GENERAL INFORMATION CONCERNING SOLICITATION AND VOTING

This proxy statement, the accompanying proxy card and notice of annual meeting are provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of Arbor Realty Trust, Inc., a Maryland corporation, for use at the annual meeting of stockholders to be held on May 23, 2012, at 1:00 p.m., local time, and any adjournments or postponements thereof.

"We," "our," "us," and "the Company" each refers to Arbor Realty Trust, Inc. The Company is externally managed and advised by Arbor Commercial Mortgage, LLC, which we refer to as "our Manager" and "ACM."

The mailing address of our executive office is 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. This proxy statement, the accompanying proxy card and the notice of annual meeting are first being mailed on or about April 20, 2012 to holders of our common stock, par value \$0.01 per share, of record at the close of business on April 4, 2012. Our common stock are the only securities entitled to vote at the annual meeting and are referred to as our voting securities. Along with this proxy statement, we are also sending our Annual Report to Stockholders for the fiscal year ended December 31, 2011.

A proxy may confer discretionary authority to vote with respect to any matter presented at the annual meeting. As of the date of this proxy statement, management has no knowledge of any business that will be presented for consideration at the annual meeting and that would be required to be set forth in this proxy statement or the related proxy card other than the matters set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented at the annual meeting for consideration, it is intended that the persons named in the enclosed proxy card and acting thereunder will vote in accordance with their discretion on any such matter.

Matters to be Considered at the Annual Meeting

At the annual meeting, our stockholders will consider and vote upon:

- (1) the election of three Class III directors, each to serve until the 2015 annual meeting of stockholders and until their respective successors are duly elected and qualify, and a Class II director, to serve until the 2014 annual meeting of stockholders and until his respective successor is duly elected and qualifies;
- (2) the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2012;
- (3) an amendment to the Company's charter to lower each of the aggregate stock ownership limit and the common stock ownership limit from 7.0% to 5.0%; and
- (4) the transaction of any other business that may properly come before the annual meeting or any adjournment or postponement of the annual meeting.

This proxy statement, form of proxy and voting instructions are being mailed starting on or about April 20, 2012.

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of our Board of Directors. The expense of preparing, printing and mailing this proxy statement and the proxies solicited hereby will be borne by the Company. In addition to the use of the mail, proxies may be solicited by officers and directors, without additional remuneration, by personal interview, telephone, telegraph or otherwise. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of voting securities held of record at the close of business on April 4,

Table of Contents

2012 and will provide reimbursement for the cost of forwarding the material. In addition, we have engaged Alliance Advisors LLC to assist in soliciting proxies from brokers, banks and other nominee holders of our common stock at a cost of approximately \$5,500, plus reasonable out-of-pocket expenses.

Stockholders Entitled To Vote

As of the close of business on April 4, 2012, there were 24,249,225 shares of our common stock outstanding and entitled to vote. Each share of our common stock entitles the holder to one vote. Stockholders of record at the close of business on April 4, 2012 are entitled to attend and vote at the annual meeting or any adjournment or postponement thereof.

Required Quorum/Vote

A quorum will be present if stockholders entitled to cast a majority of all the votes entitled to be cast at the annual meeting are present, in person or by proxy. If you have returned a valid proxy or if you hold your shares of our voting securities in your own name as holder of record and you attend the annual meeting in person, your shares will be counted for the purpose of determining whether there is a quorum. If a quorum is not present, the annual meeting may be adjourned by the chairman of the meeting or the stockholders entitled to vote at the annual meeting, present in person or by proxy, to a date not more than 120 days after the record date without notice other than announcement at the meeting.

Abstentions and broker non-votes will be counted in determining the presence of a quorum. "Broker non-votes" occur when a bank, broker or other nominee holding shares for a beneficial owner returns a properly executed proxy but does not vote on a particular proposal because it does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange (the "NYSE"), banks, brokers and other nominees who hold shares in "street name" may have the authority to vote on certain matters when they do not receive instructions from beneficial owners. Banks, brokers and other nominees that do not receive instructions are not entitled to vote on the election of directors contained in Proposal No. 1 or the amendment to the Company's charter in Proposal No. 3 but may vote on ratification of the appointment of the independent registered public accounting firm contained in Proposal No. 2.

Election of each of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of all the votes cast in the election of directors at the annual meeting by holders of our voting securities. The director nominees receiving the highest number of affirmative votes will be elected directors. Shares represented by properly executed and returned proxies will be voted, if authority to do so is not withheld, for the election of the Board of Directors' nominees named in Proposal No. 1. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Abstentions and broker non-votes, if any, will not be counted as votes cast and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors.

Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2012, as specified in Proposal No. 2, requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities. If this appointment is not ratified by holders of our voting securities, the Audit Committee and our Board of Directors may reconsider its appointment and endorsement, respectively. Abstentions will not be counted as having been cast and will have no effect on the outcome of the vote for this proposal. Even if the appointment is ratified, the Audit Committee of the Company's Board of Directors, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company.

Table of Contents

Approval of the amendment to the Company's charter, as specified in Proposal No. 3, requires the affirmative vote of a majority of the votes entitled to be cast on the proposal at the annual meeting by holders of our voting securities. For purposes of the vote on the charter, abstentions and broker non-votes will have the same effect as votes against the proposal.

If the enclosed proxy is properly executed and returned to us in time to be voted at the annual meeting, it will be voted as specified on the proxy unless it is properly revoked prior thereto. If no specification is made on the proxy as to any one or more of the proposals, the following action will be taken with respect to each share of our voting securities represented by the proxy:

- (1) a vote will be cast **FOR** the election of the three Class III directors, each to serve until the 2015 annual meeting of stockholders and until their respective successors are duly elected and qualify, and a Class II director, to serve until the 2014 annual meeting of stockholders and until his respective successor is duly elected and qualifies;
- (2) a vote will be cast **FOR** the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2012;
- (3) a vote will be cast **FOR** the adoption of an amendment to the Company's charter to lower each of the aggregate stock ownership limit and the common stock ownership limit from 7.0% to 5.0%; and
- (4) a vote will be cast in the discretion of the proxy holder on any other business that properly comes before the annual meeting or any adjournment or postponement thereof.

As of the date of this proxy statement, we are not aware of any other matter to be presented at the annual meeting.

Voting

If you hold your shares of our voting securities in your own name as a holder of record, you may instruct the proxies to vote your shares by signing, dating and mailing the proxy card in the postage-paid envelope provided. In addition, you may vote your shares of our voting securities in person at the annual meeting.

If your shares are held on your behalf by a broker, bank or other nominee, you will receive instructions from such individual or entity that you must follow in order to have your shares voted at the annual meeting.

Authorization of your proxy via telephone or the Internet may also be available depending on how you hold your shares. Please reference your proxy card for instructions on how to authorize your proxy by these methods.

send written notice of revocation, prior to the annual meeting, to our Corporate Secretary, at 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York 11553;

If your shares are held on your behalf by a broker, bank or other nominee, you must contact it to receive instructions as to how you may revoke your proxy instructions.

Multiple Copies of Annual Report to Stockholders

A copy of our Annual Report to Stockholders for the fiscal year ended December 31, 2011 will be mailed to stockholders entitled to vote at the annual meeting with this proxy statement and is also available without charge to stockholders upon written request to: Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553, Attn: Investor Relations. You may also access our Annual Report on Form 10-K as filed with the Securities and Exchange Commission (the "SEC") under the "Investor Relations SEC Filings" link on our website at www.arborrealtytrust.com.

In order to reduce printing and postage costs, we have undertaken an initiative to deliver only one Annual Report and one proxy statement to multiple stockholders sharing an address. This delivery method, called "householding," will not be used, however, if we receive contrary instructions from one or more of the stockholders sharing an address. If your household has received only one Annual Report and one proxy statement, we will deliver promptly a separate copy of the Annual Report and the proxy statement to any stockholder who sends a written request to the Corporate Secretary, Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. You may also contact our Corporate Secretary at (516) 506-4200. You may also notify us that you would like to receive separate copies of Arbor Realty Trust's Annual Report and proxy statement in the future by writing to our Corporate Secretary. Even if your household has received only one Annual Report and one proxy statement, a separate proxy card has been provided for each stockholder account. If you are submitting a proxy by mail, each proxy card should be marked, signed, dated and returned in the enclosed self-addressed envelope.

If your household has received multiple copies of Arbor Realty Trust's Annual Report and proxy statement, you can request the delivery of single copies in the future by marking the designated box on the enclosed proxy card.

If you own shares of common stock through a bank, broker or other nominee and receive more than one Annual Report and proxy statement, contact the holder of record to eliminate duplicate mailings.

Voting Results

American Stock Transfer & Trust Company, our independent tabulating agent, will have a representative present at the annual meeting and will tabulate the votes and act as the Inspector of Election. We will publish the voting results in a Current Report on Form 8-K which will be filed within four business days of our annual meeting of stockholders.

Confidentiality of Voting

We will keep all proxies, ballots and voting tabulations confidential. We will permit only our Inspector of Election, American Stock Transfer & Trust Company, and our outside legal counsel to examine these documents except (i) as necessary to meet applicable legal requirements; (ii) if a stockholder writes comments on the proxy card directed to our Board or management; or (iii) in the event a proxy solicitation in opposition to the election of the nominees is initiated.

Combined Principal Executive Officer and Board Chair Positions; Independent Director Committee

Mr. Kaufman serves as both the Company's Chief Executive Officer and Chairman of the Board of Directors, which the Board of Directors has determined is the most appropriate governance structure for the Company. Mr. Kaufman has served in this capacity since the Company's formation in June 2003. With over 25 years of experience in the real estate finance industry, Mr. Kaufman has a breadth of unique and specialized knowledge about our business operations. Mr. Kaufman solicits input from the Company's Board of Directors regarding the Board agenda and processes. To facilitate coordination with the independent directors and the exercise of independent judgment by the Board of Directors, (1) the Board has established an Independent Director Committee (as described further below), of which Dr. Dykes currently serves as the Chair, and (2) our non-management directors, each of whom are independent directors under the NYSE's Corporate Governance Standards, meet regularly in executive session without any members of management present. The director who chairs the executive

sessions of the Company's non-management directors facilitates communication between the independent directors and the Chairman of the Board, ensures appropriate information is sent to the Board and works with the Chairman to identify agenda and other discussion items for the Board.

Role of the Board of Directors in the Oversight of Risk Management

The Audit Committee takes the lead for the Board in oversight of the Company's risk management activities. At least quarterly the Audit Committee receives a review of the Company's investment portfolio and its quarterly results from the Company's Chief Financial Officer and an internal audit report and a Sarbanes-Oxley compliance report from the Company's internal auditor, David Landau & Associates, LLC. The review of the Company's investment portfolio and its quarterly results covers a wide range of topics and potential issues that could impact the Company, including matters such as investment performance, investment risks, counterparty risks of its asset management activities and balance sheet, results of operations, key financial metrics and operational and integration risks. The internal audit plan for the Company is approved by the Audit Committee and regular reports on the progress and results of the internal audit program are provided to the Audit Committee. The Company's independent registered public accounting firm, Ernst & Young LLP, provides the audit report. Aspects of these reports are presented to the full Board at least quarterly by either the Chairman of the Audit Committee or the member of management responsible for the given subject area. In addition, the entire Board of Directors receives reports from the General Counsel of the Manager with respect to any legal or regulatory matters that could materially affect the Company. The Compensation Committee takes the lead for the Board in oversight of risk relating to compensation matters. The Compensation Committee considers, in establishing and reviewing the Company's executive compensation program, whether the program encourages unnecessary risk taking and has concluded that it does not.

Director Independence

Of our nine current directors, six have been determined by our Board of Directors to be independent for purposes of the NYSE listing standards. Our independent directors are currently Messrs. Kojaian, Lazar and Green, Drs. Dykes and Helmreich and Ms. Edwards. In determining director independence, the Board of Directors reviewed, among other things, whether any transactions or relationships currently exist, or have existed in the past, between each director and the Company and its subsidiaries, affiliates and equity investors or independent registered public accounting firm. In particular, the Board reviewed current or recent business transactions or relationships or other personal relationships between each director and the Company, including such director's immediate family and companies owned or controlled by the director or with which the director was affiliated. The purpose of this review was to determine whether any such transactions or relationships failed to meet any of the objective tests promulgated by the NYSE for determining independence or were otherwise sufficiently material as to be inconsistent with a determination that the director is independent.

The Board also examined whether there were any transactions or relationships between each director and members of the senior management of the Company or their affiliates. In reviewing the independence of Dr. Helmreich, the Board carefully reviewed whether (1) Mr. Kaufman's and Dr. Helmreich's current and prior participation on the boards of North Shore Hebrew Academy, North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc., all of which are not-for-profit organizations, (2) Dr. Helmreich's engagement since the summer of 2000 as an external consultant by North Shore Hebrew Academy in the capacity of chairman of Academic Affairs of North Shore Hebrew Academy and (3) Dr. Helmreich's prior receipt of consulting fees from Arbor Management, LLC would, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Dr. Helmreich is independent. The Board, in particular, reviewed the materiality of the transactions to the parties involved, the compensation and timing of Dr. Helmreich's

Table of Contents

advisory role with North Shore Hebrew Academy and Arbor Management, LLC and the absence of any employment or compensatory capacity by Dr. Helmreich with NSH Affordable Housing of Indiana, Inc. In reviewing the independence of Mr. Kojaian, the Board carefully reviewed whether (1) Mr. Kaufman's and Mr. Kojaian's co-investment in an operating company and (2) Mr. Kojaian's beneficial ownership of approximately 4.5% of the Company's common stock, would, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Mr. Kojaian is independent. The Board, in particular, reviewed the materiality of the transactions to the parties involved. In reviewing the independence of Mr. Kyle A. Permut, a director who served on the Board from August 2005 to January 2012, the Board carefully reviewed whether Mr. Permut's previous designation as the legal guardian of the then minor children of Mr. Kaufman and his wife in the event of their death and his appointments as a secondary successor executor under the wills of Mr. Kaufman and his wife and the initial successor trustee of certain of Mr. Kaufman's estate planning vehicles would, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Mr. Permut is independent. As a result of its review, the Board affirmatively determined that Messrs. Kojaian, Lazar, Robbins and Permut, Drs. Dykes and Helmreich and Ms. Edwards were independent under the NYSE listing standards. The Board has also affirmatively determined that Mr. William C. Green is independent under the NYSE listing standards. In 2007, 2008 and until his appointment as the General Counsel of Arbor Commercial Mortgage in September 2009, the Board had affirmatively determined that Mr. John J. Bishar was independent under the NYSE listing standards. Mr. Bishar served as a director on the Board from April 2007 to January 2012.

Board Committees

Our Board has established four standing committees, the principal functions of which are briefly described below. Matters put to a vote at any one of our four committees must be approved by a majority of the directors on the committee who are present at a meeting at which there is a quorum or by unanimous written consent of the directors on that committee. Our Board of Directors may from time to time establish certain other committees to facilitate the management of the Company.

Audit Committee

Our Board of Directors has established an Audit Committee, which is currently composed of four of our independent directors, Mr. Lazar, Dr. Dykes, Ms. Edwards and Mr. Green. Mr. John J. Robbins served on the Audit Committee in place of Mr. Lazar from May 2011 to December 2011. In April 2012, Mr. Green was appointed to serve on the Audit Committee. During 2011, the Audit Committee met on four occasions and acted by written consent on one occasion. The Audit Committee selects and appoints the Company's independent registered public accounting firm and assists the Board in overseeing (1) the integrity of the Company's financial statements, (2) the Company's independent registered public accounting firm's qualifications and independence, (3) the performance of the Company's independent registered public accounting firm and the Company's internal audit function and (4) the Company's compliance with legal and regulatory requirements.

Mr. Lazar currently serves as Chairman of the Audit Committee. The Board has determined that Mr. Lazar qualifies as an "Audit Committee financial expert" as defined by the rules of the SEC and that each member of the Audit Committee is "financially literate." Mr. Robbins served as Chairman of the Audit Committee in place of Mr. Lazar from May 2011 to December 2011. The Board had determined that Mr. Robbins qualified as an "Audit Committee financial expert" as defined by the rules of the SEC. The Audit Committee is governed by a charter that has been adopted by the Board of Directors.

Helmreich and Dykes and Ms. Edwards. Dr. Dykes currently serves as Chairman of the Independent Director Committee. Mr. Kyle A. Permut served on the independent directors committee from August 2005 to January 2012 and Mr. John J. Robbins served on the Independent Directors Committee in place of Mr. Lazar from May 2011 to December 2011.

Table of Contents

The Independent Director Committee is responsible for, among other things, considering and voting upon matters as to which the Board of Directors determines Arbor Commercial Mortgage or its affiliates (other than the Company or its subsidiaries) or any of our directors (other than an independent director) or officers has a conflict of interest, including the approval of transactions between the Company and Arbor Commercial Mortgage.

Non-Management Directors

As required by the NYSE's Corporate Governance Standards, our non-management directors, each of whom are independent directors under the NYSE's Corporate Governance Standards, meet regularly in executive session without any members of management present. The director who serves as the lead director for these sessions is rotated periodically among our independent directors.

Stockholder and Interested Party Communications with Directors

The Board of Directors has established a process to receive communications from stockholders and other interested parties. Interested parties and stockholders may contact any or all members of the Board, including non-management directors, by mail. To communicate with the Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent in care of the Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553.

All communications received as set forth in the preceding paragraph will be opened by the office of the Company's Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the office of the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence is addressed.

Director Nomination Procedures; Diversity

The Nominating/Corporate Governance Committee generally believes that, at a minimum, candidates for membership on the Board of Directors should demonstrate an ability to make a meaningful contribution to the Board of Directors' oversight of our business and affairs and have a record and reputation for honest and ethical conduct. The Nominating/Corporate Governance Committee recommends director nominees to the Board of Directors based on, among other things, its evaluation of a candidate's experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of our business environment and a willingness to devote adequate time and effort to Board responsibilities. In making its recommendations to the Board of Directors, the Nominating/Corporate Governance Committee also seeks to have the Board nominate candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective.

The Nominating/Corporate Governance Committee may identify potential nominees by asking current directors and executive officers to notify the committee if they become aware of persons who meet the criteria described above, especially business and civic leaders in the communities in which we operate. It may also engage firms, at our expense, that specialize in identifying director candidates. As described below, the Nominating/Corporate Governance Committee will also consider candidates recommended by stockholders.

The Nominating/Corporate Governance Committee anticipates that once a person has been identified by the committee as a potential candidate, the committee will collect and review publicly

Table of Contents

available information regarding the person to assess whether the person should be considered further. If the Nominating/Corporate Governance Committee determines that the candidate warrants further consideration, the Chairman or another member of the committee will contact the person. If the person expresses a willingness to be considered and to serve on the Board of Directors, the Nominating/Corporate Governance Committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conduct one or more interviews with the candidate. In certain instances, members of the Nominating/Corporate Governance Committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments.

In addition to stockholder proposals of director nominees submitted in accordance with our bylaws, as summarized below under "Stockholder Proposals for 2013," the Nominating/Corporate Governance Committee will consider written recommendations from stockholders of potential director candidates. Such recommendations should be submitted to the Nominating/Corporate Governance Committee in care of the Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. Director recommendations submitted by stockholders should include the following:

the name, age, business address and residence address of the individual(s) recommended for nomination;

the class, series and number of any shares of our stock that are beneficially owned by the individual(s) recommended for nomination;

the date such shares of our stock were acquired by the individual(s) recommended for nomination and the investment intent of such acquisition; and

all other information relating to such candidate that would be required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected.

Stockholder recommendations of director candidates must be delivered to the Corporate Secretary not earlier than the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders; provided, however, that if the date of mailing of the notice for the annual meeting is advanced more than thirty days prior to or delayed by more than thirty days after the anniversary of the mailing of the notice for the preceding year's annual meeting, the stockholder recommendation and information described above must be delivered not earlier than the 120th day prior to the mailing of the notice for the upcoming annual meeting and not later than the close of business on the later of (1) the 90th day prior to the mailing of the notice for the upcoming annual meeting of stockholders and (2) the 10th day following the date on which public announcement of the mailing of the notice for the upcoming annual meeting is first made.

The Nominating/Corporate Governance Committee expects to use a similar process to evaluate candidates to the Board of Directors recommended by stockholders as the one it uses to evaluate candidates otherwise identified by the committee.

Director Attendance at Annual Meeting

We do not currently maintain a policy requiring our directors to attend the annual meeting; however, attendance by our directors is encouraged. Nine of our directors attended the 2011 annual meeting of stockholders.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Philosophy and Principles

The Compensation Committee acknowledges that the real estate finance industry is highly competitive and that experienced professionals have significant career mobility. The Company competes for executive talent with a large number of real estate investment companies and specialty finance companies, some of which are privately owned and some of which have significantly larger market capitalization than the Company. We are a specialized company in a highly competitive industry and our ability to attract, retain and reward our "named executive officers" and other key employees is essential to maintaining our competitive position in the real estate finance industry. For 2011, our "named executive officers" are Mr. Kaufman, our Chief Executive Officer, Mr. Elenio, our Chief Financial Officer, and Messrs. Weber, Kilgore and Felletter, the three most highly compensated executive officers (other than our Chief Executive Officer and our Chief Financial Officer) who were serving as executive officers of the Company as of the end of 2011. All cash compensation and benefits for Messrs. Kaufman and Elenio are paid or provided by Arbor Commercial Mortgage, our Manager, pursuant to the management agreement described below because they are employees of our Manager. The Company is required to reimburse Arbor Commercial Mortgage for a portion of the base salaries and annual cash bonuses paid to employees of Arbor Commercial Mortgage who provide services to the Company, although the Compensation Committee has sole discretion to approve the Company's portion of the annual cash bonus payable to the most highly compensated of these employees, including Messrs. Kaufman and Elenio.

The Compensation Committee's goal is to maintain compensation programs that are competitive within our industry, reward executives if the Company achieves its operational, financial and strategic goals and build stockholder value. In determining the form and amount of compensation payable by the Company to the named executive officers, the Compensation Committee is guided by the following objectives and principles:

Compensation levels should be sufficiently competitive to attract and retain key executives. The Company aims to ensure its executive compensation program attracts, motivates and retains high performance talent and rewards them for the Company achieving and maintaining a competitive position in its industry. The Compensation Committee believes that total compensation should increase with position and responsibility.

Compensation should relate directly to performance and incentive compensation should constitute a substantial portion of total compensation. The Company aims to promote a pay-for-performance culture, with a majority of total compensation being "at risk". Accordingly, a substantial portion of total compensation should be tied to and vary with the Company's operational, financial and strategic performance, as well as individual performance. The Compensation Committee believes that executives with greater roles and the ability to directly impact the Company's strategic goals and long-term results should bear a greater proportion of the risk if these goals and results are not achieved.

Long-term incentive compensation should align executives' interests with the Company's stockholders. Awards of equity-based compensation encourage executives to focus on the Company's long-term growth and prospects and motivate executives to manage the Company from the perspective of owners with a meaningful stake in the Company, as well as to focus on long-term career orientation.

The Compensation Committee does not employ a specific policy, practice or formula regarding an allocation between cash and non-cash compensation with respect to compensation paid to executives by the Company.

Table of Contents

The Compensation Committee reviews at least annually the goals and objectives of the Company's executive compensation plans, incentive compensation plans, equity-based plans and other compensation and employee benefit plans. The Compensation Committee believes that the Company's benefits are competitive with its peers and provide adequate incentives for strong performance.

Compensation Setting Process

Management's Role in the Compensation-Setting Process

The Compensation Committee believes the Company's Chief Executive Officer, Mr. Kaufman, is in the best position to determine the responsibilities of each other executive officer and observe how well each executive performs his responsibilities. Mr. Kaufman provides recommendations to the Compensation Committee regarding base salary levels and the form and amount of the annual cash incentive awards and stock-based compensation paid to all of the other executive officers by the Company. The Compensation Committee may exercise its discretion in modifying any of the recommendations and is responsible for ultimately approving all compensation arrangements payable by the Company to the named executive officers. Mr. Kaufman does not participate in any deliberations or approvals by the Compensation Committee with respect to any cash, equity-based or other incentive awards that our Compensation Committee may grant to him. Additionally, Mr. Kaufman and other officers of the Company will provide compensation and other information to the Compensation Committee upon its request.

Mr. Kaufman's recommendations are based on his evaluation of the executive officers' performance, their contribution toward achieving operational, financial and strategic goals, current and historical elements of each executive's compensation and the financial performance of the Company.

Compensation Consultant

The charter of the Compensation Committee provides the committee with the sole authority to retain and terminate any compensation consulting firm or other adviser as it deems appropriate. For 2011, the Compensation Committee engaged the compensation consulting firm Pay Governance LLC with respect to the compensation of certain of our executive officers and employees of our manager. Pay Governance LLC has no other relationships with us and is considered an independent third-party advisor.

Determining Compensation Levels

The Compensation Committee annually determines targeted total compensation levels, as well as the individual compensation components payable by the Company to the named executive officers. In making such determinations, the Compensation Committee reviews and considers (1) recommendations of the Company's Chief Executive Officer, (2) historical compensation levels for each named executive officer, (3) industry and market conditions and the Company's future objectives and challenges, and (4) overall effectiveness of the executive compensation program. The Compensation Committee does not utilize specific performance-based goals and does not engage in benchmarking compensation, but reviews general industry trends as well as the overall performance of the Company in determining total compensation levels.

Based upon its own judgment and in consideration of the recommendations made by the compensation consultant, the Compensation Committee approved the Company's allocable portion of the total compensation payable to Mr. Kaufman with respect to his service in 2011 as well as incentive compensation regarding certain loans that were restructured in 2011. Based upon discussions and recommendations of the Company's Chief Executive Officer, and upon its own judgment and in consideration of the recommendations made by the compensation consultant, the Compensation Committee approved (i) the base salary, cash incentive award and stock award of each of

Table of Contents

Messrs. Weber, Kilgore and Felletter with respect to their service in 2011, and (ii) the Company's allocable portion of the base salary and cash incentive award and the stock award of Mr. Elenio with respect to his service in 2011. The Compensation Committee believes these approved forms and levels of compensation are reasonable, appropriate and in line with the Company's compensation philosophy and principles.

Forms of Compensation

Total compensation for the named executive officers, as paid by the Company, is comprised of one or more of the following components:

base salary;

annual incentive awards;

long-term incentive awards; and

retirement and other benefits.

Our named executive officers do not have employment, severance or change of control agreements, although their restricted stock award agreements provide for accelerated vesting upon our change of control as further described under "Long-Term Incentive Awards Restricted Stock Awards." Our named executive officers are employed at will, which enables the Company to terminate their employment with discretion. This is consistent with the Company's performance-based employment and compensation philosophy.

Base Salary

Salaries provide executives with a base level of income and help achieve the objectives outlined above by attracting and retaining strong talent. The Compensation Committee reviews and approves (i) the base salaries of Messrs. Weber, Kilgore and Felletter, and (ii) the Company's allocable portion of the base salary payable to Messrs. Kaufman and Elenio. Generally, base salaries are not based upon specific measures of corporate performance, but are determined by (1) tenure of service, (2) scope and complexity of the position, including current job responsibilities, (3) an evaluation of each officer's individual performance and contribution to the Company's operational, financial and strategic goals and objectives, and (4) with respect to the named executive officers other than Mr. Kaufman, the recommendations of our Chief Executive Officer. Consistent with compensation practices commonly applied in the real estate finance industry, salaries generally form a lower percentage of an executive's total compensation, with a substantial portion of total compensation coming from incentive compensation that is tied to Company performance.

For a further description of the base salaries paid to the named executive officers by the Company in 2011, please refer to the Summary Compensation Table for 2011 set forth below in the section entitled "Executive Compensation."

Annual Incentive Awards

The Company aims to promote a pay-for-performance culture, with a majority of total compensation being "at risk." The annual incentive award paid by the Company may be in the form of cash, stock-based awards under the 2003 Omnibus Stock Incentive Plan (the "Stock Incentive Plan") or a combination thereof, at the discretion of the Compensation Committee. The Company does not have any specific policy, practice or formula regarding an allocation between the cash component and the stock-based component. These awards are designed to help achieve the objectives of the compensation program and may vary significantly from year to year. The Compensation Committee has not

Table of Contents

established any specific performance-based goals that must be met in order to receive the annual incentive award.

The Compensation Committee believes that the structure and ultimate payout amounts of the incentive awards are appropriate to attract, retain and reward the named executive officers, are competitive with those offered by our peers, provide a strong, long-term performance and retention incentive, support a pay-for-performance culture, and increase the applicable named executive officers' vested interest in the Company.

For 2011, the Compensation Committee decided to pay the annual incentive awards of the named executive officers in cash, in amounts relative to each individual's contributions and responsibilities. Individuals with increased ability to directly impact the Company's performance were allocated larger awards because they bear a greater proportion of the risk that compensation will decrease if the Company does not perform as expected. In March 2012, the Company paid cash incentive awards to the following executives with respect to their performance in 2011:

Mr. Weber received an annual cash incentive award of \$2,000,000 for managing our loan portfolio and origination platform.

Mr. Kilgore received an annual cash incentive award of \$900,000 for managing our securitization platform.

Mr. Felletter received an annual cash incentive award of \$275,000 for monitoring our portfolio.

The Company's independent directors decided to reimburse the Manager \$320,000 in cash as the Company's allocable portion of the annual cash incentive award payable to Mr. Elenio.

Stock-Based Incentive Awards

Stock Awards. Since the Company's formation in 2003, the Compensation Committee has granted the named executive officers (as well as other employees of the Company, employees of the Manager who provide services to the Company and the Company's non-management directors) stock awards, consisting of shares of the Company's common stock that may, in the discretion of the Compensation Committee, either (i) vest annually over a multi-year period, subject to the recipient's continued service to the Company or (ii) vest immediately. Employees realize value as the common stock underlying these stock awards vests, with the value increasing if the Company's stock performance increases after the date of grant. Additionally, all of the common stock underlying these restricted stock awards, whether or not vested, is entitled to cash dividends paid to the Company's stockholders, although no such dividends were paid to stockholders in 2011. All restricted stock awards have been granted pursuant to the Stock Incentive Plan.

The Compensation Committee believes that stock-based awards must be sufficient in size and value to provide a strong, long-term performance and retention incentive for named executive officers, and to increase their vested interest in the Company. In determining the equity component of a named executive officer's compensation, the Compensation Committee considers all relevant factors, including the Company's performance and relative stockholder return, the awards granted in past years and the relative value of the awards.

Table of Contents

Stock-Based Awards for 2011. On December 12, 2011, the Compensation Committee granted an aggregate of 250,000 shares of fully vested common stock to certain employees of the Company and ACM with respect to their 2011 performance, of which 155,000 shares were granted to Messrs. Elenio, Weber, Kilgore and Felletter. See "Executive Compensation Grant of Plan-Based Awards for 2011" for further details. Consistent with its historical practice of granting annual stock based awards to the named executive officers (other than Mr. Kaufman) with respect to their service to the Company and performance in the most recently completed fiscal year, in 2012, the Compensation Committee may, in its sole discretion, grant certain of our named executive officers stock-based awards, consisting of restricted stock with a multi-year vesting schedule and/or stock options with a multi-year vesting schedule under our Stock Incentive Plan with respect to their service to the Company and performance in 2011. The Compensation Committee did not grant Mr. Kaufman any stock-based awards in 2011.

The Company does not have a formal policy on timing equity compensation grants in connection with the release of material non-public information to affect the value of compensation. The Compensation Committee has generally granted stock-based awards once a year.

Future Grants of Stock Options. The Compensation Committee has traditionally viewed restricted stock awards as more effective than stock options in achieving the Company's compensation objectives. However, given the current environment, the capital and credit markets in general and the commercial real estate market in particular, and the decline in the market value of the Company's common stock over the past several years, the Compensation Committee now considers stock options, in addition to restricted stock awards, as a viable tool to retain key employees on a going forward basis. To the extent that the Compensation Committee decides to grant stock options under the Stock Incentive Plan in the future, (i) the exercise price for the stock options will be equivalent to the market price of the underlying common stock on the date of grant, (ii) the stock options will vest over a multi-year period, and (iii) the stock options will be exercisable for ten years from the date of grant. Stock options align employee incentives with the interests of shareholders because they have value only if the Company's stock price increases over time. The Compensation Committee believes that the ten-year term of the stock options will help focus employees on the Company's long-term growth. Given that the Company's stock options will vest over a multi-year period, stock options are intended to help retain key associates and keep employees focused on long-term performance. To date, no such options have been granted.

Retirement and Other Benefits

The Company maintains a 401(k) plan through an affiliate for all employees, including the named executive officers, as a source of retirement income by enabling participants to save on a pre-tax basis and by providing Company matching contributions. All of the named executive officers participated in the 401(k) plan in 2011. However, the Company only made matching contributions for Messrs. Weber, Kilgore and Felletter. Arbor Commercial Mortgage made a matching contribution for Mr. Elenio, and the Company reimbursed the Manager for an allocable portion of the total matching contribution pursuant to the cost reimbursement provisions of the management agreement.

The Company does not maintain any non-qualified deferred compensation plans that would allow executives to elect to defer receipt (and taxation) of their base salaries, bonuses or other compensation.

The named executive officers are eligible to participate in the Company's active employee flexible benefits plans, which are generally available to all Company employees. Under these plans, all employees are entitled to medical, dental, vision, life insurance and long-term disability coverage. Additionally, all of the Company's employees are entitled to vacation, sick leave and other paid holidays. The Compensation Committee believes that the Company's commitment to provide the employee benefits described above recognizes that the health and well-being of the Company's employees contribute directly to a productive and successful work life that enhances results for the Company and its stockholders.

Table of Contents

The Company provides all named executive officers who are Company employees, Messrs. Weber, Kilgore and Felletter, with (1) life insurance coverage equal to their annual salary, subject to a maximum of \$250,000, and (2) long-term disability coverage equal to 60% of their current base salary, up to a maximum annual benefit of \$120,000. Arbor Commercial Mortgage provided similar coverage for Mr. Elenio, and the Company reimbursed the Manager for an allocable portion of the total coverage contribution pursuant to the cost reimbursement provisions of the management agreement.

For further information regarding the premiums paid on the named executive officers' insurance policy, please refer to the Summary Compensation Table for 2011 set forth below in the section entitled "Executive Compensation."

Results of 2011 Advisory Vote to Approve Executive Compensation

At the 2011 Annual Meeting of Stockholders, we held our first advisory vote to approve the Company's executive compensation in accordance with the recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act. Approximately 95% of the votes cast were in favor of this advisory proposal. The Compensation Committee considered this favorable outcome and believed it conveyed our stockholders' support of the Compensation Committee's decisions and the existing executive compensation programs. As a result, the Compensation Committee made no material changes in the structure of our compensation programs or pay for performance philosophy. Also in 2011, we held an advisory vote on how frequently the Company should hold future advisory votes to approve the Company's executive compensation. A majority of votes cast selected three years. Accordingly, at the 2014 Annual Meeting of Stockholders, we will again hold an advisory vote to approve the Company's executive compensation. The Compensation Committee will continue to consider the results from the 2011 and future advisory votes on executive compensation.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code generally limits the deductible amount of total annual compensation paid by a public company to each "covered employee" (the chief executive officer and three other most highly compensated executive officers of the Company other than the chief financial officer) to no more than \$1 million. Excluded from total compensation for this purpose is compensation that is "performance-based" within the meaning of Section 162(m) of the Internal Revenue Code. Unless an exception applies, compensation otherwise deductible in connection with awards granted under the Stock Incentive Plan will be subject to this limit. We expect that the majority of the compensation paid by the Company to the named executive officers in 2011 will be deductible to the Company. The Compensation Committee will consider various alternatives to preserving the deductibility of compensation payments and benefits to the extent reasonably practicable and to the extent consistent with its other compensation objectives. The Committee has not adopted a formal policy that requires all compensation paid to the named executives to be fully deductible.

Executive Compensation in 2012

In March 2012, the Compensation Committee approved the salaries of Messrs. Weber, Kilgore and Felletter for 2012, which did not increase from 2011. In March 2012, the Compensation Committee approved the portion of the salaries of Messrs. Kaufman and Elenio that the Company is required to reimburse Arbor Commercial Mortgage for pursuant to the management agreement, which did not increase from 2011. Mr. Elenio did however receive a salary increase of 3% and his allocation percentage was reduced by 5% in 2011 subsequent to the filing of the 2011 proxy statement.

The Compensation Committee intends to continue its strategy of compensating the Company's named executive officers through programs that emphasize incentive compensation, fostering a pay-for-performance culture. To that end, a majority of executive compensation will continue to be tied

Table of Contents

to Company and individual performance, while maintaining an appropriate balance between cash and non-cash compensation.

Management Agreement

We are externally managed and advised by Arbor Commercial Mortgage pursuant to the terms of the management agreement as amended in August 2009 described below. We believe Arbor Commercial Mortgage's experience and reputation positions it to originate attractive investment opportunities for us. Our management agreement with Arbor Commercial Mortgage was developed to capitalize on synergies with Arbor Commercial Mortgage's origination infrastructure, existing business relationships and management expertise. Since we currently employ only three executive officers and 32 employees in total, we rely to a significant extent on the facilities and resources of our Manager to conduct our operations.

Cost Reimbursement

For performing services under the management agreement, we reimburse Arbor Commercial Mortgage for its actual costs incurred to manage the Company's business and operations pursuant to the terms of an annual budget, which is subject to the review and approval of the Independent Director Committee of the Board on an annual basis and is also subject to quarterly reconciliation procedures. The Manager's annual budget includes an allocable portion of the base salaries, annual cash bonuses and employee benefits paid to employees of the Manager who provide services to the Company. We paid our Manager \$8.3 million pursuant to the agreed-upon budget of the Manager for 2011. A portion of this amount represented the Company's allocable portion of the base salary and annual cash bonuses paid to Messrs. Kaufman and Elenio with respect to their service in 2011.

Because our management agreement provides that Arbor Commercial Mortgage assumes principal responsibility for managing our affairs, certain of our executive officers, who are employees of our Manager, do not receive cash compensation or benefits directly from us for serving as our executive officers. However, pursuant to the terms of the management agreement, the Company reimburses the Manager for a portion of the base salaries, annual cash bonuses and employee benefits paid to employees of the Manager who provide services to the Company, including our Chief Executive Officer, Mr. Kaufman, and our Chief Financial Officer, Mr. Elenio. Such employees of the Manager are also eligible to receive grants of equity-based incentive awards under the Stock Incentive Plan. In their capacities as officers or employees of our Manager or its affiliates, they devote such portion of their time to our affairs as is required for the performance of the duties of our Manager under the management agreement.

Incentive Management Fee

We also pay our Manager an incentive fee based on our performance as described in "Certain Relationships and Related Transactions Management and Services Agreements."

The incentive fee is calculated as (1) 25% of the amount by which (a) our funds from operations per share, adjusted for certain gains and losses including gains from the retirement and restructuring of debt and 60% of any loan loss reserve recoveries (spread over a three year period), exceeds (b) the product of (x) 9.5% per annum or the Ten Year U.S. Treasury Rate plus 3.5%, whichever is greater, and (y) the greater of \$10.00 or the weighted average of book value of the net assets contributed by ACM to Arbor Realty Limited Partnership ("ARLP") per ARLP partnership unit, the offering price per share of our common equity in the private offering on July 1, 2003 and subsequent offerings and the issue price per ARLP partnership unit for subsequent contributions to ARLP, multiplied by (2) the weighted average of our outstanding shares.

Table of Contents

The minimum return, or incentive fee hurdle, to be reached before an incentive fee is earned, is a percentage applied on a per share basis to the greater of \$10.00 or the average gross proceeds per share. In addition, 60% of any loan loss and other reserve recoveries are eligible to be included in the incentive fee calculation, which recoveries are spread over a three year period.

The incentive fee is measured on an annual basis. However, when applicable, our Manager receives quarterly installments of the incentive fee in advance. The quarterly installments are calculated based on the results for the period of twelve months ending on the last day of each quarter with respect to which such installment is payable. Each quarterly installment payment is deemed to be an advance of a portion of the incentive fee payable for the year, with an adjustment at year end to reflect the full year's results, and any overpayments are required to be repaid in accordance with the management agreement. Subject to the ownership limitations in our charter, at least 25% of this incentive compensation is payable to our Manager in shares of our common stock having a value equal to the average closing price per share for the last 20 days of the fiscal quarter for which the incentive compensation is being paid.

The management agreement also allows us to consider, from time to time, the payment of additional "success-based" fees to our Manager for accomplishing certain specified corporate objectives in the sole discretion of our independent directors. No "success-based" payments were made for the year ended December 31, 2011.

Origination Fees

Under the terms of the management agreement, origination fees paid by borrowers for loans or investments made by us, less any payments to unaffiliated third party brokers or other unaffiliated third party costs in connection with the origination of these investments, are retained by us or otherwise reduce the base management fee installment for that month.

Term and Termination

The management agreement is renewable automatically for an additional one year period every year, unless terminated with six months' prior written notice. If we terminate or elect not to renew the management agreement without cause, we are required to pay a termination fee of \$10 million.

Compensation Committee Report on Executive Compensation

The Compensation Committee (the "Compensation Committee") of the Board of Directors (the "Board of Directors") of Arbor Realty Trust, Inc., a Maryland corporation (the "Company") has reviewed and discussed the "Compensation Discussion and Analysis" with the Company's management. Based upon this review and their discussions, the Compensation Committee recommended that the Board of Directors include the "Compensation Discussion and Analysis" in the Company's proxy statement for its 2012 annual meeting of stockholders. In addition, the Compensation Committee considered whether the Company's executive compensation program encourages unnecessary risk taking and has concluded that it does not.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of a class of our equity securities registered pursuant to Section 12 of the Exchange Act, to file reports of ownership on Forms 3, 4 and 5 with the SEC. Based solely on the Company's review of the copies of such forms received by it, or written representations from certain reporting persons that no filings were required for those persons, the Company believes that during and with respect to the fiscal year ended December 31, 2011 all filings required by Section 16(a) of the Exchange Act were timely made.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policy Regarding the Review, Approval or Ratification of Transactions with Related Persons

In recognition of the fact that transactions involving related parties can present potential or actual conflicts of interest or create the appearance that Company decisions are based on considerations other than the best interests of the Company and its stockholders, the Board of Directors has adopted a written policy, the "Policy and Procedures With Respect to Related Person Transactions", which we refer to as our Related Persons Policy, which provides for the review and approval (or, if completed, ratification) by the Independent Director Committee (or, in certain circumstances, the Chair of the Independent Director Committee) of all transactions involving the Company in which a related party is known to have a direct or indirect interest, including transactions required to be reported under paragraph (a) of Item 404 of Regulation S-K promulgated by the SEC. All Related Persons are required to report to our Corporate Secretary, who is required to submit to our Independent Director Committee any such related party transaction prior to its completion.

Our Related Persons Policy covers all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) was, is or will be a participant and the amount involved exceeds \$120,000, and in which any Related Person had, has or will have a direct or indirect material interest.

A "Related Person", as defined in our Related Persons Policy, means any person who is, or at any time since the beginning of the Company's last fiscal year was, a director or executive officer of the Company or a nominee to become a director of the Company; any person who is known to be the beneficial owner of more than 5% of any class of the Company's voting securities; any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the director, executive officer, nominee or more than 5% beneficial owner, and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee or more than 5% beneficial owner; and any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest.

In reviewing any related person transaction, all of the relevant facts and circumstances must be considered, including (i) the related person's relationship to us and his or her interest in the transaction, (ii) the proposed aggregate value of the transaction, or, in the case of indebtedness, the amount of principal that would be involved, (iii) the benefits to us, (iv) the availability of comparable products or services that would avoid the need for a related person transaction and (v) the terms of the transaction and the terms available to unrelated third parties or to employees generally.

Management and Services Agreements

We and our operating partnership have entered into a management agreement with Arbor Commercial Mortgage, pursuant to which Arbor Commercial Mortgage provides for the day to day management of our operations. Arbor Commercial Mortgage is also required to provide us with a right of first refusal with respect to all structured finance investment opportunities in the multi-family and commercial real estate markets that are identified by Arbor Commercial Mortgage or its affiliates as long as such investment opportunities are consistent with our investment objectives and guidelines and such investment opportunities would not adversely affect our status as a REIT. We have agreed not to pursue, and to allow Arbor Commercial Mortgage to pursue, any opportunity in structured finance investment opportunities in the multi-family and commercial real estate markets if the opportunity is rejected by our credit committee and a majority of our independent directors.

In August 2009, we amended our management agreement with Arbor Commercial Mortgage. The amendment was negotiated by a special committee of our Board of Directors, consisting solely of independent directors and approved unanimously by all of the independent directors.

The base management fee is an arrangement whereby we reimburse the Manager for its actual costs incurred in managing our business based on the parties' agreement in advance on an annual budget with subsequent quarterly true-ups to actual costs. The 2011 and 2010 base management fee was \$8.3 million and \$7.6 million, respectively, and the 2012 base management fee is estimated to be approximately \$9.7 million. All origination fees on investments are now retained by us.

The incentive fee is calculated as (1) 25% of the amount by which (a) our funds from operations per share, adjusted for certain gains and losses, including gains from the retirement and restructuring of debt and 60% of any loan loss reserve recoveries (spread over a three year period), exceeds (b) the product of (x) 9.5% per annum or the Ten Year U.S. Treasury Rate plus 3.5%, whichever is greater, and (y) the greater of \$10.00 or the weighted average of book value of the net assets contributed by

Table of Contents

ACM to ARLP per ARLP partnership unit, the offering price per share of our common equity in the private offering on July 1, 2003 and subsequent offerings and the issue price per ARLP partnership unit for subsequent contributions to ARLP, multiplied by (2) the weighted average of our outstanding shares.

The minimum return, or incentive fee hurdle, to be reached before an incentive fee is earned, is a percentage applied on a per share basis to the greater of \$10.00 or the average gross proceeds per share. In addition, 60% of any loan loss and other reserve recoveries are eligible to be included in the incentive fee calculation, which recoveries are spread over a three year period.

The management agreement also allows us to consider, from time to time, the payment of additional fees to Arbor Commercial Mortgage for accomplishing certain specified corporate objectives; has a termination fee of \$10 million; and is renewable automatically for successive one-year terms, unless terminated with six months prior written notice.

We and our operating partnership have also entered into a services agreement with Arbor Commercial Mortgage pursuant to which our asset management group provides asset management services to Arbor Commercial Mortgage. In the event that the services provided by our asset management group pursuant to the agreement exceed by more than 15% per quarter the level of activity anticipated by our Board of Directors, we will negotiate in good faith with our Manager an adjustment to our Manager's base management fee under the management agreement, to reflect the scope of the services, the quantity of serviced assets or the time required to be devoted to the services by our asset management group.

Non-Competition Agreement

We have entered into a non-competition agreement with Mr. Kaufman pursuant to which he has agreed not to pursue any structured finance opportunities in the multi-family and commercial real estate markets unless a majority of our independent directors affirmatively approves the pursuit by Mr. Kaufman of such opportunity that a majority of our independent directors and our credit committee have rejected on our behalf. Mr. Kaufman has also agreed that if he is no longer an affiliate of Arbor Commercial Mortgage and, within the first five years of the term of the management agreement, he is no longer our Chief Executive Officer other than because of certain reasons specified in the non-competition agreement, he will not engage in the structured finance lending business for a period of one year after the earlier of his departure from us or the regular expiration of the one year origination period described in the management agreement. Mr. Kaufman's non-competition agreement also prohibits Mr. Kaufman from soliciting our customers or employees during its term.

Benefits Participation Agreement

We have also entered into a benefits participation agreement with Arbor Commercial Mortgage, pursuant to which our employees are able to participate in any employee benefit plans maintained by Arbor Management for the benefit of Arbor Commercial Mortgage employees. Arbor Management charges us an amount equal to its cost of providing benefits to each of our employees.

Related Party Loans and Investments

Due from related party was approximately \$0.7 million and \$0.3 million at December 31, 2011 and 2010, respectively, and consisted primarily of escrows held by ACM and its affiliates related to real estate transactions. In December 2010, ACM surrendered 701,197 shares of our common stock in payment of \$3.6 million, or a 50% portion of the \$7.3 million receivable related to the exchange of our Prime Outlets Member, LLC profits interest. The remaining \$3.6 million was offset against the 2010 incentive management fee as of December 31, 2010, which is discussed below.

Table of Contents

Due to related party was \$2.7 million at December 31, 2011 and consisted primarily of base management fees due to ACM, which were remitted by us in the first quarter of 2012. At December 31, 2010, due to related party was \$17.4 million and consisted primarily of an incentive management fee for the twelve month period ended December 31, 2010 of \$18.8 million, offset by the \$3.6 million receivable discussed above, and base management fees of \$2.3 million due to ACM, all of which were remitted by us in the first quarter of 2011. ACM elected to be paid the remaining incentive management fee in 666,927 shares of the Company's common stock and \$11.1 million in cash. See "Management Agreement" above.

In December 2011, we completed a restructuring of a \$67.6 million preferred equity loan on the Lexford Portfolio ("Lexford"), which is a portfolio of multi-family assets. We, along with a consortium of independent outside investors, made an additional preferred equity investment of \$25.0 million in Lexford, of which we held a \$10.9 million interest at December 31, 2011. The original preferred equity investment now bears a fixed rate of interest of 2.36%, revised from an original rate of LIBOR plus 5.00% (the loan was paying a modified rate of LIBOR plus 1.65% at the time of the new investment). The original preferred equity investment matures in June 2020. The new preferred equity investment has a fixed interest rate of 12% and also matures in June 2020. We, along with the same outside investors, also made a \$0.1 million equity investment into Lexford, of which we hold a \$44,000 noncontrolling interest, and do not have the power to control the significant activities of the entity. During the fourth quarter of 2011, we recorded losses from the entity against the equity investment, reducing the balance to zero at December 31, 2011. We record this investment under the equity method of accounting. In addition, under the terms of the restructuring, Lexford's first mortgage lender required a change of property manager for the underlying assets. The new management company is an affiliate of Mr. Ivan Kaufman, and has a contract with the new entity for 7.5 years and will be entitled to 4.75% of gross revenues of the underlying properties, along with the potential to share in the proceeds of a sale or refinancing of the debt should the management company remain engaged by the new entity at the time of such capital event. In the first quarter of 2012, Mr. Fred Weber, our Executive Vice President of Structured Finance, invested \$250,000 in the new management company for a 25% investment.

During the second quarter of 2011, we originated a mortgage loan to a third party borrower secured by property purchased from ACM, our manager. The loan had an unpaid principal balance of \$6.2 million, a maturity date of May 2014 and a variable interest rate of LIBOR plus 6.00%. Upon approving the transaction, the independent directors committee of the Board of Directors required us to sell the loan in 90 days and ACM agreed to guarantee the loan until it was sold. In the third quarter of 2011, the loan was sold to an affiliated entity of Mr. Ivan Kaufman for \$6.2 million. Interest income recorded from this loan for the year ended December 31, 2011 was approximately \$0.2 million.

During the second quarter of 2011, we originated a loan to a third party borrower for a portfolio of properties with an unpaid principal balance of \$24.4 million as of December 31, 2011, of which, one property in the portfolio was previously financed with an \$11.7 million loan that was purchased by ACM, our manager. The \$11.7 million loan was repaid as part of the \$24.4 million loan on the portfolio. The new loan has a maturity date of May 2016 and a variable interest rate of LIBOR plus 4.75%. Interest income recorded from this loan for the year ended December 31, 2011 was approximately \$0.8 million.

During the first quarter of 2011, we originated four mortgage loans totaling \$28.4 million to borrowers which were secured by property purchased from ACM, our manager, or its affiliate. Two of the loans totaling \$22.4 million have maturity dates of March 2014 and a combined weighted average variable interest rate of 6.28% as of December 31, 2011 and were secured by the same property. The third was a \$2.0 million bridge loan with a maturity date of February 2013 and an interest rate of one-month LIBOR plus 6.00%. The fourth was a \$4.0 million bridge loan with a maturity date in April

2013 and an interest rate of one-month LIBOR plus 6.00%. Interest income recorded from these loans for the year ended December 31, 2011 totaled approximately \$1.5 million.

General

Every transaction entered into between us and an entity in which Arbor Commercial Mortgage holds equity interests raises a potential conflict of interest. Conflicts of interest with respect to these investments include, among others, decisions regarding (1) whether to waive defaults of such borrower, (2) whether to foreclose on the investment and (3) whether to permit additional financing on the properties securing our investments other than financing provided by us.

Arbor Commercial Mortgage may from time to time provide permanent mortgage loan financing to clients of ours, which will be used to refinance bridge financing provided by us. We and Arbor Commercial Mortgage may also make loans to the same borrower or to borrowers that are under common control. Additionally, our policies and those of Arbor Commercial Mortgage may require us to enter into intercreditor agreements in situations where loans are made by us and Arbor Commercial Mortgage to the same borrower.

In addition, we may enter into future transactions with Arbor Commercial Mortgage with the approval of our independent directors.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2012**

The Audit Committee of our Board of Directors has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2012. The Board has endorsed this appointment. Ernst & Young audited our consolidated financial statements for the fiscal years ended December 31, 2011 and December 31, 2010. A representative of Ernst & Young is expected to be present at the annual meeting and will be available to respond to appropriate questions from our stockholders and will be given an opportunity to make a statement if he or she desires to do so.

Stockholder ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm is not required by our bylaws or otherwise. However, the Board of Directors is submitting the appointment of Ernst & Young to the stockholders for ratification as a matter of good corporate governance. Ratification of the appointment of Ernst & Young as our independent registered public accounting firm for fiscal year 2012 requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities.

If this appointment is not ratified by our stockholders, the Audit Committee and the Board may reconsider its recommendation and endorsement, respectively. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company.

pre-approves all audit services. In some cases, pre-approval of a particular category or group of services, such as tax consulting services and audit services, is provided by the full Audit Committee for up to a year and is subject to a specific budget. In other cases, the Chairman of the Audit Committee has the delegated authority from the full Audit Committee to pre-approve additional services, and such pre-approvals are then communicated to the full Audit Committee.

PROPOSAL NO. 3:

**APPROVAL OF AN AMENDMENT TO THE COMPANY'S CHARTER TO LOWER EACH OF THE
AGGREGATE STOCK OWNERSHIP LIMIT AND THE COMMON STOCK OWNERSHIP LIMIT
FROM 7.0 PERCENT TO 5.0 PERCENT**

The Company's Board of Directors has determined that the proposal to amend the Company's charter to lower each of the aggregate stock ownership limit and the common stock ownership limit contained in the charter from 7.0 percent to 5.0 percent is advisable and in the best interests of the Company and its stockholders and has directed that the proposed Articles of Amendment to lower such limits, the form of which is attached hereto as Appendix A (the "Charter Amendment"), be submitted for consideration and approval by the Company's stockholders. The relevant provisions of, and the proposed amendments to, the charter are summarized below.

Current REIT Stock Ownership Limitations in the Charter

The charter provides for limitations on the transfer and ownership of the Company's stock. Such restrictions are intended to assist the Company in maintaining and monitoring its qualification as a real estate investment trust (a "REIT") for federal income tax purposes. The requirements under the Internal Revenue Code of 1986, as amended (the "Code"), for qualification as a REIT, include certain rules relating to the ownership of the REIT's stock. One such requirement is that, in general, no five or fewer "individuals," which term includes certain types of entities, may directly or constructively own more than 50% of the value of a REIT's stock.

In order to ensure compliance with the foregoing tax law requirement, the charter currently includes an aggregate stock ownership limit, which generally restricts any individual, corporation or any other entities, and includes a "group" as such term is defined under the SEC's beneficial ownership rules (each, a "Person"), from "beneficially owning" or "constructively owning", as each term is defined in the charter, more than 7.0% of the aggregate value of the outstanding shares of the Company's stock. The charter also contains a common stock ownership limit, which generally restricts a Person from "beneficially owning" or "constructively owning" more than 7.0% of either the number or value, whichever is more restrictive, of the outstanding shares of the Company's common stock. Purported transfers or ownership of our stock in violation of these limits may result in the affected shares being transferred to a trust for a charitable beneficiary and not to the intended transferee or owner, or the purported transfer otherwise being void.

The REIT stock ownership limitations under the Code and in the charter involve technical and complex attribution rules, pursuant to which shares of stock may be treated as owned by persons having specified relationships to the stockholder of record. In addition, shares of stock underlying outstanding options and warrants may, in certain circumstances, be treated for purposes of these rules as owned by the holder of the option or warrant.

The Company's Board of Directors is vested with broad discretion to interpret and apply the ownership limitations contained in the charter, including the application of the attribution rules and the determination of values, and to resolve any ambiguities. In addition, the Board of Directors has authority to grant, and has granted, exemptions for certain of the Company's stockholders from the ownership limitations contained in the charter, upon determining that granting such exemption will not adversely affect the Company's ability to maintain its qualification as a REIT, and subject to such terms and conditions as prescribed by the charter or that the Board of Directors has deemed appropriate. Such terms and conditions may include establishing a special "excepted holder limit" that applies to the recipient of the exemption.

Effect of Ownership of the Company's Capital Stock by the Chief Executive Officer and the Company's External Manager on the Company's REIT Stock Ownership Limitations

Ivan Kaufman, the Company's chief executive officer and the controlling owner of Arbor Commercial Mortgage, the Company's external manager, currently beneficially owns approximately 23% of our common stock. The Company's management agreement with Arbor Commercial Mortgage provides that Arbor Commercial Mortgage would be entitled to be paid a certain annual incentive fee, payable in quarterly installments, upon the achievement of a certain annual performance hurdle. The management agreement also provides that at least 25% of each such quarterly installment is payable in the form of shares of the Company's common stock to the extent that it would not adversely affect the Company's qualification as a REIT. The ability of other stockholders to beneficially or constructively own up to 7.0% of the Company's common stock pursuant to the charter's current stock ownership limitation, along with the waiver granted to Mr. Kojaian, one of our directors, which permits him to beneficially own up to 8.3% of our outstanding common stock, constrain the ability of Mr. Kaufman and Arbor Commercial Mortgage to maintain their current levels of ownership of our common stock, without jeopardizing the Company's REIT qualification. The Company believes that direct or beneficial ownership of our stock by Mr. Kaufman and Arbor Commercial Mortgage serves to align their interests with those of the Company's other stockholders, and is therefore generally in the Company's best interests.

In order to preserve the ability of Mr. Kaufman and Arbor Commercial Mortgage to maintain their current levels of ownership of the Company's outstanding common stock, the Company's stockholders are being asked to consider an amendment to the Company's charter that would reduce from 7.0% to 5.0% both (i) the aggregate stock ownership limit of the aggregate value of the outstanding shares of the Company's stock, and (ii) the common stock ownership limit of the number or value, whichever is more restrictive, of the outstanding shares of the Company's common stock. These proposed 5.0% aggregate and common stock ownership limits would apply to each of the Company's stockholders, except for (i) Ivan Kaufman, Arbor Commercial Mortgage and Mr. Kojaian, each which have previously been granted waivers from the Company's general aggregate and common stock ownership limits, and (ii) as further described below, any other stockholder that the Company's Board of Directors may, in its sole discretion, grant an "excepted holder limit", thus allowing it to hold a greater percentage of our common stock than would otherwise be permissible under the proposed 5.0% aggregate and common stock ownership limits. Therefore, the reduced aggregate and common stock ownership limits may limit the ability of our current stockholders, other than Messrs. Kaufman and Kojaian and Arbor Commercial Mortgage, to acquire additional shares of our common stock.

To the extent that any stockholder's current "beneficial ownership" or "constructive ownership" of the Company's common stock would exceed the proposed 5.0% aggregate or common stock ownership limits, the Company expects to work with such stockholders to determine whether granting any such stockholder an exemption from the new 5.0% stock ownership limits would not adversely affect the Company's REIT qualification. If the Board of Directors makes a favorable determination in that regard, it may elect to grant such stockholder a waiver from the proposed 5.0% aggregate or common stock ownership limits prior to the effective date of the amendment of the charter, subject to such terms and conditions prescribed by the charter or that the Board of Directors otherwise deems appropriate.

If the current 7.0% aggregate and common stock ownership limits contained in the charter are reduced to 5.0% as a result of the approval of the Charter Amendment, this may make it more difficult for a stockholder other than Messrs. Kaufman and Kojaian and Arbor Commercial Mortgage (all of whom have been granted exemptions from the general stock ownership limits) to accumulate substantial stock holdings in the Company, and therefore may delay, defer or prevent a change in control of the Company, or other transactions by a third party, in each case without the consent of our Board of Directors.

Table of Contents

The Board of Directors has determined that the proposed reduction of the charter's aggregate stock ownership limit and the common stock ownership limit pursuant to the Charter Amendment are advisable and in the best interests of the Company and its stockholders, in light of the desire for Mr. Kaufman and Arbor Commercial Mortgage to maintain their current levels of ownership of the Company's outstanding common stock, while maintaining the Company's qualification as a REIT.

Vote Required for Approval of the Charter Amendment

Approval of the Charter Amendment requires the affirmative vote of a majority of the votes entitled to be cast on the proposal at the annual meeting by holders of our voting securities. For purposes of the vote on the Charter Amendment, abstentions and broker non-votes will have the same effect as votes against the proposal.
