capital expenditures in excess of \$3,500,000 other than capital expenditures that were included in the 2004 budget or the Long Range Plan (which shall be superseded for purposes of this provision by the 2005 budget upon its adoption by the Pacific GP Board of Directors), in each case delivered to Buyer;

(xii) sell any assets of the Pacific Energy Entities in excess of \$5,000,000 in the aggregate, except in the ordinary course of business and consistent with past practices; *provided, however*, that Pacific Terminals LLC may sell certain real property as described in materials previously provided to Buyer; or

(xiii) agree to do any of the foregoing.

6.2 Tax Covenants.

(a) Seller shall cause the Pacific Energy Entities to prepare and file all Tax Returns relating to any of the Pacific Energy Entities with the appropriate Governmental Authorities and cause the Pacific Energy Entities to pay the Taxes shown to be due thereon, for which Tax Returns are due and Taxes are payable prior to the Closing Date.

(b) Seller will cause any tax sharing agreement or similar arrangement with respect to Taxes involving Pacific GP to be terminated effective as of the Closing Date, to the extent any such agreement or arrangement relates to Pacific GP, and after the Closing Date Pacific GP shall not have any obligation under any such agreement or arrangement for any past, present or future period.

(c) All excise, sales, use, transfer (including real property transfer or gains), stamp, documentary, filing, recordation and other similar Taxes, together with any interest, additions or penalties with respect thereto and any interest in respect of such additions or penalties, resulting directly from the transactions contemplated by this Agreement (the "*Transfer Taxes*"), shall be borne by Seller. Notwithstanding anything to the contrary in this *Section 6.2*, any Tax Returns that must be filed in connection with Transfer Taxes shall be prepared and filed when due by the party primarily or customarily responsible under the applicable local law for filing such Tax Returns, and such party will use Commercially Reasonable Efforts to provide such Tax Returns to the other party at least ten days prior to the due date for such Tax Returns.

(d) Notwithstanding anything to the contrary contained herein, any franchise Tax paid or payable with respect to Pacific GP shall be allocated to the taxable period during which the right to do business is obtained by the payment of the franchise Tax.

6.3 Access to Information.

(a) Between the date hereof and the Closing Date, Seller will use its Commercially Reasonable Efforts to cause the Pacific Energy Entities to, during ordinary business hours and upon reasonable notice and request, (i) afford Buyer and Buyer Representatives reasonable access to all books, records, offices and other facilities and properties of the Pacific Energy Entities; (ii) furnish Buyer with such financial and operating data and other information with respect to the Pacific Energy Entities, as Buyer may from time to time reasonably request; and (iii) make available to Buyer a copy of each material report, schedule or other document filed or received by them with respect to any Pacific Energy Entity, with the SEC, FERC or any other Governmental Authority having jurisdiction over any Pacific Energy Entity, as Buyer may from time to time reasonably request, *provided, however*, that (A) any such access or activities shall be conducted in such a manner as not to interfere unreasonably with the operation of any Pacific Energy Entity, (B) Seller or any Pacific Energy Entity shall not be required to prepare special records, reports, analyses or other information that they do not prepare in the ordinary course of business, (C) Seller or any Pacific Energy Entity shall not be required to take any action which

Edgar Filing: PACIFIC ENERGY PARTNERS LP - Form SC 13D

would constitute a waiver of the attorney-client privilege, and (D) Seller or any Pacific Energy Entity shall not be required to supply Buyer with any information that Seller or the Pacific Energy Entities shall be legally or contractually prohibited to supply.

(b) Buyer agrees to be bound by the terms of the Confidentiality Agreement as if it were a party thereto. Buyer and Seller acknowledge that all information furnished to or obtained by Buyer or Buyer Representatives pursuant to this *Section 6.3* shall be subject to the provisions of the Confidentiality Agreement and shall be treated as "Information" (as defined in the Confidentiality Agreement).

(c) Buyer agrees that, prior to the Closing Date, it will not contact any customers, vendors, suppliers, employees, or other contracting parties of any Pacific Energy Entity with respect to any aspect of the Business or the transactions contemplated hereby, without the prior written consent of Seller.

6.4 Expenses. Except to the extent specifically provided herein, whether or not the transactions contemplated hereby are consummated, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby, including the cost of legal, technical and financial consultants and the cost of filing for and prosecuting applications for Buyer's Required Regulatory Approvals or Seller's Required Regulatory Approvals, as the case may be, shall be borne by the Party incurring such costs and expenses.

6.5 Further Assurances; Cooperation. Subject to the terms and conditions of this Agreement, each of the Parties hereto will use its respective Commercially Reasonable Efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper or advisable under Applicable Laws to consummate and make effective the sale of the Pacific GP Interests pursuant to this Agreement, including using Commercially Reasonable Efforts to ensure satisfaction of the conditions precedent to each Party's obligations hereunder. Neither of the Parties hereto will, without the prior written consent of the other Party, take or fail to take any action, which would reasonably be expected to prevent or materially impede, interfere with or delay the transactions contemplated by this Agreement. From time to time after the Closing Date, without further consideration, each Party will, at its own expense, execute and deliver such documents to the other Party as the other Party may reasonably request in order to more effectively consummate the sale and purchase of the Pacific GP Interests hereunder.

6.6 Public Statements. Between the date hereof and Closing Date, the Parties shall not issue any public announcement, statement or other disclosure with respect to this Agreement or the transactions contemplated hereby without the prior written consent of the other Party, which consent will not be unreasonably withheld or delayed, except as may be contained in filings with the SEC or other Governmental Authorities or as required by law or the rules of the New York Stock Exchange, in which case the Party required to make the release or announcement shall allow the other Party reasonable time to comment on such release or announcement in advance of such issuance.

6.7 Consents and Approvals.

(a) As promptly as practicable but in any event not later than thirty (30) days after the date of this Agreement, Seller and Buyer, as applicable, shall use their Commercially Reasonable Efforts to file with any Governmental Authority having jurisdiction over any Pacific Energy Entity, any filings required to be made with respect to the transactions contemplated by this Agreement and shall use Commercially Reasonable Efforts to obtain at the earliest practicable date all Seller's Required Regulatory Approvals and Buyer's Required Regulatory Approvals, respectively. The Parties shall respond promptly to any requests for additional information made by such Governmental Authorities. Each Party will bear its own costs of the preparation of any such filing.

(b) Seller and Buyer shall cooperate with each other and (i) promptly prepare and file all necessary documentation, (ii) effect all necessary applications, notices, petitions and filings and execute all agreements and documents, (iii) use Commercially Reasonable Efforts to obtain the transfer or issuance to Buyer of all necessary consents, approvals and authorizations of all Governmental Authorities, and (iv) use Commercially Reasonable Efforts to obtain all necessary consents, approvals and authorizations of all other parties, in the case of each of the foregoing clauses (i), (ii), and (iii), necessary or advisable to consummate the transactions contemplated by this Agreement (including Seller's Required Regulatory Approvals and Buyer's Required Regulatory Approvals) or required by the terms of any note, bond, mortgage, indenture, deed of trust, license, franchise, permit, concession, contract, lease or other instrument to which Seller or Buyer is a party or by which any of them is bound. Seller and Buyer shall have the right to review in advance all filings to be made with any Governmental Authority in connection with the transactions contemplated hereby.

6.8 Indemnification and Insurance.

(a) Buyer agrees that all rights to indemnification and exculpation existing in favor of Seller or any Pacific Energy Entity or any present or former director, officer, employee, fiduciary or agent of any Pacific Energy Entity, as provided in (i) the respective Organizational Documents, as the case may be, of the Pacific Energy Entities in effect as of the date hereof, or (ii) any of the Material Agreements, with respect to the matters occurring prior to the Closing, shall survive the Closing and shall continue in full force and effect for a period of not less than the applicable statute of limitations. Buyer shall not amend or restate any such Organizational Documents in any manner that would adversely affect the indemnification or exculpation rights of any such present or former director,

Edgar Filing: PACIFIC ENERGY PARTNERS LP - Form SC 13D

officer, employee, fiduciary or agent.

(b) Buyer shall bear the cost of obtaining, maintaining and providing Phillip Anschutz, Clifford Hickey and any other individual who served as a director or officer of any Pacific Energy Entity immediately prior to the Closing Date and resigned or was terminated effective as of the Closing Date or within one (1) year thereafter (the "*Covered Officers and Directors*"), with liability insurance for a period of six (6) years after the Closing Date on terms no less favorable in coverage and amount than any applicable insurance in effect immediately prior to the Closing Date; *provided, however*, that in no event shall Buyer be required to expend in excess of \$2.5 million in the aggregate for such insurance coverage over such six-year period. Any premiums, costs or expenses in excess of such sum shall be the sole liability and responsibility of Seller. Such insurance shall, among other things, (i) not provide for any allocation of the coverage or benefits thereof to any Person other than the Covered Officers and Directors, (ii) provide coverage to the Covered Officers and Directors substantially identical to that which would be provided under a policy covering only "independent" directors of an entity and (iii) contain a "no-rescission" endorsement or the substantive equivalent thereof.

6.9 *No Other Discussions.* Between the date hereof and the Closing Date, Seller and TAC agree they will not, directly or indirectly, and will cause their officers, directors, employees, stockholders, Representatives, agents, or anyone acting on their behalf not to (i) encourage, solicit, or engage in discussions or negotiations with any Person, (ii) provide any information to any Person, (iii) accept any offer or respond to any indications of interest from any Person, (iv) enter into an agreement with any Person other than the Buyer or its Affiliates, or (v) make or authorize any statement, recommendation or solicitation in support of or concerning any merger, sale of assets, purchase or sale of securities or similar transaction involving the sale of the Pacific GP Shares or the Pacific GP Interests unless this Agreement has been terminated pursuant to and in accordance with Article IX hereof.

6.10 *No Further Proposals.* Between the date of this Agreement and the Closing Date, neither Buyer nor any of its Affiliates shall publicly propose or discuss, as a concept, in detail or otherwise, without the prior written consent of Seller, any transaction relating to a merger, combination or similar transaction involving any Pacific Energy Entity, *provided, however*, that such disclosure may be made if it is otherwise required by law or by the rules of the New York Stock Exchange in which case Buyer shall provide Seller advance notice thereof and the opportunity to comment thereon in advance of such release. Notwithstanding anything hereunder to the contrary, the limitations set forth in this Section 6.10 shall terminate upon the public announcement by any Person other than Buyer or any of its Affiliates of any proposal or intention regarding such a transaction.

6.11 *No Solicitation of Employees.* Seller and TAC agree they will not, directly or indirectly, and they will cause their officers, directors, employees, Affiliates (other than the Pacific Energy Entities), stockholders, Representatives, agents, or anyone acting on their behalf not to solicit, hire or employ any persons employed by Pacific GP from the date hereof for a period of two (2) years thereafter without obtaining the prior written consent of Buyer. The Parties agree that this restriction shall not apply to (i) any solicitation directed at the public in general by Seller, TAC or their Affiliates in publications available to the public in general, (ii) Seller, TAC or their Affiliates' employment of employees of Pacific GP not involving an initial solicitation by Seller, TAC or their Affiliates, (iii) Seller, TAC or their Affiliates' solicitation of employees of Pacific GP by an executive search firm acting on Seller, TAC or their Affiliates' behalf where Seller, TAC or their Affiliates did not instruct or encourage such solicitation, or (iv) Seller, TAC or their Affiliates' employment of any employees of Pacific GP who have terminated employment with Pacific GP prior to commencement of employment discussions between Seller, TAC or their Affiliates and such employee.

6.12 *Financing Obligation.* Buyer will use its Commercially Reasonable Efforts to cause the Financing, subject to the terms and conditions set forth in the Financing Letters, to be available at the Closing. Buyer shall not without the prior written consent of Seller, take any action or enter into any transaction, including any merger, acquisition, joint venture, disposition, lease, contract or debt or equity financing, that would reasonably be expected to materially impair or delay or prevent the Financing. Buyer shall not amend or alter, or agree to amend or alter the Financing Letters in any manner that would reasonably be expected to materially impair or delay or prevent the Financing without the prior written consent of Seller.

6.13 *Supplemental Disclosure.* Seller and TAC shall have the continuing obligation until the Closing to promptly supplement or amend the Schedules hereto with respect to any matter hereafter arising or discovered which, if existing or known at the date of this Agreement, would have been required to be set forth or described in such Schedules; *provided, however*, that no supplement or amendment to such Schedules shall have any effect for the purpose of determining the satisfaction of any conditions or, except as set forth in Sections 9.1(d) or 9.1(e), for purposes of determining whether any person is entitled to indemnification.

6.14 *Notice of Breach.* Each Party shall promptly give to the other Party written notice with particularity upon having knowledge of any matter that would constitute a breach by such Party of any representation, warranty, agreement or covenant of such Party contained in this Agreement.

6.15 *Certain Post-Closing Distributions.* In the event a Record Date (as defined in the Pacific LP Partnership Agreement) is established for determining the identity of record holders entitled to receive a distribution from Pacific LP on or prior to the Closing Date, but the payment of

Edgar Filing: PACIFIC ENERGY PARTNERS LP - Form SC 13D

such distribution is made subsequent to the Closing Date, Buyer agrees to cause all such distributions relating to (i) the Subordinated Units and (ii) the general partner interests and the IDRs held by Pacific GP, to be paid to TAC.

(a) No preliminary or permanent injunction or other order or decree by any federal or state court or Governmental Authority which prevents the consummation of the sale of the Pacific GP Interests or Subordinated Units contemplated herein shall have been issued and remain in effect (each Party agreeing to use its Commercially Reasonable Efforts to have any such injunction, order or decree lifted), and no statute, rule or regulation shall have been enacted by any Governmental Authority which prohibits the consummation of the sale of the Pacific GP Interests or Subordinated Units;

(a) No preliminary or permanent injunction or other order or decree by any federal or state court or Governmental Authority which prevents the consummation of the sale of the Pacific GP Interests or the Subordinated Units contemplated herein shall have been issued and remain in effect (each Party agreeing to use its Commercially Reasonable Efforts to have any such injunction, order or decree lifted) and no statute, rule or regulation shall have been enacted by any Governmental Authority which prohibits the consummation of the sale of the Pacific GP Interests or the Subordinated Units;

ARTICLE VIII INDEMNIFICATION

8.1 *Indemnification.*

(a) Buyer shall indemnify, defend and hold harmless Seller and TAC, their respective officers, directors, employees, shareholders and Seller's, TAC's and their Affiliates and agents (each, a "*Seller Indemnitee*") from and against any and all claims, demands, suits, losses, liabilities, damages, obligations, payments, costs and expenses (including the costs and expenses of any and all actions, suits, proceedings, assessments, judgments, settlements and compromises relating thereto and reasonable attorneys' fees and reasonable disbursements in connection therewith) (each, a "*Seller Indemnifiable Loss*"), asserted against or suffered by any Seller Indemnitee relating to, resulting from or arising out of the Conversion or any breach by Buyer of any representations, warranties or covenants contained in this Agreement that survive the Closing; *provided, however*, that in no event shall the liability of Buyer hereunder exceed Fifteen Million Dollars (\$15,000,000).

(b) Seller and TAC shall jointly and severally indemnify, defend and hold harmless Buyer, its officers, directors, members, employees, partners, and its and their Affiliates and agents (each, a "*Buyer Indemnitee*") from and against any and all claims, demands, suits, losses, liabilities, damages, obligations, payments, costs and expenses (including the costs and expenses of any and all actions, suits, proceedings, assessments, judgments, settlements and compromises relating thereto and reasonable attorneys' fees and reasonable disbursements in connection therewith) (each, a "*Buyer Indemnifiable Loss*"), asserted against or suffered by any Buyer Indemnitee relating to, resulting from or arising out of any breach by Seller or TAC of any representations, warranties or covenants contained in this Agreement that survive the Closing; *provided, however*, that in no event shall the aggregate liability of Seller and TAC hereunder exceed Fifteen Million Dollars (\$15,000,000).

(c) The expiration or termination of any representation or warranty shall not affect the Parties' obligations under this *Section 8.1* if the Person required to provide indemnification under this Agreement (the "*Indemnifying Party*") has received proper notice of the claim or event for which indemnification is sought prior to such expiration, termination or extinguishment.

Edgar Filing: PACIFIC ENERGY PARTNERS LP - Form SC 13D

(d) Except to the extent otherwise provided in Article IX, the rights and remedies of Seller, TAC and Buyer under this Article VIII are exclusive and in lieu of any and all other rights and remedies which Seller, TAC and Buyer may have under this Agreement or otherwise for monetary relief, with respect to any breach of any representation or warranty or failure to perform any covenant or agreement set forth in this Agreement. The indemnification obligations of the Parties set forth in this Article VIII apply only to matters arising out of this Agreement.

(e) Notwithstanding anything to the contrary herein, no Party (including an Indemnitee) shall be entitled to recover from any other Party (including an Indemnifying Party) for any liabilities, damages, obligations, payments, losses, costs, or expenses under this Agreement any amount in excess of the actual compensatory damages, court costs and reasonable attorneys' and other advisor fees suffered by such Party. Except with respect to Third Party Claims made against a Seller Indemnitee or a Buyer Indemnitee, no Party shall have any indemnification obligation under this Article VIII to any other Person with respect to any claims, demands, suits, losses, liabilities, damages, obligations, payments, costs or expenses consisting of incidental, indirect, consequential or punitive damages or lost profits, payable by Seller Indemnitee or Buyer Indemnitee.

(f) If any Indemnitee receives notice of the assertion of any claim or of the commencement of any claim, action, or proceeding made or brought by any Person who is not a Party to this Agreement or any Affiliate of a Party to this Agreement (a "*Third Party Claim*") with respect to which indemnification is to be sought from an Indemnifying Party, the Indemnitee shall give such Indemnifying Party reasonably prompt written notice thereof, but in any event such notice shall not be given later than twenty (20) calendar days after the Indemnitee's receipt of notice of such Third Party Claim. Such notice shall describe the nature of the Third Party Claim in reasonable detail and shall indicate the estimated amount, if practicable, of the Indemnifiable Loss that has been or may be sustained by the Indemnitee. The Indemnifying Party shall assume the defense of any Third Party Claim at such Indemnifying Party's expense and by such Indemnifying Party's own counsel; *provided*, that the counsel for the Indemnifying Party who shall conduct the defense of such Third Party Claim shall be reasonably satisfactory to the Indemnitee. The Indemnitee shall cooperate in good faith in such defense at such Indemnitee's own expense. If an Indemnifying Party fails to assume the defense of any Third Party Claim, the Indemnitee shall undertake such defense at Indemnifying Party's expense and, in addition, may compromise or settle such Third Party Claim over the objection of the Indemnifying Party, which settlement or compromise shall conclusively establish the Indemnifying Party's liability pursuant to this Agreement.

(g) If, within twenty (20) Business Days after an Indemnitee provides written notice to the Indemnifying Party of any Third Party Claim, the Indemnitee receives written notice from the Indemnifying Party that such Indemnifying Party has elected to assume the defense of such Third Party Claim as provided in *Section 8.1(f)*, the Indemnifying Party will not be liable for any legal expenses subsequently incurred by the Indemnitee in connection with the defense thereof; *provided, however*, that if the Indemnifying Party shall fail to take reasonable steps necessary to defend diligently such Third Party Claim within twenty (20) Business Days after receiving notice from the Indemnitee that the Indemnitee believes the Indemnifying Party has failed to take such steps, the Indemnitee may assume its own defense and the Indemnifying Party shall be liable for all reasonable expenses thereof.

(h) Without the prior written consent of the Indemnitee, the Indemnifying Party shall not enter into any settlement of any Third Party Claim which would lead to liability or create any financial or other obligation on the part of the Indemnitee for which the Indemnitee is not entitled to indemnification hereunder. If a firm offer is made to settle a Third Party Claim without leading to liability or the creation of a financial or other obligation on the part of the Indemnitee for which the Indemnitee is not entitled to indemnification hereunder and the Indemnifying Party desires to accept and agree to such offer, the Indemnifying Party shall give written notice to the Indemnitee to that effect. If the Indemnitee fails to consent to such firm offer within twenty (20) Business Days after its receipt of such notice, the Indemnifying Party shall be relieved of its obligations to defend such Third Party Claim and the Indemnitee may contest or defend such Third Party Claim. In such event, the maximum liability of the Indemnifying Party as to such Third Party Claim will be the amount of such settlement offer plus reasonable costs and expenses paid or incurred by Indemnitee up to the date of said notice.

(i) Any claim by an Indemnitee on account of an Indemnifiable Loss which does not result from a Third Party Claim (a "*Direct Claim*") shall be asserted by giving the Indemnifying Party reasonably prompt written notice thereof, stating the nature of such claim in reasonable detail and indicating the estimated amount, if practicable, but in any event such notice shall not be given later than twenty (20) Business Days after the Indemnitee becomes aware of such Direct Claim, and the Indemnifying Party shall have a period of twenty (20) Business Days within which to respond to such Direct Claim. If the Indemnifying Party does not respond within such twenty (20) Business Day period, the Indemnifying Party shall be deemed to have accepted such claim. If the Indemnifying Party rejects such claim, the Indemnitee will be free to seek enforcement of its right to indemnification under this Agreement.

(j) If the amount of any Indemnifiable Loss, at any time subsequent to the making of an indemnity payment in respect thereof, is reduced by recovery, settlement or otherwise under or pursuant to any insurance coverage, or pursuant to any claim, recovery, settlement or payment by, from or against any other Person, the amount of such reduction, less any costs, expenses or premiums incurred in connection therewith (together with interest thereon from the date of payment thereof to the date of repayment at the "prime rate" as published in The Wall Street Journal) shall promptly be repaid by the Indemnitee to the Indemnifying Party.

(k) A failure to give timely notice as provided in this *Section 8.1* shall not affect the rights or obligations of any Party hereunder except if, and only to the extent that, as a result of such failure, the Party which was entitled to receive such notice was actually and materially prejudiced as a result of such failure.

ARTICLE IX TERMINATION

9.1 Termination.

(a) This Agreement may be terminated at any time prior to the Closing Date by mutual written consent of Seller and Buyer.

(b) This Agreement may be terminated by Seller and TAC or Buyer, if (i) any Federal or state court of competent jurisdiction shall have issued an order, judgment or decree permanently restraining, enjoining or otherwise prohibiting the transactions contemplated hereby, and such order, judgment or decree shall have become final and nonappealable, (ii) any statute, rule, order or regulation shall have been enacted or issued by any Governmental Authority which, directly or indirectly, prohibits the consummation of the transactions contemplated hereby; or (iii) the Closing contemplated hereby shall have not occurred on or before January 31, 2005 (the "*Termination Date*"), *provided, however*, that if the Closing has not occurred prior to the Termination Date due to the failure to obtain Buyer's Required Regulatory Approvals or Seller's Required Regulatory Approvals despite the ongoing Commercially Reasonable Efforts of the applicable Party, then the Termination Date shall be postponed for a period of ninety (90) days; *provided further*, that the right to terminate this Agreement under clause (iii) of this *Section 9.1(b)* shall not be available to any Party whose failure to fulfill any obligation under this Agreement has been the cause of, or resulted in, the failure of the Closing to occur on or before such date.

(c) Except as otherwise provided in this Agreement, this Agreement may be terminated by Buyer or Seller and TAC if any of Buyer's Required Regulatory Approvals and Seller's Required Regulatory Approvals, the receipt of which is a condition to the obligation of Buyer, Seller and TAC to consummate the Closing as set forth in *Sections 7.1(b) and 7.2(b)* shall have been denied (and a petition for rehearing or refiling of an application initially denied without prejudice shall also have been denied).

(d) This Agreement may be terminated by Buyer if there has been a violation or breach by Seller or TAC of any covenant, representation or warranty contained in this Agreement which would cause any of the conditions set forth in *Section 7.1(c) or 7.1(d)* not to be satisfied, and such condition is either incapable of being satisfied prior to the Termination Date or such violation or breach is not cured within sixty (60) days after receipt by Seller and TAC of written notice specifying particularly such violation or breach, and such violation or breach has not been waived by Buyer. Prior to the Closing Date, if Buyer has Knowledge of any breach that would give rise to a termination right pursuant to this *Section 9.1(d)*, Buyer's sole and exclusive remedy shall be to terminate this Agreement pursuant to this *Section 9.1(d)*. If Buyer does not elect to exercise its rights pursuant to this *Section 9.1(d)* and proceeds with the Closing, Buyer shall be deemed to have waived all rights to seek indemnification hereunder with respect to such breach and Seller and TAC shall have no further obligations or liability with respect to such breach.

(e) This Agreement may be terminated by Seller and TAC if there has been a violation or breach by Buyer of any covenant, representation or warranty contained in this Agreement which would cause any of the conditions set forth in *Section 7.2(c) or 7.2(d)* not to be satisfied, and such condition is either incapable of being satisfied prior to the Termination Date or such violation or breach is not cured within sixty (60) days after receipt by Buyer of written notice specifying particularly such violation or breach, and such violation or breach has not been waived by Seller and TAC. Prior to the Closing Date, if Seller or TAC has Knowledge of any breach that would give rise to a termination right pursuant to this *Section 9.1(e)*, Seller's sole and exclusive remedy shall be to terminate this Agreement pursuant to this *Section 9.1(e)*. If Seller and TAC do not elect to exercise their rights pursuant to this *Section 9.1(e)* and proceed with the Closing, Seller and TAC shall be deemed to have waived all rights to seek indemnification hereunder with respect to such breach and Buyer shall have no further obligations or liability with respect to such breach.

9.2 Procedure and Effect of Termination.

(a) In the event of termination of this Agreement by any or all of the Parties pursuant to this Article IX, written notice thereof shall forthwith be given by the terminating Party to the other Parties, whereupon this Agreement shall forthwith become void and there shall be no liability or obligation on the part of Seller, TAC or Buyer or their respective officers or directors, except with respect to (i) *Sections 6.3(b), 6.3(c), this Section 9.2 and Article X*; and (ii) any liabilities for damages incurred or suffered by a Party as a result of the willful breach by the other Party of any of its representations, warranties, covenants or other agreements set forth in this

Agreement subject to the dollar limitation set forth in *Section 8.1(a) and 8.1(b)*.

(b) If this Agreement is terminated in accordance with the provisions of *Section 9.1* solely as a result of Buyer's being unable to obtain the Financing relating to the Bank Commitment Letter for any reason whatsoever and all conditions set forth in *Sections 7.1(a)-(d), 7.1(h)-(j)* have been satisfied, then Buyer shall pay to Seller, as liquidated damages and without the necessity of proof of actual damages, the sum of Two Million Dollars (\$2,000,000), which amount shall be paid in immediately available funds no later than five (5) Business Days after the Termination Date. The Parties agree that such payment shall constitute liquidated damages in respect of the Buyer's failure to obtain the Financing relating to the Bank Commitment Letter and, notwithstanding anything to the contrary in this Agreement, shall be the sole and exclusive remedy of Seller and TAC against Buyer (or any of its partners, officers, employees, agents and representatives or Affiliates) and Buyer's entire liability with respect to its failure to obtain the Financing relating to the Bank Commitment Letter and all other related matters. The Parties agree that the amount payable pursuant to this *Section 9.2(b)* is a reasonable estimate of the damages that would be suffered by Seller and TAC as a consequence of such failure and does not constitute a penalty and hereby acknowledge the inconvenience and difficulty of otherwise obtaining an adequate remedy.

ARTICLE X MISCELLANEOUS PROVISIONS

10.2 *Waiver of Compliance; Consents.* Except as otherwise provided in this Agreement, any failure of any of the Parties to comply with any obligation, covenant, agreement or condition herein may be waived by the Party entitled to the benefits thereof only by a written instrument signed by the Party granting such waiver, but such waiver of such obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent failure to comply therewith.
