Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the Securities and Exchange Commission. Such officers, directors and 10% stockholders are also required by SEC rules to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it, the Company believes that, during the fiscal year ended December 31, 2008, timely filings were made.

**Item 11. Executive Compensation**

**Compensation Discussion and Analysis**

*Compensation Philosophy.* The Company's executive compensation program is designed to attract and retain executives who are vital to the firm's long-term success. Decisions with respect to executive compensation are made by the Compensation Committee of the Board of Directors on an individual basis, based upon a number of factors, including the provisions of any existing employment contract with an executive, evaluation of the executive's performance, the level of responsibility associated with the executive's position, recruitment requirements and the performance of the Company. Compensation of the executives of the Company has historically been structured to motivate, reward and retain the executives consistent with the needs of the Company from time to time. Mr. Biglari, appointed as President and Chief Executive Officer in May 2007, is excluded from this program due to his election not to receive any compensation for serving in these capacities.

In 2007, the Compensation Committee established a policy that disregards both the market value of the Company and the profitability of the parent Company in determining the compensation for these executives. The principal components of the Company's executive compensation program for 2007 and forward are salary and bonus. The Company has frozen all stock option plans and will not issue new grants of stock options to executives as of the beginning of the second quarter of 2007. Only 1,000 options were issued in 2007, prior to the freeze on new grants. The Compensation Committee believes that each executive's overall remuneration should reflect his or her performance over time, and a mix of salary and bonus is used to achieve that goal. Compensation will not be related to activities that are not under the executives' domain.

*Base Salary.* Factors considered by the Compensation Committee in setting executive salaries are typically subjective, such as the Committee's perception of functional responsibility and performance. In the case of the Chief Executive Officer (prior to Mr. Biglari's appointment), the Committee also considered its expectations as to his future contributions in directing the long-term success of the Company and its business. Base salaries have historically been reviewed annually and may be changed based upon the individual performance, subject to any contractual arrangement with the executive. This philosophy is also applied to key executives of the Company's subsidiaries, such as Mr. Moore who was appointed Chief Executive Officer of the Company's wholly-owned subsidiaries Western Sizzlin Stores, Inc. and Western Sizzlin Franchise Corporation in July 2008. Mr. Moore replaced James C. Verney in these positions.

Mr. Moore's salary in 2008 was \$250,000 annually, pro-rated for his time with the Company. In 2009, Mr. Moore's salary will be \$250,000. Mr. Verney's salary in 2008, 2007 and 2006 was \$210,000, \$260,000 and \$260,000, respectively.

The Compensation Committee also sets the base salary of the Chief Financial Officer. Mrs. Mabe's salary in 2008, 2007 and 2006 was \$129,000 and \$125,000, and \$121,000, respectively. In 2009, Mrs. Mabe's salary will be \$132,000.

*Cash Bonus.* The Company utilizes two types of bonuses—a performance based bonus and a discretionary bonus. The performance based bonus programs are established annually by the Compensation Committee and approved by the Board, with bonus payments tied to performance milestones applicable to each executive. No performance bonuses were paid in 2008 to any of the named executive officers. Mrs. Mabe was paid discretionary bonuses in 2008 and 2007 of \$8,000 and \$10,000 in 2006, on the basis of her expeditiously facilitating a number of initiatives directed by the Board. Mr. Moore did not receive a discretionary bonus in

2008. Mr. Verney did not receive a discretionary bonus in either 2008 or 2007; he was paid a \$25,000 discretionary bonus in 2006. Discretionary bonuses are tied to the Compensation Committee's judgment of the executive's performance in the following areas and other areas deemed appropriate in the Board's discretion:

- Retention of current franchises.
- Addition of new franchises.
- Restaurant openings by franchises.
- Profit performance of the five Company-owned stores.
- Management of the Company's accounts receivable and notes receivable.

Overarching these four areas is the Board's interest in increasing free cash flow.

In 2009, the Company intends to utilize a bonus structure similar to that applied in 2008, with updated targets set in regard to return on investment, cash flow, and system-wide sales increases.

*Employment Agreements* Mr. Biglari, who was appointed President and Chief Executive Officer in May 2007, does not have an employment agreement. Mr. Moore, who was appointed Chief Executive Officer of the Company's wholly-owned subsidiaries Western Sizzlin Stores, Inc. and Western Sizzlin Franchise Corporation in July 2008, did not have an employment agreement in 2008. Mr. Verney was employed pursuant to a written Employment Agreement dated July 1, 2003, as subsequently amended by a written Binding Memorandum of Understanding dated January 4, 2005 and an Amendment dated May 16, 2007. The initial term of the agreement was 18 months, and it renewed for successive one-year terms absent written notice of non-renewal from either party. The agreement (as amended) provided Mr. Verney compensation in the form of a base salary, cash bonus and stock options. The salary amount was subject to annual adjustment by the Compensation Committee, as described above. Mr. Verney was eligible to receive performance bonuses pursuant to a plan established annually by the Compensation Committee. All stock options required to be granted by the Company to Mr. Verney under this agreement were issued since 2005. No discretionary options were issued since that time. Mr. Verney's agreement provided other benefits of the type available to other Company employees such as health insurance and retirement plan participation. The agreement provided for a severance payment of one year's base salary at the rate then in effect plus reimbursement for premiums for health benefits in the event of termination without cause. Mr. Verney's employment was terminated in July 2008 by mutual agreement of the parties and pursuant to the terms of a Severance and Release Agreement. Severance payments to Mr. Verney are consistent with his Employment Agreement and are comprised of one-year's base salary at the rate then in effect and pursuant to the Company's regular payroll practices, plus reimbursement for premiums for health benefits, totaling approximately \$216,000. The Severance and Release Agreement also provides for mutual non-disparagement, non-solicitation (19 months), confidentiality/trade secret and intellectual property protection, non-competition (12 months) and mutual releases.

## Edgar Filing: WESTERN SIZZLIN CORP - Form 10-K/A

Subsequent to December 31, 2008, in March, 2009, the Company entered into a written Employment Agreement with Robert R. Moore, President and Chief Executive Officer the Company's wholly-owned subsidiaries Western Sizzlin Stores, Inc., and Western Sizzlin Franchise Corporation. The Agreement provides Mr. Moore with a minimum base salary of \$250,000 per year. He is eligible for bonus compensation equal to twenty percent (20%) of Cash Flows (as defined in the Agreement) in excess of \$2.3 million annually as adjusted by a charge of 20% of any incremental investment of capital during each year. He also receives a monthly car allowance of \$1,500 per month and a housing allowance of \$1,500 per month. He is eligible for such other benefits as are offered other employees from time to time and will be reimbursed for out-of-pocket expenses pursuant to the Company's existing policies. The initial term of the agreement expires on December 31, 2009, and it automatically renews for successive one-year renewal terms. During any term the Agreement is terminable by either party on thirty (30) days prior written notice, automatically in the event of Mr. Moore's death or disability, any time by mutual written agreement, or by the Company for cause (as defined in the Agreement). In the event the Agreement is terminated by the Company without cause, Mr. Moore is entitled to severance benefits equal to three (3) months' salary during the initial term, six (6) months' salary during the first renewal term, nine (9) months' salary during the second renewal term and twelve (12) months' salary if during a subsequent renewal term. In the event of such termination he would also be offered continuing insurance coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act (COBRA) and the Company will reimburse premiums paid by him for a period of three (3) months. The Agreement also contains customary provisions concerning the protection of Company property and confidential information. It also provides for periods of non-competition and non-solicitation.

The Company has a severance provision contained within the Employment Agreement with Robyn B. Mabe, its Chief Financial Officer. The agreement provides certain termination benefits in the event that Mrs. Mabe's employment with the Company is terminated without cause and upon a change of control. Under the terms of the agreement, in the event of termination without cause Mrs. Mabe will receive termination benefits equal to six months of her annual base salary in effect on the termination date and the continuation of health and welfare benefits through the termination date of the agreement. In the event of a change of control, she will receive termination benefits equal to her base salary in effect on the change of control date and the continuation of health and welfare benefits through the termination date of the agreement. Assuming a termination date of December 31, 2008, as required by SEC rules, the approximate value of the severance benefits would have been approximately \$135,000.

The Company's obligations under the above-described agreements are conditioned upon compliance with the terms of the agreement, which include as applicable provisions concerning non-disclosure of confidential information, non-solicitation of employees, and covenants not to compete with the Company.

### Compensation Committee Report on Executive Compensation for the Fiscal Year Ended December 31, 2008

The Compensation Committee is responsible for reviewing and recommending to the Board annually the compensation of all executive officers of the Company and its subsidiaries. In the past, this charge has included reviewing and recommending to the Board the compensation to be paid to the Chief Executive Officer, however, this function is not presently operative since Mr. Biglari is not compensated for his services in his capacity as President and Chief Executive.

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis set forth in this Annual Report on Form 10-K/A with management. Based upon this review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Annual Report on Form 10-K/A.
