Section 1 - Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

(a)(1) Mustang Geothermal Corp. (the Registrant) entered into a material definitive agreement not made in the ordinary course of its business on March 8, 2012. The parties to the agreement are Mustang Geothermal Corp. and North Homestake Mining Company, a Nevada corporation (North Homestake). A material relationship exists between Richard Bachman, the Registrant's Director, President, Chief Executive Officer and Chief Financial Officer, and Gerald Aberle, the Registrant's Director, on the one hand, and North Homestake on the other hand in that Messrs. Bachman and Aberle own 100% of the issued and outstanding common stock of North Homestake and constitute the complete board of directors of North Homestake.

(a)(2) The Registrant and North Homestake agreed to an exchange of common stock to affect the Registrant's acquisition of North Homestake's gold exploration properties located in South Dakota. Conditions precedent to the closing of the transaction are: (i) The Registrant's effecting a ten for one reverse split of its common stock; (ii) Changing the name of the Registrant to Dakota Territory Resource Corp; and, (iii) Applying for and changing the ticker symbol of the Registrant consistent with the proposed name change. The transaction is agreed to close on March 31, 2012, or as soon as is legally practicable in anticipation of regulatory review by the Securities and Exchange Commission and the Financial Industry Regulatory Authority.
