ITEM 8.01. Other Events

Edgar Filing: BALTIMORE GAS & ELECTRIC CO - Form 8-K

Effective January 1, 2009, Constellation Energy Group, Inc. and Baltimore Gas and Electric Company (BGE) (collectively, the Companies) adopted Statement of Financial Accounting Standards (SFAS) No. 160, *Noncontrolling Interests in Consolidated Financial Statements – an amendment of ARB No. 51* (SFAS No. 160). SFAS No. 160 impacted the presentation and disclosure of noncontrolling interests in the Companies' consolidated financial statements as follows:

- The portion of the Companies' consolidated subsidiaries that are less than wholly owned is presented as noncontrolling interests in the Consolidated Balance Sheets rather than as minority interest,

- BGE preference stock is presented as a noncontrolling interest in a separate line item within total equity in the Consolidated Balance Sheets of Constellation Energy Group, Inc. rather than as minority interest outside equity, and

- The portion of net income (loss) attributable to noncontrolling interests is presented as a separate line following net income in the Companies' Consolidated Statements of Income (Loss) rather than as a deduction in determining net income.

Although each of the foregoing impacts is not material to the affected financial statements, we have summarized these impacts in the tables below. The Companies will reflect the changes in presentation and disclosure resulting from the adoption of SFAS No. 160 for all periods presented in their financial statements in future filings in accordance with the requirements of SFAS No. 160.
