Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

At the Annual Meeting of Shareholders of Materion Corporation (the "Company") held on May 7, 2014 (the "Annual Meeting"), the shareholders of the Company approved and adopted the Company's 2006 Stock Incentive Plan (As Amended and Restated as of May 7, 2014) (the "Amended Employee Plan"). The Amended Employee Plan became effective on that date. The Company's principal reason for adopting the Amended Employee Plan was to increase the number of common shares available for issuance from 2,050,000 to 3,250,000 and to renew shareholder approval of the material terms of the Amended Employee Plan for qualified performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Additionally, the Amended Employee Plan

Allows for common shares withheld for taxes for awards other than stock options or stock appreciation rights ("SARs") to be added back to the aggregate Amended Employee Plan limit for a 10-year period;

Increases the Code Section 162(m) limit for qualified performance-based awards of restricted stock units ("RSUs"), performance restricted shares ("PRS") or performance shares ("PS") from 100,000 to 200,000 shares;

Revises the "Management Objectives" definition to generally conform to the similar definition in the Company's Management Incentive Plan and to add the following additional performance metrics: total inventory; total receivables; inventory turns; EBITDA divided by revenues or value-added revenue; new product value-added sales growth; sales and administrative costs divided by value-added sales; value-added sales per employee; and combinations of the sales, value-added sales, sales growth, cost initiative and stock price metrics described in the Amended Employee Plan;

Allows for substitute, conversion or assumed awards in a corporate transaction to not count against (or be added back to) the Amended Employee Plan limits, and allows for the Company to use shares under certain plans assumed in a corporate transaction for certain awards under the Amended Employee Plan but not count against the Amended Employee Plan limits;

Clarifies that option rights and SARs granted under the Amended Employee Plan may not provide for dividends or dividend equivalents;

Removes certain provisions pertaining to stock options that are outdated or not reflective of market practice;

Increases the Company's flexibility to include forfeiture provisions regarding awards in the evidences of such awards; and

Extends the expiration date of the Amended Employee Plan from May 4, 2021 to May 7, 2024.

This description of the Amended Employee Plan is qualified in its entirety by reference to the full text of the plan, which is incorporated herein by reference as Exhibit 10.1.
