**Item 3. Source and Amount of Funds or Other Consideration**

Shares of Common Stock owned by the Reporting Persons were purchased with working capital and on margin. The Reporting Persons' margin transactions are with UBS Securities LLC, on such firm's usual terms and conditions. All or part of the shares of Common Stock directly owned by the Reporting Persons may from time to time be pledged with one or more banking institutions or brokerage firms as collateral for loans made by such bank(s) or brokerage firm(s) to the Reporting Persons. Such loans bear interest at a rate based upon the broker's call rate from time to time in effect. Such indebtedness may be refinanced with other banks or broker dealers.

**Item 4. Purpose of Transaction**

The Reporting Persons acquired the shares of Common Stock for investment purposes and in the ordinary course of business.

The Reporting Persons expect that they may hold and/or dispose of their shares of Common Stock as a part of their ongoing investment strategy, with any such dispositions expected to be made consistent with the alternatives and timing originally reported in Amendment No. 9 to this Schedule 13D. Recently, certain of the Reporting Persons determined to form TCP Overseas Master Fund II, L.P. ( TCP 2 ) during the fourth quarter of 2009. It is anticipated that TCP 2 will become the beneficial owner of an as-yet-undetermined portion of the Common Stock currently held by the Reporting Persons. To the extent that TCP 2 acquires beneficial ownership of any such Common Stock, TCP 2 may hold and/or dispose of such Common Stock or may purchase additional securities of the Company, at any time and from time to time in the open market or otherwise.

As discussed in this Schedule 13D, the Reporting Persons own approximately 56.5% of the Company's outstanding Common Stock and can control the Company's affairs, including (i) the election of directors who in turn appoint management, (ii) any action requiring the approval of the holders of Common Stock, including adoption of amendments to the Company's corporate charter, and (iii) approval of a merger or sale of all or substantially all assets. The Reporting Persons can also control certain decisions affecting the Company's capital structure. As discussed in Item 6, the Reporting Persons have certain rights to nominate directors and to require the Company to limit the size of the Board, which rights are dependent on the Reporting Persons' ownership of a certain aggregate percentage of Common Stock. Accordingly, the disposition of the Reporting Persons' holdings in the Company may result in changes to the size and/or composition of the Company's Board of Directors.

Although the forgoing represents the range of activities presently contemplated by the Reporting Persons with respect to the Company, it should be noted that the possible activities of the Reporting Persons are subject to change at any time. Accordingly, the Reporting Persons reserve the right to change their plans or intentions and to take any and all actions that they may deem to be in their best interests.

Except as set forth in the Schedule 13D, the Reporting Persons do not have any current intention, plan or proposal with respect to: (a) the acquisition by any person of additional securities of the Company, or the disposition of securities of the Company; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries; (d) any change in the present Board of Directors or management of the Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Board; (e) any material change in the present capitalization or dividend policy of the Company; (f) any other material change in the Company's business or corporate structure; (g) changes in the Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Company by any person; (h) causing a class of securities of the Company to be delisted from a national securities exchange, if any, or cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Act, or (j) any action similar to any of those enumerated in items (a) through (i) above.
