Item 3.02 Unregistered Sales of Equity Securities

We have completed the following sales of equity securities in transactions that have not been registered under the Securities Act of 1933 (the Act) and that have not been reported on our previously filed periodic reports filed under the Securities Exchange Act of 1934 (the Exchange Act):

- On August 23, 2007, we completed a private placement with nine investors of 2,700,000 units at a price of US\$0.10 per unit for total proceeds of US\$270,000 pursuant to Rule 903 of Regulation S of the Act. Each unit is comprised of one share of common stock and one share purchase warrant. Each warrant entitles the investor to purchase one additional share of common stock at a price of US\$0.15 per share for a two year period from the date of the issuance of the warrants. No commissions were paid in connection with the completion of this offering. We completed the offering of the units pursuant to Rule 903 of Regulation S of the Act on the basis that the sale of the units was completed in an offshore transaction, as defined in Rule 902(h) of Regulation S. We did not engage in any directed selling efforts, as defined in Regulation S, in the United States in connection with the sale of the units. The investors represented to us that the investors were not U.S. persons, as defined in Regulation S, and were not acquiring the shares for the account or benefit of a U.S. person. The subscription agreements executed between us and the investors included statements that the securities had not been registered pursuant to the Act and that the securities may not be offered or sold in the United States unless the securities are registered under the Act or pursuant to an exemption from the Act. The investors agreed by execution of the subscription agreement for the units: (i) to resell the securities purchased only in accordance with the provisions of Regulation S, pursuant to registration under the Act or pursuant to an exemption from registration under the Act; (ii) that we are required to refuse to register any sale of the securities purchased unless the transfer is in accordance with the provisions of Regulation S, pursuant to registration under the Act or pursuant to an exemption from registration under the Act; and (iii) not to engage in hedging transactions with regards to the securities purchased unless in compliance with the Act. All securities issued were endorsed with a restrictive legend confirming that the securities had been issued pursuant to Regulation S of the Act and could not be resold without registration under the Act or an applicable exemption from the registration requirements of the Act.
