The Digital Angel Corporation Annual Incentive Plan (the Plan) was established to promote the interests of Digital Angel Corporation (the Company) and to enhance shareholder value of the Company by creating an annual incentive program to (i) attract and retain employees who will strive for excellence, and (ii) motivate those individuals to set above-average objectives and achieve above-average results by providing them with rewards for contributions to the financial performance of the Company. Individual bonus awards will be based upon the Company's success in achieving specified financial and operational targets. The financial and operational targets will be determined by the Compensation Committee of the Company's Board of Directors each fiscal year. A copy of the plan is included as Exhibit 10.1 to this Form 8-K.

On May 4, 2006, the Compensation Committee of the Company's Board of Directors established the Annual Targets for the 2006 fiscal year. The targets are based on the following metrics: Revenue, Operating Income, Cash and Management/Board Discretion. Under the Plan, the Compensation Committee determines the participants and each participant's bonus amount is calculated based on an analysis of performance based on the established targets and individual performance objectives. The maximum award under the Plan varies based upon the participants level and performance. Targets have been set for the various executives participating in the Plan at 100%, 60% and 30% of their respective base salary and in no event can amounts awarded under the Plan exceed 200%, 120% or 60% of a respective participant's base salary. Under the Plan, determination of awards and actual performance is the responsibility of the Compensation Committee, which reserves the right, in its sole discretion, to increase or decrease awards to participants.
