LACLEDE GROUP INC Form U-3A-2 February 25, 2005

File No. 1-16681

UNITED STATES SECURITIES AND EXCHANGE COMMISSION WASHINGTON, D. C. 20549

FORM U-3A-2

STATEMENT BY HOLDING COMPANY CLAIMING EXEMPTION UNDER RULE U-3A-2 FROM THE PROVISIONS OF THE PUBLIC UTILITY HOLDING COMPANY ACT OF 1935

THE LACLEDE GROUP, INC. (name of company)

hereby files with the Securities and Exchange Commission, pursuant to Rule 2, its statement claiming exemption as a holding company from the provisions of the Public Utility Holding Company Act of 1935, and submits the following information:

 Name, state of organization, location and nature of business of claimant and every subsidiary thereof, other than any exempt wholesale generator (EWG) or foreign utility company in which claimant directly or indirectly holds an interest.

The Laclede Group, Inc., a Missouri corporation incorporated October 18, 2000, is a holding company that directly or indirectly holds interests in the following subsidiaries, each of whom is organized under the laws of the State of Missouri, except for SM&P Utility Resources, Inc., acquired January 28, 2002 and incorporated under the laws of the State of Indiana:

- a. Laclede Gas Company, a public utility that was incorporated in 1857. Its service area includes the City of St. Louis, St. Louis County, the City of St. Charles and parts of St. Charles County, and parts of Jefferson, Franklin, St. Francois, Ste. Genevieve, Iron, Madison and Butler Counties, all in Missouri.
- b. Laclede Pipeline Company, which operates a propane pipeline that connects Laclede Gas' propane storage facilities in St. Louis County, Missouri to propane supply terminal facilities located at Wood River and Cahokia, Illinois. Laclede Gas vaporizes the propane to supplement its natural gas supply and meet the peak demands on its distribution system.
- c. Laclede Investment LLC, which invests in other enterprises and has made loans to several joint ventures engaged in real estate development.
- d. Laclede Energy Resources, Inc., a wholly owned subsidiary of Laclede Investment, which engages in non-utility efforts to market natural gas and related activities.
- e. Laclede Gas Family Services, Inc., a wholly owned subsidiary of Laclede Energy Resources, which is a registered insurance agency in the State of Missouri.

- f. Laclede Development Company, which participates in real estate developments, primarily through joint ventures.
- g. Laclede Venture Corp., a wholly owned subsidiary of Laclede Development, which offers services for the compression of natural gas to third parties who desire to use or to sell compressed natural gas for use in vehicles.
- h. SM&P Utility Resources, Inc., which is in the underground locating and marking service business.

In accordance with the provisions of FIN 46R, the claimant determined that Laclede Capital Trust I is a variable interest entity and Laclede Group is not the primary beneficiary of the Trust. Accordingly the Trust was deconsolidated during the quarter ended March 31, 2004.

The business address of the claimant and each of its subsidiaries, except Laclede Energy Resources, Inc. and SM&P Utility Resources, Inc., is:

720 Olive Street St. Louis, MO 63101

The business address of Laclede Energy Resources, Inc. is:

68 N. Elam St. Louis, MO 63088

The business address of SM&P Utility Resources, Inc. is:

13085 Hamilton Crossing Blvd., Suite 200 Carmel, IN 46032

2. A brief description of the properties of claimant and each of its subsidiary public utility companies used for the generation, transmission and distribution of electric energy for sale, or for the production, transmission, and distribution of natural or manufactured gas, indicating the location of principal generating plants, transmission lines, producing fields, gas manufacturing plants, and electric and gas distribution facilities, including all such properties which are outside the State in which claimant and its subsidiaries are organized and all transmission or pipelines which deliver or receive electric energy or gas at the borders of such State.

The Claimant's properties consist primarily of the utility properties of Laclede Gas. Laclede Gas' properties consist primarily of natural gas distribution systems and related facilities and local offices all in the State of Missouri. As of December 31, 2004, Laclede Gas had a natural gas storage field in Missouri designed to provide annual withdrawals of approximately 5.5 million MMBtus of gas based on the inventory level that Laclede Gas plans to maintain; a contractual right to store approximately 23.1 Bcf of natural gas in Louisiana and a liquefied propane storage cavern that has a natural gas equivalent of approximately 3 Bcf.

3. The following information for the last calendar year with respect to claimant and each of its subsidiary public utility companies.

(a.) Number of kwh. of electric energy sold (at retail or wholesale), and Mcf. of natural or manufactured gas distributed at retail.

#### CLAIMANT
