Item 3.01 NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED LISTING RULE OR STANDARD; TRANSFER OF LISTING

On June 7, 2013, the Company received notification from the New York Stock Exchange (“NYSE”) that the Company was not in compliance with the NYSE's continued listing standards. Specifically, Kingsway is below the NYSE's continued listing criteria because its average total market capitalization over a recent 30 consecutive trading day period was less than \$50 million at the same time that reported shareholders' equity was less than \$50 million.

In accordance with the continued listing criteria set forth by the NYSE, the Company intends to present a business plan to the NYSE within 90 days of its receipt of the notice, demonstrating how it intends to comply with the continued listing standards within 18 months of its receipt of the notice. If the Listing Operations Committee of the NYSE accepts the plan, the Company will be subject to quarterly monitoring for compliance by the NYSE. If the NYSE does not accept the plan or if the Company is unable to achieve compliance with the NYSE's continued listing criteria through its implementation of the plan, the Company will be subject to NYSE trading suspension and delisting, at which time the Company would intend to apply to have its shares listed on another stock exchange or quotation system.

Beginning on or about June 14, 2013, the NYSE will make available on its consolidated tape a “.BC” indicator transmitted with the Company's listing symbol to identify that the Company is below the NYSE's quantitative continued listing standards.

The press release announcing receipt of the notification from the NYSE is attached as Exhibit 99.1.
