Dear Fellow Stockholder,

You are cordially invited to attend the 2006 Annual Meeting of Stockholders of Boulder Total Return Fund, Inc., a Maryland corporation (the "Fund"), which will be held on April 24, 2006 at 9:00 a.m. Mountain Standard Time (local time), at the Scottsdale Plaza Resort, 7200 North Scottsdale Road, Scottsdale, Arizona. Details of the business to be presented at the meeting can be found in the accompanying Notice of Annual Meeting and Proxy Statement.

There are two non-routine proposals contained in this Proxy. The first is a proposal to amend the charter of the Fund (the "Charter") to facilitate a rating upgrade of the Fund's taxable auction market preferred stock (the "AMPS"). Presently, the Fund is leveraged with \$77.5 million in AMPS. The AMPS are auctioned every 28 days, at which time a new interest rate is set and assigned to them. Presently the AMPS are rated by two national credit rating organizations, Moody's Investors Services, Inc. ("Moody's") and Standard & Poor's ("S&P"). The ratings are presently "Aa1" (Moody's) and "AA" (S&P). In connection with this proposal, these ratings will be upgraded to "Aaa" and "AAA" respectively. Since auction interest rates are typically lower for AMPS and other financial instruments that have higher/better credit ratings, the Fund anticipates that the upgraded AMPS will receive a better auction interest rate for the Fund and thus could reduce the expenses associated with the Fund's leverage. Passage of the proposal will require approval by the holders of a majority of the AMPS and a majority of the common stock voting together as a single class, and a majority of the AMPS voting as a separate class. Upgrading the ratings as described above is not conditioned on the passage of this proposal as the Fund has other avenues it can pursue to upgrade the ratings without amending the Charter.

The second non-routine proposal is a housecleaning item that resolves a conflict between a provision in the Fund's charter that establishes the size of the Board of Directors at five, and a provision in the terms of the AMPS that requires an increase in the size of the Board when the AMPS dividends are in arrears for a period of two years. Under the proposal, the charter provision would be made subject to the provision in the terms of the AMPS.

As Chairman of the Board, I encourage you to support each of the proposals. After careful review by those Directors who are not "interested persons" as defined in the Investment Company Act of 1940 (the "Independent Directors"), the Board of Directors unanimously approved and has recommended to stockholders that they approve each of the proposals.

We hope you plan to attend the meeting. Your vote is important. Whether or not you are able to attend, it is important that your shares be represented at the Meeting. At your earliest convenience, we ask that you please complete, sign, date and return the enclosed Proxy Card or authorize proxies via telephone or the Internet to cast your vote at the meeting.

On behalf of the Board of Directors and the management of the Fund, I extend our appreciation for your continued support.

/s/ Richard I. Barr

QUESTIONS & ANSWERS REGARDING THE MEETING AND PROPOSALS

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

Question 1: What is the purpose of the Annual Meeting?

Answer: At the Meeting, stockholders will be asked to vote on the election of directors as well as the approval of amendments to the charter of the Fund which will repeal in their entirety all of the currently existing terms of the Fund's taxable auction market preferred stock (the "AMPS") and substitute in lieu thereof the new terms set forth in the Form of Articles of Amendment attached to the accompanying Proxy Statement as Exhibit A.

Question 2: Who is being nominated for election at the Meeting?

Answer: The Board has nominated the following five Directors, each to serve a one-year term until the annual meeting in 2007 and until their successors are duly elected and qualify: Richard I. Barr, Joel W. Looney, Dr. Dean L. Jacobson, Susan L. Ciciora, and Dennis R. Causier. The holders of Common Stock will elect three of the five directors standing for election and the holders of the AMPS will elect the remaining two directors. Mr. Barr and Ms. Ciciora are being nominated to represent the interests of the holders of the AMPS.

Question 3: Why is the Board recommending Proposal No. 2

Answer: If adopted, Proposal No. 2 would amend and restate the terms of the AMPS to facilitate a rating upgrade of the AMPS. Presently, the Fund is leveraged with \$77.5 million of AMPS. The AMPS are auctioned every 28 days, at which time a new interest rate is set and assigned to them. Presently the AMPS are rated by two national credit rating organizations, Moody's Investors Services, Inc. ("Moody's") and Standard & Poor's ("S&P"). The ratings are presently "Aa1" (Moody's) and "AA" (S&P). In connection with this proposal, these ratings are expected to be upgraded to "Aaa" and "AAA" respectively. Since auction interest rates are typically lower for AMPS and other financial instruments that have higher/better credit ratings, the Fund anticipates that the upgraded AMPS will receive a better auction interest rate for the Fund and thus could reduce the expenses associated with the Fund's leverage. Upgrading the ratings as described above is not conditioned on the passage of Proposal No. 2, as the Fund has other avenues it can pursue to upgrade the ratings without amending the Fund's charter. Passage of the proposal will require approval by the holders of a majority of the AMPS and a majority of the common stock voting together as a single class, and a majority of the AMPS voting as a separate class.

Question 4: How do the Horejsi Affiliates (as defined below at Page 2) intend to vote on Proposal No. 2?

Answer: The Horejsi Affiliates intend to vote in favor of the proposals.

Question 5: How does the Board recommend that stockholders vote on the various proposals?

Answer: If no instructions are indicated on your proxy, the representatives holding proxies will vote in accordance with the recommendations of the Board. The Board, including all of the non-interested Directors, has unanimously recommended that stockholders vote FOR all of the Proposals.

Question 6: Who is entitled to vote?

Answer: Stockholders of record at the close of business on March 22, 2006 (the "Record Date") are entitled to notice of and to vote at the Meeting and any postponements or adjournments thereof. Each of the shares outstanding on the Record Date is entitled to one vote on each of the Proposals.

Question 7: What is the required quorum for the Meeting?

Answer: The holders of at least a majority of the outstanding shares of stock

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

(without regard to class) of the Fund must be represented at the Meeting, either in person or by proxy, in order to constitute a quorum permitting business to be conducted at the Meeting. If you have completed, executed and returned valid proxies (in writing, by phone or by Internet) or attend the Meeting and vote in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting on any or all matters introduced at the Meeting.

Question 8: How do I vote?

Answer: Your vote is very important. Stockholders can vote in person at the Meeting or authorize proxies to cast their votes ("proxy voting") by proxy. Most stockholders will have a choice of proxy voting over the Internet at <http://www.proxyvote.com>, by using a toll-free telephone number or by completing and signing a Proxy Card and mailing it in the postage-paid envelope provided. Please refer to your Proxy Card or the information forwarded by your bank, broker or other nominee to see which options are available to you. If you proxy vote by Internet or telephone, you do NOT need to return your Proxy Card. If you vote by proxy, the individuals named on the Proxy Card as proxy holders will vote your shares in accordance with your instructions. You may specify whether your shares should be voted for all, some or none of the nominees for director and whether your shares should be voted for or against the other proposals. If you execute an otherwise valid proxy but do not provide voting instructions, the persons named as proxies or their substitutes will cast your votes FOR all of the Proposals.

Question 9: Can I revoke or change my proxy?

Answer: Yes. You may change or revoke your proxy at any time before the Meeting by timely delivery of a properly executed, later-dated proxy (including an Internet or phone proxy), by sending a written revocation to the Secretary of the Fund at the Fund's address listed on the accompanying Notice of Meeting, or by attending and voting in person at the Meeting. The powers of the proxy holders will be suspended with respect to your shares if you attend the meeting in person and revoke your proxy, but attendance at the Meeting will not by itself revoke a previously granted proxy.

A quorum of the Fund's stockholders is required for the conduct of business at the Meeting. Under the Bylaws of the Fund, a quorum is constituted by the presence in person or by proxy of the holders of a majority of the outstanding shares (without regard to class) of the Fund as of the Record Date. In the event that a quorum is not present at the Meeting, or in the event that a quorum is present but sufficient votes to approve one or more proposals are not received, the persons named as proxies may propose and vote for one or more adjournments of the Meeting to permit further solicitation of proxies with respect to any proposal that did not receive the votes necessary for its passage. With respect to those proposals for which there is represented a sufficient number of votes in favor, actions taken at the Meeting will be approved and implemented irrespective of any adjournments with respect to any other proposals. Any such adjournment will require the affirmative vote of a majority of votes cast on the matter at the Meeting. If a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote FOR any proposal in favor of such an adjournment and will vote those proxies required to be voted AGAINST any proposal against any such adjournment.

** Aggregate number and percentage are less than the sum total of amounts shown for each owner because the same shares may be deemed beneficially owned by more than one party (see Footnotes 1 through 4 below).

*** As stated in a Schedule 13G Amendment No. 6 filed with the Securities and Exchange Commission on February 13, 2006.

(1) Direct Ownership. Evergreen Atlantic, LLC ("EALLC"), The Evergreen Trust (the "Evergreen Trust"), John S. Horejsi Trust ("John Trust"), Susan L. Ciciora Trust ("Susan Trust"), Stewart West Indies Trust ("SWI Trust"), the Lola Brown Trust No. 1B (the "Brown Trust"), the Ernest Horejsi Trust No. 1B (the "EH Trust"), Badlands Trust Company, LLC ("Badlands"), the Stewart R. Horejsi Trust No. 2A (the "SRH Trust") and Stewart R. Horejsi are, as a group, considered to be a "control person" of the Fund (as that term is

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

defined in Section 2(a)(9) of the 1940 Act). EALLC, the Evergreen Trust, John Trust, Susan Trust, SWI Trust, the Brown Trust, the EH Trust and Badlands (for the purposes of this Proxy are collectively the "Horejsi Affiliates") directly own the shares indicated for such entity in the table above, totaling 5,382,982 (43.63%). However, these entities and other trusts or companies with interlocking management and/or common ownership may be deemed to indirectly own additional Fund shares, which are included in the table above.

- (2) Indirect Ownership through EALLC. Numbers shown in the table include shares held directly (see Footnote No. 1) and shares that may be deemed to be beneficially owned indirectly through ownership of EALLC. The outstanding membership interests in EALLC are owned by the Evergreen Trust, the Susan Trust, the John Trust and the SWI Trust in the following percentages - 11%, 30%, 15% and 44%. The Trustees of the Evergreen Trust are Stephen C. Miller, Larry Dunlap and Badlands. Badlands is the sole trustee for each of the Susan Trust, the John Trust and the SWI Trust. Mr. Horejsi is not a beneficiary under any of the foregoing trusts. Badlands has sole discretion with respect to the Susan Trust, John Trust and SWI Trust while any action by the Evergreen Trust requires a majority vote of the trustees. Consequently, both the trusts and each trustee disclaim beneficial ownership of shares owned by EALLC. Mr. Horejsi is the manager of EALLC.
- (3) Ownership by Badlands. The number shown includes shares that may be deemed to be beneficially owned indirectly by Badlands through direct or indirect ownership by the Brown Trust, the EH Trust, EALLC, Evergreen Trust, the Susan Trust, the John Trust and the SWI Trust. Badlands is the sole trustee of the Susan Trust, the John Trust and the SWI Trust, which together with the Evergreen Trust control EALLC (see Footnote No. 2), the other two trustees of Evergreen Trust being Stephen C. Miller and Larry Dunlap. Badlands, together with Larry Dunlap and Susan Ciciora (Mr. Horejsi's daughter), is one of three trustees of both the Brown Trust and the EH Trust.

Badlands is a limited liability company organized under the laws of Alaska authorized to do business as a trust company, which is wholly owned by the SRH Trust, an irrevocable trust organized by Mr. Stewart Horejsi for the benefit of his issue. The Managers of Badlands are Larry Dunlap, Stephen C. Miller, Laura Tatooles, Laura Rhodenbaugh and Ron Kukes. Badlands and its managers disclaim beneficial ownership of shares owned directly by the EALLC, the Evergreen Trust, the Susan Trust, the John Trust, the SWI Trust, the Brown Trust and the EH Trust.

- (4) Indirect Ownership by SRH Trust. The number shown in the table reflects shares that may be deemed to be beneficially owned indirectly through the SRH Trust's ownership of Badlands. The trustees of the SRH Trust are Badlands, Laura Tatooles and Brian Sippy. Both the Trust and its trustees disclaim beneficial ownership of shares beneficially owned directly or indirectly by Badlands.

Information as to beneficial ownership in the previous paragraph has been obtained from a representative of the beneficial owners; all other information as to beneficial ownership is based on reports filed with the Securities and Exchange Commission (the "SEC") by such beneficial owners.

As of the Record Date, Cede & Co., a nominee partnership of the Depository Trust Company, held of record, but not beneficially, 12,285,303 shares or 99.57% of Common Stock outstanding and 775 shares or 100% of AMPS outstanding.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

As of the Record Date, the executive officers and directors of the Fund, as a group, owned 5,416,378 shares of Common Stock (this amount includes the aggregate shares of Common Stock owned by the Horejsi Affiliates set forth above) and 0 shares of AMPS, representing 43.90% of Common Stock outstanding and 0% of AMPS.

In order that your Shares may be represented at the Meeting, you are requested to vote on the following matters:

PROPOSAL 1

ELECTION OF DIRECTORS OF THE FUND

The Charter provides that all of the Directors stand for election each year. The Board has nominated the following five Director nominees to stand for election, each for a one-year term and until their successors are duly elected and qualify: Richard I. Barr, Joel W. Looney, Dennis R. Causier, Susan L. Ciciora and Dr. Dean L. Jacobson. Only the Common Stock holders are entitled to vote on the election of Messrs. Looney, Causier and Jacobson and only the AMPS holders are entitled to vote on the election of Mr. Barr and Ms. Ciciora. At a regularly scheduled meeting of the Board of Directors held on January 26, 2006, Alfred G. Aldridge, Jr. notified the Board that he would not stand for re-election as a Director of the Fund and the Board (upon recommendation of the Nominating Committee) nominated Dennis R. Causier to fill his upcoming vacancy. The above nominees have consented to serve as Directors if elected at the Meeting for the one-year term. If the designated nominees decline or otherwise become unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute nominee or nominees for the Board.

** Mr. Causier is a British citizen and a resident of Spain and substantially all of his assets are located outside of the United States. As a result, it may be difficult to realize claims in courts of the United States predicated upon civil liabilities under federal securities laws of the United States. The Fund has been advised that there is substantial doubt as to (i) the enforceability in Spain of such civil remedies and criminal penalties as are afforded by the federal securities laws of the United States, (ii) whether the Spanish courts would enforce judgments of United States courts obtained in actions against Mr. Causier predicated upon the civil liability provisions of the federal securities laws, or (iii) whether Spanish courts would enforce, in an original action, liabilities against Mr. Causier predicated solely on federal securities laws. Mr. Causier has appointed the Secretary of the Fund (presently Stephanie Kelley in Boulder, Colorado) as his agent for service of process in any legal action in the United States, thus subjecting him to the jurisdiction of the United States courts

*** Ms. Ciciora is an "interested person" as a result of the extent of her beneficial ownership of Fund shares and by virtue of her indirect beneficial ownership of BIA and FAS.

COMMITTEES OF THE BOARD OF DIRECTORS

AUDIT COMMITTEE; REPORT OF AUDIT COMMITTEE. The purpose of the Audit Committee is to assist Board oversight of the integrity of the Fund's financial statements, the Fund's compliance with legal and regulatory requirements, the independent auditor's qualifications and independence and the performance of the Fund's independent auditors. The Audit Committee reviews the scope and results of the Fund's annual audit with the Fund's independent accountants and recommends the engagement of such accountants. Management, however, is responsible for the preparation, presentation and integrity of the Fund's financial statements, and the independent accountants are responsible for planning and carrying out proper audits and reviews. The Board of Directors adopted a written charter for the Audit Committee on January 23, 2002 and most recently amended the Charter on January 23, 2004. A copy of the Audit Committee Charter was attached as an appendix to the Fund's 2004 annual proxy statement.

The Audit Committee is composed entirely of the Fund's independent Directors, consisting of Messrs. Aldridge, Barr, Jacobson and Looney. The Board of Directors has determined that Joel Looney qualifies as an "audit committee financial expert," as defined under the Securities and Exchange Commission's Regulation S-K, Item 401(h). The Audit Committee is in compliance with applicable rules of the listing requirements for closed-end fund audit committees, including the requirement that all members of the audit committee be "financially literate" and that at least one member of the audit committee have "accounting or related financial management expertise," as determined by the Board. The Audit Committee is required to conduct its operations in accordance with applicable requirements of the Sarbanes-Oxley Act and the Public Company Accounting Oversight Board, and the members of the Audit Committee are subject to the fiduciary duty to exercise reasonable care in carrying out their duties. Each member of the Audit Committee is independent, as that term is defined by the NYSE Listing Standards. The Audit Committee met four times during the fiscal year ended November 30, 2005.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

In connection with the audited financial statements as of and for the period ended November 30, 2005, included in the Fund's Annual Report for the period ended November 30, 2005 (the "Annual Report"), at a meeting held on January 26, 2006, the Audit Committee considered and discussed the audited financial statements with management and the independent accountants, and discussed the audit of such financial statements with the independent accountants.

The Audit Committee has received the written disclosures and letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with independent accountants their independence. The Audit Committee discussed with the independent accountants the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 61, Communications With Audit Committees, as currently modified or supplemented.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund in any accounting, financial management or internal control capacity. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants and subject to the limitation on the responsibilities and role of the Audit Committee set forth in the charter and those discussed above, the Audit Committee of the Fund recommended to the Board that the audited financial statements be included in the Fund's Annual Report and be mailed to stockholders and filed with the SEC.

NOMINATING COMMITTEE. The Board of Directors has a nominating committee (the "Nominating Committee") consisting of Messrs. Looney, Jacobson, Aldridge and Barr, which is responsible for considering candidates for election to the Board in the event a position is vacated or created. Each member of the Nominating Committee is independent, as that term is defined by the NYSE Listing Standards. The Nominating Committee did not meet during the fiscal year ended November 30, 2005. The Nominating Committee met on January 16, 2006 and again on January 26, 2006, to consider the nomination of Dennis R. Causier. Dennis R. Causier was being considered to fill a vacancy on the Board resulting from the resignation of Alfred G. Aldridge, Jr. At this meeting, the Nominating Committee considered the qualifications and determined the suitability of Dennis R. Causier to be Director and resolved to recommend Dennis R. Causier to stockholders for election at the 2006 Annual Meeting.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

The Board of Directors has adopted a charter for the Nominating Committee that is available on the Fund's website, www.boulderfunds.net. The Nominating Committee does not have a formal process for identifying candidates. The Nominating Committee takes into consideration such factors as it deems appropriate when nominating candidates. These factors may include judgment, skill, diversity, experience with investment companies and other organizations of comparable purpose, complexity, size and subject to similar legal restrictions and oversight, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees thereof. The Nominating Committee will consider all qualified candidates in the same manner. The Nominating Committee may modify its policies and procedures for director nominees and recommendations in response to changes in the Fund's circumstances, and as applicable legal or listing standards change.

The Nominating Committee would consider director candidates recommended by stockholders (if a vacancy were to exist) and submitted in accordance with applicable law and procedures as described in this Proxy Statement (see "Submission of Stockholder Proposals" below). Such recommendations should be forwarded to the Secretary of the Fund.

The Fund does not have a compensation committee.

OTHER BOARD-RELATED MATTERS

Stockholders who wish to send communications to the Board should send them to the address of the Fund and to the attention of the Board. All such communications will be directed to the Board's attention.

The Fund does not have a formal policy regarding Board member attendance at the Annual Meeting of Stockholders; however, all of the Directors of the Fund, who were Directors at the time, attended the April 26, 2005 Annual Meeting of Stockholders.

Vote Required. The election of Messrs. Looney, Jacobson and Causier as Directors of the Fund will require the affirmative vote of a plurality of the votes cast by holders of the Common Stock at the Meeting in person or by proxy on Proposal 1. The election of Mr. Barr and Ms. Ciciora as Directors of the Fund will require the affirmative vote of a plurality of the votes cast by the holders of the AMPS at the Meeting in person or by proxy on Proposal 1.

THE BOARD OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF ALL THE NOMINEES.

PROPOSAL 2

CHARTER AMENDMENTS RELATING TO THE TERMS OF THE AMPS

The second proposal to be considered at the Meeting is approval of amendments to the charter of the Fund, which will repeal in their entirety all of the currently existing terms of the Fund's taxable auction market preferred stock (the "AMPS") and substitute in lieu thereof the new terms set forth in the proposed Form of Articles of Amendment for the Fund described below and attached to this Proxy Statement as Exhibit A (the "Amendments"). The Board proposes and unanimously recommends that stockholders approve the Amendments.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

Purpose of the Amendments. Presently, the Fund is leveraged with \$77.5 million of taxable auction market preferred stock. The AMPS are auctioned through a Dutch auction process every 28 days at which time a new interest rate is set. Presently the AMPS are rated by two national credit rating organizations, Moody's Investors Services, Inc. ("Moody's") and Standard & Poor's ("S&P") (Moody's and S&P are collectively referred to as the "Rating Agencies"). The ratings are presently "Aa1" from Moody's and "AA" from S&P (the "Ratings"). Since auction market preferred rates are typically lower for auction market preferred stocks that have higher/better credit ratings, the Fund anticipates that, if upgraded, the AMPS will typically receive better auction interest rates for the Fund, thus reducing the dividend expenses associated with the Fund's leverage. Accordingly, management has recommended that the Ratings be upgraded to "Aaa" and "AAA" respectively.

Because the conditions for upgrading the AMPS to "Aaa" and "AAA" rated instruments are largely a factor of asset coverage, and because most of the asset coverage definitions and calculations are set forth in the charter of the Fund, including the current AMPS terms setting forth the terms of the AMPS (the "Current AMPS Terms"), upgrading the AMPS will require extensive revisions to the Current AMPS Terms. In addition to amending the coverage definitions and calculation provisions of the Current AMPS Terms, management has recommended that the Fund also amend the Current AMPS Terms to deal with market interruptions resulting from force majeure events such as the 9-11 terrorist attacks and the termination of AMPS-elected directors upon the Fund's complete redemption of the AMPS. These last two provisions are commonplace in the governing documents for recently issued auction market preferred stock. Finally, the Current AMPS Terms are amended versions from an original that is almost 20 years old which were extensively revised in 2000 to deal with changing rating agencies and changing from a dividend-received-deduction-eligible product to a taxable product. Management believes that, since it must extensively amend the Current AMPS Terms in any event in connection with upgrading the AMPS, the Amendments will vastly simplify the Current AMPS Terms, eliminate ambiguities and inconsistencies, and bring the Current AMPS Terms into conformity with current rating agency and auction market preferred practices. Upgrading the Ratings as described above is not conditioned on the passage of this Proposal as the Fund has other avenues it can pursue to upgrade the Ratings without amending the Current AMPS Terms.

At Board Meetings held in July and October of 2005 and January 2006, the Board considered recommendations from management to upgrade the AMPS as discussed above. At the January 2006 Board meeting, the Board approved a recommendation from management to upgrade the Ratings and, in connection therewith, the Amendments, subject to shareholder approval and subject to receipt of certain confirmations from the Rating Agencies. The Board considered a number of factors in its deliberations, including that (i) upgrading the AMPS from the current "Aa1" and "AA" ratings to "Aaa" and "AAA" should reduce the Fund's relative cost of leverage; (ii) extensive amendment of the Current AMPS Terms is necessary to facilitate the upgrade of the AMPS in any event; (iii) the Amendments will modernize the Current AMPS Terms and simplify and streamline the auction procedures, coverage calculations and other testing and oversight procedures of the Current AMPS Terms; (iv) the Amendments will not adversely affect the AMPS or the contract rights of the AMPS nor will it impair the ratings by the Rating Agencies, indeed it will enhance the ratings; (v) with respect to changes to deal with force majeure events, the Amendments ensure that, if a terrorist attack or other force majeure event were to occur, the AMPS auction can be conducted pursuant to clear procedures set forth in the Amendments and without detriment to the Fund or its holders of Common Stock; and (vi) with respect to termination of the AMPS directors upon redemption of the AMPS, in the event of a redemption in full of the AMPS, separate representatives for the AMPS would serve no valid business purpose. Finally, the Board found that the Amendments were consistent with current market practice for new issuances of auction market preferred stock. Indeed, the Fund's sister fund, Boulder Growth & Income Fund,

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

Inc. recently issued "AAA" rated auction market preferred stock with substantially the same terms as those proposed under this Proposal. Accordingly, for the foregoing reasons, the Board found that the Amendments were in the best interest of the Fund. The Fund has had conversations with both Rating Agencies about the Amendments. The Rating Agencies have indicated preliminarily that the changes would not impair their ratings on the AMPS. In any event, the Amendments will not be implemented unless both Rating Agencies confirm that the Amendments will not impair the Ratings.

The following Comparison Table summarizes the proposed Amendments to the Current AMPS Terms. This summary is qualified in its entirety by reference to the Amendments as set forth in the Form of Articles of Amendment attached to this Proxy Statement as Exhibit A.

except that, under the terms of the AMPS, holders of the AMPS are entitled to elect two directors as a single class, and the balance of the directors.

If the Fund has not paid two year's AMPS dividends, the number of directors is automatically increased by the smallest number that, when added to the two directors elected exclusively by the holders of the AMPS would constitute a majority of the Board, in which case the holders of the AMPS are entitled, voting as a single class, to elect such smallest number of additional directors, together with the two directors that the AMPS holders are in any event entitled to elect.

Termination of AMPS Directors upon Redemption of the AMPS

The Current AMPS Terms do not provide for termination of the AMPS Directors upon a redemption of the AMPS.

Under the Current Act, holders of the AMPS are entitled to elect two directors as a single class, and the balance of the directors. The Amendment provides that upon full redemption of the AMPS, such a redemption would entitle the AMPS holders to elect two representatives for business purposes under the 1940 Act and the balance of the representatives would no longer be entitled to elect directors.

Rating Agency Guidelines

The Rating Agency guidelines were incorporated in various provisions throughout the text of the Current AMPS Terms.

The Rating Agency guidelines were incorporated in the Amendment, and the ability to amend the terms of the AMPS is preserved.

Amendment or Modification - Stockholder Approval Required

Without the affirmative vote of at least a majority of the AMPS shares, the Fund may not amend, alter or repeal the AMPS terms so as to adversely affect in any material respect any of the contract rights associated with the AMPS or alter, modify or eliminate any of the rights, preferences or privileges of the AMPS so as to adversely affect the AMPS.

The provisions in the Amendment are substantially the same as the AMPS Terms.

Amendment or Modification - No Stockholder Approval Required

The Board, without the vote or consent of the AMPS stockholders, may from time to time amend the Current AMPS Terms, if (A) such amendment, alteration or repeal is at the request of a Rating Agency and (B) it is determined by the Board that the amendment will not adversely affect the contract rights of shares of AMPS or adversely affect the AMPS as supported by the Fund's counsel's opinion.

The Amendments provide that the Board may from time to time amend the AMPS or the holder's rights, subject to the limitation, the inclusion of any or all covered by the Fund contained in the certain definition of time to time be made by the Board of Directors in its discretion, based on the Board of Directors' necessary or appropriate action, including obtaining or maintaining

PROPOSAL 3

AMENDMENT TO THE CHARTER WITH RESPECT TO THE NUMBER OF DIRECTORS

The Board proposes and unanimously recommends that stockholders approve an amendment to the Fund's Charter to provide Section 5.1 of the Charter, which states that the number of directors of the Fund shall be five, be made subject to the provisions of the AMPS or any new class or series of preferred stock of the Fund. Both the Current AMPS Terms as well as the Amendments contemplated under Proposal 2 above provide for increasing the size of the Board under certain limited circumstances (e.g., if the Fund has not paid the dividends

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

under the AMPS) so as to give the holders of the AMPS the ability to elect a majority of the Directors. However, given the language of Section 5.1, it is unclear whether the size of the Board could be legally increased under the terms of the Current AMPS Terms in order to give the AMPS holders the majority contemplated under the 1940 Act.

Section 5.1 of the Charter reads as follows:

The number of directors shall be five.

Proposal 3 would amend Section 5.1 of the Charter to read, in its entirety, as follows:

Subject to the terms of any class or series of Preferred Stock, the number of directors shall be five.

Purpose of the Amendment. The purpose of this Proposal is to eliminate the conflict between (i) the language of Section 5.1 of the Charter which, in its present form, clearly sets the number of Directors at five, (ii) the requirements imposed by the AMPS terms for the protection of the holders of the AMPS and (iii) the requirements imposed by the 1940 Act which require provisions to be made to allow the holders of the AMPS to elect a majority of the Directors at any time dividends remain unpaid for a period of two years.

The Board considered this Proposal at a special meeting held on March 6, 2006. The Board has determined that this Proposal is advisable to conform with the 1940 Act and the intent of the AMPS terms.

Vote Required. Approval of Proposal 3 requires the affirmative vote of a majority of the votes entitled to be cast on the matter by the holders of the Common Stock and AMPS, voting as a single class.

THE BOARD OF DIRECTORS, INCLUDING ALL OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" PROPOSAL 3.

SUBMISSION OF STOCKHOLDER PROPOSALS

Notice is hereby given that for a stockholder proposal to be considered for inclusion in the Fund's proxy material relating to its 2007 annual meeting of stockholders, the stockholder proposal must be received by the Fund no later than November 27, 2006. Any such proposal shall set forth as to each matter the stockholder proposes to bring before the meeting (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting, (ii) the name and address, as they appear on the Fund's books, of the stockholder proposing such business, (iii) the class and number of shares of the capital stock of the Fund which are beneficially owned by the stockholder, and (iv) any material interest of the stockholder in such business. Stockholder proposals, including any accompanying supporting statement, may not exceed 500 words. Pursuant to the Fund's By-laws, at any annual meeting of the stockholders, only business that has been properly brought before the meeting will be

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

conducted. To be properly brought before the annual meeting, the business must be (i) specified in the notice of meeting, (ii) by or at the direction of the Board of Directors, or (iii) otherwise properly brought before the meeting by a stockholder. For business to be properly brought before the annual meeting by a stockholder, the stockholder must have given timely notice in writing to the Secretary of the Fund. To be timely, a stockholder's notice must be delivered to the Secretary at 1680 38th Street, Suite 800, Boulder, Colorado 80301 no later than 5:00 p.m., Mountain Time, on the 120th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting. However, if the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, for notice by the stockholder to be timely, it must be delivered not later than 5:00 p.m., Mountain Time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. The public announcement of a postponement or adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder's notice as described above.

ADDITIONAL INFORMATION

INDEPENDENT ACCOUNTANTS. The Audit Committee of the Board, consisting of those Directors who are not "interested persons" (as defined in the 1940 Act), will select the Fund's independent accountants for the Fund's fiscal year ending November 30, 2006 at the Board's regular quarterly meeting in July 2006. KPMG served as independent accountants for the Fund for the Fund's fiscal year ending November 30, 2005. A representative of KPMG will not be present at the Meeting but will be available by telephone and will have an opportunity to make a statement if the representative so desires and will be available to respond to appropriate questions.

Set forth below are audit fees and non-audit related fees billed to the Fund for professional services received from KPMG for the Fund's fiscal years ended November 30, 2004 and 2005, respectively.

Fiscal Year Ended	Audit Fees	Audit-Related Fees*	Tax Fees**
11/30/2004	\$23,600	\$16,000	\$5,850
11/30/2005	\$25,250	\$16,800	\$6,000

* "Audit Related Fees" are those fees billed to the Fund by KPMG in connection with their agreed-upon procedures reports under the terms of the AMPS. Such reports are required quarterly by Moody's Investors Service, Inc. and Standard & Poor's in connection with maintaining public ratings for the AMPS.

** "Tax Fees" are those fees billed to each Fund by KPMG in connection with tax consulting services, including primarily the review of each Fund's income tax returns.

The Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the auditors to the Fund, and all non-audit services to be provided by the auditors to the Fund's investment adviser and any service providers controlling, controlled by or under common control with the Funds' investment adviser ("affiliates") that provide on-going services to each Fund, if the engagement relates directly to the operations and financial reporting of each Fund, or to establish detailed pre-approval policies and procedures for such services in accordance with applicable laws. All of the audit, audit-related and tax services described above for which KPMG billed the Fund fees for the fiscal years ended November 30, 2004 and November 30, 2005 were pre-approved by the Audit Committee.

KPMG has informed the Fund that it has no direct or indirect financial interest in the Fund. For the Fund's fiscal year ended November 30, 2005, KPMG did not provide any non-audit services or bill any fees for such services to the Funds' investment adviser or any affiliates thereof that provide services to the Fund. The Horejsi Affiliates have engaged KPMG from time to time in the past to provide various accounting, auditing and consulting services and currently engages KPMG as a consultant with respect to ongoing tax related issues. For the twelve months ended November 30, 2004, the Horejsi Affiliates paid \$3,800 to KPMG for their services. For the twelve months ended November 30, 2005, the Horejsi Affiliates paid \$0 to KPMG for their services. The Audit Committee has considered and concluded that the provision of non-audit services is compatible with maintaining the auditors' independence.

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act requires the Fund's Directors and officers, persons affiliated with the Fund's investment advisers, and persons who own more than 10% of a registered class of the Fund's securities, to file reports of ownership and changes of ownership with the SEC and the New York Stock Exchange. Directors, officers and greater-than-10% stockholders are required by SEC regulations to furnish the Fund with copies of all Section 16(a) forms they file. Based solely upon the Fund's review of the copies of such forms it receives and written representations from such persons, the Fund believes that through the date hereof all such filing requirements applicable to such persons were complied with.

BROKER NON-VOTES AND ABSTENTIONS. An uninstructed proxy for shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter is a broker "non-vote". Proxies that reflect abstentions or broker non-votes will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. Abstentions and broker non-votes will have no effect on the result of the vote in the election of directors in Proposal 1. Abstentions and broker non-votes will have the same effect as votes against Proposal 2 and 3.

OTHER MATTERS TO COME BEFORE THE MEETING

The Fund does not intend to present any other business at the Meeting, nor is it aware that any stockholder intends to do so. If, however, any other matters are properly brought before the Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with their discretion.

STOCKHOLDERS ARE REQUESTED TO COMPLETE, SIGN AND DATE THE ENCLOSED PROXY CARD OR AUTHORIZE PROXIES VIA TELEPHONE OR THE INTERNET. THE PROXY CARD SHOULD BE RETURNED IN THE ENCLOSED ENVELOPE, WHICH NEEDS NO POSTAGE IF MAILED IN THE UNITED STATES. INSTRUCTIONS FOR THE PROPER EXECUTION OF PROXIES ARE SET FORTH ON THE INSIDE COVER.

1. NUMBER OF AUTHORIZED SHARES. The number of authorized shares constituting the AMPS is 1,000, such shares having the preferences, rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications and terms and conditions of redemption as set forth herein.

2. DIVIDENDS.

(a) Ranking. The shares of a series of the AMPS shall rank on parity with each other, with shares of any other series of the AMPS and with shares of any other series of Preferred Stock as to the payment of dividends by the Fund.

(b) Cumulative Cash Dividends. The Holders of any series of AMPS shall be entitled to receive, when, as and if authorized by the Board of Directors and declared by the Fund, out of funds legally available therefor, in accordance with these terms of the AMPS and applicable law, cumulative cash dividends at the Applicable Rate for shares of such series, determined as set forth in paragraph (e) of this Section 2, and no more, payable on the Dividend Payment Dates with respect to shares of such series determined pursuant to paragraph (d) of this Section 2. Holders of AMPS shall not be entitled to any dividend, whether payable in cash, property or shares, in excess of full cumulative dividends, as herein provided, on AMPS. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on AMPS which may be in arrears, and, except to the extent set forth in subparagraph (e)(i) of this Section 2, no additional sum of money shall be payable in respect of any such arrearage. To the extent permitted under the Code, dividends on AMPS will be designated as exempt-interest dividends. For the purposes of this section, the term "net tax-exempt income" shall exclude capital gains of the Fund.

(c) Dividends Cumulative From Date of Original Issue. Dividends on any series of AMPS shall accumulate at the Applicable Rate for shares of such series from the Date of Original Issue thereof.

(d) Dividend Payment Dates and Adjustment Thereof.

(i) The Dividend Payment Date with respect to the AMPS, for the Initial Dividend Period, was September 13, 2000.

Although any particular Dividend Payment Date may not occur on the originally scheduled date because of the

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

exceptions discussed above, the next succeeding Dividend Payment Date, subject to such exceptions, will occur on the next following originally scheduled Dividend Payment Date; and

(iii) Notwithstanding the foregoing, the Fund in its discretion may establish Dividend Payment Dates other than as provided in paragraph (d) of this Section 2 of Part I of these terms of the AMPS in respect of any Special Dividend Period of shares of a series of AMPS consisting of more than a Minimum Dividend Period (a "Special Dividend Payment Date"); provided, however, that such Special Dividend Payment Dates shall be set forth in the Notice of Special Dividend Period (as defined herein) relating to such Special Dividend Period, as delivered to the Auction Agent, which Notice of Special Dividend Period shall be filed with the Secretary of the Fund; and further provided that (1) any such Special Dividend Payment Date shall be a Business Day and (2) the last Special Dividend Payment Date in respect of such Special Dividend Period shall be the Business Day immediately following the last day thereof.

The initial dividend rate on any series of AMPS subsequently established by the Fund shall be the rate set forth in or determined in accordance with the resolutions of the Board of Directors establishing such series. For each Subsequent Dividend Period of shares of such series thereafter, the dividend rate on shares of such series shall be equal to the rate per annum that results from an Auction for shares of such series on the Auction Date next preceding such Subsequent Dividend Period; provided, however, that if:

A. an Auction for any such Subsequent Dividend Period is not held for any reason other than as described below, the dividend rate on shares of such series for such Subsequent Dividend Period will be the Maximum Applicable Rate for shares of such series on the Auction Date therefor;

B. any Failure to Deposit shall have occurred with respect to shares of such series during any Dividend Period thereof but, prior to 12:00 Noon, New York City time, on the third Business Day next succeeding the date on which such Failure to Deposit occurred, such Failure to Deposit shall have been cured in accordance with paragraph (f) of this Section 2 and the Fund shall have paid to the Auction Agent a late charge ("Late Charge") equal to the sum of (1) if such Failure to Deposit consisted of the failure timely to pay to the Auction Agent the full amount of dividends with respect to any Dividend Period of the shares of such series, an amount computed by multiplying (x) 300% of the Reference Rate for the Dividend Period during which such Failure to Deposit occurs on the Dividend Payment Date for such Dividend Period by (y) a fraction, the numerator of which shall be the number of days for which such Failure to Deposit has not been cured in accordance with paragraph (f) of this Section 2 (including the day such Failure to Deposit occurs and excluding the day such Failure to Deposit is cured) and the denominator of which shall be 360, and applying the rate obtained against the aggregate Liquidation Preference of the outstanding shares of such series and (2) if such Failure to Deposit consisted of the failure timely to pay to the Auction Agent the Redemption Price of the shares, if any, of such series for which Notice of Redemption has been mailed by the Fund pursuant to paragraph (c) of Section 9 of this Part I, an amount computed by multiplying (x) 300% of the Reference Rate for the

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

Dividend Period during which such Failure to Deposit occurs on the redemption date by (y) a fraction, the numerator of which shall be the number of days for which such Failure to Deposit is not cured in accordance with paragraph (f) of this Section 2 (including the day such Failure to Deposit occurs and excluding the day such Failure to Deposit is cured) and the denominator of which shall be 360, and applying the rate obtained against the aggregate Liquidation Preference of the outstanding shares of such series to be redeemed, then no Auction will be held in respect of shares of such series for the Subsequent Dividend Period thereof and the dividend rate for shares of such series for such Subsequent Dividend Period will be the Maximum Applicable Rate for shares of such series on the Auction Date for such Subsequent Dividend Period; or

C. any Failure to Deposit shall have occurred with respect to shares of such series during any Dividend Period thereof, and, prior to 12:00 Noon, New York City time, on the third Business Day next succeeding the date on which such Failure to Deposit occurred, such Failure to Deposit shall not have been cured in accordance with paragraph (f) of this Section 2 or the Fund shall not have paid the applicable Late Charge to the Auction Agent, then no Auction will be held in respect of shares of such series for the first Subsequent Dividend Period thereafter (or for any Dividend Period thereafter to and including the Dividend Period during which (1) such Failure to Deposit is cured in accordance with paragraph (f) of this Section 2 and (2) the Fund pays the applicable Late Charge to the Auction Agent (the condition set forth in this clause (2) to apply only in the event Moody's is rating such shares at the time the Fund cures such Failure to Deposit), in each case no later than 12:00 Noon, New York City time, on the fourth Business Day prior to the end of such Dividend Period), and the dividend rate for shares of such series for each such Subsequent Dividend Period shall be a rate per annum equal to the Non-Payment Period Rate for shares of such series on the Auction Date for such Subsequent Dividend Period.

(ii) Calculation of Dividends. The amount of dividends per share payable on shares of a series of AMPS on any date on which dividends shall be payable on shares of such series shall be computed by multiplying the Applicable Rate for shares of such series in effect for such Dividend Period or Dividend Periods or part thereof for which dividends have not been paid, by a fraction, the numerator of which shall be the number of days in such Dividend Period or Dividend Periods or part thereof and the denominator of which shall be 360, and applying the rate obtained against \$100,000, and rounding the amount obtained to the nearest cent.

(f) Curing a Failure to Deposit. A Failure to Deposit with respect to shares of a series of AMPS shall have been cured (if such Failure to Deposit is not solely due to the willful failure of the Fund to make the required payment to the Auction Agent) with respect to any Dividend Period of shares of such series if, within the respective time periods described in subparagraph (e)(i) of this Section 2, the Fund shall have paid to the Auction Agent (A) all accumulated and unpaid dividends and Late Charges on shares of such Series and (B) without duplication, the Redemption Price for shares, if any, of such series for which Notice of Redemption has been mailed by the Fund pursuant to paragraph (c) of Section 9 of Part I of these terms of the AMPS; provided, however, that the foregoing clause (B) shall not apply to the Fund's failure to pay the Redemption Price in respect of AMPS when the related Notice of Redemption provides that redemption of such shares is subject to one or more conditions precedent and any such condition precedent shall not have been satisfied at the time or times and in the manner specified in such Notice of Redemption.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

(h) Auction Agent as Trustee of Dividend Payments by Fund. All moneys paid to the Auction Agent for the payment of dividends (or for the payment of any Late Charge) shall be held in trust for the payment of such dividends (and any such Late Charge) by the Auction Agent for the benefit of the Holders specified in paragraph (i) of this Section 2. Any moneys paid to the Auction Agent in accordance with the foregoing but not applied by the Auction Agent to the payment of dividends (and any such Late Charge) will, to the extent permitted by law, be repaid to the Fund at the end of 90 days from the date on which such moneys were to have been so applied.

(i) Dividends Paid to Holders. Each dividend on AMPS shall be paid on the respective Dividend Payment Date to the Holders thereof as their names appear on the Share Books on the Business Day next preceding such Dividend Payment Date.

(j) Dividends Credited Against Earliest Accumulated but Unpaid Dividends. Any dividend payment made on AMPS shall first be credited against the earliest accumulated but unpaid dividends due with respect to such shares. Dividends in arrears for any past Dividend Period may be declared and paid at any time, without reference to any regular Dividend Payment Date, to the Holders as their names appear on the Share Books on such date, not exceeding 15 days preceding the payment date thereof, as may be fixed by the Board of Directors.

3. DESIGNATION OF SPECIAL DIVIDEND PERIODS.

(a) The Fund, at its option and to the extent permitted by law, by telephonic and written notice (a "Request for Special Dividend Period") to the Auction Agent and to each Broker-Dealer, may request that the next succeeding Dividend Period for any series of AMPS will be a number of days (other than twenty-eight) evenly divisible by seven, and not more than 364 in the case of a Short Term Dividend Period or one whole year or more but not greater than five years in the case of a Long Term Dividend Period, specified in such notice, provided that the Fund may not give a Request for Special Dividend Period (and any such request will be null and void) unless, for any Auction occurring after the initial Auction, (i) an Auction for shares of such series is held on the Auction Date immediately preceding the first day of such proposed Special Dividend Period, (ii) Sufficient Clearing Bids were made in such Auction, and (iii) full cumulative dividends and any amounts due with respect to redemptions have been paid in full, and provided further that the Fund may not request a Special Dividend Period unless the Fund shall have received written confirmation from the Rating Agencies that the Fund's election of the proposed Special Dividend Period would not impair the rating then assigned by the Rating Agencies of the applicable series of AMPS and the lead Broker-Dealer designated by the Fund, initially Merrill Lynch, Pierce, Fenner & Smith Incorporated, does not object to the declaration of such Special Dividend Period. Such Request for Special Dividend Period, in the case of a Short Term Dividend Period, shall be given on or prior to the second Business Day but not more than seven Business Days prior to an Auction Date for the AMPS of that series and, in the case of a Long Term Dividend Period, shall be given on or prior to the second Business Day but not more than twenty-eight days prior to an Auction Date for the AMPS of that series. Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

Special Dividend Period, the Broker-Dealers jointly shall determine the Optional Redemption Price of the AMPS of that series during such Special Dividend Period and the Specific Redemption Provisions and shall give the Fund and the Auction Agent written notice (a "Response") of such determination by no later than the second Business Day prior to such Auction date. In making such determination, the Broker-Dealers will consider (i) existing short-term and long-term market rates and indices of such short-term and long-term rates, (ii) existing market supply and demand for short-term and long-term securities, (iii) existing yield curves for short-term and long-term securities comparable to the AMPS, (iv) industry and financial conditions which may affect the AMPS of that series, (v) the investment objectives of the Fund and (vi) the Dividend Periods and dividend rates at which current and potential beneficial holders of the AMPS would remain or become beneficial holders.

(b) After providing the Request for Special Dividend Period to the Auction Agent and each Broker-Dealer as set forth above, the Fund, by no later than the second Business Day prior to such Auction Date, may give a notice (a "Notice of Special Dividend Period") to the Auction Agent, the Securities Depository, each Broker-Dealer and the Rating Agency which notice will specify the duration of the Special Dividend Period. The Fund will not give a Notice of Special Dividend Period and, if such Notice of Special Dividend Period was given already, will give telephonic and written notice of its revocation (a "Notice of Revocation") to the Auction Agent, each Broker-Dealer, the Securities Depository and the Rating Agency on or prior to the Business Day prior to the relevant Auction Date if (x) either the 1940 Act Preferred Share Asset Coverage or the Preferred Stock Basic Maintenance Amount is not satisfied, on each of the two Business Days immediately preceding the Business Day prior to the relevant Auction Date or (y) sufficient funds for the payment of dividends payable on the immediately succeeding Dividend Payment Date have not been irrevocably deposited with the Auction Agent by the close of business on the third Business Day preceding the Auction Date immediately preceding such Dividend Payment Date. The Fund also shall provide a copy of such Notice of Special Dividend Period to each Rating Agency. If the Fund is prohibited from giving a Notice of Special Dividend Period as a result of the factors enumerated in clause (x) or (y) above or if the Fund gives a Notice of Revocation with respect to a Notice of Special Dividend Period, the next succeeding Dividend Period for that series of AMPS will be a Minimum Dividend Period. In addition, in the event Sufficient Clearing Bids are not made in an Auction, or if an Auction is not held for any reason, the next succeeding Dividend Period will be a Minimum Dividend Period, and the Fund may not again give a Notice of Special Dividend Period (and any such attempted notice will be null and void) until Sufficient Clearing Bids have been made in an Auction with respect to a Minimum Dividend Period.

A Voting Period shall commence:

(A) if at the close of business on any Dividend Payment Date accumulated dividends (whether or not earned or declared) on any outstanding AMPS, equal to at least two full years' dividends shall be due and unpaid and sufficient cash or specified securities shall not have been deposited with the Auction Agent for the payment of such accumulated dividends; or

(B) if at any time holders of Preferred Stock, including the AMPS, are entitled under the 1940 Act to elect a majority of the Directors of the Fund.

If the Fund fails to send such notice to the Auction Agent or if the Auction Agent does not call such a special meeting, it may be called by any such Holder on like notice. Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

At any such special meeting and at each meeting of Holders of Preferred Stock, including the AMPS, held during a Voting Period at which Directors are to be elected, such Holders, voting together as a class (to the exclusion of the holders of all other classes or series of stock of the Fund), shall be entitled to elect the number of Directors prescribed in subparagraph (b)(i) of this Section 4 on a one-vote-per-share basis.

(iii) Terms of Office of Existing Directors. (c) Holders of AMPS to Vote on Certain Other Matters.

(i) Increases in Capitalization and Charter Amendments. So long as any AMPS are outstanding, the Fund shall not, without the affirmative vote or consent of the Holders of at least a majority of the AMPS outstanding at the time, in person or by proxy, either in writing or at a meeting, voting as a separate class: (a) authorize, create or issue any class or series of shares ranking prior to or on a parity with the AMPS with respect to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, or authorize, create or issue additional shares of any series of AMPS (except that, notwithstanding the foregoing, but subject to the provisions of paragraph (c)(i) of Section 9 of this Part I, the Board of Directors, without the vote or consent of the Holders of AMPS, may from time to time authorize and create, and the Fund may from time to time issue, additional shares of any series of AMPS or classes or series of other Preferred Stock ranking on a parity with AMPS with respect to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, if the Fund obtains written confirmation from the Rating Agencies that the issuance of a class or series would not impair the rating then assigned by such rating agency to the AMPS and the Fund continues to comply with Section 13 of the 1940 Act, the 1940 Act Preferred Share Asset Coverage and the Preferred Stock Basic Maintenance Amount requirements); or (b) amend, alter or repeal the provisions of the Charter including these terms of the AMPS, whether by merger, consolidation or otherwise, so as to adversely affect any preference, right or power of such AMPS or the Holders thereof; provided, however, that (i) none of the actions

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

permitted by the exception to (a) above will be deemed to affect such preferences, rights or powers, (ii) a division of AMPS will be deemed to affect such preferences, rights or powers only if the terms of such division adversely affect the Holders of AMPS and (iii) the authorization, creation and issuance of classes or series of shares ranking junior to the AMPS with respect to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, will be deemed to affect such preferences, rights or powers only if Moody's or S&P is then rating the AMPS and such issuance would, at the time thereof, cause the Fund not to satisfy the 1940 Act Preferred Share Asset Coverage or the Preferred Stock Basic Maintenance Amount. So long as any shares of the AMPS are outstanding, the Fund shall not, without the affirmative vote or consent of the Holders of at least 66 2/3% of the AMPS outstanding at the time, in person or by proxy, either in writing or at a meeting, voting as a separate class, file a voluntary application for relief under Federal bankruptcy law or any similar application under state law for so long as the Fund is solvent and does not foresee becoming insolvent. If any action set forth above would adversely affect the rights of one or more series (the "Affected Series") of AMPS in a manner different from any other series of AMPS, the Fund will not approve any such action without the affirmative vote or consent of the Holders of at least a majority of the shares of each such Affected Series outstanding at the time, in person or by proxy, either in writing or at a meeting (each such Affected Series voting as a separate class).

(ii) 1940 Act and Other Matters. Unless a higher percentage is provided for in the Charter, (A) the affirmative vote of the Holders of at least a majority of the AMPS outstanding at the time, voting as a separate class, shall be required to approve any conversion of the Fund from a closed-end to an open-end investment company and (B) the affirmative vote of the Holders of a "majority of the outstanding AMPS," voting as a separate class, shall be required to approve any plan of reorganization (as such term is used in the 1940 Act) adversely affecting such shares. The affirmative vote of the Holders of a "majority of the outstanding AMPS," voting as a separate class, shall be required to approve any action not described in the first sentence of this Section 4(c) (ii) requiring a vote of security holders of the Fund under section 13(a) of the 1940 Act. For purposes of this subparagraph (c) (ii), "majority of the outstanding AMPS" means (i) 67% or more of such shares present at a meeting, if the Holders of more than 50% of such shares are present or represented by proxy, or (ii) more than 50% of such shares, whichever is less. In the event a vote of Holders of AMPS is required pursuant to the provisions of section 13(a) of the 1940 Act, the Fund shall, not later than ten Business Days prior to the date on which such vote is to be taken, notify the Rating Agencies that such vote is to be taken and the nature of the action with respect to which such vote is to be taken. The Fund shall, not later than ten Business Days after the date on which such vote is taken, notify the Rating Agencies of the results of such vote.

(d) Facts Ascertainable Outside Charter. The rights of the AMPS or the Holders thereof, including, without limitation, the interpretation or applicability of any or all covenants or other obligations of the Fund contained herein or of the definitions of the terms listed below, all such covenants, obligations and definitions having been adopted pursuant to Rating Agency Guidelines, may from time to time be modified, altered or repealed by the Board of Directors in its sole discretion, based on a determination by the Board of Directors that such action is necessary or appropriate in connection with obtaining or maintaining the rating of any

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

Rating Agency with respect to the AMPS or revising the Fund's investment restrictions or policies consistent with guidelines of any Rating Agency, and any such modification, alteration or repeal will not be deemed to affect the preferences, rights or powers of AMPS or the Holders thereof, provided that the Board of Directors receives written confirmation from each relevant Rating Agency (with such confirmation in no event being required to be obtained from a particular Rating Agency with respect to definitions or other provisions relevant only to and adopted in connection with another Rating Agency's rating of the AMPS) that any such modification, alteration or repeal would not adversely affect the rating then assigned by such Rating Agency.

(e) Rights Set Forth Herein Are Sole Rights; No Appraisal Rights. Unless otherwise required by law, the Holders of AMPS shall not have any relative rights or preferences or other special rights other than those specifically set forth herein. No holder of AMPS shall be entitled to exercise the rights of an objecting stockholder under Title 3, Subtitle 2 of the Maryland General Corporation Law or any successor statute.

(f) No Preemptive Rights Or Cumulative Voting. The Holders of AMPS shall have no preemptive rights or rights to cumulative voting.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

(g) Voting For Directors Sole Remedy For Trust's Failure To Pay Dividends. In the event that the Fund fails to pay any dividends on the AMPS, the exclusive remedy of the Holders shall be the right to vote for Directors pursuant to the provisions of this Section 4.

(h) Holders Entitled To Vote. For purposes of determining any rights of the Holders to vote on any matter, whether such right is created by these terms of the AMPS, by the other provisions of the Charter by statute or otherwise, no Holder shall be entitled to vote any share of AMPS and no share of AMPS shall be deemed to be Outstanding for the purpose of voting or determining the number of shares required to constitute a quorum if, prior to or concurrently with the time of determination of shares entitled to vote or shares deemed outstanding for quorum purposes, as the case may be, the requisite Notice of Redemption with respect to such shares shall have been mailed as provided in paragraph (c) of Section 9 of this Part I and the Redemption Price for the redemption of such shares shall have been deposited in trust with the Auction Agent for that purpose. No share of AMPS held by the Fund or any affiliate of the Fund (except for shares held by a Broker-Dealer that is an affiliate of the Fund for the account of its customers) shall have any voting rights or be deemed to be outstanding for voting or other purposes.

(i) Terms of Office of Certain Directors to Terminate. Simultaneously with and at the time that none of the issued shares of AMPS are Outstanding, the terms of office of any Directors elected solely by the holders of such shares of AMPS shall automatically terminate and the remaining directors shall constitute the directors of the Fund.

5. 1940 ACT PREFERRED SHARE ASSET COVERAGE. The Fund shall maintain, as of the last Business Day of each month in which any AMPS are Outstanding, the 1940 Act Preferred Share Asset Coverage.

6. PREFERRED SHARES BASIC MAINTENANCE AMOUNT.

(a) So long as AMPS are Outstanding, the Fund shall maintain, on each Valuation Date, and shall verify to its satisfaction that it is maintaining on such Valuation Date (i) Moody's Eligible Assets having an aggregate Discounted Value equal to or greater than the Preferred Stock Basic Maintenance Amount (if Moody's is then rating the AMPS) and (ii) S&P Eligible Assets having an aggregate Discounted Value equal to or greater than the Preferred Stock Basic Maintenance Amount (if S&P is then rating the AMPS).

(b) On or before 5:00 p.m., New York City time, on the third Business Day after a Valuation Date on which the Fund fails to satisfy the Preferred Stock Basic Maintenance Amount, and on the third Business Day after the Preferred Stock Basic Maintenance Cure Date with respect to such Valuation Date, the Fund shall complete and deliver to Moody's (if Moody's is then rating the AMPS), S&P (if S&P is then rating the AMPS) and the Auction Agent (if either Moody's or S&P is then rating the AMPS) a Preferred Stock Basic Maintenance Report as of the date of such failure or such Preferred Stock Basic Maintenance Cure Date, as the case may be, which will be deemed to have been delivered to the Auction Agent if the Auction Agent receives a copy or teletype, telex or other electronic transcription thereof and on the same day the Fund mails to the Auction Agent for delivery on the next Business Day the full Preferred Stock Basic Maintenance Report. The Fund shall also deliver a Preferred Stock Basic Maintenance Report to (i) the Auction Agent (if either Moody's or S&P is then rating the AMPS) as of the last Friday of each calendar month (or, if such day is not a Business Day, the immediately prior Business Day), (ii) Moody's (if Moody's is then rating the AMPS) and S&P (if S&P is then rating the AMPS) as of the last

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

Friday of each calendar month (or, if such day is not a Business Day, the immediately prior Business Day), in each case on or before the third Business Day after such day. A failure by the Fund to deliver a Preferred Stock Basic Maintenance Report pursuant to the preceding sentence shall be deemed to be delivery of a Preferred Stock Basic Maintenance Report indicating the Discounted Value for all assets of the Fund is less than the Preferred Stock Basic Maintenance Amount, as of the relevant Valuation Date.

(c) Within ten Business Days after the date of delivery of a Preferred Stock Basic Maintenance Report in accordance with paragraph (b) of this Section 6 relating to an Annual Valuation Date, the Fund shall cause the Independent Accountant to confirm in writing to Moody's (if Moody's is then rating the AMPS), S&P (if S&P is then rating the AMPS) and the Auction Agent (if either Moody's or S&P is then rating the AMPS):

(i) the mathematical accuracy of the calculations reflected in such Preferred Stock Basic Maintenance Report (and in any other Preferred Stock Basic Maintenance Report, randomly selected by the Independent Accountant, that was prepared by the Fund during the quarter ending on such Quarterly Valuation Date),

(ii) that, in such Preferred Stock Basic Maintenance Report (and in such randomly selected Preferred Stock Basic Maintenance Report), the Fund correctly determined in accordance with this Statement the assets of the Fund which constitute Moody's Eligible Assets (if Moody's is then rating the AMPS) and S&P Eligible Assets (if S&P is then rating the AMPS),

(iii) that, in such Preferred Stock Basic Maintenance Report (and in such randomly selected Preferred Stock Basic Maintenance Report), the Fund determined whether the Fund had, at such Quarterly Valuation Date (and at the Valuation Date addressed in such randomly selected Report) in accordance with this Statement, Moody's Eligible Assets of an aggregate Discounted Value at least equal to the Preferred Stock Basic Maintenance Amount and S&P Eligible Assets of an aggregate Discounted Value at least equal to the Preferred Stock Basic Maintenance Amount,

(iv) with respect to the S&P ratings on portfolio securities of the Fund, the issuer name, issue size and coupon rate, if any, listed in such Report, that the Independent Accountant has requested that S&P verify such information and the Independent Accountant shall provide a listing in its letter of any differences,

(v) with respect to the Moody's ratings on portfolio securities of the Fund, the issuer name, issue size and coupon rate, if any, listed in such Preferred Stock Basic Maintenance Report, that such information has been verified by Moody's (in the event such information is not verified by Moody's, the Independent Accountant will inquire of Moody's what such information is, and provide a listing in its letter of any differences) and

(vi) with respect to the bid or mean price (or such alternative permissible factor used in calculating the Market Value) provided by the custodian of the Fund's assets to the Fund for purposes of valuing securities in the Fund's portfolio, the Independent Accountant has traced the price used in such Preferred Stock Basic Maintenance Report to the bid or mean price listed in such Preferred Stock Basic Maintenance Report as provided to the Fund and verified that such information agrees (in the event such information does not agree, the

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

Independent Accountant will provide a listing in its letter of such differences) (such confirmation is herein called the "Auditor's Confirmation").

(d) Within ten Business Days after the date of delivery of a Preferred Stock Basic Maintenance Report in accordance with paragraph (b) of this Section 6 relating to any Valuation Date on which the Fund failed to satisfy the Preferred Stock Basic Maintenance Amount, and relating to the Preferred Stock Basic Maintenance Cure Date with respect to such failure to satisfy the Preferred Stock Basic Maintenance Amount, the Fund shall cause the Independent Auditors to provide to Moody's (if Moody's is then rating the AMPS), S&P (if S&P is then rating the AMPS) and the Auction Agent (if either Moody's or S&P is then rating the AMPS) an Auditors' Confirmation as to such Preferred Stock Basic Maintenance Report.

(e) If any Auditor's Confirmation delivered pursuant to paragraph (c) or (d) of this Section 6 shows that an error was made in the Preferred Stock Basic Maintenance Report for a particular Valuation Date for which such Auditor's Confirmation was required to be delivered, or shows that a lower aggregate Discounted Value for the aggregate of all Moody's Eligible Assets (if Moody's is then rating the AMPS) or S&P Eligible Assets (if S&P is then rating the AMPS), as the case may be, of the Fund was determined by the Independent Accountant, the calculation or determination made by such Independent Accountant shall be final and conclusive and shall be binding on the Fund, and the Fund shall accordingly amend and deliver the Preferred Stock Basic Maintenance Report to Moody's (if Moody's is then rating the AMPS), S&P (if S&P is then rating the AMPS) and the Auction Agent (if either Moody's or S&P is then rating the AMPS) promptly following receipt by the Fund of such Auditors' Confirmation.

(f) On or before 5:00 p.m., New York City time, on the first Business Day after the Date of Original Issue of any AMPS, the Fund shall complete and deliver to Moody's (if Moody's is then rating the AMPS) and S&P (if S&P is then rating the AMPS) a Preferred Stock Basic Maintenance Report as of the close of business on such Date of Original Issue. Within five Business Days of such Date of Original Issue, the Fund shall cause the Independent Accountant to confirm in writing to the Auction Agent (if either Moody's or S&P is then rating the AMPS), Moody's (if Moody's is then rating the AMPS) and S&P (if S&P is then rating the AMPS) (i) the mathematical accuracy of the calculations reflected in such Report and (ii) that the Discounted Value of the respective Eligible Assets reflected thereon equals or exceeds the Preferred Stock Basic Maintenance Amount reflected thereon.

(g) On or before 5:00 p.m., New York City time, on the third Business Day after either (i) the Fund shall have redeemed Common Stock or (ii) the ratio of the Discounted Value of Moody's Eligible Assets or the S&P Eligible Assets to the Preferred Stock Basic Maintenance Amount is less than or equal to 105%, or (iii) whenever requested by Moody's or S&P, the Fund shall complete and deliver to Moody's (if Moody's is then rating the AMPS) or S&P (if S&P is then rating the AMPS), as the case may be, a Preferred Stock Basic Maintenance Report as of the date of such event.

7. RESTRICTIONS ON DIVIDENDS AND OTHER DISTRIBUTIONS.

(a) Dividends on Shares Other Than the AMPS. Except as set forth in the next sentence, no dividends shall be declared or paid or set apart for payment on the shares of any class or series of stock of the Fund ranking, as to the payment of dividends, on a parity with the AMPS for any period unless full cumulative dividends have been or contemporaneously are declared and paid on the shares of each series of the AMPS through its most recent Dividend Payment Date. When dividends are not paid in full upon the shares of each series of the AMPS through its most recent Dividend Payment

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

Date or upon the shares of any other class or series of stock of the Fund ranking on a parity as to the payment of dividends with the AMPS through their most recent respective dividend payment dates, all dividends declared upon the AMPS and any other such class or series of stock ranking on a parity as to the payment of dividends with AMPS shall be declared pro rata so that the amount of dividends declared per share on AMPS and such other class or series of stock shall in all cases bear to each other the same ratio that accumulated dividends per share on the Fund and such other class or series of stock bear to each other (for purposes of this sentence, the amount of dividends declared per share of AMPS shall be based on the Applicable Rate for such share for the Dividend Periods during which dividends were not paid in full).

(b) Dividends and Other Distributions with Respect to Common Stock Under the 1940 Act. The Fund shall not declare any dividend (except a dividend payable in Common Stock), or declare any other distribution, upon the Common Stock, or purchase Common Stock, unless in every such case the AMPS have, at the time of any such declaration or purchase, an asset coverage (as defined in and determined pursuant to the 1940 Act) of at least 200% (or such other asset coverage as may in the future be specified in or under the 1940 Act as the minimum asset coverage for senior securities which are shares or stock of a closed-end investment company as a condition of declaring dividends on its common shares or stock) after deducting the amount of such dividend, distribution or purchase price, as the case may be.

(c) Other Restrictions on Dividends and Other Distributions. For so long as any AMPS are outstanding, and except as set forth in paragraph (a) of this Section 7 and paragraph (c) of Section 9 of this Part I,

(A) the Fund shall not declare, pay or set apart for payment any dividend or other distribution (other than a dividend or distribution paid in shares of, or in options, warrants or rights to subscribe for or purchase, Common Stock or other shares, if any, ranking junior to the AMPS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up) in respect of the Common Stock or any other shares of the Fund ranking junior to or on a parity with the AMPS as to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up, or call for redemption, redeem, purchase or otherwise acquire for consideration any Common Stock or any other such junior shares (except by conversion into or exchange for shares of the Fund ranking junior to the AMPS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up), or any such parity shares (except by conversion into or exchange for shares of the Fund ranking junior to or on a parity with AMPS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up), unless (i) full cumulative dividends on shares of each series of AMPS through its most recently ended Dividend Period shall have been paid or shall have been declared and sufficient funds for the payment thereof deposited with the Auction Agent and (ii) the Fund has redeemed the full number of AMPS required to be redeemed by any provision for mandatory redemption pertaining thereto, and

(B) the Fund shall not declare, pay or set apart for payment any dividend or other distribution (other than a dividend or distribution paid in shares of, or in options, warrants or rights to subscribe for or purchase, Common Stock or other shares, if any, ranking junior to AMPS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up) in respect of Common Stock or any other shares of the Fund ranking junior to AMPS as to the

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

payment of dividends or the distribution of assets upon dissolution, liquidation or winding up, or call for redemption, redeem, purchase or otherwise acquire for consideration any Common Stock or any other such junior shares (except by conversion into or exchange for shares of the Fund ranking junior to AMPS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up), unless immediately after such transaction the Discounted Value of Moody's Eligible Assets (if Moody's is then rating the AMPS) and S&P Eligible Assets (if S&P is then rating the AMPS) would at least equal the Preferred Stock Basic Maintenance Amount.

8. RATING AGENCY RESTRICTIONS.

(a) Moody's Restrictions. For so long as any shares of AMPS are rated by Moody's, the Fund may buy or sell option contracts or write call options on portfolio securities, swaps and securities lending, however if the Fund intends to buy or sell financial futures contracts, write, purchase or sell call options on financial futures contracts or purchase put options on financial futures contracts, it must receive written confirmation from Moody's to engage in such transactions as they could impair the ratings then assigned to the shares of AMPS by Moody's, (collectively "Moody's Hedging Transactions"), subject to the following limitations:

(i) Future And Call Options: For purposes of the Preferred Stock Basic Maintenance Amount, futures held by the Fund and call options sold by the Fund shall not be included as Moody's Eligible Assets. Likewise, assets held in segregated accounts, including assets used to cover good faith margin deposits and maximum daily variation payments, in connection with such futures and any uncovered call options shall not be included as Moody's Eligible Assets. For call options purchased by the Fund, the Market Value of the call options will be included as Moody's Eligible Asset subject to a Moody's Discount Factor mutually agreed to between the Fund and Moody's.

(ii) Securities Lending: The Fund may engage in securities lending in an amount not to exceed 10% of the Fund's total gross assets or such other percentage as the Fund and Moody's may agree. For purposes of calculating the Preferred Stock Basic Maintenance Amount, such securities lent shall be included as Moody's Eligible Assets with the appropriate Moody's Discount Factor applied to each such lent security. The obligation to return such collateral shall not be included as an obligation/liability for purposes of calculating the Preferred Stock Basic Maintenance Amount. Moreover, the Fund may reinvest cash collateral for securities lent in conformity with its investment objectives and policies and the provisions of these terms of the AMPS in securities that otherwise would qualify as Moody's Eligible Assets. As collateral for securities lent, the Fund also may receive securities that otherwise would qualify as Moody's Eligible Assets. In either such event, to the extent that the securities lending collateral constitutes Moody's Eligible Assets, if the value of such collateral exceeds, whether due to appreciation or otherwise, the value of the securities lent, in each case after applying the appropriate Moody's Discount Factor, such excess shall be included as a Moody's Eligible Asset. Conversely, if the discounted value of such securities lending collateral is less than the discounted value of the securities lent, such difference shall be included as an obligation/liability of the Fund for purposes of calculating the Preferred Stock Basic Maintenance Amount.

If not otherwise provided for in (a)(i)-(ii) above, derivative instruments shall be treated as follows: Any derivative instruments will be valued

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

pursuant to the Valuation Procedures on a Valuation Date. The amount of the net payment obligation and the cost of a closing transaction, as appropriate, on any derivative instrument on a Valuation Date will be counted as a liability for purposes of determining the Preferred Stock Basic Maintenance Amount. Any derivative instrument with respect to which the Fund is owed payment on the Valuation Date that is not based upon an individual security or securities that are Moody's Eligible Assets will either have a mutually agreed upon valuation by Moody's and the Fund for purposes of determining Moody's Eligible Assets or will be excluded from Moody's Eligible Assets. Any derivative instrument with respect to which the Fund is owed payment on the Valuation Date that is based upon an individual security or securities that are Moody's Eligible Assets (e.g., a purchased call option on a bond that is in-the-money) will be valued as follows for purposes of determining Moody's Eligible Assets: (A) For such derivative instruments that are exchange traded, the value of the in-the-money amount of the payment obligation to the Fund will be reduced by applying the Moody's Discount Factor (as it would apply to the underlying security or securities) and then added to Moody's Eligible Assets; and (B) for such derivative instruments that are not exchange traded, the value of the in-the-money amount of the payment obligation to the Fund will be (1) reduced as described in (A) and (2) further reduced by applying to the remaining amount the Moody's Discount Factor determined by reference to the credit rating of the derivative counterparty, with the remaining amount after these reductions then added to Moody's Eligible Assets.

For purposes of determining whether the Fund has Moody's Eligible Assets with an aggregate Discounted Value that equals or exceeds the Preferred Stock Basic Maintenance Amount, the Discounted Value of all Forward Commitments (defined below) to which the Fund is a party and of all securities deliverable to the Fund pursuant to such Forward Commitments shall be zero.

(iii) Exchange Traded Future, Etc. If the Fund purchases or sells any exchange-traded futures, option or option on futures contract based on an index approved by Moody's, it is subject to the following limitations (transactions that are terminating contracts already held by the Fund are exempt):

For financial futures contracts based on an index the total number of contracts purchased should not exceed 10% of the average open interest for the 30 days preceding the purchase of such transaction as reported by The Wall Street Journal or other respectable news source approved by Moody's;

Financial futures contracts based on an index approved by Moody's are limited to 80% of Moody's Eligible Assets or 50% of the Fund's holdings, whichever is greater; and

Financial futures contracts based on an index should be limited to clearinghouses that are rated no lower than A by Moody's (or, if not rated by Moody's but rated by S&P or Fitch, rated A by S&P or Fitch).

The Fund may engage in financial futures contracts to close out any outstanding financial futures contract based on any index approved by Moody's, if the average open interest for the 30 days preceding the transaction as reported by The Wall Street Journal or any other respectable news source approved by Moody's is equal to or greater than the amount to be closed as determined by Moody's and the Fund.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

The Fund will engage in a Closing Transaction (defined below) to close out any outstanding financial futures contract by no later than the fifth Business Day of the month in which such contract expires and will engage in a Closing Transaction to close out any outstanding option on a financial futures contract by no later than the first Business Day of the month in which such option expires;

The Fund will engage in Moody's Hedging Transactions only with respect to financial futures contracts or options thereon having the next settlement date or the settlement date immediately thereafter;

The Fund will not:

(A) Engage in options and futures transactions for leveraging or speculative purposes;

(B) Write any call option or sell any financial futures contracts for the purpose of hedging an anticipated purchase of an asset;

(C) Enter into an option or futures transaction unless Moody's has been notified of the Fund's intentions. In addition, the Fund must present to Moody's that it will continue to have Moody's Eligible Assets with an aggregate Discounted Value equal to or greater than the Preferred Stock Basic Maintenance Amount.

For purposes of determining whether the Fund has Moody's Eligible Assets with an aggregate Discounted Value that equals or exceeds the Preferred Stock Basic Maintenance Amount, the Discounted Value of Moody's Eligible Assets which the Fund is obligated to deliver to Moody's shall be as follows:

(A) The call option written by the Fund must be either exchange-traded and "readily reversible" or expires within 49 days after the date of valuation and should be valued at the lesser of:

(i) The Discounted Value, or

(ii) The exercise price of the call option written by the Fund;

(B) Assets subject to call options written by the Fund not meeting the requirements of clause (A) of this sentence shall have no value;

(C) Assets subject to put options written by the Fund shall be valued at the lesser of:

(i) The exercise price of the put option, or

(ii) The Discounted Value of the subject security; and

(D) Where delivery of a security or class of securities may be made to the Fund, it shall take delivery of the security or class of securities with the lowest Discounted Value.

(iv) Adjustments for Options and Futures Contracts. For purposes of determining whether the Fund has Moody's Eligible Assets with an aggregate Discounted Value that equals or exceeds the Preferred Stock Basic Maintenance Amount, the following amounts shall be subtracted from the aggregate Discounted Value of the Moody's Eligible Assets held by the Fund:

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

- (A) 10% of the exercise price of a written call option;
 - (B) The exercise price of any written put option;
 - (C) The settlement price of the underlying futures contract if the Fund writes put options on a futures contract; and
 - (D) 105% of the Market Value of the underlying futures contracts if the Fund writes call options on a futures contract and does not own the underlying contract.
- (v) Forward Commitments. For so long as any AMPS are rated by Moody's, the Fund may enter into contracts to purchase securities for a fixed price at a future date beyond customary settlement time ("Forward Commitments"), provided that:

(A) The Fund will maintain in a segregated account with its custodian cash, cash equivalents or short-term, fixed-income securities rated P-1, MTG-1, MIG-1, or Baa or higher by Moody's or, if not rated by Moody's, rated A1+/AA, SP-1+/AA, A or AA or higher by S&P, and maturing prior to the date of the Forward Commitment with a Market Value that equals or exceeds the amount of the Fund's obligations under any Forward Commitment to which it is from time to time a party or long-term fixed income securities with a Market Value that equals or exceeds the amount of the Fund's obligations under any Forward Commitment to which it is from time to time a party; and

(B) The Fund will not enter into a Forward Commitment unless, after giving effect thereto, the Fund would continue to have Moody's Eligible Assets with an aggregate Discounted Value equal to or greater than the Preferred Stock Basic Maintenance Amount.

For purposes of determining whether the Fund has Moody's Eligible Assets with an aggregate Discounted Value that equals or exceeds the Preferred Stock Basic Maintenance Amount, the Discounted Value of Forward Commitments will be calculated by applying the respective Moody's Discount Factor.

(b) Other Restrictions. For so long as shares of AMPS are rated by either Moody's or S&P, the Fund will not, unless it has received written confirmation from Moody's or S&P, as the case may be, that such action would not impair the ratings then assigned to shares of AMPS by Moody's or S&P, as the case may be:

(i) borrow money except for the purpose of clearing transactions in portfolio securities (which borrowings shall under any circumstances be limited to the lesser of \$10 million and an amount equal to 5% of the Market Value of the Fund's assets at the time of such borrowings and which borrowings shall be repaid within 60 days and not be extended or renewed and shall not cause the aggregate Discounted Value of Moody's Eligible Assets to be less than the Preferred Stock Basic Maintenance Amount),

(ii) engage in short sales of securities;

(iii) issue any class or series of stock ranking prior to or on a parity with the AMPS with respect to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up of

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

the Fund;

(iv) reissue any AMPS previously purchased or redeemed by the Fund;

(v) merge or consolidate into or with any other investment company or entity;

(vi) change the Pricing Service; or

(vii) engage in reverse repurchase agreements.

9. REDEMPTION.

(a) Optional Redemption.

(i) To the extent permitted under the 1940 Act and Maryland law, the Fund at its option may, without the consent of the Holders of AMPS, redeem AMPS having a Dividend Period of one year or less, in whole or in part, on the business day after the last day of such Dividend Period upon not less than fifteen calendar days' and not more than forty calendar days' prior notice. The optional redemption price per share will be the Liquidation Preference per share, plus an amount equal to accumulated but unpaid Dividends thereon (whether or not earned or declared) to the date fixed for redemption. AMPS having a Dividend Period of more than one year are redeemable at the option of the Fund, in whole or in part, prior to the end of the relevant Dividend Period, subject to any specific redemption provision, which may include the payment of redemption premiums to the extent required under any applicable specific redemption provisions. The Fund will not make any optional redemption unless, after giving effect thereto (i) the Fund has available certain Deposit Securities with maturities or tender dates not later than the day preceding the applicable Redemption Date and having a value not less than the amount (including any applicable premium) due to holders of the AMPS by reasons of the redemption of the AMPS on such date fixed for the redemption and (ii) the Fund has eligible assets with an aggregate discounted value at least equal to the Preferred Stock Basic Maintenance Amount. Notwithstanding the foregoing, AMPS may not be redeemed at the option of the Fund unless all dividends in arrears on the outstanding AMPS, and all other shares of outstanding Preferred Stock have been or are being contemporaneously paid or set aside for payment. A Notice of Special Dividend Period relating to a Special Dividend Period of shares of a series of AMPS, as delivered to the Auction Agent and filed with the Secretary of the Fund, may provide that shares of such series shall not be redeemable during the whole or any part of such Special Dividend Period or shall be redeemable during the whole or any part of such Special Dividend Period only upon payment of such redemption premium or premiums as shall be specified therein ("Special Redemption Provisions").

(ii) If fewer than all of the outstanding shares of a series of AMPS are to be redeemed pursuant to subparagraph (i) of this paragraph (a), the number of shares of such series to be redeemed shall be determined by the Board of Directors, and such shares shall be redeemed pro rata from the Holders of shares of such series in proportion to the number of shares of such series held by such Holders.

(iii) The Fund may not on any date mail a Notice of Redemption pursuant to paragraph (c) of this Section 9 in respect of a redemption

contemplated to be effected pursuant to this paragraph (a) unless on such date (A) the Fund has available Deposit Securities with maturity or tender dates not later than the day preceding the applicable redemption date and having a value not less than the amount (including any applicable premium) due to Holders of AMPS by reason of the redemption of such shares on such redemption date, and (B) the Discounted Value of Moody's Eligible Assets (if Moody's is then rating the AMPS) and S&P Eligible Assets (if S&P is then rating the AMPS) each at least equals the Preferred Stock Basic Maintenance Amount, and would at least equal the Preferred Stock Basic Maintenance Amount immediately subsequent to such redemption if such redemption were to occur on such date. For purposes of determining in clause (B) of the preceding sentence whether the Discounted Value of Moody's Eligible Assets at least equals the Preferred Stock Basic Maintenance Amount, the Moody's Discount Factors applicable to Moody's Eligible Assets shall be determined by reference to the first Exposure Period longer than the Exposure Period then applicable to the Fund, as described in the definition of Moody's Discount Factor herein.

(b) Mandatory Redemption. The Fund shall redeem, at a redemption price equal to \$100,000 per share plus accumulated but unpaid dividends thereon (whether or not earned or declared) to (but not including) the date fixed by the Board of Directors for redemption, certain of the AMPS, if the Fund fails to have either Moody's Eligible Assets or S&P Eligible Assets with a Discounted Value greater than or equal to the Preferred Stock Basic Maintenance Amount or fails to maintain the 1940 Act Preferred Share Asset Coverage, in accordance with the requirements of the Rating Agencies then rating the AMPS, and such failure is not cured on or before the Preferred Stock Basic Maintenance Cure Date or the 1940 Act Cure Date, as the case may be. The number of AMPS to be redeemed shall be equal to the lesser of (i) the minimum number of AMPS, together with all other Preferred Stock subject to redemption or retirement, the redemption of which, if deemed to have occurred immediately prior to the opening of business on the Cure Date, would have resulted in the Fund's having Moody's Eligible Assets and S&P Eligible Assets with a Discounted Value greater than or equal to the Preferred Stock Basic Maintenance Amount or maintaining the 1940 Act Preferred Stock Asset Coverage, as the case may be, on such Cure Date (provided, however, that if there is no such minimum number of AMPS and other Preferred Stock the redemption or retirement of which would have had such result, all AMPS and other Preferred Stock then outstanding shall be redeemed), and (ii) the maximum number of AMPS, together with all other Preferred Stock subject to redemption or retirement, that can be redeemed out of funds otherwise legally available therefor in accordance with the Charter and applicable law. In determining the AMPS required to be redeemed in accordance with the foregoing, the Fund shall allocate the number required to be redeemed to satisfy the Preferred Stock Basic Maintenance Amount or the 1940 Act Preferred Share Asset Coverage, as the case may be, pro rata among AMPS and other Preferred Stock (and, then, pro rata among each series of AMPS) subject to redemption or retirement. The Fund shall effect such redemption on the date fixed by the Fund therefor, which date shall not be earlier than twenty days nor later than forty days after such Cure Date, except that if the Fund does not have funds legally available for the redemption of all of the required number of the AMPS and other Preferred Stock which are subject to redemption or retirement or the Fund otherwise is unable to effect such redemption on or prior to forty days after such Cure Date, the Fund shall redeem those AMPS and other Preferred Stock which it was unable to redeem on the earliest practicable date on which it is able to effect such redemption. If fewer than all of the outstanding shares of a series of AMPS are to be redeemed pursuant to this paragraph (b), the shares of such series to be redeemed shall be selected by lot or such other method that the Fund deems fair and equitable.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

(c) Notice of Redemption. If the Fund determines or is required to redeem shares of a series of AMPS pursuant to paragraph (a) or (b) of this Section 9, it shall mail a Notice of Redemption with respect to such redemption by first-class mail, postage prepaid, to each Holder of the shares of such series to be redeemed, at such Holder's address as the same appears on the Share Books on the record date established by the Board of Directors and to the Auction Agent. Such Notice of Redemption shall be so mailed not less than fifteen nor more than forty days prior to the date fixed for redemption. Each such Notice of Redemption shall state: (i) the redemption date; (ii) the number of AMPS to be redeemed and the series thereof; (iii) the CUSIP number for shares of such series; (iv) the Redemption Price; (v) the place or places where the certificate(s) for such shares (properly endorsed or assigned for transfer, if the Board of Directors shall so require and the Notice of Redemption shall so state) are to be surrendered for payment of the Redemption Price; (vi) that dividends on the shares to be redeemed will cease to accumulate on such redemption date; (vii) that the Holders of any shares of a series of AMPS being so redeemed shall not participate in the Auction, if any, immediately preceding the redemption date; and (viii) the provisions of this Section 9 under which such redemption is made. If fewer than all shares of a series of AMPS held by any Holder are to be redeemed, the Notice of Redemption mailed to such Holder shall also specify the number of shares of such series to be redeemed from such Holder. The Fund may provide in any Notice of Redemption relating to a redemption contemplated to be effected pursuant to paragraph (a) of this Section 9 that such redemption is subject to one or more conditions precedent and that the Fund shall not be required to effect such redemption unless each such condition shall have been satisfied at the time or times and in the manner specified in such Notice of Redemption.

(d) No Redemption Under Certain Circumstances. Notwithstanding the provisions of paragraphs (a) or (b) of this Section 9, if any dividends on shares of a series of AMPS (whether or not earned or declared) are in arrears, no shares of such series shall be redeemed unless all outstanding shares of such Series are simultaneously redeemed, and the Fund shall not purchase or otherwise acquire any shares of such series; provided, however, that the foregoing shall not prevent the purchase or acquisition of all outstanding shares of such series pursuant to the successful completion of an otherwise lawful purchase or exchange offer made on the same terms to, and accepted by, Holders of all outstanding shares of such series.

(e) Absence of Funds Available for Redemption. To the extent that any redemption for which Notice of Redemption has been mailed is not made by reason of the absence of legally available funds therefor in accordance with the Charter and applicable law, such redemption shall be made as soon as practicable to the extent such funds become available. Failure to redeem AMPS shall be deemed to exist at any time after the date specified for redemption in a Notice of Redemption when the Fund shall have failed, for any reason whatsoever, to deposit in trust with the Auction Agent the Redemption Price with respect to any shares for which such Notice of Redemption has been mailed; provided, however, that the foregoing shall not apply in the case of the Fund's failure to deposit in trust with the Auction Agent the Redemption Price with respect to any shares where (1) the Notice of Redemption relating to such redemption provided that such redemption was subject to one or more conditions precedent and (2) any such condition precedent shall not have been satisfied at the time or times and in the manner specified in such Notice of Redemption. Notwithstanding the fact that the Fund may not have redeemed AMPS for which a Notice of Redemption has been mailed, dividends may be declared and paid on AMPS and shall include those AMPS for which a Notice of Redemption has been mailed.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

(f) Auction Agent as Trustee of Redemption Payments by Trust. All moneys paid to the Auction Agent for payment of the Redemption Price of AMPS called for redemption shall be held in trust by the Auction Agent for the benefit of Holders of shares so to be redeemed.

(g) Shares for Which Notice of Redemption Has Been Given Are no Longer Outstanding. Provided a Notice of Redemption has been mailed pursuant to paragraph (c) of this Section 9, upon the deposit with the Auction Agent (on the Business Day next preceding the date fixed for redemption thereby, in funds available on the next Business Day in The City of New York, New York) of funds sufficient to redeem the AMPS that are the subject of such notice, dividends on such shares shall cease to accumulate and such shares shall no longer be deemed to be outstanding for any purpose, and all rights of the Holders of the shares so called for redemption shall cease and terminate, except the right of such Holders to receive the Redemption Price, but without any interest or other additional amount, except as provided in subparagraph (e)(i) of Section 2 of this Part I. The Auction Agent shall pay the Redemption Price to the Holders of AMPS subject to redemption upon surrender of the certificates for the shares (properly endorsed or assigned for transfer, if the Board of Directors shall so require and the Notice of Redemption shall so state) to be redeemed in accordance with the Notice of Redemption. In the case that fewer than all of the shares represented by any such certificate are redeemed, a new certificate shall be issued, representing the unredeemed shares, without cost to the Holder thereof. The Fund shall be entitled to receive from the Auction Agent, promptly after the date fixed for redemption, any cash deposited with the Auction Agent in excess of (i) the aggregate Redemption Price of the AMPS called for redemption on such date and (ii) all other amounts to which Holders of AMPS called for redemption may be entitled. Any funds so deposited that are unclaimed at the end of ninety days from such redemption date shall, to the extent permitted by law, be repaid to the Fund, after which time the Holders of AMPS so called for redemption may look only to the Fund for payment of the Redemption Price and all other amounts to which they may be entitled.

(h) Compliance with Applicable Law. In effecting any redemption pursuant to this Section 9, the Fund shall effect no redemption except in accordance with the 1940 Act and any applicable Maryland law.

(i) Only Whole AMPS May be Redeemed. In the case of any redemption pursuant to this Section 9, only whole AMPS shall be redeemed, and in the event that any provision of the Charter would require redemption of a fractional share, the Auction Agent shall be authorized to round up so that only whole shares are redeemed.

(j) Modification of Redemption Procedures. Notwithstanding any of the foregoing provisions of this Section 9, the Fund may modify any or all of the requirements relating to the Notice of Redemption without the consent of the Holders of the AMPS or holders of Common Stock, provided that (i) any such modification does not materially and adversely affect any Holder of the relevant series of AMPS, and (ii) the Fund receives written notice from Moody's (if Moody's is then rating the AMPS) and S&P (if S&P is then rating the AMPS) that such modification would not impair the ratings assigned by Moody's and S&P to shares of AMPS.

10. LIQUIDATION RIGHTS.

(a) Ranking. The shares of a series of AMPS shall rank on a parity with each other, with shares of any other series of Preferred Stock and with shares of any other series of AMPS as to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

(b) Distributions Upon Liquidation. Upon the dissolution, liquidation or winding up of the affairs of the Fund, whether voluntary or involuntary, the Holders of AMPS then outstanding shall be entitled to receive and to be paid out of the assets of the Fund available for distribution to its stockholders, before any payment or distribution shall be made on the Common Stock or on any other class of shares of the Fund ranking junior to the AMPS upon dissolution, liquidation or winding up, an amount equal to the Liquidation Preference with respect to such shares plus an amount equal to all dividends thereon (whether or not earned or declared) accumulated but unpaid to (but not including) the date of final distribution in same day funds. After the payment to the Holders of the AMPS of the full preferential amounts provided for in this paragraph (b), the Holders of AMPS as such shall have no right or claim to any of the remaining assets of the Fund.

(c) Pro Rata Distributions. In the event the assets of the Fund available for distribution to the Holders of AMPS upon any dissolution, liquidation, or winding up of the affairs of the Fund, whether voluntary or involuntary, shall be insufficient to pay in full all amounts to which such Holders are entitled pursuant to paragraph (b) of this Section 10, no such distribution shall be made on account of any shares of any other class or series of Preferred Stock ranking on a parity with the AMPS with respect to the distribution of assets upon such dissolution, liquidation or winding up unless proportionate distributive amounts shall be paid on account of the AMPS, ratably, in proportion to the full distributable amounts for which holders of all such parity shares are respectively entitled upon such dissolution, liquidation or winding up.

(d) Rights of Junior Shares. Subject to the rights of the holders of shares of any series or class or classes of shares ranking on a parity with the AMPS with respect to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, after payment shall have been made in full to the Holders of the AMPS as provided in paragraph (b) of this Section 10, but not prior thereto, any other series or class or classes of shares ranking junior to the AMPS with respect to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund shall, subject to the respective terms and provisions (if any) applying thereto, be entitled to receive any and all assets remaining to be paid or distributed, and the Holders of the AMPS shall not be entitled to share therein.

(e) Certain Events Not Constituting Liquidation. Neither the sale of all or substantially all the property or business of the Fund, nor the merger or consolidation of the Fund into or with any business trust or corporation nor the merger or consolidation of any business trust or corporation into or with the Fund shall be a dissolution, liquidation or winding up, whether voluntary or involuntary, for the purposes of this Section 10.

(f) Liquidation Preference Opt-Out. In determining whether a distribution (other than upon voluntary or involuntary dissolution) by dividend, redemption or other acquisition of shares of stock of the Fund or otherwise is permitted under the Maryland General Corporation Law, amounts that would be needed, if the Fund were to be dissolved at the time of the distribution, to satisfy the preferential rights upon dissolution of the Holders of the AMPS will not be added to the Fund's total liabilities.

11. MISCELLANEOUS.

(a) Modification of Terms. Subject to the provisions of these terms of

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

the AMPS, the Board of Directors may, without stockholder approval (except as otherwise provided by these terms of the AMPS or required by applicable law), modify these terms of the AMPS to reflect any change hereto which the Board of Directors is entitled to adopt pursuant to the terms of Section 4 hereof, this Section 11 or otherwise without stockholder approval.

(b) No Fractional Shares. No fractional shares of AMPS shall be issued.

(c) Status of AMPS Redeemed, Exchanged or Otherwise Acquired by the Fund. AMPS which are redeemed, exchanged or otherwise acquired by the Fund shall return to the status of authorized and unissued shares of Preferred Stock without further designation as to class or series.

(d) Board May Resolve Ambiguities. To the extent permitted by applicable law, the Board of Directors may modify, interpret or adjust the provisions of these terms of the AMPS to resolve any inconsistency or ambiguity or to remedy any formal defect, and may amend these terms of the AMPS with respect to any series of AMPS prior to the issuance of shares of such series.

(e) Headings Not Determinative. The headings contained in these terms of the AMPS are for convenience of reference only and shall not affect the meaning or interpretation hereof.

(f) Notices. All notices or communications, unless otherwise specified in the By-Laws of the Fund or these terms of the AMPS, shall be sufficiently given if in writing and delivered in person or mailed by first-class mail, postage prepaid.

(g) Certificate for AMPS. Except as may be otherwise provided by the Board of Directors, and subject to Section 7 of Part II of these terms of the AMPS, Holders of the AMPS are not entitled to certificates representing the shares of stock held by them.

PART II

1. ORDERS.

(a) Prior to the Submission Deadline on each Auction Date for shares of a series of AMPS:

(i) each Beneficial Owner of shares of such series may submit to its Broker-Dealer by telephone or otherwise information as to:

(A) the number of Outstanding shares, if any, of such series held by such Beneficial Owner which such Beneficial Owner desires to continue to hold without regard to the Applicable Rate for shares of such series for the next succeeding Dividend Period of such shares;

(B) the number of Outstanding shares, if any, of such series to be purchased or held by such Beneficial Owner, if the Applicable Rate for shares of such series for the next Dividend Period is not less than the rate specified in the bid, which shares such Beneficial Owner shall be deemed to offer to sell if the Applicable Rate for shares of such series for the next succeeding Dividend Period of shares of such series shall be less than the rate per annum specified by such Beneficial Owner; and/or

(C) the number of Outstanding shares, if any, of such series

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

held by such Beneficial Owner which such Beneficial Owner offers to sell without regard to the Applicable Rate for shares of such series for the next succeeding Dividend Period of shares of such series; and

(ii) one or more Broker-Dealers, using lists of Potential Beneficial Owners, shall in good faith for the purpose of conducting a competitive Auction in a commercially reasonable manner, contact Potential Beneficial Owners (by telephone or otherwise), including Persons that are not Beneficial Owners, on such lists to determine the number of shares, if any, of such series which each such Potential Beneficial Owner offers to purchase if the Applicable Rate for shares of such series for the next succeeding Dividend Period of shares of such series shall not be less than the rate per annum specified by such Potential Beneficial Owner.

For the purposes hereof, the communication by a Beneficial Owner or Potential Beneficial Owner to a Broker-Dealer, or by a Broker-Dealer to the Auction Agent, of information referred to in clause (i) (A), (i) (B), (i) (C) or (ii) of this paragraph (a) is hereinafter referred to as an "Order" and collectively as "Orders" and each Beneficial Owner and each Potential Beneficial Owner placing an Order with a Broker-Dealer, and such Broker-Dealer placing an order with the Auction Agent, is hereinafter referred to as a "Bidder" and collectively as "Bidders"; an Order containing the information referred to in clause (i) (A) of this paragraph (a) is hereinafter referred to as a "Hold Order" and collectively as "Hold Orders"; an Order containing the information referred to in clause (i) (B) or (ii) of this paragraph (a) is hereinafter referred to as a "Bid" and collectively as "Bids"; and an Order containing the information referred to in clause (i) (C) of this paragraph (a) is hereinafter referred to as a "Sell Order" and collectively as "Sell Orders."

(b) Bidding and Selling.

(i) A Bid by a Beneficial Owner or an Existing Holder of shares of a series of AMPS subject to an Auction on any Auction Date shall constitute an irrevocable offer to sell:

(A) the number of Outstanding shares of such series specified in such Bid if the Applicable Rate for shares of such series determined on such Auction Date shall be less than the rate specified therein;

(B) such number or a lesser number of Outstanding shares of such series to be determined as set forth in clause (iv) of paragraph (a) of Section 4 of this Part II if the Applicable Rate for shares of such series determined on such Auction Date shall be equal to the rate specified therein; or

(C) the number of Outstanding shares of such series specified in such Bid if the rate specified therein shall be higher than the Maximum Applicable Rate for shares of such series, or such number or a lesser number of Outstanding shares of such series to be determined as set forth in clause (iii) of paragraph (b) of Section 4 of this Part II if the rate specified therein shall be higher than the Maximum Applicable Rate for shares of such Series and Sufficient Clearing Bids for shares of such series do not exist.

(ii) A Sell Order by a Beneficial Owner or an Existing Holder of shares of a series of AMPS subject to an Auction on any Auction Date shall constitute an irrevocable offer to sell:

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

(A) the number of Outstanding shares of such series specified in such Sell Order; or

(B) such number or a lesser number of Outstanding shares of such series as set forth in clause (iii) of paragraph (b) of Section 4 of this Part II if Sufficient Clearing Bids for shares of such series do not exist; provided, however, that a Broker-Dealer that is an Existing Holder with respect to shares of a series of AMPS shall not be liable to any Person for failing to sell such shares pursuant to a Sell Order described in the proviso to paragraph (c) of Section 2 of this Part II if (1) such shares were transferred by the Beneficial Owner thereof without compliance by such Beneficial Owner or its transferee Broker-Dealer (or other transferee person, if permitted by the Fund) with the provisions of Section 6 of this Part II or (2) such Broker-Dealer has informed the Auction Agent pursuant to the terms of its Broker-Dealer Agreement that, according to such Broker-Dealer's records, such Broker Dealer believes it is not the Existing Holder of such shares.

(iii) A Bid by a Potential Beneficial Holder or a Potential Holder of shares of a series of AMPS subject to an Auction on any Auction Date shall constitute an irrevocable offer to purchase:

(A) the number of Outstanding shares of such series specified in such Bid if the Applicable Rate for shares of such series determined on such Auction Date shall be higher than the rate specified therein; or

(B) such number or a lesser number of Outstanding shares of such Series as set forth in clause (v) of paragraph (a) of Section 4 of this Part II if the Applicable Rate for shares of such series determined on such Auction Date shall be equal to the rate specified therein.

(c) No Order for any number of AMPS other than whole shares shall be valid.

2. SUBMISSION OF ORDERS BY BROKER-DEALERS TO AUCTION AGENT.

(a) Each Broker-Dealer shall submit in writing to the Auction Agent prior to the Submission Deadline on each Auction Date all Orders for AMPS of a series subject to an Auction on such Auction Date obtained by such Broker-Dealer, designating itself (unless otherwise permitted by the Fund) as an Existing Holder in respect of shares subject to Orders submitted or deemed submitted to it by Beneficial Owners and as a Potential Holder in respect of shares subject to Orders submitted to it by Potential Beneficial Owners, and shall specify with respect to each Order for such shares:

(i) the name of the Bidder placing such Order (which shall be the Broker-Dealer unless otherwise permitted by the Fund);

(ii) the aggregate number of shares of such series that are the subject of such Order;

(iii) to the extent that such Bidder is an Existing Holder of shares of such series:

(A) the number of shares, if any, of such series subject to any Hold Order of such Existing Holder;

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

(B) the number of shares, if any, of such series subject to any Bid of such Existing Holder and the rate specified in such Bid; and

(C) the number of shares, if any, of such series subject to any Sell Order of such Existing Holder; and

(iv) to the extent such Bidder is a Potential Holder of shares of such series, the rate and number of shares of such series specified in such Potential Holder's Bid.

(b) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth (.001) of 1%.

(c) If an Order or Orders covering all of the outstanding AMPS of a series held by any Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted by or on behalf of such Existing Holder covering the number of Outstanding shares of such series held by such Existing Holder and not subject to Orders submitted to the Auction Agent; provided, however, that if an Order or Orders covering all of the Outstanding shares of such series held by any Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline for an Auction relating to a Special Dividend Period consisting of more than ninety-one days, the Auction Agent shall deem a Sell Order to have been submitted by or on behalf of such Existing Holder covering the number of outstanding shares of such series held by such Existing Holder and not subject to Orders submitted to the Auction Agent.

(d) If one or more Orders of an Existing Holder is submitted to the Auction Agent covering in the aggregate more than the number of Outstanding AMPS of a series subject to an Auction held by such Existing Holder, such Orders shall be considered valid in the following order of priority:

(i) all Hold Orders for shares of such series shall be considered valid, but only up to and including in the aggregate the number of Outstanding shares of such series held by such Existing Holder, and if the number of shares of such series subject to such Hold Orders exceeds the number of Outstanding shares of such series held by such Existing Holder, the number of shares subject to each such Hold Order shall be reduced pro rata to cover the number of Outstanding shares of such series held by such Existing Holder;

(ii) (A) any Bid for shares of such series shall be considered valid up to and including the excess of the number of Outstanding shares of such series held by such Existing Holder over the number of shares of such series subject to any Hold Orders referred to in clause (i) above;

(B) subject to subclause (A), if more than one Bid of an Existing Holder for shares of such series is submitted to the Auction Agent with the same rate and the number of Outstanding shares of such series subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess, and the number of shares of such series subject to each Bid with the same rate shall be reduced pro rata to cover the number of shares of such series equal to such excess;

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

(C) subject to subclauses (A) and (B), if more than one Bid of an Existing Holder for shares of such series is submitted to the Auction Agent with different rates, such Bids shall be considered valid in the ascending order of their respective rates up to and including the amount of such excess; and

(D) in any such event, the number, if any, of such Outstanding shares of such series subject to any portion of Bids considered not valid in whole or in part under this clause (ii) shall be treated as the subject of a Bid for shares of such Series by or on behalf of a Potential Holder at the rate therein specified; and

(iii) all Sell Orders for shares of such series shall be considered valid up to and including the excess of the number of Outstanding shares of such series held by such Existing Holder over the sum of shares of such series subject to valid Hold Orders referred to in clause (i) above and valid Bids referred to in clause (ii) above.

(e) If more than one Bid for one or more shares of a series of AMPS is submitted to the Auction Agent by or on behalf of any Potential Holder, each such Bid submitted shall be a separate Bid with the rate and number of shares therein specified.

(f) Any Order submitted by a Beneficial Owner or a Potential Beneficial Owner to its Broker-Dealer, or by a Broker-Dealer to the Auction Agent, prior to the Submission Deadline on any Auction Date, shall be irrevocable.

3. DETERMINATION OF SUFFICIENT CLEARING BIDS, WINNING BIDS RATE AND APPLICABLE RATE.

(a) Not earlier than the Submission Deadline on each Auction Date for shares of a series of AMPS, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers in respect of shares of such series (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to individually as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, or as a "Submitted Order" and collectively as "Submitted Hold Orders," "Submitted Bids" or "Submitted Sell Orders," as the case may be, or as "Submitted Orders") and shall determine for such series:

(i) the excess of the number of Outstanding shares of such series over the number of Outstanding shares of such series subject to Submitted Hold Orders (such excess being hereinafter referred to as the "Available AMPS" of such series);

(ii) from the Submitted Orders for shares of such series whether:

(A) the number of Outstanding shares of such series subject to Submitted Bids of Potential Holders specifying one or more rates equal to or lower than the Maximum Applicable Rate for shares of such series; exceeds or is equal to the sum of;

(B) the number of Outstanding shares of such series subject to Submitted Bids of Existing Holders specifying one or more rates higher than the Maximum Applicable Rate for shares of such series; and

(C) the number of Outstanding shares of such series subject

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

to Submitted Sell Orders (in the event such excess or such equality exists (other than because the number of shares of such series in subclauses (B) and (C) above is zero because all of the Outstanding shares of such series are subject to Submitted Hold Orders), such Submitted Bids in subclause (A) above being hereinafter referred to collectively as "Sufficient Clearing Bids" for shares of such series); and

(iii) if Sufficient Clearing Bids for shares of such series exist, the lowest rate specified in such Submitted Bids (the "Winning Bid Rate" for shares of such series) which if:

(A) (I) each such Submitted Bid of Existing Holders specifying such lowest rate and (II) all other such Submitted Bids of Existing Holders specifying lower rates were rejected, thus entitling such Existing Holders to continue to hold the shares of such series that are subject to such Submitted Bids; and

(B) (I) each such Submitted Bid of Potential Holders specifying such lowest rate and (II) all other such Submitted Bids of Potential Holders specifying lower rates were accepted; would result in such Existing Holders described in subclause (A) above continuing to hold an aggregate number of Outstanding shares of such series which, when added to the number of Outstanding shares of such series to be purchased by such Potential Holders described in subclause (B) above, would equal not less than the Available AMPS of such series.

(b) Promptly after the Auction Agent has made the determinations pursuant to paragraph (a) of this Section 3, the Auction Agent shall advise the Fund of the Maximum Applicable Rate for shares of the series of AMPS for which an Auction is being held on the Auction Date and, based on such determination the Applicable Rate for shares of such series for the next succeeding Dividend Period thereof as follows:

(i) if Sufficient Clearing Bids for shares of such series exist, that the Applicable Rate for all shares of such series for the next succeeding Dividend Period thereof shall be equal to the Winning Bid Rate for shares of such series so determined;

(ii) if Sufficient Clearing Bids for shares of such series do not exist (other than because all of the Outstanding shares of such series are subject to Submitted Hold Orders), that the Applicable Rate for all shares of such series for the next succeeding Dividend Period thereof shall be equal to the Maximum Applicable Rate for shares of such series; or

(iii) if all of the Outstanding shares of such series are subject to Submitted Hold Orders, then the Dividend Period to which such Auction relates shall be a Minimum Dividend Period and the Applicable Rate for all shares of such series for the next succeeding Dividend Period thereof shall be 90% of the applicable Reference Rate on such Auction Date.

4. ACCEPTANCE AND REJECTION OF SUBMITTED BIDS AND SUBMITTED SELL ORDERS AND ALLOCATION OF SHARES.

Existing Holders shall continue to hold the AMPS that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to paragraph (a) of Section 3 of this Part II, the Submitted Bids and Submitted Sell Orders shall be accepted or rejected by the Auction Agent and the Auction Agent shall take such

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

other action as set forth below:

(a) If Sufficient Clearing Bids for shares of a series of AMPS have been made, all Submitted Sell Orders with respect to shares of such series shall be accepted and, subject to the provisions of paragraphs (d) and (e) of this section 4, Submitted Bids with respect to shares of such series shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids with respect to shares of such series shall be rejected:

(i) Existing Holders' Submitted Bids for shares of such series specifying any rate that is higher than the Winning Bid Rate for shares of such series shall be accepted, thus requiring each such Existing Holder to sell the AMPS subject to such Submitted Bids;

(ii) Existing Holders' Submitted Bids for shares of such series specifying any rate that is lower than the Winning Bid Rate for shares of such series shall be rejected, thus entitling each such Existing Holder to continue to hold the AMPS subject to such Submitted Bids;

(iii) Potential Holders' Submitted Bids for shares of such series specifying any rate that is lower than the Winning Bid Rate for shares of such series shall be accepted;

(iv) each Existing Holder's Submitted Bid for shares of such series specifying a rate that is equal to the Winning Bid Rate for shares of such series shall be rejected, thus entitling such Existing Holder to continue to hold the AMPS subject to such Submitted Bid, unless the number of Outstanding AMPS subject to all such Submitted Bids shall be greater than the number of AMPS ("remaining shares") in the excess of the Available AMPS of such series over the number of AMPS subject to Submitted Bids described in clauses (ii) and (iii) of this paragraph (a), in which event such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold AMPS subject to such Submitted Bid, but only in an amount equal to the number of AMPS of such series obtained by multiplying the number of remaining shares by a fraction, the numerator of which shall be the number of Outstanding AMPS held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the aggregate number of Outstanding AMPS subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate for shares of such series; and

(v) each Potential Holder's Submitted Bid for shares of such series specifying a rate that is equal to the Winning Bid Rate for shares of such series shall be accepted but only in an amount equal to the number of shares of such series obtained by multiplying the number of shares in the excess of the Available AMPS of such series over the number of AMPS subject to Submitted Bids described in clauses (ii) through (iv) of this paragraph (a) by a fraction, the numerator of which shall be the number of Outstanding AMPS subject to such Submitted Bid and the denominator of which shall be the aggregate number of Outstanding AMPS subject to such Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate for shares of such series.

(b) If Sufficient Clearing Bids for shares of a series of AMPS have not been made (other than because all of the Outstanding shares of such series are subject to Submitted Hold Orders), subject to the provisions of paragraph (d) of this Section 4, Submitted Orders for shares of such series shall be accepted or rejected as follows in the following order of priority

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

and all other Submitted Bids for shares of such series shall be rejected:

(i) Existing Holders' Submitted Bids for shares of such series specifying any rate that is equal to or lower than the Maximum Applicable Rate for shares of such series shall be rejected, thus entitling such Existing Holders to continue to hold the AMPS subject to such Submitted Bids;

(ii) Potential Holders' Submitted Bids for shares of such series specifying any rate that is equal to or lower than the Maximum Applicable Rate for shares of such series shall be accepted; and

(iii) Each Existing Holder's Submitted Bid for shares of such series specifying any rate that is higher than the Maximum Applicable Rate for shares of such series and the Submitted Sell Orders for shares of such series of each Existing Holder shall be accepted, thus entitling each Existing Holder that submitted or on whose behalf was submitted any such Submitted Bid or Submitted Sell Order to sell the shares of such series subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the number of shares of such series obtained by multiplying the number of shares of such series subject to Submitted Bids described in clause (ii) of this paragraph (b) by a fraction, the numerator of which shall be the number of Outstanding shares of such series held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate number of Outstanding shares of such series subject to all such Submitted Bids and Submitted Sell Orders.

(c) If all of the Outstanding shares of a series of AMPS are subject to Submitted Hold Orders, all Submitted Bids for shares of such series shall be rejected.

(d) If, as a result of the procedures described in clause (iv) or (v) of paragraph (a) or clause (iii) of paragraph (b) of this Section 4, any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a fraction of a share of a series of AMPS on any Auction Date, the Auction Agent shall, in such manner as it shall determine in its sole discretion, round up or down the number of AMPS of such series to be purchased or sold by any Existing Holder or Potential Holder on such Auction Date as a result of such procedures so that the number of shares so purchased or sold by each Existing Holder or Potential Holder on such Auction Date shall be whole AMPS.

(e) If, as a result of the procedures described in clause (v) of paragraph (a) of this Section 4, any Potential Holder would be entitled or required to purchase less than a whole share of a series of AMPS on any Auction Date, the Auction Agent shall, in such manner as it shall determine in its sole discretion, allocate AMPS of such series for purchase among Potential Holders so that only whole shares of AMPS of such Series are purchased on such Auction Date as a result of such procedures by any Potential Holder, even if such allocation results in one or more Potential Holders not purchasing AMPS of such series on such Auction Date.

(f) Based on the results of each Auction for shares of a series of AMPS, the Auction Agent shall determine the aggregate number of shares of such series to be purchased and the aggregate number of shares of such series to be sold by Potential Holders and Existing Holders and, with respect to each Potential Holder and Existing Holder, to the extent that such aggregate number of shares to be purchased and such aggregate number

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

of shares to be sold differ, determine to which other Potential Holder(s) or Existing Holder(s) they shall deliver, or from which other Potential Holder(s) or Existing Holder(s) they shall receive, as the case may be, AMPS of such series. Notwithstanding any provision of the Auction Procedures to the contrary, in the event an Existing Holder or Beneficial Owner of a series of AMPS with respect to whom a Broker-Dealer submitted a Bid to the Auction Agent for such shares that was accepted in whole or in part, or submitted or is deemed to have submitted a Sell Order for such shares that was accepted in whole or in part, fails to instruct its Agent Member to deliver such shares against payment therefor, partial deliveries of AMPS that have been made in respect of Potential Holders' or Potential Beneficial Owners' submitted Bids for shares of such series that have been accepted in whole or in part shall constitute good delivery to such Potential Holders and Potential Beneficial Owners.

(g) None of the Fund, the Advisers, the Auction Agent nor any affiliate of any of them, shall have any responsibility or liability with respect to the failure of an Existing Holder, a Potential Holder, a Beneficial Owner, a Potential Beneficial Owner or its respective Agent Member to deliver AMPS of any series or to pay for AMPS of any series sold or purchased pursuant to the Auction Procedures or otherwise.

5. AUCTION AGENT. For so long as any AMPS are outstanding, the Auction Agent, duly appointed by the Fund to so act, shall be in each case a commercial bank, trust company or other financial institution independent of the Fund and its Affiliates (which however may engage or have engaged in business transactions with the Fund or its Affiliates) and at no time shall the Fund or any of its affiliates act as the Auction Agent in connection with the Auction Procedures. If the Auction Agent resigns or for any reason its appointment is terminated during any period that any AMPS are outstanding, the Board of Directors shall use its best efforts promptly thereafter to appoint another qualified commercial bank, trust company or financial institution to act as the Auction Agent. The Auction Agent's registry of Existing Holders of a series of AMPS shall be conclusive and binding on the Broker-Dealers. A Broker-Dealer may inquire of the Auction Agent between 3:00 p.m. on the Business Day preceding an Auction for a series of AMPS and 9:30 a.m. on the Auction Date for such Auction to ascertain the number of shares of such series in respect of which the Auction Agent has determined such Broker-Dealer to be an Existing Holder. If such Broker-Dealer believes it is the Existing Holder of fewer shares of such series than specified by the Auction Agent in response to such Broker-Dealer's inquiry, such Broker-Dealer may so inform the Auction Agent of that belief. Such Broker-Dealer shall not, in its capacity as Existing Holder of shares of such series, submit Orders in such Auction in respect of shares of such series covering in the aggregate more than the number of shares of such series specified by the Auction Agent in response to such Broker-Dealer's inquiry.

6. TRANSFER OF AMPS. Unless otherwise permitted by the Fund, a Beneficial Owner or an Existing Holder may sell, transfer or otherwise dispose of AMPS only in whole shares and only pursuant to a Bid or Sell Order placed with the Auction Agent in accordance with the procedures described in this Part II or to a Broker-Dealer; provided, however, that (a) a sale, transfer or other disposition of AMPS from a customer of a Broker-Dealer who is listed on the records of that Broker-Dealer as the holder of such shares to that Broker-Dealer or another customer of that Broker-Dealer shall not be deemed to be a sale, transfer or other disposition for purposes of this Section 6 if such Broker-Dealer remains the Existing Holder of the shares so sold, transferred or disposed of immediately after such sale, transfer or disposition and (b) in the case of all transfers other than pursuant to Auctions, the Broker-Dealer (or other Person, if permitted by the Fund) to whom such transfer is made shall advise the Auction Agent of such transfer.

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

7. GLOBAL CERTIFICATE. Prior to the commencement of a Voting Period, (i) all of the shares of a series of AMPS outstanding from time to time shall be represented by one global certificate registered in the name of the Securities Depository or its nominee and (ii) no registration of transfer of shares of a series of AMPS shall be made on the books of the Fund to any Person other than the Securities Depository or its nominee.

8. FORCE MAJEURE.

(a) Notwithstanding anything else set forth herein, if an Auction Date is not a Business Day because the New York Stock Exchange is closed for business due to an act of God, natural disaster, act of war, civil or military disturbance, act of terrorism, sabotage, riots or a loss or malfunction of utilities or communications services or the Auction Agent is not able to conduct an Auction in accordance with the Auction Procedures for any such reason, then the Auction Rate for the next Dividend Period shall be the Auction Rate determined on the previous Auction Date.

(b) Notwithstanding anything else set forth herein, if a Dividend Payment Date is not a Business Day because the New York Stock Exchange is closed for business due to an act of God, natural disaster, act of war, civil or military disturbance, act of terrorism, sabotage, riots or a loss or malfunction of utilities or communications services or the dividend payable on such date can not be paid for any such reason, then:

(i) the Dividend Payment Date for the affected Dividend Period shall be the next Business Day on which the Fund and its paying agent, if any, are able to cause the dividend to be paid using their reasonable best efforts;

(ii) the affected Dividend Period shall end on the day it would have ended had such event not occurred and the Dividend Payment Date had remained the scheduled date; and

(iii) the next Dividend Period will begin and end on the dates on which it would have begun and ended had such event not occurred and the Dividend Payment Date remained the scheduled date.

SECOND: The foregoing amendments to the Charter were declared advisable by the Board of Directors of the Corporation and approved by the stockholders entitled to vote on the matter.

(ii) in the case of a Broker-Dealer that is a Seller's Broker-Dealer, instruct each Beneficial Owner on whose behalf such Broker-Dealer submitted a Sell Order that was accepted, in whole or in part, or a Bid that was accepted, in whole or in part, to instruct such Beneficial Owner's Agent Member to deliver to such Broker-Dealer (or its Agent Member) through the Securities Depository the number of AMPS to be sold pursuant to such Order against payment therefor and advise any such Beneficial Owner that will continue to hold AMPS of the Applicable Rate for the next succeeding Dividend Period;

(iii) advise each Beneficial Owner on whose behalf such Broker-Dealer submitted a Hold Order of the Applicable Rate for the next succeeding Dividend Period;

Edgar Filing: BOULDER TOTAL RETURN FUND INC - Form DEF 14A

(i) each Potential Beneficial Owner and Beneficial Owner shall instruct its Agent Member as provided in (b)(i) or (ii) above, as the case may be;

(ii) each Seller's Broker-Dealer which is not an Agent Member of the Securities Depository shall instruct its Agent Member to (A) pay through the Securities Depository to the Agent Member of the Beneficial Owner delivering shares to such Broker-Dealer pursuant to (b)(ii) above the amount necessary to purchase such shares against receipt of such shares, and (B) deliver such shares through the Securities Depository to a Buyer's Broker-Dealer (or its Agent Member) identified to such Seller's Broker-Dealer pursuant to (a)(v) above against payment therefor; and

(iii) each Buyer's Broker-Dealer which is not an Agent Member of the Securities Depository shall instruct its Agent Member to (A) pay through the Securities Depository to a Seller's Broker-Dealer (or its Agent Member) identified pursuant to (a)(vi) above the amount necessary to purchase the shares to be purchased pursuant to (b)(i) above against receipt of such shares, and (B) deliver such shares through the Securities Depository to the Agent Member of the purchaser thereof against payment therefor.

(iii) each Buyer's Broker-Dealer or its Agent Member shall instruct the Securities Depository to execute the transactions described in (d)(iii) above, and the Securities Depository shall execute such transactions.

(f) If a Beneficial Owner selling AMPS in an Auction fails to deliver such shares (by authorized book-entry), a Broker-Dealer may deliver to the Potential Beneficial Owner on behalf of which it submitted a Bid that was accepted a number of whole AMPS that is less than the number of shares that otherwise was to be purchased by such Potential Beneficial Owner. In such event, the number of AMPS to be so delivered shall be determined solely by such Broker-Dealer. Delivery of such lesser number of shares shall constitute good delivery. Notwithstanding the foregoing terms of this paragraph (f), any delivery or non-delivery of shares which shall represent any departure from the results of an Auction, as determined by the Auction Agent, shall be of no effect unless and until the Auction Agent shall have been notified of such delivery or non-delivery in accordance with the provisions of the Auction Agency Agreement and the Broker-Dealer Agreements.
