Item 1.01 Entry into a Material Definitive Agreement.

Underwriting Agreement

On November 10, 2011, LRR Energy, L.P. (the Partnership) entered into an underwriting agreement (the Underwriting Agreement), by and among the Partnership, LRE GP, LLC (the General Partner), LRE Operating, LLC (the Operating Subsidiary, and together with the Partnership and the General Partner, the Partnership Entities), Lime Rock Management LP (Lime Rock Management), Lime Rock Resources A, L.P. (LRR A), Lime Rock Resources B, L.P. (LRR B), Lime Rock Resources C, L.P. (LRR C, and together with LRR A and LRR B, Fund I), Wells Fargo Securities, LLC, Raymond James & Associates, Inc., Citigroup Global Markets Inc., RBC Capital Markets, LLC and the other underwriters party thereto (collectively, the Underwriters), providing for the offer and sale by the Partnership (the Offering), and purchase by the Underwriters, of 9,408,000 common units representing limited partner interests in the Partnership (the Common Units) at a price to the public of \$19.00 per Common Unit (\$17.8125 per Common Unit, net of underwriting discounts). Pursuant to the Underwriting Agreement, the Partnership also granted the Underwriters a 30-day option to purchase up to an additional 1,411,200 Common Units on the same terms to cover over-allotments, if any.

The material terms of the Offering are described in the prospectus, dated November 10, 2011 (the Prospectus), filed by the Partnership with the United States Securities and Exchange Commission (the Commission) on November 14, 2011 pursuant to Rule 424(b)(4) under the Securities Act of 1933, as amended (the Securities Act). The Offering is registered with the Commission pursuant to a Registration Statement on Form S-1, as amended (File No. 333-174017), initially filed by the Partnership on May 6, 2011.

The Underwriting Agreement contains customary representations, warranties and agreements of each of the Partnership Entities, Lime Rock Management and Fund I, and customary conditions to closing, obligations of the parties and termination provisions. The Partnership Entities have agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

The Offering is expected to close on November 16, 2011. The Partnership will receive net proceeds (after deducting underwriting discounts and a structuring fee) from the Offering of approximately \$167.2 million. As described in the Prospectus, the Partnership will use the net proceeds of the sale of the Common Units to:

- make cash distributions and payments to Fund I of approximately \$289.9 million;
- repay in full approximately \$27.3 million of LRR A's debt that the Partnership will assume at closing;
- pay fees and expenses of approximately \$1.9 million relating to the Partnership's new revolving credit facility; and
- pay offering expenses of approximately \$3.9 million.

The foregoing description of the Underwriting Agreement is not complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, a copy of which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated in this Item 1.01 by reference.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Long-Term Incentive Plan

On November 10, 2011, the Board of Directors of the General Partner (the Board) adopted the LRE GP, LLC Long-Term Incentive Plan (the Long-Term Incentive Plan) for employees, consultants and directors of the General Partner and its affiliates, including Lime Rock Management and Lime Rock Resources Operating Company, Inc., who perform services for the Partnership. The Long-Term Incentive Plan consists of unit options, restricted units, phantom units, unit appreciation rights, distribution equivalent rights, unit awards and other unit-based awards. The Long-Term Incentive Plan initially limits the number of Common Units that may be delivered pursuant to awards under the plan to 1,500,000 Common Units. Common Units that are withheld to satisfy exercise prices or tax withholding obligations, or that are not delivered due to the forfeiture, cancellation, exercise or other termination or expiration of any award, will be available for delivery pursuant to other awards. The Long-Term Incentive Plan will be administered by the Board or a committee thereof.

The foregoing description is not complete and is qualified in its entirety by reference to the full text of the Long-Term Incentive Plan, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated in this Item 5.02 by reference.

Form of Restricted Unit Award Agreement

In connection with the adoption of the Long-Term Incentive Plan, the Board adopted the Form of Restricted Unit Award Agreement (the Restricted Unit Award Agreement) allowing for the award of restricted Common Units to certain of the employees, officers and directors of the General Partner (each a Participant) pursuant to the Long-Term Incentive Plan. The Common Units issuable pursuant to the Restricted Unit Award Agreement are restricted in that they are subject to forfeiture and may not be transferred or otherwise disposed of by the Participant prior to the applicable vesting date.

If, at any time prior to the applicable final vesting date, a Participant's (i) employment with the General Partner, the Partnership, or any other entity that is an affiliate (within the meaning of such term under the Exchange Act and the rules promulgated thereunder) of the foregoing entities or (ii) membership on the Board, as applicable, is terminated for any reason other than death or disability, then any Common Units granted under the Restricted Unit Award Agreement that remain unvested as of the date of termination will be forfeited and the Participant will have no rights with respect thereto. In the event that such employment or membership on the Board, as applicable, is terminated due to the Participant's death or disability, or if there is a Change of Control (as defined in the Long-Term Incentive Plan), then all Common Units granted pursuant to the Restricted Unit Award Agreement will immediately vest and become non-forfeitable.
