Edgar Filing: LUXOTTICA GROUP SPA - Form 6-K

This Form 6-K attaches a press release of Luxottica Group S.p.A. ("Luxottica") dated November 28, 2004, relating to Luxottica's offer to purchase all of the outstanding shares of OPSM Group that it does not already own. This press release is not an offer to purchase or a solicitation of an offer to purchase with respect to any securities. The offer is being made solely by a Bidder's Statement of Luxottica.

Set forth below is the text of a press release issued on November 26, 2004.

Luxottica Group Announces Off Market Takeover Offer for Minorities in Australia s OPSP Group

Milan, Italy and Sydney, Australia, November 26, 2004 - Luxottica Group S.p.A. (NYSE: LUX; MTA: LUX) the worldwide leader in the eyewear sector, and **OPSP Group Limited (ASX: OPS)**, the recognized leader in the Australian eyewear industry, today jointly announced that Luxottica Group, through its wholly-owned subsidiary Luxottica South Pacific Pty Ltd, is launching an offer for all of the shares of OPSP Group it does not already own. Luxottica Group currently owns 82.6 percent of OPSP Group shares on issue.

THE OFFER

The terms of the offer will be:

A\$4.35 per share cash for each OPSP Group share; and

if Luxottica Group declares the offer unconditional, OPSP Group intends to declare a fully franked special dividend of A\$0.15 per share which will be paid to all shareholders (including Luxottica Group). In that circumstance the amount of the dividend will be deducted from the offer price otherwise due to accepting shareholders (resulting in a net price of A\$4.20 per share).

The price of A\$4.35 per share represents a premium of approximately:

11.5 percent to the closing price on November 25, 2004 of A\$3.90 per OPSP Group share; and

13.6 percent to the volume weighted average price of A\$3.83 per OPSP Group share over the last three months.

The franking credits attached to the dividend have the potential to provide additional value, depending on the tax status of the shareholder.

Luxottica Group s offer is subject to a number of conditions summarized in the Appendix, and is final and will not be increased under any circumstances.

We believe that the offer is attractive to the OPSP Group shareholders as it allows them to realize value from their holdings in OPSP Group well above current market prices, which already incorporate a takeover premium, said Leonardo Del Vecchio, Chairman of Luxottica Group

The total value of the offer for the shares not held by Luxottica Group is approximately A\$103 million, or approximately Euro 62 million (at an exchange rate of Euro 1 = A\$1.66).

Edgar Filing: LUXOTTICA GROUP SPA - Form 6-K

Under the proposal, OPSM Group shareholders would not bear any brokerage on the disposal of their OPSM shares

RECOMMENDATION

Mr Leon Pasternak and Mr Ken Potter, the Independent Directors of OPSM Group, have been advised by Caliburn Partnership Pty Ltd (Caliburn) and initiated this proposal with Luxottica Group, believing that it is in the best interest of all OPSM Group shareholders.

OPSM Group is now an extremely illiquid stock and Luxottica Group is providing shareholders the opportunity to realize cash at a significant premium to the current market price, including the payment of a fully franked dividend if the offer is declared unconditional, said Mr Pasternak.

We believe that Luxottica Group's offer provides an excellent outcome and is in the best interests of OPSM Group shareholders. Whilst we will commission an Independent Expert's Report and await receipt of it before providing a formal recommendation in the Target's Statement, we believe that the offer is in shareholders' interests and we note that the offer is final and cannot be increased. said Mr Potter.

Luxottica Group and OPSM Group intend to jointly despatch the Bidder's Statement and Target's Statement with an Independent Expert's Report.

Luxottica Group Sells Its Minority Interest in Pearle Europe to HAL Investments

Milan, Italy - January 5, 2005 - Luxottica Group S.p.A. (NYSE: LUX; MTA: LUX) announced that its subsidiary, Cole National Corporation, today sold all its shares in Pearle Europe B.V., representing approximately 21 percent of that company's outstanding shares, to HAL Investments B.V., a subsidiary of HAL Holding N.V. (AEX: HTTCU), for a cash purchase price of Euro 144 million (or approximately US\$191 million calculated for convenience at the January 4, 2005 noon buying rate). HAL Investments holds the balance of Pearle Europe's outstanding shares (except for approximately one percent held by management).

Luxottica Group gained control of the Pearle Europe shares in October 2004, as a result of its acquisition of the Cole National business. The sale, Luxottica Group noted, was required by the Articles of Association of Pearle Europe in light of the acquisition. Luxottica Group also noted that holding an interest today in an optical retail chain in the still highly fragmented European market is not strategic for the Group.
