Release 10 December 2008, Lisbon

Share Capital Reduction from Euro 28,277,855.31 to Euro 26,895,375 pursuant to the Share Buyback Programme

Portugal Telecom, under the terms and for the purposes set forth in paragraph e) of article 1 of CMVM Regulation no. 5/2008 [and in paragraph f) of no. 2 of article 249 of the Portuguese Securities Code (Código dos Valores Mobiliários or CVM)], and following the press release published on 25 July 2008, informs that:

1. As resolved in the General Meeting held on 28 March 2008 and for the purposes of the execution of the share buyback programme and the corresponding share capital reduction of up to Euro 3,077,400, PT acquired until 10 December 2008 a total of 46,082,677 treasury shares, corresponding to 4.89% of its share capital.
2. Pursuant to the terms of the same resolution, PT has registered the reduction of its share capital in the amount of Euro 1,382,480.31 through the cancellation of 46,082,677 treasury shares. As a result, PT's share capital is now equivalent to Euro 26,895,375 and is represented by 896,512,500 shares.
3. This operation and consequently the cancellation of treasury shares will be concluded by the Central de Valores Mobiliários (the stock exchange's clearinghouse) on 18 December 2008.
4. As of today, PT does not hold any own shares in treasury.

In addition, PT informs that the total number of outstanding shares, adjusting for the 20,640,000 shares held through an equity swap, contracted under a previous share buyback programme, recognised in the balance sheet is 875,872,500.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
