PROXY STATEMENT

FOR THE ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON JUNE 27, 2016

INTRODUCTION

This Proxy Statement (the “Proxy Statement”) is furnished in connection with the solicitation of proxies by the Board of Directors (the “**Board of Directors**” or the “**Board**”) of Isramco, Inc., a Delaware corporation (the “**Company**”) for use at the 2016 annual meeting (the “**Annual Meeting**”) of the Company’s shareholders (the “**Shareholders**”) to be held at the Company’s offices at 2425 West Loop South, Suite 810, Houston, Texas 77027, on Monday, June 27, 2016, at 9:00 A.M., local time, and any adjournment(s) thereof.

In addition to mailing the proxy materials to each of our shareholders, our Board of Directors has made these proxy materials available to you on the Internet on or about May 17, 2016, at its transfer agent, American Stock Transfer, at www.amstock.com/proxyservices/viewmaterial.asp?CoNumber=03348 as described in the Notice of Internet Availability of Proxy Materials (the “**Notice**”), mailed to Shareholders of record and beneficial holders. Printed versions of these proxy materials have been delivered to you by mail, in connection with the Board of Directors’ solicitation of proxies for use at our 2016 Annual Meeting of Shareholders. Our Shareholders are invited to attend the annual meeting and are requested to vote on the proposals described in this proxy statement. These proxy materials include: our proxy statement for (and notice of) the Annual Meeting; and our Annual Report on Form 10-K for the year ended December 31, 2015, which includes our annual audited financial statements for fiscal 2015. If you requested printed versions of these proxy materials by mail, these proxy materials also include our 2016 annual meeting proxy card or a voting information card for submitting your vote in writing to us or your broker, as the case may be.

Purposes of the 2016 Annual Meeting

At the Annual Meeting, the Shareholders will be asked to:

(i) elect six directors of the Company to hold office until the next annual meeting of the Shareholders and until their respective successors shall have been duly elected and qualified;

(ii) ratify the appointment of Malone Bailey, LLP as the Company's independent public accounting firm for the year ending December 31, 2016; and

(iii) transact such other business as may properly come before the Annual Meeting and any adjournment thereof.

Voting Rights

To have a valid meeting of the Shareholders, a quorum of the Company's Shareholders is necessary. A quorum consists of Shareholders holding a majority of the shares of the common stock of the Company (the "**Common Stock**") issued and outstanding and entitled to vote on the Record Date present in person or by proxy at the Annual Meeting. Shareholders who execute proxies retain the right to revoke them at any time by notice in writing to the Secretary of the Company, by revocation in person at the meeting or by presenting a later-dated proxy. Unless so revoked, the shares represented by proxies will be voted at the meeting. The shares represented by the proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein, but if no direction is given, such shares will be voted in accordance with the Board's recommendations.

All voting rights are vested exclusively in the holders of Common Stock. Only holders of Common Stock at the close of business on May 13, 2016, (the "**Record Date**") are entitled to receive notice of and to vote at the Annual Meeting. As of the Record Date, there were a total of 2,717,691 shares of Common Stock outstanding. Each holder of Common Stock entitled to vote at the Annual Meeting is entitled to one vote for each share held.

Shareholders representing a majority of the Common Stock issued and outstanding as of the Record Date, present in person or by proxy at the Annual Meeting, will constitute a quorum for the transaction of business at the Annual Meeting or any adjournment(s) thereof. Abstentions and shares held of record by a broker for which the broker has discretionary authority or instructions to vote the shares are counted as shares that are present at the Annual Meeting for purposes of determining a quorum.

Abstentions occur when Shareholders are present at the Annual Meeting but fail to vote or voluntarily withhold their vote for any of the matters upon which the Shareholders are voting. There are also non-discretionary matters for which brokers and other nominees do not have discretionary authority to vote unless they receive timely instructions from you. For Proposal 1 (*Election of Directors*), to be voted on at the Annual Meeting, you must provide timely instructions on how the broker or other nominee should vote your shares. When a broker or other nominee does not have discretion to vote on a particular matter, you have not given timely instructions on how the broker or other nominee should vote your shares and the broker or other nominee indicates it does not have authority to vote such shares on its proxy, a "**broker non-vote**" results. Although any broker non-vote will be counted as present at the meeting for purposes of determining a quorum, it would be treated as not entitled to vote with respect to non-discretionary matters.

Assuming a quorum is present at the Annual Meeting, the following is a summary of the vote required to approve each proposal, as well as the effect of broker non-votes and abstentions.

Proposal 1 (*Election of Directors*): To be elected, each nominee for election as a director must receive the affirmative vote of a majority of the votes of the Company's Common Stock, present in person or by proxy at the meeting and entitled to vote on the proposal. Abstentions may not be specified as to the election of directors, but you may withhold your vote as to any nominee. Votes that are withheld from a director's election will be counted toward a quorum, but will not affect the outcome of the vote on the election of a director. Broker non-votes will be counted toward a quorum, but will not be taken into account in determining the outcome of the election.

Proposal 2 (*Ratify Appointment of Outside Auditors*): To ratify the appointment of Malone Bailey, LLP as the company's independent Public accounting firm for the year ending December 31, 2016. To be ratified, Malone Bailey, LLP must receive the affirmative vote of a majority of the votes of the Company's Common Stock, present in person or by proxy at the meeting and entitled to vote on the proposal. Broker non-votes will not be taken into account in determining the outcome of the election.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis is intended to provide you with a detailed description of the Company's executive compensation philosophy and objectives, the compensation decisions that the Company's Compensation Committee has made pursuant to those objectives and the factors considered in making those decisions. The Company's compensation program for senior executives is governed by the Compensation Committee, which determines the compensation of all of the Company's executive officers. We note that the Compensation Committee does not tie compensation to any performance metric targets of the Company and, accordingly, sets compensation through a discretionary approach based on factors that are discussed herein below. This discussion and analysis focuses on the Company's named executive officers – the Company's (i) Chairman, Chief Executive Officer and President, (ii) Senior Vice President and Chief Financial Officer, (iii) Chief Accounting Officer, (iv) General Counsel

and Secretary, (v) former Legal Counsel and Secretary.

Compensation Philosophy and Objectives

The primary objectives of our market based compensation program for Haim Tsuff, Chairman of the Board, Chief Executive Officer and President; Edy Francis, Chief Financial Officer; Zeev Koltovskoy, Chief Accounting Officer; Anthony James, General Counsel and Secretary; and Curt L. Warnock, the Company's former Legal Counsel and Corporate Secretary (collectively the "**Named Executive Officers**") were and are to attract and retain qualified and experienced executive talent, provide appropriate incentives for the Named Executive Officers to apply their efforts in such a way that supports our financial performance objectives and business strategy, and to align their incentives with enhancement of shareholder value. In particular, our compensation program for Named Executive Officers is designed to reward superior job performance and individual initiative to help increase the Company's oil and gas reserves, production rates, earnings per share and to manage operating costs. Approximately 96% of the shares of Common Stock present at the Company's 2014 annual meeting of Shareholders voted in favor of the Company's executive compensation. The Company believes that its compensation philosophy and objectives align with the latest shareholder advisory vote on compensation by incorporating the sentiment of the shareholder advisory vote into decision making regarding the objectives and goals of the Company's compensation program. This consideration of the shareholder sentiment was utilized in determining discretionary cash bonuses and setting salaries for Named Executive Officers.

The Compensation Committee is developing metrics by which executive cash incentives and stock-related incentives will be awarded through the Company's incentive plans. In that effort, the Compensation Committee seeks to compensate the Company's Named Executive Officers so that their aggregate cash and equity compensation is adequate to attract and retain skilled and competent executives. However, to date, the Company has not issued any stock-related incentives to its Named Executive Officers and instead relies solely upon cash compensation with respect to its Named Executive Officers.

Role of the Compensation Committee, its Consultants and Management

The Company's Board has entrusted the Compensation Committee to carry out the Board's overall responsibility relating to the compensation of our Named Executive Officers. Our Chief Executive Officer also plays an important role in the executive compensation process, in overseeing the performance and dynamics of the executive team and generally keeping the Compensation Committee informed of business objectives and the performance of the Named Executive Officers other than the Chief Executive Officer. All final approvals regarding the Named Executive Officers' compensation remain with the Compensation Committee. Finally, the Company or the Compensation Committee may retain an independent consulting firm and/or legal counsel experienced in executive and overall compensation practices and policies to assist the Compensation Committee in calibrating the form and amount of executive compensation. No such consulting firms or legal counsel were engaged by the Compensation Committee in

2015.

7

The Compensation Committee, together with the assistance and recommendation of our Chief Executive Officer, and other advisors deemed appropriate by the Compensation Committee, typically reviews and discusses each particular executive compensation component presented and approves the compensation of the other Named Executive Officers. In the case of our Chief Executive Officer, the Compensation Committee, together with the full Board and the Lead Independent Director (Max Pridgeon), reviews and discusses each compensation component (together with compensation consultants and any counsel, other advisors or members of management deemed appropriate by the Compensation Committee). Following this review, the Compensation Committee sets the salary and other compensation of our Chief Executive Officer.

Market Analysis

When making compensation decisions, the Compensation Committee considers comparative compensation information of select peer and industry companies as a reference in its review and approval of compensation for the Named Executive Officers. This review is done with respect to both the structure of our executive compensation program as well as the targeted amount of compensation. The company has selected the following companies as peers for such review

STONE ENERGY CORP

VANGUARD NATURAL RESOURCES

EXCO RESOURCES INC.

MEMORIAL PRODUCTION PARTNERS LP

TRANSGLOBE ENERGY CORP.

APPROACH RESOURCES

PETROQUEST ENERGY INC

GASTAR EXPLORATION LIMITED (USA)

CALLON PETROLEUM COMPANY

PRIMEENERGY CORPORATION

ABRAXAS PETROLEUM CORP

MID-CON ENERGY PARTNERS LP

SANCHEZ PRODUCTION PARTNERS LLC

FX ENERGY

Because the comparative compensation information is just one of the several analytic tools that are used in setting executive compensation, the Compensation Committee has discretion in determining the nature and extent of its use of any or all of the comparative companies. When exercising its discretion, the Compensation Committee may consider factors such as the nature of officer's duties and responsibilities as compared to the corresponding position in the peer companies, the experience and value the officer brings to the role, the officer's performance results, demonstrated success in meeting key financial and other business objectives and the amount of the officer's pay relative to the pay of his or her peers within our company.

Elements of Executive Compensation

Setting Executive Compensation in 2015

Base Salary. The base salary of each Named Executive Officer is reviewed annually by the Compensation Committee. For our Named Executive Officers other than the Chairman, Chief Executive Officer and President, our the Chairman, Chief Executive Officer, and President recommends salary increases, which are reviewed and approved by the Compensation Committee.

For 2015, the primary factor in determining the amount of increase in base salary was the Compensation Committee's subjective assessment of individual performance of each of our Named Executive Officers. The Compensation Committee also reviewed the comparative compensation data discussed above to assess the reasonableness of the base salary amounts in light of the officer's duties and responsibilities as compared to similarly situated officers. The following table reflects annualized base salary amounts for the Named Executive Officers for 2015, 2014 and 2013:

Name	2015 Base Salary	2014 Base Salary	2013 Base Salary
Haim Tsuff	\$ 360,000	\$ 360,000	\$ 360,000
Edy Francis	110,000	110,000	85,685
Zeev Koltovskoy	80,000	79,583	70,000
Anthony James (1)	175,000	158,958	140,000
Curt L. Warnock (2)	—	—	155,000

1. Mr. James joined the Company in May 2013.
2. Mr. Warnock resigned in June 2013.

Annual Cash Incentive Compensation.

In connection with its review of the performance of each of the Named Executive Officers, the Compensation Committee specifically considered each executive's leadership in the performance of his duties and within the Company as a whole. While no specific performance goals or metrics were set out for any Named Executive Officer with regard to annual cash incentive compensation, the Compensation Committee also considered the difficulty of each Named Executive Officer's duties in light of the challenging and competitive nature the Company's operations and the overall economy. The following is a discussion of the material factors the Compensation Committee considered in assessing each Named Executive Officer's contribution and achievement in the performance of his or her individual duties:

- **Haim Tsuff:** In assessing Mr. Tsuff's performance, the Compensation Committee, together with the Lead Independent Director, considered the leadership and strategic vision that Mr. Tsuff provides for the continued growth of the Company as Chief Executive Officer and President. As a result of his significant ownership position in the Company, the Company believes that Mr. Tsuff's objectives are closely aligned with those of our stockholders.
- **Edy Francis:** In assessing Mr. Francis' performance, the Compensation Committee considered his role as Chief Financial Officer, including his management of financial restructuring and accounting management that impacted the Company's business.

- Zeev Koltovskoy: In assessing Mr. Koltovskoy' performance, the Compensation Committee considered his role as Chief Accounting Officer, including his familiarity with Sarbanes-Oxley compliance procedures and accounting management that impacted the Company's business.

- Anthony James: In assessing Mr. James's performance, the Compensation Committee considered his role as in-house counsel, and his roles in Land and Human Resources, including his management of issues that impacted the Company's business.

Accordingly, the following chart presents information about the awards earned by each of the Named Executive Officers:

Named Executive Officer	2015 Incentive Payout		\$ Amount Earned
	as a % of Base Salary	%	
Haim Tsuff	0	%	0
Edy Francis	114	%	125,000
Zeev Koltovskoy	50	%	40,000
Anthony James	26	%	45,000

For more information on total compensation paid to our Named Executive Officers, see “Executive Compensation and Related Information— 2015 Summary Compensation Table.”

Compensation Policies

Adjustment or Recovery of Awards upon Restatement of Company Performance. The Company does have a formal policy requiring its Named Executive Officers to return cash and equity incentive awards if the relevant metrics upon which the awards are based are ever restated or otherwise adjusted in a manner that would reduce the size of an award or payment. The Company also has a provision in its employment contracts with Named Executive Officers allowing the company to force the return of any cash and equity incentive awards if the relevant metrics upon which the awards are based are ever restated or otherwise adjusted in a manner that would reduce the size of an award or payment.

Stock Ownership Guidelines. The Company has no stock ownership guidelines for its Named Executive Officers or for its Directors.

Reimbursements related to Litigation Involving Officers, Directors and Affiliates

We disclosed information in our Quarterly Report on Form 10-Q for the three months ended September 30, 2009, filed on November 12, 2009, relating to two putative shareholder derivative actions that were filed by individual shareholders on June 1, 2009 and June 12, 2009, respectively, in the District Court of Harris County, Texas, naming certain of our officers and directors as defendants. Each of these suits claims that the shareholders were damaged as a result of various breaches of fiduciary duty, self-dealing, and other wrongdoing in connection with the Restated Agreement between the Company and Goodrich Global, Ltd. ("Goodrich") and other matters, primarily on the part of the Company's Chairman and Chief Executive Officer, Haim Tsuff, and Jakob Maimon. Mr. Maimon is a former President and a director who resigned from all positions held with the Company on June 29, 2011. The complaints sought unspecified money damages, disgorgement of any proceeds from the restated agreement, voiding of the agreement, other equitable relief, and costs and disbursements, including attorneys' fees.

On or about April 6, 2011, a third complaint was filed in the 295th District Court of Harris County, Texas by Yuval Ran, who claimed to be a shareholder, against certain of our officers and directors and several corporate parties controlled by Haim Tsuff, seeking damages similar to aforementioned derivative cases. As with the prior suits, this complaint alleged various breaches of duty, self-dealing and other wrongdoing in connection with the Restated Agreement between the Company and Goodrich, primarily on the part of the Company's Chairman and Chief Executive Officer, Haim Tsuff, and Jakob Maimon. In addition, this suit alleged claims relating to other transactions between the Company and entities controlled by Haim Tsuff, including but not limited to the loan transactions between the Company and related parties, the lease and sale of a cruise ship, and the closure of the Company's Israel branch office. Prior to service on the Defendants, the third complaint was transferred to the 55th Judicial District Court of Harris County, Texas by order signed April 20, 2011, and consolidated with the above-referenced first and second original shareholder suits by order signed May 21, 2011, into a single case, called "Lead Cause No. 2010-34535; In Re: Istramco, Inc. Shareholder Derivative Litigation; In the 55th Judicial District Court of Harris County, Texas (the "Derivative Litigation"). The complaint sought unspecified money damages, disgorgement of any proceeds from the restated agreement, voiding of the agreement, other equitable relief, and costs and disbursements, including attorneys' fees.

The Company disclosed information in the Company's Quarterly Report on Form 10-Q (File No. 0-12500) for the three months ended September 30, 2011 filed by with the Commission on November 9, 2011, relating to an additional

putative shareholder derivative complaint that was filed by an individual shareholder, Yuval Lapiner, on July 7, 2011, in the Delaware Chancery Court in Wilmington, Delaware, naming certain of our officers and directors as defendants. The claims asserted in this case are essentially the same damage claims as asserted in the lawsuit filed in April 2011 by Yuval Ran and described above. The Company filed motions in the Chancery Court to dismiss or stay the lawsuit and, by order dated October 20, 2011, the case was dismissed. The plaintiff did not appeal. Yuval Lapiner then filed a motion to intervene in the Derivative Litigation and that motion was denied. Mr. Lapiner then filed a motion for attorney's fees that was also denied. On December 12, 2011, the court approved the terms of the mediated settlement and entered final order and judgment in the case. The Company paid plaintiff attorney's fees of \$1,000,000, replaced its bylaws, amended various committee charters, and adopted other corporate governance changes as set out in the stipulation of settlement. After the judgment was rendered, Mr. Lapiner filed a motion for new trial and on February 12, 2012, filed a Notice of Appeal to the Fourteenth Court of Appeals in Houston, Texas. A Motion to Dismiss the appeal was filed. Oral arguments were presented to the Court of Appeals on January 9, 2013. On April 22, 2014, the Fourteenth Court of Appeals dismissed Mr. Lapiner's appeal. On June 6, 2014, Mr. Lapiner filed a Petition for review to the Supreme Court of Texas and said action is Case Number 14-0451 in the Supreme Court of Texas. On August 1, 2014, the Supreme Court of Texas requested the respondents in the matter, including the Company, to respond to the Petition for Review. The Company filed said response on or before its September 2, 2014 due date. On October 24, 2014, the Supreme Court of Texas requested the parties in the matter, including the Company, file briefs on the merits in the case. The Company filed its brief on January 15, 2015. On June 5, 2015, the Supreme Court of Texas denied Lapiner's petition for review. No motion for rehearing was filed in the matter.

On or about September 21, 2011, the Company's former Vice President and General Counsel, Dennis Holifield resigned. Mr. Holifield had been hired in March 2011. On or about October 12, 2011, Mr. Holifield submitted a "Summary Report" to the SEC (the "Summary Report"), in which he made numerous factual allegations regarding Haim Tsuff, the Company's Chief Executive Officer, Chairman, and President; Edy Francis, the Company's Chief Financial Officer; Amir Sanker, the Company's Asset Manager; and other Company personnel. In the Summary Report, Mr. Holifield characterized the alleged conduct as illegal or criminal. On November 3, 2011, the Company's Board of Directors constituted a committee of independent directors consisting of Max Pridgeon and Asaf Yarkoni, referred to as the Special Investigative Committee of the Board of Directors ("SIC") which was directed to investigate all of the Holifield allegations and report back to the full board and make any recommendations, if any, for

corrective action. On January 7, 2013, SIC made their final report to the Board of Directors of the conclusions and results of the fourteen-month investigation into the allegations made by Mr. Holifield. The SIC determined that Mr. Holifield's allegations were not supported by any available documentary evidence or by any statements made by former or current Isramco, Inc., directors, management, or employees interviewed by the SIC or its counsel. The SIC also determined that the Company had not engaged in wrongdoing of any sort including any unlawful or unethical business practices, any lapses in financial controls, or any governance issues that require redress or reform.

On September 10, 2013, the Company filed suit against Mr. Holifield in Cause No. 201352927 of the 270th Judicial District Court of Harris County, Texas, to collect damages estimated in the amount of \$1,000,000.00 owing to the Company by virtue of Mr. Holifield's actions, which are alleged in the suit to include, but are not limited to, negligence, negligence per se, gross negligence, and breach of fiduciary duty owed to the Company. In response, in December 2013, Mr. Holifield filed a pro se answer which included counterclaims and a summary judgment motion. In his counterclaims, Mr. Holifield seeks to recover the following damages, inter alia: (i) over \$2,000,000 for loss of income and failure to secure gainful employment arising from his constructive discharge or termination by the Company; (ii) over \$2,000,000 for loss of earnings due to his alleged inability to obtain gainful employment by virtue of the damage caused to his professional reputation by alleged willful and deliberate acts of Haim Tsuff, Edy Francis, and Amir Sanker, (iii) over \$2,000,000 due to the intentional infliction of emotional distress to Mr. Holifield; (iv) an amount estimated at \$5,000,000 arising from Mr. Holifield's claim that the Company violated the Racketeer Influenced Corrupt Organizations Act, by engaging in racketeering and conspiracy; (v) over \$5,000,000 arising from the Company's alleged fraudulent misrepresentation regarding Isramco's purpose in hiring Mr. Holifield and (vi) other relief. The Company believes Mr. Holifield's counter claims have no merit. The Company intends to vigorously (i) pursue its case against Mr. Holifield and (ii) defend against Mr. Holifield's counterclaims.

Mr. Yarkoni brings significant financial and accounting knowledge and expertise to the Corporation and qualifies to serve as an "audit committee financial expert" under the rules of the SEC. INFORMATION ABOUT THE BOARD OF DIRECTORS

INDEPENDENCE AND MEETINGS

During the fiscal year ended December 31, 2015, the Board met or acted by unanimous written consent on five occasions. During the fiscal year ended December 31, 2015, with the exception of Joseph From, who missed one meeting, each Board member attended all of the meetings of the Board and of the committees on which he served that was held during the period for which he was a director or committee member, respectively.

The Board does not have a formal policy with respect to Board members' attendance at annual stockholder meetings, though it encourages directors to attend such meetings. No director attended the Company's 2015 annual stockholder meeting.

The Board of Directors reviewed the independence of each of the Company's directors on the basis of the standards adopted by NASDAQ. During this review, the Board considered transactions and relationships between the Company, on the one hand, and each director, members of his or her immediate family, and other entities with which he or she is affiliated, on the other hand. The purpose of this review was to determine which of such transactions or relationships were inconsistent with a determination that the director is independent under the NASDAQ rules. As a result of this review, the Board of Directors affirmatively determined that each of the Company's directors, other than Haim Tsuff and Josef From, are "independent directors" within the meaning of the NASDAQ rules.

BOARD LEADERSHIP STRUCTURE

Mr. Tsuff has served as Chairman, Chief Executive Officer, and President of the Company since 1996. The Board of Directors believes that its current leadership structure, in which the positions of Chairman and Chief Executive Officer are held by Mr. Tsuff, is appropriate at this time and provides the most efficient and effective leadership for Isramco. Combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making and alignment on corporate strategy. The Company believes that any risks inherent in that structure are balanced by the oversight of our Board of Directors, a majority of which is comprised by independent directors, including the Company's Lead Independent Director, Max Pridgeon. Given Mr. Tsuff's past performance in the roles of Chairman and Chief Executive Officer, at this time the Board believes that combining these positions will continue to provide the appropriate and most effective leadership structure for the Company and does not impair the Board's ability to continue to practice good corporate governance.

As noted above, the Board has appointed Max Pridgeon as its Lead Independent Director. The Lead Independent Director chairs the executive sessions of the Board and is the principle liaison between the independent directors and Chief Executive Officer. The Lead Independent Director is also responsible for and required to participate in timing and agenda for Board and Committee meetings, requesting for and providing information to the independent directors, receiving reports from the Nominating and Governance Committee, and evaluating, along with the Compensation Committee and the Board, the performance of the Chief Executive Officer.

As a result, the Company believes that the Lead Independent Director, along with the other independent directors of the Board, provides significant and appropriate oversight to all activities of the Company and the Board. Further, the Board believes that Mr. Tsuff's significant holdings in the Company is sufficient motivation to minimize excessive risk taking and aligns his interest in the best interest of the stockholders. Additionally, the Conflict Committee, which is comprised solely of independent directors, was specifically created to review all transactions among the Company and all related parties, including any affiliates of Mr. Tsuff.

The Board recognizes that no single leadership model is right for all companies and at all times and that, depending on the circumstances, other leadership models, such as a separate independent chairperson of the board, might be appropriate. As a result, the Board reviews the Company's Board leadership structure annually.

GOVERNANCE, BOARD OF DIRECTORS AND BOARD COMMITTEE CHANGES

In 2014, the Board of Directors had five standing committees: the Audit Committee; the Compensation Committee; the Conflict Committee; the Nominating and Corporate Governance Committee; and the Independent Directors Committee.

BOARD OF DIRECTORS

The Board of Directors has established guidelines requiring a majority of directors to be independent, as determined in accordance with the bylaws of the Company and applicable rules of the NASDAQ. Under such standards, the Board has determined that four of the six directors of the Company (Messrs. Pridgeon, Hasson, Sluiter and Yarkoni) are independent directors. Each of these four directors has also certified their belief that they meet such independence standards and all of the Company's directors have certified that they will annually attend at least one Board meeting in person unless specifically excused by the Company's Chairman. Directors may only serve on a maximum of two other boards of directors of public companies. All of the Company's directors have also participated in an initial orientation and continuing education thereafter.

THE LEAD INDEPENDENT DIRECTOR

In 2012, the Board first elected a "Lead Independent Director," as such term is defined in the Company's bylaws and Nominating and Corporate Governance Committee Charter. In 2015, Max Pridgeon was elected to this position. The Lead Independent Director chairs the executive sessions of the Board and is the principle liaison between the independent directors and Chief Executive Officer. The Lead Independent Director also is responsible for or required to participate in timing and agenda for Board and Committee meetings, requesting for and providing information to the independent directors, receiving reports from the Nominating and Governance Committee and evaluating, along with the Compensation Committee and the Board, the performance of the Chief Executive Officer. The Lead Independent Director also served as Chair of the Company's Independent Director Committee, which was dissolved and its duties incorporated into the Company's Audit Committee in 2014.

AUDIT COMMITTEE

In 2015, membership of the Audit Committee was expanded to include Max Pridgeon, Frans Sluiter, Asaf Yarkoni, and Nir Hasson, being all of the Company's independent directors. The Board of Directors has determined that Mr. Pridgeon, Mr. Sluiter, Mr. Hasson and Mr. Yarkoni met the independence criteria set out in Rule 5605(a)(2) of the NASDAQ Marketplace Rules. The Board determined that Mr. Yarkoni qualifies as an independent director and an audit committee financial expert. The Audit Committee met six times in 2015. The Audit Committee has a charter.

Mr. Yarkoni serves as the Company's "audit committee financial expert" under the rules of the SEC. The Board has determined that Mr. Yarkoni is an independent director as defined in the NASDAQ Marketplace Rules.

In 2012 the Board adopted a new charter governing the duties and responsibilities of the Audit Committee, a copy of which is attached to this Proxy Statement. The Audit Committee's primary duties and responsibilities are to:

- Monitor and review the accuracy and fairness of the Corporation's financial reports and monitor and ensure the adequacy of the Corporation's systems of internal controls regarding finance, accounting, and legal compliance.
- Monitor the independence and performance of the Corporation's independent auditors.
- Provide an avenue of communication between the independent auditors, management, accountants, and the Board of Directors.

The Audit Committee has the authority to conduct or authorize investigations into any matter within the scope of its responsibilities and has direct access to the independent auditors as well as the Company's employees. The Audit Committee also has the ability to retain, at the Company's expense, special legal, accounting, or other consultants or advisors it deems necessary in the performance of its duties or to assist in the conduct of any investigation.

THE NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The current members of the Nominating and Corporate Governance Committee are Max Pridgeon, Asaf Yarkoni, and Haim Tsuff. The Nominating and Corporate Governance Committee met twice in 2015. The Nominating and Corporate Governance Committee has a charter, a copy of which is attached to this Proxy Statement. By reason of Mr. Tsuff's service on the Nominating Committee, all of the members of the Nominating Committee were not independent directors within the meaning of the NASDAQ Marketplace Rules. However, Rule 5615 of the NASDAQ Marketplace Rules allows a "Controlled Company" to have a nominating committee that does not consist solely of independent directors. The Company believes that it was a "Controlled Company" in 2015 and continues to be a "Controlled Company" within the meaning of the NASDAQ Marketplace Rules, since, at all times during 2015, a majority of the Company's shares are controlled by Haim Tsuff, the Company's Chairman, Chief Executive Officer and President. As a result, the Company maintains its Nominating and Corporate Governance Committee, which does not consist solely of independent directors, in reliance upon NASDAQ Marketplace Rule 5615.

The Nominating and Corporate Governance Committee considers many factors when evaluating candidates for the nomination to the Board, with the goal of fostering a Board of Directors comprised of directors with a variety of experience and backgrounds. Important factors considered as part of the Nominating and Corporate Governance Committee's evaluation include (without limitation): (i) roles and contributions valuable to the business community, (ii) personal qualities of leadership, character and judgment, and whether the candidate possesses and maintains a reputation in the community at large of integrity, trust, respect, competence, and adherence to high ethical standards, (iii) relevant knowledge and diversity of Board members' background and experience, (iv) whether the candidate has the time required for preparation, participation, and attendance at meetings and (v) requirements relating to Board and Board committee composition under applicable law and NASDAQ listing standards. Depending upon the Company's then-current needs, certain factors may be weighed more or less heavily than others. In considering candidates for the Board, the Nominating and Corporate Governance Committee will consider the entirety of each candidate's credentials, and does not have any specific minimum qualifications that must be met. However, the Nominating and Corporate Governance Committee does believe that all members of the Board should have the highest character and integrity and sufficient time to devote to Company matters.

In addition to considering candidates proposed by officers or other directors of the Company as candidates for nomination as a director, the Nominating and Corporate Governance Committee considers persons recommended by Stockholders. In evaluating candidates proposed by Stockholders, the Nominating Committee uses the same selection criteria as it uses to evaluate other potential nominees. Recommendations should be submitted by Shareholders to the Secretary of the Company. Each recommendation should include a personal biography of the suggested candidate, an indication of the background or experience that qualifies such person for consideration, and a statement that such person has agreed to serve if nominated and elected. Stockholders who wish to nominate a person for election to the Board themselves, rather than recommending a candidate to the Nominating and Corporate Governance Committee for potential nomination by the Board of Directors, must comply with applicable law. For additional information, see "Stockholder Proposals" below.

While the Nominating and Corporate Governance Committee does not have a formal policy with respect to diversity, the Board and the Nominating and Corporate Governance believe that it is essential that Board members represent diverse business backgrounds and experience. A background in or experience with the oil & gas industry is desirable, but not a precondition to nomination. In considering candidates for the Board, the Nominating and Corporate Governance Committee considers the entirety of each candidate's credentials in the context of these standards. We believe that the backgrounds and qualifications of our directors, considered as a group, should and do provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

In addition, the Nominating and Governance Committee reviews the advisability of a director's continued service on the Board when the director's principal occupation or business association changes, or when circumstances arise which may raise questions about the director's continuing qualifications in relation to the Board membership criteria referred to above. In addition, the Nominating and Corporate Governance Committee: (i) reviews the resignation of any director, (ii) reviews the Board's committee structure and recommends to the Board the appointment of committee members and chairs, (iii) defines and articulates the Company's overall corporate governance structures, including the development and recommendation to the Board of the Company's Corporate Governance Guidelines, (iv) reviews the Company's Corporate Governance Guidelines periodically, and recommends changes as necessary to reflect sound governance practices, and (v) review the Company's positions and practices on significant issues of corporate public responsibility, such as protection of the environment and philanthropic contributions.

CONFLICT COMMITTEE

The Conflict Committee consists of Asaf Yarkoni and Max Pridgeon, two independent directors. Although the Conflict Committee does not have a written charter, its duties are identified and reflected in Company's bylaws. Before any transaction between the Company and any officer or director of the Company, or between the Company and any entity controlled by or affiliated with an officer or director, may approved entered into by the Company, such transaction must first be submitted for approval by the Conflict Committee. The Conflict Committee has, except as may be otherwise specified by the Board by unanimous written consent, all the power and authority of the Board of Directors in connection with approving and authorizing proposed transactions between the Company and any officer or director or entity controlled by or affiliated with any officer or director. In that role, the Conflict Committee has reviewed and approved sales of Company Common Stock to related parties, as well as all affiliated financing arrangements (see "Related Party Transactions" above) with related parties. The Conflict Committee met or acted by unanimous once in 2015 and there have been no related party transactions in 2015 which were not reviewed by the Conflict Committee.

The Company has written guidelines through which the Conflict Committee reviews related party transactions. Under our guidelines, a related person is a director, executive officer, director nominee, or beneficial owner of more than 5% of the Company's common stock or any immediate family member of one of the foregoing persons. A related party transaction is any financial transaction, arrangement, or relationship (including any indebtedness or guarantee of indebtedness) or any series of similar transactions, arrangements, or relationships in which the Company (and/or any of its subsidiaries) is a party and in which the related person has or will have a direct or indirect material interest. In determining whether a direct or indirect interest is material, the significance of the information to the Company and its investors in light of all circumstances is considered. The importance of the interest to the person having the interest, the relationship of the parties to the transaction with each other, and the amount involved are among the factors considered in determining the significance of the information to investors

COMPENSATION COMMITTEE

In 2015, the Compensation Committee consisted of Frans Sluiter, Nir Hasson, and Joseph From. The Compensation Committee is responsible for reviewing the compensation arrangements in effect for the Company's executive officers, including the Company's Named Executed Officers. The Compensation Committee met once in 2015. The Compensation Committee has a charter, a copy of which is attached to this Proxy Statement.

By reason of Joseph From's service on the Compensation Committee, all of the members of the Compensation Committee are not independent directors within the meaning of the NASDAQ Marketplace Rules. Rule 5615 of the NASDAQ Marketplace Rules allows a "Controlled Company" to have a compensation committee that does not consist solely of independent directors. The Company believes that it was a "Controlled Company" in 2015 and continues to be a "Controlled Company" within the meaning of the NASDAQ Marketplace Rules, since, at all times during 2015, a majority of the Company's shares are controlled by Haim Tsuff, the Company's Chairman, Chief Executive Officer and President. As a result, the Company maintains its Compensation Committee, which does not consist solely of independent directors, in reliance upon Nasdaq Marketplace Rule 5615.

The Compensation Committee sets compensation policy and administers the Company's compensation programs for the purpose of attracting and retaining skilled executives who will promote the Company's business goals and build stockholder value. The Compensation Committee is also responsible for reviewing and making recommendations to the Board regarding all forms of compensation to be provided to the Company's Named Executive Officers, including stock compensation and bonuses.

The Compensation Committee also reviews and recommends to the Board for approval compensation arrangements for the Company's other executive officers, key employees and non-employee directors. The Compensation Committee recommends all compensation awards (including incentive compensation awards), which are then subject to Board review and approval. The Chief Executive Officer recommends to the Compensation Committee the goals, objectives and compensation for all executive officers (including the Named Executive Officers) and key employees, except himself, and responds to requests for information from the Compensation Committee. Our Chief Executive Officer has no role in approving his own compensation. The Compensation Committee periodically reviews and recommends the compensation of non-employee directors. The Compensation Committee does not delegate its authority and has the sole responsibility of retaining outside counsel or other consultants for the purpose of executing its mandate.

THE INDEPENDENT DIRECTOR COMMITTEE

In 2014, the Independent Director Committee was dissolved and, in its place, the Audit Committee was expanded to include all of the Company's independent directors and empowered to exercise all of the oversight and authority previously exercised by the Independent Director Committee. The Board believes that this change will serve the best interests of the Company, including minority shareholders.

TRADING COMPLIANCE CONTROL COMMITTEE

The Board of Directors has a committee consisting of Edy Francis, the Company's Chief Financial Officer, and Anthony James, the Company's General Counsel and Secretary, both of whom are Named Executive Officers, as

responsible for ensuring compliance with the Company's stock trading and market communication policy. The Trading Compliance Control Committee is not a committee of the Board, but instead provides a monitoring and reporting function to the Board.

CODE OF BUSINESS ETHICS AND CONDUCT

The Company has adopted a Code of Business Ethics and Conduct (the “**Code of Conduct**”) that applies to all of its employees. A copy of the Code of Conduct was filed as an exhibit to the Company’s Annual Report on Form 10-K for the year ended December 31, 2005. If the Company makes any substantive amendment to the Code of Conduct or grants any waiver from a provision of the Code of Conduct to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

The Board does not have a formal process for shareholders or interested parties to send communications to the Board. Due to the infrequency of shareholder or interested party communications to the Board, the Board does not believe that a formal process is necessary. However, shareholders of the Company are encouraged to communicate directly with the members of the Board. Shareholders interested in communicating their concerns or issues to the independent directors may address correspondence to a particular director, or to the independent directors generally in care of the Chairman, Chief Executive Officer, and President of the Company, Mr. Haim Tsuff. Mr. Tsuff will forward all communications received to the appropriate director and/or Committee Chairman. If no particular director is named, letters will be forwarded, depending on the subject matter, to the Chairman of the Audit Committee. Company personnel will not screen or edit such communications and will forward them directly to the intended member of the Board.

BOARD’S ROLE IN RISK OVERSIGHT

Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has the ultimate responsibility for the oversight of risk management. Senior officers attend meetings of the Board, provide presentations on operations, and are available to address any questions or concerns raised by the Board, its committees, or any individual director. Additionally, our Board committees are charged with assisting the Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee coordinates the Board’s oversight function of the Company’s internal control over financial reporting, disclosure controls, and procedures and Code of Conduct. Management regularly reports to the Audit Committee on these areas.

REPORT OF THE AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other of the Company's filings under the Securities Act of 1933 or under the Exchange Act, except to the extent the Company specifically incorporate this report by reference.

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended December 31, 2015. These financial statements include the consolidated balance sheets of the Company as of December 31, 2014 and 2013, and the related consolidated statements of operations, Stockholders' equity and cash flows for each of the three years in the period ended December 31, 2015 and the notes thereto.

REVIEW WITH MANAGEMENT. The Audit Committee has reviewed and discussed the Company's audited financial statements with management.

REVIEW AND DISCUSSIONS WITH INDEPENDENT ACCOUNTANTS. The Audit Committee has discussed with Malone Bailey, LLP, the Company's independent accountants, the matters required to be discussed by SAS 61 (Codification of Statements on Accounting Standards), as amended, that includes, among other items, matters related to the conduct of the audit of the Company's financial statements. The Audit Committee has also received disclosures and the letter from Malone Bailey, LLP required by Independence Standards Board Standard No. 1 (that relates to the accountant's independence from the Company and its related entities) and has discussed with M&B its independence from the Company.

CONCLUSION. Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015.
