**To Be Held on June 19, 2014**

---

#### **Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on June 19, 2014:**

**The proxy statement and annual report, as well as the Company's proxy card, are available at  
[www.proxyvote.com](http://www.proxyvote.com).**

---

This proxy statement is being furnished to you by the Board of Directors (the "Board" or "Board of Directors") of Rite Aid Corporation (the "Company" or "Rite Aid") to solicit your proxy to vote your shares at our 2014 Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held on June 19, 2014 at 10:30 a.m., local time, at the Holiday Inn Harrisburg-East, 4751 Lindle Road, Harrisburg, PA 17111. This proxy statement, the foregoing notice and the accompanying proxy card are first being mailed on or about May 19, 2014 to all holders of our common stock, par value \$1.00 per share, entitled to vote at the Annual Meeting. At Rite Aid and in this proxy statement, we refer to our employees as associates.

#### **QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING**

##### ***Who is entitled to vote at the Annual Meeting?***

Holders of Rite Aid common stock as of the close of business on the record date, April 28, 2014, will receive notice of, and be eligible to vote at, the Annual Meeting and any adjournment or postponement of the Annual Meeting. At the close of business on the record date, Rite Aid had outstanding and entitled to vote 975,433,737 shares of common stock. No other shares of Rite Aid capital stock are entitled to notice of and to vote at the Annual Meeting.

##### ***What matters will be voted on at the Annual Meeting?***

There are five proposals that are scheduled to be considered and voted on at the Annual Meeting:

## Edgar Filing: RITE AID CORP - Form DEF 14A

Proposal No. 1: Elect eight directors to hold office until the 2015 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified;

Proposal No. 2: Ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm;

Proposal No. 3: Conduct an advisory vote to approve the compensation of our named executive officers as presented in this proxy statement;

Proposal No. 4: Approve the adoption of the Rite Aid Corporation 2014 Omnibus Equity Incentive Plan; and

---

Table of Contents

Proposal No. 5: Consider a stockholder proposal requiring an independent chairman.

Stockholders also will be asked to consider and vote at the Annual Meeting on any other matter that may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. At this time, the Board of Directors is unaware of any matters, other than those set forth above, that may properly come before the Annual Meeting.

***What are the Board's voting recommendations?***

The Board recommends that you vote "FOR" the nominees of the Board in the election of directors, "FOR" the ratification of Deloitte & Touche LLP as the Company's independent registered public accounting firm, "FOR" the approval, on an advisory basis, of the compensation of our named executive officers as presented in this proxy statement, "FOR" the approval of the adoption of the Rite Aid Corporation 2014 Omnibus Equity Incentive Plan and "AGAINST" the stockholder proposal.

***What is the difference between holding shares as a stockholder of record and as a beneficial owner?***

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, you are considered the "stockholder of record" with respect to those shares.

If your shares are held in a stock brokerage account or by a bank or other nominee, those shares are held in "street name" and you are considered the "beneficial owner" of the shares. As the beneficial owner of those shares, you have the right to direct your broker, bank or nominee how to vote your shares, and you will receive separate instructions from your broker, bank or other holder of record describing how to vote your shares.

***How can I vote my shares before the Annual Meeting?***

**If you hold your shares in your own name**, you may submit a proxy by telephone, via the Internet or by mail.

*Submitting a Proxy by Telephone:* You can submit a proxy for your shares by telephone until 11:59 p.m. Eastern Daylight Time on June 18, 2014, by calling the toll-free telephone number on the enclosed proxy card, 1-800-690-6903. Telephone proxy submission is available 24 hours a day. Easy-to-follow voice prompts allow you to submit a proxy for your shares and confirm that your instructions have been properly recorded. Our telephone proxy submission procedures are designed to authenticate stockholders by using individual control numbers.

*Submitting a Proxy via the Internet:* You can submit a proxy for your shares via the Internet until 11:59 p.m. Eastern Daylight Time on June 18, 2014, by accessing the website listed on the enclosed proxy card, [www.proxyvote.com](http://www.proxyvote.com), and following the instructions you will find on the website. Internet proxy submission is available 24 hours a day. As with telephone proxy submission, you will be given the opportunity to confirm that your instructions have been properly recorded.

*Submitting a Proxy by Mail:* If you choose to submit a proxy for your shares by mail, simply mark the enclosed proxy card, date and sign it, and return it in the postage paid envelope provided.

By casting your vote in any of the three ways listed above, you are authorizing the individuals listed on the proxy to vote your shares in accordance with your instructions. You may also attend the Annual Meeting and vote in person.

**If your shares are held in the name of a bank, broker or other nominee**, you will receive instructions from the holder of record that you must follow for your shares to be voted. The availability of telephonic or Internet voting will depend on the bank's or broker's voting process. Please check with

Table of Contents

your bank or broker and follow the voting procedures your bank or broker provides to vote your shares. Also, please note that if the holder of record of your shares is a bank, broker or other nominee and you wish to vote in person at the Annual Meeting, you must request a legal proxy from your bank, broker or other nominee that holds your shares and present that proxy and proof of identification at the Annual Meeting; otherwise, you will not be able to vote in person at the Annual Meeting.

***If I am the beneficial owner of shares held in "street name" by my broker, will my broker automatically vote my shares for me?***

New York Stock Exchange ("NYSE") rules applicable to brokers grant your broker discretionary authority to vote your shares without receiving your instructions on certain matters. Your broker has discretionary voting authority under NYSE rules to vote your shares on the ratification of Deloitte & Touche LLP as our independent registered public accounting firm. However, unless you provide voting instructions to your broker, your broker does not have discretionary authority to vote on the election of directors, the advisory vote on the compensation of our named executive officers, the adoption of the Rite Aid Corporation 2014 Omnibus Equity Incentive Plan and the stockholder proposal.

**Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.**

***How will my shares be voted if I give my proxy but do not specify how my shares should be voted?***

If you provide specific voting instructions, your shares will be voted at the Annual Meeting in accordance with your instructions. If you hold shares in your name and sign and return a proxy card without giving specific voting instructions, your shares will be voted "FOR" the nominees of the Board in the election of directors, "FOR" the ratification of Deloitte & Touche LLP as the Company's independent registered public accounting firm, "FOR" the approval, on an advisory basis, of the compensation of our named executive officers, "FOR" the approval of the adoption of the Rite Aid Corporation 2014 Omnibus Equity Incentive Plan and "AGAINST" the stockholder proposal.

***Could other matters be decided at the Annual Meeting?***

At this time, we are unaware of any matters, other than as set forth above, that may properly come before the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Annual Meeting or any adjournment or postponement of the Annual Meeting, will be deemed authorized to vote or otherwise act on such matters in accordance with their judgment.

***Who may attend the Annual Meeting?***

All stockholders are invited to attend the Annual Meeting. Persons who are not stockholders may attend only if invited by the Board of Directors. If you are the beneficial owner of shares held in the name of your broker, bank or other nominee, you must bring proof of ownership (e.g., a current broker's statement) in order to be admitted to the meeting. You can obtain directions to the Annual Meeting by contacting our Investor Relations Department at (717) 975-3710.

***Can I vote in person at the Annual Meeting?***

Yes. If you hold shares in your own name as a stockholder of record, you may come to the Annual Meeting and cast your vote at the meeting by properly completing and submitting a ballot. If you are the beneficial owner of shares held in the name of your broker, bank or other nominee, you must first obtain a legal proxy from your broker, bank or other nominee giving you the right to vote those shares and submit that proxy along with a properly completed ballot at the meeting; otherwise, you will not be able to vote in person at the Annual Meeting.

Table of Contents

***How can I change my vote?***

You may revoke your proxy at any time before it is exercised by:

Delivering to the Secretary a written notice of revocation, dated later than the proxy, before the vote is taken at the Annual Meeting;

Delivering to the Secretary an executed proxy bearing a later date, before the vote is taken at the Annual Meeting;

Submitting a proxy on a later date by telephone or via the Internet (only your last telephone or Internet proxy will be counted), before 11:59 p.m. Eastern Daylight Time on June 18, 2014; or

Attending the Annual Meeting and voting in person (your attendance at the Annual Meeting, in and of itself, will not revoke the proxy).

Any written notice of revocation, or later dated proxy, should be delivered to:

Rite Aid Corporation  
30 Hunter Lane  
Camp Hill, Pennsylvania 17011  
Attention: Marc A. Strassler, Secretary

Alternatively, you may hand deliver a written revocation notice, or a later dated proxy, to the Secretary at the Annual Meeting before we begin voting.

If your shares of Rite Aid common stock are held by a bank, broker or other nominee, you must follow the instructions provided by the bank, broker or other nominee if you wish to change your vote.

***What is an "abstention" and how would it affect the vote?***

An "abstention" occurs when a stockholder sends in a proxy with explicit instructions to decline to vote regarding a particular matter. Abstentions are counted as present for purposes of determining a quorum. An abstention with respect to the election of directors is neither a vote cast "for" a nominee nor a vote cast "against" the nominee and, therefore, will have no effect on the outcome of the vote. Abstentions with respect to the ratification of Deloitte & Touche LLP as our independent registered public accounting firm, the advisory vote on compensation of our named executive officers, the adoption of the Rite Aid Corporation 2014 Omnibus Equity Incentive Plan and the stockholder proposal will have the same effect as voting "against" the proposal.

***What is a broker "non-vote" and how would it affect the vote?***

A broker non-vote occurs when a broker or other nominee who holds shares for the beneficial owner is unable to vote those shares for the beneficial owner because the broker or other nominee does not have discretionary voting power for the proposal and has not received voting instructions from the beneficial owner of the shares. Brokers will have discretionary voting power to vote shares for which no voting instructions have been provided by the beneficial owner only with respect to the ratification of Deloitte & Touche LLP as our independent registered public accounting firm. Brokers will not have such discretionary voting power to vote shares with respect to the election of directors, the advisory vote on the compensation of our named executive officers, the adoption of the Rite Aid Corporation 2014 Omnibus Equity Incentive Plan or the stockholder proposal. Shares that are the subject of a broker non-vote are included for quorum purposes, but a broker non-vote with respect to a proposal will not be counted as a vote cast and will not be counted as a vote represented at the meeting and entitled to vote and, consequently, will have no effect on the outcome of the vote. Accordingly, it is particularly important that beneficial owners of Rite Aid shares instruct their brokers how to vote their shares.

Table of Contents

*What are the quorum and voting requirements for the proposals?*

In deciding the proposals that are scheduled for a vote at the Annual Meeting, each holder of common stock as of the record date is entitled to one vote per share of common stock. In order to take action on the proposals, a quorum, consisting of the holders of 487,716,869 shares (a majority of the aggregate number of shares of Rite Aid common stock) issued and outstanding and entitled to vote as of the record date for the Annual Meeting, must be present in person or by proxy. This is referred to as a "quorum." Proxies marked "Abstain" and broker non-votes will be treated as shares that are present for purposes of determining the presence of a quorum.

*Proposal No. 1 Election of Directors*

The affirmative vote of a majority of the total number of votes cast is required for the election of each director nominee named in Proposal No. 1. This means that the votes cast "for" that nominee must exceed the votes cast "against" that nominee. Any shares not voted (whether by abstention, broker non-vote or otherwise) will not be counted as votes cast and will have no effect on the outcome of the vote. For more information on the operation of our majority voting standard, see the section entitled "Board of Directors Corporate Governance Majority Voting Standard and Policy."

*Proposal No. 2 Ratification of Independent Registered Public Accounting Firm*

The affirmative vote of a majority of the shares represented at the meeting and entitled to vote is required for the ratification of Deloitte & Touche LLP as our independent registered public accounting firm in Proposal No. 2. Any shares represented and entitled to vote at the meeting and not voted (whether by abstention or otherwise) will have the same effect as a vote "against" the proposal.

*Proposal No. 3 Advisory Vote on Compensation of Named Executive Officers*

The affirmative vote of a majority of the shares represented at the meeting and entitled to vote is required for the approval of the advisory vote on the compensation of our named executive officers in Proposal No. 3. Any shares represented and entitled to vote at the meeting and not voted (whether by abstention or otherwise) will have the same effect as a vote "against" the proposal. Any broker non-votes with respect to the advisory vote on the compensation of our named executive officers will not be counted as shares represented at the meeting and entitled to vote and, consequently, will have no effect on the outcome of the vote.

*Proposal No. 4 Adoption of the Rite Aid Corporation 2014 Omnibus Equity Incentive Plan*

The affirmative vote of a majority of the shares represented at the meeting and entitled to vote is required for the approval of the adoption of the Rite Aid Corporation 2014 Omnibus Equity Incentive Plan in Proposal No. 4. Any shares represented and entitled to vote at the meeting and not voted (whether by abstention or otherwise) will have the same effect as a vote "against" the proposal. Any broker non-votes with respect to the adoption of the Rite Aid Corporation 2014 Omnibus Equity Incentive Plan will not be counted as shares represented at the meeting and entitled to vote and, consequently, will have no effect on the outcome of the vote.

*Proposal No. 5 Stockholder Proposal Independent Chairman*

The affirmative vote of a majority of the shares represented at the meeting and entitled to vote is required for the approval of the stockholder proposal in Proposal No. 5. Any shares represented and entitled to vote at the meeting and not voted (whether by abstention or otherwise) will have the same effect as a vote "against" the proposal. Any broker non-votes with respect to the stockholder proposal will not be counted as shares represented at the meeting and entitled to vote and, consequently, will have no effect on the outcome of the vote.

Table of Contents

***What happens if a quorum is not present at the Annual Meeting?***

If the shares present in person or represented by proxy at the Annual Meeting are not sufficient to constitute a quorum, the stockholders by a vote of the holders of a majority of votes present in person or represented by proxy (which may be voted by the proxyholders) may, without further notice to any stockholder (unless a new record date is set), adjourn the meeting to a different time and place to permit further solicitations of proxies sufficient to constitute a quorum.

***Who will count the votes?***

Representatives of Broadridge Financial Services will tabulate the votes and act as inspectors of election.

***Who will conduct the proxy solicitation and how much will it cost?***

We are soliciting proxies from stockholders on behalf of our Board and will pay for all costs incurred by it in connection with the solicitation. In addition to solicitation by mail, the directors, officers and associates of Rite Aid and its subsidiaries may solicit proxies from stockholders of Rite Aid in person or by telephone, facsimile or email without additional compensation other than reimbursement for their actual expenses.

We have retained Innisfree M&A Incorporated ("Innisfree"), a proxy solicitation firm, to assist us in the solicitation of proxies for the Annual Meeting. Rite Aid will pay Innisfree a fee of approximately \$12,000 and reimburse the firm for approximately \$2,000 of reasonable out-of-pocket expenses.

Arrangements also will be made with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held of record by such persons, and we will reimburse such custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in connection with the forwarding of solicitation materials to the beneficial owners of our stock.

**If you have any questions about voting your shares or attending the Annual Meeting, please call our Investor Relations Department at (717) 975-3710.**

The Board is committed to ensuring that it is composed of a highly capable and diverse group of directors who are well-equipped to oversee the success of the business and effectively represent the interests of stockholders. In addition, the Board believes that having directors with a mix of tenure on the Board helps transition the knowledge of the more experienced directors while providing a broad, fresh set of perspectives and a Board with a diversity of experiences and viewpoints.

**Director Tenure****Board Gender Diversity**

In assessing Board composition and selecting and recruiting director candidates, the Board seeks to maintain an engaged, independent Board with broad experience and judgment that is committed to representing the long-term interests of our stockholders. The Nominating and Governance Committee considers a wide range of factors, including the size of the Board, the experience and expertise of existing Board members, other positions the director candidate has held or holds (including other board memberships), and the candidate's independence. In addition, the Nominating and Governance Committee takes into account a candidate's ability to contribute to the diversity of background and experience represented on the Board, and it reviews its effectiveness in balancing these considerations when assessing the composition of the Board.

Following the 2013 Annual Meeting, the Nominating and Governance Committee sought to recruit additional Board members whose qualifications align with the Company's long-term growth strategy. After considering a number of candidates and comprehensively reviewing these candidates' abilities and qualifications, the Nominating and Governance Committee recommended and the Board appointed Mr. Lofton, on November 8, 2013, and Ms. Potter, on November 29, 2013, for election to the Board.

Mr. Lofton and Ms. Potter bring to the Board extensive experience in senior management and leadership roles and in-depth knowledge and experience in the healthcare industry.

The chart below summarizes the qualifications, attributes, and skills for each of our directors. The fact that we do not list a particular experience or qualification for a director nominee does not mean that nominee does not possess that particular experience or qualification.

**Board Leadership**

Mr. Standley serves as Chairman of the Board and Chief Executive Officer. Mr. Regan has served as our Lead Independent Director since 2011 and will continue in that role.

The Company's governance framework provides the Board with flexibility to select the appropriate leadership structure for the Company. In connection with the 2012 Annual Meeting, the Board reviewed its leadership structure in light of the Company's operating and governance environment and determined that Mr. Standley should serve as the Chairman of the Board effective as of the 2012 Annual Meeting, based on the Board's belief that Mr. Standley's in-depth knowledge of the Company, keen understanding of the Company's operations and proven leadership and vision positioned him to provide strong and effective leadership to the Board. The Board has determined to maintain its current leadership structure, taking into account the foregoing factors as well as the evaluation of Mr. Standley's performance as Chief Executive Officer, his very positive relationships with other members of the Board and the leadership and strategic vision he has brought to the Chairman position.

Table of Contents

The Board has no policy mandating the combination or separation of the Chairman of the Board and Chief Executive Officer positions and believes that, given the dynamic and competitive environment in which we operate, the right leadership structure may vary from time to time based on changes in circumstances. The Board makes this determination based on what it believes best serves the needs of the Company and its stockholders at any particular time. For the reasons described above, the Board continues to believe that Mr. Standley provides excellent leadership of the Board in the performance of its duties and that a unified structure provides decisive and effective leadership both within and outside the Company.

In addition, the Board continues to maintain the position of Lead Independent Director that it created in 2009. Under our Corporate Governance Guidelines, in the event that the Chairman of the Board is also the Chief Executive Officer or otherwise is not an independent director, the independent members of the Board will choose an independent director to serve as Lead Independent Director. The Lead Independent Director, who is expected to serve at least one year, has the following responsibilities, which are described in our Corporate Governance Guidelines:

presides at all meetings of the Board at which the Chairman of the Board is not present, including executive sessions of the non-management directors;

has the authority to call meetings of the non-management directors;

serves as a liaison between the Chairman of the Board and/or Chief Executive Officer and independent directors and facilitates communications between other members of the Board and the Chairman and/or Chief Executive Officer (any director is free to communicate directly with the Chairman and/or Chief Executive Officer; the lead director's role is to attempt to improve such communications if they are not entirely satisfactory);

works with the Chairman and/or Chief Executive Officer in the preparation of, and approves, Board meeting agendas and schedules and the information to be provided to the Board;

chairs the annual review of the performance of the Chief Executive Officer;

otherwise consults with the Chairman and/or Chief Executive Officer on matters relating to corporate governance and Board performance; and

if requested by major stockholders, ensures that he/she is available, when appropriate, for consultation and direct communication.

**Corporate Governance**

We recognize that good corporate governance is an important means of protecting the interests of our stockholders, associates, customers, suppliers and the community. The Board of Directors, through the Nominating and Governance Committee, monitors corporate governance developments and proposed legislative, regulatory and stock exchange corporate governance reforms.

**Website Access to Corporate Governance Materials.** Our corporate governance information and materials, including our Corporate Governance Guidelines, current charters for each of the Audit Committee, Compensation Committee, Nominating and Governance Committee and Executive Committee, our Code of Ethics for the CEO and Senior Financial Officers, our Code of Ethics and Business Conduct, our Stock Ownership Guidelines and our Related Person Transaction Policy, are posted on our website at [www.riteaid.com](http://www.riteaid.com) under the headings "Corporate Info Governance" and are available in print upon request to Rite Aid Corporation, 30 Hunter Lane, Camp Hill, Pennsylvania 17011, Attention: Secretary. The Board regularly reviews corporate governance developments and will modify these materials and practices from time to time as warranted.

Table of Contents

**Codes of Ethics.** The Board has adopted a Code of Ethics that is applicable to our Chief Executive Officer and senior financial officers. The Board has also adopted a Code of Ethics and Business Conduct that applies to all of our officers, directors and associates. Any amendment to either code or any waiver of either code for executive officers or directors will be disclosed promptly on our website at [www.riteaid.com](http://www.riteaid.com) under the headings "Corporate Info Governance Codes of Ethics."

**Director Independence.** For a director to be considered independent under the NYSE corporate governance listing standards, the Board of Directors must affirmatively determine that the director does not have any direct or indirect material relationship with the Company, including any of the relationships specifically proscribed by the NYSE independence standards. The Board considers all relevant facts and circumstances in making its independence determinations. Only independent directors may serve on our Audit Committee, Compensation Committee and Nominating and Governance Committee.

As a result of this review, the Board affirmatively determined that the following directors, including each director serving on the Audit Committee, the Compensation Committee and the Nominating and Governance Committee, satisfy the independence requirements of the NYSE listing standards: Joseph B. Anderson, Jr., Bruce G. Bodaken, David R. Jessick, Kevin E. Lofton, Myrtle S. Potter, Michael N. Regan and Marcy Syms. The Board also had determined that John M. Baumer, François J. Coutu, Michel Coutu and James L. Donald, each of whom served as a director for a portion of the last fiscal year, were independent during the time he was a director. The Board also determined that the members of the Audit Committee satisfy the additional independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the NYSE requirements for audit committee members. In determining each individual's status as an independent director, the Board considered the following transactions, relationships and arrangements:

Joseph B. Anderson, Jr. served as a director of Valassis Communications, Inc., which does business with Rite Aid, until February 2014. Because Mr. Anderson served only as an outside director of, and is not an officer of or otherwise employed by, Valassis Communications, Inc., the Board determined that the relationship between Rite Aid and Valassis Communications, Inc. does not constitute a material relationship between Mr. Anderson and Rite Aid.

There is no family relationship between any of the nominees and executive officers of Rite Aid.

**Majority Voting Standard and Policy.** Under the Company's By-Laws, a nominee for director in uncontested elections of directors (as is the case for this Annual Meeting) will be elected to the Board if the votes cast "for" such nominee's election exceed the votes cast "against" such nominee's election. In contested elections, directors will be elected by a plurality of votes cast. For this purpose, a contested election means any meeting of stockholders for which (i) the Secretary of the Company receives a notice that a stockholder has nominated a person for election to the Board in compliance with the advance notice requirements for stockholder nominees for director set forth in the By-Laws and (ii) such nomination has not been withdrawn by such stockholder on or prior to the 14<sup>th</sup> day preceding the date the Company first mails its notice of meeting for such meeting to the stockholders.

Under the Company's Corporate Governance Guidelines, a director who fails to receive the required number of votes for re-election in accordance with the By-Laws will, within five days following certification of the stockholder vote, tender his or her written resignation to the Chairman of the Board for consideration by the Board, subject to the procedures set forth in the Guidelines.

**Board Oversight of Risk Management**

The Board of Directors, as a whole and through the various committees of the Board, oversees the Company's management of risk, focusing primarily on five areas of risk: operational, financial performance, financial reporting, legal and regulatory, and strategic and reputational.

Table of Contents

Management of the Company is responsible for developing and implementing the Company's plans and processes for risk management. The Board believes that its leadership structure, described above, supports the risk oversight function of the Board. The Board of Directors, at least annually, reviews with management its plans and processes for managing risk. The Board also receives periodic updates from the Company's Chief Compliance Officer with regard to the overall effectiveness of the Company's risk management program and significant areas of risk to the Company, focusing on the five primary areas of risk set forth above as well as other areas of risk identified from time to time by either the Board, a Board committee or management.

In addition, other Board committees consider risks within their respective areas of responsibility and advise the Board of any significant risks. For example, the Compensation Committee considers risks relating to the Company's compensation programs and policies and the Audit Committee focuses on assessing and mitigating financial reporting risks, including risks related to internal control over financial reporting and legal and compliance risks.

**Compensation-Related Risk Assessment**

The Compensation Committee reviews all incentive plans relative to established criteria and conducts an assessment to ensure that none of our incentive plans encourage excessive risk-taking by our executives or associates. Together with executive management, the Compensation Committee has considered the risks arising from the Company's compensation programs for its executives and associates and has concluded that the compensation policies are not reasonably likely to have a material adverse effect on the Company.

The Compensation Committee reviews the risk profile and the relationship between the Company's compensation programs to the overall risk profile of the Company. Some of the features of our incentive programs that limit risk include:

Delivery of compensation through an appropriate mix of base salary, cash incentive bonuses, long-term awards, and benefits.

Use of a mix of long-term incentive vehicles that reward both stock price appreciation and financial operating performance and have different risk profiles.

Incorporation of additional measures in the performance awards to assess how efficiently we use capital (leverage ratio) and to compare our stock performance against the Russell 2000 Index (total stockholder return).

Stock ownership guidelines that promote executive stock ownership.

**Committees of the Board of Directors**

The Board of Directors has four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Governance Committee and the Executive Committee. Current copies of the charters for each of these committees are available on our website at [www.riteaid.com](http://www.riteaid.com) under the headings "Corporate Info Governance Corporate Governance Committees Committee Charters."

**Audit Committee.** The Audit Committee, which held eight meetings during fiscal year 2014, currently consists of David R. Jessick (Chair), Kevin E. Lofton and Michael N. Regan. François J. Coutu served on the Audit Committee until November 8, 2013, when his resignation from the Board became effective. The Board has determined that each of these individuals is an independent director under the NYSE listing standards and satisfies the additional independence requirements of Rule 10A-3 under the Exchange Act and the additional requirements of the NYSE listing standards for audit committee members. See the section entitled "Corporate Governance Director Independence" above. The Board has determined that David R. Jessick qualifies as an "audit committee financial expert" as that term is defined under applicable SEC rules.

The functions of the Audit Committee include the following:

Appointing, compensating and overseeing our independent registered public accounting firm ("independent auditors");

Overseeing management's fulfillment of its responsibilities for financial reporting and internal control over financial reporting; and

Overseeing the activities of the Company's internal audit function.

Michel Coutu served on the Compensation Committee until April 17, 2013, when he resigned from the Board. James L. Donald served on the Compensation Committee until his term expired in June 2013 and David R. Jessick served on the Compensation Committee from June 19, 2013 until November 29, 2013. performance of the Company's executive officers (including the CEO) in light of these goals and objectives and determining and approving the incentive-based compensation of the Company's executive officers (including the CEO) based on such evaluation;

Setting corporate performance targets under all annual bonus and long-term incentive compensation plans as appropriate and determining annually the individual bonus award opportunities for the Company's executive officers; and

Reviewing and approving all executive officers' employment agreements and severance arrangements.

The Compensation Committee reviews the performance of the Company's executive personnel, including the Company's named executive officers, and develops and makes recommendations to the Board of Directors with respect to executive compensation policies. The Compensation Committee is empowered by the Board of Directors to award to executive officers appropriate bonuses, stock options, stock appreciation rights and stock-based awards. The details of the processes and procedures for the consideration and determination of the compensation of our named executive officers are described in the section entitled "Executive Compensation Compensation Discussion and Analysis." The objectives of the Compensation Committee are to support the achievement of desired Company performance, to provide compensation and benefits that will attract and retain superior talent, reward performance and to fix a portion of compensation to the outcome of the Company's performance.

As provided in its charter, the Compensation Committee has the authority to engage an external compensation consultant and to determine the scope of services. The Compensation Committee may terminate the engagement at any time. The external compensation consultant reports to the Compensation Committee Chair.

Since June 2010, the Committee has utilized Exequity LLP as its independent consultant. With respect to fiscal year 2014, Exequity LLP reviewed recommendations and analysis prepared by management and provided advice and counsel to the Committee. Exequity LLP does not provide any other services to the Company. The Compensation Committee has assessed the independence of Exequity LLP, taking into consideration the factors set forth in the NYSE listing standards and SEC rules, and determined that the engagement of Exequity LLP does not raise any conflicts.

***Nominating and Governance Committee.*** The Nominating and Governance Committee, which held two meetings during fiscal year 2014, currently consists of Joseph B. Anderson, Jr. (Chair), Bruce G. Bodaken and Myrtle S. Potter. François J. Coutu served on the Nominating and Governance Committee until November 8, 2013, when his resignation from the Board became effective. **Executive Committee.** The members of the Executive Committee currently are John Standley (Chair), David R. Jessick and Michael N. Regan. The Executive Committee did not meet during fiscal year 2014. The Executive Committee, except as limited by Delaware law, is empowered to exercise all of the powers of the Board of Directors.

**Nomination of Directors**

The Nominating and Governance Committee will consider director candidates recommended by stockholders. In considering such recommendations, the Nominating and Governance Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating and Governance Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating and Governance Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name of the stockholder and evidence of the person's ownership of Rite Aid stock, including the number of shares owned and the length of time of ownership; and

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a Rite Aid director and the person's consent to be named as a director if selected by the Nominating and Governance Committee and nominated by the Board.

The stockholder recommendation and information described above must be sent to Rite Aid Corporation, 30 Hunter Lane, Camp Hill, Pennsylvania 17011, Attention: Secretary. The Nominating and Governance Committee will accept recommendations of director candidates throughout the year; however, in order for a recommended director candidate to be considered for nomination to stand for election at an upcoming annual meeting of stockholders, the recommendation must be received by the Secretary not less than 120 days prior to the anniversary date of Rite Aid's most recent annual meeting of stockholders.

The Nominating and Governance Committee believes that the minimum qualifications for serving as a Rite Aid director are that a candidate demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of Rite Aid's business and affairs and have an impeccable record and reputation for honest and ethical conduct in his or her professional and personal activities. In addition, the Nominating and Governance Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company. The Nominating and Governance Committee also seeks to have the Board represent a diversity of backgrounds and experience. The Nominating and Governance Committee assesses its achievement of diversity through the review of Board composition as part of the Board's annual self-assessment process.

The Nominating and Governance Committee identifies potential candidates by asking current directors and executive officers to notify the committee if they become aware of persons, meeting the criteria described above, who have had a change in circumstances that might make them available to serve on the Board for example, retirement as a CEO or CFO of a public company or exiting government or military service. The Nominating and Governance Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the committee will also consider candidates recommended by stockholders. Mr. Lofton and Ms. Potter were recommended for consideration by the Nominating and Governance Committee by Cook Associates, Inc., an executive search firm.

The Nominating and Governance Committee may review publicly available information, conduct an interview and/or check references to assess the person's accomplishments and qualifications in light of the needs of the Board and the accomplishments and qualifications of any other candidates that the

Table of Contents

committee might be considering. The committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

**Executive Sessions of Non-Management Directors**

In order to promote discussion among the non-management directors, regularly scheduled executive sessions (i.e., meetings of non-management directors without management present) are held to review such topics as the non-management directors determine. Mr. Regan, our Lead Independent Director, presides at our executive sessions. The non-management directors met in executive session five times during fiscal year 2014.

**Communications with the Board of Directors**

The Board has established a process to receive communications from stockholders and other interested parties. Stockholders and other interested parties may contact any member (or all members) of the Board, any Board committee or any chair of any such committee by mail or electronically. To communicate with the Board of Directors, the non-management directors, any individual directors or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or committee of directors by either name or title. All such correspondence should be sent to Rite Aid Corporation, c/o Secretary, P.O. Box 3165, Harrisburg, Pennsylvania 17105. Please follow the instructions on the website in order to send your message.

All communications received as set forth above will be opened by the Secretary for the purpose of determining whether the contents represent a message to the directors, and depending on the facts and circumstances outlined in the communication, will be distributed to the Board, the non-management directors, an individual director or committee of directors, as appropriate. The Secretary will make sufficient copies of the contents to send to each director who is a member of the Board or of the committee to which the envelope or e-mail is addressed.

**Directors' Attendance at Board, Committee and Annual Meetings**

The Board of Directors held eight meetings during fiscal year 2014. Each incumbent director attended at least 75% of the aggregate of the meetings of the Board of Directors and meetings held by all committees on which such director served, during the period for which such director served.

It is our policy that directors are invited and encouraged to attend the annual meeting of stockholders. Six of our eight directors attended the 2013 Annual Meeting of Stockholders.

**PROPOSAL NO. 2**

**RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The accounting firm of Deloitte & Touche LLP ("Deloitte & Touche") has been selected as the independent registered public accounting firm for the Company for the fiscal year ending February 28, 2015. Deloitte & Touche has audited the accounts and records of Rite Aid and its subsidiaries since 2000. Although the selection of accounting firms does not require ratification, the Board of Directors has directed that the appointment of Deloitte & Touche be submitted to the stockholders for ratification due to the significance of their appointment by the Company. If the stockholders do not ratify the appointment of Deloitte & Touche, the Audit Committee will consider the appointment of another independent registered public accounting firm. A representative of Deloitte & Touche will be present at the Annual Meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions.

**PROPOSAL NO. 3**

**ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS**

In accordance with the requirements of Section 14A of the Exchange Act, we are including in this proxy statement a resolution, subject to stockholder vote, to approve, on a non-binding, advisory basis, the compensation of our Named Executive Officers (as defined in the section entitled "Executive Compensation Compensation Discussion and Analysis").

Prior to voting, stockholders may wish to carefully review our discussion of the compensation of our Named Executive Officers, as presented in the Compensation Discussion and Analysis, tables and narrative disclosure, on pages 38-63, as well as the discussion regarding the Compensation Committee on pages 15-16.

The Company's primary compensation goals for our Named Executive Officers are to attract, motivate and retain the most talented and dedicated executives and to align the interests of our Named Executive Officers with the interests of our stockholders. The Company's compensation programs are designed to reward our Named Executive Officers for the achievement of annual and long-term strategic and operational goals and the achievement of increased total stockholder return, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking. The Company encourages stockholders to review the executive compensation disclosure in the Compensation Discussion and Analysis section and executive compensation tables in this proxy statement for complete details of how its compensation policies and procedures for its Named Executive Officers operate and are designed to achieve the Company's compensation objectives.

We believe that the Company's compensation programs for its Named Executive Officers have been effective at promoting the achievement of positive results, appropriately aligning pay and performance and in enabling the Company to attract and retain very talented executives within our industry, while at the same time avoiding the encouragement of unnecessary or excessive risk taking.

We are asking our stockholders to indicate their support for the compensation of our Named Executive Officers as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives you as a stockholder the opportunity to express your views on our fiscal year 2014 compensation for our Named Executive Officers. This vote is not intended to address any specific item of compensation; rather, the vote relates to the overall compensation of our Named Executive Officers as described in this proxy statement in accordance with the compensation disclosure rules of the SEC.

Accordingly, the following resolution is submitted for a stockholder vote at the 2014 Annual Meeting of Stockholders:

"RESOLVED, that the stockholders approve, on an advisory basis, the compensation paid to the Company's named executive officers, as disclosed in the Company's Proxy Statement for the 2014 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and the narrative discussion."

Although this is an advisory vote which will not be binding on the Compensation Committee or the Board, the Compensation Committee and the Board will carefully review the results of the stockholder vote. The Compensation Committee will consider stockholders' concerns and take them into account in future determinations concerning compensation of its Named Executive Officers. The Board therefore recommends that you indicate your support for the compensation of the Company's Named Executive Offices in fiscal year 2014, as outlined in the above resolution.

THE APPROVAL OF THE COMPENSATION OF ITS NAMED EXECUTIVE OFFICERS,  
AS DISCLOSED IN THIS PROXY STATEMENT.**

**PROPOSAL NO. 4**

**APPROVAL OF THE ADOPTION OF THE  
RITE AID CORPORATION 2014 OMNIBUS EQUITY INCENTIVE PLAN**

**Introduction**

The Compensation Committee views equity ownership as a significant motivation for its executives and associates to maximize value for its stockholders. The Compensation Committee believes that grants of stock options and other stock-based awards provide a long-term incentive for associates and executives to contribute to the growth of Rite Aid. In addition, the Compensation Committee values performance-based awards that establish a direct link between compensation and stockholder return, such as stock options (which only yield value to the extent that our stock price appreciates) and performance-conditioned stock awards (which require the attainment of specified performance goals in order for the recipient to realize value).

The Compensation Committee also feels that it is important for equity and equity-based awards to be made to key managers and associates across the entire Rite Aid organization. Consequently, the Compensation Committee feels that it is important to ensure that it will be able to continue to provide equity and equity-based compensation to Rite Aid associates in the future. The Compensation Committee believes that the new plan will help ensure that Rite Aid has a reasonable number of additional shares available for future equity-based incentive awards to attract and retain Rite Aid's associates, key personnel and officers, as well as reward such individuals for the attainment of long-term achievements, provide awards in connection with our continued expansion through corporate acquisitions, and compensate non-employee directors for service on the Board.

**Reasons for Seeking Stockholder Approval**

We use equity compensation as a key tool for the attraction, retention and motivation of the best available talent. We anticipate that our future equity program design is likely to utilize a larger number of full value awards than has historically been the case. Some of those full value awards will be performance-based and need to be counted against the Equity Plans at the maximum payout level in order to ensure the Equity Plans have sufficient shares to cover payouts of such awards. Based on these expected changes to our equity grant program, we anticipate that the number of shares available for issuance as full value awards under our 2010 Omnibus Equity Incentive Plan and 2012 Omnibus Equity Incentive Plan (the "Equity Plans"), which is limited to only 5.1 million of the remaining 11.4 million shares in our Equity Plans at the end of fiscal year 2014, will have been granted prior to the time of our 2015 Annual Meeting of Stockholders. Accordingly, approval of the 2014 Omnibus Equity Incentive Plan (referred to herein as the "2014 Plan") is critical to ensuring that we have adequate shares available to continue to attract, retain and motivate top talent.

In addition, we are seeking approval of the 2014 Omnibus Equity Incentive Plan in order, among other things, to: (i) comply with NYSE rules requiring stockholder approval of equity compensation plans; (ii) allow the Compensation Committee to be more effective with the mix of equity awards through utilization of the fungible design; (iii) allow the Compensation Committee to grant incentive stock options (ISOs) to participants who are associates in the 2014 Plan; and (iv) allow the Compensation Committee the ability to grant stock awards intended to qualify as "performance-based compensation" under Section 162(m) of the Code.

**Historical Overhang and Annual Share Usage**

While the use of equity is an important part of our compensation program, we are mindful of our responsibility to our stockholders to exercise judgment in the granting of equity awards. As a result, we

Table of Contents

evaluated both our "overhang percentage" and annual share usage, or "burn rate," in considering the advisability of the 2014 Plan and its potential impact on our stockholders.

**Overhang.** As of the end of the 2014 fiscal year, we had 66.2 million shares of common stock subject to outstanding equity awards of which 55.9 million shares are for stock options and 10.3 million shares are for unvested awards other than stock options. Additionally, 11.4 million shares are available for future equity awards under the Equity Plans, of which only 5.1 million were available for awards other than stock options. The 77.6 million share overhang represents approximately 8.0% of fully diluted common stock outstanding (or, the "overhang percentage"). The 58 million new shares proposed to be included in the share reserve under the 2014 Plan would increase the overhang percentage by an additional 6.0% to approximately 14.0%.

**Annual Share Usage.** The annual share usage, or burn rate, under the Company's equity compensation program for the last three fiscal years was as follows:

	Fiscal Year 2014	Fiscal Year 2013	Fiscal Year 2012	Three-Year Average
A Stock Options Granted	4,828,100	12,020,400	23,201,044	13,349,848
B Restricted Stock Awards and Units Granted	2,743,051	5,450,341	8,525,646	5,573,013
C Total Options and Shares Granted (A+B)	7,571,151	17,470,741	31,726,690	18,922,861
D Basic Weighted Average Common Shares Outstanding	922,199,000	889,562,000	885,819,000	899,193,333
E Annual Share Usage (C/D)	0.8%	2.0%	3.6%	2.1%

Although our future annual share usage will depend upon and be influenced by a number of factors, such as the number of plan participants, the price per share of our common stock and the methodology used to establish the equity award mix, the 58,000,000 shares of common stock reserved for issuance under the 2014 Plan will enable us to continue to utilize equity awards as an important component of our compensation program and help meet our objectives to attract, retain and incentivize talented personnel. The calculation of the share reserve took into account, among other things, our stock price and volatility, our share burn rate and overhang, the existing terms of our outstanding awards, and our proposed fungible share rate of 1.45:1 for full-share awards under the 2014 Plan. The results of this analysis were presented to our Compensation Committee of our Board for their consideration. In addition, we anticipate that the fungible design will permit a more efficient and effective use of those shares for future equity awards. Upon approval of the proposal, based on the factors described above, we estimate that the pool of available shares would last for approximately 4 to 6 years.

**Highlights of the 2014 Plan**

On April 16, 2014, the Board, upon the recommendation of the Compensation Committee, unanimously approved the 2014 Plan, subject to stockholder approval.

The 2014 Plan is intended to promote the interests of Rite Aid and its stockholders by providing officers and other key associates with equity-based incentives and rewards to encourage them to enter into and continue in the employ of Rite Aid and to acquire a proprietary interest in the long-term success of Rite Aid, thereby aligning their interests with those of Rite Aid's stockholders, to compensate non-employee directors for their services while further aligning their interests with the interests of stockholders, and to reward the performance of individual officers, other key associates and consultants in fulfilling their personal responsibilities for long-range achievements. The number of persons eligible to participate in the 2014 Plan will be approximately 900.

The 2014 Plan is intended to permit the grant of performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code, which generally limits the annual deduction

Table of Contents

that Rite Aid may take for compensation of its covered officers, which consist of its CEO and three other most highly compensated executive officers (other than its CFO) who are serving at the end of the year. Under Section 162(m), certain compensation, including compensation based on the attainment of performance goals, will not be subject to this limitation if certain requirements are met. Among these requirements is a requirement that the material terms pursuant to which the performance-based compensation is to be paid be disclosed to and approved by the stockholders. Accordingly, if the 2014 Plan is approved by stockholders and the other conditions of Section 162(m) relating to performance-based compensation are satisfied, qualified performance-based compensation paid to covered officers pursuant to the 2014 Plan will not fail to be deductible due to the operation of Section 162(m).

If this proposal is approved at the Annual Meeting, the maximum number of shares reserved for issuance under the 2014 Plan will be 58,000,000 plus (i) the number of shares that remain available for issuance as of the effective date of the 2014 Plan under the Equity Plans and (ii) the number of shares that are subject to awards as of the effective date of the 2014 Plan that, in the future, are forfeited, cancelled, exchanged, surrendered or terminate under the terms of the Equity Plans, without a distribution of shares to the recipient. If the 2014 Plan is approved at the Annual Meeting, the Company will not grant any new awards under our existing Equity Plans.

Additional considerations which demonstrate Rite Aid's commitment to governance best practices and which are relevant to the adoption of the 2014 Plan are highlighted below:

***No Repricing.*** The 2014 Plan prohibits repricing and exchange of underwater options and stock appreciation rights for cash or shares without stockholder approval. The 2014 Plan also prohibits use of reload options and discounted options.

***Minimum Vesting Periods for Awards.*** The 2014 Plan prescribes minimum vesting periods which are designed to support retention of our officers and other key associates. Vesting periods of one year for performance-based awards and three-years for awards vesting solely on continued service are prescribed for the majority of awards granted under the 2014 Plan.

***Fungible Share Counting Provision.*** The 2014 Plan provides for fungible share counting. Pursuant to this provision, each grant of a full value award such as restricted stock or phantom units will reduce the number of shares available for issuance by 1.45 shares.

***No Single-Trigger Vesting Upon a Change in Control.*** The 2014 Plan does not provide for vesting of equity awards based solely on the occurrence of a change in control, without an accompanying job loss, or unless awards are not assumed or substituted in connection with the change in control.

***Company Intends to Utilize Performance-Based Awards.*** Although the 2014 Plan permits a number of types of equity and cash long-term incentives, the Company intends to continue to have a long-term incentive program with a strong focus on our performance. We deliver the majority of long-term incentive value to our executives through stock options, which serve to align executive and shareholder interests by rewarding executives for appreciation in stock price, and performance awards, which only vest if certain performance targets are met.

***Dividends and Dividend Equivalents Subject to Same Vesting as Underlying Award.*** Dividend or dividend equivalents on awards are subject to the same vesting restrictions as the underlying awards.

***Stock Ownership Guidelines Apply to Senior Executives.*** Rite Aid senior executives are also subject to stock ownership guidelines as described on pages 51-52.

A form of the 2014 Plan is attached as Appendix A to this proxy statement and the following description of the material terms of the 2014 Plan is qualified in its entirety by the complete text of the plan.

Table of Contents

**Description of Principal Features of the 2014 Plan**

*Types of Awards.* The following types of awards may be granted under the 2014 Plan: stock options (including both incentive stock options ("ISOs") within the meaning of Section 422 of the Internal Revenue Code and nonqualified options ("NQSOs"), which are options that do not qualify as ISOs), stock appreciation rights, restricted stock, phantom units, stock bonus awards, and other equity-based awards valued in whole or in part by reference to, or otherwise based on, Rite Aid's common stock.

*Shares Available; Certain Limitations.* The number of shares of common stock in the aggregate that are reserved for issuance under the 2014 Plan include 58,000,000 shares plus any shares remaining available for grant under the Equity Plans as of the effective date of the 2014 Plan, in each case, subject to equitable adjustment upon the occurrence of any extraordinary dividend or other distribution, recapitalization, stock split, reorganization, merger, consolidation, combination, repurchase, or share exchange, or other similar corporate transaction or event. As of April 28, 2014, there were 10,959,457 shares of common stock in the aggregate, with a restriction that only 4,651,203 of those shares can be used for awards other than Stock Options, that remained available for grant under the Equity Plans. In addition, the number of shares of common stock that are subject to awards as of the effective date of the 2014 Plan under our existing Equity Plans that, in the future, are forfeited, cancelled, exchanged or surrendered or terminate (in each case, other than due to the expiration of stock options on the options' expiration date) under the Equity Plans without a distribution of shares to the Participant, will be added to the number of shares available for grant under the 2014 Plan. As of April 28, 2014, there were 50,362,617 shares of common stock subject to outstanding options and 10,685,126 shares of common stock subject to other types of awards under our existing Equity Plans. The options outstanding as of April 28, 2014 have a weighted average exercise price of \$1.68 and a weighted average remaining life of 6.42 years.

Shares of common stock subject to an award under the 2014 Plan that remain unissued upon the cancellation or termination of the award will again become available for award under the 2014 Plan. However, shares of common stock that are exchanged by a participant or withheld by Rite Aid as full or partial payment in connection with any award under the 2014 Plan, as well as any shares of common stock exchanged by a participant or withheld by Rite Aid to satisfy the tax withholding obligations related to any award, will not be available for subsequent awards under the 2014 Plan. To the extent an award is paid or settled in cash, the number of shares of common stock previously subject to the award will again be available for grants pursuant to the 2014 Plan. To the extent that an Award can only be settled in cash, such Award will not be counted against the total number of shares of common stock available for grant under the 2014 Plan.

All shares underlying stock appreciation rights (as opposed to only the net number of shares issued to settle an award) will be counted against the various limits under the 2014 Plan. Under the 2014 Plan, in any fiscal year, no participant who is likely to be a covered associate for purposes of Section 162(m) may be granted (i) options or stock appreciation rights with respect to more than 6,000,000 shares of common stock, (ii) restricted stock, phantom stock or other equity-based awards with respect to more than 6,000,000 shares of common stock, or (iii) with respect to any award denominated in cash, \$10,000,000 for such single fiscal year, including with respect to each fiscal year within a performance period of more than one year (subject in each case to equitable adjustment). The market price of Rite Aid's common stock on April 28, 2014 was \$6.95 per share.

Table of Contents

*Administration.* The 2014 Plan will be administered by the Compensation Committee. Each member of the Compensation Committee is a "non-employee director" (within the meaning of Rule 16b-3 promulgated under Section 16 of the Securities Exchange Act of 1934), an "outside director" (within the meaning of Section 162(m) of the Internal Revenue Code) and an "independent director" (within the meaning of the New York Stock Exchange listed company manual).

*Eligibility.* Officers of Rite Aid, including the named executive officers listed in the summary compensation table in this proxy statement, associates, non-employee directors and consultants to Rite Aid are eligible to receive awards under the 2014 Plan at the discretion of the Compensation Committee (or, in the case of non-employee directors, the board of directors).

*Exercisability and Vesting.* Awards will become exercisable or otherwise vest at the times and upon the conditions that the Compensation Committee may determine, as reflected in an applicable agreement. In general, options, stock appreciation rights, restricted stock and phantom units which vest solely based on continued employment may not fully vest prior to the third anniversary of the grant date (except with respect to awards made to non-employee directors and except with respect to no more than 5% of the aggregate number of shares of common stock authorized under the 2014 Plan). The Compensation Committee has the authority to accelerate the vesting and/or exercisability of any outstanding award at such times and under such circumstances as it deems appropriate.

*Performance Goals.* The vesting of awards that are intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code will be based upon one or more of the following business criteria: return on total stockholder equity; earnings or book value per share of common stock; net income (before or after taxes); earnings before all or any interest, taxes, depreciation and amortization and/or other adjustments; inventory goals; return on assets, capital or investment; market share; cost reduction goals; earnings from continuing operations; levels of expense, costs or liabilities; store level performance; operating profit; sales or revenues; stock price appreciation; total stockholder return; implementation or completion of critical projects or processes; prescription counts; customer service or customer service satisfaction; associate satisfaction; clinics opened; stores remodeled or constructed; cost of capital; Accountable Care Organization results; medical services delivered; leverage ratio; or any combination of the foregoing. The business criteria may be expressed in terms of attaining a specified level of the particular criteria or the attainment of a percentage increase or decrease in the particular criteria, and may be applied to Rite Aid, an affiliate, a division or strategic business unit of Rite Aid, or may be applied to the performance of Rite Aid relative to a market index, a group of other companies or a combination thereof, all as determined by the Compensation Committee. The business criteria may also be subject to a threshold level of performance below which no payment will be made, levels of performance at which specified payments will be made, and a maximum level of performance above which no additional payment will be made. Where applicable, business criteria will be determined in accordance with generally accepted accounting principles (with such adjustments as the Compensation Committee may prescribe) and achievement of the criteria will require certification by the Compensation Committee.

*Stock Options.* Options entitle the participant to purchase shares of common stock during a specified period at a purchase price specified by the Compensation Committee (at a price not less than 100% of the fair market value of the common stock on the day the option is granted). Each option granted under the 2014 Plan will have a maximum term of 10 years from the date of grant, or such lesser period as the Compensation Committee shall determine. Options may be exercised in whole or in part by the payment in cash of the full option price, by tendering shares of common stock with a fair market value equal to the option price or by other methods in the discretion of the Compensation Committee. Options granted under the 2014 Plan may not be re-priced to lower the exercise price or be cancelled in exchange for another type of award or cash payment without stockholder approval, nor

Table of Contents

may they provide for automatic "re-load" grants upon the exercise of an option with shares of common stock.

*Stock Appreciation Rights.* A stock appreciation right may be granted in connection with an option, either at the time of grant or at any time thereafter during the term of the option, or may be granted unrelated to an option. Stock appreciation rights generally permit the participant to receive cash or shares of common stock equal to the difference between the exercise price of the stock appreciation right (which must equal or exceed the fair market value of the common stock at the date of grant) and the fair market value of the common stock on the date of exercise for a period of no more than ten years. Stock appreciation rights granted under the 2014 Plan may not be re-priced to lower the exercise price or be cancelled in exchange for another type of award or cash payment without stockholder approval.

*Restricted Stock.* The Compensation Committee may grant restricted shares of common stock to such persons, in such amounts, and subject to such terms and conditions (including the attainment of performance goals) as the Compensation Committee may determine in its discretion. Except for restrictions on transfer and such other restrictions as the Compensation Committee may impose, participants will have all the rights of a stockholder with respect to the restricted stock.

*Phantom Units.* A phantom unit award is an award of the right to receive an amount of cash or common stock at a future date based upon the value of the common stock at the time of vesting of the award, or if the award is denominated in cash, the right to receive an amount of cash per unit that is determined by the Compensation Committee.

*Stock Bonus Awards.* A stock bonus award is an award of common stock made at the discretion of the Compensation Committee upon such terms and conditions (if any) as the Compensation Committee may determine.

*Other Awards.* Other forms of awards valued in whole or in part by reference to, or otherwise based on, common stock, including but not limited to dividend equivalents, may be granted either alone or in addition to other awards under the 2014 Plan. For example, the 2014 Plan will permit the grant of performance-based awards denominated in cash, and performance-based awards denominated in shares and with respect to which participants may earn a range of shares, depending upon the actual level of performance. Subject to the provisions of the 2014 Plan, the Compensation Committee shall have sole and complete authority to determine the persons to whom and the time or times at which such other awards shall be granted, the number of shares of common stock to be granted pursuant to such other awards and all other conditions of such awards.

*Change in Control.* Unless otherwise set forth in an agreement or provided by the Compensation Committee, following a change in control of Rite Aid (as described below), (i) each outstanding award that is assumed or substituted in connection with the change in control will become fully vested and exercisable, free of all applicable restrictions, and all applicable performance criteria will be deemed to be achieved at target levels if the participant's employment or service is terminated pursuant to a qualifying termination (as defined in the 2014 Plan) within the 24 month period following the change in control; and (ii) each outstanding award that is not assumed or substituted in connection with the change in control will become fully vested and exercisable, free of all applicable restrictions, and all applicable performance criteria will be deemed to be achieved at target levels immediately upon the occurrence of the change in control. In addition, the Compensation Committee may, in its discretion, cancel outstanding awards in exchange for a payment in cash, shares of common stock, or any combination thereof, equal to the value of the award based on the price per share received by other Rite Aid stockholders.

Table of Contents

For purposes of the 2014 Plan a "change in control" means, in general: (i) a person or entity acquires securities of Rite Aid representing 50% or more of the combined voting power of Rite Aid; (ii) an unapproved change in the majority membership of the Board; (iii) consummation of a merger or consolidation of Rite Aid or any subsidiary of Rite Aid, other than a merger or consolidation that results in the Rite Aid voting securities continuing to represent at least 60% of the combined voting power of the surviving entity or its parent, or a merger or consolidation effected to implement a recapitalization or similar transaction involving Rite Aid in which no person or entity acquires at least 35% of the combined voting power of Rite Aid; or (iv) stockholder approval of a plan of complete liquidation or dissolution of Rite Aid or the consummation of an agreement for the sale or disposition of all or substantially all of Rite Aid's assets, other than a sale or disposition to an entity, at least 60% of the combined voting power of which is owned by Rite Aid stockholders in substantially the same proportions as their ownership of Rite Aid immediately prior to such sale.

*Amendment and Termination of the Plan.* The 2014 Plan may be amended by the Board, subject to stockholder approval where necessary to satisfy legal or regulatory requirements.

The 2014 Plan will terminate not later than the tenth anniversary of its effective date. However, awards granted before the termination of the 2014 Plan may extend beyond that date in accordance with their terms.

**Certain Federal Income Tax Consequences**

Set forth below is a discussion of certain United States federal income tax consequences with respect to certain awards that may be granted pursuant to the 2014 Plan. The following discussion is a brief summary only, and reference is made to the Internal Revenue Code and the regulations and interpretations issued thereunder for a complete statement of all relevant federal tax consequences. This summary is not intended to be exhaustive and does not describe state, local or foreign tax consequences of participation in the 2014 Plan.

*Incentive Stock Options.* In general, no taxable income is realized by a participant upon the grant of an ISO. If shares of common stock are issued to a participant pursuant to the exercise of an ISO, then, generally (i) the participant will not realize ordinary income with respect to the exercise of the option, (ii) upon sale of the underlying shares acquired upon the exercise of an ISO, any amount realized in excess of the exercise price paid for the shares will be taxed to the participant as capital gain and (iii) Rite Aid will not be entitled to a deduction. The amount by which the fair market value of the stock on the exercise date of an ISO exceeds the purchase price generally will, however, constitute an item which increases the participant's income for purposes of the alternative minimum tax. However, if the participant disposes of the shares acquired on exercise before the later of the second anniversary of the date of grant or one year after the receipt of the shares by the participant (a "disqualifying disposition"), the participant generally would include in ordinary income in the year of the disqualifying disposition an amount equal to the excess of the fair market value of the shares at the time of exercise (or, if less, the amount realized on the disposition of the shares), over the exercise price paid for the shares. If ordinary income is recognized due to a disqualifying disposition, Rite Aid would generally be entitled to a deduction in the same amount. Subject to certain exceptions, an ISO generally will not be treated as an ISO if it is exercised more than three months following termination of employment. If an ISO is exercised at a time when it no longer qualifies as an ISO, it will be treated for tax purposes as a nonqualified stock option, or "NQSO," as discussed below.

*Nonqualified Stock Options.* In general, no taxable income is realized by a participant upon the grant of an NQSO. Upon exercise of an NQSO, the participant generally would include in ordinary income at the time of exercise an amount equal to the excess, if any, of the fair market value of the shares at the time of exercise over the exercise price paid for the shares. At the time the participant recognizes ordinary income, Rite Aid generally will be entitled to a deduction in the same amount. In

the event of a subsequent sale of shares received upon the exercise of an NQSO, any appreciation after the date on which taxable income is realized by the participant in respect of the option exercise should be taxed as capital gain in an amount equal to the excess of the sales proceeds for the shares over the participant's basis in such shares. The participant's basis in the shares will generally equal the amount paid for the shares plus the amount included in ordinary income by the participant upon exercise of the NQSO.

*Stock Appreciation Rights.* In general, the grant of a stock appreciation right will not result in income for the participant or in a tax deduction for Rite Aid. Upon the settlement of a stock appreciation right, the participant will recognize ordinary income equal to the aggregate value of the payment received, and Rite Aid generally will be entitled to a tax deduction at such time in the same amount.

*Restricted Stock.* In general, a participant will not recognize any income upon the grant of restricted stock, unless the participant elects under Section 83(b) of the Internal Revenue Code, within thirty days after such grant, to recognize ordinary income in an amount equal to the fair market value of the restricted stock at the time of grant, less any amount paid for the shares. If the election is made, the participant will not be allowed a deduction for amounts subsequently required to be returned to Rite Aid. If the election is not made, the participant will generally recognize ordinary income on the date that the restrictions to which the restricted stock lapse, in an amount equal to the fair market value of such shares on such date, less any amount paid for the shares. At the time the participant recognizes ordinary income, Rite Aid generally will be entitled to a deduction in the same amount. Generally, upon a sale or other disposition of restricted stock with respect to which the participant has recognized ordinary income (i.e., where a Section 83(b) election was previously made or the restrictions were previously removed), the participant will recognize capital gain or loss in an amount equal to the difference between the amount realized on such sale or other disposition and the participant's basis in such shares.

*Phantom Units.* In general, a participant will not recognize any income upon the grant of phantom units. Rather, upon the settlement of the phantom units, the participant will recognize ordinary income equal to the amount of cash or the fair market value of common stock received, as applicable. The Company will generally be entitled to a tax deduction at such time equal to the amount of income recognized by the participant.

*Stock Bonus Awards.* In general, a participant will recognize ordinary income upon the receipt of a vested stock bonus award granted under the 2014 Plan equal to the fair market value of the shares of common stock received, and Rite Aid will become entitled to a deduction at such time equal to the amount of income recognized by the participant.

*Other Awards.* In general, a participant will recognize ordinary income upon the receipt of shares or cash with respect to other awards granted under the 2014 Plan and Rite Aid will become entitled to a deduction at such time equal to the amount of income recognized by the participant.

**New Plan Benefits**

The 2014 Plan was designed by the Compensation Committee, with the assistance of an outside compensation consultant, as part of a comprehensive compensation strategy to provide a long-term broad based incentive for associates and executives to contribute to the growth of Rite Aid and attain specified performance goals.

If approved by the stockholders, participants in the 2014 Plan will be eligible for annual long-term awards which may include performance shares, stock options and restricted stock (or other awards permitted under the 2014 Plan). The level and types of awards will be fixed by the Compensation Committee in light of the participants' targeted long-term incentive level. The Compensation

Table of Contents

Committee may impose additional conditions or restrictions to the vesting of such awards as it deems appropriate, including, but not limited to, the achievement of performance goals based on one or more business criteria.

Awards under the 2014 Plan are made in the discretion of the Compensation Committee and therefore are not determinable at this time. Moreover, the ultimate value of any grants that are made will depend on the value of the underlying shares of common stock at the time of settlement, which likewise is not determinable at this time. Please refer to the "Grants of Plan-Based Awards Table for Fiscal 2014" to review equity and equity-based awards made to our named executive officers in 2013.

**Vote Required and Board of Directors Recommendation**

Approval of the adoption of the 2014 Plan requires the affirmative vote of a majority of the shares represented at the meeting and entitled to vote. Any shares represented and entitled to vote at the meeting and not voted (whether by abstention or otherwise) will have the same effect as a vote "against" the proposal. Any broker non-votes with respect to the adoption of the 2014 Plan will not be counted as shares represented at the meeting and entitled to vote and, consequently, will have no effect on the outcome of the vote. Accordingly, it is particularly important that beneficial owners of Rite Aid shares instruct their brokers or nominees how to vote their shares. If the 2014 Plan is not approved by the stockholders, the 2014 Plan will not become effective.

**PROPOSAL NO. 5**

**STOCKHOLDER PROPOSAL INDEPENDENT CHAIRMAN**

Steven Krol, who owns 255,325 shares of common stock (based on information provided to us by Mr. Krol) and whose address will be provided by the Company promptly upon oral or written request, has notified us that he intends to present the following proposal at the Annual Meeting. The proposal and supporting statement may contain assertions about Rite Aid or other statements that we believe are incorrect. We have not attempted to refute all of the inaccuracies in the proposal and supporting statement and the Company is not responsible for the content of the proposal.

**RESOLVED-** Shareholders request the Board adopt as policy and amend the bylaws and governance documents as necessary reflecting that the Chairman, whenever possible, be independent defined as never having served as an executive officer of the company. This policy should not violate any contractual obligations in effect when this resolution is adopted and immediately implemented thereafter.

Currently, John Standley is Chairman **and** Chief Executive Officer (CEO) and devotes considerable time away from his paid duties here on boards of two other organizations.

This often called "Imperial CEO" arrangement can dominate our Board and is immediately accountable to no one, hindering our board's ability to monitor his performance. Additionally, one of the most important roles the Board has is firing and supervising it's management employees. Therefore, the board can't be led by management itself. If the CEO is an employee, he needs a boss, and that boss is the Board. The Chairman runs the Board. How can the CEO be his own boss?

Eventually, an "Imperial CEO" can make imperial mistakes:

Remember our Eckerd acquisition in 2007, dropping our stock from \$6 in 2007, to 23 cents in 2009 causing the then near collapse of our company, and still choking debt today, due to empire building. Or our prior near collapse in 1999, then largest accounting scandal in corporate history.

An independent Chairman provides a CEO check , and could have prevented the above. Over 46% of S&P 1500 companies have separation.

GMI Ratings, an independent investment research firm, found companies with combined functions are "more likely to have certain troubling corporate governance characteristics than companies where the roles are separated". Findings:

Excessive salary when combined; separate Chair and CEO function salaries added together cost **less**

Undeserved job security

Abusive personal usage of corporate aircraft

Resistance to change

Shareholder value destroyed over the longer term. Companies with separation provide five year returns nearly 28% higher than when functions combined.

Greater investment risk

We have a lead director. The Chairman's Forum of fifty current and former board Chairmen and Directors indicate, "The lead director is a half measure that does not go far enough to solve the conflict-of-interest problem". "I think it's almost worse than not having one, because it tends to lull people to sleep with the appearance that the board has independent leadership".

Table of Contents

At 2013 proxy press time, ISS, an independent institutional advisory agency, assigned Rite Aid it's worst governance risk quick score "10" rating, and generally recommends in favor of separation resolutions with poor scores.

Rite Aid waited for it's latest financial crisis, announcing January 2010 the separation of the Chairman and CEO function; now it's back together again! Haven't shareholders learned our lesson from our past history? If not now, when?

An independent Chairman, as resolution defined, provides needed "checks and balances" and enhances investor confidence to invest in our Company.

**Protect your Investment-** Please vote "FOR" this Proposal #5

**THE BOARD OF DIRECTORS' STATEMENT IN OPPOSITION**

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "AGAINST" THIS PROPOSAL FOR THE FOLLOWING REASONS:**

The Board has considered this proposal and concluded for the reasons described below that the adoption of this resolution is not in the best interests of Rite Aid and its stockholders.

Under our Corporate Governance Guidelines the Board has the flexibility to determine whether it is in the best interests of Rite Aid and its stockholders to separate or combine the roles of the Chairman of the Board and the Chief Executive Officer at any point in time. This proposal would remove this flexibility and narrow the governance arrangements that the Board may consider, which could be contrary to the best interests of our stockholders. Given the dynamic and competitive environment in which we operate, the right leadership structure may vary from time to time based on changes in circumstances. Accordingly, the Board believes it should be permitted to use its business judgment to determine the right leadership structure based on what it believes best serves the needs of the Company and its stockholders at any particular time.

The Board believes that its current structure and governance practices allow it to provide effective, independent oversight of the Company and the Chief Executive Officer.

The Board is composed entirely of independent directors, other than the Chief Executive Officer.

We have a Lead Independent Director with significant responsibilities that are described in detail on page 12 of this proxy statement.

Non-management directors meet regularly in executive sessions that are chaired by our Lead Independent Director with no members of management present. Non-management directors use these executive sessions to discuss any matters they deem appropriate, including evaluation of senior management, the Chief Executive Officer and management succession, matters to be included on board agendas, board information needs and board effectiveness.

The Chairs and all members of the Audit, Nominating and Governance and Compensation Committees are independent directors. The committees have oversight responsibilities over critical matters of the Company, such as overseeing our financial and reporting process, including review of the Company's quarterly and annual financial results, the compensation of executive officers, including the Chairman of the Board and Chief Executive Officer, and the nomination of directors and the evaluation of the Board and its committees.

All directors have complete access to members of management and outside advisors.

Our clearly defined Lead Independent Director role, independent key committee chairs, experienced and committed directors and frequent executive sessions provide a framework for effective

direction and oversight by the Board. In addition, the Board believes that Mr. Standley's in-depth knowledge of the Company, perspective on competitive developments, understanding of stockholder interests and relationships with customers, business partners and the communities in which we do business allow him to provide decisive and effective leadership both within and outside the Company.

In view of our highly independent board structure and the Company's sound governance practices, the Board believes that the proposal is an unnecessary limitation on the Board's flexibility and would not strengthen the Board's independence or oversight functions. Moreover, the Board believes that its current leadership structure provides accountability, allows Rite Aid to present its strategy with a unified voice and serves the best interests of stockholders at this time.

**EXECUTIVE COMPENSATION**

**COMPENSATION DISCUSSION AND ANALYSIS**

**Introduction**

We encourage you to read this Compensation Discussion and Analysis for a detailed discussion and analysis of our fiscal year 2014 executive compensation program for the individuals named below. We refer to these individuals throughout this Compensation Discussion and Analysis and the accompanying tables as our "Named Executive Officers."

<b>Name</b>	<b>Title</b>
John T. Standley	Chairman and Chief Executive Officer
Kenneth A. Martindale	President and Chief Operating Officer
Frank G. Vitrano	Senior Executive Vice President, Chief Administrative Officer, and Chief Financial Officer
Robert K. Thompson	Executive Vice President, Store Operations
Marc A. Strassler	Executive Vice President, General Counsel

**Executive Summary**

*Our Company.*

Rite Aid Corporation is the third largest retail drugstore chain in the United States based on revenues and number of stores, operating 4,587 stores as of March 1, 2014 in 31 states and the District of Columbia. Our goals are to consistently understand and exceed the expectations of our customers at each of these stores by providing them with the best products, services and advice to meet their unique needs, thereby allowing us to meet our key business objectives and ultimately provide sustainable long-term value to our stockholders.

We believe that accomplishing these goals starts with our ability to attract, retain and appropriately motivate executive officers who have the knowledge, experience and leadership ability to manage our business and promote a culture of teamwork and development that inspires each and every one of our associates to give their best effort every day.

We feel that we have assembled a very strong team of executives, which has in turn resulted in our ability to attract and retain highly talented individuals at all levels of the organization who are committed to our core values of excellence, integrity and respect for people and have the ability to execute our strategic and operational priorities. This combination of strong executive leadership and highly talented and motivated team-driven associates played a key role in our outstanding financial performance in fiscal year 2014, as described below.

*Our Fiscal Year 2014 Performance.*

We had a very successful year in fiscal 2014, as evidenced by our strong corporate performance in the key areas described below:

We had net income of \$249.4 million, or \$0.23 per diluted share. This was our second consecutive fiscal year of positive net income since before the 2008 global financial crisis, and was a substantial increase over fiscal year 2013, in which we had net income of \$118.1 million, or \$0.12 per diluted share.

Our Adjusted EBITDA, which is a key measure we use to assess our performance, was a record-setting \$1,325 million and represented an increase of almost 18 percent over the fiscal year 2013 Adjusted EBITDA of \$1,128 million. See the discussion under the caption "Cash Incentive Bonuses" below for more detail on how we calculate Adjusted EBITDA.

Table of Contents

Our EBITDA growth over the last fiscal year was at the top of our peer group based on the most recent data available as of our fiscal year end.

Our leverage ratio, which measures how efficiently we use our available capital, was 4.23 and substantially beat our target of 5.13 (note that lower leverage ratios represent better performance).

Our overall same store sales increased by 0.7%. Revenue was positively impacted by brand drug inflation which was partially offset by a same store prescription count decrease of 0.3% and a front-end same store sales decrease of 0.2% over fiscal year 2013.

Our stock price increased nearly 300% in fiscal year 2014. We believe this increase was a direct result of our performance in the 2013 and 2014 fiscal years.

*Our Executive Compensation Philosophy.*

We believe strongly that pay should align with performance and this focus is reflected in our executive compensation programs. We seek to provide our Named Executive Officers with opportunities to earn total direct compensation (base salary, annual incentives, and long-term incentives) that are generally aligned with compensation levels provided to peer company executives and executives within similarly sized retailers more broadly.

Because of our desire to reinforce a performance-based culture, the Company emphasizes a pay mix that is comprised primarily of variable pay. As a result, base salary makes up the smallest portion of total direct compensation for the Named Executive Officers, with variable pay in the form of annual and long-term incentives comprising the remaining portion. The mix varies by position, taking into account each position's ability to influence Company results, as well as competitive practice.

*Our Fiscal Year 2014 Pay Decisions.*

We used Adjusted EBITDA as the primary financial metric in our annual incentive plan and long-term performance awards in fiscal year 2014. We believe this was appropriate because EBITDA growth has historically shown a strong positive correlation with three-year and five-year total stockholder return for Rite Aid and its peer group, and that it represented the best indicator of Rite Aid's operating performance based on our financial situation and corporate structure. With respect to long-term performance awards, the Compensation Committee, like it did in fiscal year 2013, included leverage ratio as an additional performance metric over the three-year performance period. The Compensation Committee believes that leverage ratio is a key indicator of our corporate performance, as it measures how efficiently we use our available capital and focuses management on the need to improve the Company's financial condition over time. Additionally, with respect to our executive officers, including our Named Executive Officers, the Compensation Committee added a provision subjecting the long-term performance award to modification based on our relative stockholder return versus the Russell 2000 Index over the three year measuring period.

As discussed above, our Adjusted EBITDA for fiscal year 2014 was \$1,325 million which exceeded our annual operating plan of \$1,125 million by approximately 18%. Consequently, and as described in more detail below under "Cash Incentive Bonuses," we paid annual incentives to our Named Executive Officers at the maximum level.

*Consideration of Stockholder Votes on Executive Compensation.*

In June 2011, our stockholders voted to hold an advisory vote on executive compensation every year. Consistent with that vote, the Board resolved to hold an advisory "say-on-pay" vote every year in connection with its annual meeting of stockholders. At our 2013 Annual Meeting approximately 97% of shares voting on the proposal approved the compensation of our Named Executive Officers on a

Table of Contents

non-binding, advisory basis. As a result of the overwhelming support of our stockholders in respect of the say-on-pay vote conducted at our 2013 Annual Meeting, the Compensation Committee determined that no material changes should be made to our executive compensation program for our Named Executive Officers in fiscal year 2014. As in the past, the Compensation Committee will continue to review the results of future advisory say-on-pay votes and will consider stockholders' concerns and take them into account in future determinations concerning the compensation of our Named Executive Officers.

**Objectives of Our Executive Compensation Program**

All of our executive compensation and benefits programs are within the purview of the Compensation Committee, which bases these programs on the same objectives that guide the Company in establishing all of its compensation programs. The Compensation Committee also administers the Company's equity incentive compensation plans. In establishing or approving the compensation of our Named Executive Officers in any given year, the Compensation Committee is generally guided by the following objectives:

Compensation should be based on the level of job responsibility, individual performance, and corporate performance, and should foster the long-term focus required for success in the retail drugstore industry. As associates progress to higher levels in the organization, an increasing proportion of their pay is linked to company performance and stockholder returns and to longer-term performance because they are in a position to have greater influence on longer-term results.

Compensation should reflect the value of the job in the marketplace. To attract and retain a highly skilled, diverse work force, we must remain competitive with the pay of other employers who compete with us for talent.

Compensation should reward performance. Our programs should deliver compensation that is related to our corporate performance. Where corporate performance falls short of expectations, the programs should deliver lower-tier compensation. In addition, the objectives of pay-for-performance and retention must be balanced. Even in periods of temporary downturns in overall corporate performance, the programs should continue to ensure that successful, high-achieving associates will remain motivated and committed to the Company to support the stability and future needs of the Company.

To be effective, performance-based compensation programs should enable associates to easily understand how their efforts can affect their pay, both directly through individual performance accomplishments and indirectly through contributing to the Company's achievement of its strategic and operational goals.

Compensation and benefit programs should reward performance relative to consistent measures and goals at all levels of the organization. While the programs and individual pay levels will always reflect differences in job responsibilities, geographies, and marketplace considerations, the overall structure of compensation and benefit programs should be broadly similar across the organization.

Compensation and benefit programs should attract associates who are interested in a career at Rite Aid.

**The Compensation Committee's Processes**

The Compensation Committee has established a number of processes to assist it in ensuring that the Company's executive compensation program is achieving its objectives. Among those are:

*Assessment of Company performance.* The Compensation Committee uses Company performance measures in two ways. First, in assessing the linkage between actual total compensation and performance, the Compensation Committee considers various measures of Company and industry performance, such as comparable store sales growth, EBITDA growth, return on sales, return on average invested capital and assets and total stockholder return. In determining performance relative to the Company's peer group (as discussed further below), the Compensation Committee does not apply a formula or assign these performance measures relative weights. Instead, it makes a subjective determination after considering such measures collectively. Second, as described in more detail below, the Compensation Committee has established specific Company target incentive/award levels and performance measures that determine the size of payouts under the Company's two formula-based incentive programs the cash incentive bonus program and performance awards granted under the Company's long-term incentive program.

*Assessment of competitive compensation levels.* The Compensation Committee, with the help of its independent compensation consultant Exequity LLP, assesses the Company's programs relative to a peer group of retail organizations and published survey data. For the Company's 2014 fiscal year, this peer group consisted of the companies listed below. During the second half of fiscal year 2014, the Company conducted a comprehensive review of its peer group and the Compensation Committee approved a modification to the peer group (which is also shown below under the heading "Fiscal Year 2015 Peer Group") for use beginning in the 2015 fiscal year.

Because the Company has a limited number of publicly-traded direct competitors and because pharmacy sales (which account for over two-thirds of the Company's revenue) have a different cyclicity than the sales of many other retailers, we reviewed potential peers relative to multiple criteria including:

Competitors for executive talent such as grocery store chains, discount department stores, and companies engaged in pharmaceutical distribution;

Competitors for investment capital such as companies considered peers by financial analysts, companies with a similar capital structure or companies whose stock price movement correlated most directly with Rite Aid;

Companies with which Rite Aid competes for customers that have pharmacy operations or offer similar merchandise as Rite Aid; and

Companies of similar size based on revenue as well as enterprise value.

The Compensation Committee determined that the following group best represented our peers based on the criteria described above at the time it was developed. As described above, following the comprehensive peer group review conducted in the second half of the 2014 fiscal year, the peer group was modified for use beginning in the 2015 fiscal year to consist of the companies listed below under "Fiscal Year 2015 Peer Group," which the Compensation Committee determined represented the most accurate group of our peers based on the criteria described above as of the time the review was conducted.

## Note:

Revenue reflects trailing 12 month data through December 2013 as available per Standard & Poor's Research Insight.

The Compensation Committee compares the compensation levels of Rite Aid's Named Executive Officers to peer company compensation levels in the aggregate, and also compares the pay of individual executives if the jobs are sufficiently similar to make the comparison meaningful.

In addition to the peer group data, the Compensation Committee reviews market data based on specific functional responsibility for each executive from published survey data. The survey analysis

Table of Contents

targets data from similarly-sized retail organizations based on each executive's functional responsibility. The surveys used in the analysis include Mercer's *Global Premium Executive Remuneration Suite* and Towers Watson's *Survey Report on Top Management Compensation*.

The Compensation Committee uses the peer group and survey data primarily to ensure that the executive compensation program as a whole is competitive, meaning generally within 25% of the median range of comparative pay of the market when Rite Aid achieves the targeted performance levels. The Compensation Committee further designed the incentive plans in such a way that executives can earn above competitive levels for superior performance and below competitive levels if performance is below expectations. The Compensation Committee assesses overall alignment of the compensation program rather than benchmarking a specific target position with consideration of factors such as company and individual performance, how executive roles function within Rite Aid, concerns about executive retention, and availability of equity compensation. The Compensation Committee assesses Rite Aid's performance relative to its peer group on both a one-year and three year basis and observed alignment of performance with actual total direct compensation levels for the executives in the aggregate.

In fiscal year 2014, management engaged Mercer, a compensation consultant, to provide management with compensation information for certain executive officers. Pursuant to the terms of its retention, Mercer reported directly to management, and not to the Compensation Committee, although the Compensation Committee did review recommendations and analysis prepared by management and Mercer in determining fiscal year 2014 compensation for the Named Executive Officers.

*Total compensation review.* The Compensation Committee reviews each executive's base pay, annual bonus, and long-term incentives annually with the guidance of the Compensation Committee's independent compensation consultant. Following the fiscal year 2014 review, the Compensation Committee determined that the target level and components of compensation for fiscal year 2014 were reasonable in the aggregate.

**Components of Executive Compensation for Fiscal Year 2014**

For fiscal year 2014, the compensation program for our Named Executive Officers consisted of four primary components: base salary, a cash incentive bonus opportunity under the Company's annual incentive bonus plan, long-term incentives consisting of stock options, restricted stock and performance units and a benefits package, including a Supplemental Executive Retirement Program ("SERP"). A significant portion of total compensation is variable, i.e., subject to performance and is comprised of target annual incentives and target long-term incentives.

The Compensation Committee believes that this program appropriately balances the mix of cash and equity compensation, the mix of currently-paid and longer-term compensation, and the security of base benefits in a way that best furthers the compensation objectives discussed above. The chart below shows the overall mix of base salary, target annual incentives, target long-term incentives, and contributions under the SERP for each of the Named Executive Officers.

(1) Target Total Remuneration represents the sum of base salary, target annual incentives, target long-term incentives, and SERP contributions. Value of broad-based benefits provided to all employees and components of other compensation (except the SERP) have been excluded.

***Base Salary***

Base salary is one element of an executive's annual cash compensation during employment. The value of base salary reflects the executive's long-term performance, skill set and the market value of that skill set. In setting base salaries for fiscal year 2014, the Compensation Committee

considered the following factors:

*Pay levels at comparable companies.* As noted above, the Compensation Committee uses the peer group data to test for the reasonableness and competitiveness of base salaries, but it also exercised subjective judgment in view of the Company's compensation objectives.

Table of Contents

*Internal relativity.* Meaning the relative pay differences for different job levels.

*Individual performance.* Except for increases associated with promotions or increased responsibility, increases in base salary for executives from year to year are generally limited to minimal adjustments to reflect individual performance.

*Consideration of the mix of overall compensation.* Consistent with our compensation objectives, as executives progress to higher levels in the organization, a greater proportion of overall compensation is directly linked to company performance and stockholder returns. Mr. Standley's overall compensation, for example, is more heavily weighted toward short- and long-term incentive compensation (82% in the aggregate as shown in the bar chart above) than that of the other Named Executive Officers.

The Compensation Committee reviewed the Named Executive Officers' base salaries in April of fiscal year 2014 (June for Mr. Standley) and considered the principles described above under "The Compensation Committee's Processes" in establishing Named Executive Officers' base salaries for the fiscal year. The table below shows changes in base salaries for the Named Executive Officers in fiscal year 2014, which reflect promotions and changes in role as noted below.

Executive	Base Salary at End of FY 2014	Increase from Prior Fiscal Year	Rationale
John T. Standley	\$ 1,050,000	5% Merit increase	
Kenneth A. Martindale	\$ 900,000	13% President in June 2013	Merit increase and promotion to
Frank G. Vitrano	\$ 819,545	3% Merit increase	
Robert K. Thompson	\$ 477,405	3% Merit increase	
Marc A. Strassler	\$ 456,968	3.5% Merit increase	

**Cash Incentive Bonuses**

The Company established an annual incentive plan in order to incentivize the Named Executive Officers to meet the Company's Adjusted EBITDA target for fiscal year 2014. The Compensation Committee establishes a target percentage of salary for each participant at the beginning of the fiscal year and approves the financial goals required for the Company to pay an award. Payouts for the Named Executive Officers are then determined by the Company's financial results for the year relative to the predetermined performance measures. As shown in the Summary Compensation Table under "Non-Equity Incentive Plan Compensation," incentives were paid to Named Executive Officers for fiscal year 2014 performance.

*Bonus targets.* Targets for each Named Executive Officer were determined based on job responsibilities, internal relativity, and peer group and survey data. The Compensation Committee's objective was to set bonus targets such that total annual cash compensation (including base salary and annual incentive assuming a target payout) was generally aligned with the market with a substantial portion of that compensation linked to corporate performance. Consistent with our executive compensation philosophy, individuals with greater job responsibilities had a greater proportion of their total cash compensation tied to company performance through the incentive plan. Thus, the

Table of Contents

Compensation Committee established the following targets for fiscal year 2014 (expressed as a percentage of base salary):

**Annual Incentive Opportunity**

<b>Executive</b>	<b>Threshold Payout (as a % of Salary)</b>	<b>Target Payout (as a % of Salary)</b>	<b>Maximum Payout (as a % of Salary)</b>
John T. Standley	50%	200%	400%
Kenneth A. Martindale	38%	150%	300%
Frank G. Vitrano	31%	125%	250%
Robert K. Thompson	19%	75%	150%
Marc A. Strassler	19%	75%	150%

*Company performance measures.* The Compensation Committee established the following Company performance goals, which applied to all plan participants, in February 2013:

**Fiscal Year 2014 Annual Incentive Plan Performance Goals**

<b>Performance Level</b>	<b>Adjusted EBITDA Goal (millions)</b>
Maximum	\$ 1,238
Target	\$ 1,125
Threshold	\$ 1,069

The Compensation Committee believes that using Adjusted EBITDA as the primary measure for the annual incentive plan appropriately encourages officers, including the Named Executive Officers, to focus on improving operating results which ultimately drive stockholder value. EBITDA growth has historically shown a strong positive correlation with three-year and five-year total stockholder return for Rite Aid and its peer group. The majority of Rite Aid's peer companies use an EBITDA measure in their annual incentive plans. Based on Rite Aid's current financial situation and capital structure, the Committee believes that Adjusted EBITDA is the best indicator of Rite Aid's operating performance. The measure is tracked regularly, clearly understood by the officers, and the officers can impact the measure by taking actions to improve the operating performance of our stores. In addition, the Company regularly communicates Adjusted EBITDA to the investment community.

Under the plan formula, payouts can range from 0% to 200% of bonus targets depending on company performance. For fiscal year 2014, the target level of Adjusted EBITDA was \$1,125 million which was based on our annual operating plan and in line with guidance provided to the investment community.

In fiscal year 2014, Rite Aid's actual Adjusted EBITDA was \$1,325 million, which was above the maximum performance level of \$1,238 million, resulting in bonus payments at the maximum level. As discussed in greater detail in our Annual Report, we define Adjusted EBITDA as net income (loss) excluding the impact of income taxes, interest expense, depreciation and amortization, LIFO adjustments, charges or credits for facility closing and impairment, inventory write-downs related to store closings, stock-based compensation expense, debt modifications and retirements, sale of assets and investments, revenue deferrals related to customer loyalty programs and other items. We reference this particular non-GAAP financial measure not only as a basis for incentive compensation but also in our corporate decision-making because it provides supplemental information that facilitates internal comparisons to the historical operating performance of prior periods and external comparisons to competitors' historical operating performance.

Table of Contents**Long-Term Incentive Program**

*Long-term incentive target opportunity.* The purpose of the long-term incentive program is to support the long-term perspective necessary for continued success in our business and focus our Named Executive Officers on creating long-term, sustainable stockholder value. Our annual long-term incentive targets for each Named Executive Officer are shown below:

**Long-Term Incentive Targets**

<b>Executive</b>	<b>Target (as a % of Salary)</b>
John T. Standley	350%
Kenneth A. Martindale	200%
Frank G. Vitrano	220%
Robert K. Thompson	110%
Marc A. Strassler	110%

Because long-term incentive targets have been below the median of our peer companies for the past 7 years, the Committee changed the annual targets of our Named Executive Officers for fiscal year 2014. The Compensation Committee reviewed available peer group data and found that the design of the long-term incentive program is reasonably aligned with general retail industry market practice. Grant values for individual executive officers were determined by individual performance and internal relativity. Consistent with the Company's compensation philosophy, executive officers at higher levels received a greater proportion of total pay in the form of long-term incentives.

*Long-term incentive mix.* In fiscal year 2014 we used the following types of awards:

<b>Vehicle</b>	<b>Proportion of 2014 Long-Term Incentive Target Opportunity</b>	<b>Purpose</b>
Stock Options	40%	Provides a vehicle measured by stock price that rewards increases in shareholder value.
Performance Awards	35%	Links compensation to multi-year operating results on key measures tied to shareholder value creation.
Restricted Stock	25%	Supports retention and provides a vehicle with more stability and less risk. Aligns executive and shareholder interests and focuses executives on value creation.

In determining the overall mix of long-term incentive vehicles, the following factors were considered:

*Risk/reward tradeoffs:* Using multiple long-term incentive vehicles can balance the need for a strong performance-based program against risk to executives.

*Performance measurement:* Using a combination of vehicles allows the Company to focus executives on both stock price appreciation and achievement of consistent operating results (as indicated by Adjusted EBITDA and other measures) which we believe leads to creation of value for stockholders.

*Management of share usage and market practice:* Given stockholder concerns about equity usage, Rite Aid considers market practice concerning both share usage and competitive long-term incentive levels. Use of a cash-based performance vehicle allows Rite Aid to deliver a long-term incentive opportunity which is aligned with peer companies and retailers of similar size while managing share usage given the stock price at the time of grant. The target LTI mix has been

Table of Contents

selected to maximize opportunity for executives and associates given a challenging operating environment.

The Compensation Committee's process for setting grant dates is discussed below. Then, on the approval date those values are converted to the equivalent number of shares based on the closing price of the Company's common stock on the date of approval for restricted shares and using the Black-Scholes valuation method for stock options. Performance awards are denominated in cash (1 unit = \$1).

*Grant timing.* The Compensation Committee has a policy that annual long-term incentive awards (other than special or new hire grants) will be approved by the Committee once a year at its annual meeting held in connection with the annual stockholders meeting with a grant date of the second business day after release of the Company's first quarter earnings. Grants are made to the Named Executive Officers at the same time as awards are made to all other associates as part of the annual grant process.

*Special awards.* From time to time, the Company may make grants in addition to the annual equity grant including those to Named Executive Officers. Typically these grants include awards to new hires, promotional awards, or retention awards.

***Performance Awards***

Performance awards provide the Named Executive Officers with units, which are denominated in a target cash value and payable in cash if the designated Company performance goals are achieved over the prescribed performance period. Payouts can range from 0% to 200% of target. Performance awards are intended to align interests of executives with those of stockholders through the use of measures the Company believes drive its long-term success. Performance awards are normally granted annually and are structured as a targeted number of units based on the Company's achievement of specific performance levels with payout occurring after a three-year period.

Prior to fiscal year 2013, performance awards were based solely on the achievement of Adjusted EBITDA goals. As noted above under "Cash Incentive Bonuses," Adjusted EBITDA is a key measure used to both assess and communicate Rite Aid's performance.

We considered several alternative measures for the fiscal year 2013 performance award grant in response to investor concerns about using Adjusted EBITDA as the sole measure in both our annual incentive and long-term incentive programs. While we believe Adjusted EBITDA continues to be the best measure of Company performance, we decided to base a portion of the 2013-2015 Plan on leverage ratio (net debt / Adjusted EBITDA), which is a key performance metric that measures how efficiently we use our available capital and focuses management on the need to improve the financial condition of the Company over time. We determined that the optimum mix of the performance goals for the 2013-2015 Plan was 80% Adjusted EBITDA and 20% leverage ratio. We believe that the weighting appropriately balances the goals of maximizing profitability and improving of financial condition through the reduction of debt leverage.

For the fiscal year 2014 performance award grant, the Compensation Committee again determined to base 80% of the award on the achievement of Adjusted EBITDA goals and the remaining 20% on leverage ratio goals, in each case to be measured over the 2014-2016 measuring period. In addition, the Compensation Committee also added a provision subjecting the award to modification based on our relative stockholder return versus the Russell 2000 Index over the three year measuring period, which the Compensation Committee believes would further align the interests of our executives with those of our stockholders and add an additional incentive for them to create sustainable long-term value for the Company.

Table of Contents

*2012-2014 Plan.* Based on concerns related to the predictability of performance targets and executive retention, the plan design was modified in June 2011. Awards granted under the 2012-2014 cycle were earned based on Rite Aid's achievement of a 2012 Adjusted EBITDA goal. These awards are subject to forfeiture if the executive leaves the Company prior to June 27, 2014, except by reason of a change in control or by consent of the Compensation Committee. Based on Rite Aid's actual performance of Adjusted EBITDA of \$942.9 million for fiscal year 2012, executives who remain with the Company through June 2014 will receive an award of 167.9% of the target award. The 2012 Adjusted EBITDA targets are shown below:

Performance Level	2012 Performance Award Goal	
	(\$ millions)	
Maximum	\$	983
Target	\$	855
Threshold	\$	813

*2013-2015 Plan.* After additional conversations with certain of our institutional shareholders, we decided to make two changes to the 2013-2015 Plan in order to improve alignment between pay and long-term performance. First, the Plan was changed to measure performance based on cumulative performance over the three years. Second, 80% of the payout is based on Adjusted EBITDA performance and 20% on leverage ratio. Adjusted EBITDA is compared to the sum of annual targets over the three years in the performance period. The leverage ratio is compared to the weighted average target over the three years in the performance period. For both fiscal years 2013 and 2014, performance exceeded target levels for both measures. Adjusted EBITDA was \$1,128 million compared to a target of \$967 million for 2013 and \$1,325 million compared to a target of \$1,125 million for 2014. Actual leverage ratio was 5.23 compared to a target of 6.28 for 2013 and 4.23 compared to a target of 5.13 for 2014 (note that lower leverage ratios represent better performance).

*2014-2016 Plan.* As was the case with the 2013-2015 Plan, the 2014-2016 Plan is again based 80% on the Adjusted EBITDA goals and 20% on leverage ratio goals to be determined over the three year performance period, as the Compensation Committee again determined that these goals appropriately balanced maximizing profitability and improving our financial condition through the reduction of debt leverage. In addition, in order to further align the interests of our executives with those of our stockholders and add an additional incentive for them to create sustainable long-term value for the Company, the Compensation Committee also determined to subject the award to modification based on our relative stockholder return versus the Russell 2000 Index over the three year measuring period. For fiscal year 2014, performance exceeded target levels for both measures. Adjusted EBITDA was \$1,325 million compared to a target of \$1,125 million. Actual leverage ratio was 4.23 compared to a target of 5.13 (note that lower leverage ratios represent better performance). Additionally, our stockholder return is performing in the top one-third of the Russell 2000 Index, which if sustained over the performance period would result in a positive modification of the awards.

**Stock Options**

Stock options are intended to reward executives for value creation and they only have value if our stock price increases over time, which aligns the interests of our executives with our stockholders. The Company's ten-year options, granted at the market price on the date of grant, help focus executives on long-term growth. In addition, because options vest ratably over a four-year period, they are intended to help retain executives and keep them focused on long-term performance.

Table of Contents

***Restricted Stock***

Restricted stock grants are intended to support retention of executives and focus them on long-term performance because they generally vest over a multi-year period (three years or longer) and are tied to the value of our stock. The risk profile of restricted stock is aligned with stockholders as it can motivate executives to both increase and preserve stock price.

**Post-Retirement Benefits**

*Supplemental Executive Retirement Program.* Each of the Named Executive Officers receive benefits under a defined contribution supplemental executive retirement plan ("SERP"). Under the SERP, Rite Aid credits each participant with a specific sum to an individual account established for the participant, on a monthly basis while the participant is employed. The amount credited is equal to 2% of the executive officer's annual base compensation. The participants are able to select among a choice of earnings indexes, and their accounts are credited with earnings that mirror the investment results of such indexes. Participants vest in their accounts at the rate of 20% per year for each calendar year of participation in the SERP at a five-year rolling rate with the entire account balance for each participant vesting upon termination without cause during the twelve month period following a "change in control" of the Company, as defined in the SERP.

Subject to certain tax rules or deferral elections made by the executive, which may require a delay in payment, participants will receive their vested account balance upon the earliest to occur of: (i) their retirement at age 60 or greater, with at least five years of participation in the SERP; (ii) termination of employment with the Company (including due to death or disability); and (iii) a hardship withdrawal pursuant to the terms of the SERP.

**Other Post-Employment and Change in Control Benefits**

To attract and retain highly skilled executives and to provide for certainty of rights and obligations, Rite Aid has historically provided employment agreements to its executive officers, including our Named Executive Officers. The terms of the employment agreements are described in more detail under the caption "Executive Employment Agreements." Additional information regarding the severance and change in control benefits provided under the employment agreements is described under the section "Executive Compensation Potential Payments Upon Termination or Change in Control."

**Deductibility Cap on Executive Compensation**

The Compensation Committee is aware that Section 162(m) of the Internal Revenue Code of 1986, as amended, treats certain elements of executive compensation in excess of \$1,000,000 a year payable to our Chief Executive Officer and three other most highly compensated executives (other than our Chief Financial Officer) as an expense not deductible by the Company for federal income tax purposes. Payments to these individuals in excess of the \$1,000,000 limit will be deductible if they meet the definition of "performance-based compensation" as defined in Section 162(m).

While the Compensation Committee plans to continue taking actions intended to limit the impact of Section 162(m), it also believes that the tax deduction is only one of several relevant considerations in setting compensation. Therefore, in order to maintain the flexibility to provide compensation programs for our Named Executive Officers that will best incentivize them to achieve our key business objectives and create sustainable long-term shareholder value, the Compensation Committee reserves the right to pay compensation that may not be deductible to the Company if it determines that doing so would be in the best interests of the Company. Based on the Company's current tax situation, compliance with Section 162(m) is not a significant concern.

**Policy Regarding Recoupment of Certain Compensation**

The Company has adopted a formal compensation recovery or "clawback" policy for its executive officers, including all Named Executive Officers. Pursuant to this policy, the Board of Directors of the Company may seek to recoup certain incentive compensation, including cash bonuses and equity incentive awards paid based upon the achievement of financial performance metrics, from executives in the event that the Company is required to restate its financial statements.

**Prohibition on Hedging and Similar Transactions**

Our executive officers and directors, including the Named Executive Officers, are subject to an insider trading policy that, among other things, prohibits them from engaging in put or call options, short selling or similar hedging activities involving our stock. We prohibit these transactions because they may reduce the individual's incentive to improve our performance, focus the individual on short-term performance at the expense of long-term objectives and misalign the individual's interests with those of our stockholders generally.

**Director and Officer Stock Ownership Guidelines**

In September 2008, we adopted Stock Ownership Guidelines in order to further the investment of our non-management directors, executive officers, and Senior Vice Presidents in the success of the Company and to encourage a long-term perspective in managing the Company. The stock ownership requirements are:

Position	Minimum Ownership Requirements (Number of Share Equivalents)
Chairman and Chief Executive Officer	2,500,000
President and Chief Operating Officer	1,000,000
Senior Executive Vice Presidents	1,000,000
Executive Vice Presidents	500,000
Senior Vice Presidents	200,000
Non-Management Directors	100,000

Newly appointed or promoted executives who are or become subject to our Stock Ownership Guidelines and newly elected non-management directors have five years from the time they are appointed, promoted or elected, as the case may be, to meet the stock ownership requirements. Currently, all of those persons subject to the guidelines, including all Named Executive Officers and senior vice presidents, have achieved the minimum holding ownership requirement or have not yet served for five years.

For the purposes of determining stock ownership levels, the following forms of equity interests in the Company are included:

Shares owned outright by the participant or his or her immediate family members residing in the same household;

Restricted stock and restricted stock units whether or not vested; and

Shares underlying Rite Aid stock options whether or not vested.

Restricted stock and restricted stock units, whether or not vested and shares owned count as one (1) share equivalent per share beneficially owned and stock options whether or not vested count as one-half (.5) share equivalent per stock option.

Table of Contents

The Compensation Committee is responsible for interpreting and administering the Stock Ownership Guidelines, and may, from time to time, reevaluate and revise the Stock Ownership Guidelines, including when there are changes to the Company's capital structure or where implementation of the Stock Ownership Guidelines would cause a non-management director, executive officer or Senior Vice President to incur a hardship due to his or her unique financial circumstances.

**COMPENSATION COMMITTEE REPORT**

The Compensation Committee of the Board of Directors has reviewed and discussed the foregoing Compensation Discussion and Analysis with management and, based on that review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL**

As discussed above under the caption "Executive Employment Agreements," the Company has entered into employment agreements with each of the Named Executive Officers. Upon written notice, the employment agreement of each of the Named Executive Officers is terminable by either Rite Aid or the individual officer seeking termination.

Pursuant to his employment agreement with the Company, if Mr. Standley is terminated by the Company without "cause," if he terminates his employment for "good reason" (as such terms are defined in his employment agreement) or if the Company provides a notice of nonrenewal at least 180 days prior to the expiration of his employment agreement, a "Company Nonrenewal," and such Company Nonrenewal occurs within six months of a change in control, then he will be entitled to receive:

a severance amount equal to two times the sum of his annual base salary and target bonus (one times the sum in the case of a Company Nonrenewal), a pro-rata bonus for the fiscal year of termination and any accrued but unpaid salary and benefits. The severance amount is payable in installments over the two-year period (one year upon a Company Nonrenewal) following the termination;

continued health benefits for two years following the termination (one year in the case of a Company Nonrenewal); and

all outstanding stock options will immediately vest and be exercisable, generally, for a period of one year following the termination of employment and the restrictions on the restricted common stock will immediately lapse to the extent the options would have vested and restrictions would have lapsed had he remained employed by Rite Aid for three years (one year in the case of a Company Nonrenewal) following the termination.

If Rite Aid terminates Mr. Standley for "cause," or he terminates his employment without "good reason":

Rite Aid shall pay Mr. Standley all accrued but unpaid salary and benefits;

any portion of any then-outstanding stock option grant that was not exercised prior to the date of termination will immediately terminate (provided that if he terminates his employment without good reason, any options that have vested and become exercisable prior to the date of termination will generally remain exercisable for a period of 90 days); and

any portion of any restricted stock award, or other equity incentive award, as to which the restrictions have not lapsed or as to which any other conditions were not satisfied prior to the date of termination will be forfeited.

If Mr. Standley's employment is terminated as a result of his death or "disability" (as such term is defined in his employment agreement), he (or his estate, as the case may be) will be entitled to receive all accrued but unpaid salary and benefits payable under death or disability benefit plans in which he participates, a pro-rata bonus (paid at the same time it is paid to other eligible participants in the bonus plan and based on actual achievement of performance targets for the fiscal year), continued health insurance (or reimbursement for the cost of such benefits) for two years for Mr. Standley and/or his immediate family, as applicable, vesting of all stock options and vesting of an amount of restricted stock that would have vested had he remained employed for three years following the date of termination.

Pursuant to their employment agreements with the Company, if any of Messrs. Martindale, Vitrano, Thompson, and Strassler is terminated by Rite Aid without "cause" or if such officer's employment is terminated by the officer for "good reason" (as such terms are defined in the applicable employment agreement), then the officer will be entitled to receive:

a severance amount equal to two times the sum of the annual base salary and (other than Messrs. Thompson and Strassler) target bonus, a pro-rata bonus for the fiscal year of termination and any accrued but unpaid salary and benefits. The severance amount is payable in installments over the two-year period following the termination;

continued health benefits for two years following the termination; and

all outstanding stock options will immediately vest and be exercisable, generally, for a period of 90 days following the termination of employment and the restrictions on the restricted common stock will immediately lapse to the extent the options would have vested and restrictions would have lapsed, in each case, had the officer remained employed by Rite Aid for two years following the termination.

If Rite Aid terminates any of the Named Executive Officers for "cause," or if any of the Named Executive Officers terminates his employment without "good reason" (with the exception of Mr. Standley, whose termination provisions are described above):

Rite Aid shall pay the officer all accrued but unpaid salary and benefits;

any portion of any then-outstanding stock option grant that was not exercised prior to the date of termination will immediately terminate (provided that if the officer terminates his employment without good reason, any options that have vested and become exercisable prior to the date of termination will generally remain exercisable for a period of 90 days); and

any portion of any restricted stock award, or other equity incentive award, as to which the restrictions have not lapsed or as to which any other conditions were not satisfied prior to the date of termination will be forfeited.

Table of Contents

If the employment of any of the Named Executive Officers (other than Mr. Standley whose benefits upon such termination are described above) is terminated as a result of death or "disability" (as such term is defined in each employment agreement), the officer will be entitled to receive all accrued but unpaid salary and benefits payable under death or disability benefit plans in which the officer participates, continued health insurance (or reimbursement for the cost of such benefits) for two years for the officer and/or his immediate family, as applicable (other than Messrs. Thompson and Strassler who will receive continued coverage for one year), vesting of all stock options and vesting of an amount of restricted stock that would have vested had the officer remained employed for two years following the date of termination. Messrs. Martindale and Vitrano will also be entitled to receive a pro-rata bonus, based on actual achievement of performance targets for the fiscal year, that is paid at the same time that it is paid to other eligible participants in the bonus plan.

Upon the termination of employment of any of the Named Executive Officers, the officer would generally become entitled to receive a distribution of his vested account balance under the nonqualified deferred compensation plans maintained by the Company. Pursuant to applicable tax regulations, any such distributions will generally be delayed for a period of six months following the Named Executive Officer's separation from service. The account balance of each Named Executive Officer is shown in the "Nonqualified Deferred Compensation for Fiscal 2014" table above.

*Change in Control Arrangements.*

*Under Employment Agreements.* Under Mr. Standley's employment agreement, upon a change in control, all of his stock options awarded pursuant to his employment agreement and all stock options awarded pursuant to the Company's executive equity program then held by him shall immediately vest and be exercisable. Severance benefits would not be triggered pursuant to a change in control unless it is followed by Mr. Standley's termination of employment under the circumstances described above. Similarly, severance benefits would not be triggered pursuant to a change in control unless it is followed by either Mr. Martindale's, Mr. Vitrano's, Mr. Thompson's or Mr. Strassler's termination of employment, respectively, under the circumstances described above.

For purposes of the employment agreements with the Named Executive Officers, where applicable, the term "change in control" generally means an acquisition of 35% (50% in the case of Mr. Thompson) or more of the Company's combined voting power; the incumbent directors (generally including current directors and future directors whose election or nomination is approved by the Board) ceasing to constitute a majority of the Board; the consummation of a merger or similar transaction, other than (i) such a transaction in which the voting securities outstanding immediately prior to such transaction continue to represent at least 60% (50% in the case of Mr. Thompson) of the voting power of the Company immediately after the transaction or (ii) a recapitalization or similar transaction in which no person becomes the beneficial owner of 35% or more of the Company's combined voting power; or the stockholders approve a plan of complete liquidation or dissolution of the Company.

Each of Messrs. Standley, Martindale, Vitrano and Strassler's employment agreement provides that the Named Executive Officer will receive an additional payment to reimburse the officer for any excise taxes imposed pursuant to Section 4999 of the Internal Revenue Code, together with reimbursement for any additional taxes incurred by reason of such payments.

*Under Rite Aid's Equity Program.* Pursuant to the terms of the Company's equity program, unless otherwise provided in a Named Executive Officer's employment agreement or individual award agreement, if outstanding equity awards are assumed or substituted in connection with a change in control, the change in control will not cause the vesting of such awards to accelerate unless the change in control is followed by a qualifying termination of employment within the 24-month period following the change in control. All outstanding equity awards granted pursuant to the Company's equity

Table of Contents

program that are not assumed or substituted in connection with a change in control will become fully vested and exercisable, free of applicable restrictions, and all performance criteria will be deemed to have been achieved at target levels, upon the occurrence of the change in control.

For purposes of Rite Aid's equity program, a "change in control" means, in general: (i) a person or entity acquires securities of Rite Aid representing 50% or more of the combined voting power of Rite Aid; (ii) an unapproved change in the majority membership of the Board; (iii) consummation of a merger or consolidation of Rite Aid or any subsidiary of Rite Aid, other than a merger or consolidation that results in the Rite Aid voting securities continuing to represent at least 60% of the combined voting power of the surviving entity or its parent, or a merger or consolidation effected to implement a recapitalization or similar transaction involving Rite Aid in which no person or entity acquires at least 35% of the combined voting power of Rite Aid; or (iv) stockholder approval of a plan of complete liquidation or dissolution of Rite Aid or the consummation of an agreement for the sale or disposition of all or substantially all of Rite Aid's assets, other than a sale or disposition to an entity, at least 60% of the combined voting power of which is owned by Rite Aid stockholders in substantially the same proportions as their ownership of Rite Aid immediately prior to such sale. For more information regarding the equity program, refer to the Compensation Discussion and Analysis under the caption "Long-Term Incentive Program."

*Under Rite Aid's Supplemental Retirement Plan.* The invested account balance of the supplemental executive retirement plan in which the Named Executive Officers participate will vest upon a change in control of the Company as defined in the supplemental executive retirement plan, only if such Named Executive Officer is involuntarily terminated without cause within twelve months of the change in control. For more information regarding the supplemental executive retirement plan, refer to the Compensation Discussion and Analysis under the caption "Post-Retirement Benefits."

The termination and change in control payments that would have been made to the Named Executive Officers had their employment been terminated as of March 1, 2014 under the circumstances described in the tables below are quantified in the tables below.

(1)

The value of stock options shown is based on the excess of \$6.59, the closing price of a share of Rite Aid common stock on the last trading day before March 1, 2014, over the exercise price of such options, multiplied by the number of unvested stock options held by the officer that would become vested under the applicable circumstances. The value of restricted stock shown is determined by multiplying \$6.59, the closing price of a share of Rite Aid common stock on the last trading day before March 1, 2014 and the number of shares of restricted stock held by the officer that would become vested under the applicable circumstances.

(2)

The value is shown under the assumption that outstanding stock options and restricted stock awards are not assumed or substituted in the change in control transaction, resulting in full vesting upon the change in control, as described above in the "Potential Payments Upon Termination or Change in Control Change in Control Arrangements" narrative.

**AUDIT COMMITTEE REPORT**

The Board of Directors has adopted a written charter of the Audit Committee which further describes the role of the Audit Committee. The Audit Committee, among other things, appoints and engages our independent registered public accounting firm and oversees our financial reporting and internal control over financial reporting processes on behalf of the Board. Management has the primary responsibility for our financial statements, our accounting principles and our internal control over financial reporting. Our independent registered public accounting firm is responsible for auditing our financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States. Our independent registered public accounting firm also is responsible for expressing an opinion on the effectiveness of our internal control over financial reporting.

In fulfilling its oversight responsibilities, the Audit Committee met eight times during fiscal year 2014.

During those meetings and in subsequent meetings, the Audit Committee:

Met with our internal auditors and independent registered public accounting firm, with and without management present, to discuss the overall scope and plans for their respective audits, the results of their examinations, their evaluations of our internal control over financial reporting and the overall quality of our financial reporting.

Reviewed and discussed with management and our independent registered public accounting firm, for their respective purposes, the audited financial statements included in our Annual Report on Form 10-K for fiscal 2014. The discussions included the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements and the Annual Report on Form 10-K for fiscal 2014.

Reviewed the unaudited interim financial statements and Forms 10-Q prepared each quarter by the Company.

Received management representations that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

Reviewed and updated the Audit Committee charter.

Reviewed and discussed with our independent registered public accounting firm those matters required to be communicated by the standards of the Public Company Accounting Oversight Board ("PCAOB"), as well as critical accounting policies and practices, alternative accounting treatments, and other material written communications between management and our independent registered public accounting firm, as required by Rule 2-07 of Regulation S-X under the Securities Exchange Act of 1934, as amended.

Discussed with our independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16, *Communications with Audit Committees*, issued by the PCAOB.

Discussed with our independent registered public accounting firm matters relating to their independence and received the written disclosures and the letter from our independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence. The Audit Committee has considered whether the level of non-audit related services provided by our independent registered public accounting firm is consistent with maintaining their independence.

Table of Contents

Pre-approved audit, other audit-related and tax services performed by our independent registered public accounting firm.

In addition to pre-approving the audit and other audit-related and tax services performed by our independent registered public accounting firm, the Audit Committee requests fee estimates associated with each proposed service. Providing a fee estimate for a service incorporates appropriate oversight and control of the independent registered public accounting firm relationship. On a quarterly basis, the Audit Committee reviews the status of services and fees incurred year-to-date against pre-approved services and fee estimates.

As outlined in the table below, we incurred the following fees, including expenses billed to the Company for the fiscal years ended March 1, 2014 and March 2, 2013 by our independent registered public accounting firm, Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates.

Description of Fees	Year Ended	
	Mar. 1, 2014	Mar. 2, 2013
	(Amounts in millions)	
<b>Audit Fees</b> , including audit of annual financial statements and reviews of interim financial statements, registration statement filings and comfort letters related to various refinancing activities	\$ 2.4	\$ 2.1
<b>Audit-Related Fees</b> , acquisition due diligence fees and audits of employee benefit plans' financial statements	\$ 0.4	\$ 0.2
<b>Tax Fees</b> , tax compliance advice and planning	\$ 0.1	\$ 0.4
Total	\$ 2.9	\$ 2.7

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended March 1, 2014 for filing with the SEC.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

**Review and Approval of Related Person Transactions**

We have adopted a written policy concerning the review, approval or ratification of transactions with related persons. The Nominating and Governance Committee is responsible for review, approval or ratification of "related person transactions" between the Company or its subsidiaries and related persons. Under SEC rules, a related person is, or any time since the beginning of the last fiscal year was, a director, executive officer, nominee for director, an immediate family member (as defined under applicable SEC rules) of such persons, or a 5% stockholder of the Company. A related person transaction is any transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company or a subsidiary is a participant, the amount involved exceeds \$120,000, and a related person had, has or will have a direct or indirect material interest.

Directors, executive officers and nominees must complete an annual questionnaire and disclose all potential related person transactions involving themselves and their immediate family members that are known to them. Throughout the year, directors and executive officers must notify the Corporate Secretary and Chief Accounting Officer of any potential related person transactions as soon as they become aware of any such transaction. The Corporate Secretary and Chief Accounting Officer inform the Nominating and Governance Committee of any related person transaction of which they are aware. The Corporate Secretary and Chief Accounting Officer are responsible for conducting a preliminary analysis and review of potential related person transactions and presentation to the Nominating and Governance Committee for review including provision of additional information to enable proper consideration by the Committee. As necessary, the Nominating and Governance Committee shall review approved related person transactions on a periodic basis throughout the duration of the transaction to ensure that the transactions remain in the best interests of the Company. The Nominating and Governance Committee may, in its discretion, engage outside counsel to review certain related person transactions. In addition, the Nominating and Governance Committee may request that the full Board of Directors consider the approval or ratification of related person transactions if the Committee deems it advisable. A copy of our full policy concerning transactions with related persons is available on the Governance section of our website at [www.riteaid.com](http://www.riteaid.com) under the headings "Corporate Info Governance Related Person Transactions."

**Agreements with Jean Coutu Group**

In connection with Rite Aid's acquisition of the Brooks and Eckerd drugstore chains, Rite Aid and The Jean Coutu Group (PJC) Inc., or Jean Coutu Group, became parties to a stockholder agreement and registration rights agreement, which agreements expired following the disposition in July 2013 of all of the shares of Rite Aid common stock held by the Jean Coutu Group.

***Stockholder Agreement***

The stockholder agreement contained provisions relating to board and board committee composition, corporate governance, stock ownership, stock purchase rights, transfer restrictions, voting arrangements and other matters.

***Board and Board Committee Representation.*** Under the stockholder agreement, Jean Coutu Group initially had the right to designate four of the 14 members of Rite Aid's Board of Directors. Thereafter, Jean Coutu Group had the right to designate a certain number of director nominees for election to our Board, subject to Jean Coutu Group's maintenance of specified percentage thresholds of Rite Aid total voting power and the total number of members on Rite Aid's Board of Directors. As of April 13, 2012, Jean Coutu Group's ownership of shares of our common stock entitled it to designate two directors. In April 2013, Jean Coutu Group sold 72,500,000 shares of our common stock,

Table of Contents

reducing its ownership percentage to approximately 11.7% and entitling it to designate only one director. Following the sale of shares, Michel Coutu, one of the two Jean Coutu Group board designees at that time, resigned as a director of Rite Aid effective as of April 17, 2013.

In June 2013, Jean Coutu Group sold 40,500,000 shares of our common stock, reducing its ownership percentage to approximately 7.2%. In July 2013, Jean Coutu Group sold 65,401,162 shares of our common stock, reducing its ownership percentage to 0%. Under the stockholder agreement, because Jean Coutu Group's percentage of total voting power fell below 5%, Jean Coutu Group no longer was entitled to have any board designee represented on the Board. Accordingly, following the sale of shares and discussion with Rite Aid, François J. Coutu, the Jean Coutu Group board designee at that time, resigned as a director of Rite Aid effective as of November 8, 2013.

*Voting Arrangements.* The stockholder agreement provided that Jean Coutu Group would vote its shares for each Rite Aid director nominee it designated and, in its discretion, either for each other Rite Aid director nominee recommended by the Board or for each other Rite Aid director nominee recommended by the Board and for nominees recommended by other persons in the same proportion as votes cast by all other Rite Aid stockholders for those nominees.

*Other Restrictions.* The stockholder agreement provided that for so long as Jean Coutu Group (or any Coutu family stockholder or group of Coutu family stockholders) owned at least 5% of the total voting power of Rite Aid and for nine months thereafter, Jean Coutu Group or such Coutu family stockholders or group of Coutu family stockholders would be subject to (i) restrictions on the acquisition of additional Rite Aid voting securities, other than with Rite Aid's consent or certain stock purchase rights, (ii) restrictions on taking certain actions relating to Rite Aid and (iii) restrictions on transfer, other than transfers in accordance with Rule 144, in a registered public offering, in connection with a pro rata dividend, spinoff or distribution to Jean Coutu Group stockholders and certain other permitted transfers. These restrictions expired in April 2014.

***Registration Rights Agreement***

Rite Aid, Jean Coutu Group and certain Coutu family members had entered into a registration rights agreement. Pursuant to the registration rights agreement, subject to certain conditions, Jean Coutu Group had the right, on six occasions, to demand that Rite Aid register shares of Rite Aid common stock held by Jean Coutu Group for resale in an underwritten public offering, provided that the anticipated aggregate offering price would exceed \$100 million or the registration was for at least 25% of the Rite Aid common stock held by Jean Coutu Group. Jean Coutu Group also had the right to request that Rite Aid include those shares in certain registration statements that Rite Aid may file in the future in connection with underwritten offerings.

**COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

The Compensation Committee currently consists of Marcy Syms (Chair), Bruce G. Bodaken and Michael N. Regan. During fiscal year 2014, Michel Coutu served on the Compensation Committee until April 17, 2013, when he resigned from the Board, James L. Donald served on the Compensation Committee until his term expired in June 2013 and David R. Jessick served on the Compensation Committee from June 19, 2013 until November 29, 2013. Except with respect to Mr. Jessick, who is a former officer of the Company, no member of the Compensation Committee during fiscal year 2014 was an employee or former employee or officer of the Company.

Any stockholder desiring to present a proposal for inclusion in Rite Aid's proxy statement for the 2015 Annual Meeting of Stockholders must deliver the proposal to the Secretary at the address below not later than January 19, 2015. Only those proposals that comply with the requirements of Rule 14a-8 under the Exchange Act will be included in Rite Aid's proxy statement for the 2015 Annual Meeting.

In order for proposals of stockholders made outside of Rule 14a-8 under the Exchange Act to be considered "timely" within the meaning of Rule 14a-4(c) under the Exchange Act, such proposals must be received by the Secretary at the address below by March 21, 2015.

Stockholders may present proposals that are proper subjects for consideration at an annual meeting, even if the proposal is not submitted by the deadline for inclusion in the proxy statement. To do so, the stockholder must comply with the procedures specified in Rite Aid's By-Laws. The By-Laws, which are available upon request from the Secretary, require all stockholders who intend to make proposals at an annual meeting of stockholders to submit their proposals to the Secretary not fewer than 90 and not more than 120 days before the anniversary date of the previous year's annual meeting of stockholders. The By-Laws also provide that nominations for director may only be made by the Board of Directors (or an authorized Board committee) or by a stockholder of record entitled to vote who sends notice to the Secretary not fewer than 90 nor more than 120 days before the anniversary date of the previous year's annual meeting of stockholders. **INCORPORATION BY REFERENCE**

In accordance with SEC rules, notwithstanding anything to the contrary set forth in any of our previous or future filings under the Securities Act of 1933, as amended, or the Exchange Act, that might incorporate this proxy statement or future filings made by Rite Aid under those statutes, the information included under the caption "Compensation Committee Report" and those portions of the information included under the caption "Audit Committee Report" required by the SEC's rules to be included therein, shall not be deemed to be "soliciting material" or "filed" with the SEC and shall not be deemed incorporated by reference into any of those prior filings or into any future filings made by Rite Aid under those statutes, except to the extent we specifically incorporate these items by reference.

**IMPORTANT NOTICE REGARDING DELIVERY  
OF STOCKHOLDER DOCUMENTS**

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy proxy material delivery requirements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is referred to as "householding," potentially provides extra convenience for stockholders and reduces printing and postage costs for companies.

Rite Aid and some brokers utilize the householding process for proxy materials. In accordance with a notice sent to certain stockholders who share a single address, only one copy of this proxy statement is being sent to that address, unless we received contrary instructions from any stockholder at that address. Stockholders who participate in householding will continue to receive separate proxy cards. Householding will continue until you are notified otherwise or until one or more stockholders at your address revokes consent. If you revoke consent, you will be removed from the householding program within 30 days of receipt of the revocation. If you hold your Rite Aid stock in "street name," additional information regarding householding of proxy materials should be forwarded to you by your broker.

However, if you wish to receive a separate copy of this proxy statement, we will promptly deliver one to you upon request. You can notify us by sending a written request to Rite Aid Corporation, 30 Hunter Lane, Camp Hill, Pennsylvania 17011, Attention: Marc A. Strassler, Secretary, or by calling the Secretary at (717) 975-5833. In addition, if you would like to receive separate proxy statements and annual reports of Rite Aid in the future, or if you are receiving multiple copies of annual reports and proxy statements at an address shared with another stockholder and would like to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares.

**ANNUAL REPORT**

A copy of Rite Aid's Annual Report on Form 10-K for fiscal year 2014 is being mailed together with this proxy statement to all stockholders entitled to notice of and to vote at the Annual Meeting. **A copy of our Annual Report, including the financial statements included therein, is also available without charge by visiting the Company's website or upon written request to Rite Aid Corporation, 30 Hunter Lane, Camp Hill, Pennsylvania 17011, Attention: Marc A. Any shares granted in connection with Options and Stock Appreciation Rights shall be counted against this limit as one (1) share for every one (1) Option or Stock Appreciation Right awarded. Any shares granted in connection with Awards other than Options and Stock Appreciation Rights shall be counted against this limit as 1.45 shares for every one (1) share granted in connection with such Award or by which the Award is valued. Such shares may be authorized but unissued shares of Company Stock or authorized and issued shares of Company Stock held in the Company's treasury. In addition, the number of shares of Company Stock that are subject to awards as of the Effective Date under the Prior Equity Plans that, in the future, are forfeited, cancelled, exchanged or surrendered or terminate (in each case, other than due to the expiration of Options on the expiration date of such Options) under the Prior Equity Plans without a distribution of shares to the Participant, shall be added to the number of shares available for grant under the Plan. Upon the approval of the Plan by the stockholders of the Company, no further awards shall be made under the Prior Equity Plans. The aggregate Awards granted during any fiscal year to any single individual who is likely to be a Covered Associate shall not exceed (i) 6,000,000 shares of Company Stock subject to Options or Stock Appreciation Rights, (ii) 6,000,000 shares of Company Stock subject to Restricted Stock, Phantom Unit or Other Awards, or (iii) with respect to any Award denominated in cash, \$10,000,000 for such fiscal year (including with respect to each fiscal year within a performance period of more than one fiscal year), in each case subject to adjustment as provided herein. Determinations made in respect of the limitation set forth in the preceding sentence shall be made in a manner consistent with Section 162(m) of the Code.
- (b) *Adjustment for Change in Capitalization.* In the event that any special or extraordinary dividend or other extraordinary distribution is declared (whether in the form of cash, Company Stock, or other property), or there occurs any recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, spin-off, combination, repurchase, share exchange or other similar corporate transaction or event, the Committee shall adjust, as it deems necessary or appropriate, (1) the number and kind of shares of stock which may thereafter be issued in connection with Awards, (2) the number and kind of shares of stock or other property, including cash, issued or issuable in respect of outstanding Awards, (3) the exercise price, grant price or purchase price relating to any Award, and (4) the limitations set forth in Section 3(a); provided that, with respect to Incentive Stock Options, such adjustment shall be made in accordance with Section 424 of the Code, and provided further that no such

adjustment shall cause any Award hereunder which is or becomes subject to Section 409A of the Code to fail to comply with the requirements of such section.

(c)

*Reuse of Shares.* If any shares subject to an Award are forfeited, cancelled, exchanged or surrendered or if an Award otherwise terminates or expires without a distribution of shares to the Participant, the shares of Company Stock with respect to such Award shall, to the extent of any such forfeiture, cancellation, exchange, surrender, termination or expiration, again be available for Awards under the Plan. Notwithstanding the foregoing, shares of Stock that are exchanged by a Participant or withheld by the Company as full or partial payment in connection with any Award under the Plan, as well as any shares of Stock exchanged by a Participant or withheld by the Company or any Subsidiary to satisfy the tax withholding obligations related to any Award under the Plan, shall not be available for subsequent Awards under the Plan, and notwithstanding that a Stock Appreciation Right is settled by the delivery of a net number of shares of Company Stock, the full number of shares of Company Stock underlying such Stock Appreciation Right shall not be available for subsequent Awards under the Plan. Upon the exercise of any Award granted in tandem with any other Awards, such related Awards shall be cancelled to the extent of the number of shares of Stock as to which the Award is exercised and, notwithstanding the foregoing, such number of shares shall no longer be available for Awards under the Plan. In addition, (i) to the extent an Award is paid or settled in cash, the number of shares of Company Stock with respect to which such payment or settlement is made shall again be available for grants of Awards pursuant to the Plan and (ii) Shares of Company Stock underlying Awards that can only be settled in cash shall not be counted against the aggregate number of shares of Company Stock available for Awards under the Plan.

(d)

*Effect of Plans Operated by Acquired Companies.* If a company acquired by the Company or any subsidiary or with which the Company or any Subsidiary combines has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of the pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio used in such acquisition or combination to determine the relative value of the acquired company's stock or to determine the consideration payable to the holders of common stock of the acquired company) may be used for Awards under the Plan and shall not reduce the shares authorized for grant under the Plan. Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, and shall only be made to individuals who were not employees or non-employee directors of the Company prior to such acquisition or combination.

4. *Administration of the Plan.*

(a)

The Plan shall be administered by the Committee. The Committee shall have the authority in its sole discretion, subject to and not inconsistent with the express provisions of the Plan, to administer the Plan and to exercise all the powers and authorities either specifically granted to it under the Plan or necessary or advisable in the administration of the Plan, including, without limitation, the authority to grant Awards; to determine the persons to whom and the time or times at which Awards shall be granted; to determine the type and number of Awards to be granted, the number of shares of Company Stock or cash or other property to which an Award may relate and the terms, conditions, restrictions and performance criteria relating to any Award; to determine whether, to what extent, and under what circumstances an Award may be settled, cancelled, forfeited, exchanged, or surrendered; to determine whether an Award may be settled in cash and/or shares of Company Stock; to construe and interpret the Plan and any Award; to prescribe, amend and rescind rules and regulations relating to the

Plan; to determine the terms and provisions of Agreements; and to make all other determinations deemed necessary or advisable for the administration of the Plan. The Committee may, in its sole and absolute discretion, without amendment to the Plan, (a) accelerate the date on which any Option or Stock Appreciation Right becomes exercisable, (b) waive or amend the operation of Plan provisions respecting exercise after termination of employment (provided that the term of an Option or Stock Appreciation Right may not be extended beyond ten years from the date of grant or the original term of the Option or Stock Appreciation Right, if less), (c) accelerate the vesting date, or waive any condition imposed hereunder, with respect to any share of Restricted Stock, Phantom Unit, Stock Bonus or Other Award, and (d) otherwise adjust any of the terms applicable to any such Award in a manner consistent with the terms of the Plan and applicable law. Notwithstanding anything in the Plan to the contrary, the powers and authority of the Committee shall be exercised by the Board of Directors in the case of Awards made to non-employee directors. Notwithstanding anything in the Plan to the contrary, except with respect to Awards made to non-employee directors or Awards made with respect to no more than 5% of the aggregate shares of Company Stock authorized under the Plan pursuant to Section 3(a), unless otherwise provided by the Committee, Awards made pursuant to Sections 7, 8, 9, 10 or 12 of the Plan that vest solely upon the continued employment or service of the Participant may not become fully vested prior to the third anniversary of the date upon which such Award is granted.

(b) The Committee's interpretation of the Plan, any Awards granted pursuant to the Plan or any Award Agreement and all decisions and determinations by the Committee with respect to the Plan shall be final, binding, and conclusive on all parties.

(c) To the extent permitted by applicable law or the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded, the Board of Directors or Committee may from time to time delegate to a committee of one or more members of the Board, or to the Chief Executive Officer of the Company the authority to grant or amend Awards or to take other administrative actions pursuant to this Section 4; provided, however, that in no event shall such individuals be delegated the authority to grant Awards to, or amend Awards held by, the following individuals: (a) individuals who are subject to Section 16 of the Exchange Act, (b) Covered Employees with respect to Awards intended to constitute Performance-Based Compensation, or (c) officers of the Company (or Directors) to whom authority to grant or amend Awards has been delegated hereunder; provided further, that any delegation of administrative authority shall only be permitted to the extent it is permissible under Section 162(m) of the Code and applicable securities laws or the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded. Any delegation hereunder shall be subject to the restrictions and limits that the Board of Directors or Committee specifies at the time of such delegation, and the Board of Directors or Committee, as the case may be, may at any time rescind the authority so delegated or appoint a new delegatee.

5. *Eligibility.*

The persons who shall be eligible to receive Awards pursuant to the Plan shall be such associates of the Company (including officers of the Company, whether or not they are directors of the Company), consultants to the Company and non-employee directors of the Company, in each case as the Committee (or, in the case of non-employee directors, the Board of Directors) shall select from time to time. The grant of an Award hereunder in any year to any associate, non-employee director or consultant shall not entitle such person to a grant of an Award in any future year.

6. *Awards Under the Plan; Agreement.*

The Committee may grant Options, Stock Appreciation Rights, Restricted Stock, Phantom Units, Stock Bonuses and Other Awards in such amounts and with such terms and conditions as the Committee shall determine, subject to the provisions of the Plan. Each Award granted under the Plan (except an unconditional Stock Bonus) shall be evidenced by an Agreement which shall contain such provisions as the Committee may in its sole discretion deem necessary or desirable and which are not in conflict with the terms of the Plan. By accepting an Award, a Participant shall be deemed to agree that the Award shall be subject to all of the terms and provisions of the Plan and the applicable Agreement.

7. *Options.*

(a)

*Identification of Options.* Each Option shall be clearly identified in the applicable Agreement as either an Incentive Stock Option or a Nonqualified Stock Option. All Options shall be non-transferable, except by will or the laws of descent and distribution or except as otherwise determined by the Committee for estate planning purposes with respect to a Nonqualified Stock Option.

(b)

*Exercise Price.* Each Agreement with respect to an Option shall set forth the amount per share (the "option exercise price") payable by the Participant to the Company upon exercise of the Option. The option exercise price shall be equal to or greater than the Fair Market Value of a share of Company Stock on the date of grant. Other than with respect to an adjustment described in Section 3, in no event shall the option exercise price be reduced following the grant of an Option, nor shall an Option be cancelled in exchange for a replacement Option with a lower exercise price or in exchange for another type of Award or cash payment without stockholder approval. In addition, the Committee shall not have the authority to grant an Option which provides that the Participant will be granted a new Option (sometimes referred to as a "reload option") for a number of shares equal to the number of shares surrendered by the Participant upon exercise of all or a part of the original Option.

(c)

*Term and Exercise of Options.*

(i)

Each Option shall become exercisable at the time determined by the Committee and set forth in the applicable Agreement. At the time of grant of an Option, the Committee may impose such restrictions or conditions to the exercisability of the Option as it, in its absolute discretion, deems appropriate, including, but not limited to, achievement of performance goals including goals based on one or more Business Criteria. Subject to Section 7(d) hereof, the Committee shall determine and set forth in the applicable Agreement the expiration date of each Option, which shall be no later than the tenth anniversary of the date of grant of the Option.

(ii)

An Option shall be exercised by delivering the form of notice of exercise provided by the Company. Payment for shares of Company Stock purchased upon the exercise of an Option shall be made on the effective date of such exercise by one or a combination of the following means: (A) in cash or by personal check, certified check, bank cashier's check or wire transfer; (B) in shares of Company Stock owned by the Participant and valued at their Fair Market Value on the effective date of such exercise; (C) by withholding shares of Company Stock otherwise deliverable upon exercise of an Option; or (D) by any such other methods (including broker assisted cashless exercise) as the Committee may from time to time authorize; provided, however, that in the case of a Participant who is subject to Section 16 of the Exchange Act, the method of making such payment shall be in compliance with applicable law. Except as authorized by the Committee, any payment in shares of Company Stock shall be effected by the delivery of

Table of Contents

such shares to the Secretary of the Company, duly endorsed in blank or accompanied by stock powers duly executed in blank, together with any other documents and evidences as the Secretary of the Company shall require. If the Committee decides that payment will be made in shares of Company Stock, and the amount payable results in a fractional share, payment for the fractional share will be made in cash.

(iii)

Certificates for shares of Company Stock purchased upon the exercise of an Option shall be issued in the name of or for the account of the Participant or other person entitled to receive such shares, and delivered to the Participant or such other person as soon as practicable following the effective date on which the Option is exercised.

(d)

*Provisions Relating to Incentive Stock Options.* Incentive Stock Options may only be granted to associates of the Company and its Affiliates, in accordance with the provisions of Section 422 of the Code. To the extent that the aggregate Fair Market Value of shares of Company Stock with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year under the Plan and any other stock option plan of the Company or a Subsidiary shall exceed \$100,000, such Options shall be treated as Nonqualified Stock Options. For purposes of this Section 7(d), Fair Market Value shall be determined as of the date on which each such Incentive Stock Option is granted. No Incentive Stock Option may be granted to an individual if, at the time of the proposed grant, such individual owns (or is deemed to own under the Code) stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company unless (A) the exercise price of such Incentive Stock Option is at least one hundred and ten percent (110%) of the Fair Market Value of a share of Company Stock at the time such Incentive Stock Option is granted and (B) such Incentive Stock Option is not exercisable after the expiration of five years from the date such Incentive Stock Option is granted.

(e)

*Effect of Termination of Employment (or Provision of Services).* In the event that the employment of a Participant with the Company (or the Participant's service to the Company) shall terminate for any reason other than (i) Cause, (ii) death or (iii) disability or Retirement, each Option granted to such Participant, to the extent that it is exercisable at the time of such termination, shall, unless otherwise determined by the Committee at the time of grant as set forth in the applicable Agreement, remain exercisable for the 90 day period following such termination, but in no event following the expiration of its term. Each Option that remains unexercisable as of the date of such a termination shall be terminated at the time of such termination, except as may be otherwise determined by the Committee. In the event that the employment of a Participant with the Company (or the Participant's service to the Company) shall terminate on account of the death of the Participant, each Option granted to such Participant that is outstanding as of the date of death shall become fully exercisable and shall, unless otherwise determined by the Committee at the time of grant as set forth in the applicable Agreement, remain exercisable by the Participant's legal representatives, heirs or legatees for the one year period following such termination, but in no event following the expiration of its term. In the event that the employment of a Participant with the Company (or the Participant's service to the Company) shall terminate on account of the disability or Retirement of the Participant (in each case as determined by the Committee), each Option granted to such Participant that is outstanding and vested as of the date of such termination shall, unless otherwise determined by the Committee at the time of grant as set forth in the applicable Agreement, remain exercisable by the Participant (or such Participant's legal representatives) for the one year period following such termination, but in no event following the expiration of its term. Each Option that remains unexercisable as of the date of a termination due to disability or Retirement shall be terminated at the time of such termination (except as may be otherwise determined by the Committee). In the event of the

Table of Contents

termination of a Participant's employment for Cause, each outstanding Option granted to such Participant shall terminate at the commencement of business on the date of such termination.

- (f) *Leave of Absence.* In the case of any Participant on an approved leave of absence, the Committee may make such provision respecting the continuance of the Option while in the employ or service of the Company as it may deem equitable, except that in no event may an Option be exercised after the expiration of its term.

8. *Stock Appreciation Rights.*

- (a) A Stock Appreciation Right may be granted in connection with an Option, either at the time of grant or, with respect to a Nonqualified Stock Option, at any time thereafter during the term of the Option, or may be granted unrelated to an Option. At the time of grant of a Stock Appreciation Right, the Committee may impose such restrictions or conditions to the exercisability of the Stock Appreciation Right as it, in its absolute discretion, deems appropriate, including, but not limited to, achievement of performance goals including goals based on one or more Business Criteria. The term of a Stock Appreciation Right granted without relationship to an Option shall not exceed ten years from the date of grant. In addition, the exercise price of a Stock Appreciation Right shall be equal to or greater than the Fair Market Value of a share of Company Stock on the date of grant.
- (b) A Stock Appreciation Right related to an Option shall require the holder, upon exercise, to surrender such Option with respect to the number of shares as to which such Stock Appreciation Right is exercised, in order to receive payment of any amount computed pursuant to Section 8(d). Such Option will, to the extent surrendered, then cease to be exercisable.
- (c) Subject to Section 8(i) and to such rules and restrictions as the Committee may impose, a Stock Appreciation Right granted in connection with an Option will be exercisable at such time or times, and only to the extent that a related Option is exercisable. All Stock Appreciation Rights shall be non-transferable (except to the extent that such related Option may be transferable), except by will or the laws of descent and distribution or except as otherwise determined by the Committee for estate planning purposes.
- (d) Upon the exercise of a Stock Appreciation Right whether related or unrelated to an Option, the holder will be entitled to receive payment of an amount determined by multiplying:
- (i) the excess of the Fair Market Value of a share of Company Stock on the date of exercise of such Stock Appreciation Right over the exercise price of the Stock Appreciation Right, by
- (ii) the number of shares as to which such Stock Appreciation Right is exercised.
- (e) Notwithstanding subsection (d) above, the Committee may place a limitation on the amount payable upon exercise of a Stock Appreciation Right. Any such limitation must be determined as of the date of grant and noted in the applicable Agreement.
- (f) Payment of the amount determined under subsection (d) above may be made solely in whole shares of Company Stock valued at their Fair Market Value on the date of exercise of the Stock Appreciation Right or alternatively, in the sole discretion of the Committee, solely in cash or a combination of cash and shares. Except as authorized by the Committee, any payment in shares of Company Stock shall be effected by the delivery of such shares to the Secretary of the Company, duly endorsed in blank or accompanied by stock powers duly executed in blank, together with any other documents and evidences as the Secretary of the Company shall require. If the Committee decides that payment will be made in shares of Company Stock, and the amount payable results in a fractional share, payment for the fractional share will be made in cash.

(g)

Other than with respect to an adjustment described in Section 3, in no event shall the exercise price with respect to a Stock Appreciation Right be reduced following the grant of a Stock Appreciation Right, nor shall a Stock Appreciation Right be cancelled in exchange for a replacement Stock Appreciation Right with a lower exercise price or in exchange for another type of Award or cash payment without stockholder approval.

(h)

In the event that the employment of a Participant with the Company (or the Participant's service to the Company) shall terminate for any reason other than (i) Cause, (ii) death or (iii) disability or Retirement, each Stock Appreciation Right granted to such Participant, to the extent that it is exercisable at the time of such termination, shall, unless otherwise determined by the Committee at the time of grant as set forth in the applicable Agreement, remain exercisable for the 90 day period following such termination, but in no event following the expiration of its term. Any Stock Appreciation Right that is not exercisable as of the date of such a termination shall be terminated at the time of such termination (except as may be otherwise determined by the Committee). In the event that the employment of a Participant with the Company (or the Participant's service to the Company) shall terminate on account of the death of the Participant, each Stock Appreciation Right granted to such Participant that is outstanding as of the date of death shall become fully exercisable and shall, unless otherwise determined by the Committee at the time of grant as set forth in the applicable Agreement, remain exercisable by the Participant's legal representatives, heirs or legatees for the one year period following such termination, but in no event following the expiration of its term. In the event that the employment of a Participant with the Company (or the Participant's service to the Company) shall terminate on account of the disability or Retirement of the Participant (in each case as determined by the Committee), each Stock Appreciation Right granted to such Participant that is outstanding and vested as of the date of such termination shall, unless otherwise determined by the Committee at the time of grant as set forth in the applicable Agreement, remain exercisable by the Participant (or such Participant's legal representatives) for the one year period following such termination, but in no event following the expiration of its term. Each Stock Appreciation Right that remains unexercisable as of the date of a termination due to disability or Retirement shall be terminated at the time of such termination (except as may be otherwise determined by the Committee). In the event of the termination of a Participant's employment for Cause, each outstanding Stock Appreciation Right granted to such Participant shall terminate at the commencement of business on the date of such termination.

(i)

*Leave of Absence.* In the case of any Participant on an approved leave of absence, the Committee may make such provision respecting the continuance of the Stock Appreciation Right while in the employ or service of the Company as it may deem equitable, except that in no event may a Stock Appreciation Right be exercised after the expiration of its term.

9. *Restricted Stock.*

(a)

*Price.* At the time of the grant of shares of Restricted Stock, the Committee shall determine the price, if any, to be paid by the Participant for each share of Restricted Stock subject to the Award.

(b)

*Vesting Date.* At the time of the grant of shares of Restricted Stock, the Committee shall establish a vesting date or vesting dates with respect to such shares. The Committee may divide such shares into classes and assign a different vesting date for each class. Provided that all conditions to the vesting of a share of Restricted Stock are satisfied, and subject to Section 9(h), upon the occurrence of the vesting date with respect to a share of Restricted Stock, such share shall vest and the restrictions of Section 9(d) shall lapse.

Table of Contents

- (c) *Conditions to Vesting.* At the time of the grant of shares of Restricted Stock, the Committee may impose such restrictions or conditions to the vesting of such shares as it, in its absolute discretion, deems appropriate, including, but not limited to, achievement of performance goals including goals based on one or more Business Criteria. The Committee may also provide that the vesting or forfeiture of shares of Restricted Stock may be based upon the achievement of, or failure to achieve, certain levels of performance and may provide for partial vesting of Restricted Stock in the event that the maximum level of performance is not met if the minimum level of performance has been equaled or exceeded. Notwithstanding anything in this Section 9(c) to the contrary, unless otherwise provided by the Committee pursuant to Section 9(h) or Section 14, Restricted Stock which vests based on achievement of performance goals or levels of performance may not become fully vested prior to the first anniversary of the date upon which such Restricted Stock is granted.
- (d) *Restrictions on Transfer Prior to Vesting.* Prior to the vesting of a share of Restricted Stock, such Restricted Stock may not be transferred, assigned or otherwise disposed of, and no transfer of a Participant's rights with respect to such Restricted Stock, whether voluntary or involuntary, by operation of law or otherwise, shall be permitted. Immediately upon any attempt to transfer such rights, such shares, and all of the rights related thereto, shall be forfeited by the Participant.
- (e) *Dividends on Restricted Stock.* The Committee in its discretion may require that any dividends paid on shares of Restricted Stock be held in escrow until all restrictions on such shares have lapsed.
- (f) *Issuance of Certificates.* The Committee may, upon such terms and conditions as it determines, provide that (1) a certificate or certificates representing the shares underlying a Restricted Stock Award shall be registered in the Participant's name and bear an appropriate legend specifying that such shares are not transferable and are subject to the provisions of the Plan and the restrictions, terms and conditions set forth in the applicable Agreement, (2) such certificate or certificates shall be held in escrow by the Company on behalf of the Participant until such shares become vested or are forfeited or (3) the Participant's ownership of the Restricted Stock shall be registered by the Company in book entry form.
- (g) *Consequences of Vesting.* Upon the vesting of a share of Restricted Stock pursuant to the terms hereof, the restrictions of Section 9(d) shall lapse with respect to such share. Following the date on which a share of Restricted Stock vests, the Company shall, as determined by the Committee, make a book entry record of such share or cause to be delivered to the Participant to whom such shares were granted, a certificate evidencing such share, which may bear a restrictive legend, if the Committee determines such a legend to be appropriate.
- (h) *Effect of Termination of Employment (or Provision of Services).* Except as may otherwise be provided in the applicable Agreement, and subject to the Committee's authority under Section 4 hereof, upon the termination of a Participant's employment (or upon cessation of such Participant's services to the Company) for any reason, any and all shares to which restrictions on transferability apply shall be immediately forfeited by the Participant and transferred to, and reacquired by, the Company. In the event of a forfeiture of shares pursuant to this section, the Company shall repay to the Participant (or the Participant's estate) any amount paid by the Participant for such shares. In the event that the Company requires a return of shares, it shall also have the right to require the return of all dividends paid on such shares, whether by termination of any escrow arrangement under which such dividends are held or otherwise.

10. *Phantom Units.*

(a)

*Vesting Date.* At the time of the grant of Phantom Units, the Committee shall establish a vesting date or vesting dates with respect to such units. The Committee may divide such units into classes and assign a different vesting date for each class. Provided that all conditions to the vesting of the Phantom Units imposed pursuant to Section 10(c) are satisfied, and subject to Section 10(d), upon the occurrence of the vesting date with respect to the Phantom Units, such units shall vest.

(b)

*Benefit Upon Vesting.* Unless otherwise provided in an Agreement, upon the vesting of Phantom Units, the Participant shall be paid, within 30 days of the date on which such units vest, an amount, in cash and/or shares of Company Stock, as determined by the Committee. In the case of Awards denominated in shares of Company Stock, the amount per Phantom Unit shall be equal to the sum of (1) the Fair Market Value of a share of Company Stock on the date on which such Phantom Units vest and (2) the aggregate amount of cash dividends paid with respect to a share of Company Stock during the period commencing on the date on which the Phantom Units were granted and terminating on the date on which such units vest. In the case of Awards denominated in cash, the amount per Phantom Unit shall be equal to the cash value of the Phantom Unit on the date on which such Phantom Units vest.

(c)

*Conditions to Vesting.* At the time of the grant of Phantom Units, the Committee may impose such restrictions or conditions to the vesting of such units as it, in its absolute discretion, deems appropriate, including, but not limited to, achievement of performance goals including goals based on one or more Business Criteria. Notwithstanding anything in this Section 10(c) to the contrary, unless otherwise provided by the Committee pursuant to Section 10(d) or Section 14, Phantom Units which vest based on achievement of performance goals may not become fully vested prior to the first anniversary of the date upon which such Phantom Units are granted.

(d)

*Effect of Termination of Employment (or Provision of Services).* Except as may otherwise be provided in the applicable Agreement, and subject to the Committee's authority under to Section 4 hereof, Phantom Units that have not vested, together with any dividend equivalents deemed to have been credited with respect to such unvested units, shall be forfeited upon the Participant's termination of employment (or upon cessation of such Participant's services to the Company) for any reason.

11. *Stock Bonuses.*

In the event that the Committee grants a Stock Bonus, a certificate for the shares of Company Stock constituting such Stock Bonus shall be issued in the name of the Participant to whom such grant was made and delivered to such Participant as soon as practicable after the date on which such Stock Bonus is payable, or, as determined by the Committee, the Company shall make a book entry record of such share.

12. *Other Awards, Including Cash-Based and Other Stock-Based Awards.*

Other forms of Awards ("Other Awards") valued in whole or in part by reference to, or otherwise based on, Company Stock, including but not limited to dividend equivalents or cash incentive awards, may be granted either alone or in addition to other Awards (other than in connection with Options or Stock Appreciation Rights) under the Plan. Any dividend or dividend equivalent awarded under the Plan shall be subject to the same restrictions, conditions and risks of forfeiture as the underlying Award. Cash incentive awards may be denominated in units that have a dollar value established by the Committee as of the date of grant. Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the persons to whom and the time or times at which such Other Awards shall be granted, the number of shares of Company Stock to be granted pursuant to such

Other Awards, or the manner in which such Other Awards shall be settled (e.g., in shares of Company Stock or cash), or the conditions to the vesting and/or payment or settlement of such Other Awards (which may include, but not be limited to, achievement of performance goals including goals based on one or more Business Criteria) and all other terms and conditions of such Other Awards. If a cash incentive award is not by its terms exempt from Code Section 409A, then the applicable Agreement shall contain terms and conditions intended to avoid adverse tax consequences specified in Code Section 409A.

13. *Special Provisions Regarding Certain Awards.*

The Committee may make Awards hereunder to Covered Associates (or to individuals whom the Committee believes may become Covered Associates) that are intended to qualify as performance-based compensation under Section 162(m) of the Code. The exercisability and/or payment of such Awards may be subject to the achievement of performance goals based upon one or more Business Criteria and to certification of such achievement in writing by the Committee. Such performance goals shall be established in writing by the Committee not later than the time period prescribed under Section 162(m) and the regulations thereunder. The Committee may adjust the applicable Business Criteria as specified in Section 2(e), and in connection with an event described in Section 3(b) to the extent permitted by Section 162(m) to prevent the dilution or enlargement of a Participant's rights with respect to Awards. The Committee may adjust downward, but not upward, any amount determined to be otherwise payable with respect to such an Award. The Committee may also provide, in an Agreement or otherwise, that the achievement of specified performance goals in connection with an Award described in this Section 13 may be waived upon death or disability or under any other circumstance with respect to which the possible waiver will not cause the Award to fail to qualify as performance-based compensation for purposes of Section 162(m). All provisions of such Awards which are intended to qualify as performance-based compensation shall be construed in a manner to so comply.

14. *Change in Control Provisions.*

(a)

Unless otherwise provided by the Committee or in the applicable Award Agreement, and subject to Section 3(b), in the event of a Change in Control:

(i)

With respect to each outstanding Award that is assumed or substituted in connection with a Change in Control, in the event of a Qualifying Termination of a Participant's employment or service during the 24-month period following such Change of Control, (i) such Award shall become fully vested and exercisable, (ii) the restrictions, payment conditions, and forfeiture conditions applicable to any such Award granted shall lapse, and (iii) any performance conditions imposed with respect to such Award shall be deemed to be achieved at target performance levels.

(ii)

With respect to each outstanding Award that is not assumed or substituted in connection with a Change in Control, immediately upon the occurrence of the Change of Control, (i) such Award shall become fully vested and exercisable, (ii) the restrictions, payment conditions, and forfeiture conditions applicable to any such Award granted shall lapse, and (iii) any performance conditions imposed with respect to such Award shall be deemed to be achieved at target performance levels.

(iii)

For purposes of this Section 14, an Award shall be considered assumed or substituted for if, following the Change in Control, (A) the Award is of comparable value and remains subject to the same terms and conditions that were applicable to the Award immediately prior to the Change in Control except that, if the Award related to shares of Common Stock, the Award instead confers the right to receive common stock of the acquiring or ultimate parent entity and (B) the securities of the acquiring or ultimate parent entity

underlying the Award after such assumption or substitution are freely tradable on a domestic stock exchange or the NASDAQ.

(iv)

Notwithstanding any other provision of the Plan, in the event of a Change in Control, except as would otherwise result in adverse tax consequences under Section 409A of the Code, the Committee may, in its discretion, provide that each Award shall, immediately upon the occurrence of a Change in Control, be cancelled in exchange for a payment in cash or securities in an amount equal to (i) the excess of the consideration paid per share of Common Stock in the Change in Control over the exercise or purchase price (if any) per share of Company Stock subject to the Award multiplied by (ii) the number of shares of Company Stock granted under the Award. If the amount determined pursuant to the immediately preceding sentence is zero, such Award may be cancelled pursuant to this Section 14(a) without payment of any consideration to the affected Participant. The Committee shall not be required to treat all Awards similarly for purposes of this Section 14(a). Payment of amounts under this Section 14(a) shall be made in such form, on such terms and subject to such conditions as the Committee determines in its discretion, which may or may not be the same as the form, terms and conditions applicable to payments to the Company's stockholders in connection with the Change in Control and may, in the Committee's discretion, include subjecting such payments to vesting conditions comparable to the Awards surrendered, subjecting such payments to escrow or holdback provisions comparable to those imposed upon the Company's stockholders in connection with the Change in Control, or calculating and paying the present value of payments that would otherwise be subject to escrow or holdback terms.

(b)

Notwithstanding the foregoing, for each Award that constitutes nonqualified deferred compensation under Section 409A of the Code, if required to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, a Change in Control shall be deemed to have occurred for purposes of the payment or settlement of such Award under the Plan only if a "change in the ownership of the corporation," a "change in effective control of the corporation" or a "change in the ownership of a substantial portion of the assets of the corporation," within the meaning of Section 409A(a)(2)(A)(v) of the Code shall also be deemed to have occurred under Section 409A of the Code.

(c)

The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company.

(d)

A "Change in Control" of the Company shall be deemed to have occurred, as the result of a single transaction or a series of transactions, if the events set forth in any one of the following paragraphs shall have occurred:

(i)

Any Person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing 50% or more of the combined voting power of the Company's then outstanding voting securities;

(ii)

Incumbent Directors cease at any time and for any reason to constitute a majority of the number of directors then serving on the Board. "Incumbent Directors" shall mean directors who either are directors of the Company as of the Effective Date or are elected, or nominated for election, to the Board with the affirmative votes of at least a majority of the Incumbent Directors at the time of such election or nomination but shall not include an individual whose election or nomination is in connection with an actual or threatened election contest, including but not limited to a consent solicitation, relating to the election of directors to the Board;

- (iii) There is consummated a merger or consolidation of the Company or any direct or indirect subsidiary of the Company with any other corporation, other than (A) a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent, either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof, more than 50% of the combined voting power of the securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation, or (B) a merger or consolidation effected to implement a recapitalization of the Company or similar transaction in which no Person is or becomes the Beneficial Owner, directly or indirectly, of securities of the Company representing 35% or more of the combined voting power of the Company's then outstanding voting securities; or
- (iv) The stockholders of the Company approve a plan of complete liquidation or dissolution of the Company or there is consummated of an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets, other than a sale or disposition by the Company of all or substantially all of the Company's assets to an entity, at least 60% of the combined voting power of the voting securities of which are owned by stockholders of the Company in substantially the same proportions as their ownership of the Company immediately prior to such sale.
- (e) "Affiliate" shall have the meaning set forth in Rule 12b-2 under Section 12 of the Exchange Act.
- (f) "Beneficial Owner" shall have the meaning set forth in Rule 13d-3 under the Exchange Act, except that a Person shall not be deemed to be the Beneficial Owner of any securities which are properly filed on a Form 13G.
- (g) "Exchange Act" shall mean the Securities Exchange Act of 1934, as amended from time to time.
- (h) "Person" shall have the meaning given in Section 3a9 of the Exchange Act as modified and used in Sections 13d and 14d thereof, except, that such term shall not include (i) the Company or any of its subsidiaries, (ii) a trustee or other fiduciary holding securities under an employee benefit plan of the Company or any of its subsidiaries, (iii) an underwriter temporarily holding securities pursuant to an offering of such securities, or (iv) a corporation owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of the stock of the Company.

15. *Rights as a Stockholder.*

No person shall have any rights as a stockholder with respect to any shares of Company Stock covered by or relating to any Award until the date of record issuance of such shares of Company Stock in the books of the Company or the issuance of a stock certificate with respect to such shares. Except for adjustments provided in Section 3(b), no adjustment to any Award shall be made for dividends or other rights for which the record date occurs prior to the date such book entry is made or stock certificate is issued.

16. *No Employment Rights; No Right to Award.*

Nothing contained in the Plan or any Agreement shall confer upon any Participant any right with respect to the continuation of employment by or provision of services to the Company or interfere in any way with the right of the Company, subject to the terms of any separate agreement to the contrary, at any time to terminate such employment or service or to increase or decrease the compensation of the Participant. No person shall have any claim or right to receive an Award hereunder. The

Table of Contents

Committee's granting of an Award to a Participant at any time shall neither require the Committee to grant any other Award to such Participant or other person at any time nor preclude the Committee from making subsequent grants to such Participant or any other person.

17. *Securities Matters and Regulations.*

- (a) Notwithstanding anything herein to the contrary, the obligation of the Company to sell or deliver Company Stock with respect to any Award granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee. The Committee may require, as a condition of the issuance and delivery of certificates evidencing shares of Company Stock pursuant to the terms hereof, that the recipient of such shares make such agreements and representations, and that such certificates bear such legends, as the Committee, in its sole discretion, deems necessary or advisable.
- (b) Each Award is subject to the requirement that, if at any time the Committee determines, in its absolute discretion, that the listing, registration or qualification of Company Stock issuable pursuant to the Plan is required by any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Award or the issuance of Company Stock, no such Award shall be granted or payment made or Company Stock issued, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Committee.
- (c) In the event that the disposition of Company Stock acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act and is not otherwise exempt from such registration, such Company Stock shall be restricted against transfer to the extent required by the Securities Act or regulations thereunder, and the Committee may require a Participant receiving Company Stock pursuant to the Plan, as a condition precedent to receipt of such Company Stock, to represent to the Company in writing that the Company Stock acquired by such Participant is acquired for investment only and not with a view to distribution.

18. *Withholding Taxes.*

Whenever cash is to be paid pursuant to an Award, the Company shall have the right to deduct therefrom an amount sufficient to satisfy any federal, state and local withholding tax requirements related thereto. Whenever shares of Company Stock are to be delivered pursuant to an Award, the Company shall have the right to require the Participant to remit to the Company in cash an amount sufficient to satisfy any federal, state and local withholding tax requirements related thereto. With the approval of the Committee, a Participant may satisfy the foregoing requirement by electing to have the Company withhold from delivery shares of Company Stock having a value equal to the minimum amount of tax required to be withheld. Such shares shall be valued at their Fair Market Value on the date of which the amount of tax to be withheld is determined. Fractional share amounts shall be settled in cash. Such a withholding election may be made with respect to all or any portion of the shares to be delivered pursuant to an Award.

19. *Notification of Election Under Section 83(b) of the Code.*

If any Participant shall, in connection with the acquisition of shares of Company Stock under the Plan, make the election permitted under Section 83(b) of the Code, such Participant shall notify the Company of such election within 10 days of filing notice of the election with the Internal Revenue Service.

20. *Notification Upon Disqualifying Disposition Under Section 421(b) of the Code.*

Each Agreement with respect to an Incentive Stock Option shall require the Participant to notify the Company of any disposition of shares of Company Stock issued pursuant to the exercise of such Option under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions), within 10 days of such disposition.

21. *Amendment or Termination of the Plan.*

The Board of Directors may, at any time, suspend or terminate the Plan or revise or amend it in any respect whatsoever; provided, however, that stockholder approval shall be required for any such amendment if and to the extent such approval is required in order to comply with applicable law or stock exchange listing requirement. Nothing herein shall restrict the Committee's ability to exercise its discretionary authority pursuant to Sections 3 and 4, which discretion may be exercised without amendment to the Plan. No action hereunder may, without the consent of a Participant, reduce the Participant's rights under any outstanding Award.

22. *Transfers Upon Death.*

Upon the death of a Participant, outstanding Awards granted to such Participant may be exercised only by the executor or administrator of the Participant's estate or by a person who shall have acquired the right to such exercise by will or by the laws of descent and distribution. No transfer of an Award by will or the laws of descent and distribution shall be effective to bind the Company unless the Committee shall have been furnished with (a) written notice thereof and with a copy of the will and/or such evidence as the Committee may deem necessary to establish the validity of the transfer and (b) an agreement by the transferee to comply with all the terms and conditions of the Award that are or would have been applicable to the Participant and to be bound by the acknowledgments made by the Participant in connection with the grant of the Award.

23. *Expenses and Receipts.*

The expenses of the Plan shall be paid by the Company. Any proceeds received by the Company in connection with any Award may be used for general corporate purposes.

24. *Effective Date and Term of Plan.*

The Plan shall be subject to the requisite approval of the stockholders of the Company. In the absence of such approval, any Awards shall be null and void. Unless earlier terminated by the Board of Directors, the right to grant Awards under the Plan shall terminate on the tenth anniversary of the Effective Date. Awards outstanding at Plan termination shall remain in effect according to their terms and the provisions of the Plan.

25. *Participant Rights.*

No Participant shall have any claim to be granted any award under the Plan, and there is no obligation for uniformity of treatment for Participants.

26. *Unfunded Status of Awards.*

The Plan is intended to constitute an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Agreement shall give any such Participant any rights that are greater than those of a general creditor of the Company.

27. *No Fractional Shares.*

No fractional shares of Company Stock shall be issued or delivered pursuant to the Plan. The Committee shall determine whether cash, other Awards, or other property shall be issued or paid in

Table of Contents

lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

28. *Beneficiary.*

A Participant may file with the Committee a written designation of a beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Participant, the executor or administrator of the Participant's estate shall be deemed to be the Participant's beneficiary.

29. *Paperless Administration.*

In the event that the Company establishes, for itself or using the services of a third party, an automated system for the documentation, granting or exercise of Awards, such as a system using an internet website or interactive voice response, then the paperless documentation, granting or exercise of Awards by a Participant may be permitted through the use of such an automated system.

30. *Severability.*

If any provision of the Plan is held to be invalid or unenforceable, the other provisions of the Plan shall not be affected but shall be applied as if the invalid or unenforceable provision had not been included in the Plan.

31. *Applicable Law.*

Except to the extent preempted by any applicable federal law, the Plan shall be construed and administered in accordance with the laws of the State of Delaware without reference to its principles of conflicts of law.

32. *Section 409A Compliance.*

The Plan as well as payments and benefits under the Plan are intended to comply with Section 409A of the Code to the extent subject thereto, and, accordingly, to the maximum extent permitted, the Plan shall be interpreted and be administered to be in compliance therewith. Notwithstanding anything contained herein to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, the Participant shall not be considered to have terminated employment with the Company for purposes of the Plan and no payment shall be due to the Participant under the Plan or any Award until the Participant would be considered to have incurred a "separation from service" from the Company within the meaning of Section 409A of the Code. Any payments described in the Plan that are due within the "short term deferral period" as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable law requires otherwise. Notwithstanding anything to the contrary in the Plan, to the extent that any Awards are payable upon a separation from service and such payment would result in the imposition of any individual tax and penalty interest charges imposed under Section 409A of the Code, the settlement and payment of such awards shall instead be made on the first business day after the date that is six (6) months following such separation from service (or death, if earlier).

33. *Forfeiture and Compensation Recovery.*

(a)

The Committee may specify in an Agreement that the Participant's rights, payments and benefits with respect to an Award will be subject to reduction, cancellation or forfeiture or recovery by the Company upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of the Award. Such events may include termination of employment or service for Cause, violation of material Company policies, breach of noncompetition or other restrictive covenants that apply to the Participant, a determination that the payment of the Award was based on an incorrect determination that

Table of Contents

financial or other criteria were met or other conduct by the Participant that is detrimental to the business or reputation of the Company or its Affiliates.

(b)

Awards and any payments or compensation associated therewith may be made subject to forfeiture or recovery by the Company or other action pursuant to any compensation recovery policy adopted by the Board or the Committee at any time, including in response to requirements of Section 10D of the Exchange Act and any implementing rules and regulations thereunder, or as otherwise required by law. Any Agreement may be unilaterally amended by the Committee to comply with such compensation or recovery policy.
