-

Item 8.01 Other Events

On September 19, 2008, KEMET Corporation announced that it has prepaid in full all of its outstanding obligations under its 6.66% Senior Notes (the "Senior Notes"). The aggregate prepayment amount of \$43,210,567.80 consisted of the following: \$40,000,000 for the outstanding principal balance under the Senior Notes, \$999,000 in accrued interest, \$2,011,567.80 for the "Make Whole Amount" as required for prepayments under the Senior Notes May 1, 1998 Note Purchase Agreement, and \$200,000 as a non-refundable fee as required under the August 25 Second Amendment and Waiver to Note Agreement.

As a result of an impairment charge reported in the Company's financial results for the quarter ended June 30, 2008, the Company would not have been in compliance with the consolidated minimum net worth covenant contained in the Senior Notes. The Company entered into two amendments with the holders of the Senior Notes which lowered the required minimum consolidated net worth through September 30, 2008. As of the time of the prepayment, the Company remained in compliance with all the financial covenants, as amended, under the Senior Notes.

A copy of the press release announcing the prepayment is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
