REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Plan Committee
Liberty Media 401(k) Savings Plan:

We have audited the accompanying statements of net assets available for participant benefits of the Liberty Media 401(k) Savings Plan (the Liberty Plan) as of December 31, 2004 and 2003, and the related statements of changes in net assets available for participant benefits for the years then ended. These financial statements are the responsibility of the Liberty Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for participant benefits of the Liberty Plan as of December 31, 2004 and 2003, and the changes in net assets available for participant benefits for the years then ended in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of assets (held at end of year) and reportable transactions are presented for the purpose of additional analysis and are not a required part of the basic financial

Edgar Filing: LIBERTY MEDIA CORP /DE/ - Form 11-K

statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Liberty Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

LIBERTY MEDIA 401(k) SAVINGS PLAN

Notes to Financial Statements

December 31, 2004 and 2003

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The accompanying financial statements of the Liberty Media 401(k) Savings Plan (the "Liberty Plan") have been prepared on the accrual basis and present the net assets available for participant benefits and the changes in those net assets. The sponsor of the Liberty Plan is Liberty Media Corporation ("Liberty").

TRUST FUND MANAGED BY FIDELITY MANAGEMENT TRUST COMPANY ("TRUSTEE")

Under the terms of a trust agreement between Liberty and the Trustee, the Trustee manages a trust fund on behalf of the Liberty Plan and has been granted authority concerning purchases and sales of investments for the trust fund. The Trustee may invest up to 100% of the assets of the Liberty Plan in employer securities without regard to any fiduciary requirement to

Edgar Filing: LIBERTY MEDIA CORP /DE/ - Form 11-K

diversify Liberty Plan assets. Additionally, the Liberty Plan is allowed to invest in non-employer securities.

INVESTMENTS

Investments are reflected in the accompanying financial statements at fair value. Fair value represents the closing prices for those securities having readily available market quotations, and fair value as determined by the Trustee with respect to other securities.

The Liberty Media Stock Fund and the Liberty Media International Stock Fund are unitized funds that are measured in units rather than shares. The Liberty Media Stock Fund consists mostly of Liberty Series A common stock with an insignificant amount of cash or cash equivalents. The per share fair values used for investments in Liberty Series A common stock at December 31, 2004 and 2003 are \$10.98 and \$11.89, respectively. The Liberty Media International Stock Fund consists mostly of Liberty Media International, Inc. ("LMI") Series A common stock with an insignificant amount of cash or cash equivalents. The per share fair value used for investments in LMI Series A common stock at December 31, 2004 is \$46.23. The foregoing prices are the closing market prices of Liberty Series A common stock and LMI Series A common stock on those dates. Changes in market values after the Liberty Plan's year end are not reflected in the accompanying financial statements.

Securities and investment transactions are accounted for on the trade date. Distributions are priced at fair value and are accounted for when shares are transferred by the Trustee to participants. The cost basis of such shares distributed is determined using the average cost method. Dividend income is recorded on the ex-dividend date. Income from other investments is recorded as earned on an accrual basis.

INCOME TAXES

The Internal Revenue Service (the "IRS") has determined and informed Liberty by a letter dated March 1, 2001 (the "IRS Determination Letter"), that the Liberty Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Once qualified, the Liberty Plan is required to operate in conformity with the IRC to maintain its qualification. The Liberty Plan administrator is

(continued)

LIBERTY MEDIA 401(k) SAVINGS PLAN

Notes to Financial Statements

not aware of any course of action or series of events that have occurred that might adversely affect the Liberty Plan's qualified status. As of the date of this report, Liberty has filed with the IRS an application for determination of the qualified status of the Liberty Plan with respect to certain amendments to the Liberty Plan adopted since the date of the IRS Determination Letter.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires

Edgar Filing: LIBERTY MEDIA CORP /DE/ - Form 11-K

management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ significantly from those estimates.

PLAN EXPENSES

Any employer contribution amounts forfeited may be used to pay plan expenses except for any fees related to loans, which are paid by participants. Any additional administrative expenses of the Liberty Plan are paid by Liberty.

(2) DESCRIPTION OF THE LIBERTY PLAN

The following description of the Liberty Plan is provided for general information purposes only. Participants should refer to the plan document for more complete information.

GENERAL

The Liberty Plan is a defined contribution plan sponsored by Liberty, which enables participating employees of Liberty and its qualifying subsidiaries to receive an interest in Liberty and to receive benefits upon retirement. Employees of Liberty and certain 80% or more owned subsidiaries who are at least 18 years of age and (i) have worked at least three consecutive months or (ii) have completed one year of service (as defined in the Liberty Plan document) are eligible to participate in the Liberty Plan.

CONTRIBUTIONS

Participants may make (i) pre-tax contributions to the Liberty Plan of up to 75% of their compensation, as defined or (ii) after-tax contributions up to 10% of their compensation. Liberty and its subsidiaries, other than Ascent Media Group and On Command Corporation, may make matching contributions equal to 100% of participant contributions, up to a maximum match of 10% of eligible compensation. Ascent Media Group may make matching contributions equal to \$.50 for each \$1.00 contributed by the participants up to a maximum match of 3% of eligible compensation. On Command Corporation may make matching contributions equal to \$.50 for each \$1.00 contributed by the participants up to a maximum match of 4% of eligible compensation. All participant contributions and employer matching contributions are subject to limitations as determined annually by the IRS. Employee pre-tax contributions and combined employee/employer contributions per participant were limited to \$13,000 and \$41,000, respectively, in 2004 and \$12,000 and \$40,000 respectively in 2003. Catch-up contributions, as defined in the Economic Growth and Tax Relief Reconciliation Act of 2001, are permitted for those eligible employees and are not matched by the employer.

(continued)

LIBERTY MEDIA 401(k) SAVINGS PLAN

Notes to Financial Statements

Through December 31, 2003, employer contributions were invested only in the Liberty Media Stock Fund. Beginning January 1, 2004, participants who are

Edgar Filing: LIBERTY MEDIA CORP /DE/ - Form 11-K

fully vested in their employer contributions can direct the employer contributions to any investment in the Liberty Plan. Employer contributions for participants who are not fully vested continue to be invested in the Liberty Media Stock Fund only. Employee contributions may be invested in any investments in the Liberty Plan, including the Liberty Media Stock Fund. Liberty and its subsidiaries reserve the right to change the matching contribution amounts at any time.

NONPARTICIPANT-DIRECTED INVESTMENTS

Due to the change in 2004 noted above with respect to the investment of vested employer contributions, the accompanying statement of changes in net assets available for participant benefits for the year ended December 31, 2004, does not present activity based on participant-directed and nonparticipant-directed investments. Plan information, including information regarding participant-directed and nonparticipant-directed investments, about the significant components of the changes in net assets relating to the Liberty Media Stock Fund for the year ended December 31, 2004, is as follows (amounts in thousands):

ROLLOVERS

Participants may elect to rollover amounts from other qualified plans or individual retirement accounts into the Liberty Plan provided that certain conditions are met.

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Loans, other than those transferred from other plans, must be repaid within five years and bear interest at a rate equal to the prime rate in effect on the first day of the calendar quarter in which the loan is originated plus 1%. Loans transferred from other plans retain the repayment terms and interest rates in effect at the time of transfer. Loans are secured by the vested balance in the participant's account, and bear interest at rates ranging from 5% to 10.5% at December 31, 2004. Principal and interest are paid ratably through monthly payroll deductions.

(continued)

LIBERTY MEDIA 401(k) SAVINGS PLAN

Notes to Financial Statements

FORFEITURES

Forfeitures of employer contributions (due to participants' termination prior to full vesting) are first used to pay Liberty Plan expenses, with any excess used to reduce Liberty's future matching contributions. Forfeitures aggregated approximately \$291,000 and \$274,000 during 2004 and 2003, respectively. Unused forfeitures aggregated approximately \$148,000 and \$787,000 at December 31, 2004 and 2003, respectively.

INVESTMENT OPTIONS

As of December 31, 2004, the Liberty Plan has twenty investment options including eighteen mutual funds and two unitized stock funds. The mutual funds are comprised of a money market mutual fund, two growth and income mutual funds, three growth mutual funds, one small cap value mutual fund, one small cap growth mutual fund, two income mutual funds, a global growth mutual fund, an international growth mutual fund and six asset allocation funds based on target retirement dates. Plan participants may change investment options and contribution percentages on a daily basis.

BENEFIT PAYMENTS

Distributions from the Liberty Plan may be made to a participant upon death, total disability, financial hardship or termination of employment. Distributions and other withdrawals are processed on a daily basis.

VESTING

Participant contributions are always fully vested. Participants acquire a vested right in employer matching contributions, other than employer contributions transferred from other plans, as follows:

Years of Service -----	Vesting Percentage -----
Less than 1	0%
1 year	33%
2 years	66%
3 years	100%

Employer matching contributions transferred from other plans vest according to the terms specified in the transferor plans.

PLAN TERMINATION

Although Liberty has not expressed any intent to terminate the Liberty Plan, it may do so at any time, subject to the provisions of ERISA. The Liberty Plan provides for full and immediate vesting of all participant rights upon termination of the Liberty Plan.

RISKS AND UNCERTAINTIES

Edgar Filing: LIBERTY MEDIA CORP /DE/ - Form 11-K

Effective June 7, 2004, Liberty effected the spin off (the "Spin Off") of its international subsidiary, LMI, by means of a distribution to Liberty's shareholders of all of the shares of common stock of LMI. Each Liberty shareholder, including the Liberty Media Stock Fund, received .05 shares of LMI Series A common stock for each share of Liberty Series A common stock held. In connection with the Spin Off, the Liberty Plan was amended to allow participants to invest in a unitized stock fund which holds LMI Series A common stock.

Liberty's subsidiary located in Puerto Rico (the "Puerto Rico Subsidiary") was included in the Spin Off and is now a subsidiary of LMI. In connection with the Spin Off, all participant accounts of employees and former employees of the Puerto Rico Subsidiary were transferred out of the Liberty Plan into the Liberty Media 401(k) Savings Plan - Puerto Rico. Aggregate amounts transferred were \$2,714,000.

(5) LMI RIGHTS OFFERING

During the third quarter of 2004, LMI completed a rights offering pursuant to which existing shareholders, including the Liberty Plan, received .20 transferable subscription rights to purchase shares of LMI Series A common stock for each share of LMI Series A common stock held by them at the close of business on July 26, 2004. Liberty Plan participants could use available cash in their Liberty Plan account to exercise the rights attributable to the LMI Series A common stock in their accounts, or they could sell those rights through August 23, 2004.

(6) SUBSEQUENT EVENT

Subsequent to December 31, 2004, Liberty's Board of Directors approved a resolution authorizing the spin-off (the "DHC Spin Off") of a newly formed subsidiary, Discovery Holding Company ("DHC"). DHC's assets will be comprised of Liberty's 100% ownership interest in Ascent Media Group, Inc. and Liberty's 50% ownership interest in Discovery

(continued)

LIBERTY MEDIA 401(k) SAVINGS PLAN

Notes to Financial Statements

Communications, Inc. The DHC Spin Off, which will be effected as a tax-free distribution of DHC's shares to Liberty's shareholders, is expected to occur in the second quarter of 2005, subject to, among other things, the receipt of a favorable tax opinion and regulatory and other third party approvals. Upon completion of this transaction, DHC will be a separate publicly traded company. If the DHC Spin Off is completed as currently contemplated, shareholders of Liberty, including the Liberty Plan, would receive .10 shares of DHC Series A common stock for each share of Liberty Series A common stock held.
